By Louis C. Stas

Diplomas will be handed out this evening to thirty-nine eighth grade students. Congratulations, Graduates! We are proud of you.

Friday night, the night long awaited will arrive as high school diplomas are handed out to thirty-three 1999 Wheeler High School Seniors. Once again, Congratulations!

The Volunteer Firemen from the surrounding communities were once again called into action Wednesday evening to watch the clouds. One bad looking cloud passed between Kellerville and Wheeler.

We were lucky and only received .8 inches of rain. Mobeetie reported

We do appreciate our readers, especially those who can smile when an article and/or picture does not turn out right.

A perfect example is **Ida Mae Goad**. She brought in a birth announcement and picture of her beautiful new great-granddaughter, **Shaley Jo Goad**. We were all shocked when the papers came back Wednesday evening.

We are running a different picture this week. Thanks for giving us another chance, **Ida Mae**.

Time is rolling around for the Ex-Student, Teacher reunion set for June 12.

Locals are once again reminded to be in attendance. You are the unofficial hosts. It is very disappointing to those who travel great distances and a classmate could not drive a few blocks or miles.

We have the first signs of summer. Bible schools schedules are being announced. All denominations are welcome. The kids will enjoy being with their friends.

Nothing exciting to report of the Stas family weekend. We made our usual trip and managed to get in a game of cards.

Speaking of cards, the games Monday were in my favor; Mike, Barbara and I won the second and third games. Patsy, Bob and Dwight put up a good fight.

## CLASS OF '49 REUNION

The Wheeler High School Class of 1949 will be celebrating their 50th Anniversary at the School Ex-Student Reunion June 12, 1999. Activities that are being planned include a get-together with Lee and Pat Ragan at the Irish Inn on Friday night, June 11th, and then dinner and visiting at Maxey's Steakhouse Saturday night. The Class of '49 is expecting a good attendance at the reunion.

STATE BOUND: Katie Shipp will compete in the Texas State Solo and Ensemble Contest that takes place in Austin on May 29-31. Shipp earned the right to compete by receiving a superior rating at the district level on her vocal solo. Mr. Mitchell awarded her a special plaque to recognize her achievement.

We had another storm go thru Sunday night. Electricity was off awhile but came back on about eleven thirty. I woke up at seven and it was off again. I called it in and the REA had it back on around ten. Sure gave us a prelude of what Y2K might be.

No lights, couldn't cook, no TV or radio, no water, on and on. Just plain nothing. Some of our neighbors had damages. Gene Carlson and Chris Schmidt had building damage. We lost a tree and some limbs.

I see that they have Glo-tape on sale. You can mark things to where you can get around if the electricity becomes a thing of the past.

Had an airmail letter from Allison Atwell in Australia. A call from Joann Steen, my Minnesota penpal, and Tony in Florida after OKC blew away, making sure we were all right, and of course a lot of local calls.

We got up our nerve and went to town for pills and food. I managed to walk Joe to the car, but no such luck when we got home. Had to call Judy and Gerald Tipton to come help. They were kind enough to leave their company and lunch to come walk him in. It is wonderful to have such good neighbors.

Jada and Erick Alexander, their

grandchildren, were visiting them. This stormy weather makes us remember 65 years ago and the Hammon flood. I'm not sure how many folks drowned in it. We were at a play at the school and managed to get

home with several guests. A lot of folks were forced to spend the night in the school house. No one was hurt down this way.

Gene Kuykendall of San Antonio visited Thursday with J. E. and Clara Lou McGuire. He also spent time with his aunt, Pauline Roberts. He is here for the auction of his farm.

Ollie Anderson, Norma Zellmer, and Sandy Williams, are home from California. They had gone to see Ollie's brother, who had heart surgery. He did well.

Billie and Basil Doss, Carnegie, called to see how Joe was. Their daughter and her husband from Alabama have been visiting them.

Talked to brother, Frank, in Little Rock. John and Martha had been visiting him and Martha's mother.

See Jimmy Webb has been inducted into the Oklahoma Cowboy Hall of Fame for his singing and song writing. I think he used to live in this community. At least, his dad did. Robert has been to our house with his guitar.

**Illustrated Booklet Used Learn Septic Tank Care**

A new, free, eight page illustrated booklet entitled "The Story of Willie Bacteria, or HOW TO TAKE CARE OF YOUR SEPTIC TANK OR CESSPOOL" is now available to owners of Septic Tanks and Cesspools.

In a light vein, illustrated by cartoons, the booklet explains the workings of the septic tank and cesspool in simplified fashion. It describes the bacterial action of the disposal system and what is necessary for its proper functioning.

