Sunray Bobcats Stomped by Mustangs, 35-7

Kyle Masters, #88, catches the ball and goes in for the TD

The Wheeler Mustangs traveled to Sunray last Friday night to play the second game of the 1999 season. The Mustangs would enter the ball game at 1-0 after beating Wichita Falls JV while Sunray would enter the ballgame also 1-0 as they defeated Texhoma in their first ball game. For the Mustangs this would be a game of balance, as the Mustangs would see five different people score. It was also a game in which the Mustangs controlled the mind set, as they controlled the first three quarters which allowed the JV kids or the younger kids to play the fourth period and get some experience, and playing time in a Varsity football game.

The Mustangs open scoring with 7:20 in the first quarter as Michael Hawks goes over from left tackle from four yards out, Ben Dollar's kick is good and the Mustangs will take a 7-0 lead.

Caleb Finsterwald will get the second touchdown for the Mustangs as he goes on the left tackle for four yards again Ben Dollar's kick is good. The Mustangs take a 14-0 lead, with 10:32 in the second quarter.

On the kick off the Mustangs will recover a fumble and have to cover the ball as Ben Dollar pushes the ball towards the Sunray sideline, Craig Bass would recover it.

On the very next play Brooks Brown would hit Donny Phipps for a 30 yard TD pass. Ben Dollar gets the extra point kicked. The Mustangs would take a 21-0 lead with 16 seconds after they had taken the 14-0 lead.

Mustang defense would play extremely well throughout the first quarter and the second quarter until the 4 and a half minute mark before they allow Sunray a first down. The half went in on a good note with the

Donnie Phipps, #21, carries one across for the score.

Mustangs ahead 21-0. Brooks Brown would open the scoring in the third quarter as he goes around right end for 24 yards, Ben Dollar again gets

LA RESPUESTA

Juan. 3:16. PORQUE DE TAL MANERA AMO DIOS AL MUNDO, QUE ADADO A SU HIJO UNIGENITO PARA QUE TODO AQUEL QUE EN CREE NO SE, PIERDA MAS TENGA VIDA ETERNA. es uno de los vrs. mas conocidos de la Biblia. La frase "de tal manera amo DIOS al mundo" expresa el Amor de DIOS al darnos a su Hijo. La frase "Hijo unigenito" no describe a Jesucristo como el primogenito de la creacion de DIOS. Jesucristo es DIOS y estaba en el principio con DIOS (Juan 1:1). La ultima parte de Jn. 3:16. repite el vrs. 15. La vida que es "eterna" no tiene fin. No es eternidad sin limite de tiempo sino tiempo sin fin. AMIGO DIOS quiere darte vida eterna ven a EL. Iglesia cristiana CANAAN WHEELER TX.

independent administrator. Semifinalists will be required to complete a more detailed application and submit additional information, including a 250-word essay.

"We want to emphasize the importance of academic achievement for young people while encouraging participation in sports and fitness activities," said Footaction President Shawn Neville. "Footaction believes that while academic achievement is admirable and important, those stu-

dents who have performed at a high level in the classroom while also participating in sports are unique and should be rewarded."

Pat Footaction scholarship winners have gone on to attend a number of the nation's most respected universities, including Harvard, Yale, Georgetown, USC, Notre Dame, Duke, Princeton, and Dartmouth.

For more information or to request an application, call the toll-free hotline at 800-521-2123 or visit the Footaction USA website at <http://www.footaction.com>.

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS
Special Election
NOVEMBER 2, 1999

PROPOSITION NO. 1 ON THE BALLOT

HJR 44 - HJR 44 proposes a constitutional amendment that would ensure a clear succession in event of vacancies in the offices of Governor and Lieutenant Governor. Specifically, the amendment would provide that if after qualifying for the office, the Governor is temporarily unable to serve, the Lieutenant Governor shall act as Governor until the Governor is able to serve; but if the Governor is permanently unable to serve, the Lieutenant Governor shall become the Governor for the remainder of the unexpired term. The amendment would require a Lieutenant Governor who becomes Governor to forfeit the office of Lieutenant Governor. The amendment would also provide similar succession procedures when a vacancy occurs in the office of Governor before the newly elected Governor qualifies for office, and when the newly elected Governor is temporarily unable to take office. The amendment also would provide that if there is a temporary vacancy in the office of Lieutenant Governor, the President pro tempore of the Senate will fill the position; but if there is a permanent vacancy in the office of Lieutenant Governor, the President pro tempore of the Senate shall serve as Lieutenant Governor until such time as the whole senate can convene to elect one of its members to perform the duties of Lieutenant Governor. Finally, the amendment would provide that if the Lieutenant Governor, while temporarily exercising the powers of the Governor, becomes temporarily disabled or unable to serve, the President pro tempore of the senate shall exercise the powers and authority of the office of the Governor until such time as the Governor or Lieutenant Governor resumes those powers and duties.

