At the present time we are going through licensing requirements required by the State of Texas. These requirements insure the safety and protection for children.

We will have a curriculum for each age group that teaches age appropriate learning activities. The curriculum is from Church Weekday Education. It is produced by the Southern Baptist Association and is called WEE Learn. The curriculum quide is developed around themes which provide opportunities for children to learn about God's world and how to live in it. The themes are designed to help lay a foundation for understanding God, Jesus, the Bible, the church, self, others, and the natural world. We will not be teaching religion, that is the responsibility of each church, but instead teach the basic truths that are age appropriate for preschool children. Anyone is welcomed to view the curriculum guide upon request.

The rooms will be divided into centers such as; Art Center, Homeliving Center, Block Center, Book and Listening Center, Nature and Science Center, Music Center, Puzzles and Manipulative Center. The centers will reflect the theme for the month.

We want to keep the cost down for parents as much as possible. This first year we will only take 12 children. Each child will need to bring a sack lunch, but we will provide a nutritious morning and afternoon snack for each child. We really wanted to provide the noon meal, but in order to keep the costs down this first year we chose not to. We hope to provide a noon meal in the future.

For children 2 years and up we will accept enrollment from now until July 31. For children under 2 years old enrollment will be August 1-14. To obtain enrollment forms please contact Christie Jones at 826-5935. The director of our CDC will be Christie Jones. She is currently taking classes to obtain her Associates Degree in Child Development at Amarillo College. Christie has been gaining experience at First Baptist Child Development Center in Pampa, TX

The hours that the CDC will be open for parents will be from 7:00 am until 6:00 pm. The cost is \$60.00 for 2 years old until school age, \$75.00 for children under the age of 2. Payment will be expected weekly. There will be a yearly one time fee of \$35.00 for supplies. The CDC will be funded only by the fees listed above, careful consideration was made to provide quality care at the lowest possible cost to the parents. We will provide 2 teachers when we have all 12 children present.

judging of the decorations will be conducted by an appointed committee.

The park activities will kick-off with the raising of the flag and the singing of the National Anthem. Scheduled for the day will be the live music, turtle races, massage chair, swim meets, tug of war, food booths, face painting, dunking board, bouncing room, bouncy boxey and much, much more.

New this year will be a bouncing room for the youngsters and a bouncy boxer for the young and old individuals in attendance. Rent for the bouncing room is being paid by Thriftway of Wheeler.

Live entertainment will be offered at the park, starting at 10:05 and continuing into the afternoon. Anyone wishing to perform is encouraged to contact the Chamber office at 826-3408. Wheeler has a lot of talented individuals and they are encouraged to perform.

The Chamber will sponsor a series of activities for the kids.

Food and activity booths will be operated by non-profit groups throughout the day. Non-profit organizations will offer Cokes and Lemonade, Nachoes, Ice Cream and Tea, a Bake Sale, Hamburgers and Sausage on a Stick.

Other possible booths are Volleyball, Roller Bowler, Dunking Board, Sponge Throw and the Tug Of War.

The street dance will begin immediately following the fireworks. This year the Chamber is encouraging discretion in the use of alcoholic beverages. No beer cans/bottles, or liquor bottles, please. The music will be recorded with the playing of requests; bring your tapes/discs and know the location of the particular song. Brent Lee has volunteered to serve as deejay.

Come on out, you'll have a good time.

## Texas Dept. of Trans. Meets With Co. Comm.

The Texas Department of Transportation (TxDOT) met with the Wheeler County Judge and Commissioners on June 23, 1999, at 1:30 p.m. to discuss the results of the inspection of all off system bridges in Wheeler County.

TxDOT inspects all county and city owned bridge structures that are 20 feet or longer in roadway length at least every two years. These inspections are performed under the direction of Lori Davidson, P.E., TxDOT Bridge Engineer by independent consulting engineers.

Structures are evaluated and scored with a sufficiency rating (SR). This number conveys the overall condition of the structure and is based on a scale of 0 to 100. Structures with less than a 50 SR are eligible to received federal funds for replacement. Structures with less than a 30 SR is a "near critical" structure and should receive special attention. In addition to the condition rating inspection the consulting engineers also performed a load carrying capacity analysis on each structure. Several structures in the county are restricted to the amount of load they are allowed to carry. These structures are signed and it is very important that the traveling public observe these weight restrictions. If anyone has any questions regarding these bridge inspections they can call: Lori Davidson, P.E., TxDOT Bridge Engineer at (940) 397-7178.

