

DAIRY MEN OF COUNTY ASKED TO SHOW ANIMALS

Owners of dairy stock in Wheeler and adjoining counties are asked to enter exhibits in the Dairy Day Show to be held at Shamrock on Saturday, September 14.

The show is being put on with the cooperation of Hubert Martin, county farm agent; Red Garrison, assistant agent; V. H. Hardcastle, administrative officer of the Wheeler County ACA; Howard Weatherly, Shamrock vocational agriculture instructor, and leading dairymen of the section.

The cattle classes will be open to all breeds of dairy cattle, registered as well as grades. Ray Tatum, chairman of the Dairy Committee, said. Cattle will be judged by classes, rather than by individual score, and an interesting feature will be a amateur judging contest in which all spectators will be eligible to enter. Valuable merchandise prizes will be awarded winners of both adult and junior judging contests.

The dairy show will be held at the large Tisdal Truck & Implement building, corner North Madison and Second streets, instead of the high school gymnasium as previously announced. Shop equipment will be moved to make room for the animals, and one block of East Second street, adjacent to the building, will be roped off to accommodate the crowd expected for the amateur judging contest.

Official judging will be done by experts from Texas A. & M. College Extension Service and will be on a classification basis. Each animal will be competing with the ideal type rather than other animals at the show. Animals will be classed: excellent, very good, good plus and good. Individual awards will go to the best female and the best bull and three daughters.

It will be required that all cattle entered have been Bang's tested not more than 30 days before show date. Howard Weatherly, chairman of the cattle committee, said he will contact herd owners far enough in advance to arrange to have their cattle tested by a licensed veterinarian.

Assisting Weatherly on the committee are: Dola Gragg, Bob Douglas, of Shamrock; Jimmie Eadsell of Wheeler, and John Hodges of Mobeetie.

NO SHORTAGE OF WATER YET

While most towns of the Panhandle are rationing water and some are hauling it in by the tankful for drinking purposes, Wheeler so far has an ample supply to meet its needs, Mayor R. H. Forrester said this week.

Residents are cautioned not to get the idea there is an abundance of water, Mayor Forrester said, but if people are sparing in the use of water it is believed rationing will become unnecessary. At least, if an ordinary amount of late summer rainfall is forthcoming.

Wheeler needs another well; in fact another well is available whenever pumping facilities can be had at a reasonable figure, the Mayor said. The present demand is taking all of the available supply and a reserve should be accessible if needed.

At Shamrock the wells are being pumped to capacity and residents were asked three weeks ago to irrigate lawns and gardens only four hours per day, two days a week. The city swimming pool has been closed down. Mayor Bill Walker reported Wednesday "the situation is not any better."

Pampa reports a daily deficit of half a million gallons. Consumption at Wellington is 526,000 gallons daily and rationing has been invoked. Sprinkling is permitted only twice weekly.

Other towns reporting shortages of serious proportions include Tucumcari, Memphis, Dumas, Hollis, Lamasa, Canyon, and Happy. McLean is one of the few towns to report ample supply to meet current demands.

Charles Hubbard and Lloyd Johnson spent the week end in Canyon.

MOBEETIE TO HOLD REVIVAL

A revival meeting will open at the Mobeetie Baptist church next Sunday, August 18, and continue through September 1, with Rev. Marvel Upton of White Deer, in the pulpit.

Bryon D. Hardgrove, Burleson, Tex., evangelistic singer, will be in charge of gospel singing.

The Mobeetie church auditorium is air conditioned. The public is cordially invited.

WHEELER BOYS SCORE HIGHEST

Each year at Lake McClellan at the district 4-H club encampment there is a rifle shooting contest for all boys who attend the camp. This contest is one of the major contests held at the camp and the one contest in which all the boys are interested.

This year arrangements were made for some very nice prizes for those with the highest scores. The boys were divided into two groups according to their age, Boys 10 to 13 years old were in the junior division and the ones who are 14 or older were in the senior group. The first place winner in each group was presented with a 22 rifle. Ribbons were awarded to the next 9 places.

In the senior division the boys with the three highest scores get a trip to A. and M. College the latter part of this month where they will represent this district at the state-wide rifle contest being held there at that time.