PROPOSITION NO. 2 ON THE BALLOT

SJR 12 - SJR 12 proposes a constitutional amendment that would resolve conflicts between the Texas Constitution and federal law relating to the definition, rules, and procedures of reverse mortgages. The amendment would define "reverse mortgage" in part as an extension of credit made against the homestead of a person who is 62 years or older, or whose spouse is 62 years or older. It would expand the list of circumstances under which payment of principal and interest become due and the procedures involved in foreclosure, and would require certain advances to be made according to specific terms in loan documents, including advances by the lender, on behalf of the borrower for payments necessary to protect the lender's interest. Finally, the amendment would require the Texas Supreme Court to promulgate rules of civil procedure expediting court-ordered foreclosures of reverse mortgage loans.

PROPOSITION NO. 3 ON THE BALLOT

HJR 62 - HJR 62 proposes a constitutional

proposed amendment would clarify current law by specifically allowing home equity loans on all or part of urban homesteads of up to ten acres and subject such loans to the same requirement that the refinanced or new loan not overburden the homestead.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment increasing the maximum size of an urban homestead to 10 acres, prescribing permissible uses of urban homesteads, and preventing the overburdening of a homestead."

PROPOSITION NO. 7 ON THE BALLOT

HJR 16 - HJR 16 proposes a constitutional amendment that would provide that if an employee is delinquent in paying court-ordered spousal maintenance, a portion of that employee's wages may be withheld to pay the spousal maintenance. Current law allows such withholding, or garnishment, only for payment of delinquent court-ordered child support.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing garnishment of wages for the enforcement of court-ordered spousal maintenance."

PROPOSITION NO. 8 ON THE BALLOT

HJR 95 - HJR 95 proposes a constitutional amendment that would provide that the adjutant general, who is appointed by the Governor and who serves as the governing officer of the state military forces, serves as long as the Governor wishes the appointed person to serve in that capacity rather than serving a specific two-year term set by the legislature.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide that the adjutant general serves at the pleasure of the governor."

PROPOSITION NO. 9 ON THE BALLOT

SJR 10 - SJR 10 proposes a constitutional amendment that would authorize the legislature to create a judicial compensation committee to make recommendations for salaries for the justices and judges of the Supreme Court, the Court of Criminal Appeals, the Courts of Appeals, and the District Courts. The amendment would mandate that the recommendations become law if neither the Senate nor the House of Representatives rejects them by majority vote.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to create a judicial compensation commission."

PROPOSITION NO. 10 ON THE BALLOT

HJR 74 - HJR 74 proposes a constitutional amendment that would provide that the commissioner of health and human services, who is appointed by the Governor, serves as long as the Governor wishes the appointed person to serve in that capacity rather than serving a specific two-year term set by the legislature.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide that the commissioner of health and human services serves at the pleasure of the governor."

PROPOSITION NO. 11 ON THE BALLOT

HJR 69 - HJR 69 proposes a constitutional amendment that would authorize a county, city, town, or other political subdivision to

Congratulations to Gary and Regina Bryant on the birth of their new baby girl, Sarah Grace, born at Amarillo Thursday, Sept. 9, and weighing 8 pounds and 6 ounces and 20 1/2" long. She has lots of black hair. Gary and Boyce Crowover work with computers for a relative, I think.
Friday, Greg Bryant graduated from Great Lakes Naval Academy Boot Camp. Mike and Beverly Bryant and Greg's wife, Linney, went up for graduation. Greg will be stationed there and going to radioman school. Linney can go with him in a month or so.
Sincere sympathy to family and friends of Clyde W. Vinson, 80, of Allison in his death.

