"Wheeler, town of friendship and pride."

**CWE CHAT WITH EDITOR**  
By Louis C. Stas

**Congratulations, Katie Shipp and Sabrina Chupp.** These young ladies will be representing our local area in the state vocal competition in May.

—cwe—  
Looks like the fruit crop has been lost, or most of it, following the freeze over the weekend. But that is not unusual for us.

—cwe—  
The month of March is looking pretty good, moisture wise. The 0.67 inches received over the weekend goes nicely with the 0.73 received earlier.

—cwe—  
The Wheeler County Sheriff's Department probably thought I was crazy when I called Sunday to check on the road conditions.

—cwe—  
We had gone to Oklahoma early Friday and witnessed a rainfall of approximately 2". Saturday it snowed off and on all day with no accumulation until Saturday night. Sunday morning the roads were iced over and dangerous; roads in the north central part of the state were closed.

—cwe—  
We returned Sunday evening to Wheeler to what appeared to have been a nice spring day.

—cwe—  
I received a call from a Shana L. Austin in Sinton, Texas. She was calling to say she enjoyed *The Wheeler Times*, but was sure the person who subscribed would appreciate it more. Shana had never lived near Wheeler nor had any relatives near here.

—cwe—  
This name and address came to us as a change of address for Barbara Austin in New Braunfels, Texas.

—cwe—  
Several of our college students are on springbreak this week. Benny Sword called Monday afternoon to see if the card game was still on for the evening.

—cwe—  
It was good to have Benny back at the table, even though he was not on the winning team. Barbara, Jane and I won two out of three; Benny, Paul and Dwight were on the other team.

One of the most moving and memorable sights the group will visit is the Vietnam Veterans Memorial and Arlington National Cemetery. Students will witness the "Chang of the Guard" ceremony at the Tomb of the Unknown Soldier.

Students will also visit the Smithsonian, the world's largest museum complex. These museums are the Museum of Natural History, Air and Space Museum, American History Museum, and the National Gallery of Art.

Sure been pretty weather but they are saying Winter will be back this weekend. We had some snow and .6 inch of rain Sunday night. Cousin Mary Ann Harding took the credit for the rain because she washed her car. Told her she should have done it a year ago.

I called my brother, Frank, at Little Rock to see how they came out in the storms. He said it was all around them but no damage. They spent over an hour in the basement for safety.

We did pretty well company wise this week. Clifford and Helen Jones, Elk City, came Friday. Our nephew and wife, John and Martha Haag of Pampa came Saturday and brought lunch. Then John stayed with Joe while Martha and I went grocery shopping.

Joe Dale and Esther came Sunday afternoon for a few days. We sure were glad to see them. They live in San Antonio and were on Spring break. He even got my sweeper to working and did two rooms to show me.

They took us to town to catch up on things and even treated us to lunch. Did Joe a world of good to get out a little. Joe Dale got me a 100 lbs. of Maize for the birds. We all enjoyed the different birds at the feeder. The kids even saw a couple of deer in the front yard.

I've had several long distance calls to see if we were ill since there was no news. I'm sorry about it. I mailed on Friday so no telling where it got off the Pony Express.

Ollie Anderson and Norma Zellmer spent Wednesday at Pampa with Shirley and Arnel Lee Bryan. Shirley (Ollie's niece) is very ill. Charles and Lnette Bryan, Edmond, took Edmond and Eileen Logan home with them Wednesday. Ed saw his doctor in OKC. They brought the Logans back Saturday. Ed is feeling some

better. The Baptist Church had the Men's Breakfast Saturday morning with a good attendance.

See that Les Pratt, OK Chriatian, was named to the SAC All Conference Second Team. He's a Reydon graduate and went to Sweetwater once.

Had a nice call from Frances Hefley, over Texas way. She wanted to know about the Frances Meadows in my news, as that was her maiden name. I gave her a phone number.

Ray and Doris Smith have both been ill. Leonard was out from Clinton to check on them.