Kenneth Killingsworth, Kelton, was third place winner in the senior division which entitles him to the free trip to A. and M. Bud Harris, Kelton, was fifth in the senior division, trailing Kenneth by two points. Kenneth's score was 197; Bud's 195.

The proudest of the boys was Eugene Collingsworth of Bethel when they announced him first place winner of the Junior division. He is very proud of the rifle which was presented to him. Two other boys from Wheeler County gave Eugene some very keen competition. The second prize winner was Bill Godwin of Mobeetie whose score was just one point lower than Eugene's. Kenneth Whitley of Kelton won fourth in the junior division with a score of 107.

Other Wheeler County Boys who scored high but failed to place in this contest were Charles Ambler, Twitty and Max Baird and David Britt of Kelton.

There were 300 contestants and Wheeler County had more winners than any other county.

WHEELER AND KELTON IN TIE FOR TOP PLACE

T-O LEAGUE STANDINGS (Second Half Season)

Team	Won	Lost	Pct.
Wheeler	3	1	.750
Kelton	3	1	.750
Briscoe-Allison	2	1	.667
Sweetwater	1	2	.337
Mobeetie	1	3	.250
Miami	1	3	.250

Wheeler and Kelton won games Sunday to jump into a 2-way tie for the second half of the T-O League season.

The Countyseaters trounced Miami 17 to 5 at Wheeler while Kelton laced Mobeetie 20 to 10, at Kelton.

After trailing Miami 2 to 0, Wheeler opened up in the third inning for 4 tallies, and never let up. Wheeler made 9 runs in the sixth, one in the seventh and 3 in the eighth. Miami scores 2 in eighth and one in the ninth.

Miami outthrew Wheeler, annexing 11 clean ones while Wheeler got 9, but the error jinx hit the visiting team, causing 12 misplays to 4 errors for Wheeler. Darnell and Cosper pitched for Wheeler and Arrington and Bings for Miami.

The Kelton-Mobeetie contest was featured by the effective pitching of Oscar Johnson who took over the Kelton mound in the middle of the third inning after Ed Killingsworth lost control. Johnson went the remainder of the route. The hitters were paced by Kid Henderson and David Britt of Kelton, who hit homers, and by Wallace Corsc of Mobeetie who also clouted a 4-baser.

On its open date next Sunday, Kelton will play the fast Erick, Okla., team on the Kelton diamond in what promises to be a hard fought game. Erick has won the two previous encounters this season between the teams and is the only club in this section to hold an edge on Kelton in the year's play.

Briscoe-Allison and Sweetwater had open dates last week. Games scheduled for next Sunday, August 18, are: Briscoe-Allison at Miami; Sweetwater at Mobeetie, and Wheeler and Kelton, no scheduled league games.

City Drug Store Has Carnival of Values

The City Drug Store announces a Rexall Carnival of Values in a large advertisement on the back page of this week's Times. The sale is storewide and Lonnie Lee, manager of the City Drug, invites the public to avail itself of this opportunity to stock up on Fall and Winter needs at money saving prices.

BAPTISTS TO MEET SEPT. 5

The program has been announced for the thirty-third annual session of the North Fork Baptist association to be held at the First Baptist church of Lefors on September 5, and several Wheeler county people will take a prominent part in the day-long session.

Rev. P. D. Fullingim, Wheeler pastor, will deliver the annual sermon to the assembly at 11:30 o'clock Thursday morning, September 5. Rev. B. C. Stonecipher will give the Scripture and prayer at the morning session and Tom Montgomery will bring a report on Sunday school work.

Mrs. C. A. Dysart of Mobeetie will give a report on the Women's Missionary Union during the afternoon session.

The annual North Fork session opens at 9:30 o'clock on the morning of September 5, adjourning at 12 noon for lunch. Re-convening at 1:30 session will be held until 6 p. m. when it will recess for supper. The evening session takes up at 7 o'clock and lasts until 9.

Lester Hathaway In Magic City Meeting

Evangelist Lester Hathaway of Mobeetie is now in a Gospel meeting at the Church of Christ at Magic City.

The meeting will continue through Wednesday night, August 21, and the public is invited to attend the services.

