I bragged that I had survived the 'crud of '97' too soon. It returned the last part of last week, and I understand this has been the situation in several instances. It has not been quite as bad. I have had quite a bit of practice at the card table since the last publication of the Times. I am not sure what my record is, but I certainly did not win them all.

In fact, I wondered for a while if we were going to win at all Monday night. After losing the first two games, Jane, Mike and I defeated Barbara, Patsy and Mimi the third game. It was not without a struggle.

Proof of Social Security No. Required for License

Beginning Feb. 3 anyone applying for a Texas driver license will be required to show proof of his or her Social Security number before the license will be issued. Those seeking to renew their driver license in person or requesting a duplicate license will also need proof of their SSN. The new requirement does not apply to individuals renewing by mail or apply-

ing for a DPS-issued ID card. The DPS has been requesting the SSN on a voluntary basis since 1992. A provision in the Social Security Act, 42 U.S.C. 405 (c) (2) (C) (i), allows a state to use the SSN for driver license identification purposes. Changes made to the Family Code, Sec. 231.302 (c) (1), during the 74th Legislature require agencies issuing licenses to obtain the SSN to assist in locating persons delinquent in paying child support. The SSN will not appear on the driver license itself and will be made available only to DPS for identification purposes and to the Child Support Division of the State Attorney General's Office.

"In addition to assisting in the collection of delinquent child support, we think this new law will make it more difficult for an individual to fraudulently obtain a driver license," Col. Dudley M. Thomas, Director of the DPS, said. "This will help reduce crimes that depend on fake identification, such as hot check cases, and will also make it more difficult for minors to obtain licenses with fraudulent birth dates.'

To meet the SSN requirement, an applicant may present a federal Social Security card, income tax documents, U.S. passport (if SSN is included), W-2 form, pay stub, government-issued health insurance card, pilot's license, Veteran's Administration benefits card or employer ID card that has the SSN on it. Metal Social Security cards or types sold at flea markets will not be accepted.

Dear Editor.

Can you remember a few years ago I had my IV Gable Service in your Times building? Most every day someone would come up with "Mrs. Guthrie did you take your Memory Pill today?'

Of course I hadn't, because there wasn't any Memory Pill on the drug store shelves.

But today on Peter Jennings spot on TV we were told that scientists have come up with a Memory Pill. It seems to work with rats. It might do me some good.

HEALING HANDS: Relax and let those troubles just float away. Healing Hands Massage Therapy opened for business the first of November at 509 S. Main. The business is operated on appointment only by Kay Anderson (left). Massage is considered a "natural remedy"; a recent article in Health reads: "Recent studies show that massage forces muscles to relax, which send a message to the brain to produce fewer stress hormones; the result is a feeling of relaxed alertness. Just one session can temporarily reduce stress and improve sleep. Regular massages can boost the immune system, improve mental function, and ease chronic pain, as well as speed recovery from overuse injuries." Kay offers gift certificates, which were a popular gift at Christmas. The phone number is 806/826-5722. Chamber of Commerce president Ravonda Hardcastle welcomes Kay to the local business world. CONSEQUENCES AS A PARENTING TOOL

Consequences can be a useful tool for parents to have in their parenting tool box. Parents need to know how to use consequences for molding and shaping children's behavior.

Consequences are at work all the time. We run into them everyday - on our job, at home, with friends, and so on. If we don't get our work done, the boss criticizes us. If we don't remember to let the dog outside, leaves a calling card. Consequences affect all of us, positively and negatively.

As parents, it helps to understand why giving consequences to our kids is so essential. Consequences teach kids to think. Consequences help children learn that their actions lead to results, both positive and negative. They learn that life is full of choices and the choices they make greatly influence what happens to them.

