If we don't end the month with precipitation on 20 days of this month, it will be close.

Okay, so I waited until Monday afternoon to measure instead of Sunday morning.

Albert Velasquez called me Monday evening to make sure I had all the information about their band being here for the Ex-Student, Teacher reunion on Saturday, June 14. The group of locals have headlined for some well known bands and or individuals.

The big day is approaching fast. **Jennifer and Brice** will be getting married on Saturday, May 31, at (Continued Page 7)

Pictures from the Past

Do you have some pictures taken at past reunions that you would like to have published in the *Times*? If so, please bring them by the office; or we might even consider some other picture you have—as space allows. We will need these in the office by June 6.

The Wheeler Ex-Student, Teacher association was organized and officers elected in 1955. Harrison Hall served as the first president of the association. Twelve of the past presidents still live in the area.

WHS has been sending students out into the world since 1909 and many of them have not wondered far from the area. Those who live the greatest distance from Wheeler make the most effort to attend the reunion. Former students living in the area often just look on the event as another day. Let's make this the year the locals turnout in full force to greet their fellow students and teachers; you are the unofficial hosts.

Lots of work has gone into updating the files (names and address) for the notification of exes of the upcoming reunion and the printing of the souvenir catalogues. Please make the committee aware of any changes in address from their records so exes can be contacted when the time comes. Letter were not mailed to local exes; because they should be aware of the upcoming gathering. Several of the local exes will be

hosting reunions for their classes and/or classmates. If you are planning to host one of these parties, please notify Bobbie Hill so it can be publicized.

Present officers of the Ex-Student, Teacher Association are president,

Patsy Williams; vice-president, Bob Stiles; secretary, Linda Wallace; treasurer, Shari Porter; program chairman, Donna Valesquez; publicity, Teresa Rose; advertising, David Wright; mailing chairman, Rhonda Gallagher.

Rochelle Rives Graduates From University of Texas

Rochelle Rives graduated from the University of Texas at Austin receiving a BA from the School of Liberal Arts on May 17, 1997. Her majors were Plan II, English and history in which she graduated with special honors. Rochelle was among 5,800 students who gathered and stood beneath the brightly lit University of Texas Tower. It was the 114th spring commencement and more than 15,000 people showed up to help celebrate the occasion, which culminated in a spectacular gala of lights, blaring trumpets, a concert and fireworks.

Keynote speaker, Marian Wright Edelman, founder and president of the children's Defense Fund based in Washington, D.C., challenged the graduates as they began building their futures to keep in mind the well being of children. Edelman's appearance was the crowning event of UT's "Year of the Child", a university-wide mission to improve the lives of children.

Rochelle is working in Austin this summer but plans to make her way to the University of Illinois in Urbana-Champaign in the fall to attend graduate school. She was awarded a fellowship in English Literature and language.

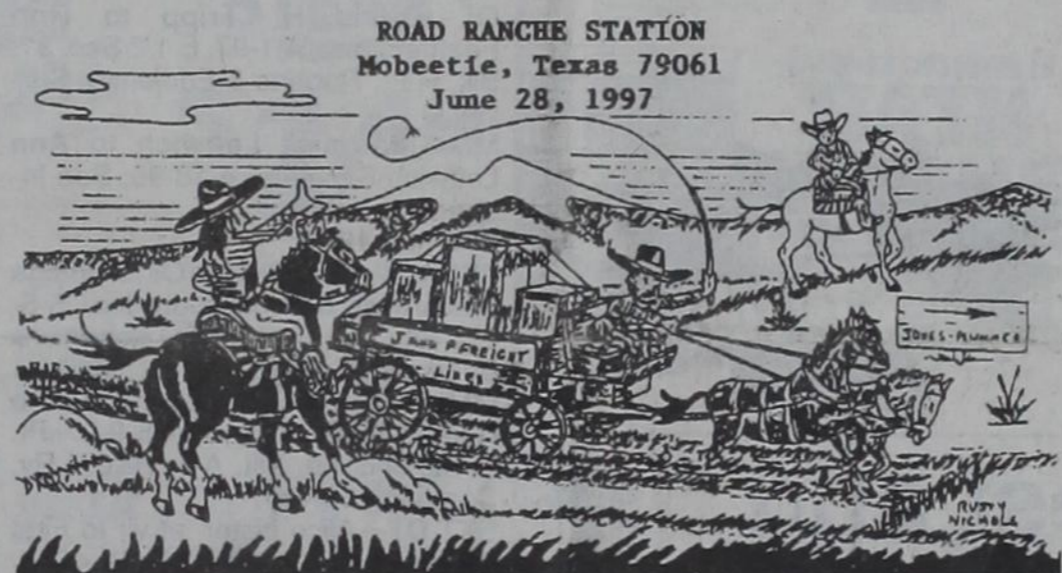

Rochelle is the daughter of Doug and Betty Rives of Wheeler. Grandparents are Marcia and Curley Rives and Martha Coleman of Shamrock and Donald Coleman of McLean.

During those years, he was a musician and country song writer and singer, working with many well known area bands and country music stars from Nashville. He had his own radio country music show many years, from KHUZ and KBBB in Borger. He and his wife performed on Panhandle Barn Dance as a duet singing country songs on KGNC TV from Amarillo and gained fame as Rusty and Sweet William during the 1950s. Rusty is a fiddler, a guitarist, plays piano and harmonica, and is a cowboy yodeler. He is also a cowboy poet and a member of several cowboy poet organizations and western music organizations. He is currently a regular performer at the Big Texan Steakhouse Opry, the Cowboy Poet Breakfast, Barnes and Noble Booksellers, all of Amarillo TX. He is also an artist, having received awards and honors in this field of endeavor. He is now doing cowboy cartoons for several news letters and the Fritch Eagle Press. He recently received an award from the academy of Western Artist for Outstanding Excellence in the Western Arts.

The art work chosen best depicted the theme of this years Heritage Day, "Wagon Trails." Wagon Trails celebrates the wagon trails, specifically the military road from Dodge City and Fort Supply and the Jones and Plummer Trail, the commercial wagon trail. These "wagon roads" were open between 1875 and 1890. Over these two wagon trails, million of pounds of goods and supplies were freighted into Wheeler County from which civilization was first brought to the Panhandle. On the return route buffalo hides in the beginning and later the bones of the buffalo were shipped to Dodge City for sale. Freighters and merchants like Robert Wright, Charles Rath, W.M.D. Lee, and P.G. Reynolds, made their fortunes from the businesses served by the wagon trails.

About all we can say about the weather is "it is peculiar". This is the first time in memory that the locust trees failed to bloom. Ninety one day and cold enough for a fire next day. The raincrow keeps calling more rain. We can't complain. This time last year, we still had not had a drop.

The mocking bird is serenading us from a treetop. The quail calls Bob White and the cardinals says, Cheater, Cheater. A coon has discovered how to get into the window feeder for leftovers. The rats moved back and chewed some car wires. Greg Henson got us back on the road. He and Jan came over with the car and visited a while. Jeremy was gone on a fishing trip.

Doris and Ray Smith attended the wedding of Angela and Anthony Shinault at Elk. He is Mary's boy. They went to Arapaho to the graduation of James Smith. His brother, Jason, graduated from SWOSU at Sayre. They are Edward's boys. Leonard's boy, Jeremy, is graduating from Clinton tonight.

Among the Honor students graduating from West Texas Christian School at Wheeler were Heather Dean, Junita Rose, and Mary Ann Hall. Heather was valedictorian. They all plan to attend college.

