

It's been quite a week. Homecoming at Erick, Memorial Day and such. Summer weather and still three more weeks of Spring. All the cemeteries were beautiful.

This part of the country has had a lot of publicity lately. That from the storms was doing it the hard way. There was a nice piece in the Oklahoman about Berlin and their 25 or more Civil War veterans in their cemetery. OETA had a wonderful piece about Roger Miller and Erick. Cal's Country Cooking, was featured on the cafes of Oklahoma on Channel 9.

Buffalo Cemetery has over a hundred veterans with six Civil War and one Civil War veteran at Salem. My great-grandfather Seborn McCather is one of those at Buffalo. He died in 1924 at the age of 104.

The Sweetwater-Meridian Homecoming will be Saturday, July 4, 1998, 4:00 to 7:30 at the All Purpose Room, Sweetwater School. Dues are \$2.00. The Barbecue Dinner catered by Steve Walker, Mobeetie, will be at 6:00. Price \$6.00. Business meeting will be at 5. We are already getting word from the faraways that they are coming. We hope all the locals will come too.

Charles Fourier went to Colorado this week to see his granddaughter graduate.

Quite a few of the youngsters have been to the Baptist Youth Camp at Lugert this week. From Buffalo Church and Sayre were Kara and Kyle Cox, Lacey Foller, Nick Holden, Zachary Ross, Bethany and Brandon Parvin, Eli Nichols, Devon Wylie, Thomas and Jeremy Adcox, and Brandy Jones. Sponsors were James Riggs, Larry Parvin, Phil Enslow. From Sweetwater Church were Andrea Calverly, Jenny Gracey, Heather Dolloff, Kendra Holland, Ashley Hagerman, Michael Richardson, Tyson Perry, and Trevor Boswell. Sponsors were Kim Boswell and Joan Hagerman.

We visited Mr. and Mrs. Warner and the O. K. Hensons' in Sayre last week while getting ratings.

I have been having a hard time the last month or so. My copier quit on me. The computer printer needs paper and a new ribbon. I'm waiting on Joe Dale to get here and fix things. I

dug my old typewriter out from under the bed and neither of us knew how to type any more. And if that wasn't sad enough, my washer died very dead yesterday.

Ruth Haag and Jim Nance, our relatives, had birthday Monday. Pretty neat getting a National Holiday for a birthday!

Bernice Harrington, Faye Mandrell, and Janiece Sanders were out to visit Clara Lou and J. E. McQuire Sunday.

Visitors out to see Bonnie and Arnold Rice were Faye and Loftin Crossner, Holdenville, OK; and Maybelle and Tommy Worley, Sayre. Bunchie and Maurice Hagood, Amarillo; and Peggy and Leroy Dunlap, Sayre were out to see Iva Thompson.

Had a nice note from Lucille Coffey's girls, Linda and Laura. They have had a hard year. Lost their parents Olin and Lucille and their

comed. This will continue through July. On July 30 at 2:30 awards will be given, some of the prizes include beanie babies, a trail bike, boom box, and T shirts just to name a few. Prizes will be based on the reading logs. We hope the children will read for the two months, we have lots of new books just waiting for them.

One of our new books is *Reach For The Summit* by Pat Summitt. Summitt is the head coach of the University of Tennessee Lady Vols, winner of 5 NCAA Championships. This book has created lots of interest.

Our first featured book for this week is *Sudden Prey* by John Sandford. Everybody has secrets, but some will get you killed. Lucas Davenport investigates the murder of the chairman during a company hunting trip. Some critics think this maybe Sandford's best to date. It's a whodunit that will keep you guessing! Our second featured book is *The Undertaker's Widow* by Phillip Margolin. This is a thriller. A Judge, so ethical, that he is willing to risk his own life to see that justice prevails in his courtroom. But he discovers as he presides over the trial of a state congresswoman, there is not always a path to justice. This is a good read.

We have a big book order due in this coming week, and it has lots of good reading in it. Also we have new audios order that includes some new *Hank the Cowdog* series as well as some mysteries. Our audios are still growing in demand, a good way to pass some travel time when you tire of the radio.

Our numbers continue to stay up with 400 books going out in the past two weeks and 200 patrons dropping by. 10 videos and 24 audios have gone out. We appreciate all memorials and donations.

Take a break from that yard work, get some good reading, find a cool spot and relax. Come see us soon and remind the children to join our reading program.

U.S. Census To Offer Locals Employment

The regional office of the U.S. Census Bureau is gearing up for an "address listing" project covering all 26 counties that make up the Texas Panhandle - and it means lots of jobs will be available for local residents. Scheduled to begin in August, the project will send out census field workers into every county in the Panhandle to physically list all household addresses and thereby update Census Bureau maps.

"The work will mainly be on weekends and evenings, so we're looking not only for people who are unemployed or who are retirees," explains regional recruiter Donna Stovall, "we're also looking for people who want to schedule census work around their current employment."

Fulltime and part-time jobs are available in two categories of work:

(1) Census Field Workers, earning \$8.00 per hour, who will develop address lists; and

(2) Crew Leaders, earning \$9.50 per hour, who will manage teams of Census Field Workers.

