Wheeler Co. Heritage Day To Be Observed At Mobeetie

On June 28, 1997, the Old Mobeetie Jail Museum steps back into the past. Buffalo hunters, cowboys, and soldiers live again in Old Mobeetie, Texas. Heritage Day activities will include: Native American Dancers, Buffalo Hunters, Blacksmith, Medicine Show, Traders, Square Dancers, Wagon Tours to Hidetown Buffalo Hunter's Camp, Chuck Wagon Meals, and Flag Auction. New living history exhibits will be jelly and soap. making, butter churning, log sawing, and corn shelling. New also this year, will be several evening events. A Bar-B-Q dinner catered by Mr. Bar-B-Q will be served from 6:30 to 8:00 p.m. A military cotillion will begin at 8:00 p.m. Anyone wanting to participate in the cotillion will be taught the steps of the pioneer dances beginning at 4:00 p.m. Period dress is encouraged for participants but not required.

Because of the response to the Tasura performance in the fall, the Old Mobeetie Jail Museum will present again an off-site Gallery Theater production by The Witte Museum of San Antonio during Wheeler County Heritage Day. The one man performance will be presented twice: at 10:30 a.m. and 1:30 p.m.

It is time once again for Heritage Days at Mobeetie. Take the time Saturday to step into the past and learn about life in Mobeetie when the Calvary protected the settlers.

-cwe-I think summer has arrived. We have had some warm days and the rain amounts are next to nothing for the week. The measured moisture was 0.11" on Monday and 0.01" on Tuesday.

Are you ready for a tan and don't want to spent the time in the hot sun. We have a new business in Wheeler-On the Beach. It is located on Main Street, behind the Wheeler Flower and Gift Shop.

-cwe-Or, are you needing the car washed and don't want to take the time and effort to do it yourself, call 5856. Amy and Zane Hubble are trying to earn some money this sum-

-cwe-I have two birthdays to remember this week. Both are Monday, June 30. The new son-in-law, Brice, and Mother Porter share the day. Happy Birthday to both.

The two older grandchildren, Ronal and Jessica, arrived Tuesday evening. Ronal will be putting in time at Cross Car Center-following in his Dad's footsteps.

-cwe-I made the trip to Hinton Saturday morning and picked up Mother Porter. We continued on in the afternoon to Oklahoma City to visit the newlyweds and had lunch at Sids in Yukon and Jennifer fixed supper for us that evening.

When am I going to learn? The Silhouette engine was hot when we got to Jennifer's so we brought the Cougar home. Something seems to happen when the mother-in-law travels with us. No, we are not going to stop taking her places.

GIRL'S STATE: Sally Smith, daughter of Mr. and Mrs. Joe Smith of Wheeler, was selected to represent the local American Legion Auxiliary at Girl's State. Sallie will be a senior at Wheeler High School in the fall.

Tasura, a Comanche

formed by Uzziel Martinez, a San Antonio actor and high school teacher. The original script was written by Richard Slocum and directed by Camilla

Tasura, a Comanche who died over 100 years ago, appears before the audience to retell the story of his life. It is a story which closely parallels the demise of the Comanche people who were a dominant power in what is now the Southwestern U.S. and northern Mexico, where they ruled as "Lords of the Plains."

Dependent on their horses, which were prized above all things, and the buffalo, which provided food, clothing, shelter, and raw materials, the Comanche's fate was sealed in the late 1800s as ranchers and settlers pushed into their territory, destroying their livelihood. The Comanche fought back, which led to retaliation and raids on Indian encampments by the U.S. Army. Tasura sadly recalls how he lost the four most valuable things in his life: his wife and son, his brother/

friend, and his horses during a raid by army soldiers.

Remembering happier days, Tasura tells the audience the Comanche were born to ride and what life was like for a Comanche man. This life centered around the horse, its capture and training. Horses meant wealth and economic prosperity. They were the gift a man presented to parents of the woman he wished to marry. To become a man, a Comanche boy had to catch a horse and break him on his own.