Andy and Lisa Singleton and Phillip and Katie, Gayle and Helen Singleton, Maralee Singleton, Randy and Kathi Singleton and Ed and Laurel Hershman.
Work has started on a new house for Bill and Tonya Finsterwald and Brandon south of Highway 1046 and east of Boy Scout Road. We are happy for you! Calderon Construction is building it. Really going up.
Several teachers and staff and some kids of Ft. Elliott Elementary have been going to the Pampa Community pool frequently for exercise and stress reduction and social good. Others are invited to join them when they can. They swim at night.
Ft. Elliott elementary teachers and staff are sponsoring a St. Jude's bikeathon, in-line skating and walking to raise money for St. Jude's. All money donated goes direct to St. Jude's. Teachers will furnish refreshments and prizes. They will start at Mobeetie at the Ft. Elliott School and go east on Fourth Street to the Forbes house road. Time is 9-11 a.m. Saturday, Sept. 18. Girls Scouts will help with refreshments. All donations appreciated. St. Jude's cares for seriously ill children.
Andy and Lisa Singleton and Phillip and Katie and Randy and Kathi Singleton all spent Saturday night with Lisa's parents, Harold and Kathryn Jones, near Wheeler. Gayle and Helen and Maralee spent Saturday night in Wheeler with Ed and Laurel Hershman. Sunday, Laurel and Ed went to Oklahoma City to see their son, Troy Hershman. He is an assistant Athletic Trainer, traveling with the Indiana State University football team from Terre Haute, Indiana to Norman, Okla. Very early in the game, a player tackled an opponent and broke a vertebrae in his neck that supports the head. He was taken to Oklahoma City and will be flown back to Indiana. Troy needed to stay with the player till he got sent back. Ed and Laurel welcome any opportunity to visit with their kids. They also needed prayer support. And Troy and the player needed clothes and transportation to go get them. The weekend before a player on the team had been seriously injured in Iowa with a neck injury. Pray for the player and Troy.
"God is concerned about and constantly involved with the lives of His people—whether we immediately see His hand at work or not."
Bessie Calloway had the misfortune to have a stone form in the saliva gland in her jaw. It was pretty large and caused her jaw to swell. A doctor at Amarillo removed it; he said it was the largest one he had ever seen.
There were large crowds out to the volleyball tournament at Briscoe Saturday to see some mighty good games. Stock Show Boosters were serving delicious concessions, calling lines, keeping clock and stats, etc. Something new at concession stand was polish sausage wrap with sausage and slice of cheese in a small tortilla. Hamburger fixings could be added to it as desired. Kevin Meek and Kevin Ratliff cooked way over 100 hamburgers and lots of polish sausage in an outside cooker. Homemade ice cream, nachos and other things were also served. Baked potatoes.
Fat and Wanda Childress visited John and Carolyn Stokes Wednesday and they ate together at Furr's. Good to see them all. Long time friends.
Glad Gary Morris got to come out to

PROPOSITION NO. 15 ON THE BALLOT
HJR 36 - HJR 36 proposes a constitutional amendment that would allow spouses, by an agreement in writing, to convert all or part of their separate property into community property. Separate property is primarily the property owned or claimed by the spouse before marriage and the property acquired by the spouse during the marriage by gift or inheritance. Community property consists of the property, other than separate property, acquired by either spouse during marriage.
The proposed amendment will appear on the ballot as follows: "The constitutional amendment permitting spouses to agree to convert separate property to community property."

PROPOSITION NO. 16 ON THE BALLOT

HJR 71 - HJR 71 proposes a constitutional amendment that would allow a county with a population of 50,000 or more, rather than 30,000 or more, to be divided into four to eight justice of the peace and constable precincts. The amendment would allow a county with a population between 18,000 and 50,000 to have two to eight justice of the peace and constable precincts, rather than the current maximum of five precincts. Furthermore, the amendment would limit Randall County to not less than two and not more than six precincts. Finally, the amendment would set a minimum of four precincts for any county that as of November 2, 1999, is divided into four or more precincts.

PROPOSITION NO. 17 ON THE BALLOT

HJR 58 - HJR 58 proposes a constitutional amendment which would require the board of regents of the University of Texas System to manage investments of the permanent university fund (PUF) according to the standards of a prudent investor. Generally, earnings from the PUF are distributed to the available university fund (AUF) and then ultimately distributed to the public university systems of Texas. Under the amendment, the amount distributed to the AUF would consist of distributions, as determined by the University of Texas System board of regents, from the total return on all investment assets of the PUF, instead of consisting only of the dividends, interest, and other income of the PUF minus administrative expenses. The amendment also would provide guidelines for minimum and maximum amounts to be distributed to the AUF, and require that the board of regents manage distributions to the AUF in a manner that will provide the AUF with a stable and predictable stream of annual distributions and maintain the purchasing power of the PUF investments and annual distributions to the AUF.