Virginia Little, El Reno, came by and picked up Harold and Mary Bollen to go with her to visit their sister and husband, Faye and Ted Curnutt at

Abilene. They enjoyed a good visit. Billy and Celia Jones, OKC, were out to decorate the cemetery. Visited Iva Thompson and their uncle Ed Thompson at Sayre. Geraldine Bruner had a knee replacement at Altus. Willie Mae Pittman is in the Perryton hospital. Leonard

Bryan is home from Sayre. Andy Farmer is a patient there. Funeral services were this week for Ruric Webster, 96, with burial in the Fairlawn Cemetery. He and Susie ran the Cotton Store for many years. Then they retired to Elk City. Clifford and Helen Jones, Henry

and Emma Jean Newman, and Ola May Sapp were out to see us Saturday. Emma Jean's grandparents lived on this place in 1922 and her dad, Jim Steward, always laughed and said he was born in our front room.

Wilbur Nabors came over and got the mower to working and mowed for us. Think we have more weeds than grass. Have some very pretty flowers.

See General Hospital was rated best soap. I used to watch it until one old gal decided to have a baby and sell it for some easy money. I quit it then.

Royce Coffey, Woodward, has been visiting his mother, Juanita Coffey at Erick.

Imogene Pickering visited Bertha Coffey and Juanita Coffey today while in town. This was Imogene and Raymond's 45th anniversary.

The Baptist Bible School ended with an average of 40 children. Friday night they had a family night with program, refreshments, and a Western theme.

Lanetten and Charley Brian were out last weekend to visit the Ed Logans.

My brother, Frank Haag, has been very ill following surgery and is still in ICU. Last account he was improving. Editha Hilderbrand tells me her brother, Jack, is very ill in Indiana.

We got some name and address labels from Rosalynn and Jimmy. Nice to hear from the ex-president and wife, even if they want money for their favorite charity.

My niece, Martha, called to tell me that Frank has been moved out of ICU to a room. She had heard from her son, Jon, in the service. He is in the Persian Gulf now.

We hear talk that we may have a new neighbor soon on the section to the south.

Barry Cappleman came back in time for Mindy's graduation. The church folks all pitched on Saturday and helped them pack for the move to Indiana, where he is a hospital chap-

Saw Pete Davis and Irene Lowe in town. Little Larry West is still in very serious condition.

Matt Carlson, Casey Drake, Lana Keathley, and LeAnn Keathley did well in the Tri-State Rodeo at Erick. In fact, Casey won All-Around Cowboy. Iona Miller is able to be back bowling. In fact, she was named Queen last week for her score.

When we were coming home from Elk the other day, some 30 motorcycles sailed around us. They all had on look alike suits.

Property Tax Protest and Appeal Procedures

The law gives property owners the right to protest actions concerning their property tax appraisals. You may follow these appeal procedures if you have a concern about:

- * the value placed on your property
- * any exemptions that you may apply to you
- * the cancellation of an agricultural appraisal
- * the taxable status of your property
- * the local governments which should be taxing your property
- * any action taken by the appraisal district that adversely affected you.

Informal Review

Real Estate - contact Larry Schoenhals
Personal Property - contact Jeanine Hawkins both at 806/826-5900.
Minerals - contact Bob Key
Industrial - contact Lewis Henderson both at 806/358-8186.

Review by the Appraisal Review Board

If you can't resolve your problem informally with the appraisal district staff, you may have your case heard by the appraisal review board (ARB)

The ARB is an independent board of citizens that reviews problems with appraisals or other concerns listed above. It has the power to order the appraisal district to make the necessary changes to solve problems. If you file a written request for an ARB hearing (called a notice of protest) before the deadline, the ARB will set your case for a hearing. You'll receive written notice of the time, date and place of the hearing. The hearing will be informal. You and the appraisal district representative will be asked to present evidence about your case. The ARB will make its decision based on the evidence presented. You can get a copy of a protest form from the appraisal district office at 101 E. Texas, courthouse square, Wheeler.

Note: You shouldn't try to contact ARB members outside of the hearing. The law requires ARB members to sign an affidavit saying that they haven't talked about your case before the ARB hears it.

Review by the District Court

After it decides your case, the ARB must send you a copy of its order by certified mail. If you're not satisfied with the decision, you have the right to appeal to district court. If you choose to go to court, you must start the process by filing a petition within 45 days of the date you receive the ARB's order. If the appraisal district has appraised your property at \$1,000,000 or more, you must file a notice of appeal with the chief appraiser within 15 days of the date you receive the ARB's order.

More information

You can get more information by contacting your appraisal district at Wheeler County Appraisal District, P.O. Box 1200, Wheeler, TX; PH 806/826-5900. You can also get a pamphlet describing how to prepare a protest from the appraisal district or from the State Comptroller's Property Tax Division at P.O. Box 13528, Austin, Texas 78711-3528.

Deadline for Filing Protests with the ARB*

Usual Deadline

The 1995 deadline is July 1st. (or 30 days after a notice of appraised value was mailed to you, whichever is later).

Late protests are allowed if you miss the usual deadline for good cause. Good cause is some reason beyond your control, like a medical emergency. The ARB decides whether you have good cause.

Late protests are due the day before the appraisal review board approves records for the year. Contact your appraisal district for more information.

Special Duties

For change of use (the appraisal district informed you that you are losing agricultural appraisal because you changed the use of your land), the deadline is before the 30th day after the notice of the determination was mailed to you.

For ARB changes (the ARB has informed you of a change that increases your tax liability and the change didn't result from a protest you filed), the deadline is before the 30th day after the notice of the determination was mailed to you.

The 1997 deadline is June 23rd.

If you believe the appraisal district, or ARB should have sent you a notice and did not, you may file a protest until the day before taxes become delinquent (usually February 1). The ARB decides whether it will hear your case based on evidence about whether a required notice was mailed to you.

*The deadline is postponed to the next business day if it falls on a weekend or holiday

sharp. Everyone invited to a delicious pot luck supper and games of 88 and visiting. "Try it, you will like it."

We enjoyed eating supper at Mel's diner Monday night with Ed and Laurel Hershman. Laurel has been working some at the Wheeler Flower Shop, helping with corsages, etc. She also stays some with Grace Irvine. They plan to take a little trip to Indiana soon to visit relatives and bring back some processed beef. Laurel has worked in a floral shop for over 30 years and raises many beautiful flowers at home. She took Floral arranging in Colorado many years ago. That is where she met Ed. He was in the army at Fort Carson.

Ed and Laurel Hershman had a cookout Sunday to celebrate Willa Fillingim's 79th birthday. They nearly had to call out the marines to get Willa across the Washita River. Charles and LaJo Crownover and Jodie helped. All of the above and Brad and Sarita Dawson and Dallas and Micaela, Trey George and Helen and Gayle Singleton were there at Hershman's for the festivities.

Londa Crownover visited friends at Shamrock and planned to go back to Amarillo with Jodie and look for a job. Terri was sick.

Spending this week with Aaron and Claudetta Lavery and going to Community Bible School at Mobeetie were three lovely young granddaughters: Shelby Lavery from Decatur, Jessica Lavery from Oklahoma City and Brittaney Lavery from Amarillo. So nice to have their smiling faces at Gageby Church Sunday. They get along well together and have such

nice hugs.

Sincere sympathy to the family and friends of Don Redding, a newcomer to Wheeler. There were complications after heart bypass surgery. We had enjoyed visiting with Don and Jo Redding at Wheeler Senior citizen meetings. May God comfort you, Jo and daughter, Susan, of the Alexander Ranch and others in his death.

