CWE CHAT WITH EDITOR
By Louis C. Stas

I made a trip to Mobeetie Tuesday to make the pictures for the paper of the new exhibit at the Old Mobeetie Jail Museum.

-cwe-

There is a reason why a number of dedicate individuals have been spending so much time at the museum. The project represents LOTS lots of work.

-cwe-

The local Thriftway will have Customer Appreciation Day on Saturday, June 13. Stop in for a hot dog, cold drink and chips from 11:00 till 1:00. There will be free samples in the store.

-cwe-

Jennifer reminded me of the Buffalo Soldier stamp cancellation. She wants to be sure to get a letter with the cancellation on it. It is a good keepsake.

-cwe-

My trip to Oklahoma was a bit short. I came back to get a few more markers out and help with the roofing of the Cross house. So, don't get the idea that I work cheap.

-cwe-

I did not leave OKC until 1:00 P.M. Saturday because I didn't want to miss a free barbecue meal. I do like to eat.

-cwe-

Jennifer and Brice were invited to the opening of The Stamp Store. The owner, Doug Bannister, is a customer of Brice's. The parking area, floor, counters and counter tops in both the front office and restrooms were cement. Templates and dies are used to make the cement look like slate, marble, brick or rock.

-cwe-

Cyberspace Communications Corp., Brice's employer, maintains the web page for The Stamp Store.

The business offers training and support with Texture Mats, Release Agents, Acid Stains, Color Hardeners and Integral Colors.

I have two birthday 'girls' to extend greeting to this week. My sister, Melba Arnold, and retired side-kick, Patricia

"Sweetwater Story" Exhibit Opens June 20

The Old Mobeetie Texas Association will host an open house for its new exhibit on June 20, 1998 from 1:00 p.m. to 5:00 p.m.

The collection, begun by Sallie Harris in 1966, is showcased in the exhibit design. The Association has found that local history and Panhandle history, to a large extent, is not found in Texas public school textbooks.

The Sweetwater Story Exhibit will demonstrate the importance of Wheeler County as well as adjoining counties in the settlement of the Panhandle.

There will be several hands on opportunities for children to interact with exhibits.

A six foot by eight foot reproduction by Kenneth Wyatt of his original work, "Crossin the Sweetwater" will be featured on the title panel.

Not only will the exhibit benefit the classroom teacher, but many adults who are now to the area or have not had the opportunity to visit the museum in recent years will enjoy the rich history of the area from the new interpretation of the valuable artifacts.

The open house is free of charge, but due to the expense of building such a comprehensive exhibit completely with volunteer labor for the most part, any contribution will be appreciated to defray the cost of materials.

## Life Begins At 80

(Editor's Note: This item, Author unknown, was brought to us by Verna Fillingim. Willa Fillingim just turned 80 and finds the article to be true.)

I have good news for you. The first 80 years are the hardest. The second 80 are a succession of birthday parties. Once you reach 80, everyone wants to carry you baggage and help you up the steps. If you forget your name or somebody else's name, or an appointment, or your own telephone number, or promise to be three places at the same time, or can't remember how many grandchildren you have, you need only explain that you are 80.

Being 80 is a lot better than being 70. At 70 people are mad at you for everything. At 80 you have their perfect excuse no matter what you do. If you act foolishly, it's your second childhood. Everyone is looking for symptoms of softening the brain.

Being 70 is no fun at all. At that age they expect you to retire to a house in Florida and complain about your arthritis (they used to call it lumpago), and you ask everybody to stop mulling because you can't understand them. (Actually your hearing is about 50 percent gone.)

If you survive until you are 80, everybody is surprised that you are still alive. They treat you with respect just for having lived so long. Actually they seem surprised that you can walk and talk sensibly.

So please, folks, try to make it to 80. It's the best time of like. People forgive you for anything. If you ask me, life begins at 80.

