REGULAR SEASON CLOSED WITH 39-6 WIN OVER MEMPHIS

The Wheeler Mustangs traveled to Memphis last Friday night for the last district ball game of the season. The Mustangs entered the game with a 9-0 record for the season, 4-0 for district play. Memphis would enter with a 6-3 record, 2-2 for district play.

The Mustangs would get on the board first as Brooks Brown goes around right end for 28 yards to complete a four play 51 yard drive. Ben Dollar's kick is good the Mustangs take a quick 7-0 with 9:45 to go in the

The Mustang defense came up big as the Cyclones of Memphis. Offense would get on the board again this time Caleb Finsterwald goes over left tackle for a 3 yard run completing a 8 play 77 yard drive, kick failed. The Mustang lead would be 13-0 with 10:05 left in the second quarter.

The Mustang defense made an interception on a Cyclone pass. The

interception was by Caleb Finsterwald, returns back to about the 50 yard line. Memphis tacked on a 15 yard personal foul penalty on top of that. It would be the Mustang's ball on the 35 yard line. The Mustang offense makes a quick work of it on a 3 play drive, as Caleb Finsterwald gets the last 19 yards off the left tackle. The extra point is not good the Mustangs up their lead 19-0 with 5:59 to go in the second quarter.

The Mustangs would mount another drive as the defense holds Cyclone offense, and turns the ball over. The Mustang offense would start another drive only to be stopped as Brooks Brown throws an interception. At the half Mustangs would lead

The third quarter would see the Mustang defense again rise to the occasion and turn the ball over to the offense on the 15 yard line. This time it would take four plays, Brooks Brown goes off the left tackle behind a good block from the offensive line of Ledbetter and Gavin McQueen, for a four yard touchdown run. Casey Childress gets the two point conversion off left tackle, to give the Wheeler Mustangs a lead of 27-0 with 6:20 to go in the third quarter.

Memphis turns the ball over on downs deep in Mustang territory. Offense takes over again on the 17 (Continued Page 8)

Turkey Facts

As the holidays fastly approach and we busy ourselves with preparation duties to insure a pleasant, relaxed family gathering let us remember some important facts when choosing and handling the star of the event THE TURKEY!

- Let us begin by determining how big a turkey we should purchase. You should figure about, one pound per person, or a pound and a half for hearty eaters.

When should I buy the turkey? A frozen turkey can be purchased months in advance, but a fresh bird should be bought only one to two days ahead.

What kind of turkey should I buy? There are two types of raw birds to chose from - a prebasted bird or unbasted bird to which nothing has been added. USDA Grade A poultry has good shape/structure, fat covering and is free of pinfeathers and defects such as cuts or bruises. Age determines tenderness and all turkeys on the market today average 4-6 months in age.

- How long will it take to defrost a turkey? Its best to defrost your turkey in the refrigerator. The rule of thumb is a minimum of 24 hours of defrost time for every five pounds of turkey. This can take four to five days to defrost a 20 pound turkey.

If you need to speed up defrost time, submerge the wrapped bird in cold water. Change the water every 30 minutes to ensure the water remains cold. Allow 30 minutes per pound to defrost this way.

What's the best way to roast a turkey? Breast side up on a flat rack in a shallow pan, 2 to 2 1/2 inches deep. Insert oven-safe meat thermometer into the thickest part of the thigh. Rub skin with oil to prevent drying of the skin and to enhance the golden color.

Place in a preheated 325* F oven. When the turkey is 2/3 done shield the breast loosely with a tent of light weight foil to prevent overcooking of

Within two hours after roasting, remove stuffing from turkey and carve the meat off the bones, then store in refrigerator by wrapping the turkey slices and using within three days. LA RESPUESTA

CRISTO no ba dejar solos a sus hijos despues de su ascencion El prometio darnos al consolador Jn.14:16,17.Y YO ROGARE AL PADRE, Y EL OS DARA OTRO CONSOLADOR PARA QUE ESTE CON VOSOTROS PARA SIEMPRE; ES DECIR, EL ESPIRITU DE VERDAD, A QUIEN EL MUNDO NO PUEDE RECI-BIR, PORQUE NI LE VE NI LE CONOCE, PERO VOSOTROS SI LE CONOCEIS PORQUE MORA EN VOSOTROS.por lo tanto, antes que CRISTO ascendiera al cielo les dijo a sus discipulos que esperaran esa (promesa del padre)Despues que vino ese ESPIRITU SANTOprometido, sus discipulos fueron capacitados para predicar el evangelio en todo el mundo suyo.esa capacidad tambien la ha recivido la Iglesia actual para predicar can poder y salvar almas para CRISTO AMEN.