Lindsey Fillingim and Leigha Wyatt visited Lindsey's relatives, Jerry and Marion Lackey and Pat and Christie Steffek and Bailey and Clay at Hallettsville on their way to South

Padre Island for a few days. They thought they had a good time at South Padre, relaxing on the beach, playing in the water, parasailing and jet skiing and they enjoyed the babies coming and going at Christie's house. Lois Hudson is out of the hospital. She is spending some time with Sharon Grandstaff as she recuperates. Pray for Lois to soon be well after her knee surgery. She has had some problems.

May God bless and guide you Darren and Chalene Hefley as you start your new home together. Some

"Wheeler, town of friendship and pride."

there at Lubbock Presbyterian Church for the beautiful wedding were David and Phyllis Hefley, Kristi Hefley from Lubbock, Richard and Bonnie Meadows and Reagan, Lewis from Midland, Patty Ann Shields, Rita Pearson, Dallas and Lindsey Fillingim, Mitch Reynolds and fiancée from Hobbs, NM, Clifton Bradstreet and Clinton Lee and Beth and Jim Alvey.

Clifton was best man; Clinton Lee was ring bearer; Dallas was groomsmen; Kristi was a bridesmaid; Lindsey recorded the wedding and rehearsal. Darren and Chalene plan to live in Lubbock. Best wishes.

Joe and Liz Austin and Payton visited Lessie Austin Sunday. They were expecting Kenneth Austin to come too.

There was a big crowd of relatives and friends out to graduation at Ft. Elliott Friday night. We are all proud of our fine bunch of young people. God bless you everyone! Glad our graduation was early at 6:00 p.m. The rain barely held off till it was over, but not till we got home. David Helton from Indiana was there with people from all over. Some people got several inches of rain. Nice to see Boyce and Jill Crownover and Jodie there.

Nice to have Lee and Ester Brown and Jessica and Joan and Lee's mom, Margaret come Friday and spent the night. They are from Farris, OK. Margaret will stay for a longer visit. We visited and played chickenfoot. Saturday we all ate at Furr's in Pampa. Jennifer Wood and Kolton and Kaleb met us there. Saturday was Lee and Esther's 29th wedding anniversary. They were married at the Friends Church at Chivington, CO. Jennifer's family lives at Claude. She works in the courthouse with his dad. The Browns went to graduation with us at Briscoe.

"The secret of happiness: living for others with a grateful heart."

We had such a nice visit with James and Suzzie Hubble and Amy and Zane at Wheeler Dairy Queen Wednesday. They all seem to have fun together. James' mother, Elva Wood, went with W. D. and Mary Mitchell and a group on a trip to Elko, Nevada. The Hubbles were going to paint some rooms in her house while she was gone. Yeal!

We enjoyed going to the awards program Wednesday night. A fine group of students and teachers. It was at the Christian Center Church with refreshments at the school. Good crowd.

Best wishes to Shawn Hunt and Kim Winter on their marriage Saturday night at Wheeler First Baptist Church May 24.

Nice to have Dennis and Peggy Thompson come Saturday afternoon to stay a few days. They are from Wray, Co. We played some chickenfoot and ate supper at Maxeys. We really have enjoyed visiting. Sunday we all, Margaret Brown and J. P. and Martha Meek ate at Wheeler Dairy Queen. The Thompsons ate lunch Monday with Evelyn Meek and spent Monday night with Lois Meadows.

Nice to have a call from Andy Maslik at Borger. He wanted "my famous" peanut butter cookie recipe. Andy still works in an Auto Body Repair shop. Kara just finished LVN school and is to start soon to go on to get her R.N. Kelln finished first grade and Trey finished pre-kindergarten.

Ray and Pat Hudson went to Lubbock Saturday to foster daughter, Cindy Valdez' graduation from High School. They also took her out to eat and came back by Amarillo and visited Sharon Grandstaff and Lois Hudson. Lois is doing pretty well since her knee surgery. Ma Mary Hudson is doing well and excited about going to the Hudson Reunion on June 8 at Clarendon. She is oldest living member and has attended most of them.

"Take care of all unfinished business with the people you love. Say what you need to say. Don't save your words for a tribute at a funeral." —from Hospice

Nice to have friends over Tuesday night for delicious pot luck supper and games of 42 and visiting. Some there were Lou Dean Douthit, J. P. and Martha Meek, Leonard and Bertha Hollis, Nova Powledge, Lois Meadows, Edna May, Homer Sanders, Doris Finsterwald and Willis and me. Everyone had fun. Edna May and her family hosted

the Begert Reunion at Edna's home over Memorial Day weekend. People from many places there. 33 adults and lots of kids. Everyone had fun and it went really well. One group from Oregon spent a few days.

Dick and Irvine's sister and husband, Jenny and Hardy Cole came Thursday to spend a few days with Grace Irvine and go back Monday. The Coles are from Throckmorton, TX.

Some going to Cimmaron to vacation and roof the Fillingim cabin there were Leon and Vea Fillingim, Dick and Ruth Irvine, Terry and Becky Tipps and Zachary, Adam and Casey, Rich and Connie Irvine and Justin and Marie, Evelyn Free.

Willis Fillingim took Margaret Brown to Canadian Monday to visit an old friend of many years, Esther Hopper at the Abraham Home. They ate lunch at the Dairy Queen in Canadian. Willis visited with several men who had been out to the cemetery to honor veterans, who are now deceased. Ones he saw were George Cook, Bill Varnell, Warren Rivers, George Simpson, Loise Ethridge, and Mary Jo Zenor. Ray and Pat Hudson kept Steven Fraley three days last week. Wednesday they met Cheryl Farley in Pampa and traded Steven for Patrick Hudson. That night Steven poked quantities of paper up his nose and had to be taken to the emergency room. Ray and Pat and Patrick visited cemeteries at Amarillo, Pampa and Wheeler to put flowers on several graves and also Zybach cemetery.

Bob and Debbie Kinnaman and Kirbie were weekend campers to Foss Lake near Elk City. Also with them were Joe Bob and Julie Kinnaman and family and Cory Kinnaman and Linda.

Lou Dean Douthit took flowers to Wheeler and Mobeetie cemeteries, where loved ones were buried. She said they both were well kept and looked nice.

"God be with you till we meet again."

"LA RESPUESTA" ES DIFICIL TENER VIDA ETERNA? Casi sin excepcion a toda persona que le he preguntado "Te gustaria ir al Cielo y tener Vida Eterna?" me han contestado SI; Pero cuando les pregunto Estan seguros de que cuando mueran van a ir al Cielo? me han contestado NO; La mayoria de la gente se han convencido a si mismos que tener Vida Eterna es algo "muy dificil" y que es mas facil irse al Infierno; Le quiero quitar ese pensamiento erroneo que no viene de Dios sino del maligno y le quiero mostrar por la Biblia que tan sencillo es obtener la Vida Eterna; Lo que nos aparta de Dios es "tu pecado" y alguien tenia que pagar por ese pecado y eso lo hizo Cristo muriendo en La Cruz del Calvario y derramando su Sangre por nosotros; Isaia 53:6 dice "...mas Jehova cargo en el pecado de todos nosotros Cristo es el Cordero de Dios que quita el pecado del mundo ahora lo mas sencillo que hay es obtener Vida Eterna. Es tan sencillo como CREER: Juan 3:16 Porque de tal manera amo Dios al mundo que dio a su Hijo para que todo aquel que en el CREE no se pierda mas tenga Vida Eterna. Es tan sencillo como COMER: Juan 6:51 Cristo dijo: Yo soy el Pan del Cielo si alguno comiere de este Pan Vivira para Siempre. Es tan sencillo como Beber Agua: Juan 4:14 Mas el que bebiere del Agua que yo le dare, no tendra sed jamas sino que el agua que yo le dare sera para VIDA ETERNA Es tan sencillo como entrar por una Puerta: Juan 10:9 Cristo dijo: Yo soy la Puerta el que por mi entrare sera Salvo. Ahora que ud. sabe esto todo lo que tiene que hacer es decirle a Jesus que acepta su Salvacion Gratuita que entre en su corazon y que le limpie de todos sus pecados y por sencillo que parezca Dios le dara el regalo de LA VIDA ETERNA. Charlotte's knee has been giving her some trouble. But it hasn't stopped her from getting her garden and flowers in. She went to the Dr. Tuesday to see about her knee.

