As this copy is being written for publication, the radio is reporting a chance for rain later in the week. The frozen fog earlier and the dusting of sleet last week are our only traces of moisture for the month.

We took our weekly trip to Oklahoma with stops in OKC and Hinton.

The Monday night card games did not go too well for Dwight and I. We only managed to win the last game. Jane and Barbara were the winners of the first two.

Ft. Elliott Accelerated Reading Reaches Goal

The Fort Elliott Elementary students met and exceeded their goal for the last 9 weeks. To celebrate this event, the elementary campus had a circus/carnival at their school on January 8th. There were booths set up for the students to participate in which included face painting, football toss and pin the nose on the clown with prizes being awarded. The biggest hit was throwing wet sponges at Coach Tatyrek. This was a treat that even the staff was allowed to do. To finish off the event cotton candy and snow cones were furnished to every student. T-shirts were awarded to the top readers in each class. They were: 1st Grade-Blake Baker; 2nd Grade-Bailey Estes; 3rd Grade-Chrystal Pigg; 4th Grade-Calvin Lane; and 5th Grade-Graden Schaub. The party was a huge success and the students were excited about meeting their goal.

Donations Are Received

Recently the Playground Improvement Committee has received some very generous contributions. KN Energy and Ben Hill Griffin, Inc. were extremely supportive to our cause. And the elementary and Junior High children have turned in donations from their change jars in their classrooms. We have received several orders for the engraved bricks that will be placed at the playground area. If you have not yet purchased your brick you may do so at the business office.

Attempt to Poison Hogs Results in Reward Offer

A \$300 reward is being offered for information leading to the arrest of the individual or individuals responsible for the placing of rat poison in the pens of five show hogs at the Wheeler County Junior Livestock Show over the past weekend. Jennifer Maddox of the Ft. Elliott FFA had five pigs in the show. The animals had placed in the Ft. Elliott Show Thursday evening. Prior to the

Show Saturday, pellets of poison were found in the pens' bedding. The hogs were immediately administered medicine to counteract the rat poison.

It is not known if any of the poison was consumed.

The reward is being offered by the Wheeler County Livestock Show Association.

If you have information, please contact Judge Jerry Hefley at 826-5961.

Monday - No mail. Seems Joe and Martin Luther King are being honored with a National holiday on their birthdays. Pretty neat.

We actually had a rain. A whole tenth in the gauge. First in a mighty long time. This drought is getting so serious that it put us on the front page of the Oklahoman this week. Long range forecasters say we may be heading into a repeat of the 30's.

Tuesday night someone bashed in our mailbox. We heard that the boxes of Jack McArthur and Butch Hagerman suffered the same fate. Iva Thompson's box got a hard lick. Sure was a dirty thing to do. The sheriff's departments said it was a federal offense. If any of you know who did it. Please notify the authorities.

Louis Stas, Wheeler Times, called to tell me my news had been late two weeks in a row and he had the Sayre paper fax my news. Seems it couldn't make the 21 miles to Wheeler in three days. I'll send it a day earlier this week.

Peggy and Leroy Dunlap were out to see Iva Thompson and check the cattle.

Maybelle and Tommy Worley of Sayre visited Bonnie and Arnold Rice Sunday.

Pauline Roberts and Helen Smith visited Birdie Whipkey at Shamrock Sunday. She isn't doing very well and has moved up there to be near Lena. She will be 107 in April.

The State FFA officers will be visiting the Sweetwater Chapter on January 22.

Ollie Anderson's daughter and husband, Wanda and Bill Martin, had a narrow escape last week; the dog woke them and they were barely able to call for help. They were found unconscious from fumes. Understand they are out of the hospital. They live at Ponca City.

Leonard Smith of Clinton was out this week checking on his folks Ray and Doris Smith.

Eva Atkinson came by to see us and brought a load of groceries. Justin Lohberger dropped by with a package from his mom, Linda's shop. He's in school at OKC and involved with computers.

Brian Davis, Sweetwater, and Holly

Smith, Erick were crowned Homecoming king and queen. The coronation took place January 8, before their game with Wheeler.

I've been trying to keep the birds fed during the cold. Have some yays that think they own things. Also red-birds, towhees, brown thrashers, woodpeckers, etc. They are fun to watch. I don't have any fancy feeders. Just scatter it on the ground.

Quite a few folks turned out for the dedication of a sign at the rest stop east of Erick on I-40. The sign is in honor of the Korean War Veterans.

This sign is the last of four signs honoring veterans. One on East I-40 near Sallisaw honors the Vietnam veterans. One on south I-35 near Ardmore honors World War I veterans while one at North I-35 honors World War II veterans. It is near Blackwell.