Wonderful weather. Up in the 80's a few afternoons. Still no rain and it is really needed. The official weathermen say no rain in sight and even apologize about it. They used to say "Thank Goodness, no rain in sight" which really fretted all the farmers. The weather men do say that they expect severe sun flares may cause power shortages here in the next few

Our Sweetwater School observed Veteran's Day with a program in their honor, followed by a delicious luncheon. Some twenty veterans and wives were present. Supt. Riley welcomed them, followed by a short talk by Doug Hininger. Charleen Perry was in charge of the student's program, assisted by Leeta Prater. It was very nice.

There was an interesting article in the Oklahoma Living by J. B. Bittner about the wall that has been built honoring Roger Mills County Veterans. It was started in 1986 and completed in 1988. It is on the grounds by the Cheyenne Courthouse.

The "Port of Lights" is artistically arranged on a peninsula surrounded by water on three sides. It is a beautiful 2-mile drive-through experience with antimated lighting displays on land and water. What a wonderful way to spend our first evening of the trip!

Golden Agers, First Baptist Church, Wheeler took to the road again. It was dark, very early Monday morning, November 8, 1999. The church van moved along HW 152 beginning to load senior citizens aboard. It made its way quietly through the sleeping town and its edges until there were eleven on board with a trailer full of luggage. As the hands on the clock marked 6:30 AM, the van, with Weldon Simmons at the wheel, headed east toward Branson, Missouri, for a 4 day/3 night trip. Traveling with these folks requires one to be at least 50 years old (except maybe the driver)

Thursday morning everyone had their bags ready to load. After a quick continental breakfast, we were off to Carthage to the Precious Moments Chapel, considered to be one of the rare treasures of the Ozarks. This is a visit to an artist's masterpiece where 52 biblical murals cover over 5000 square feet. Tour guides share the stories of the murals and how they have touched the hearts of millions.

One can also shop at the world's largest location for Precious Moments products. Gift shoppes are located in the Visitors's Center and The Fountain Pavilion. They feature Chapel Exclusive items only available at the Precious Moments Chapel.

The artist, Sam Butcher, is a wonderfully gifted person.

So, on to Wheeler we went. After each meal and evening show, the usually buzzing group was very quiet, some dozed, read, or just slept! We shared lots of laughs, a few tears,

made many memories. By 9:00 PM Thursday, Weldon and Delores had helped unload luggage for: Betty Howard, Alma Gollihugh, Marie Gudgel, Mary Margaret Dodd, Lou Dean Douthit, Ned Burrell, Lula Buice and David and Melba Seitz. Delores and Weldon Simmons sighed and turned toward their home and waiting daugher.

About Veterans on County Memorial

Roosevelt began his wartime "fireside chats" shortly after we entered the war. War news was often old news. The war was a year old before casualty lists were printed, and not until 1943 did the military allow the release of pictures of American dead. Often the truth was suppressed entirely. Some censorship was designed solely to bolster the armed services image at home.

All service mail was censored as well as phone calls. Envelopes were resealed and stamped "opened by censor". Many slogans were born, "Pay Your Texas, Beat The Axia" and "Loose Lips Sink Ships", were two well known ones.

What a difference in the news reporting now. We get every detail whether we want it or not, but this was not true during WW II.

Gasoline virtually disappeared from the East Coast in the summer of 1942. Windshield stickers were used. "A" drivers (About one half of the driving public) could only purchase about three gallons a week. "B" were commuting drivers, and "C' was for essential jobs. Meat rationing was imposed in March, 1943. It allowed about 2 1/2 pounds per person per week. War ration books were used.