Sorry our neighbor, Pierce Walker, had to be taken to the hospital by ambulance Tuesday morning. Seems like when he gets to feeling good he over does it. But the doctors think he'll be home in a few days.

Glad to hear that Nettie is doing some better, able to drink a little on her own and perking up some. "Like most of us, some days are just better than others" as Pierce says.

Our sympathy goes out to the family and friends of Don Redding of Wheeler. He passed away Thursday, May 22, 1997 in Amarillo. Don had heart surgery in Amarillo about a week ago but had complications.

He and his wife Josephine had just lived in Wheeler a couple of months or so but had made many new friends. They had moved from the Springer, New Mexico area. Their daughter, Susan, has a horse ranch between Briscoe and Allison.

Don was a rancher in New Mexico and involved in construction. He had also been a member of the New Mexico Mounted Police.

Mr. Reddings services were held Monday, May 26th at the United Methodist Church in Allison with Rev. Bill Wilson presiding. He is survived by his wife, Josephine of Wheeler, his daughter, Susan Redding of Briscoe, and his son, Joel Redding, of Helena, Montana. Also three grandchildren.

Carolyn Corse of Dumas came down May 18 to spend the night with her parents, Clifford and Euline Walker.

Monday they got up early and headed to Lubbock for Clifford to see the dermatologist. Boy! That guy really got hold of Clifford. But hope they got it all taken care of.

Hope you're feeling much better Clifford.

That man has a pain tolerance level that can't be measured. Wow!!

They had a good visit with Carolyn, though.

Sorry to hear that Arthur Gilbert Hampton has been so ill. Hope this finds you feeling much better and getting settled into your new home at the Wheeler Care Center.

Please keep Glenda (Sherrell) Wilson in your prayers. She had gallbladder surgery, Tuesday, May 20th, after being sick with it for almost two weeks. Gene had called Wilhelmina to let her now the surgery went well.

A welcome to the Community is extended to Earl May. He drives for Guinn Trucking out of the Miami office. He'll be moving into Jap and Alice Bailey's homeplace soon.

We were just on the edge of Friday night's thunderstorms. Thank goodness!! That was bad enough. Some people north of us in Hemphill and Lipscomb counties had lots of rain,

hail and wind damage. Miami got 5" of rain. The Red Deer Creek was running bank to bank as fast as it could go. Tas Stribling said he hadn't seen that much water in that creek in about 15 years. Doug Corse got 6.5" of rain that

same night. He didn't order it and really didn't want that much right now.

Depending on what side of the land or lease land that you were on at Clifford Walsers place it rained 6-7". The water was over the highway and bridge down by Norma and Edwin Leake's place.

The bridge south of Hugh and Mae Bailey's was almost washed out. And the one from the north was quite hazardous and one lane traffic only.

The bridge just west of Leonard and Bertha Hollis' place and the Lee place is completely washed out.

There's a pretty big hole a' churning the water there now.

Some of the road east and west out by Blondell Skaggs' place is almost washed away. Really a mess.

Venson Smith and Walter Hand went out Saturday morning to check the bridge between them and C.G. Dodd. It was washed on both sides very bad. They thought the bridge had already moved about 12" to the east.

Thank goodness we only got about 1.5". Many, many thanks to Mae Bailey and Faye Smith for letting us know at the post office early enough. Tas could plan an alternate route and he won't put in any danger.

Tas always says he thinks Steve has a sixth sense as to exactly when to take off. Ha! Ha!

Don't know what we'd do without Steve Walker and Tas Stribling. If there's any possible way to get the mail to everyone, they'll do it. Thanks guys.

It sure is good to see Pierce Walker home from the hospital. He got to come home Sunday.

Monday evening Clinton and Maurita Stribling were over visiting

with Pierce after they manicured the Methodist Church yard.

Betty Haines of Pampa, TX and Ines Loveday of Tyler, TX stopped by to visit with Pierce, Clinton and Maurita before returning to the Lancaster family reunion.

It was a beautiful afternoon. Sunny, warm, and a gentle breeze. Pierce really enjoys his front porch. But the company really made his day.

It was great to see Ines and Betty looking so well. They've really had a terrific weekend. The Lancaster Reunion was a BIG success. Thanks gals. I appreciate ya'll bringing everything by.

Two weeks ago a couple of the families set up their campers at the Lancaster place in preparation for the family reunion. Sidney and Floyd Lynch of Pampa, Nathan and Nelda Lancaster of Pampa, and Lee and Melba Brown, also of Pampa spent the biggest part of two weeks down here getting everything looking great and set up for "the big weekend". They'll never know how much they are appreciated.

The Lancaster Family Reunion started on Tuesday, May 20th and will run until Tuesday, May 27th.

Saturday, May 24th and Sunday, May 25th, were the most fulfilled days of the whole event. Everyone had a wonderful time. The weather even almost accommodated them. Friday and Saturday night were quite an experience with the thunderstorms. But just another adventure to tuck in their books of memories.

Being out at the "Lancaster Homeplace" was quite a treat for most of them. Some of the kids, big ones as well, got a once in a lifetime treat. Many new experiences and adventures they'll never forget.

What we take for granted out here as everyday beauty and life, they found fun and maybe a little challenging. They wouldn't have missed it for the world.

Friday night they had a scavenger hunt for everyone to participate in. Some weren't quite sure what exactly they were looking for at times. But that didn't deter them. Good sports.

Friday nights rains sent everyone inside quite early. Lots of good visiting games and even a few tales.

Saturday more family arrived to add to the merriment.

Saturday afternoon part of the adventuresome bunch set out in the flat bottom boat to maneuver the rushing Sweetwater Creek. They launched from the back of the Lancaster place and rode it out to the bridge by Jeff and Melie Kelley's. What an experience!!

Young and old alike enjoyed swimming out behind the house. But showers and baths were greatly appreciated.

Saturday night they were all just breaking up and getting ready for bed when the thunderstorms hit and put out their electricity.

They finally found one flashlight that Betty Haines had left there. It was a three ring circus trying to keep up with who had the flashlight, why and where. But they finally found the oil lamp, so it shed a whole different light on the excitement.

Lot of people had "first time experiences" at the reunion. (Just makes it more special.) They're already looking forward to the next one.

There were 51 family members present. Sidney and Floyd Lynch, Pampa; Nathan and Nelda Lancaster, Pampa; Lee and Melba Brown, Pampa; Ines Loveday, Tyler; Ora and Jerry Swarts, Derek Watson, Kurt Cargile, Heather Swarts, Tabitha Swarts, JoDana Cargile, and Debra Watson, all of Mt. Vernon; Aaron and Arica Lancaster, Amarillo; Earnest and Brenda Lancaster, Pampa; Stormi and Larami Lancaster, Pampa; Scot and Linda Wilson, Claude; Nicholas and Jessica Wilson, Claude; Steve and Alicia Snelgrooves, Pampa; Kaleb, Jared, and Carissa Snelgrooves, Pampa; Michael, Kim, Todd and Travis Lancaster, Pampa; Laura and Doyce Watson, Odessa; Mitchell Daves, Austin; Brooklyn Neidechen, Odessa; Delton, Sherrie, Eric and Cody Brown, Garland; Betty and Bob Haines, Pampa; Bonnie and Lawrence Scribner, Pampa; Venson and Faye Smith, Mobeetie; Estelle and Glen D. Hodges, Mobeetie; Austin Caldwell, Mobeetie.

