Louise Hogan was honored with a birthday supper at Maxey's on Saturday night. Those attending were Chuck and Louise Hogan, Rob and Geniva Hogan and Shasa.

I need to correct a mistake last week. Terry and Chris Mullins call Mobeetie home. They have land here. Terry works on a pipeline and is away from home all the time. He just finished a job in St. Louis Mo. They will be here for a week or two then off for a new location. We are glad to have them here part of the time.

CHILDREN ACT FAST ... SODO POISONS!

"Children Act Fast ... So Do Poisons!" As simple as this may sound it is the truth. Adults must keep a watchful eye when using household chemicals or medicinal drugs.

It only takes an instant for a child to find a bottle of cleaning solution, about as long as it does to answer a phone or doorbell. If an adult should leave for any time, harmful chemicals should be put out of the child's reach.

If a poisoning does occur, contact the Poison Control Center immediately. There are currently 100 Poison Control Centers in the United States. These centers maintain information for the physician or public on the toxicity of most substances and the recommended treatment for the ingestion of household products and medicines.

Dale and Melba Corcoran visited Saturday night in Wheeler with Pauline Barnes and Joey Stone. Joey is still in lots of pain from his accident.

Lynn Sims and Serena ate dinner Sunday at Mel's. She looked cute in her red and white dress. She said she had found lots of Easter eggs.

The wind has been awful for most of the week. The fire department has been busy. I hate to hear the sirens on these windy days. Friday they fought a grass fire south of old Mobeetie across Sweetwater Creek. Sunday they went out several times. Once to a car wreck on 152 and Gray 23. They were turned back before they got to the wreck. Then in the afternoon they went to a fire east of Wheeler. The Fire Department was paged 9 times over the weekend. The volunteers need to be thanked for their service to our community. They drop what ever they are doing and go when paged no matter what time day or night. We do appreciate what they are doing even if we don't tell them like we should.

Visiting with Leon and Rose Mary Dockins Sunday was Lisa and family from Reydon, Ok.

Visiting this week with Leonard and Bertha Hollis was a friend Aileen Morris of Andrews.

Those enjoying a 42 party at the home of Leonard and Bertha Hollis Thursday night were Doris Finsterwald, Aileen Morris, Edna May, Homer Sanders, Willis and Verna Fillingim.

Visiting with Doyle and Bulah Grimes were Jerry and Phyllis Tucker of Elkhart, KS. They spend the night Tuesday. Darren Grimes of Lubbock came by for a visit that day also.

Spending Saturday night with them was Marvin and Kelley Grimes, Dee and Drew of Lubbock. Darren Grimes came back by on Sunday.

Mobeetie Jail Museum had a quiet week. Monday Bernice Hefley, Louise Hogan and Bobbye Hill painted the display case that goes around the base of the barrack. They painted them in Jimmy and Bobbies' garage. Then Thursday the Fort Elliott Elementary School held their annual egg hunt on the jail grounds. Louise Hogan worked Thursday doing office work.

Jack and Bernice Hefley and R. L. and Rozena Zybach went to Foss fishing Thursday. They said it was cold and windy and didn't catch any fish but had fun anyway.

The Gilmer and Lane families enjoyed a get together Sunday after Church at Skip Out Lake. Those from Mobeetie attending the get together was Bobby and Mary Nell Finsterwald, April and Andy, Doris Finsterwald and Chris Mick.

Denzel Leonard of Canadian preached at the First Baptist Church in Mobeetie Sunday. Nell was ill and didn't get to come with him.

Heather Hampton of Wheeler spend Saturday night with her grandparents Jack and Bernice Hefley. Then Sunday night Dustin Hampton and Michael Hall of Wheeler spend the night with them. Justin and Tamara Hefley also visited them Sunday night.

Jack and Bernice Hefley visited with Opal Hefley in Wheeler following Church Sunday.

The report on the Mixon family is good. Naomi Bonds was dismissed from the hospital on Thursday. She went back to the nursing home. Mick and Dorothy Mixon are both doing well. C. H. Bonds is doing as well as can be expected with his cancer.

Jess Mixon fell Thursday afternoon in Wheeler at the Vet Clinic. He was picking up the dogs from the vet and one of them got his rope wrapped around of him and caused him to fall on the blacktop. It cut his right arm from the shoulder to the elbow and he has a big knot just above the elbow. He also bruised his left hip. But he is a tough man and went to go to the doctor. He is still working around the house.