PROPOSITION NO. 18 ON THE BALLOT

The proposed amendment will appear on the ballot as follows: "The constitutional amendment relating to the investment of the permanent university fund and the distribution from the permanent university fund to the available university fund."

PROPOSITION NO. 19 ON THE BALLOT

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que apareceran en la boleta el 2 de noviembre de 1999. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llama al 1/800/252/8683 or por escribir al Secretario de Estado, P.O. Box 12060, Austin, Tx 78711.

PROPOSITION NO. 20 ON THE BALLOT

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide that a state board, commission, or other agency shall be governed by a board composed of an odd number of three or more members."

the Old Settler's Day at Mobeetie. Thanks, Michael Killingsworth for bringing him out. Hope you can come out to XYZ next time, Oct. 1.

Oleta Rogers had a nice 76th birthday on August 27. She got 15 cards and a plant and a cake. Son, Matt, took her to lunch at Furr's in Plainview. Happy Birthday, Oleta.

Sincere sympathy to family and friends of Leo Thompson, 58, of Canadian in his death. He was very active in many things in Canadian.

Nice to have Joe and Sherry Waggoner join us for supper at Maxeys Friday night. Also there were Lee and Pam Hibler with Michael and wife and children, Shellie Hunt and Kelley Swift and many more.

Nice to have JoAnn Morgenstern meet us for supper Tuesday night at Canadian Pizza Hut. Coy and Hazel Bennett from Perryton were there making music on dulcimer, spoons and harmonicas. Sounds good. Special people. Enjoyed visiting with them. They will be back in 4 weeks, Tuesday, Oct. 5, from 6-9 p.m. The Bennetts go to three other Pizza Huts.

Nice to have Homer Sanders and Edna May join us for supper at Maxeys Thursday for a good visit. Good to see Sam and Amanda Childress with Jayton, Garrett and Jarrett there. Beautiful little family. Also Grant and Karen Meek there.

Jerry Davis and friend, Chris, from Pampa came bird hunting. About 9, they walked in Thursday night. Their pickup had caught on fire. They got it out and tried to repair, but wouldn't start. We loaned them a pickup to get back to town in. But they got stopped twice for no headlight on one side. We didn't know the headlight was out.

Gene and Norma Keelin and Tracy and Rosalie Keelin went to Childress Sunday to a Keelin family reunion at the Community Building. A delicious

Della Wolf visited Rosalie Keelin Monday afternoon.

There will be no more 1998-99 Ft. Elliott Annuals. It was going to cost an awful amount to get a few more.

I appreciate efforts to make medicines safe so small children can't open them, but how about us oldies that can't get the tops off? Some are impossible.

Keep praying for Monroe and Nadine Reynolds. He is still at home and has some help from kids and hospice, but he is in a very weak condition and can do very little. Love to you, two sweet people. Miss seeing you around!

Barbara Austin submitted this delicious, easy to make recipe for something different:

Overnight Southwestern Egg Bake
12 large eggs
1/2 cup half and half or milk
1-11 oz. can Green Giant Mexicorn (Whole corn, red and green peppers)

10-6" soft corn tortillas, but into quarters
1 cup shredded cheddar or Monterey Jack cheese (4 oz.)
2 cups salsa
1 cup sour cream
1 cup prepared guacamole

Generously grease 13x9x2 inch (3 quart) baking dish. In a large bowl combine eggs and milk; beat slightly. Drain corn and sir into egg mixture. Arrange tortillas on bottom of greased dish. Pour egg mixture over tortillas. Sprinkle with cheese. Cover and refrigerate overnight. Heat oven to 375 degrees, cover casserole with foil. Bake 25-30 min. or edges just set. Let stand covered 5 minutes. Uncover and serve with Salsa, sour cream guacamole. 12-15 servings.

Get out those pictures of the kids and grandkids and share them with us. We need pictures for Eastern Panhandle's ad. It doesn't cost anything and you have the pleasure of seeing the picture in print.

Guy, Cathi, Dorcie and Pipp were in Oklahoma City over the weekend. The Gillette Brothers, Guy and Pipp, performed through the weekend at the Cowboy Hall of Fame. The chuckwagon was also on display for the opening of the Gaylord addition to the hall. The Gillettes play and sing cowboy songs.

Cathi and Dorcie joined us at the Longs, as did our college student, Ronal Jr.

Brice and Jennifer had gone to Sherman Thursday to attend a S&S football game. Jessica Stas, a freshman at S&S, is a cheerleader. They returned home to a full house.