The black market was as American during WWII as Rosie the Riveter and Victory gardens. A black market transaction was anyone in which the price was over the official ceiling, or in which required ration coupons did not change hands. There was a black market in everything from pianos to bubblegum.

Some more on our fighting Men. BM1/C Carroll P. Adams, son of Mr. and Mrs. W.W. Adams of Wheeler. husband of Roberta Wales of Amarillo. He was a graduate of Wheeler High School and attended WTSC. He entered the Coast Guard in 1942 and trained in Louisiana. Carroll served in the Atlantic, Mediterranean, Caribbean, Indian and Pacific Oceans. He was awarded At, E-A, P-A, ME Ribbons, 3 Battle Stars and the Victory Medal. He was discharged in 1945.

On Tuesday, November 9, 1999, the Allison Antelopes traveled to Borger to scrimmage Hartley. The Lady Lopes started out the night at 5:30 and played very well. The team was excited to be starting a new season and they are ready for the real season to start. Everyone played good and the scrimmage was a success for the team. "We are ready to take district, but we're going to do it one step

at a time," said junior, Kendra Lane. "While we are all looking towards district we still need to stay focused on the present games ahead of us and work on the areas that we need to improve on." The team is playing well together this year and executing their plays with confidence. "I am pleased with my team's overall performance. It helped me see our strengths as well as what we need to focus on improving. With four returning starters, and a strong bench of younger girls, we should be extremely competitive all season," said girl's coach Sylvia Walters. Seniors Aspen Hendrickson, Hattie Grayson, Celeste Huff and Glenda Dukes are ready for their last season together and they are ready to do all that they can to make the season a success for them and for the team. With some hard work, the Lady Lopes should be unstoppable

The Boys also scrimmaged Hartley and their game was a good expenence as well. "We found out some of the stuff we need to work on before the season starts, and got used to playing with a new lineup," said senior Nathan Rainey. The team this year consists of twelve guys, three of them seniors who have been playing together throughout high school, and the rest are guys coming up who have not really played together very much. Coach Mike Hendrickson said, "The boys played hard and did well in many areas. It was good to see what areas needed improvement. If we correct our mistakes, then we have the opportunity of having a very good season." The team looked very strong on the boards and the younger guys are really stepping up this year. Ky Brownlee is recovered from a knee injury last year, and Levi Swafford will also be joining the Lopes. These players and all the younger ones are going to be a good aspect to the team this year. They, as the girls, are ready to take district. But they'll start with the first game on Tuesday, the 16th. By: Aspen Hendrickson

300 or so members at Diana, Texas. Travis is a senior and Clayton is 13. They are missed at Mobeetie.

David Jones will be flying home from Rehab for Christmas and New Year's Holidays to visit Wayne and Jolene Jones and other relatives.

Nice to have our grandkids, Dallas and Lindsey Fillingim, and Ken Criswell join us for lunch Sunday at Maxeys. Had a good visit. Don't see them enough. Also there, Roy and Marki Laughlin and Joe and Liz Austin and Payton and Lessie.

Pray for Jimmy Lehman, 12, son of Jim Lehman and grandson of Cornelia. He was riding his bicycle to school and got run into by a pickup. No head or chest injuries, but several breaks or fractures in the pelvic area. Also the tube from kidney to bladder was severed and can't do surgery on that for a few months. Guess he is pretty lucky to be alive. We are thankful! Also has broken leg and bicycle

Nice to visit with Vickie Moore at Shamrock Care Inn. She is a sweet little lady and is Carolyn Gragg's granddaughter. Carolyn and Birdella Roberts used to come eat lunch with us some times. The "girls" would play dominoes. They would beat me of-

ten. They are now deceased. Willis took a few calves to the Shamrock Sale Wednesday. A big run of cattle there. He came back and ate lunch at Wheeler Dairy Queen and had a good visit with Sam Helton from Arizona there. Sam is a brother to Pat Perry and other Heltons. Son of George and Cora.