Chief attraction in the booklet is a humanized "Willie Bacteria", who is responsible for maintaining the efficiency of the disposal system. When the septic tank or cesspool user ignores the fact that "Willie" is working to keep the disposal system functioning properly, and saturates him with an overdose of detergents, acids, lyes, caustics and other irritants, "Willie" is very unhappy, and more often than not, just stops working. But, there is a bright side to the story too, for "Willie Bacteria" has found a way to educate the septic tank or cesspool user, so that "Willie" can do his job under modern, up-to-date working conditions, and prevent the fuss, mess, inconvenience and expense of a clogged disposal system. This booklet is produced by the FX Lab Company, Inc., 725 Lehigh Avenue, Union, NJ 07083. Copies may be obtained by request, enclosing a self-addressed stamped envelope.

There was a nice piece about Dale Dunlap in the paper. He is Collinsworth County agent and received a National Early Career Award for leadership. His parents are Peggy and Leroy at Sayre. His grandmother, Iva Thompson, lives up the hill from us. Guess he is a little kin to me. His grandfather, Raymond and I were cousins.

Chatted a few minutes in town with Bonny Taylor. Usually it is over the telephone.

**Hall Reunion Is Held May 22 at Allison School**

Those meeting at the Hall reunion at the Allison school this year were Johnnie and Nelda Dukes from Ft. Worth; Red and Anna Dukes, Allison; Charles Hall, Pampa; Curtis and Jane Ann Hall, Briscoe; Kent Hall, Briscoe; Kendal Hall & son, Wheeler; Bob and Peggy Dukes, Monty, Allison; Jack and Adeline Hammer, Panhandle; Carol Archer and Josh, Chelsea and Grant and Leslie Archer, Allison; Lester and Clydene Hall, Allison; Lee and Sharon Hall, Allison, Ernest and Ruby Wallace, Sayre; Vivian & Jim Wallace, Elk City; Tim and Debbie Jones, Allison; Agnes Hall, Pampa; George & Gayle Cordell, Guymon; Raymond and Myrtis Jones, Pampa; Gary and Linda Hall, Allison, Jim Wallace's daughters (Janet and Tina).

Lunch was catered by Steve Walker and wife from Wheeler. Harold Jones helped. Desserts were furnished by family members.

Legend has it a Roman Emperor was such a sure shot he could fire four arrows between the spread fingers of a man's hand.

In 1809, when he was 27, Captain Allardcy Barclay of Ury, Scotland, bet he could walk 1,000 miles in 1,000 hours. He did! French Impressionist Paul Cezanne was such a slow worker that he was forced to use wax fruit in his still-life painting since real fruit would often rot before he was finished.

Only one U.S. President has held a Ph.D. degree—Woodrow Wilson.

Dear Mobeetie Friends,  
Not long ago, I spent the weekend there in Mobeetie, my home town. I was reminded of what someone recently said: "It's nice to have our little town back again." I think the very same thing! With the re-opening of the cafe and the grocery store/filling station/cafe, our little town has come back. It is up to us to help them stay open. Let's all do that by using them, when ever we can by shopping at home first, then if there is something they don't have, we can go somewhere else. If we want them there, where we need them, we have to use them when we can. If we spend a penny or two more, it's worth it to have them there if that is what it takes. Thank you, Dennis, Harry and Larry, for helping to get our little town back. We will support you.

Psalms 92: 1, 2, & 5; It is a good thing to give thanks unto the Lord, and to sing praises unto thy name, O' Most High.

To show forth thy loving kindness in the morning and thy faithfulness every night.

O'Lord, how great are thy works! and thy thoughts are very deep.

We got a little shower of rain last Saturday night. It's a nice calm Monday morning here in Allison with mostly sunny skies.

Nona Jones and Betty Dyer were in Wheeler last Thursday for business reasons and for Betty's doctor appointment.

My visitors Thursday afternoon were cousins Horace Estes from Dalhart and Jeannie Thorn from Woodward. They were here at Allison and went to the Zybach cemetery to put flower wreaths on her grandparents' graves, when whomever cleaned the cemetery last Saturday threw the wreaths away. We felt very bad about that. Horace and Jeannie also visited Wilma Gilmer and maybe others that they didn't mention. They went from here to the White Rose Cemetery near Reydon. I enjoyed their visit.

Darrel and Johnnie Harrison came Saturday morning, and Darrel went back to the farm near Mobeetie to do some work there and Johnnie spent the day with me. We went to the Zybach Cemetery in the afternoon to take wreaths to the grave, then I took Johnnie over to meet Darrel. They went home from there and I came back home.

