Remember the Third Annual Hoop Mania Fundraiser Game at Mobeetie Saturday evening.

Do you have your tickets to the Chamber of Commerce Installation Banquet set for Monday, February 10. It is going to be a very enjoyable evening with delicious food, served by Maxey's.

I told you last week that Boatmen's First Canadian Bank was going to be cooking ribs to help with the Ft. Elliott scholarship fund. They did and they were delicious.

I also said they would have all the trimmings, that was not entirely true in our situation. The Meriwethers had come out to go to the dentist and we had to top the meal with Zucchini, Mushrooms and Onion Rings from Maxey's—delicious.

Wheeler County Sheriff's officers were looking around Wheeler for an Ostrich Wednesday. One was reported walking on Hwy 83 North of Town

We have a picture of the Lady Mustangs, but the picture of the boys was a bit dark. I will have to schedule a time for a retake.

This week's issue of the Times marks the end of my 36th year in Wheeler. We came on February 1, 1960. I was a linotype operator; a few methods have changed since then.

I have three birthday greetings to extend this week. Cathi will have a birthday on Saturday, followed by William's birthday on the third and Juanita's birthday on the fifth. Happy Birthday, Cathi, William and Juanita.

The weather on Sunday was quite nice around noon at Hinton, but turned much cooler in early afternoon. We still managed to get in a few games of croquet before going inside to gather around the card table.

We only got in one game, because Jennifer and Brice had to get to Weatherford for a Superbowl Party. Can you imagine, putting football before cards?

And, we had to get home in case Publisher's Clearing House came to deliver the Ten Million. They didn't.

We won; I could leave it at that, but everyone knows I won't. After the loss of the first game—rather one sided in favor of Mike, Jane and Mimi, Patsy, Barbara and I came back to win the next two games on Monday night.

Do you have the poem written for your Valentine in the Times? Show that special person that you want everyone to know how much you care.

—cwe—

The Chamber will be bringing to a close an excellent year and President Rodney Bass, urges the members to show their support with their attendance. You will receive good food, good fellowship and entertainment for your \$12.00.

The banquet will begin at 7:00 P.M. Wheeler is one of the 36 counties represented by Haywood in the state senate. Haywood is a small businessman, community leader and former college professor; he brings a background of leadership, education and entrepreneurial spirit to the Texas Senate.

Presently residing in the Wichita Falls area, Haywood was born and raised in the Dallas area, where he met and married his high school sweetheart Pat. The Haywoods have been happily married for 36 years and are the proud parents of four children and grandparents of four grandchildren. Haywood and most of his family currently reside in Wichita Falls, where he owns and operates a property tax and real estate consulting firm.

Haywood is a former Professor of physics at the University of North Texas and Midwestern State University. While at M.S.U. he served as the Director of University Affairs, while simultaneously working as an associate professor. In 1979 Haywood left the education field to become Executive Director of the North Texas Oil & Gas Association. Under his leadership, NTOGA became one of the most respected industry organizations in Texas.

A conservative Republican, who served on the Education, Natural Resources, and Economic Development Committees during his initial session in the Texas Senate, Haywood's 75th legislative session highlights include: juvenile justice reform, reduced regulation for the oil & gas industry, and many local reforms for District 30. He is an active advocate of streamlined government, individual responsibility, less regulation and equitable tax system.

Tom and Pat Haywood are active members of the First United Methodist Church in Wichita Falls.

Tickets are available through the Wheeler Chamber of Commerce office. The office is located in the H&R Block building at the corner of Main and Oklahoma Streets. Phone: 806/826-3408.

Snowbound folks don't seem to have much news. I think we had about ten inches of snow in all. A very dry snow. Made about a half inch of moisture in the rain gauge. We were thankful there was so little wind and the snow wasn't any deeper. It is hard to imagine the six foot snowfall some places reported. My Minnesota penpal Joann Steen writes they are having a terrible winter. Ten below zero for a high and minus 50 windchill the day she wrote.

There was a Junior basketball tournament this week. Part of the games were at Cheyenne and part at Sweetwater. Teams playing were Hammon, Erick, Merritt, Reydon, Sayre, Cheyenne and Sweetwater. The Erick-Sweetwater teams defeated Merritt Tuesday night. Highest scoring girls were Katrina Cox, 23 points, Leann Keathley, 19 points. Boys were Warren Mayfield, 22 points, Brian Davis, 17 and Rakesh, 15. The boys teams, with no losses, is rated 5 in the state and the girls, 15.

Thomas William Reed was on the SWOSU honor roll the past semester.