Mrs. Bertha Ong Is Honored At Dinner

A reunion of the Miller family was held Sunday, Aug. 4, at the old home place, now the home of Mr. and Mrs. Zack Miller, in the Myrtle community. The dinner was given in the honor of the only sister, Mrs. Bertha Ong of Nampa, Idaho.

All the immediate family was present, also a host of relatives and friends.

Those enjoying the dinner were: Mr. and Mrs. Earl Miller and family, Mr. and Mrs. Elmer Miller and family, Mr. and Mrs. Author Miller, Mr. and Mrs. Arch Miller, Mr. Hank Miller, Mr. and Mrs. Zack Miller, Mr. and Mrs. Domer Reed and family, Mr. and Mrs. M. A. Miller, Mr. and Mrs. Rex Miller and family, Mr. and Mrs. Grayford McCarthy and family of Dalhart, Mr. and Mrs. Troy Miller and family, Mr. and Mrs. Buck Miller and family, Mrs. Clint Higgins and sons of Briscoe, Mrs. Ruby Robinson, Mr. Zack Andrews, Mr. and Mrs. W. A. Sorenson and family, Mr. and Mrs. A. E. Dillon of Allison and the honoree, Mrs. Bertha Ong.

23 4-H BOYS ATTEND CAMP

Twenty-three Wheeler County 4-H Club boys attended the district encampment at Lake McClellan on August 5 to 7. The boys were accompanied by the county agent, Robert Martin, the assistant agent, C. E. Garrison, and a sponsor, Ben Graham of Wheeler. Demonstrations were given on wheat, grain sorghums, wood work, wood sewing, and the technique of rifle shooting. A lecture on native pasture grass was given by Quentin Williams, Pampa SCS.

For recreation the boys had buddy swimming, played soft ball, pitched horse shoes and washers, had a rifle contest and rode in the motor boat.

The following boys attended from Wheeler County: Kenneth Vines, Gene Watson, James Clark, Curtis Steen, Doyle Greenhouse, Tom Leman, Kenneth Richardson, David Abbott, Paul Graham, Kenneth Whitley, Douglas Corse, Billy Godwin, Charles Ambler, Max Baird, Eugene Collingsworth, Billy Ray Jones, Ray Johnson, Jackie Ray Taylor, David Britt, Bud Harris, Kenneth Killingsworth, Richard Higgins, and Dwight Higgins.

PAMPA RODEO OPENS FRIDAY

A large number of local folk will attend Pampa's big annual frontier event—the Top O' Texas Rodeo and Quarter Horse Show, Friday, Saturday and Sunday.

Every department of the show reports record-breaking numbers of entries. One of the important all-amateur contestant rodeos of the west, Top O' Texas this year has drawn a greater number of entries in both the cowhand and cowgirl divisions of the arena show than it ever had before, or any similar event in its territory, ever had.

The same condition prevails in the quarter horse division. A greater list of entries has been received than ever showed at a similar event in this territory, and the new quarter horse even—an actual performance contest in the arena sponsored by the National Quarter Horse Breeders Association—has been received with equal enthusiasm.

Probably no part of the Top O' Texas Rodeo will attract the attention that the All-West Parade, the division staged by Pampa's own citizenry the afternoon of August 16, opening day. This down town pageant will be as typical of the western spirit as care and study can make it, and awards promised to top performers has developed a keen rivalry. The All-West Parade will be free to the public, and Pampa has sent delegations and invitations everywhere in its territory to invite visitors.

Advance estimates of the crowd to attend the Top O' Texas Rodeo and Quarter Horse Show are also record-breaking. However, the grandstand capacity of the Pampa exhibition grounds is equal to almost any crowd that can be expected to gather for any outdoor spectacle, so visitors are urged to feel welcome and assured of seats, and ample accommodations otherwise.

LOCAL SCHOOLS CAN APPLY FOR LUNCH PROJECT

Schools in Wheeler County may make requests now for participating in the community school lunch program for the next term.

According to information sent to the local board by Dan L. Boyd district director, all applications should be sent to the State Department of Education, School Lunch Division, Austin, Texas, the agency which is working jointly with the U. S. Department of Agriculture in handling the program.