High School boys called a Chrysalis. Some of the boys he met want to be on the team to work another walk around Thanksgiving weekend. Lets pray for them that all will be blessed and drawn closer to the Lord. Boys who came to Briscoe Church last Sunday, November 7, when Donald preached were from Amarillo-Zach Benites, Chris Blessen and P. J. Johnson; from Higgins—Dillon Burris and Cole Smith; from Perryton—Seth Tregellas. Other visitors were Floyd Koch and Greg and DeRhonda Crosby and Mark Elmore from Allison and Donald's son, Ben. The boys had to give up ball games and other activities to be on the team. They weren't afraid to get up and give their testimonies. Praise the Lord! The Crosbys helped with the music at church. God bless you everyone.

Bob and Gena Zybach had a busy week last week. Monday they and Mary Lea Gilliland went to Gainesville. Tuesday the other sister, Sallie Dillman from Carrolton met them there for a great time shopping and visiting and laughing. Sallie won't get to come this way before Christmas, so they celebrated Thanksgiving and Christmas early! Tuesday they had to leave Gainsville early to go to Knox City to watch Carissa and Casey play volley-

ball against Bronte and win. Yea! Friday, Bob and Gena and Mary Lea and Wayne and Kathy Zybach and Clay, Bevard and Diane Dukes, Deidre Harris and Tracey and Andrea Auldridge and Tysen all went to Lubbock to watch the Ft. Elliott girls volleyball game with Wink. Congratulations for going to Regional! See you at the basketball games. Sorry you

She lives at Canadian with husband, Wayne, and works every other weekend at Wheeler Care Center. Always enjoy visiting with her. She was on break. Then Preston and Elsie Glazner joined us. They had been helping Leona Coates pick pecans. Leona sells them in shell, cracked or shelled. Then Caaron Laverty and Scott Nabors came for carry out and visited a bit. Good to see them all. Joline Jones spends nights with her mom and dad, Wesley and Clethal Steen, while working at the Care Center. Clethal is not well and is on oxygen. Pray for them!

Correction: Marion did not go to Briscoe last Friday night, Nov. 5, to help with Fifth Quarter. Sorry I got it

> To The Editor The Wheeler Times Wheeler, TX 79096

A Letter to the Editor of The Wheeler Times:

This is a Letter of personal concern. And is directed to the Wheeler Independent Elementary School District, and to the General Public and to Mr. Kevin Hampton.

Facts are:

#1-Kim Hampton and I are divorced and have been since January

#2-I have been remarried since July 3, 1997, to Peggy Ann Hicks Flanagan.

#3-Let it be known that Shawna Michelle Flanagan is both legally and morally my daughter. Her name is Flanagan not Hampton.

Facts are: If the Wheeler Independent School District is having my daughter call herself Shauna Hampton, then they are illegally doing so.

Facts are: Kevin Hampton and Kim Hampton have been trying to force the issue where Kevin wants to adopt my daughter.

Facts are: I am trying very hard to keep my child support caught up and I am also providing medical insurance for my daughter.

Facts are: If these illegal acts continue, I will be forced to sue the school district and Kim and Kevin Hampton for fraud.

Facts are: I love my daughter. I am not stating that Kevin Hampton isn't taking good care of my daughter; because apparently he is. And, I do thank him for it. In more ways than one; in a good way.

I pray everyday for a good relation-ship with my daughter. In God's name, she's only 6 years old. I don't want my daughter growing up thinking lleft her or abandoned her, because I didn't. She doesn't understand that it's not her fault that her mom and I got a divorce. Well I tell you people, "No one including you can turn back the clock". I've made a few mistakes within the city of Wheeler over the last 20 years, that people just won't forget. Well, I'll tell you, Kim hasn't exactly been perfect either, but I don't see you condemning her. Why not? You

did me!

A special note to Kevin Hampton and My ex-wife: You don't know how much I personally would love to try and get along with both of you, so I can have a relationship with Shauna, I'll never give up my parental rights. She's my child, my flesh and blood. If anyone has any questions, feel free to write me at: Danny and Peggy Flanagan, 12670 N. 72 Dr., Peoria, AZ 85381

Thank you, Danny Flanagan

P.S. You all call yourselves Christian. Well, why don't you be more Christ-like. Jesus never turned down anyone. So therefore as Christians, won't you accept me? Please.

Both sides played so hard. Some on Ft. Elliott girls team were Andrea Hathaway, Tamera Hefley, Sarah Beth Zybach, Shana and Stormy Reeves, Chrystal Selby, Jessica Puryear, Shantell Meek and Savannah Estes. Good playing!