Gerty Coffey is home from the hospital following surgery. Her nephew Robert Clawson of Farmington, NM has been visiting them. Others in the hospital are Editha Hildebrand, Pat Tignor, Alton Tignor and Jerald Martin.

T. J. Pittman, Perryton, TX, called to see how we were. They were celebrating their 59th anniversary. Willie Mae isn't very well.

Doris Henson, Sayre, called to visit and asked the last name of my cousin Steve at Elk City. Think it would be Freeman. That's our only Steve.

Bonnie Anderson says she spent the last month at Choctaw with her

kids Latricia and Michael Shirley and grandkids.

Clella Myers is home from a wonderful trip to Hawaii with her son. No snow there.

Papers say we are letting up a little

on the abortions. Only killed 1,250,000 unborn babies the last year. Had been being one and a half million babies yearly. Abortion should not be a means of birth control. There are too many other ways. Perhaps, keeping

the zipper up is the best.

We watched the Peoples Choice Awards the other night. Garth Brooks and Reba McEntire won awards and Vince Gill in the running. Came in second. My soap Days of Our Life was voted most popular.

They're coming out with digital TV in a few years. Will Just Be Perfect! The sets will only be one to \$2,000 higher than the present ones. I hope they will keep having some of this imperfect TV for those of us who can't afford the new sets.

Wheeler firemen have been sponsoring courses about Wildland fires and means of control. Several of our volunteer firemen have been attending.

Greg Henson is teaching a First Responder EMT Course at Erick going from here are Tim Bryan, Floyd Pickering, and Kristina Henson, as well as several from Sayre.

Birthdays folks are Laverne Tucker, Michelle Reed, Vera Burckhalter, Benji Burckhalter, Connie Bryan, Clara Lou McGuire, Joy Sites, Norman Robison, Monte Tucker, Julian Wallace, Joe Flowers, Kanema Hill, Joel Alexander, Mark Boswell, Y. C. Fuchs, Lovelle Hill and Gene Carlson.

Anniversaries are Mr. and Mrs. Floyd Pickering, Mr. and Mrs. Howard Fuchs, Mr. and Mrs. Joe Dale Flowers, Mr. and Mrs. Pat Anderson, Mr. and Mrs. Gerald Tipton. Happiness to all.

Harvey Banks kept the Sweetwater and school driveways cleared during the storm.

**This Week's News**  
Sure nice to have spring weather again. Maybe it will last all winter. It is hard to realize some folks had snow so deep they could only get out of their homes thru the upstairs windows and slide off the drifts.

The weathermen have finally realized Oklahoma hasn't had any moisture to speak of since the last of November. Usually they say no rain in sight, Thank goodness. Now they admit we need rain.

Sandy and Eddy Williams, Stratford, TX and Robert, Amy and little Baylee Williams, Killeen, TX, visited over the weekend with Norma Zellmer and Ollie Anderson. Roberts is in the service Helicopter division and stationed at Killeen.

Sharon, Wayne, and Eddy Gibson, Erick, Linda, Bryan, and Matthew Cox spent Sunday with Ruby and Frankie Sutton. Linda cut their hair.

The Class of Ruth took dinners to several shut-ins and visited a while. Joyce Taylor took one to Esther Dickey. Another visitor was Barry Cappleman. Judy Tipton left one for Helen Smith and Elma Henson took one to Bertha Coffey.

Stopping by to see Helen Smith were Louise Perry, Debby, Pat, and Jamie Anderson, and Michael Smith.

It is a pity that most family reunions are held at funerals with little contact otherwise. My Haag cousins have a Round Robin letter that has been going for years. There are 12 left at present. It goes to Taiwan, ROC, Japan, Porto Rico, and Canada plus those in the states. Usually takes about six months but last time got mislaid and took nine months. When it comes you enjoy all the newsy letters, take out your old letter, and put in a new one.

Irene Reed and daughter Doris from OKC visited Sunday with Birdie Whipkey.

Troy and Joy Sites, and Wynona Hefflin had a birthday dinner for Joy at the Windmill in Texola, owned by Randy Dorrell. Joy says Raydean at Mountain View has been busy judging livestock shows and taking his girl to show her animals.

We went over to Cal's for Joe's birthday dinner. Cousins George and Wanda were there and came over to chat. George was cutting up and said he tried to borrow some money from Joe. Joe told him to ask me, I had it. I ask him how much. He said "Oh, a \$100,000 would be nice." I told him I thought it would be nice, too. And we all had a big laugh.