Each sign has a map of Oklahoma and shows the highways that are honoring the vets. The signs are inscribed "Oklahoma has not forgotten her veterans."

Joe Dale writes they drove up to Lake Buchanan near Burnett to see the eagles. Had a nice boat ride and saw pelicans, deer, wild goats, etc. but no eagles.

Recent guests of Zuma Sutton were J. W. and Darrell Davis, Alabama, and Dee Davidson.

From the Family of Annie M. Henderson

We would like to thank the Wheeler County Ambulance Personnel, the Parkview Hospital staff, Dr. Mendiola, and Dr. Ryan in Amarillo for all that was done for my wife, our Mother, Grandmother, Great Grandmother, and Great, Great Grandmother, Annie Henderson. She was a very special lady and you treated her with great respect during her brief illness. We would like to also thank the Wheeler, Kelton, and Shamrock communities for their acts of love with food, flowers, but most of all the prayers that were lifted up for us all. May God Bless You All.

Vandalism Of Traffic Signs On The Increase

Texas Department of Transportation (TxDOT) has noted an increase in traffic sign theft and vandalism in the Childress District. Signs are being stolen off of the posts. Although the signs are quickly replaced, when stop signs and warning signs are taken it becomes a safety concern. Clyde Harper, Childress District Traffic Section Supervisor, reports that "missing signs can endanger travelers. Any warning sign warns of a potential hazard. The vandalizing of certain signs, especially stop, yield and warning signs can risk a persons safety and violators can be criminally prosecuted".

The costs associated with this crime are high. Damaged signs pose a danger to the traveling public, and the

signs spent to replace them could be spent elsewhere. Taxpayers in the Childress District TxDOT spent more than \$28,000 last year to replace stolen and vandalized signs along state roadways. Statewide, taxpayers spent more than \$8 million replacing signs damaged by natural disasters, accidents, and vandals. Wood and metal signs cost approximately \$10 per square foot to produce, and this doesn't include the labor required.

Psalm, 19-9, 10 & 11,
The fear of the Lord is clean, enduring for ever; the judgments of the Lord are true and righteous altogether. More to be desired are they than gold, yea, than much fine gold; sweeter also than honey and the honeycomb.

Moreover by them is thy servant warned; and in keeping of them there is great reward.

Nice to visit with Shelia Helton. She is the mother of John Clyde Helton's children: Marlena, Charlie and Calvin, who go to school at Ft. Elliott. Shelia and Marlena and Calvin live in Irene Zybach's house. Charlie lives with John in Briscoe.

"The Lord bless you, protect you, direct you, fill you, guide you and love you!" from a card.

Saturday night there was delicious free barbecue; meat with beans, slaw, apricots, etc, served. Many thanks to all, who donated food or helped prepare and serve it. Very good. Congratulations to every young person, who worked to raise their animals to be the best possible. Thanks to every adult helping in any way. There was a big crowd there at the Wheeler County Stock Show.

Saturday we also visited a little with Shea and Bridget Weatherly and their beautiful new baby girl, Audra Michelle, and Brad and Sue Chandler. Shea and Bridget and baby were moving back to Clarendon Sunday so Shea can get back in college. He has been working at the feed lot during the off days. Pray for this little family.

Nice to have Ed and Laurel Hershman and Delilah Hershman join us for lunch at Maxeys Sunday. Also visited with Tony Griffin and Doretta Moore there and Glenn and Carter Williams.

"God be with you till we meet again."

have their line upgraded to allow 56K access to the Internet. I believe that in the coming months many of our local businesses are going to want to access their suppliers, customers or other affiliates through the Internet.

In a related note, Gardiner advised that she has taken steps to discourage certain of her customers from the practice of holding telephone lines open even though they are not accessing the Internet. This practice, called Camping, has created busy signals for other customers during peak periods. Deana said that the industry standard for customers to telephone lines is approximately eight to ten customers for each line. YFT.net, her local Internet access, provides has a ratio of 6.5 customers per line.

When Your Favorite Things took over the local Internet access from Lads Radio Shack the number of incoming lines was increased by one third, and the outgoing bandwidth was doubled. Deana shared that the system has grown steadily since she acquired the business, and she wants the business to be able to continue to grow as the area's need also grows.

home and within the long-term care system as a whole, and to give families a voice in decisions that affect them and their loved ones. One way to assure that your loved one is receiving quality care is to become familiar with the operation and the logic of the nursing facility. This means getting involved with the facility and we feel that the best way to do this is to come to the Family Council meetings.

Anyone having questions concerning the meeting may call the Council President, Rita Pearson at 375-2379 or Activity Director Barbara Williams, at 826-3505.

The Patagonia region of South America is so called from the Spanish word for "big feet." The Indians the Spanish found there were tall and wore large boots stuffed with grass.