I got out the other night and thought I saw the planets that have been on

the news. Harold Bollen is improving at the Elk Hospital. Friday, his sister-in-law, Virginia Little, from El Reno came to see him. Mary and Mary Ann had a nice reunion with her too.

Eva and Elbert Atkinson went to OKC Monday. She got a good report from her doctor. Marshall carried the mail.

Talked to brother Paul. He has been under the weather and had to miss church two Sundays. He was very happy about a reunion of some of his army buddies of 1953 at the Cherokee Restaurant last week.

Kathy Blount is retiring as vice-president and cashier at the Erick First American Bank after 21 years.

Joyce Sutton has been promoted to Vice president and cashier.

Mv Jonauils. flowering quince and fruit trees are just beautiful. We are hoping the fruit can make. Mama always thought everything was safe after Good Friday. That is three weeks away.

Mike Blevins has been elected to a three year term on the Conservation Board of the North Fork of the Red River District of Oklahoma.

Birthdays folks are Karen Gracey, Jimmy Elam, Mollie Carlson, Mildred Allen, Viki Fowler, Andy Davis, Nathan Dunlap, Amber Anderson, Meloney Wilcox, Ray Stucker, Charles Hagerman. Anniversaries are Mr. and Mrs. Charles Baker, Mr. and Mrs. James Keathley. Happiness to all.

**Mobeetie Vol. Fire Dept. Meeting**

The Mobeetie Volunteer Fire Department met March 9, 1999 for their monthly meeting with Fire Chief James Gatlin in charge. Judge Bob Gober and Wallace Forest of Canadian met with the group and discussed ideas on fixing up the new truck. They shared the plans they used to fix the truck they received from the Forest Service.

Sallie Adcock read the minutes from the last meeting. Motion by Geniva Hogan to accept the minutes as read. Bill Ridgway seconded the motion. Motion carried.

Bill Ridgway gave the financial report. Tim Adcock made a motion to accept the report. Rob Hogan seconded the motion. Motion carried. Old business was a report that the new bunker gear, pagers, and the truck were in. The truck was obtained from the Forest Service. The truck is a 1969, 5 ton Kaiser flatbed 6 X 6. The Fire Department has 6 months to get the truck in working order. They discussed how to get the finance to fix the truck. They will have to put a cab on and tanks, pumps and other equipment. Rob Hogan is working on a grant. They think they have a cab located for the truck. Anyone wanting to donate to this project can contact any of the members or send the donation to the First State Bank to be deposited in the Fire Department account. The donation will be tax deductible.

Under the new business was the storm watcher workshop. Geniva is to get it set up. Celanese donated a computer to the fire department. It will have to be programmed. James thinks he has a program to be donated to go with the computer.

Those attending the meeting were guest Bob Gober and Wallace Forest of Canadian, Randy and Lindsey Orth of Midland, and Jayton Childress. Members present were Rob and Geniva Hogan, Tim and Sallie Adcock, Bill and Virginia Ridgway, Dale and Melba Corcoran, Doug Corse, Calvin Kincannon and James Gatlin. The date for the Storm Spotter Training has been set for April 20, at 7 P. M. at the fire department. All persons interested in learning and to gain credit in Severe Storm Spotting should attend. This would help increase the awareness for the citizens of the area.

**A variety of homestead exemptions could lower your property taxes!**

A homestead exemption lowers the property taxes on your home by lowering its taxable value. If your home is valued at \$50,000 and you receive a \$15,000 homestead exemption, your home will be taxed as if it were worth \$35,000.

**Who qualifies for an exemption?**  
Anyone who owned a home on January 1st (and used it as their primary residence on that date) is entitled to a \$15,000 homestead exemption to lower their school taxes this year...and it doesn't matter if your home is a house, condominium, or mobile home. (Counties, cities, and special taxing districts may also offer homestead exemptions.)

