# Times, Texan Offer County-wide Advertising

By Louis C. Stas It certainly sounded strange Wednesday morning to step outside

and hear the frogs croaking as a few sprinkles of rain continued to fall. -cwe-The amount measured Wednes-

day morning was a pleasant surprise-1.87 inches.

Yes, I said rain. I should have washed the Silhouette a long time

Wheeler's official measurement Monday morning was 0.14 inches. Up to a half inch was reported in the Mobeetie area.

We had a shower on Monday, which is supposed to mean it will rain two more days in that week. It sprinkled Tuesday morning and rained through the night and into Wednesday morn-

The total rainfall for July was 0.87

Remember, the meeting scheduled for tonight, concerning the work on the courthouse has been postponed until next Thursday.

**Reach The Largest Number of Citizens** 

The Wheeler Times and the Shamrock Texan have for the past several years offered our advertisers the opportunity to advertise in either or both publications. The joined advertisement offers the best subscription coverage available in the county

This does not mean the publications are joined. We will both continue to publish separately, offering the news and pictures pertaining to our individual areas.

The Wheeler Times has not sold. One county advertiser misunderstood or was misinformed of this fact. The editor and publisher of the Times for the past 36 years has been Louis C. Stas. The Times is in its 66th year of publication.

For the past 10 years Kip Peace has been the editor and publisher of The Shamrock Texan. The Texan has been serving its subscribers for the past 96 years.

The needs of our subscribers and advertisers are of upmost importance to both publications and we are willing to work with either or both to meet these needs.

**CURB SERVICE** 

Yes, we even offer curb service. We have customers who find it difficult to navigate the steps in front of the Times office. They either just drive up and honk or call in advance and let us know they are on the way. We do not mind.

If county-wide advertising is your desire, please feel free to contact either the Times or the Texan. Contact either Louis at 826-3123 or Kip at 256-2131 if you have any questions.

next flight. But she had no way to get word to Gaye. They were overbooked. It was so good to see Vikki. She had lost weight and looked so beautiful, but the same sweet Vikki. She will be able to stay at home and drive 5 miles to college in England. She wants to be a lawyer. Best wishes

Vikki. Hurry back! Twice in July, Ruth Irvine had been kind enough to go to Willa Fillngim's and air up a flat tire so Willa could drive it to get the tire fixed. Willa's air compressor got too much dirt in it so wouldn't pump air Saturday. Ed and Laurel and Micaela came and helped Gayle load up the compressor so could take it to Amarillo to be fixed. Willa appreciates their helpfulness so much.

There was a good singing at Mobeetie Baptist Church Sunday night. Aaron Laverty was M.C.; Paul Hathaway gave a great rendition of the auction of the old violin; singing were Martha Meek with Evelyn Meek and Doris Finsterwald, Carolan Aycock, Marion Grimes with Doris Finsterwald playing, Rosalie Keelin playing and singing, Mobeetie group: Dale and Melba Corcoran, Carolan, Marion and Doris, readings by Aaron, Melba, Willa. Harmonica by Willis and Martha. Delicious food and good fellowship. From Allison were Edna May and Homer Sanders. From Wheeler, Betty Howard and Marie Baker. All visitors welcome. Next time, Sept. 5, singing will be at Allison at 6:00.

Weekend visitors to Lou Dean Douthit were granddaughters Stephanie and Mark Bowman, Kim Bradsaw and Megan Edmunds from Arlington. Stephanie and Kim are Sherry's daughters. Others visiting Saturday were Debbie and Bob Kinnaman and Kirbie and Zane.

Nice to have Laurel and Ed Hershman and granddaughter, Micaela, join us for supper Saturday night at Maxeys to celebrate Laurel's 57th birthday. Isn't she pretty and peppy for 57? They planned to take Micaela home Sunday and eat at the Big Texan. You get a free birthday meal by showing your driver's license and proof of brithday. They also planned to go to the Museum at Canyon. Micaela stayed a week or more.

Also at Maxeys was a four generation girl party. Mary Drieling from Kingman, Kan., and her daughter, Sue Chandler, Sue's daughters, Jana Chandler and Bridget Weatherly and

Audra (a real cutie). Also at Maxeys Saturday night were Homer Sanders and Edna May, Roy and Marki Laughlin, Dean and Shannon Meadows and Megan and Michella from Canadian. Lee and Sharon Hall with Mike and Teresa Dyer and Danette Weller and husband, Ron, and baby Zachary. Also Linda and Gary Hall, B. F. and Margie Meadows and Lois Hudson and many more. Also Worth and May B. Shields (Mack Shield's uncle and aunt) from Samnorwood and Joyce Perkins and her mom, Elsie Hughes.