Opal and Juanita Boydston and Curtis Boydston were in Pampa last Saturday doing some shopping.

The Community Gospel singing will be at the United Pentecostal church next Sunday, May 30, at 2 p.m. Fellowship and refreshments will follow the singing in the fellowship hall. Everyone is welcome. Have a song ready to sing.

Roma and Billy Brown were in Shamrock last Thursday for Billy's doctor appointment.

Sunday dinner guest with Roma and Billy was Thuria Poindexter from Cheyenne.

Last Thursday, Peggy Chandler and Jennie Walker visited Brad and Sue Chandler. Also there were Shea and Bridget Weatherly and Audra from Stratford. They all went out to Maxeys for lunch. On Friday, Brad and Shea came to Peggy's and mowed her yard for her. I am sure she appreciated that.

Anthony and Judi Cornell went to Lugert in Oklahoma to do some camping and fishing last weekend.

Last Tuesday Lou Cornell went to Amarillo with Ruth Cornell for medical reasons. Last week, Bob and Lou Cornell attended the Kindergarten graduation of their youngest grandson, Roland Newman at the Mobeetie Campus of Ft. Elliott school. Also Chance Newman received several awards.

Helen Crawford and Patty Crawford went to Blue, Oklahoma last Wednesday to pack Helen's sister Mary Rose furniture for her and they have moved Mary to Shamrock.

Red and Anna Dukes attended the Allison graduation for the Junior High and Senior graduation last Thursday evening. They were there to see Monty Dukes to graduate out of high school and Bronwyn Dukes into high school. As soon as Allison's graduation was over Red and Anna rushed over to Ft. Elliott at Briscoe to watch Jackie Dukes graduate into high school. On Friday night Johnnie and Nelda Dukes from Ft. **Christner-Draper Ceremony April 24, 1999**

Christ United Methodist Church of College Station, Texas was the setting for the marriage of Miss Elizabeth Elise Christner and Mr. Scott Gordon Draper, both of Bryan, Texas. The Reverend Jerry House, Jr., pastor, performed the ceremony at seven o'clock in the evening of April 24, 1999.

Keaton Christner of Mullinville, Kansas, nephew of the bride, distributed programs to the guests. Participating in the ceremony were candlelighters Nancy Christner of Celina, Texas and Cammie Christner of Mullinville, nieces of the bride. Ring bearers were Stiles Christner of Celina and Peter Watson of College Station, nephews of the bride. Best men R. Wallace Reid of Houston, Texas, brother-in-law of the groom and David Watson, brother-in-law of the bride, seated the guests. Immediately preceding the bride was flower girl Shea Christner of Celina, niece of the bride. Miss Christner was escorted to the altar by her brothers, Tom Christner of Mullinville and Vaughn Christner of Celina. Elizabeth Stiles of Amarillo, Texas, cousin of the bride, sang "From This Moment On". Mr. McGreevy read a passage from Paul's letter to the Colossians and the Reverend House sang "The Lord's Prayer" a Capella. Parents of the bride are Sandra Christner and the late Tom H. The bride wore a floor-length white Marcado silk dress fashioned with a wide-scooped neckline accented by the gathered silk over the shoulder and the same material. The sleeveless bodice has an empire waist that flows into an A-line skirt. A detachable Marcado silk cathedral-length train connected to the dress under the ruffles in the back. A cathedral-length tulle veil attached to a silk rosette-covered comb accented the bride's coiffure. A bouquet of long-stemmed white roses completed the ensemble. The matrons of honor wore straight black floor-length dresses with a high neck drape across the shoulders that dipped mid-back to black rosettes at that point. They carried long-stemmed white calla lilies.

The groom and other gentlemen in the wedding party wore black tuxedos with white shirts, silver vests, and black and silver accents.

The reception followed the ceremony at Pebble Creek Country Club and was attended by many relatives and friends.

Following a honeymoon to Aruba, Mr. and Mrs. Draper will reside in Bryan.

LA RESPUESTA

JESUCRISTO NO ESTA INTERESADO EN CONDENARNOS POR NUESTRO PECADO. AUNQUE NO PUEDE TOLERAR EL PECADO, ESTA DISPUESTO A PERDONARNOS CUANDO ACUDIMOS A EL CON FE. GRACIAS A SU OBEDIENCIA Y A SU PODER, EL NOS LIBRA DE LA CONDENACION DE LA LEY. Y AL IGUAL QUE LA MUJER ADULTERA, PODEMOS SER LIBRADOS DEL PECADO Y DE SU CASTIGO POR LA GRACIA DE CRISTO SI SOLAMENTE LO ACEPTAMOS A EL.