(from Page 3) at Pampa together. There were others that I didn't know. Becky Richmond works at the school this summer. Memorial Day Cliff and Dorothy Walker went to Moreland, Okla., with Verne (Dorothy's brother) and Susie Lohberger to decorate family graves there. The town of Moreland was founded by Dorothy's uncles on her Mother's side of the family. Nice to see Bobbeye Sue Baker and two beautiful grandchildren at Wheeler Dairy Queen Tuesday. Glad to hear that Kevin Meek has been hired to teach ag and help some with coaching and maybe other

things at Ft. Elliott. Pray for our teachers! Also our Ft. Elliott school board. Kevin will continue to live with Wayne Meek and help him. Nice to have Lindsey Fillingim and Ken Criswell from WTAM and Rita Pearson join us for supper at Maxeys Thursday night. Lindsey and Ken had been to the dentist. Also there was Lou Dean Douthit and Virginia Puryear with Homer Sanders and Edna May, Ralph and Mary Hovey. We went to Lefors Thursday after swimming and visited a little with Jada Murray and Karla and Buddy. Jada is not well. She is having treatments, but no cure for her lung problems. Good Karla can be home this summer to help with cooking, clean-

ing, etc. Keep praying for Jada. We came back by Mobeetie and ate at Sallie's cafe. Pam Jones and Devin were helping out with cooking etc. while Sallie and Tim took a little trip. Amanda Childress was also working. Some there were Dale and Melba Corcoran, Bill Elliott, Pierce Walker, Clyde Dukes, Dell Ford, Bernice and Jack Helley and others. Good. Also Pat Helton and nephew, John Clyde Helton. Saturday Dub and Mary Swift took Addie Swift to Shannon to Decoration Day at the cemetery. They also visited Addie's brothers and wives, Morris and Claudia Castle and Fred and Edith Castle. (Morris and Claudia are better known as Hap and Sor-

ghum.) It was special to have Cassidy (Stinnett) and Kevin Kelley from Amarillo meet us for supper Saturday night at Furr's in Pampa. We had a good visit and got to see their wedding pictures. Kevin and Casey were married Nov. 8, 1997 at First Assembly of God Church in Amarillo. Cuyler Stinnett was Kevin's best man; Kevin's sister was Casey's bridesmaid. The directors of the Christian Faith Bible Training College did the ceremony. A friend baked the beautiful cakes; another friend took many pictures. Kevin and Casey attended the Bible College and also make deliveries for different pharmacies, Kevin's sister directed and arranged

the wedding. May God bless and guide this sweet couple. Also at furr's were Buddy Hobdy and wife and mother-in-law and Jeanne Bailey. Also saw Katie Jo Hennig and Wendy Umsted at Alcoa. Lou Dean Douthit went to Wheeler Wednesday and visited Zinna Bailey and had a message from Kay Robinson. Very relaxing. That was a Christmas present from daughter, Debbie Kinnaman. Homer Sanders, Edna May, Virginia Puryear and Lou Dean Douthit played some games to 42 at Lou Dean's house Thursday night after supper at Maxeys. Nikki (Scott) Robinson and girls from Dallas are visiting Dale and

Janet Stevens. Nice to have Nikki meet us for supper at Maxey's Friday night. Then we went on to Miami to the Follies. Very good program with good singing, cute skits and costumes. Big crowd from many places. I was rejoicing that the pesky millers were all gone after about six weeks of aggravation. Guess what? Found a good sized cricket in the bathtub. Oh, Boy! Enjoying a few days at Lake Altus were Bob and Debbie Kinnaman and Kirbie, Kyleigh Trimble, Cory and Audrey Kinnaman and Joe Bob Kinnaman. Think Kirbie and Kyleigh celebrated their 16th birthdays. Lou Dean Douthit's neighbors,

We are having most peculiar weather. Over a hundred for days and then down to 50 last night. Some guy on TV said to quit blaming El Nino and admit it was the hand of the Lord. With the Spring like this, we don't know whether to expect a hotter summer or maybe a snow storm in August.

We are warned that the insects will be prolific. Our friends Billy Doss and Norma Zellmer have been bit by spiders and are recovering under the doctor's care.