As local people know their own communities better than anyone else, the Census Bureau especially hopes to find workers who reside in the communities where the field work will be conducted. Moreover, the Bureau is seeking individuals who are not afraid to contact people and ask them questions. "This is not an office job," Stovall emphasizes, "it's out in the field locating addresses and conducting door-to-door interviews."

Applicants must pass a written exam of basic skills. The testing will start at the end of May and will be conducted in Amarillo and other locations throughout the Panhandle. Work begins in early August and continues thru late September. Employees will be paid to attend a training session and will be reimbursed 31 cent per mile for using their own vehicle for fieldwork.

To qualify, applicants must be at least 18 years old and U.S. citizens. They should not have a conviction other than for a minor traffic violation; and they should not be currently employed as a tax collector/assessor or law enforcement official. Men born before 12/31/59 must be registered with the Selective Service. Employees must pass a security and employment reference check.

To apply or get additional information, phone the local office of the Texas Workforce Commission or call the Census Bureau's Recruiting Department toll-free at 1-888-325-7733.

* The U.S. Census Bureau is an Equal Employment Opportunity employer and all qualified applicants will be considered regardless of age, race, color, sex, creed, national origin lawful political affiliation, disability, marital status, affiliation with an employee organization, sexual orientation, or other non-merit factor.

I just hope a couple of racquet ball courts are included when the club house is built.

While Barbara took us on our weekend tour, I read "Like Whispers In The Wind". Interesting reading.

It is time to brag about the grandchildren. Jessica made a perfect score on the TAAS test in reading and only missed two on the math portion.

Jessica will be in the eighth grade next year and is teaching reading to her fellow sixth, seventh and eighth grade students this summer.

The grandson, Ronal Jr., was listed on the A-B Honor Roll for the year.

It is time to wish 'Wife #2' Happy Birthday. I will tell you that the day is June 6, but it would be better if I didn't tell you how old she will be. Your secret is safe with me, Inez.

Dwight and I won the second and third card games Monday night. Jane came over for a short time and did her best to turn the first game around, but Barbara and Mike still won by a good margin.

Tamara Hefley spend the day with Jack and Bernice Hefley. Heather spent the night with them.

Justin Hefley is attending the diabetes camp. He will be gone 3 weeks.

James and Alesha Moffett are moving. They will be living in Panhandle. We will miss them. We wish them good luck in retirement.

I visited with Joyce (Bonds) Saunders Saturday in Pampa. She reported her mother was about the same. Mary Lou was in Crossville, TN with C. H. and family. C. H. isn't doing very well at this time.

Pain may be eliminated for millions

(SPECIAL) -- A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. Arthur Itis, is available immediately without a prescription in an odorless, greaseless, non-staining cream or new roll-on lotion form. Arthur Itis, is guaranteed to work or your money back.

CWE CHAT WITH EDITOR

By Louis C. Stas

And the heat continues. Unfortunately, there is no rain to report.

I noticed in last year's paper that we received 4.58" of rain in May last year. Quite a contrast to this year's 1.55" for May.

Congratulations, **Jeremy Davis**. Jeremy also represented Wheeler at the K101 Classic last week.

Congratulations to the students named on the college honor rolls. It is good to see our students continue their education. Most happy to see **Monty Long's** name on Hardin-Simmons President's List, but I was not surprised.

Congratulations, also to those completing their college education.

Bill Owen was buried Monday. I

Jeremy Davis Plays in K101 Bowl Sat.

On Saturday May 30, 1998 Jeremy Davis played in the K101 Bowl in Woodward, Oklahoma. Jeremy was one of many young men who had the honors of coming together to make this conglomerate tri-state team. These young men came from the eastern panhandle of Texas, Oklahoma and Kansas.

Jeremy traveled to Woodward on Tuesday, May 26th to begin his week of training and various other activities. Jeremy attended practice twice a day, all week. He also attended various social activities to bond new friendships with fellow athletes. He met some very talented athletes from other nearby Texas towns as well as Oklahoma and Kansas. Jeremy's roommate was Bobby Loder, a wide-receiver from Beaver, Oklahoma. He made lots of new friends and had lots of competition. Jeremy was a member of the East team. However, the East team did lose to the West team by two points. The score was 14-12. Jeremy worked hard during his four years of high school football, ensuring a chance to play on this prestigious team. Jeremy excelled athletically at this Bowl game. He was very

excited to have been chosen to play in this game and he definitely gave 100% in making sure Wheeler was well represented. We are proud of you, Jeremy and all that you have accomplished. Good luck and best wishes in the All-Star game in Houston in July. We're behind you all the way.

surgery last week to repair the retina that had been damaged. There has been some pain and swelling. We are sorry, Laura. Hope you are soon O.K.

It has been real special to have Sasha Glonti from Russia and Vikki Fannan from England in our school and community during the school year. We will miss these two sweet and friendly girls. Best of luck in all their endeavors. They graduated from Fort Elliott, but will have to go to school another year in their home schools. Pray for them.

Some scenes from the movie "Abilene" that is being filmed near Dozier will also be filmed at Homer Sanders place near Gem City. He's been fixing it up some - painting, mowing.