# First Baptist Golden Agers Make Trips

Golden Agers, First Baptist Church, Wheeler, were loaded on two vans and on the road again to the Red Carpet Theatre in Elk City, Monday evening, June 21. We arrived in the rain.

The theatre presented "Hello Dolly", directed by Patti Word Curtin, music and choreography by Patti Macumber.

Twenty-five people climbing aboard the vans were: Betty Howard, Frances Hefley, Vea Fillingim, Evelyn Free, Lois Meadows, Nova Powledge, Mary Margaret Dodd, Marie Gudgel, Marie Baker, Bill and Nema Stewart, Ed and Laurel Hershman, Ann Ellison, Mae Brazeal, Shirley Horton, Lou Dean Douthit, Edna May, Iona May, Willis and Laverna Fillingim, Adrian Risner, Joyce Perkins, Elsie Hughes and Ned Burrell.

After the vans stalled out at Braums, the group arrived home well before midnight.

And Again -

Thursday morning, June 24, 8:00 A.M., the First Baptist Church van, driven by Ed Hershman moved up and down the streets of Wheeler. The mission: to pick up the Golden Agers and travel to Sand Springs, Okla., near Tulsa. The reason: to attend the Rodgers and Hammerstein's production of "Oklahoma" at the Discoveryland amphitheater.

As we progressed east, strong winds prevailed and so did light rain. Traveling on the turnpike from Oklahoma City toward Tulsa, we encountered a strong thunderstorm with heavy rain, cloud to ground lightning and booming thunder. The strong wind continued.

Arriving at the motel about 2:30 p.m., we got our rooms, unloaded and rested. Some slept. The rain continued about an hour before the sky cleared and the sun came out.

Everyone got aboard the van at 5:45 p.m., destination Discoveryland for supper (dinner to younger folks) and then "Oklahoma".

1999 is the 24th year for "Oklahoma", the production has received many honors and awards, among them: The Top 100 Events in North America, Outstanding Tourist Attraction in Oklahoma and Outstanding Attraction in Oklahoma Green Country

After a good night's sleep, the van took off Friday morning, June 25, for Sapulpa to the Frankoma Pottery Factory for a guided tour of their facility. We observed the making of the pottery from pouring to the showroom. Frankoma Pottery is made from clay found n Sapulpa. taking a driving tour of Guthrie, on we went to Kingfisher, Watonga, Fay, Thomas, Custer City, Butler and Hammon. Then taking Highway 34, we went through Elk City, making our way on to Wheeler. We crossed the Arkansas, Cimarron and Canadian rivers.

Those enjoying this over-night trip were: Betty Howard, Ed and Laurel Hershman, Naomi Speck, Bill and Nema Stewart, Marie Baker, Ned Burrell, Marie Gudgel, Mary Margaret Dodd, Lois Meadows, Nova Powledge and Lou Dean Douthit.

It's really unbelievable, but the van only stalled out once at Braums. However it did pull strongly to the right at Elk City coming home.

Trees continue to grow as long as they live.

PLUM CREEK GROUP: The grounds around the Old Jail at Mobeetie were a hive of activity Saturday, June 26, for Wheeler County Heritage Day. Pow Wows, dances, soap making and other crafts were demonstrated. It was a step back in time.

Seems everyone had a nice Father's Day. Joe is still getting cards from grandkids. Anne Reed came over on the Day with a nice Father's Day dinner for us. We really enjoyed it. She had her little granddaughter, Tracy, from Cheyenne with her.

Incidentally, have you noticed how many babies are being named Cheyenne?

Elbert Atkinson said his boys were home and took him and Eva to Wheeler for dinner, Joe Dale mentioned that he was served breakfast in bed.

## Martha KeimTo Display Art Work at Canadian

Former Canadian resident, Martha Keim of Perryton, will be guest artist at the Sagebrush Painters' 22nd annual art show during the 4th of July celebration. Local area artists will have their work displayed. The show has no admission charge and can be viewed on July 2nd and 3rd from 9:00 a.m. to 5:00 p.m. at the WCTU Library at 500 Main Street in Canadian. . Thirty years ago Keim began her art journey. Martha was always interested in art and the love for it has developed as she has grown in her craft.

Although Keim works in oil, watercolor and pastel, her primary medium is pastels. She feel that its technical quality has unequivocal charm and is adaptable to any subject matter.