**Are other exemptions available?**  
If you're disabled—or if you're 65 years old or older—you are entitled to an additional \$10,000 school tax exemption on your home. And if you qualify for the over-65 exemption, you're also entitled to a permanent, locked-in "ceiling" on the school property taxes on your home. (The ceiling does not apply to county or city property taxes, and those entities may offer other exemptions.) The over-65 homeowner's exemptions and school tax ceiling transfers to the surviving spouse, if the spouse is 55 years of age or older at the time of death and lives in and owns the home. Over-65 homeowners also may transfer the percentage of school tax paid, based on their former home's over-65 school tax ceiling, to a new home.

**Do I have to apply each year?**  
No. If you had a homestead exemption on your home in 1998, you won't need to reapply for 1999 unless your chief appraiser requires it. However, if you haven't received an exemption on your present home—or if you've moved to a new home—you'll need to file for an exemption for 1999. If you are 65 this year, you may file for the over-65 exemption up to one year after the date you turned 65. And if you became disabled during 1998, you need to file for the disabled person's exemption.

**When and where should I file?**  
File applications by April 30 at your appraisal district office. If you need more time, contact us at THE COURTHOUSE SQUARE

played 42 at Edna's.  
Monday, Lou Dean Douthit and Debbie Kinnaman went to Amarillo for Debbie's check-up. She got a good report, but keep praying for Debbie. They ate at Furr's near I-40 and shopped some at different places, and had a nice day visiting.  
Pray for Clayton Brownfield. He got a large tattoo on a leg and the leg got real inflamed and sores on it. But Clayton came on out Monday to E. G.'s to help with him. He can get E. G. out of the bed and into a chair to sit up awhile. Keep praying for E. G. and

Willa. They have been enjoying visits from Terri and Lacy Crowover and Charles and Lajo Crowover. Lois Meadows came Monday and brought a delicious Angel Food Cake and Bierox and visited awhile.  
Visiting Olaf Siviage, Mrs. Audie Siviage and Gaye Hale a few days are Larry and Sue Snider and Zachary from Houston and Elizabeth and Sarah Hale from Canyon, who are on Spring Break. David Hale had to work. There is a rumor that David and Heather Bacon plan to marry. Best Wishes! Fine young people.

Visiting Zeland and Charlene Rainey Sunday night were Virginia Puryear and Lou Dean Douthit. They played Canasta and had refreshments and visited.  
Nice to visit with David and Linda Gilmer at Dairy Queen. Their mechanic shop north of Wheeler is doing well. They stay busy.  
Two years ago, Laura Meadows hurt her eye. A tennis ball hit her eye very hard and impaired her vision; her retina was detached. Many trips to doctors and tests had not helped much. She had had oil in her eye for some time. Finally Friday, the oil was removed at Amarillo and cataract and scar tissue was removed about midnight (with nothing to eat or drink all day). Praise the Lord! The retina had reattached. The doctor thinks she will be o.k. We are so thankful! Keep praying for Laura. She is the daughter of Eddie and Leta Meadows and granddaughter of Lois. She was only watching at the time of the accident, not playing.

Also there were Richard and Bonnie Meadows with Ben and Tonia Meadows and Bailey from Canyon, Reagan Meadows and David and Phyllis Hefley. Also there Jimmy and Tammy Maddox and Jennifer and Amber, Jean and Cecil Meadows. Earlier we visited Vea Fillingim and Pauline Hefley.

 Were pierced for me on Calvary,  
 And here and now, to Him I bring  
 My hands, feet, heart, an offering."  
 Thank you, Jesus!