Knowing how to use consequences to teach kids is so important. If consequences have the power to change behavior, it makes sense that we should use them to benefit our kids. The basics of using consequences

with children include the following: Be clear. Make sure your child know what the consequence is and who and what he or she did to earn or lose

Be consistent. Don't give a big consequence for a behavior one time and then ignore the same behavior

Be brief. This is especially true with younger children. Clear messages usually get lost when you lecture. Follow through. If you set up a deal

for your child to earn a positive consequence, be sure he gets the reward after he's done what he needs to. Likewise for a negative consequence.

Be as pleasant as possible. This is generally easier when you give positive consequences. But, when you give negative consequences, keep it in mind, as well. Telling and screaming are not effective. Kids can't hear your words, they can only hear your

The following is a list of possible consequences that parents can use that cost no money:

Thursday, Feb. 13th, Patricia Hand and her parents, Venson and Fay Smith, spent the day in Amarillo at the VA hospital for Venson to see doctors of course they are waiting for part of the test results.

The weather in Amarillo was very nasty and cold. Sort of drizzly and some patches of ice.

Cathy Hunt had to have back surgery Thursday morning in Amarillo. No one had any definite information on Friday yet. Just that it was a case of the worst ruptured disc her doctor had seen.

Ariza and Anna Belle Corcoran have really been under the weather.

Anna Belle had to have some tests run to try and find an answer. Thank the Lord her tests came back okay. But that doesn't help her feel any

Pa didn't get away with anything. Peyton and Shelton were his shadow all weekend. (When Peyton wasn't mothering Jayton).

Tim and Sallie really enjoyed the grandchildren. I think Nanny's afraid she's been demoted, ha! (I doubt that). But "Pa" is about the first thing out of their mouths anymore. (A really great family), no matter it's Pa's and Nanny's or Nanny's and Pa's. (And Sallie was worried about how her kids and grandkids would feel about Tim!!)

Thursday, Feb. 13th, Pierce Walker had another spell with his heart. They were fairly certain he had another heart attack. They took Pierce to Amarillo to Northwest Texas Hospital. He was admitted and hooked up to monitors. He was waiting to see Dr.

Saturday Pierce's youngest brother, Kenneth, from Dumas was in Amarillo to spend part of the day with Pierce. He was looking pretty well for all he had been through.

The family was waiting for more information from Dr. Allison on Monday, Feb. 17.

Get well soon Pierce. You and Nettie are in our prayers.

So sorry to hear that Earl Corse, of Dumas, had a very serious heart attack Friday (Feb. 14th) night. Carolyn, his wife, took him immediately to Moore County Hospital in Dumas. After evaluating his condition they sent him on to Northwest Texas Hospital. Carolyn rode with him in the

ambulance. Earl is Clifford and Euline Walsers son-in-law. And Doug Corses brother. I'm afraid all the Corse boys inherited their Dad's tendency to heart prob-

Saturday they did a heart catherization and some balloon surgery on Earl. But Earl was resting comfortably.

Sunday Earl had a lot of family at the hospital. If he continued to do as well and stayed pain free he was to be moved to a private room Monday.

Brother Bill Morrison was going to Amarillo Monday to check on Clarence Walser and Earl Corse and others. Todd Sherrod and his wife were

weekend house guests of Bob and Lois Sherrod at the Sherrod "home place" in McLean.

Clifford and Euline were disappointed that they didn't get to visit with Todd and his wife because of the time they spent in Amarillo. But Todd understood and called his Aunt Euline for a nice visit.

Congratulation Monty Long for being awarded Outstanding Teenager of Year for Wheeler. Quite an honor and much deserved.

All of the honorees for 1996 were very deserving. Many had been overlooked for several years. Congratulations to each of you. Thanks for helping make Wheeler one of the best places on the map.

"Productivity appraisal" may lower the property taxes on your farm, ranch or timber land!

Texas law allows farmers, ranchers and timber growers to pay property taxes based upon the "production value" of their land rather than on its market value. This "productivity appraisal" means qualified land is taxed based on its ability to produce crops, livestock or timber-not on its value on the real estate market. And it can mean substantial property tax savings.