Tasura recounts how, after the death of his family, he drifted around Texas and New Mexico with no real purpose. Finally, outside Kenton, Oklahoma, he lost a fight with five cowboys and was killed by a blow from a piece of fence post. According to the local preacher, Tasura looked too Indian for a cemetery burial, even though his grandfather was white. His body was put in an unmarked grave in "No-Man's Land." Having told his tale, Tasura leaves to rejoin

his wife. His life and death symbolize the dilemma of a culture caused by

Also featured during Heritage Day will be the 4th U.S. Cavalry Regiment (Memorial) Association, Inc., a nonprofit organization dedicated to enlightening the public regarding the exciting and true history of this celebrated regiment of the United States Army. Its membership of re-enactors bring the period of 1869 alive again through its living history performances. They will perform at 10:30 a.m. and 2:00 p.m.

The quadrille team was formed to demonstrate the fact that horsemanship was important to the 1870's U.S. Cavalry and it continued to be central to the training of the troops until the horse cavalry was dismounted in the 1940's. The Regiment continues this tradition of stressing the importance of horsemanship and teaches advanced equitation to the riding membership. Period tactics are applied to mounted drill which makes the riding performances historically correct.

Precision horseback drill was practiced for three reasons. First was to train the horses and troopers to ride in a proper balanced position. Second was to move large numbers of horses in an orderly manner. Third was to prepare the trooper and horses to go into battle in a tactical formation for maximum effect.

All uniforms, equipment and tack are historically correct for 1875. All horses are of a dark color and are between 14.2 and 16.2 hands in height. The performance is ridden to 1870's music as they would have done in riding review.

There will be food and drink booths available throughout the day and evening. All educational activities and events are free.

97 Heritage Day Cancellation Stamp

On June 28, 1997, the United States Postal Service will be proud to offer a Special Cancellation. The Special Cancellation and the road Ranche Station will be held in conjunction with the Wheeler County Heritage Day. Heritage Day will be held on the grounds of the Old Mobeetie Jail Museum in Mobeetie, TX.

The cancellation design was chosen thru an art contest sponsored by the Old Mobeetie Association. The contest was won by F.R. "Rusty" Nichols of Borger, TX. The art work chosen best depicted the theme of this year's Heritage Day, "Wagon Trails". Wagon Trails celebrates the wagon trails, specifically the military road from Dodge City and Fort Supply and the Jones and Plummer Trail. the commercial wagon trail. These

Teacher's Workday Is Added to W. Calendar

In order to meet state calendar guidelines, Wheeler I.S.D. must add another staff development day to its calendar. In order to not change existing dates, the extra day will be added on Friday, August 8, 1997. This will be a teacher workday. This workday may be satisfied at other times and other ways during the summer. Teachers should check with their principals in meeting the requirement if this day will not work for them.

Teacher orientation in our new appraisal system will be held on Monday, August 11, 1997. The meeting will be held at 9:00 A.M. in the cafeteria. All teachers are required to attend this session. We are allowing three hours for this meeting.

Funds Sufficient For Purchase of Fireworks

The Wheeler Chamber of Commerce is pleased to announce that due to the past generosity of the local businesses and individuals, we will not be asking for contributions for the fireworks show at the park this year. The Chamber of Commerce is very proud of the fireworks display that the people of Wheeler have enabled us to present every year. We hope that you all enjoy it as much as we do. Thank you for supporting this project and we will see you next year at this

"wagon roads" were open between 1875 and 1890. Overthese two wagon trails, millions of pounds of goods and supplies were freighted into Wheeler County from which civilization was first brought to the Panhandle. On the return route buffalo hides in the beginning and later the bones of the buffalo were shipped to Dodge City for sale. Freighter and merchants like Robert Wright, Charles Rath, W.M.D. Lee, and P.G. Reynolds, made their fortunes from the businesses served by wagon trails. Stations along the trail that served food and provided accomodations to travelers were

called Road Ranches. The Special Cancellation can be obtained two ways. The first way will be to visit Road Ranche Station on the Old Mobeetie Jail Museum ground. You will be able to purchase the newly relased Pacific 97 Stagecoach Triangular Stamp. This is the first triangular stamp the United States Postal Service has ever issued. The new Bugs Bunny stamps will also be available. After you have chosen your stamp, all you will need to do is affix it to an envelope and have the Special Cancellation applied.

The second way to obtain the Special Cancellation is by mail. Customers may purchase a stamp at their

PROTECT YOUR CHILDREN FROM THE SUN

Your skin remembers every time that you tanned and every time you were sun burned. Research shows that two or more blistering sunburns as a child increases your chances of having skin cancer later in life. Too much sun over the years can cause skin cancer, wrinkles of the skin and possible cataracts of the eye.