I know you are going to find this hard to believe, but I got in only two games of cards—Skipbo—with Ronal Jr. over the weekend.

And, we did not get to play Monday evening. Mike had a board meeting, Barbara was ill and I had to work. Hopefully tonight's game will be on schedule.

Sylvia Schafer, Brother Reunited After 30 Years

(Editor's Note: Sylvia Schafer of Wheeler was adopted at an early age. She knew her mother as an aunt and was aware of having other brothers and sisters. She wrote the following article after having met with one of her brothers.)

What do you say to a brother after a 30 year separation? The same thing you would say to a sibling you saw yesterday. Was I worried that I wouldn't recognize Ray and Fran Wood of Everett, Wash. when they stepped off the ramp at the Oklahoma City Airport? Yes, I was. Did I recognize them. You bet. Thus began the most wonderful visit and the best gift, John and I have received in a long time.

About a year ago I had looked up Ray's address and phone number on the internet. Called them and encouraged them to get e-mail. A trip was planned and on August 28 they arrived.

On August 29, John and I hosted a get together and three of our boys got to meet their Uncle. (Our oldest son Johnny and his wife met them in Houston where they had a three hour lay over.) Attending Sunday: Dean, Susan, Brandon, Mabelle, and Morgan Schaffer of Amarillo; Robb Schaffer of Wheeler; Kenn, Janean, Sarah, and Kinny Schaffer of Erick, OK, Sam and Patsy Schaffer, Wellington, Doris and Bud Boody, Wheeler and Barbara Clark and Joe Edwards, Erick, OK.

On July 5 and 6 Milton and Jan Gerhardt of Snohomish, Washington visited with us. Milton is a former brother-in-law of mine. We hadn't seen them in 37 years.

Can it be any better? Yeah, it can. My little sister from Oregon, and her husband are planning to visit in February or March. I haven't seen her since she was eight years old.

as the third quarter expired. Brown hit Masters for a 63 yard TD pass. Ben Dollar's kick is good, which made it 35-0. It was the first time in a long time that the Mustangs went 5-5 in the extra point department.

The fourth quarter would see that the Wheeler Mustangs would substitute freely as they got their second team kids and also a bunch of the JV kids in the ball game both offensively and defensively although the JV would not be able to move the ball. They did play good defense before Sunray was able to nail the drive late in the ball game. With 1:23 left to go in the fourth quarter Sunray would score on the dreaded one yard one run, Landon Morton's kick was good. The Bobcat cut the Mustang's lead to 35-7.

This was a game where the Mustangs would play well throughout the night again several key plays and key runs would be called back because of penalties as the Mustangs would be flagged 16 times for 135 yards. The Mustangs did have two touchdowns called back because of penalties. This would be something the Mustangs would work on to try to eliminate as they worked toward playing the Wellington Skyrocks this next week on Friday night at Wellington.

'King of the Road' Will Be Moving To Beaumont

KECO radio personality Jim King recently journeyed to Orlando, Florida for the National Association of Broadcaster's annual Marconi awards banquet. King was one of 5 nominees nation-wide for Radio Personality of the Year award. "I didn't win," King reported. "But just being nominated was an award in it's self."

King has done his fair share highlighting Western Oklahoma. He has attended an average of 100 community events each year. The Oklahoma Blood Institute honored King and KECO for helping to make Elk City the number one community in the state for the amount of blood donated.

King will be moving his popular "King of the Road" show to Beaumont, Texas at the end of this month. He will be hosting the afternoon show on KYKR "Kicker" 95.1. "It was a tough decision to make," King said. "I do love this area and have made many good friends here. But this is an upward move for my career and I can't turn down the offer." King has been with KECO since 1995 when he moved from a radio station in Odessa, Texas. "KECO, Blake Brewer and all of the folks in Western Oklahoma and the Texas panhandle have been great!"

King, who was Oklahoma's Non-Metro Radio Personality of the Year for 1997, will be honored with two going away parties. King attends First Love Christian fellowship at 20th and Randall in Elk City. Following Sunday morning services at about 12:15 on September 19th, will be a potluck dinner where he will be presented with a memory quilt made by Gerie Rennels. "We have to make sure he doesn't forget us," Mrs. Rennels said. "Anyone who wishes to add a memento to the quilt can bring it with them on Sunday." For information on the second going away party on Wednesday, September 22nd call 243-1300 for a recorded message giving details.