Martha's interpretation is realistic and unique. She credits artists Ben Konis, Marlin Adams, Stefan Kramer, Tom Hill, Tom Lynch, Ann Templeton and others for teaching her the basic skills of technique and self expression. Her favored subjects include life, heritage and nature. Through this incredibly vibrant art, Martha communicates her strong spirituality.

Her work reveals discipline and a sensitivity to surrounding natural forms. She captures the moods and qualities of each subject, honing in on light, surface, textures and patterns. Her keen sense of oneness with the environment has yielded an unsurpassed collection of images.

Keim is an award winning artist in Texas, Oklahoma, and New Mexico. Solo exhibits in Taos, New Mexico and Graphic Design in Coppell, Texas. Her paintings are in private and corwere out to see her folks, Wilbur and Theresa Nabors.

Hansford Jenkins, Texoma, was out recently to see his mother, Stella. He hasn't been very well since he went home.

Mr. and Mrs. Leon Smith, Clinton, were out to see Ray and Doris Father's Day, brought dinner too.

Carolyn Ross, Chad and Kyle, Plainview, Greg and Jan Henson, Jeremy and Kristina spent the Day with O.K. and Elma Henson.

We have had all kinds of weather, with over an inch of rain last night. Some reported over two inches and others just a trace. Had to laugh when the OKC weatherman said it was storming up north of Cheyenne in "Southern" Roger Mills County.

Young Max Ringo, Burns Flat-Dill City, got \$5000 and a trophy for his winning entry in the Good Sports Award. His parents are Mr. and Mrs. Jeff Ringo. Grandparents are Dovie Ringo, Calvin and Georgia Fay Cook. Great-grandmother is Hazel Howell. Services were Thursday at the Sayre Baptist church for Lynn Heard. He, Wynona, and Lydia Boyer were seniors the year I started to Sweetwater. He was ordained a minister in 1955. Burial was in the Buffalo Cemetery

SWODA has announced that 45 groups will receive money for various projects. Sweetwater will receive nearly \$5,000 from Rural Economic Action Plan (REAP) for foam proportioning system. Reydon got a large sum for construction of a new ambulance building.

Kenny Newell has been a patient in the Elk Hospital.

Betty Sites and her family had a get-together at Branson last week. Those going were Betty, Mike and Sally Sites, Megan and Cade, Michael and Sheila Smith, and Emily, Jerry and Radonna Christopher and Jeremy. All reported a wonderful time. Our company Wednesday was Samye and Larry Seward, Cottonwood, AZ, Paul and Doris Flowers, Norman, S. T. and Heidi Flowers, Tulsa. Had a good visit. The Stewards were on their way to a reunion at Weatherford, and on to Plano and places in Texas.

Vacy Bradley used to teach school here. I see where she had her 100th birthday this month in Lawton. Mentioned she could still ride a bicycle. Edmond Logan received the Edward H. Stoll award for his 50 years of outstanding service as weather observer at Mayfield. They closed the store recently and folks really miss it. Birthday folks are Robin Hagerman, Lu Boone, Orna Fay Davis, Dusti Davis, Betty Anderson, AND don't forget our country, the Good Old USA. Happiness to all.

Ray and Glenda Hudson and Patrick and others went to a family reunion of Glenda's family near Graham over the weekend.

Welcome back to Texas, Leonard and Bertha Hollis. They drove from Bolivar, Missouri all the way down on Monday, June 21st. Glad Leonard is back able to drive, even tho still numbness on the left side from Ithe stroke last October when they were in Mobeetie. Keep praying for them. So glad they are back. Russell and Linda Hollis from Pampa were coming down Tuesday to help get an air conditioner in and things done for their cousins. Russell mows while they are gone. So nice to meet Leonard and Bertha for lunch at Maxeys Thursday. He uses his left side real well. You'd never know he had had a stroke. Bertha is finally keeping her blood pressure down by wearing patches. Praise the Lord! So good to have them back. Jimmy Keelin helped them with putting some new electrical plugs in so cook stove and all work.