Nice to see Rob and Geniva Hogan with Chuck and Louise Hogan and the Robert Shugarts eating at Maxey's Thursday night. Rob and Geniva had finished their finals and were off for a while from college at Stillwater.

Weekend visitors to Willa Fillingim were Gayle and Helen Singleton and Maralee Singleton. Other Saturday lunch guests were Ed and Laurel Hershman and Micaela. Willa thinks E. G. is some better and more responsive. Keep praying for him.

-by Katie Sandell, Capers Some playing in the street Basket-ball at Amarillo Saturday, July 24, were John and Kevin Shields with Brandon Dukes and Lindsey Fillingim with Keri Grayson Dukes and Amanda Shields, Nikki Scott with Angela Jolly.

Some there to watch in spite of the heat were Mack and Patty Ann Shields, Rita Pearson, Amy Huff and Andrew, Heather Shields, Julie Shields and Madison.

Ft. Elliott Junor High cheerleaders and moms washing cars at Briscoe Saturday were Jessica and Tammy Puryear, Crystal and Lori Selby, Shantell and Jona Meek and Tamara and Wanda Hefley. They did a good job inside and out. Thanks! They made a lot of money to help with cheerleading activities. They appreciate each one who brought their car for them to wash. Dads and brothers helped also. Think they did about 38

Don and Helen Logan from Amarillo visited Willa Fillingim recently and brought a small pot-bellied pig. Don had found the pig running down an alley, chased by dogs. The pig enjoys playing with a 4 months old Great Pyrenees (mispelled) puppy. Willa wishes she had a movie camera. The Logans also brought 2 ducks, 10 grown chickens and 8 young poults.

In Amarillo, Chris Mick is working at American Eagle Men's Clothing Store and doing well. Second week he was top salesman. Keep praying for our youth as they make their way in the world.

Shantell Meek spent Saturday night with Tamara Hefley.

Pray for Monroe Reynolds. He has more cancer problems

Travis Eudey enjoyed his week with Tammy and Jimmy Maddox and girls. Saturday Jimmy, Tammy and Amber took Travis to Wichita Falls and met Steve and Bertie Eudey and Trent.

Nice to have a letter from Barbara Austin. She had gone with a group of 80 people into Mexico to Huerta Maranata, Montezuma, for a week of medical missions, helping where she could. I'll never know how she has the energy to do all she does at 74 (?). She translated some and they took donations of clothes and other things to help the people, including medi-

Ken Criswell and Lindsey Fillingim came Friday to stay till Sunday with Rita and Dave Pearson. Nice to have them meet us for lunch at Maxeys Saturday and a good visit. They planned to go fishing if it cooled off

Jeannette Jahnel's baby is supposed to be on grandpa Verneal Prater's birthday, August 30, by C-Section. Good luck!

Earl and Herme Dodd spent a week with Mary Margaret Dodd. On July 24, they went to Lubbock to Jacque and John D. Foreman's to celebrate Mary's 80th birthday. A little early. Mary enjoyed having all her family together. Others there were Sharee and Gary Nieder and Evaine, Graham and Micah from Yellowsprings, Ohio, Lisa and Paul Bentley and Jessica and Ashley from Amarillo, Joel and Laura Dodd and Branden and Brandi from North Richland Hills, C. G. and Rosemary Dodd and Diane and Jack Cody from Graham.

While Earl and Herme Dodd were here, Mary Margaret went to Amarillo with them. They visited Karen (Barker) and husband and saw Lucille Barker and Tracy Hays. They also enjoyed going to see "Texas" at Palo Duro

Willis loaded up nine calves and a

cow in the trailer and we headed out in "Old Blue", 1985 Chevy Pickup, to go to Shamrock to the Auction Sale Wednesday. That pickup has been around the block a time or two and is battered and paint not too good and has many dents and scrapes and no air conditioner. But it runs and pulls good. We were nearly to Shamrock when a tire on the trailer got pretty flat, but with a load of calves, what can you do? We went on and were able to unload the calves and make it to C&H for a new tire and other tires aired up. The morning was still young, but heating up. We hurried back home and got the other eight calves and got back to Shamrock and unloaded them. Then to Wheeler Dairy Queen for lunch about 11:05.