When is the application deadline?

If your land has never had a productivity appraisal or you are a new owner, you must apply to your local appraisal district by April 30 to take advantage of this benefit on your 1997 property taxes. You may get up to 60 extra days if you have a good reason and ask for it by April 30. If you miss this deadline, you may still be able to apply, but you will pay a penalty. Check with your appraisal district office.

Do you need to reapply annually?

If your land already receives agricultural or timber productivity appraisal, you normally don't need to reapply unless the chief appraiser requires you to do so. If a new application is required, the appraisal district will notify you by mail.

LA RESPUESTA SE PUEDE VIVIR GOSOZO?

La Biblia nos dice en 1Tesalonisenses 5:16 "estad siempre gosozos" así que no importa la circunstancia en que te encuentres tu te puedes gozar

* Si eres pequeno, alegrate: porque tu pequenez sirve de contraste a otros en el universo.

*Si eres grande, alegrate: porque lo invisible se manifesto en ti de manera mas excelente, porque eres un exito del Artista

*Si estas sano, alegrate: porque en ti las fuerzas de la naturaleza han llegado a la ponderación y la armonia. *Si eres enfermo, alegrate: porque luchan en tu organismo fuerzas contrarias que acaso buscan un resultado de belleza. *Si eres rico, alegrate: por toda la fuerza que el Destino ha puesto en tus manos, para que la derrames. *Se eres pobre, alegrate: porque tus alas seran mas ligeras, porque la vida te sujetara menos, porque el Padre realizara en ti mas directamente que en el rico el amable prodigio periodico

*Alegrate si amas: porque eres mas semejante a Dios que a los otros.

'Alegrate si eres amado: porque hay en esto una predestinación

*Alegrate si eres pequeno; alegrate si eres grande; alegrate si tienes salud; alegrate si la has perdido; alegrate si eres rico; alegrate si eres pobre; alegrate si te aman; si amas, alegrate; alegrate siempre, siempre, siempre, siempre. Some of the books were "Page One, The New York "Times", "The Civil War at Charleston", "Secret Place of Thunder", "The Blg Black Book" (this is a how to book that covers many topics) and lots of paperbacks that are in men's section. These are mostly war and suspence stories. Some of the videos are war stories, but also include, "Frantic" with Harrison Ford, "Death and the Maiden", "Executioners" with Joan Collins, "Breakout" with Charles Bronson, and two videos-"The Smithsonians-Battles of the Civil War". Thank you David for these nice donations. We greatly appreciate them and they will be enjoyed over

and over again. Several memorials were received this week in honor of Lillian Bush and Polly Hooper. As always we appreci-

The new section for the men seems to be going over well with them. They do not have to look several different places to find their books.

That is all for this week. Come see us and get a good book, it's waiting to entertain you.

WHEN YOU OWN IT WHEN YOU SELL IT

They were celebrating their 15 wedding anniversary a little early with a trip to Las Vegas, Nevada. They had alot of fun. They didn't break the bank, just the piggy bank.

Friday night Fred took Jackie Thrasher to Mel's in Wheeler to celebrate their anniversary. It was actually Mon, the 10th, but Fred had to work late that night.

They had a nice surprise when they got there. Their friends, Barney and Leighann Sherman, from Shamrock were there. They had a wonder-

Barney and Fred both work for Guinn Trucking. (I feel like I'm starting a Flintstone saga. ha! ha!) Barney works out of Canadian and Fred out

Leighann also works in Canadian. She's an office manager for the Abraham Company.

Leighann comes and studies with Jackie on Saturday mornings.

Barney and Leighann live in Shamrock with their 19 year old son, Jeff.

Please keep Leighann in your prayers. She had boiled some water for drinking water. Leighann put it in a glass pitcher and let it cool down. As she tried to move it to the refrigerator the bottom fell out of the pitcher and the water scalded her feet.

It has been very painful and still hard to even tolerate house slippers. But it hasn't stopped her, just slowed her down a little.