A baby's skin is very sensitive. It is up to the adult to protect their skin.

Here it is summer and the crickets are trying to come in like it was fall. Some have only had showers and others have been hailed out. They say El Nino is warming up and that could be bad news. Floods on the west coast and drouth in the southwest. Some forecasters said it could be the beginning of another ice age. Guess we'll know in time.

Lena Luman says Birdie is doing well. They missed the tornado at Shamrock but were going to have to replace the roof on their house and garage. Some golfball size hail fell.

Everyone is so busy that they didn't celebrate Father's Day to a great extent. Judy and Gerald Tipton said they went to the big Airshow in Oklahoma City. Really did enjoy it. Troy and Joy Sites had a fish dinner at Simon's Catch.

Our boys called home and Joe got five Father's Day cards, which pleased him mightily.

Bill Stiles and Will J. Robets brought the messages Sunday at the Baptist church. Both have been missionaries

in Africa. Will J. plans to return soon. Visiting Harold and Mary Bollen during the past week were their son and wife, Mr. and Mrs. Ross Bollen, Fair Hope, Ala; daughter, Mary Ann Harding, Denver, Virginia Little and Ashley Carlisle, El Reno.

Recent visitors of Zuma Sutton were J. W. and Billy McMullin, Amarillo, and Glenna McMullin; Lubbock. Little Jamie Adams, Kingfisher, spent a few days with her grandparents, Gail and Billy Sutton. Zuma was out

to see them while Jamie was there. Charlie and Lanette Bryan, Edmond, Misti and Paul Sisk, Tulsa, were here for the Leonard Bryan services and spent a couple of days with Ed and Eileen Logan. Shermasn Wilson was here to see them and his mother, Dovie Wilson.

Shirley Spitzer tells me the Class of 1957 will have their forty year reunion July 5, at 2 o'clock at the Sweetwater School. After their visit they will go to the Homecoming party for more visiting and the barbecue supper. This is Tony's class and they are coming

from Orlando. It is hoped all the local folks will be there to greet those who come from afar. It is discouraging to come a thousand or more miles and find the

home folks at home watching TV. J. E. McGuirs enjoyed the Flea Market at at Burns Flat Saturday. Visiting J. E. and Claralou during the week were his sister, Christine Tucker, Stillwater, and her son, Stan Tucker, Opie and Annie, Tulsa.

E. L. and Wilma Fowler had all their family home during the week. Vikki Fowler, Charlotte Bonham, Kathy and Arrell Heinsohn and Tyler, Hope and

Carlene Stewart (Carl's daughter) has been visiting her aunt, Pauline Roberts. They went to Memphis, TX, and saw Ruth Fowler. They, and Cleta Coffey, Elk City, went to Amarillo and spent the day with Adele Coffey.

Brad Atkinson and Judith Heronema are home from their trip to the FFA conference at Washington, DC. They attended work shops, went sight seeing, met Rep. Frank Lucas, and had a fine time. They were among 107 from Oklahoma. Brad got to see his aunt, Lt. Col. Joyce, who is stationed there. Her commanding general told Brad she was doing great. Mandy Carlson was on the honor roll at OCU, Edmond, with a 4.0 average for the spring semester. She is majoring in accounting and plays on the basketball team. Her parents are Dean and Molly Carlson.

Wilbur Nabors was kind enough to rescue us when I discovered a faucet spewing out the side. I don't know what we would do if it wasn't for good neighbors. We don't have any young kinfolks close to do odd jobs.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENT OF PROPOSED

CONSTITUTIONAL AMENDMENT SPECIAL ELECTION **AUGUST 9, 1997**

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment which would increase the school property tax residence homestead exemption from \$5,000 to \$15,000. The amendment would also authorize the Legislature to limit all or part of the exemption to political subdivisions that are the principal providers of elementary and secondary education within their boundaries.

In addition, the amendment would authorize the Legislature to allow the transfer of all or part of the age 65-and-over tax freeze to another homestead. Specifically, the Legislature would be authorized to provide that the current limitation against increasing school property taxes on the residence homesteads of persons age 65 or older, or their surviving spouse who is eligible to receive the exemption, may be transferred if the person establishes a different residence homestead.