We enjoyed going to Heritage Day at Mobeetie Saturday. Many friends and others there. We especially enjoyed the Indian dancers in their colorful costumes. Really appropriate! Chyna Atherton and Melba Corcoran and others joined them for a dance. Not bad! We also enjoyed the chuck wagon meals. Kevin and Janet Romines, Terry and Sarah Gill, Bill and Marilyn Tidwell and others prepared Fajitas, bread pudding and beans. Very good. The guys came down Friday and got all set up and slept on the ground near their wagon for an early start. Ed Robinson and others prepared shisk-a-bobs, biscuits, etc at the other wagon. Lavertys had several choices at their place of serving. Always good to see old friends from many places. Laverty's food wagon was damaged in a storm a few weeks ago. He hasn't been able to get it all redone yet, so doesn't have electricity to cook Elephant Ears, hamburgers, etc. Hopes to be ready by Fair time at Amarillo.

"God be with you till we meet again."

Good morning Wheeler County.

Hope everyone is doing well and the watermellons are gettin ripe. Was reading about the Indians that romed all over the Panhandle of Texas in the early day. My mother had an elderly couple of them used to come by and visit her. They parked their touring car north of the hotel. The man had brades and a big black hat and if I came in the living room they would stop talking. My father had been good friends of theirs. Never knew their names or what tribe, wish I had.

and a knife made from a file from Dead Indian Creek, found them many years ago.

I met a man at the Gunter Hotel when I was a little shaver. He had been scalped by the Indians when he was younger. He was with two of my dad's brothers. The man let me touch his head and see that he had no hair on top of his head. It was funny feelof Texas told us they would need 5 acres for it. Wes Johnson told Joco and I we could have the land for \$500.00. We gathered the money one dollar at a time. We had a doctor in Pampa, he would give us the money, but we told him we wanted it to be everyone's affair. One rancher offered the 500 bucks, but again we refused. Shorty Sechrist helped on this too. He also gave many things to the museum. You wouldn't believe how many hours Shorty and I spent digging here and there hunting things from the Fort. The memories of all the folks in Wheeler county are in my thoughts. Thank you for being there. Love to all,

Dortha Calcote fixed Father's Day Dinner for her dad and mom, Eddie and Gladys Pannell at her home in Kelton Sunday June 20. Other family members there were Eddie Jr. and Lavena Pannell, Butch Calcote, Marla Lax, Amanda and Nancy Calcote and Shannon Kelley and Courtney and a friend from Amarillo. They had a delicious dinner and a fun time together. Daughter, Imogene, had company, but will come later from Childress. Nice to see Greg Bryant and beautiful wife, Lindsey at Furrs Wednesday. He is going into the Navy on July 9. Makes me think of Willis in the army when we married and times we had to be apart. Pray for this fine

I had known many Apache Indians and knew Geramamo's son and am still friend of his grandson. He is a very close friend. He lives in Moscalaro, N.M.

Mama and I knew Chief Kicking Birds' daughter. Her name was Lucy Kicking Bird Botone Kassanvaid. Lucy gave us a beautiful dear skin ceremonial dress beautifully beaded and hand belt that Kicking Bird had done the silver work on. We have Lucy's last pair of beaded moccasins she wore. She and James are both now in the Great Beyond.

We met James and Lucy in Green Tree, N.M. Just a few miles from us. They had an Indian Village there, tepees and all. They put on shows. They had dancers and all. Lucy's son, Frank Botone was their Eagle dancer and was the best Eagle dancer l ever saw.

I have sit by a campfire at night with James and Lucy and had Piotte Tea. It was their Religious Tea. James wanted to smoke our son Terry, but his mother wouldn't allow it. James gave Terry something like Little Buffalo.

James and Lucy have spent several nights at our home on their travels. One time James left a mounted Buffalo head with us and I stored it all covered up. Sometime later, James came through town on his way to Oklahoma. He came by our store and mentioned the Buffalo head and wondered what we had done with the head. I took him to the back of the store and uncovered the Buffalo head and asked James if that was what he had worried about. He hugged my neck and shed tears. That was unusual for an old Comanche Indian. Mama, Terry and I treasured James and Lucy as grandparents.

James was a close friend of Quanah Parker. They both in the Native Indian Church and went on several trips for the church.

Quanah gave James one of his robes and one time someone had stolen it from James. It had wound up in the museum at Canyon and James had seen it there. He told me about it and I told my very good friend Uncle Wes Izzard of the Amarillo Daily paper about it and that James could identify the robe. Some how Uncle Wes got the robe back for James. It thrilled James to no end.