We had a good week. Louis and Barbara Stas came by from Wheeler and he put a load of paper in my computer. Jr. and Lisa Cox, plus the kids came on Saturday and mowed the yard. It was about to get away from us. We really appreciated both of these good friends.

Betty Sites, Mike and Sally Sites, Megan and Cade, Michael and Sheila Smith went down to Texas to see and Kayla Christopher graduate. She's Rodonna's girl. While there, they visited Six Flags. The week before they all went to El Reno for Sally's graduation from the Redland College. She will be working at the Elk Hospital.

Gene and Wanda Kuykendahl celebrated their 50th anniversary recently in San Antonio. Relatives attending and having a reunion were Pauline Roberts, Annette Wingfield, Dale and Sue Roberts, KS, Nita Godwin, CA, Bob and Sue Fowler, Memphis, TX, Wanda and Orville Pruitt, Prescott AZ. Wanda's Dad, France Jarnagin is our uncle for many years.

Eileen Logan saw her OKC doctor Monday with a good report. Zuma Sutton had hip surgery today at McBrides. Brenda Smulcer is in St. Anthony's hospital, OKC. Inez Coffey and Mr. and Mrs. Wayne Johnson visited her Sunday.

Joyce Taylor said she is really working hauling hay but she had taken time to visit Editha Hildebrand and admire her beautiful flowers.

Gerald and Judy Tipton have been down to Louisville, TX to see Tammy, Randall, and Jacob Fuchs. Jacob

came home with them for a while. They stopped by Mt. Pleasant to see Jan Woods who isn't very well.

Faye and Joe Mong have been gone to the 29th Mule Day celebration in Bishop, CA. Their son Wes and Michelle Mong from Oregon met them and brought a mule to enter. It won a blue ribbon. There were over 40,000 folks there for the event. None of the 176 entries in the parade were motorized.

Services for Gordon Kirk were Thursday at Cheyenne with burial in the Berlin Cemetery. He was a brother of our neighbor Margie Anderson.

Services are pending for Willie V. Scott of Sayre who died in an OKC hospital yesterday. She was raised in our community.

Sandy and Eddy Williams, Stratford, TX, were down to visit Norma Zellmer and Ollie Anderson.

We visited briefly Saturday with Ed and Eileen Logan, Villard Sanders and cousins Veradel and Pete Davis.

Theresa and Wilbur Nabors made two trips to Amarillo to see grandkids graduate—Julie Forman for the West Texas University and Mark Doucette from high school. Both were at the Civic Center.

Called Inez Coffey to see what she was going on and she had both hands in dough making rolls for the Naomi Club luncheon.

Leonard and Nick Smith were out Saturday to see the Ray Smiths. Billy and Gail Sutton have been to Las Vegas to see her sister Modena Downs. Asked Gail if she won any money and she laughed and said she came out even. Little Jaime Adams spent the weekend with them.

Joe's sister Analou Clifton has been on a 3 week trip to England and France. They went over on the Queen Mary and flew back to St. Louis just after a big storm and the plane was grounded for 6 hours before they could go on to Las Vegas. Had a wonderful time. Birthday folks are Jerry Davis, Megan Sites, Jimmy Haag, Bob Kaiser, Irene Reed, Melvin Jeffcoat.

## Coates-Smith Vows Exchanged May 16, 1998

Tippi Kai Coates and Richard Ray Smith, both of Lewisville, exchanged wedding vows on Saturday, May 16, at 4:30 p.m. at the Full Gospel Church in Perryton. Officiating the ceremony was Rev. Harrol Waterbury.

The bride is the daughter of Mary Helen Coates of Perryton. The groom is the son of Mr. and Mrs. Preston Smith of Amarillo, Texas and grandson of Harrison Hall of Wheeler, Texas, and Hattie Smith of Grand Junction, Colorado.

Brass candabras draped in ivory tulle and english ivy adorned the church. The altar was flanked with ficus trees lighted by miniature crystal lights. Accents of asparagus ferns and ivory tulle were used to complete the garden scene. Powder puff tulle of navy and white decorated the pews.