The school lunch program has operated for several on a year-to-year basis but recently was made a permanent government program. State and federal government will contribute to its support, with federal grants-in-aid being supplemented by funds and other services within the state, Boyd explained.

Primary purposes of the program which has gained in popularity and growth in the county are to provide growing children with wholesome foods they need for maximum health and to create and expand markets for agricultural products.

Any public or non-profit private school or high school grade or under, meeting certain requirements may participate in the program, Boyd continued.

As in the past, community school lunch rooms will be operated by local sponsors which may be school boards, Parent-Teachers Associations, or civic groups. Responsibilities include seeing that necessary food is bought and properly stored, that the right amounts and kinds of good foods are served, that each child may have a daily lunch regardless of his ability to pay, and that there is no discrimination between paying and non-paying children.

PERRYTON WILL HOLD BIRTHDAY

A GI-run show is just what Perryton's 27th Anniversary Celebration on Wednesday - Thursday, Aug. 21-22 is going to be. The big birthday party, first since the pre-war 1941 fete, will be under the auspices of the Junior Chamber of Commerce an almost 100 per cent veterans' organization.

Preparations are being made to handle the two-day celebration. Food sufficient to feed 10,000 persons is being prepared for the big free barbecue at noon on Aug. 22.

Over 1,000 couples can dance with plenty of room on the largest indoor dance floor in the Southwest. Just think, 16,000 sq. ft. of floor, with music by Bob Willis and his Texas Playboys, America's most versatile dance band, stars of Columbia recordings with entertainment galore. Willis plays for dances on Aug. 21-22, starting at 9:30 o'clock.

Top cowhands and rodeo contestants are already congregating for the two day rodeo of spills and thrills. The Perryton Roping Club, veteran producers of true Western shows, will present the rodeos at 2 p. m. on the 21st and 22nd. Events include calf roping, bronc riding, ribbon roping, bull riding, wild cow milking, wild mule race and cutting horse contest. Feature attractions are Louis Blair, Dundee, Tex., with his clown mule, "Gunpowder"; Homer Runsey, San Angelo, Tex., with "Pancho" the cowboy monkey; and the Bowyer Twins, Kingman, Kans. girl trick riders and ropers. Almost 200 head of the best rodeo stock in the Southwest will be furnished by Joe Bob James, Stratford, Tex., and the Canadian and Perryton roping clubs.

There'll be something doing from early morn to midnight and later each of the two days. Air Show, 10 a. m. to 12 noon, Aug. 21. Fireworks each evening 9 p. m. to 9:30 p. m. Gigantic street parade at 10 a. m. on Aug. 22. T. J. Tidwell's Carnival will open Aug. 19 for a weeks stand with midway shows, rides and concessions.

Mrs. Malcolm Crowder and children, Jerry and Earlene, of Lefors are visiting Mr. and Mrs. J. C. Crofford and other relatives.

Mrs. W. E. Swarthatout and son, Bert, left Wednesday for their home in Corsicana after visiting Mrs. Betty Taylor and Mrs. Hat-tie Womack.

CHURCH CHRIST HOLDS REVIVAL

Many of Wheeler's citizens are showing a keen interest in the revival meeting which is now in progress at the Church of Christ here. James W. Reynolds, Evangelist, of Borger, Texas is bringing a connected series of lessons in a clear, simple and forceful manner.

The song services are led by Mr. Ivan Lee Tucker of Amarillo. The younger set is taking a great interest in a 30 minute class of theory of music conducted by Mr. Tucker at 8 o'clock each evening.

These services are expected to continue well into next week with services at 10 a. m. and 8:30 p. m. daily.

The public is cordially invited to attend.

TWITTY GOSPEL MEETING OPENS

Worley R. Ferguson, minister of the Twitty Church of Christ, this week extended a cordial invitation to the people of this vicinity to attend a revival meeting at his church.

The meeting opened August 15 and will continue through Sunday, August 25, with sermons to be delivered twice daily by Gordon Teel, popular evangelist of Durant, Okla.

Services will be held at 10:45 a. m. and 8:30 p. m., Minister Ferguson stated.

In charge of the song services will be Hester Dodson, well known director of Twitty.

Evangelist Teel has become popular with church congregations in many cities through his "plain gospel preaching, Minister Worley declared.