Job 5: 8-10, "I would seek unto God, and unto God would I commit my cause. Which doeth great things and unsearchable marvellous things without number.

Who giveth rain upon the earth, and sendeth waters upon the fields."

A beautiful Monday morning here in Allison, with a light fog and the sun shining through a little.

Ruby Craig took her mother, Wilma Gilmer, to Wheeler last Friday to see her doctor, and they also visited Billy and Rhonda McWhorter, Tanner and Tyler while there. Leota Black's house guests this week are her grandsons, Robert and Nathan Black, from Texhoma, Texas.

Opal and Juanita Boydston were in Wheeler last Monday doing some shopping. Juanita went with Neal and Tia Boydston, Corinna and Kendra to Pampa last Tuesday shopping. On Wednesday, Opal and Juanita went with Tia and girls to Troy Green's funeral at Gracemont, Okla. On Friday Juanita was in Shamrock to see the doctor. On Saturday Curtis Boydston came from Dallas to spend a few days vacation with Opal and Juanita.

Roma and Billy went to Roma's family reunion at Silsbee, TX, recently. All the family was there together but one sister, Betsy Thoreson, who lives in Arizona.

Billy was sick when they left Silsbee to come and was taken right to Parkview Hospital in Wheeler and was transferred from there to Amarillo to the Baptist/St. Anthony's Hospital. She spent from last Tuesday to Friday. She is now home and doing much better.

The Roma Brown's Sunday afternoon guest was Sylvia Brown from Wheeler.

Peggy Chandler went with Brad and Sue Chandler, Bridget and Rochelle to Pampa and attended Jana Chandler's Vesper Service last Sunday evening.

Last Wednesday Red Dukes and Minnie Bell Vinson's went to Jacksboro, TX, and attended their Aunt Nellie Baker's funeral. Anna was unable to go. Her daughter and husband, Sylvia and Joe Richardson, came that day and they spent Wednesday and went home on Thursday.

Red and Anna attended the graduation at Ft. Elliott to see granddaughter, Stacie Dukes, graduate on Friday evening. They came right back to Allison for the graduation here. Last Saturday night Red, Anna, Minnie Bell and Clyde attended a Church of Christ meeting at Pampa.

Last Friday and Saturday night, Nelda Dukes went with David and Becky Zybach to Pampa to a Gospel meeting at the Church of Christ, where Shawn Zybach was preaching. On Saturday Nelda's family had a picnic at David and Becky Zybach's home.

Danette Weller and Zachrey from Los Lunas, NM, were house guests from Tuesday to Friday with Mike and Teresa Dyer and Amber.

Last week David and Linda Gilmer and Hank's houseguests were their daughter, Melanie and grandchildren, Paul and Audra, Nathan and Bethany from Hobbs, NM. Crystal Gilmer from Elk City also visited some.

Troy and Lona Jones went to Lovington, NM, to attend their oldest grandson, Troy Don Carpenter's High School graduation May 18. There were 179 in his graduating class. Jeff Jones of Scottsdale, AZ, also attended. Other relatives there were the paternal grandparents, the Don Carpenters, of Pampa and the Randy Carpenter family from Granbury, TX and the Bud Porter family from Eunice, NM. Mobeetie (from Page 5)

Sounds like we missed the party of the weekend. They had a blast!

Saturday evening, Clifford and Euline Walser had a nice surprise. Their grandson, Kenny Corse, from Dumas came by to spend the night with them.

He had been to a roping in Cheyenne, Oklahoma most of the day. He brought home 3rd place. But he was not happy with himself. He knew he could do better. But 3rd place is nothing to be ashamed of.

Kenny has bought a truck and has his sisters, Debbie's husband driving it for him. At the present he is hauling dirt. But will be soon changing to hauling feed to a new feedlot.

Kenny also has a contract to weld a build over 100 gates for the new feedlot. So he'll be staying pretty busy for a while.

Saturday Kenny, Euline and Clifford went to Wheeler to Sparlin's for supper.

Monday, Clifford took Euline to Mel's in Wheeler for dinner. They visited with Joe Shelton and Suzie Mabry.

If you haven't been to Mel's lately you need to go check out the redecorating. It's really nice, the service is still some of the best in town, the food's terrific, and some of the posters may brighten your day.

Before Carolyn went home on Wednesday she and Euline went and bought flowers for family graves to have everything ready for Memorial Day.

After they were down to decorate for Charles, Carolyn went home by Miami to take care of Grandpa Corse's grave. Then she went on to Pampa to visit with Georgia before she went back to Dumas.

Georgia Corse has been doing quite well. She has settled into her apartment. Really enjoys having her sisiter right next door. You just never know where you might find Georgia and Goldie. Ha! Ha! So glad Georgia is feeling better.

Sunday afternoon, Clifford and Euline went down to Leonard and Bertha Hollis' for a fun afternoon of 42.

I just barely caught Calvin Stuart at home Monday night. They had been out making the rounds most of the day. Leola and Mrs. Richardson were out taking their evening walk.

They took "Granny" to the Mayfield Cemetery and the Sayre Cemetery. Mr. Richardson is buried at Sayre and one of their sons at Mayfield.

They came back through Shamrock and visited with Beulah Stuart and Gerald Stuart. They are doing well.

They missed Dorothy Nell Westbrook. She is the women of the VFW in Shamrock. Every year they have a very nice Memorial Day Service and invite all the area Veterans to the program and then a meal of some sort. This year it was a hamburger cook out. They really have a nice program and oother activities for the area service men.

Calvin and Leola took Grandmother Richardson around in style today. They bought a '96 Dodge 1-ton dually pick-up with a V-10 engine. It sure is nice! It sure is big! They had to carry their milk crate to use for a booster step. Their next project will be running boards. Maybe everything will be all fixed up and on line to take a run

to the lake soon. Bill James Sr. and Kathy James have been working on building a carport south of the house for the new beauty.

Jerry Richardson of Wheeler came by Saturday for a visit.

Eddie, Amy and Jennifer are still trying to get rid of the respiratory crud.

Ronnie Stuart had been out to Arizona recently to move Chad and a friend of his off campus and into a house. Chad is doing okay and really enjoys his job at the bakery in a Wal-Mart superstore in the Phoenix area.

Jarrold is off in old Mexico with a friend and his family. What an experience. Quite a vacation.

Todd is hanging out with the "our gang" bunch. There are 5 or 6 neighborhood kids that play together almost everyday. Todd has a blast.

Never a dull moment at the Stuart home in Lawton, Oklahoma.

Tanya's back is doing alot better. She's sure glad to be getting her life back.

Ronnie and his crews are getting ready for the grand opening of the new Wal-Mart Superstore in Lawton. Lots of long hours. I guess that will be sometime in June.

Dennis Stuart called from Lubbock Sunday. Poor little Garrett either had a strep infection or Roseolla.

Vanessa survived another year of school. Teaching is more than a challenge because of all the state paper-work than the students. She will be taking classes at the university this summer towards getting her degree in educational administration.

We're presuming Randy Stuart and family are doing fine in Amarillo. They didn't talk to them last week.

Estelle Hodges enjoyed a phone visit with Judy Bridwell in Dalhart one day last week. They are doing fine up there and have been to Dodge City to Brandi and Mike's a couple of times.

We sure do miss Judy and Brandi around here. John rking so we didn't every see much of him.