Traditional wedding music was played by organist Joan Pletcher. During the seating of the Grandparents, *At Dawn (I Love You)* was played. Immediately following, *Sunrise, Sunset* was recited by Barbara Waterbury and sung by Kay Ann Cockrell. *I Do (Cherish You)* was played during the lighting of the unity candle. The bride entered the sanctuary escorted by her mother. After the wedding vows were exchanged, Kay Ann Cockrell sang *From This Moment (On)*. For the recessional, the *Wedding March* was chosen.

Kellie Coates of Amarillo, sister of the bride, served as maid of honor. The bridesmaids were Angie Brewster of Amarillo, Cristi Sparks of Portales, New Mexico, Amanda Stanley of Aurora, Colorado, Flower Girl was Kori Smith of Panhandle, niece of the groom.

Serving the groom as best man, was his brother, Trey Smith of Lewisville, Texas. Groomsman were Harrison Smith of Panhandle, brother of the groom, Grayson Benson of Amarillo, Steven Snapp of Lewisville. The ring bearer was Matthew Smith of Panhandle, nephew of the groom. The ushers were Cody Collingsworth of Amarillo, cousin of the bride and Kelly Brazille of Midland.

For her wedding, the bride selected an elegant formal length gown of white French satin and pearl encrusted alencon lace with a pearl-embellished neckline. The gown was accented by a beaded lace border that edged the neckline and cathedral length train. The brides crown veil was accented with pearl and sequin clusters which featured a soft layered tulle bow.

The bridal bouquet, designed by Charlotte Mullins, featured a cascade of navy latex magnolias, white baby's breath entwined with English ivy, navy and white ribbon streamers accented with pearls.

Mr. and Mrs. Richard Smith

In carrying out the traditions, the bride carried her mother's lace covered Bible. Her wedding gown was something new. Something borrowed was her maternal grandmothers' diamond dinner ring and something blue was the garter that was worn by her mother. She wore a sixpence in her shoe that her mother also used in her wedding.

The bride attendants were attired in teal length navy dresses, featuring a sweetheart neckline that was accented with soutash and navy beads. Pearl earrings, a gift from the bride, completed the ensemble. They each carried two long-stemmed white roses that were secured by a delicate navy ribbon.

The mother of the bride, chose a navy formal length chemise that featured a navy lace bolero jacket. The groom's mother wore a black chemise dress accented by a gold tailored jacket. Each wore corsages of navy and white.

The bride graduated from Perryton High School in 1990. She attended Texas Tech in Lubbock for three years, and graduated from West Texas A&M University in Canyon with a BS in Biology. She is currently a branch account specialist for Denton Area Teachers' Credit Union in Flower Mound. The groom graduated from Wheeler High School and attended Texas Tech in Lubbock. He is currently a foreman for John Burns Construction in Irving, Texas, building aerial fiber optic systems.

### RECEPTION

A reception was held in the Full Gospel Church Family Center. The brides table was covered with ivory moire taffeta and lace, draped in navy tulle. Centering the table was the stair-step wedding cakes featuring navy latex magnolias, navy silk roses and white baby's breath. The cakes were connected with soft navy delicacy ribbon. The cake was made especially for the occasion by Annette Molitor, special friend of the brides' mother and brought from Columbia, Missouri. The groom's table carried the theme of the grooms' favorite pastime, fishing. Fishnet draped the round table, accented with various fishing paraphernalia. The rectangular chocolate cake was presented on a large oval mirror, giving the illusion of land and water. The cake was topped with a graham cracker cabin. A fishing pier and anchored fishing boat completed the theme. The cake was made especially for the bride and groom by a family friend, Christi Roberts. A separate table covered in navy lace held the silver punch bowl and coffee service. The memory table featured pictures of the bride, groom and wedding party at various ages of their lives. The table also held a handpainted porcelain bride doll created by Ruby Collingsworth, grandmother of the bride. She also decorated fishing hats for the bride couple to wear on their honeymoon. Guest tables were decorated with navy tablecloths and white tulle. Crystal candleholders held navy tapers. A special gift box from the bride and groom marked each guests' place. The house party included Michelle Hays of Perryton, Rene Ward of San Angelo, Cyndi Riggs of Ft. Worth, DeeDee Smith of Panhandle, Jana Smith of Lewisville and Malissa Collingsworth of Amarillo. The wedding and reception coordinators were Gayle Henderson and Cynthia Andrea.