"We welcome the people of this area to hear Evangelist Teel and take part in the revival services," Minister Worley stated.

American Legion Has Victory Day Picnic

The West-Passons Post of the American Legion held its first Annual V-J Victory Day picnic at the Finsterwald Ranch north of Wheeler Wednesday night with more than hundred members of the post, their families and a few friends present.

The affair was a howling success with plenty to eat and drink for all. Potato salad, deviled eggs and various trimmings were furnished by the Women's Auxiliary. The old-time barbecue, which was luscious, to put it mildly, was ably prepared by John Barr and Bill Lowrie.

The committee which was in charge of plans and preparations for the outing included the new post commander, Dr. Harold Nicholson, Max Wiley, Jim Risner, Luther Sides and Junior Jamison.

Mobeetie Methodist Revival In Progress

The Mobeetie Methodist church revival will continue through next Sunday and the public is invited to come out and hear Rev. Newton Daniels of Lefors, evangelist, give some stirring Gospel messages. Rev. Willie Matt Culwell of Pampa, is the singer.

The two ministers are among the outstanding men in the Clarendon district.

The Mobeetie Methodist revival began on August 9.

RAINFALL FOR 1946 IN AREA 13.77 INCHES

Total precipitation in the Wheeler-Shamrock area so far in 1946 has amounted to 13.34 inches compared to 13.77 inches last year and a 15-year average of 22 inches, according to statistics compiled by Roe Davidson of Shamrock, unofficial rain gauger.

The fact that Wheeler County as a whole lacks only .43 of an inch having received as much moisture so far this year as it did the entire 12 months of 1945 doesn't make it seem any wetter, does it? That is due to the fact that 1945 was by far the driest year ever recorded here, only 13.77 inches of moisture falling in this area during the 12-month period. So far this year, 13.34 inches of precipitation have been recorded. Last year, through the month of August, 11.06 inches was gauged.

Twenty-two inches of precipitation is considered normal for this section of the country. Davidson's records back through 1930, show that figure to be near correct. During the 16-year period, 1930 through 1945, the average moisture was 21.78 inches per year. During those 16 years, less than 20 inches per year was recorded six years.

The dry years were 1932 when only 19.38 inches of moisture was received; 1933 when 18.39 inches; 1938 with 17.90 inches; 1940 with 19.67 inches; 1934 with 17.86 inches; and 1945 with 13.77 inches.

During that period, 1941 was the wettest year with 43.45 inches. A recording of 36.45 inches was made in 1942 and 29.15 inches in 1944.

Year	Moisture	Yr.	Moisture
1930	21.95	1938	17.90
1931	21.72	1939	22.52
1932	19.38	1940	19.67

1937	20.51	1945	13.77
		1946	13.34

A month by month comparison of 1946, 1945 which was the driest year, and 1941, the wettest year, follows:

BRISCOE SCHOOL TO OPEN SEPTEMBER 2

Still short two teachers, the Briscoe school has set its opening for September 2, M. J. Coleman, superintendent, said this week.

A home economics instructor and grade school teacher are still needed to complete the faculty, Coleman said.

Faculty members besides Coleman are Miss Alice Estes, English, and Mrs. Coleman, Mrs. Sterling Price and Mrs. Willis Fullingim, grade school teachers.

Revival In Progress Near Purnell Station

Members of all churches, and non church members, are invited to attend the revival services which began Wednesday at Purnell's Filling Station corner, nine miles east of Wheeler.

Rev. and Mrs. J. Lewis Ingle, pastors of the Church of the Nazarene at Erick, have charge of the music. Preaching services are held at 8:30 p. m. daily.

New Mexico Visitor Honored At Picnic

Miss Mary Ruth Vinson of Hot Springs, N. M., who is visiting friends and relatives in Wheeler, was honored with a picnic dinner Monday night, August 12.

Guests for the dinner were: Mr. and Mrs. Ernest Dyer, Mr. and Mrs. Mathew Cantrill, Miss Lucille Hutchinson, Miss May Mitchell, Sunkey Green, Bailey Burgess, Roe Green and the honoree, Miss Vinson.

OPEN ROADS ARE CALLING

Plan Now...