Lora Mae Copeland has moved to Dallas to be near her son Alvin Crow. Linda Burckhalter drove her and Mike and Laurrell Mong drove the U-Haul truck. Alvin was always one of our favorite entertainers on the Austin City Limits.

Earl Tucker was presented with an Award of Recognition by Wes Hardin for his five years of faithful service as a director of the Upper Washita Conservation District.

Ray and Doris Smith went to OKC Tuesday for him to see his doctor.

Happy Anniversaries: to Mac and Gay Purcell on January 31st to Joe and Sherry Waggoner on February 1st, to David and Phyllis Hefley and Leon and Rose Mary Dockins on February 2nd, to Jackie Don and Kellie May on February 5th, and to E. G. and Willa Fillingim and W. O. and

Elton Fillingim on February 9th. Congratulations to Rev. Jeff and Denise Patton of Sundown, Texas on the arrival of their first child. A son. Zachary James Patton arrived at 4:26 A.M. Wednesday January 22nd, 1996. He weighed in at 8 pounds and 8 ounces. Mom, Zachary and Dad are doing well. Congratulations too, go out to Reverend Norman and Carolyn Patton of Panhandle, Texas as they are Zachary's grandparents. Zachary made Ray and Velma Forbes great uncle and great aunt again. They are very proud of the newest member of the Patton family. How'd you like the way the Super Bowl came out? Congratulations to "Dr. Bob" he was named as the Outstanding Family Physician of the year by the Panhandle Chapter of the Texas Academy of Family Physicians. Thanks for all your hard work and dedication to our area and surrounding communities. We are very fortunate to have 3 very good doctors and they have excellent staffs right here in Wheeler County. We're very lucky to have a great hospital like Parkview at our disposal. For a community our size and the area it serves we are thankful for such a dedicated staff. Our Volunteer Ambulance service can't be beat. Lots of hours put in every year by a dedicated few. Congratulations to ALL of our Ft. Elliott students that made the honor roll again the third six-weeks. These

kiddos work hard academically to maintain their grade averages. That's really great. We're proud of each of you. Your "book-learn" will get you alot farther in life than any of your extra curricular activities. But enjoy it all. **Be all you can be.** Sure hope this finds Odon Hudson doing better. Please keep Odon and Lois in your prayers as she is trying to recover from pneumonia. Monday dawned cloudy, windy and COLD. Our thermometer showed 5 degrees. That northeast wind cut through everything. I think everyone

was trying to stay in and stay warm as much as possible. Many, many thanks to Martha Meek, a special friend like her is a treasure. Friday Martha picked up Orville Greenhouse and Bulah Grimes to do some visiting. They had a wonderful time calling on Audrey Seitz and Estelle Hodges. They found Audrey doing remarkably well. Surprised them all. So good to see Estelle continuing to make headway. Much too slowly to suit Estelle though. If the weather stays this cold it will be spring before any of the ladies of the quilting club get a chance to work on the quilt. Sure good to have Pierce Walker home from the hospital. He had cut back on the days he was going to the Care Center and the number of hours he spent there.

THE WHEELER TIMES

Pierce was trying to stay away from the flu bug. But it got him anyway. All to often the flu and pneumonia go practically hand in hand. Sure hope this finds you feeling much better Pierce. The home health care ladies will have him perked up in no time. Good to hear that Doug Corse got a good checkup from his heart doctor Monday. Calvin Stuart also got some good news last Thursday. He went to the eye doctor in Pampa. After his cataract surgery he had had some leakage behind the lens. But it has all healed up by itself. So no further surgery will be needed. Great! All was peaceable and very quiet at the Stuart house this week. Almost too quiet after all the celebrating and visiting during Grandma Richardsons birthday. The children and grandchildren of Doug and Doris Whaley really surprised them for their anniversary. Friday night Tom and Elaine Dennis and Hailey of Cache, Oklahoma came in and spent the night with Calvin and Evelyn Kincannon. Nobody breathed a word to Doris or Doug. Saturday Jana Gregory, Kellie, Andrea and Taylen from Laketon came over to help with the finishing touches on the surprise party. Bryan Kincannon of Amarillo got to come up and help them all celebrate. The cars were well out of sight. The house was all decorated and a beautiful cake awaiting the anniversary couple. Doug and Doris arrived at the Kincannons thinking they were being treated to dinner out. What a surprise when they got to the dining area to find all the decorations. And then all the good wishes of their wonderful family. Good job ya'll!

They played and watched "Toy Story". Michael and Brianna get to spend a week with Grandpa and Grandma. Michael found some "dalmation" cows on the way home. When a man's ways please the Lord, he maketh even his enemies to be at peace with him.