The amendment would also allow the \$10,000 additional amount for the standard exemption to be used to lower the tax rate of persons currently receiving the 65-and-over tax freeze. Specifically, for a homestead affected by this limitation in 1996 or in an earlier tax year, the Legislature must provide for a reduction in the school property tax limitation in the 1997 tax year and subsequent tax years in an amount equal to \$10,000 multiplied by the 1997 school property tax rate.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing school property tax relief by increasing the residence homestead exemption by \$10,000 and providing for the transfer of the tax limitation to another qualified homestead for persons over 65 and a reduction in taxes subject to the limitation."

LIBRARY

This week we had 140 patrons and checked out 230 books. Also we checked out 5 audios and 5 videos. We issued 6 new library cards.

The summer reading program is winding down. It would be hard to guess which the children liked best, it would be a toss up between Hadley's pencil collection and Bobbye's doll collection. Both really entertained our young people. The little people enjoyed Hadley's reading to them and singing-along with Barney. Mary thought Barney was an elephant! Nevertheless the children loved him. At the time of this article the winners of the prizes have not been determined, all will be announced next week, as well as the top two readers. No one is ever a loser at the library, they are all winners! Reading really is fun.

Our new lease books arrived and are on the shelves. They are as follows: "Gospel According to the Son" by Norman Mailer, "Into The Storm" by Tom Clancy, "Plum Island" by Nelson Demille, "Snow in August" by Pete Hamill, "Summer At The Lake" by Andrew Greeley, "Up Island" by Anne Siddons and "Waiting Time" by Eugenia Price.

We have three book orders that have gone out, so guess what we'll be doing soon? Getting them ready to go on the shelves. These orders will cover religious romance and adventure, mysteries, romances, westerns and some true stories. Something for everyone.

Our first featured book for this week is "Just As I Am" by Billy Graham. Fifty years after his first crusade, the most popular and influential Christian preacher of the 20th century tells his remarkable story. Graham candidly reflects on his humble beginnings, his dynamic ministry (which has reached more than 200 million people worldwide) his marriage and family and his relationships with every president since Truman. The second featured book is "The Fortunate Pilgrim" by Mario Puzo. Before "The Godfather" and "The Last Don", there was Puzo's classic story about the loves, crimes and struggles confronted by one family of New York City immigrants living in Hell's Kitchen. Fresh from the farms in Italy, Lucia Santa struggles to hold her family together in a strange land. At times poignant, comic and violent, this is Italian-American fiction as its very best.

... We received memorials in honor of Armel Holt Brown this week. We appreciate all memorials and donations.

Come see us and get a good book to go with that tall cold glass of lemonade. That sounds good after all that yard work and summer chores! The books are waiting for you. By the library staff

From The Minister's Desk:

Perhaps you heard about the man who decided to sell his house. He called a real estate agent in his community and listed his house to be

The real estate agent placed an ad in the local paper, describing the house. When the ad appeared in the paper, the man carefully read the ad. He then called the real estate agent and told him to cancel the listing.

The surprised agent asked the obvious question: "Why ?" "After reading the ad in the newspaper," answered the man, "I realized how important my house was to me.

Therefore, it is not for sale. " More people need to have the attitude of this man. In every community, there are three houses that must not be sold. These three houses

1. The Court House. In every Texas county-seat, there is a building that is called the Court House. This building symbolizes constitutional law and order which citizens must respect and obey.

The most respectful and obedient citizens should be Christians. In the Romans letter, the Apostle Paul stated that Christians should, "--be in subjection to the governing authorities." (Romans 13:1) The Apostle Peter wrote: "Submit yourselves for the Lord's sake to every human institution, whether to a King as the one in authority, or to governors as sent by him for the punishment of evil doers and the praise of those who do right. For such is the will of God that by doing right you may silence the ignorance of foolish men." (I Peter 2:13-15)

The law should be obeyed or it should be changed by due process. Civil disrespect and disobedience are wrong. The Court House must not be sold!

2. The School House. As the Court House symbolizes law and order, the School House symbolizes education and knowledge. It must be remembered that a high-quality educational program is the primary purpose of school. Such a program encourages students to achieve their maximum potential through excellence in academics or vocationaltechnical training. While extra-curricular activities are important to school, none of them must take precedent over the educational pro-

To achieve a high-quality educational program, it is imperative that competent administrators and teachers be hired. It is imperative that these individuals be well paid. It is also imperative that these individuals be supported by parents and students. The school house must not be sold.