Easter Sunday Dinner guest of Jess and Deanne Mixon was Allen Mixon of McLean, Julian and Jerry Martinez, Michael, Trish and Andi. The kids enjoying hunting eggs in the afternoon.

Leola Stuart and Gladys Richardson visited in Erick, Ok. with Iva Richardson. Others there were Mike Richardson and children of Sweetwater, Ok.

Saturday Calvin and Leola Stuart and Gladys Richardson visited in Shamrock with Bulah Stuart and Gerald. Then they had lunch at McDonalds.

Saturday night Jimmy and Patsy Richardson of Oklahoma City and Mrs. Coffee of Erick visited with Calvin and Leola Stuart and Gladys Richardson. Mrs. Coffee and Gladys went to church together at Erick.

Wheeler Church of Christ
Congregational Concerns:
The grocery truck from Tipton Home will be in Wheeler next week. If you want to give a donation to their grocery fund, please give your money to Doyle Ramsey.
Mabel Tabor is hospitalized in Presbyterian Hospital in Plano, recovering from knee surgery. She will probably be in the hospital for several days.
From The Minister's Desk:
John Gibson, the minister of the Sixth and Izard church of Christ in Little Rock, Arkansas, recently wrote an article that needs to be read by every serious Bible student. This editorial was entitled, "Everyone is Entitled To His Own View" and it said: ---
"It's been stated so many times one would think it's declared in the Holy Scriptures. We not only prize this freedom; we revel in it. Take for example the many ideas expressed in regard to religion."
"I think Christians should be more tolerant. I don't think everyone has to believe in Christ to be o. k. with God."
"I think homosexuals and women should be ordained to the ministry like anyone else."
"I think it's ridiculous that some churches make such a big deal of baptism. What that got to do with what kind of person I am?"
"I think I know what God wants me to do without having to look it up in the Bible."
An Invitation: You are cordially invited to attend any of the weekly services of the Wheeler Church of Christ which meets at 1001 S. Alan Bean Blvd, in Wheeler, Texas

"Wheeler Junior High and Elementary will be having a cap day on the last day of the week from now till the last day of school. The kids can wear any cap for .25 and the proceeds will help the Make-A-Wish Foundation grant a wish to one of their pending kids", says Doug Rives principal for the Junior High and elementary.
Cindy Spanel, Wish Coordinator for Make-A-Wish of the Texas Plains said the Kids for Wish Kids program provides young people with a valuable learning experience about life-threatening illness and how they can help make a difference to another child. This will help the students learn to work together for the common good while at the same time providing a valuable opportunity for students and teachers to get to know each other better.
Make-A-Wish grants wishes to children between the ages of 2 1/2 and 18 years old with a life threatening illness. The Amarillo chapter, located at 2324 Lakeview, Amarillo, has granted 465 wishes since its beginning in 1984. At present we are working on 26 wishes in the top 55 counties of the Panhandle.

Fund Established For Playground Equipment

The Wheeler School playground is in the beginning stages of renovation. The majority of the play equipment is badly outdated and unsafe. Some of the equipment is believed to be fifty years old. Following a recent evaluation and recommendation by the safety engineer, several pieces of equipment were removed. The remaining structures include teeter-totters, swings and horizontal ladders that all need to be modified in one way or another.

Plans are under way for the purchase of new safe equipment. However, the new structure is costly. A separate fund has been established for the playground equipment. The school children have been working to raise money by saving cereal boxes tops and some gracious people have made cash donations and memorial donations to this cause. The playground committee would like to encourage everyone to remember the playground fund through donations and fundraisers. If you or your association would like to make a contribution, please contact Tammy Moore or Kim Goad at 826-5241. We thank you in advance for your support.

Our cutlines on the students advancing to regional was wrong. The Calculator and Literary Criticism teams advance and the team members will compete individually because they placed as a team.
—cwe—
The Mathematics team does not advance, even though they placed second at district.
—cwe—
Andy Bradstreet placed second in Biology and fifth overall in the Science Contest at district, but did not advance to regionals, as it takes a first place in biology or a first, second or third overall to advance.
—cwe—
It was a very poor turnout at the polls Tuesday.
—cwe—
The girl's golf team won the right to advance to regional on Monday along with Nic Ware. **Congratulations!**