**WEDDING TRIP**

The fishing theme was again carried out as the couple was chauffeured from the church in an open jeep wrangler decorated with fishing poles, trolling motor, picnic basket, and other miscellaneous fishing items. Eddie Jr. and Letain Pannell came by and visited a little and introduced themselves. We'd like to meet you two.

The Fort Elliot Seniors got back early hours of Saturday from their trip to the Bahamas. They reported a fun time. Donnie Barr went (not Donnie

Bell.) They had some plane delays.

Getting together at the Ed and Laurel Hershman home in Wheeler Saturday were Emmet Singleton, Susan (Singleton) and Denis Hawkins, Gayle and Helen Singleton, Maralee Singleton, Andy and Lisa Singleton and Phillip from Lubbock, Randy and Kithi Singleton from Dallas and Willi Fillingim for the Singleton reunion. They ate lunch and supper at the Hershman's. They went out to Willa's in the afternoon to see the animals, etc. Also with the group were Charles and LaJo Crownover and Terri and Londa. Everyone brought food. Also there were Sarita Dawson and Micaela from Amarillo.

Weekend visitors to Ray and Pat Hudson were Cheryl Frayley and Steven John and Cindy Sweet and Patrick from Amarillo. Nice to have them all out to church at Gageby Sunday.

Nice to have J. P. and Martha Meek eat lunch Sunday at Wheeler Dairy Queen with us. Some others there were Marion Grimes, Kathy Krulik and Azriel and Josiah, Alvern Hutchison, with Elva Wood, Gary and Linda Hall, Hector and Kathy Badillo with Hector Hank and Buddy and Kevin Mercer, Blake and Shayla Horton with an aunt.

Kathy Krulik and boys were back from a trip by plane to New York City to see the sights. Azriel Krulik was born in New York City.

Ruth Irvine and Evalyn Free were getting back from their trip to Alaska Monday night.

You Might like to try Nadine Reynolds Hamburger Dip:

- 1 1/2 lbs. hamburger meat
- 1 onion chopped
- 1 1/2 stalks celery chopped
- 2 cans chicken or mushroom soup
- 1 can green chilies, cubed pepper, to taste
- 2 cans pinto beans, drained.

Cook and stir meat till done. Drain grease. Add onion and celery and saute. Add other ingredients and simmer and stir till heated through good. Good with chips or vegetable dip-pers, lettuce, etc. Will keep a week in refrigerator. A nice supper dish. May not need salt.

There was a real good singing Sunday night at Allison Baptist

Church. Some singing were Celeste and Vanessa Huff, Marion Grimes (with guitar and Rosalie Keelin playing the piano), Paul and Audrey Mathis from Hobbs, New Mexico, Judi Cornell, Martha Meek with Evelyn Meek and Doris Finsterwald, Crystal Dean from Nashville, Tennessee, Andy Finsterwald, Melanie Mathis and Nadine Lane. Piano solo by Rosalie.

There were readings by Helen Crawford and Judi Cornell. Harmonica by Willis Fillingim.

Some others there from Mobeetie Church were Bob and Mary Nell Finsterwald and April, Chris Mick, Orville Greenhouse, Doyle and Bulah Grimes, Glenn D. and Estell Hodges. From Gageby Church Aaron and Claudetta Laverty, Willis and Verna Fillingim, Evelyn and Martha Meek. From Amarillo Bob and Cindy Fulgham. From Briscoe Lois Hudson, Lou Dean Douthit and Rosalie Keelin. A delicious supper was served following the singing.