Several relatives were enjoying eating together at Maxeys Tuesday night and included Evelyn Meek, Kathy Meek, John C. and Rosemary Vise, Mary Margaret Dodd, C. G. Dodd, Cecil Francis from Pampa and Earl and Herme Dodd from Las Vegas, Nevada.

We enjopyed going to Wheeler Senior Citizens Monday night with two tables 88, one of canasta and one of 42. We welcomed new members, Inez Wright. "The more the merrier." Happy Birthday to Vea Fillingim, Inez Wright, Mary Margaret Dodd and Willis Fillingim, who have August birthdays. There will be no Senior Citizens in September because of Labor Day. It was a fun get together with 21 there.

After cheerleading camp at Briscoe Friday, Ft. Elliott High School cheerleaders enjoyed supper together at Maxeys and included Jackie Dukes, Casey Zybach, Stepanie Baker, Marlena Helton and sponsor, Jane Dukes and Pat Childress and Amanda.

Friday night, we enjoyed eating supper at Maxeys with Leonard and Bertha Hollis. Then we went out to their house and played 42 and had a good visit, Thanks.

Had a good visit with Daphne (Mrs. Charlie Sullivan) at Pampa Pool Friday. She is so peppy in spite of not being able to walk except in water. She really gets around in the pool. Charlie helps her get around and undressed and in the pool. Jon Sullivan of Wheeler is their son. Grandson Matt works at Thriftway in Wheeler.

Thanks, Olaf, for the delicious corn. Very good!

Forget the Kennedy, Curs, Myth. The Kennedys are careless. Joe had years of flying I'm sure John Jr., knew he should not fly at night.

Doctors, preachers and lawyers are Godfather Joseph Kennedy was the wise one when he urged us not to interfere as Russia tucked small countries under their wing. He said they would act as a millstone around our neck. We didn't beat Russia, they went broke from the millstones. As a Combat Veteran of WWII I

was terribly upset when Harry Truman intervened in Korea; they destroyed us. After France had been mutilated by Viet Nam, Eisenhower had the gall to send men to look around. They whipped us thoroughly. These two above actions sacrificed the precious lives of 100,000 American boys and destroyed millions more. WILL WE **NEVER LEARN?** 

In the past 10 years, our presidents have thrust us into 12 military interventions. The 10 years before there were only two. The most shocking thing to me recently concerning Clinton's trying to help Africa with peace was my TV showing the damn savaged dragging the torso of a helicopter crewman for sport. Please help me try to do something. Let's insist that those who want our vote save lives by minding our own business. Tell Draft Dodger Clinton this over and over. Let's fight against the reelection of an official that will not stop most armed interventions.

This notice concerns 1999 property tax rates for WHEELER CO. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

We will have no meeting in Sep-

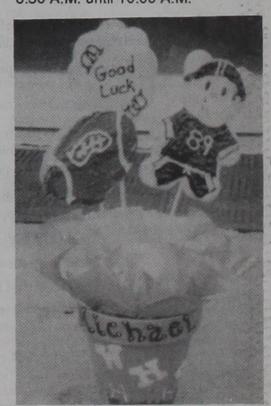

Kindergarten (from Page 1) from 15 to 30 minutes; some of the information required (for example, the

date of the last dental exam or the phone number of your preferred hospital) is generally kept with other personal records at home or may even require a call to your family doctor.

The parent must provide copies (not originals) of the following to be placed in the child's school folder: official birth certificate (state copy not hospital copy), immunization records (authorized by doctor or official clinic), & social security card. If you do not have these documents, please order them now!

Because of the time factor, coupled with the usual, unavoidable registration "Traffic Jam" of waiting in line to complete the enrollment process, school personnel believed some parents might prefer the option of completing these documents in the quiet and privacy of their own homes. Parents who prefer to wait until registration day are welcome to do so.

Kindergarten registration will be in the school cafeteria and has been changed to Friday August 13, from 8:30 A.M. until 10:00 A.M.

FOR ANY OCCASSION: Wheeler's latest business is Cookez Bouquets, a creation of Sibyl Clark. The bouquet consists of a number of decorated cookies on a stick arranged in a personalized, decorated flower pot. Shown here is an example of the bouquets presented to a number of the Wheeler Mustangs. Bouquets can be ordered and delivered for any occasion. Simply call 826-1107.
