CWE CHAT WITH EDITOR
By Louis C. Stas

We said goodbye to a Wheeler icon Monday. Mrs. Guthrie, Laura to many, went to a better place Friday. She had a part of Wheeler since 1930.

—cwe—

She will indeed be missed by many friends and relatives.

—cwe—

The Wheeler's 14th Annual 4th of July Celebration was once again a success. Lots of activities, food and entertainment.

—cwe—

Beth Alvey and I (the unofficial greeters) were once again manning our station at the Chamber Booth to sell the tickets. Gary Don Burton and Maggie helped.

—cwe—

Added this year were the Space Jumper, made possible through the generosity of Wheeler Thriftway, and Bouncy Boxey. These offered lots of entertainment for the youngsters and a few of the older individuals.

—cwe—

We again had lots of good local talent throughout the day.

Sweetwater News

By Lois Flowers

Sounds like a good part of Oklahoma is about to float away but we aren't among them. It sure isn't very wet around here. I hear that Leon Cooperider has the only cotton in this vicinity.

Nearly the Fourth of July and plum picking time. Helen Smith said she and Debby had found some really nice ones. Long ago, come July, the folks would put the tubs and buckets in the wagon and we were off plum hunting on the river. When we got there, Mama handed everyone a bucket and there was no fooling around. Often that was the only fruit available to can for the winter. They made the best jelly and jam.

Little Jacob Fuchs of Lewisville, TX, has been visiting his grandparents, Judy and Gerald Tipton, and Carl and Faye Fuchs of Sayre. He's five now.

Had some unexpected company this week. Mr. and Mrs. Clifford McCathern, Hedley, TX., Madge Anderson and Marie Grimes of Amarillo. They are first cousins that I haven't seen in years. Cliffords have moved back to Texas from Washington state. They also visited the Buffalo Cemetery.

Lots of talk about Y2K and preparations that need to be made just in case. Remember if we get down to no electricity that we will need a lot of matches to start cook fires with. And some good hand held can openers for the canned goods.

Zuma Sutton and Nelda Lopez made a trip to Blair last week. Also, Zuma, Ola Mae Cook, Billy MacSutton visited J. W. McMullin at the hospital in Amarillo. He was having heart problems.

Now they are telling us about the Prophecy of Nostradamus in the 1500's. He said that in the year 1999, Seven months, from the sky will come the Great King of Terror. People have many ideas about what that means. We'll soon know if there is any truth to it.

Called Iva Thompson and she was scraping new potatoes.

I haven't found anyone to mow our yard. We're growing up.

I thought that Shirley Howell had quit painting when she went to work at the Honey Farm, but I see she is still painting up a storm. Had five pictures in the July issue of the Western Horseman. Hurray for her.

The Sweetwater Baptist Church had their Fourth of July ice cream supper with some 40 present.

Judy Tipton and her sister, Carol Johnson, Miami, TX, went to Kansas City to a 90th birthday party for their aunt, Margaret Warren.

As you know, Joe isn't very well and barely walks in the house with my help. We thank Ed and Brad Atkinson, Marshall Henson, Thelma Ashley and Junior Davis for coming in our hours of need. And Judy Tipton for bringing groceries.

Clarence Sanders, and C. R. Tucker have been patients in the Elk Hospital.

Larry and Twila Adams, Jamie and Cassidy, Kingfisher have been down to spend a few days with Billy Mac and Gail Sutton. Zuma was also out from Erick.

CARD OF THANKS

During the time of our sorrow we learn how much our friends mean to us. Your prayers, kind words and thoughtful gestures have comforted and strengthened us during our grief. We are deeply grateful to each of you.

We would also like to thank the staff of Wheeler Ambulance Service, Parkview Hospital and Parkview Home Health Care for all they did for our grandmother.

A very special "thank you" to Dr. Barbour for all his love and gentle care of Laura during these many years and in her final days.

The Family of Laura Guthrie

(Editor's Note: The following was a note left by Laura Guthrie as her final thoughts for her family. The family would like to share this with her many friends.)

To the grandchildren and their spouses, the great grandchildren and to my daughter-in-law, Lydia.

To have you as a family has been a gracious gift from God, an incentive and challenge to live, an anchor and a staff, and a jewel in the sunset.

I appreciate your love and respect to me.

In my life I have loved and prayed and encouraged you. Take up your lives, ask God to lead, and live to the fullest extent.

There will always be problems, but by will of mind and leadership of the Lord, you can make it.

1 Corinthians 13:13: And now abideth faith, hope, charity (love), these three: but the greatest of these is charity (love).

To thine own self be true and in his will, follow as the night to the day. You cannot then be fault to any man.

Isaiah 12: 1-3: And in that day thou shalt say, O' Lord, I will praise thee; though thou wast angry with me, thine anger is turned away, and thou comfortedst me.

Behold, God is my salvation; I will trust and not be afraid; for the Lord Jehovah is my strength and my song; he also is become my salvation.

Therefore with joy shall ye draw water out of the wells of salvation.

This has been a nice Monday morning here in Allison. It's now about noon and it's beginning to warm up some.

My daughter, Johnnie Harrison of Amarillo spent last Friday with me and Darrel went back to the farm over west of Mobeetie. Enjoyed having her for a day. We went out to Papa's Restaurant for dinner. I stayed with the dance until 1:15 a.m. Brent Lee, the DJ, was still playing music when I left. Brent has been doing these dances for some time, but he donated his time to the chamber for this dance. Thanks, Brent. Looked like a nice crowd with lots of participation by all ages.

cwe
I think summer has finally arrived; temperatures this week have been in the nineties.

cwe
Had to many conflicts to get together for cards this week. And you know they had to be important to interfere with cards.

cwe
Barbara went with Cathi and Dorcie to Oklahoma Thursday morning and then the three of them went to Lovelady on Sunday morning. During their stay at OKC, Jennifer and Brice made sure Dorcie got to see the fire-works display at Bricktown.

cwe
Enjoy the paper this week, but don't blame Barbara for any mistakes you find. Proof reading was left up to Drew and I and I for one am not a proof reader.

cwe
Hopefully there are no major mistakes and Barbara will be back next week.

LA RESPUESTA
El Apostol pablo nos habla de la venida de CRISTO en 1. Tesalonicenses. 4 13-18 pregunto amada lector tu estas preparado para ese encuentro con el señor o eres de las personas que esperan ver para creer quiero decirte que en esto es diferente porque aqui hay que creer para irnos con el. Muchas veces he preguntado en la Iglesia cuantos quieren ver la venida del señor y muchos an dicho AMEN. Y me he puesto triste por la Respuesta porque yo no quiero que veas la venida del señor sino que vallas con la Iglesia al cielo con todos los redimidos ser parte de ese grupo de redimidos a gosar con CRISTO
Por todo la eternidad AMIGO VEN A EL. HOY. IGLESIA CRISTIANA CANAAN. WHEELER TX. P.O. BOX 31. WHEELER TX. 79096.

It's a warm, kind hand in the world's dark glove.
It's beautiful, magical, wrap-around love!