Next singing will July, 5 at Gageby Church at 6:00 p.m. with Evelyn Meek in charge.

Andrea (Dukes) Aldridge works at Bank One in Amarillo. Deidre (Dukes) Harris works at Northwest Texas Hospital. Someone wanted to know.

Nice to meet Judy Goldston and Vickee, 5, and J. W., 2, at singing. Think they bought Maybell Childress' house in Allison and moved there recently.

Keep praying for Bertha Hollis. The shoulder she hurt is pretty painful. Will go back to the doctor this week. May get to start therapy on it soon so won't freeze the joint. Leonard has been having to dress her and do cooking and housework. Pray for him, too.

Nice to have a call from Cornelia Lehman (Willi's Sister) in Minnesota. She and granddaughter Amber, 14, and planning to fly in to Amarillo Tuesday June 23 at 4:00 p.m. to be here for the Fillingim Reunion on the weekend. Wants to get a little extra visiting and have the trip behind her. We are looking forward to seeing everyone. Pray for safe travel for everyone.

Dorothy and Bulldog Walker were pleasantly surprised to have a visit Tuesday May 26 from Stina Cain

and his sister Georgia (Cain) Warrick from Fresno, California. Stina lives at Clarendon. The Cains attended Briscoe School and lived where Colie and Vetola Parker lived. Georgia was in our class of 1938 and went to State in Basketball in 1936. At State she was chosen the most beautiful girl there. She had beautiful blond, curly hair and was friendly to all. Georgia and Stina had been to a family reunion on their mothers side at Wichita Falls, Texas. They had also visited a brother, Brulo Cain at Miami, Texas and cousin there, Toots and Lazelle South. Hi, Georgia, would love to see you. She still takes the Wheeler Times after 60 years and enjoys it.

Thanks Lois Flowers for reminding us about the second income tax estimate. I'd forgotten to write it on my calendar.

Donald Hill preached at Briscoe Community Church Sunday. Rosalie Keelin played the piano. After church Rosalie went to Wheeler and ate lunch with Gene and Norma Keelin and family. Also visiting at Gene's was Joe Brown, a step cousin and good friend.

Rosalie enjoyed a call from cousin Estelle Surber at Shamrock. Estelle's mom, Della was a sister to Rosalie's dad, Marvin Bradstreet. Estelle's husband, Dennis, was a preacher and a mail carrier in this area. They are not in good health. Pray for Estelle and Dennis and Estelle's sister, Doris Candall. Estelle's dad was Ott Clay.

Nice to see T. J. Cole grocery shopping at Thriftway. Think we were in Wheeler 5th grade together a few years ago.

Rosalie Keelin had a call from Bernice (Joiner) Balusek from Kilgore Monday. Bernice and daughter, Mary Ann were visiting Oneita and Carl Pierce at Cheyenne and wanted Rosalie to come over and visit with them. Bernice was one of Rosalie's favorite childhood friends, and is a sister to Tom Joiner, who wrote the book about the Kelton area in early days. They had such a good visit. It had been many years since they had seen each other.

Pray for Sammie Atherton. She is back in Wheeler Hospital. Also Jane and Monroe Seitz there.

"God be with you till we meet again."

**Wheeler and Hall Counties To Receive Road Work**

Ballou Construction Company of Salina, Kansas announced their schedule for completing micro-surfacing project in Wheeler and Hall counties in a pre-construction conference held on May 28 to discuss construction practices, schedules and traffic safety, according to Roy Wright, Texas Department of Transportation (TxDOT) area engineer in Wellington who will oversee the construction. Wright said, "the contractor was selected through a competitive bidding process last February for the two projects which are designed to enhance pavement performance and increase safety."