Brandi and Mike are doing fine. They plan to move out to his granddad's ranch soon. Brandi was real excited.

They will be about 30 miles away from their jobs. But they think it will be worth it.

Brandi already has her horse. But has bought another one too, now that she'll have some place for them both.

Estelle really enjoyed the Lancaster Family reunion. Meeting neices, nephews, greats and grands was so much fun. So much to get caught up in everybody's lives.

One day last week Audrey Seitz and Estelle Hodges went to the Totty school and finished quilting on Estelle's butterfly quilt and got it out of the frames.

Friday, May 23rd, the Mountview Quilting Club met at the Totty school house west of Mobeetie. They put in Melba Corcoran's Dutch Doll quilt. It is so pretty. It's going to be beautiful when it's all finished.

Melba's grandmother gave her about six completed or almost completed quilt tops. The Red Rose quilt on the Old Mobeetie Association float last year in the Old Settler's parade was on of the tops Melba's grandmother had made.

Melba's grandmother had pieces and hand sewn each one.

Those present to work on the quilt and enjoy the company were: Audrey Seitz, Melba Corcoran, Orville Greenhouse, Betty Haines, Martha Meek, and Estelle Hodges.

"Don't forget the Totty School Reunion on Sunday, June 8th. Bring a salad and dessert of your choice. The meat, utensils, paper goods, bread, and tea will be provided. Come join the fun!

Monday, Glen D. and Estelle went to the Wheeler Cemetery and the Mobeetie Cemetery to care for the family lots. Everything was looking so nice at the Mobeetie Cemetery.

Glen's sister, Annis Seitz, of Pampa visited with Glen and Estelle Monday afternoon.

Praise the Lord!!! Sue Seitz of Pampa got a good report from her check up at the Tulsa Cancer Center. After a brain scan they verified that the tumors are shrinking. Sue has gone back to work at Pantex.

So nice to have good news to report for a change.

Thursday, May 22nd, was our Jeff's birthday. So after work we took Jeff and Hailey Jacobs out to supper at the Sirlin Stockade. Sky was in Corpus Christi for a week taking a crash course to help complete her criminal justice degree.

Sky arrived home early Friday morning safely. She said the class wasn't as hard as she had anticipated. Friday was just going to be a goof off day basically so she decided to just come on home.

Saturday after I got the mail up Bob and I left for New Mexico. We drove to Springer first to visit with family.

It is so dry around Clayton. Things are way behind in greening up.

David Britt's brother owns Mesa Verde Ranch southwest of Clayton on the Springer. I'm afraid this year it's not very verde yet. But it's still a nice looking ranch. Miles and miles of rolling hills. Quite a few small herds of beautiful antelope. The closer we got to Springer, things got greener. The afternoon seem to bring showers on a fairly regular basis.

Saturday the guys BBQ'd in the rain at Uncle John and Aunt Polly's. They have a big barn they put the grill in so we still got tasty hamburgers.

We got to celebrate Mom's birthday (May 27th) and Dad's birthday (a

little late, May 5th). Really surprised them. Lots of fun.

Those present were Carol and Lewis Orthman of Dumas; Shannon Pool and her friend Buster from Raton, New Mexico; Uncle John and Aunt Polly Payton of Springer (our hosts); and Michael Payton along with Jack and Linda Payton and Kayla of Springer. We all had a good visit.

Michael took us out on the irrigation ditch to hunt asparagus. Got a pretty good mess. Even though alot of it had already gone to seed.

Sunday, Mom, Dad and Bob and I drove to Santa Fe to check out the sites and high lights. Santa Fe and the area is growing by leaps and bounds. Some of those houses are unbelievable.

The wild flowers were gorgeous, blues, purples, lavendars, whites, pinks, oranges, yellows, and golds. I know most of them are just weeds. But while they're blooming they are pretty.

We stayed in Santa Fe Sunday night then drove home Monday.

We stopped for coffee in Tucumcari and called Bob's brothers to come have coffee with us. Cliff was working but Mary came over. Albert came down for a little while. We had alot of fun and enjoyed our short visit.

Hope ya'll had a safe holiday weekend and a great week.

They got the First Baptist Vacation Bible School off with a good crowd for the parade Sunday.

Have fun, kids. Sallie's Cafe will be closed this week because of the Bible School.

Take Care. Count Your Blessings. Our prayers and concerns: Ariza and Anna Belle Corcoran, Glenda

(Sherrell) Wilson, Peeler and Evalyn Haning, Jud and Lorene Rector, Pierce and Nettie Walker, Lester Leonard, Charlotte Coward, Shawna Flanagan, Doyle and Bulah Grimes, Byron and Novelene Simpson, Reacie Simpson, Ray and Velma Forbes, Alice Bailey, Julia Williams, Wilbur Beck, Edith McLaughlin, Flora Mae Kelley, Ernie Gordon, Anna Lee Sims, the South family, Lois Hudson, Doug and Doris Whaley, Mary and Jane Gearhart, Mary Ruth Morris, Gary Morris, Larry Finsterwald, Bud Fletcher, McKaylee Swift, Kelley and Edith Cross, Mr. Ronald St. John, Choice Scott, Lou Dick, Maida Allen, Hanna Fay Chapman, Shawn Hunt and Kimberly (Cornelius) Winter as they start their new life together, the family and friends of Don Redding, Arthur Gilbert Hampton, Duncan and Sue Seitz, Eddie and Amy Richardson and Jennifer Shepard.

Al Griffin had surgery in Amarillo last week. He has been released from the hospital and is recovering at home.

From The Minister's Desk:

Jim Martin, the minister of the Crestview Church of Christ in Waco, recently wrote an article that needs to be read by every disciple of Jesus. This article was entitled, "Can We Survive The Moral Fuzziness?" and it said:-

"Freedom is never free. It is always costly. Next door to freedom lives responsibility. The canon consists of both the book of Romans with its declaration of the gospel of grace and the book of James with its call to responsible discipleship. In Scripture, God is a God of steadfast love. Yet he is also a God of judgement. Our salvation is totally dependent on God's grace and yet obedience to Jesus Christ as Lord as is an essential expression of our faith."

"Perhaps it is this balance that is missing in today's church. After all, many of us seem to live with a moral fuzziness. Some good Christian people have difficulty locating ethical and moral boundaries. Perhaps we have become intoxicated by an endless thirst for more tolerance. For some, tolerance has become an excuse for spiritual carelessness. Certainly we are to forbear with one another in love. However, for some, tolerance seems to mean that sin just isn't that big of a deal anymore. We may find ourselves tolerating more and more until we lose our moral boundaries in this fog of uncertainty. We then find ourselves witnessing the spiritual carelessness of friends and dismiss it by saying, "Who am I to judge? Don't we all have our flaws?"

"It is important that we not be dogmatic where Scripture is not dogmatic. It is important that churches not draw lines where God has not drawn lines. Not every ethical concern will have a black and white answer. On the other hand, the church must be salt and light in a world of moral confusion. This is difficult to do when our vision is blurred by moral fuzziness. While there are some positive trends in our world today, moral certitude is not one of them. Whether it be a changing attitude toward homosexuality, the subtle promotion of an NC-17 film (Showgirls) into thousands of mainstream theaters, or the erosion of marriage commitments, there is cause for great concern. There is cause for concern in the church as well. It is one thing to offer forgiveness and hope to teenagers (or anyone else) who have been involved in immoral behavior and then repent. It is quite another matter for Christians to passively shrug their shoulders in the face of sexual immorality or drunkenness and say, "Kids will be kids. They are all going to do this. "Perhaps these are hearing a fuzzy moral expectation."

