42-7 Win Makes Wheeler 2-0 in Dist.

"Home, sweet, home!" After playing three games in a row out of town the Wheeler Mustangs were relieved to have the chance to play host for a change. Their opponents this week, the Claude Mustangs. Both Wheeler and Claude came into the game boasting 1-0 records in district play.

Wheeler started the game in fine fashion by recovering a Claude fumble. Then, Bryan Judd capped off the Mustang drive by running for a 24 yard touchdown. The extra point attempt was not good and Wheeler took a 6-0 lead.

The Wheeler defense held tough and forced the Claude offense to punt. On Wheeler's next possession, the offense moved quickly down the field and Aaron Dunnam scored on a 21 yard run.

On the two point conversion Aaron Dunnam was stacked up just short of the goal line and Wheeler took a 12-0 lead with 4:53 remaining in the first quarter. Once again the Wheeler defense held tough and forced Claude to punt. The Mustangs received the punt on their own 24 yard line, but after a few series of plays, Wheeler fumbled, giving Claude the football on the Wheeler 35 yard line. Claude was able to take advantage of this Wheeler mistake by taking the

Sweetwater News

Had three inches of rain over the weekend. I always heard rain before seven clear before eleven, but it sure didn't work on Saturday.

Long ago we kids were really keyed up as we were going to see the Hagenback and Wallace Circus the next day. Got up and it was pouring down rain. We were just devastated. My granddad told us not to worry, it would clear by noon. It did. Daddy loaded us all in our Model T and we chugged away to see the wonderful circus.

Elbert, Eva, and Brad Atkinson attended the OSU Homecoming at Stillwater and visited Brendon.

J.W. and Billy McMullen, of Amarillo spent the weekend with his sister Zuma Sutton. Ola Mae Coop dropped by.

Dolores Balkcom and Zuma went to the Geneva Hester sale and had lunch at Cals.

Annette Wingfield and Dawn and Pauline visited Wheeler and had lunch at Maxey's.

Mellie Stone has been quilting the sailboat quilt she is making for her little great grandson, Levi Stone, of Dallas. His parents are Jerry and Carol.

See Utah Robinson of Elk City was on the Athlete of Week list in the Oklahoman. Cross country racing.

Mr. and Mrs. Harold Dean Whipkey, of Higgins, were down Sunday to visit his grandmother, Birdie Whipkey.

November 1, draws nigh and our area code will change from 405 to 580. I understand we will be able to use both for awhile until we get used to the change.

We got flu shots on Monday. Sarah was kind enough to give services to Joe Curb since he barely gets around.

My brother Frank isn't very well. He is having a birthday the 24th. His address is 232 East F St. North Little Rock, AR 72116, if you would like to send a card.

Verda Bales tells that some 70 descendants of James Madison and Adeline Robbirds met recently for a reunion at the Clubhouse Condo in Elk City with Larry and Linda Jarnagin as hosts.

LIBRARY NEWS

We have been busy this week catching up on our chores so we can be ready for our first shipment of children's books. As we told you before, we have begun to spend our Tocker grant money.

Our first featured book for this week is *Nightkill* by F. Paul Wilson and Steve Lyon. This is a medical thriller that features a hit man who decides to retire, only to be double crossed by the Mafia and crippled by an assassin, until a doctor offers him a recipe for revenge. Wilson has long been known as the master of medical thrillers and has a large following of readers. Our second featured book is *A Small Dark Place* by Martin Schenk. When a little girl falls down an abandoned mine shaft, Peter Wiley and his wife facing financial ruin, see a unique opportunity to save themselves and their town, but their greedy actions have unexpected consequences for themselves and the town of Wishbone, Kansas. This book will have you checking under your bed! This author reminds us of King and Saul.

Thanks to Sandy Gaines and Anita Brown for the books they donated. Also thanks to Samuel Hillhouse for the audio he donated. We appreciated all donations. Also we appreciate all memorials that we receive.

We checked out 170 books to 75 patrons. Also four audios and four videos went out. Don't forget to check our audio collection if you are going on a car trip more and more patrons are finding out how enjoyable these tapes can be. We have several that are suitable for the children also.

Some people have noticed our vehicles at the library before 1:00. We come in early on our own time to get some computer work done. We are not open to the public at that time. Some people maybe upset that we won't open up the library early for them, but this our policy. We hope you understand and will wait until 1:00 to use the library.

The use of the internet is increasing and we need to remind everyone to please make an appointment for the computers, that way you won't be disappointed when they are busy. Users must have general knowledge of these machines, as our staff is not large enough always to give individual help. If students need articles for reports we ask that they give us the information and pick up the articles the following day, as we need time for research.

That's all for this week. Come see us and get some good reading.

A coon keeps getting in my feeder so I haven't been feeding the birds yet.

We are still enjoying the fiddling tape Donna LeGrand brought us.