I have had Indian friends from Alaska, Washington, Oregon, New Mexico, Oklahoma and other states. I am part Cherokee and proud of it. We had a man near Wheeler that worked for the railroad and one day he saw a tiny bundle near the track on the railroad. He got the little fellow to his home. His wife took care of the tiny girl and she grew to womanhood. The railroaders wife passed away and the man married the girl. I worked in Charley Harold's Variety Store and the lady would come there on Saturdays and visit with the two ladies who worked there (Martha Aldridge and Tootie). This was in 1936. I have a couple of steel arrow points

We have many things Indians have given to us and they are treasurers to

I appreciate all the writing in the Wheeler Times that the lady has put in there.

Joco Lee of Mobeetie and I got the monument and the little park there west of Mobeetie. Mr. Macy in Childress, who worked for the State

## Wheeler Church of Christ

#### Congregational Concerns:

A fellowship luncheon was scheduled to be held on this coming Sunday morning, July 4th. However, this fellowship luncheon has been cancelled. The next fellowship luncheon will be held on Sunday morning, August 1st.

The 6:00 p.m. worship service will resume on this coming Sunday evening, July 4th.

The elders of the Oakcrest Church of Christ in Oklahoma City has written a letter to this congregation, reporting on the financial assistance that the Oakcrest congregation have received for the Oklahoma strom victims. This letter is posted on the bulletin board in the lobby.

#### From the Minister's Desk:

Let me share you with an astute observation that I recently heard. This observation was: "Please don't count my blessings for me. I want to count them myself."

There are probably several circumstances of life where this observation is applicable. But it is particularly applicable when people are grieved. Virgil Fry, a chaplain at M.D. Anderson Hosptial and Tumor Institute in Houston, Texas, recently listed some statements that did not comfort people when they were grieved. These statements were: -

"Just be glad that you had him/ her as long as you did."

"Don't cry.'

Vi

SE

CI

- "Try not to think about it."
- "It is God's will."
- "You shouldn't feel that way."
- "Nobody promised you'd have him/her forever."

The Bible teaches us "-to comfort those who are in any affliction-." (II Corinthians 1:3-5) But if cry with them, or do a good deed such statements do not comfort people, then it is only reasonable to ask: "How can grieving people be comforted?" 1. Be mostly silent. To comfort people, it is not necessary to speak an abundance of words. It is not

necessary to give an explanation or to give advice. Your presence will be appreciated and remembered more than your words.

2. Be supportive. You may be a Christian who strongly believes that "-the free gift of God is eternal life in Christ Jesus our Lord." (Romans 6:23) However, this conviction should not nullify your sensitivity. The Apostle Paul wrote: "weep with those who weep." (Romans 12:15) Supportive people are a genuine balm to people who are grieved.

3. Be Helpful. you cannot erase or remove the feelings that grieved people experience. But you can be helpful. You can cook food, wash dishes, shine shoes, clean house, or do laundry. Such helpful acts can be a great comfort to people who are grieved.

If you know people who are grieved, do not count their blessings for them. Comfort them. Put your arm around their shoulder,

It has been a nice Monday morning her in Allison; we are getting some north wind here at about noon time. I believe summer is here. The temperature was 96 degrees here Sunday.

A New Day

This is the beginning of a new day. God had given me this day to use as I will.

I can waste it, or use it for good; But what I do today is important, because I am exchanging a day of my life for it!

When tomorrow comes, this day will be gone forever, leaving in its place something that I have traded for it.

I want it to be a gain and not loss; good and not evil; success, and not failure; in order that I shall not regret the price I have paid for it.

Ruby Craigs house guests last week from Sunday to Thursday were Lisa Farmer, Ryan, Matthew and Cory from Amarillo.

Sorry to hear that Mary Lou Markham passed away last Friday morning. Our sympathy is for Clydean and Lester Hall and family and other relatives and friends.

Darrel and Johnnie Harrison from Amarillo came Saturday. He brought Johnnie, and Darrel went back over to the farm to plow. Johnnie spent the day with me. We had a good visit. I took her over to the corner west of Mobeetie to meet Darrel at five o'clock. She fixed my hair. She missed coming last weekend. Her and some of her family were having a garage sale at her home.

Leota Black returned home recently from a working trip to Arlington. She also extended her time and visited her son, Jeff, and his family at Winenoa, Texas.