"Our response to the grace of God must result in a holy, radical life-style. Some issues will always be a matter of opinion. Other moral concerns are clearly addressed in Scripture. Regardless, we are called to live with moral discipline. The willingness to abstain, to say "no", or to deliberately choose the path that you believe Jesus would take reflects a moral discipline worthy of a disciple. Practicing moral discipline suggests that there are high and noble standards for holiness."

Area Youth Compete At Regional Championships

On April 26th, four advanced athletes from the Flipin' Farm traveled to Levelland Texas to compete in the Regional Championships. Among those who competed were Cari Caldwell of Shamrock, Jennifer Harrison of Memphis, Brentney Taylor of Wheeler and Natalie Conner of Shamrock. This was the second advanced meet for three of these competitors and they did very well. Cari brought home a silver medal in trampoline and a fourth place in double mini trampoline and a fifth place in power tumbling. Jennifer brought home a silver medal in trampoline, a silver medal in double mini trampoline and a bronze medal in power tumbling. Brentney finished with a Gold medal in power tumbling, a silver medal in double mini trampoline and a 7th place in trampoline. Natalie finished with a fourth in trampoline and double mini trampoline and a bronze medal in power tumbling and qualified in all events to advance on to the National Championships in Orlando, Florida in June.

The Flipin' Farm's division one athletes finished up their season with the Southwest Championships that were held in Hobbs, New Mexico on May 10, 1997. All of these athletes had a very successful season and Hobbs was no exception. The fifteen athletes were coached by Patti Conner, Mykala Bennett, Natalie Conner and Whitney Conner. There were 505 representing 33 teams from Texas, Oklahoma and New Mexico at this meet. The Flipin' Farm once again proved that they were among the best in these three states. Out of these 33 teams Flipin' Farm brought home the third place trophy in power tumbling and finished 5th place in trampoline. Along with 5 overall state titles, four second place titles, and one third place state title. There were 505 trampoline competitors and Kaitlynn Otts had the 3rd highest score out of all those competitors. That is a great accomplishment for someone so young and new to the sport.

All the kids have done a tremendous job this year and deserve a great big pat on the back. A special Thank you to all the parents for their support and encouragement of these athletes, this has been a wonderful year, stated coach Patti Conner.

Local competitors' results are as follows: Amber Maddox was a silver medalist in tumbling and placed fourth in trampoline. Savanna Shipp was a bronze medalist in tumbling and placed sixth in trampoline.

GTE Offers Extended Calling for Mobeetie

GTE Telephone Operations will extend local calling for all customers in Mobeetie telephone service area. Beginning June 19, 1997, in addition to toll-free calling to Allison, Canadian, Pampa and Shamrock, calls from Mobeetie to Miami will be local calls. Calls from these areas to Mobeetie also will be local calls.

"Prior to the start of extended Local Calling, each call between these areas was billed separately as a long-distance call, and customers would see a long-distance charge per call on their monthly bills," said Danny Ferguson, Area Manager-Customer Operations, Plains district.

"Now these calls are equivalent to local calls, and all customers in the towns having the new Expanded Local (ELC) must now dial all seven digits, both for local calls and ELC calls," explained Mr. Ferguson.

Remember, there is no need to dial "1+" when calling Miami. Dialing instructions are listed below:

Customers are not required to take any action to take advantage of the new service offering. Once extended calling is operational it will no longer be necessary for customers to dial "1+" before the number when placing calls between these communities, but you must dial all seven digits for local and ELC calls.

Be sure to reprogram your fax machine, PBX, or key system equipment and your SmartCall (R) services from GTE to accommodate the simpler numbers.

Your monthly per-line charge will not change as a result of ELC to Miami. The total monthly bill of \$3.50 for residential customers and \$7.00 for business customers in Mobeetie will remain the same. The charges will be listed as "EXPANDED LOCAL CALLING/SURCHARGE" in the tax portion of the telephone bill. More information will be provided to affect customers in their monthly telephone bill as the service becomes operational.

This is a result of balloting which took place in the Mobeetie telephone service area under the rules of Senate Bill 632 and the Public Utility Commission Rule 23.49 (c). Under those guidelines, certain communities were allowed to petition for extended toll-free local calling to nearby communities.

Residential customers with questions about ELC service should call toll-free 1-800-483-4400, and business customers should call 1-800-483-5400.

With revenues of more \$21 billion in 1996, GTE is one of the largest publicly held telecommunications companies in the world. In the United States, GTE offers local and wireless service in 29 states and long-distance service in all 50 states. GTE was the first among its peers to offer "one-stop shopping" for local, long-distance and Internet access services. Outside the United States, where GTE has operated for more than forty years, the company serves over 6.5 million customers. GTE is also a leader in government and defense communications systems and equipment, directories and telecommunications-based information services, and aircraft-passenger telecommunications.

Hyland's Pharmacy, Texas Bonding, Wright Funeral Home, Rolling Plains, Bill Buckingham, Wheeler Church of Christ, Azzip Pizza, Thriftway of Wheeler and Frankenberg Texaco. Some cash donations made at the bank were not available.

Out of town contributors from Shamrock were Neighbors and from Pampa were Little Ceasars, Pizza Hut, Walmart, Sirloin Stockade, Hastings, Wayne's Western Wear and Dunlaps.

THANK YOU

We would like to thank everyone that donated cash or prizes for the Chemical Free Graduation Party. We would also like to thank the individuals who donated soft drinks and cookies. Everyone seemed to have a really good time and there were several parents who came and helped all night and cleaned up the next morning. Also we would like to say Thank You to Jim Kirkpatrick and The Golden Spread Council for the use of the scout camp.

Anti-The Truth

Been watchin this doins on the young lady pilot that is bein investigated for adultery in the service of her country. You don't recon this investigation might be what they call a witch hunt do you? Is this officer that she was involved with also goin to be handled in the same way she is or does he just get a slap on the wrist and forget.