3. The Church House. Another house that must not be sold is the church house. Like the court house and the school house, it is not the brick and wood of the church house that is valuable. Rather it is the principles that the church house represents that are valuable.

The New Testament does not teach that the church is a mere institution that people join. Instead it teaches that the church is the body of Christ which people are "added to" by an obedient faith in the Lordship of Jesus Christ. (Acts 2:22-47, Ephesians 1:15-23) Then because of this obedient faith, these people become "--a people for God's own possession --. " (I Peter 2:9)

Yet these people are not sinlessly perfect. These people are a contradication. They are people who are holy yet sinful and sinful yet holy. Hypocrisy must never be condoned! However, critics of God's people--the church--must understand that justification is by faith in Jesus Christ not by sinless perfection. (Romans 5:1) The church house must not be sold!

Some extremely important principles are respresented by the court house, the school house, and the church house. Therefore, it is my sincere hope that these houses in this community will not be sold.

Lou Dean Douthit visited Zinnia Bailey Friday and took her to Maxey's to lunch. Zinnia got to visit some with. Rita Pearson and Lindsey, Reba and Mary Wofford and Dorothy and Adrian Risner and others at Maxeys. Sunday, Lou Dean went out and ate lunch with Debbie and Bob Kinnaman and

Sunday dinner guests to Rosalie Keelin were Gene and Norma Keelin and Tracy, Daniel and Kara Kay, Betty Bradstreet from Foss Lake and Sue Ridgley from Tennessee. Betty went to Tennessee to get Sue so she could visit her dad, Wes Bailey at Dexter, New Mexico. Wes is very ill, so Sue wants to spend time with her folks, Thelma and Wes. Betty also visited her sister at Russellville, Arkansas

Lois Meadows visited Lessie Austin one day. Lessie had a call from daughter Charlotte Brown Sunday. They had lots of rain at San Antonio.

Nice to see Coy and Hazel Bennett from Perryton at Canadian Pizza Hut Tuesday. They played music there and also at the Abraham Home. On Tuesdays they go to different Nursing Homes and Pizza Huts. Coy plays the Dulcimer and harmonicas of different sizes. Tuesday nights are all you can eat buffet at most Pizza Huts. We enjoy the food and the quickness. Also at the Pizza Hut were Anthony and Judi Cornell with granddaughter Amy Boydston. Amy is working as a nurse aide at Wheeler Care Center this summer.

Ed and Laurel Hershman celebrated their 32nd wedding anniversary Friday. Nice to have them and Dick and Ruth Irvine join us for supper at Maxeys Friday night and a good visit. Dick and Ruth Irvine celebrated 36 years of marriage a few days earlier on June 11. Some others at Maxeys were Clint and Amy Huff, Rob and Geniva Hogan with Robert and Linda Shugart, the Holcomb clan (John, Clara, Lola, Glenn and Eva Richerson and Corinne Keeler), Raymond and Isabell Moorewith Johnny and Hallie Burrell.

Willis and I met Bernie Tapp and

Bryan Steinman at Amarillo Saturday and drove down to Lubbock to the beautiful wedding of LaJuana McElroy to Lance Caroland at an outside ceremony at County Line Barbeque Restaurant. Part of the decorations were live peacocks (gorgeous) strutting their beauty. Tracy McElroy from Austin was maid of honor. Kulanie McElroy McDermott was a bridesmaid and Josh McElroy was a groomsman. Kulani's husband, Charley, was best man and sang beautifully. It was so good to see them all. Pray for Lance and LaJuana as they start their life together. Elizabeth Hale served the cake and registered guests. Her friend, Les Hall, came with her and took pictures. Les is a graduate assistant in the chemistry lab at WTAMU this summer. Elizabeth is working on her masters degree. Rev. Don McElroy gave the bride away and performed the beautiful ceremony. Youth leaders and long time friends Debbie and Jerry Rice and Amy helped some and sang beautifully. They are from Felt, Oklahoma. Mayme made the bride's and bridemaids dresses. Beautiful. We had a nice swim at the Pampa

Pool Wednesday. Enjoyed visiting there with Orvel Brewer, Idella Gibbin, and Dorothy Barrett. Orvel and Rosa Brewer plan a trip to Canada with relatives later in the summer.

At Furrs we met Verline Currie for lunch. Also there were Nona Jones (Continued Page 7)