Visiting Evelyn Meek Sunday afternoon was a friend of J. Michael's named Tom from Ohio. He sends a Christmas Card and comes by when he is in this area. She enjoyed visiting with him.

Lois Meadows, Winnie Gilmer and Evelyn Meek went to the Abraham Home at Canadian Monday afternoon and did a sing-a-long with the residents. Always very enjoyable to them.

We enjoyed going to Wheeler Senior Citizens Monday night with 19 there. We had three tables of 88 and a delicious supper. Lots of birthday people.

Sincere sympathy to family and friends of Bill Owen in his death. Death is only a bridge to a better life in heaven if we are ready.

Miami Senior Citizens meets next Monday night June 8 at 6:00 for delicious potluck supper and games of 42, Chicken Foot and Canasta.

Rosalie Keelin enjoyed having Joey and Risa Keelin and Matt and John Fleming last week and all the people stopping by. Risa also visited Sammie Atherton at the Wheeler Care Center several times. The guys did lots of fishing. Rosalie is sure those Sweetwater Creek fish are the best ever. Thursday night others enjoying a fish fry at Rosalies' were Jerry Keelin and Sue Gallagher from Shamrock, Larry and Janie Taylor and Gene and Norma Keelin and Kara Kay, Daniel and Tracy. I think Gene was the cook.

Katrina Cullers and Kayla and Shelby from Darrouzett visited Jerry Keelin Sunday and came on out and visited Rosalie awhile. Jerry is Katrina's dad.

Terri Crownover has a job for the summer baby sitting Connie Bryan's

Travis and Brittany while Connie works for home health. Kent Bryan works for Eric Zybach.

Carissa Dukes works for Mobeetie Bank this summer.

Mrs. Nellie Lackey celebrated her 88th birthday Sunday. Some visiting her at Wheeler Care Center were Carol and JoAnn Lackey from Abilene, David and Rita Pearson and Dallas and Lindsey Fillingim. So nice to have Dallas and Lindsey come visit us awhile Sunday afternoon. They all ate at Mel's Diner for lunch, except Mrs. Lackey wasn't able.

Willa Fillingim has enjoyed so much her 80th birthday celebration for all week. On May 23 Laurel and Ed Hershman and Gayle and Helen Singleton and Maralee came and brought lunch and worked several hours doing nice things for Willa. They piped water to her chicken house, mowed all around, took the old television tower out of the yard and did everything they could to help her out. Brad and Sarita Dawson and Dallas and Micaela were also there. All week she has been getting cards and calls from family and friends. It has been a great birthday and no one more deserving.

We enjoyed going to the Bible School program at Mobeetie Friday night. They had a good group and a good program. Some adults helping were Sallie Adcock, Director, Amanda May Childress, assistant, Doris Finsterwald, pianist, Terry and Shelia Mick, youth group, Liz Shipp, juniors, Melba Corcoran, Connie Bryan, Claudetta Laverty, Ethel Grimes, Mary Lou Nelson, Virginia Hungate, Willene Burke, Mary Nell Finsterwald, and April Finsterwald. Also helping were Mellie Kelley, Chuck and Lousie Hogan, Lester Leonard with refreshments.

Many friends and relatives gathered at United Methodist Church in Miami Sunday to congratulate and visit with newly-weds June (McCouston) and Bernie Heare. They

had flown to Hawaii in March and purchased wedding clothes there. They wore their wedding clothes and looked so nice. Delicious cake and punch were served. God bless you two lovely people. He has a home and business in California. She has a house in Miami, so they will spend time in both places.

Betty Tally and sister, Audrey Alexander from White Deer left Sunday afternoon to go to Oklahoma City to visit a cousin who was very ill and needed to have surgery.

Ed and Laurel Hershman will be hosting the Singleton Reunion at their house Saturday June 6. Then the weekend of June 27 will be the Fillingim Reunion. July 4 will be the Rose Reunion. A busy summer. Laurel is helping this week with First Baptist Bible School in Wheeler. Ed stays "covered up" with lawn mower repairs.

From The Minister's Desk:

The bulletin of the church of Christ in Lampasas, Texas recently contained an article that needs to be read, in my opinion, by many people. This article is entitled, "Prescription For Unhappiness" and it said: ---

1. Make little things bother you; don't just let them, make them.
2. Lose your perspective of things, and keep it lost. Don't put first things first.
3. Get yourself a good worry--one about which you cannot do anything but worry.
4. Be a perfectionist; condemn yourself and others, but (especially others) for not achieving perfection.
5. Be right, always right, perfectly right all the time. Be the only one who is right and be rigid about your rightness.
6. Don't trust or believe people, or accept them at anything but their worst and weakest. Be suspicious. Impute ulterior motives to them.
7. Always compare yourself unfavorably to others, which is the guarantee of instant misery.
8. Take personally, with a chip on your shoulder, everything that happens to you that you don't like.
9. Make happiness the aim of your life instead of bracing for life's barbs through a "bitter with the sweet" philosophy.

Use this prescription regularly for awhile and you and everyone around you will be guaranteed unhappiness.