The Ft. Elliott Junior High boys defeated Allison Junior High in a very close game 36-33. By quarters the score was 6-12, 18-19, 25-23, and 36-33. Good playing. Some boys on the team were Junior Newman, Justin Bryant, Blaine Baker, Gradon Schaub, Josh Hilburn, Calvin Helton, Kelsey Zybach, George Helton, Steven Kephart and Jacob Puryear. Ft. Elliott J. V. boys also played Allison J. V and we won. Yea!

"God be with you till we meet again." Dave Pearson's Surprise 50th Birth-

day Celebration

Friends and fellow Briscoe Fire Department personnel gathered at Dyer's Barbeque at Pampa Saturday night to surprise Dave Pearson on his 50th birthday. Dave's brother, Glenn, and Cathie Pearson and Kajda from Stamford were weekend visitors. Also Dallas and Lindsey Fillingim and Ken Criswell from Canyon. Others there at Dyers were David and Phyllis Hefley, Darren and Chalone Hefley and Dawson from Tulia, Kristi Hefley from Lubbock, Bonnie and Richard Meadows and Reagan from Canyon. Mack and Patty Ann Shields, Jimmy and Tammy Maddox and Jennifer and Amber, Grant and Karen Meek, Larry and Vickey Nelson and Danny, Jimmy and Keri, Greg Koelzer, Scott and Kay Luttrell, Brandi Coomer and Kayleigh and a friend and Dean and Gena Seitz. Lots of crazy gag gifts; sometimes embarrassing.

Happy Birthday, David, and many more! David is Briscoe Fire Chief and has been very helpful to us and others. God bless you everyone!

Lois Hudson Travels

Lois Hudson has really been a gad about. Sunday, October 26, Lois flew to Dallas. Son, LeRoy Hudson, met her plane and took her to his house. Ernest Evans and Martha Glenn came and got Lois to visit them on Monday. (Ernest was married to Lois' sister, Beulah (Vaughn) now deceased). Ernest is 92, but gets around good. LeRoy and Lois flew to Florida Tuesday to visit LeRoy and Laverne's daughter, Brenda and Pete Shay and Heather and baby. Laverne drove her parents, T. C. and Mae Christian from Hamilton to Lakeland in a van. LeRoy and Laverne have bought a house in Florida and they all stayed there. But ate most of the meals at Brenda's house. Butch and Cindy Hudson flew in from Virginia for their special early Thanksgiving dinner at Brenda and Pete's. They enjoyed their time together. Lois was gone about 10 days. Friday Lois went to Amarillo to see a doctor and stayed with Sharon Grandstaff. Lois came back home Saturday and ate supper at Maxeys with B. F. and Margie Meadows.

Memphis would get on the score board midway through the fourth quarter on a 5 yard run by Josh Harrison, the extra point wasn't any good. Memphis cuts the lead 33-6.

Wheeler would not be out done as they take the next drive and go 71 yards and 3 plays. Brooks Brown goes over from 6 yards out, the kick fails. The Mustangs would take a 39-6 lead. That play was highlighted by a good run by Finsterwald, taking a pitch on the option gain and going down the field for 58 yards. The game would end with the Mustangs winning 39-6, that would cap a undefeated season for the Wheeler Mustangs, 10-0 all season, 5-0 in district as the out right district champions. The defense would lead for the Mustangs, making three interceptions, one by Ben Dollar, one by Juan Salas, one by Caleb Finsterwald. Don Hudgins strips the ball from the cyclones as he gets a fumble recovery. The defense played extremely well. Stats:

Whereas, This month provides an opportunity for all Americans to rededicate themselves to the principles of free choice and to reacquaint themselves with the rights and responsibilities that are theirs under the Fair Housing Law.

Now, Therefore, I, Wanda Herd, Mayor of the City of Wheeler, do hereby proclaim December 1999 as:

Fair Housing Month in the City of Wheeler

and urge my fellow citizens to join me in reaffirming the obligation and commitment to fair housing opportunities for all people.

> Let all within the reach of this proclamation heed its directive.

By her Honor the Mayor of the City of Wheeler, Texas.