Opal and Juanita Boydston's last Friday dinner guests were Forrest and Janice Boydston and SaRita Green and Kelton from Binger, Okla. On Saturday Opal and Juanita and Curtis, Forrest and Janice, Neal and Tia Boydston, Corinna and Kendra, Robbie and SaRita Green Carissa and Kelton, Charlotte Helms and Juanita Bricker were all at Spring Creek Lake in Oklahoma. They had a Bessie Crenshaw from Shamrock visited Red and Anna and they canned green beans for Bessie and themselves also. They attended the funeral of Mary Lou Markham Sunday afternoon. It was graveside services. Lee and Sharon Hall's Sunday afternoon visitors were Bobby and Tammy Jones, Jordan and Alisha from Pampa. Sunday overnight guests were Randy and Jennifer Hall. They were on their way home to Amarillo from Michigan, where they had spent several days visiting Jennifer's relatives.

Kimber Thompson and Sabrina Dupont are attending Teen Camp in Colorado this week. They went on a chartered bus. I think the mama's were more nervious than they were. Henry and Dora Lea Dupont just returned from almost a month trip to Yellowstone National Park, then on to Oregon to visit Mamie and husband, Henry's sister, then to California to a brother, Junior, and wife; then back to Cortes, Colo., to another sister, Marietta, and she returned to Amarillo with them and they visited Henry's mother, Viola Ames, and his sister, Shirley, and Carl Wilson. The Duponts were celebrating their 50th Wedding Anniversary. Had a great time.

Last Wednesday Dick and Cletus Green, Jonathan and Alexis Greene went to Cimarron Canyon in New Mexico, joining them on Thursday were Roy Greene, Shawn and Jamie Downie and also Kyle Boydston from Roswell. They all returned home on Sunday.

Vance and Caroline Boydston's house guest from Saturday through Tuesday were Kevin and Theda Boydston from Lubbock.

Virginia Miller's house guest for a fewdays is her granddaughter, Renee Miller, from Hugoton, Kan. Lynda Banger from Amarillo was a weekend guest. Dwight and Joan Higgins visited with Virginia recently.

Visiting Edna May last Tuesday and Wednesday were Linda Lieb and grandson, Jacob Lieb. They helped around the house and outside. Edna surely did enjoy their visit.

Take time to pray-it is the greatest power on earth.

## Scholarships Available For Help With College

A conservative estimate of college costs for a full time student runs from \$10,000-\$30,000; high cost colleges can run from \$40,000-\$100,000! Most parents and students think that scholarships are only for the students with excellent grades, low-income families, or the athletically inclined. A small example of the numerous scholarships available to students include: Handicapped Student Scholarships, Members of a Church Scholarships, Scholarships for "C" Students, Veteran Children's Scholarships, Scholarships for Minorities and much, much more.

Though the majority of scholarships are from the Federal Government and are merit and/or need-based, billions of dollars are available to students from private sector scholarships. Much of private sector financial aid goes unused because the parents and students do not know how or where to apply.

There are organizations that have spent hundreds of hours in research locating scholarship sources. The U. S Commission for Scholastic Assistance-College Bound is such an organization and supplies the public with over 700 different private scholarships sources. The scholarship list include the scholarship names, addresses, application deadlines, summaries about the scholarships and the amount the scholarship will pay your child. Many scholarships pay the entire tuition; others can be applied towards tuition, living expenses, and/or other fees. Most scholarships can be used at junior colleges, career and vocational schools, 4-year colleges, graduate schools, medical and law schools. For information on obtaining these scholarship lists, send a self-addressed, stamped, business size, #10 envelope to: The U.S. Commission for Scholastic Assistance, P.O. Box 668, O'Fallon, IL 62269.

## Sponsors Needed For Cal Farley Children

The Top O' Texas Rodeo Association has once again invited the boys and girls from the Cal Farley Family Center in Borger to participate in the Kid Pony Show, July 11, 12 & 13, 1999. However, the association needs the assistance of the people of Pampa and the surrounding area in order for these children to participate. Sponsor donations are now being accepted at the Top O' Texas Rodeo Association office, 200 N. Ballard, Pampa. The donations are to pay the entry fees for these children. Entry fees range from \$8.00 to \$16.00 per event per child and any donation is greatly appreciated. These children would not be able to participate in the Kid Pony Show without the generous support of the people of this area. The boys and girls who have come in the past were excited and very appreciative of the caring donations that enabled them to participate. Anyone wishing to make a donation may contact the rodeo office at (806)669-0434 or come by 200 N. Ballard. Please help us provide a wonderful opportunity to these boys and girls who will not get to participate otherwise.