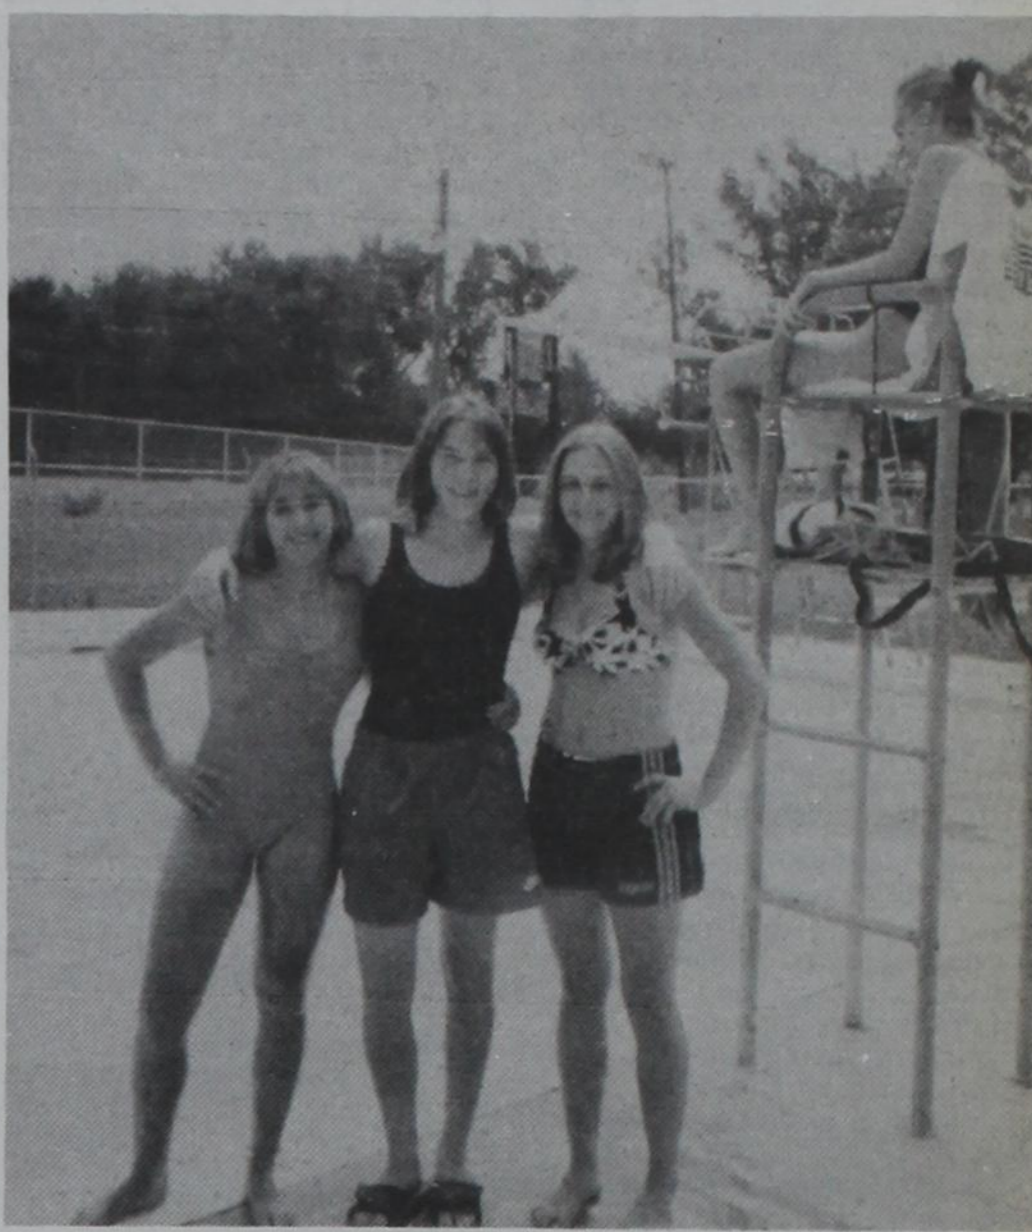

It takes many thousands of dollars to train a pilot and many grueling hours to get them qualified to have this job. Is she the only female that has been involved? Give it a bit of thinking if you will. Now bein human and humans make mistakes you just take this one human multiply it by 47341 and you will see she aint alone in this embarrassing mess is she? I think the Good Lord can handle this mess in a much better way and a lot cheaper.

Notice where they are goin to have 35 cars in the Indy 500 this year and folks are in a dither about it. Shucks, to me its gettin more for your money to have a couple extra cars in contest, the more the merrier. Rules are somewhat of a guide and sometimes have to sort of be bent. Now you take, for instance, my little wife insists that all toilet tissue be on the rack so the tissue comes out to the back and I've known folks that just throw a fit if it don't come out the front. Just a small matter of opinion I figure.

Been watchin that deal on the two room cabin the Russians have got up there in space. I understand it is 11 years old and don't know if that is an antique or just an elderly space station. We are puttin some new fixtures in it so the astronots and can breathe and maybe they will put an ironin board and a sewin machine for the astronettes. Now thats alright but seems like the Russians have over spent and aint goin to have the rules to put in their fair share at this minute. I'm goin to wait and watch and if I see them women start puttin new drapes and floor covering I will complain to the government. I will have a bit to say and intend to if my wife don't hear about it.

Mam has planted a few strawberries. Course Cody, the grandson, claims they are his strawberries cause he helped plant them. Right next to the berries will be some tomatoes and the mamma noticed the sun wasnt hitting them as it should. Mamma said we will have to cut down the tree so the garden will grow. I remember when we first moved here I mentioned the tree was too close to the house and she informed me the tree would stand where it was. But yesterday the tree was removed. I'm smarter than I look. When the cook says something it is done and I don't mean maybe. Henpecked you say, no, but I got a few henhouse ways.

A picture showing Tristan Rose and Jerod Haning taking a dive was not good enough to publish.

visit with a few of our friends we have known for years and we got a treat. We got to see Doc Foyt's rollin living quarters. Wow, what quarters they were plus and double plus. The interior was a lot of leather and beautiful lights all around that would change colors and I doubt if anyone would find any better even if it had no wheels. If a feller had 3/4 of a million he or she could have on of that caliber. I enjoyed the visit with all the boys and they promised to come by and visit if they had time. Buddy, one of the boys that works with Reba McEntire, gave us a tape of George Strait and its even autographed. Bein honest, I would trade his tape for one of Reba's cause she's better looking than George.

I still scratch my head and wonder what folks would think if they seen that monster of a motorhome pull into Mobeetie there in the panhandle and the street ther ein Freedom where we lived for a few years. That thing was twice as big as that Pickwich bus that

hauled folks across the state and that Pickwich bus never had a bathroom either. Enjoyed the visit.

Tuesday evening was the shower; we had guests. Brice's parents Glennis and Ed Martt of Wallingford Kentucky and his grand parents, spent the night. Hap and Norma Tuxhorn from Fairview, Brice's grandparents, came for the shower and returned to Clinton. Barbara Davis accompanied Jennifer from OKC and the two returned home after the shower.

—cwe—
The "small world" situation happened again. We learned May 18 that Hap was like a "second daddy" to Laura Fern Selby of Mobeetie. I called to see if they were home Tuesday evening and Hap, Ed and I went to see Jimmy and Laura Fern. The shock of seeing Hap was almost as much for her as finding out his grandson was marrying my daughter.

HOSPICE AWARENESS

HOSPICE TEAM

The hospice approach to care is centered around a team of professionals who meet every two weeks to develop, maintain, review and implement your plan of care. The goal and needs that each patient/family or team member identifies will be addressed in the team meetings.

NURSE: The nurse's responsibility is for the total patient for all of the needs or issues important to this person related to the terminal illness with a primary focus on physical condition and comfort. Several levels of skilled nurses are available, including registered nurses, licensed nurses, and nurse aides. The nurses regularly assess symptoms and act as advocates to assure that quality care and support are provided for you and your family. Your plan of care is reviewed regularly.

PHYSICIAN: Your physician may remain responsible for directing your medical care while you are a Hospice patient. However, you and your physician may decide to transfer your care to the Hospice Medical Director, who is available to manage your care or provide consultations on pain and symptom management.

SOCIAL WORKER: A Hospice Social Worker, who is experienced in meeting the needs of Hospice patients and families, will visit you as part of the Hospice program. The Social Worker may help you identify community resources that can offer additional support at home, assist with financial matters, and discuss alternative care sites if needed.

CHAPLAIN: The Hospice Chaplain is available to serve your spiritual needs, whatever they are and however you choose to define and understand them. We are firmly committed to being nonsectarian and non-denominational, allowing you to follow your own spiritual path. The chaplain can counsel with you on spiritual concerns, or arrange for clergy of your choice to visit with you.

HOME HEALTH AIDE/HOMEMAKER: Home health aides are assigned to help with personal care as needed. Homemakers are duties to assist with homemaking assigned as needed.

VOLUNTEERS: Volunteers undergo a rigorous training program before joining the Hospice team with hours of intensive instruction in hospice philosophy, patient care concerns, communication skills, and the limits to the volunteer's role. They are carefully supervised by the hospice team and our volunteer coordinator. Your home care volunteer may provide periodic companionship for the patient while family members catch up on business, shopping, or napping. Home care volunteers may also run errands and deliver flowers and gifts for the patients and families. The volunteer's most important job is to be a supportive friend.