Jerry and Julian Martinez, Andie (Andrea) and Michael and Tisha McLaughlin took Jess and Deanna Mixon out to Mel's Diner to celebrate St. Valentine's Day. They were having a good time.

Andie always has to set in Jackie's

lap a little while.

Fred and Jackie enjoy Jerry and her children. Jerry sort of grew up in the family when the Mixons and Thrashers lived in Stratford, TX. So they have all been friends for a long time and been through a lot.

The crud sort of caught up with Ray and Velma Forbes over the weekend. That upper respirtory stuff sounded like it was trying to get the best of Ray. Even poor ol' Rascal, the cat, was moping around Sunday.

Sure hope this finds you both feeling much better.

Good News!! Monday, Pierce Walker got to come home from the hospital in Amarillo. Really good to have him back.

Pierce is really glad to be home but is pretty washed out. He's not complaining though. I can't say the same for the doctors orders. But he's going to try and follow all of Dr. Allison's orders. But Pierce doesn't like being Pierce got his good hearing aid

back. It works great. It's wonderful to hear again.

Pierce will be enjoying the services of Charlene Dukes and her crew from Community Home Health from Allison, a little longer than Pierce had originally planned. But they have it all under control.

Sunday, Gladys Richardson and Leola Stuart went to church at the Country Chapel in Wheeler. Afterwards, Calvin met them and they all went to Shamrock.

Bulah Stuart and Gerald were do-Friday evening, Jerry and Sheryl Richardson and Tyler of Wheeler

came by for a visit with Grandmother Richardson. Katie was spending the night with a friend in Wheeler.

Tuesday, Calvin enjoyed dinner at

Well, last weekend wasn't a good one for the Colorado Xplosion basketball team.

I know Sheryl and the girls were disappointed but they can hold their heads high. They lost the first national women's league title to the best.

The ladies from Columbus, Ohio took the honors this year. But they did it with the winning 2 points coming in overtime.

They did a fantastic job this season. You'll get it next year! That's just one goal you didn't make this year.

Ya'll did a great job! Next season will be even better.

It's good to hear that Odon Hudson is back home. (As of Monday about noon he still was.) He has been trying to eat a little. He's still quite uncomfortable. They were getting ready to take Odon back to the Dr. for a check-

Congregational Concerns:

Earl Corse, the son-in-law of Clifford and Euline Walser, recently suffered a heart attack. He is hospitalized in Baptist/St. Anthony's Hospital in Amarillo. His condition is slowly improving.

Clarence Walser is hospitalized in the intensive care unit in Northwest Texas Hospital in Amariilo. His condition is very serious.

From The Minister's Desk:

A hearty "amen" was my response to an editorial that was recently written by Joe Slater, the minister of the Augusta church of Christ in Augusta, Kansas. This editorial was entitled, "Lifetime Service Award" and it read:

"Woe to those who call evil good, and good evil; Who put darkness for light, and light for darkness; Who put bitter for sweet, and sweet for bitter. "(Isaiah 5:20)

"This week, in conjunction with 24th anniversary of the Supreme Court's Roe v Wade decisions lifetime service award will be given out by an organization called NARAL. Those letters used to stand for National Abortion Rights Action League; in recent years the name has been modified, but its philosophy and goals remain the same. Presenting the award to the honored recipient will be none other than Tipper Gore, wife of Vice President Al Gore. This is a profound disappointment. The President and First Lady have always been pro-abortion, despite a smattering of "moderate" rhetoric here and there; and the Vice President, who flip-flopped from pro-life to pro-abortion when eyeing the White House years ago, has been solidly pro-abortion ever since. But Mrs. Gore was said to be holding to

Now wait a minute! Electricians and plumbers provide services; the U. P. S. driver provides a service. But abortionists? If that's "service," I'm going to go back to the vocabulary of my youth, when teens who wanted to steal things called it "liberating" the items. Better to be called liberator than a thief!