Don Roberts, Basil and Billy Doss have been on the puny side.

Nina Markley has been very ill.

Mary Bollen and Doris Smith are home from the hospital.

Bob Copeland and Sharon Harrell have had surgery at OKC.

Marie Beatty is recovering from an injury to her arm and shoulder.

Bonnie Belton, of Amarillo, spent the weekend with Iona Miller.

Some of the experts are getting pretty worried about the way the stock market has been dropping. They are remembering 1929 when a lot of folks were jumping out of windows.

Graveside services were Saturday for our friend Alta Nabors, 101, with C.R. officiating. Alta died Tuesday on her birthday. She was the mother of our neighbor Helen Smith. Burial was in the Buffalo Cemetery.

Funeral services were Friday for Nettie Meares, 95, at the Sayre Church of Christ. She was the mother of Don Meares of Shamrock. Burial was in the Sayre Doxey Cemetery with Rose Chapel Funeral Home in charge.

Had word from my cousins Carl and Iona Haag. They have moved to Hoover, Alabama.

Collen Gordon was honored with a reception Sunday afternoon for her years of work with the Volunteer Ambulance Service, over 23 years, I think. Her son Mike and wife June live in this community.

Billy Mac and Gail Sutton and Zuma Sutton visited in Kingfisher with Larry, Twila and little Jamie Adams. They are doing fine.

Glenda Waden, Ronna Kay, Hildebrand, Tia Whitney and Matthew of Claremore spent the weekend with Inez Coffey. They went to church with her. The girls and children both sang specials at church.

Our phone in the bedroom died last week. Jerry Wilson was out to see about wiring and replace our 26 year old phone.

Joe and I caught up on the news while he worked.

CARD OF THANKS

We are so very fortunate to live in such a warm and caring community. The love and support our family has received during Mark's illness and death has been so overwhelming. The words *Thank You* just seems so inadequate. The many expressions of love and sympathy toward our family has helped to ease the pain of our loss.

Thanks to all who called or who came to Amarillo to be with us. To those who sent flowers, food, called or came by for a short visit, or made memorials. We are so overwhelmed by your generosity!

Mark dedicated his life to helping others as a volunteer. We have so many volunteers on fire departments, ambulance and even city government in our community and it takes them away from their loved ones more often than anyone wants to admit.

So our family gratefully says *Thanks* to each and every volunteer.

Titus 2, 11-12 & 13 For the grace of God that bringeth salvation hath appeared to all men, Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world; Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ.

We have been having fog the last few mornings here in Allison and there is some here this Monday morning and dark and cloudy.

Was such a nice surprise to have my nieces visit me, Patsy Stinnett, from Colorado and Phyllis Hefley, of Briscoe visited last Friday afternoon and Darrel and Johnnie Harrison were also here from Amarillo.

Patsy and Phyllis also visited with Wilma Gilmer and Johnnie and Nora Giddens from Mecosta, Michigan, and they also visited Jennie Walker.

Last Sunday night supper guests at Wilma's were Johnnie, Nora and Ray and Sue Giddens and George Giddens.

Wednesday dinner guests were Johnnie and Nora, Virginia Jesseph and Christine Gilmer and Ruby Craig visited at different times as did other relatives.

Johnnie's health is not to good right at this moment, so we don't know

when they will ever be able to get back to Texas.

Johnnie and Nora attended church with me Sunday morning and we went to Wheeler and ate dinner at Maxey's, drove around Wheeler awhile sightseeing before coming on home. They went to Amarillo last Tuesday morning to get their flight back to Michigan, we enjoyed having them here for a visit.

There were some mistakes in last weeks edition Allison News. Where it was printed that Jonathan Walker from Amarillo visited the Eddy Walker, Jonathan did visit but he is from Canyon and not Amarillo.

Justin and Stephanie Walker, which was left out for some reason,

are from Amarillo and in Opal and Juanita Boydston's news it should have been Sybil here visiting her sisters Opal and Billy not Betty.

Ruby Craig and Wilma Gilmer and Tanner McWhorter went to Pampa and picked up Jesse and Samantha Finney and they went to Amarillo to attend Matthew Farmers eighth birthday last Saturday. Others there from Allison were Cheryl Dupont, Sabrina and Cody and Jon Langston.

Last Saturday guests with Opal and Juanita Boydston were Sybil Fish, Sa Rita Green, Carrissa and Kelton from Binger, Oklahoma. Saturday evening those going to Elk City to a restaurant to help celebrate Opal Boydston's 85th birthday. Those were

Wanda Walker, Shaleah, Jon and Hannah Longston, Juanita Boydston, Louise Boydston, Sa Rita Green and children Neal and Tia Boydston, Corinna and Kendra. Juanita baked the birthday cake and took it along. They sang Happy Birthday to Opal. Opal is a young 85.