The project in Wheeler County will be on US 83 from near the north city limits of Wheeler southerly through the city to near the North Fork of the Red River. The project in Wheeler will also include a small amount of work on SH 152 at the courthouse. The Wheeler county project will begin on June 12 and should be completed on June 29. During construction travel on US 83 will be restricted to one lane for short periods of time, the contractor has submitted plans for the use of a pilot vehicle to guide traffic through the work zone during working hours. After working hours, all lanes of traffic will be open each evening. According to Wright, micro-surfacing is a unique mixture of aggregate, asphalt, water, cement and setting agents and is ready for traffic shortly after application. Wright expects an improved riding surface on US 83 with much better wet weather skid resistance and stopping ability for traffic.

The Hall County portion of the project will be on the outside travel lane of the north bound lanes of US 287 just south of the city of Memphis. The Hall county project is 6.2 miles in length and is designed to address the rutting observed in that area. Traffic control on this section of US 287 will consist of merely a lane reduction to one north bound lane of

travel for daylight hours. Wright expects minimal interference with travel on US 287. The Hall county project will begin on June 29 and should be completed by July 8. Ballou Construction Company does not expect to work on the busy 4th of July weekend.

The cost of the two projects is \$515,831.94, which was 14.79% under TxDOT's estimate. There were four bidders on these projects.

Anyone with questions about this or any other TxDOT project is asked to call Barbara Seal, Public Information Officer, in the Childress District Office at 940-937-7145, or Roy Wright at (806) 447-5137.

**831 Miles Of Tex. Roads Planned To Be Widened**

Eight hundred thirty-one miles of rural highway in Texas will be widened to four lane divided as part of a plan approved today by the Texas Transportation Commission.

The highways to be widened are included in 11 corridors that were selected by transportation commissioners at their monthly meeting in Austin.

The corridors are part of the Texas Trunk System, which was first approved by commissioners in 1990. The 10,500-mile trunk system is a planned four-lane, divided highway system that includes and complements the Interstate highway system.

About 3,900 miles of the trunk system still needs to be expanded from two lanes to four lanes. The state plans to spend \$130 million a year upgrading roads on the trunk system. It will take about 8 to 10 years to complete improvements to the 831 miles approved today as Priority One corridors by the transportation commission.

**From The Minister's Desk:**

Abraham Lincoln, the sixteenth President of the United States, was assassinated at Ford's Theatre in Washington D. C. on April 14, 1865. After several stately ceremonies in a dozen cities, President Lincoln was buried in Oak Ridge Cemetery in Springfield, Illinois on May 4, 1865.

But since his burial, the body of President Lincoln has been moved sixteen times. Twice his coffin was opened--in April of 1887 and in September of 1901--and his body viewed by witnesses who had personally known the President. Finally the coffin was permanently buried in steel and concrete beneath the floor of the Lincoln Memorial in Springfield, Illinois where it rests today.

Why was it necessary for the body of the assassinated President to be moved sixteen times? And why was his coffin opened twice and viewed by witnesses who had known him?

The explanation is relatively simple. Persistent rumors had convinced many Americans that the President's body was not in his coffin. For this reason, the coffin was opened so these rumors could be permanently laid to rest---along with the President's body.

Think of the pain and unhappiness that these rumors caused the family of President Lincoln.

**An Invitation:** You are cordially invited to attend any of the weekly services of the Wheeler Church of Christ which meets at 1001 S. Alan Bean Blvd, in Wheeler, Texas

But this is always the result of rumors. Lacking authoritative facts, information is loosely disseminated, causing pain, harm, and sorrow. These rumors and their destructive results are usually insinuated by people who preface their remarks with "they say" or "I heard".

One of the great principles of Rotary International and Christianity is contained in a question. This question is: "Is it true?" The Apostle Paul wrote:--Laying aside falsehood, speak truth, each one of you, with his neighbor, for we are members of one another. "(Ephesians 4:25) Christians should always be truthful in the words that they speak or repeat.

Satan never ceases in his efforts to ensnare people and one of his best weapons is to weaken their relationship with other people through careless rumors. His diabolical purpose is served when people repeat without verification some "facts" about people.

If rumors can be responsible for disturbing the body of an assassinated President, they can also be responsible for destroying relationships between people.