Friday we went to Lela to Jones Honey Place to get a supply of honey. They have lots and it is good. It is cheaper by the gallon in half-gallon jugs. I empty it into quart jars so easier to melt up when it gets sugary in time. Enjoyed visiting with them. They have hives in orchards in Wheeler and other places. The bees help to pollinate the fruit blossoms to produce more. Honey is also good for allergies. Jones Honey is for sale at Thriftway cheaper than other brands. One allergy doctor used to say that honey produced close would be beneficial to use some every day. Willis uses it in cooked cereals. I make a drink with honey and vinegar and salt in a cup of hot water that seems to help my throat, even after it cools. Sometimes I use it in baking and homemade catsup. To get to Jones Honey, go to Lela and take the overpass to south service road and go west to a bee on a mail box.

Nice to visit with Mike Wash at Wheeler Dairy Queen. He lives at Reydon and still works for K Energy or whatever it is called since it was bought by someone else. Sherry works for vet at Reydon. Katrina works for vet at Goodwell or Guymon and goes to college. Sam is a senior at Reydon.

If God Should Go on Strike  
 "How good it is that God above,  
 has never gone on strike  
 because he was not treated fair  
 in things he didn't like.  
 If only once He'd given up and said  
 That's it! I'm through! I've  
 had enough of those on earth,  
 so this is what I'll do:  
 I'll give my order to the sun,  
 cut off the heat supply!  
 To the moon, give no more light  
 and run the oceans dry!  
 Then just to make things really  
 tough and put the pressure on—  
 Turn off the vital oxygen till  
 every breath is gone!  
 You know He would be justified,  
 If fairness was the game.  
 For no one has been more abused  
 Or met with more disdain,  
 Than God, and yet he carries on,  
 Supplying you and me with all  
 the favors of His grace, and  
 Everything for free."

Nice to have Sue Ratliff join us for supper at Canadian Pizza Hut Tuesday night. She was our near neighbor for so many years, and her family. We like to go on Tuesday nights to Pizza Hut, because of the buffet. But it is also Kids night with a big crowd there. Very good.

## Haygoods Chosen Ag Family of the Year

Top O' Texas CattleWomen chose the Haygood family of Canadian as their 1999 Ag Family of the Year. The Haygoods have a well established pure bred Hereford operation with a production sale held on the ranch in October.

Indian Mound Ranch, owned by Wayne and Gayle Haygood and managed the last few years by their son Lee, was built on a family tradition. Gayle's grandfather, Ed George, originally settled on the ranch's home section in 1887. His son (and Gayle's father), Lee George, followed in his footsteps, building the ranch by leasing surrounding land.

Even while they lived in Indiana where Wayne was managing Indian Mound Farm, Wayne and Gayle started buying land around Gayle's father's place over several years. In 1973 they began running commercial Herefords on it, and in 1981, when they moved back to Texas, they brought young registered Herefords with them.

While in Indiana, Wayne was president of the American Hereford Association, and after they moved to Texas he served as Texas Hereford Association president. Gayle is a long-time member of Top O' Texas CattleWomen.

In 1991, Wayne was stricken with multiple myeloma and underwent a bone marrow transplant. Following the transplant, he contracted spinal

meningitis and remained hospitalized in Amarillo for over six months.

Lee, who was working for the American Hereford Association in Kansas City at that time, decided to move home and run the ranch. Today he is the new president of the Texas Hereford Association and very active in Texas and Southwestern Cattle Raisers Association.

For six years Wayne lived in the nursing home in Canadian until he began a miraculous recovery in 1998. Although still unable to be active on the ranch, he is again living at home, and loves going out to see the cattle.

During Wayne's illness, the bills racked up. Gayle turned her hobby of sewing into a home business—Canadian River Originals, a unique collection of customized denim and other Southwestern clothing. Also, Gayle keeps all the financial records and pays the bills for the ranch (although Lee handles the cattle records).

The Haygood's daughter, Leslie, is married to another rancher-farmer, Tim Osborn. They live in Tuttle, Oklahoma, with their children Will and Katie. Their daughter, Mary, lives in Amarillo and works for PageMart.

Building on the family tradition, Lee, like his father Wayne, loves breeding good cattle, matching pedigrees, studying needs, creating breeding programs, and seeing the resulting good calves.