Last Sunday dinner guest with Opal and Juanita were Sa Rita and Kelton after church. Sunday night visitors were Neal and Tia Boydston and girls with Opal and Juanita.

Congregational Concerns:

The annual "Ladies Day" of this congregation will be held on this coming Saturday, October 25. Debbie Vickers will be the guest speaker. Her topic will be, "God's Woman."

The fall lectureship of this congregation is scheduled to be held on Saturday night, November 1st, and Sunday, November 2nd. The speaker for this lectureship will be Dr. Neil Lightfoot, a Bible professor at Abilene Christian University. The theme of this lectureship will be, "The History of the English Bible."

A thank you note was recently received from Amanda Galligan. This thank you note has been posted on the bulletin board in the lobby. Larry Finsterwald is scheduled to be released from the rehabilitation unit of Baylor Hospital in Dallas the last of the week.

Sympathy must be expressed to Linda McCoy, a former member of this congregation, upon the death of her father, Oren Peden. The funeral was held last Saturday in Leland, Texas.

From The Minister's Desk:

Harry Gibson, a good friend of mine, recently wrote an editorial that was "right on the money." This editorial was entitled, "Come Down And We Will Believe" and it said: --
"The soldiers who stood at the foot of the cross uttering their cry were sensationalists. In their eyes, Jesus could vindicate his claim of Messiahship only by the doing of the stupendous and the colossal. They were asking to see, not the picture of silent self-denial and sacrifice, obeying the will of God, but something as dramatic as loosening his hands and feet and stepping down from the cross. And when he did not do it, the whole incident became so boring that the soldiers sat down and cast lots for his garments. There, within a stone's throw of them, the greatest drama ever enacted was in progress. Yet, they were completely unaware of it because they were looking for the sensational."
"Today on every hand, people are trying to find God in the spectacular and dramatic. To them, the test of every sermon is not "Is it true?" but "Does it sweep me across the whole key-bound of human emotion, leaving me perched on a mountain-type high?" The test of revelation is not "Did it come from the Book?" for that is so undramatic; but, "Did it come by vision or by dream?" Similarly, the test one's spiritually is judged, not by his de-

votion to God or his service to man, but by his amazing ability to feel overwhelmed by the Holy Spirit, while speaking in an ecstatic tongue."
"People who try to find God in the spectacular and dramatic, are often likely to miss God for the very reason that there is a sense in which no one wants an unsensational God. Naaman, the leper, wanted God to cure him of his dread disease in a dramatic, spectacular way. God told him to go dip seven times in the muddy Jordan. How undramatic! Yet he found healing. Jesus came to Matthew who was sitting at the seat of customs and said, "Follow me." It was undramatic but Matthew, by obeying the command, became a faithful disciple and apostle."

So many are missing Christ because they are expecting religion to be dramatic. They are looking for a "sign" which Jesus said was the mark of an evil and adulterous generation. (Matthew 27:42) Such need to hear the statement of Abraham to the rich man in Hades. "If they heed not Moses and the prophets, neither will they be persuaded if one rise from the dead." (Luke 16:31) Salvation is not sensational. Faith is not all emotion. You can sit in its very shadow, as did the soldiers, and still miss the meaning."

LA RESPUESTA
ERES SALVO DE CONDENACION?
En Mateo 25:46, se nos recuerda de los dos destinos eternos "castigo eterno" y "vida eterna"; Cristo fue quien mas hablo sobre el tema de la eternidad porque el vino a buscar y a salvar lo que se habia perdido Lc. 19:10 "Ya que el nacio de la virgen Maria para un plan divino el cual era "Salvar a su pueblo de sus pecados"; Cuando Maria dio su mandamiento ella dijo "hacer todo lo que mi hijo dice"; La razon es muy simple Cristo no quiere que tu te condenes y vayas a un lugar de tormento sino que al contrario tu te arrepientas y puedas obtener vida eterna porque " el Hijo de Dios no vino a condenar al mundo sino para que el mundo sea salvo por el Jn. 3:17 "; Probablemente tu que estas leyendo este articulo estaras pensando "como puedo saber si tengo vida o condenacion? " La respuesta es muy sencilla, si tu has aceptado a Jesus en tu corazon ,crees en el y lo obedeces entonces eres salvo de condenacion y estas en el camino de salvacion, pero si tu haces lo que quieres y no la voluntad de Dios y tan solo los domingos o "de vez en cuando " te das una vuelta a la iglesia y rezas "perdona nuestras deudas, como nosotros perdonamos a nuestros deudores " pero no lo practicas, entonces tu eres un hipocrita y no un hijo de Dios y por lo tanto no tienes Salvacion sino condenacion. Escrito por Sergio Vaquera Pastor de La Iglesia Anglicana Canaan Wheeler Tx; Tambien le invitamos a escuchar el programa La Respuesta, todos los Sabados de 8 a 11 de la noche, en el 90.5 f.m.