FOR A PLEASANT VACATION

The highways are jammed with cars crowded with folks going on a summer vacation trip. Most of these cars are 7 or 8 years old. Naturally, there is a lot of car trouble and the garages along these vacation routes just can't take care of the demand for auto service and repairs.

If you are planning on an auto trip, be sure to get your car in as near perfect shape as possible before you start. We are anxious to help you have a trouble-free trip... so NOW bring your car to us for a complete and thorough inspection and "Check-up."

1 LET US CHECK YOUR MOTOR and see if all the parts are working alright. Look over your generator, your spark plugs, your battery, battery cables, fan belt, cooling system and see that everything is in good order.

2 BRAKES are most important. Poor brakes are dangerous. Too many reckless drivers are on the road for you to take chances. Your brakes should be in proper adjustment... and if needed be relied.

3 HEADLIGHTS should be correctly focused and adjusted. Faulty headlights are one of the greatest road hazards.

4 STEERING WHEEL AND WHEEL ALIGNMENT. If your steering wheel is loose and your car shimmies and shakes, you should be sure to have it corrected before you start out on a short or long trip.

Spend your time and money before you start on a trip and HAVE MORE TIME and MONEY to spend on your vacation.

Easy Payments on REPAIR JOBS

KELTON METHODISTS WILL HOLD REVIVAL

Revival services began at the Kelton Methodist Church on Friday night of last week with Rev. Hugh F. Blaylock, pastor of the Dodson Methodist Church, in the pulpit.

The revival meeting will continue through Sunday night, August 18, with morning and evening services. Rev. Vernon E. Willard, Shamrock Circuit Pastor, stated.

Rev. Blaylock, a returned Army Chaplain, is a very forceful and interesting speaker, and his messages will carry a gospel blessing for all who attend. Rev. Willard declared.

Rev. L. W. Davidson, Jr., also a returned Chaplain, will be in charge of the song services.

"We are expecting a fruitful revival and urge all who can to attend the services." Rev. Willard said.

The evening services will begin at 8 o'clock. Time of the morning services will be set at the initial meeting.

Mrs. W. W. Cox, Mrs. E. A. Lee and son, George, and daughter, Barbara, of San Angelo arrived Friday to visit with Mrs. M. McIlhany and Miss Blanche Granger.

Mr. and Mrs. T. S. Puckett and children left Monday for a week's vacation at Cowles, N. M.

Mr. and Mrs. Olin Maxwell of Burger were weekend visitors in Wheeler.

Mr. and Mrs. E. A. Russ of Lubbock visited Mr. and Mrs. R. G. and family Friday.

Allan Shivers Is People's Favorite

Senator Allan Shivers, in thanksgiving to the voters of Texas for the way they lead they gave him in the primary to make him the fa-

write candidate for lieutenant governor, also warned citizens that attempts will be made by undermining minority pressure groups to defeat him in the August 24 runoff.

The Jefferson County legislator, lawyer and farmer, pointed with pride to the overwhelming support which he received in his present home county and in the county where he was reared to manhood.

Shivers, a World War II combat veteran (the only veteran in his race), polled approximately 75 per cent of the votes in Jefferson County, his present home, and was a 25 to 1 favorite over his runoff opponent in Tyler County, where he spent his youth.

Senator Shivers led his runoff opponent by approximately 100,000 votes in Texas.

"I am deeply grateful for the confidence the people of Texas have shown in me and the progressive program for Texas which I advocate," Shivers said "I shall strive even harder to work for the welfare of Texas."

"Because I represent the masses of the people, there will be those who will oppose me," Shivers predicted. "I will not be swayed by these radical, minority groups—the C.I.O. noisemakers in particular. My opponent is welcome to the support which they are giving him. I will continue to fight for the right and welfare and progress of our people who make up the backbone of Texas."

New Iced Coffee Beverage Also Doubles As Dessert

An appetizing refreshment tray includes glasses of nourishing Iced Mocha and snack tidbits. This iced coffee drink is rich enough to be served with meals as combination beverage-dessert.

Iced Mocha is one warm-weather beverage that's as nourishing as it is refreshing. It's made from double-strength coffee, chocolate syrup and bottled milk. A cooling luncheon drink, it is rich enough to double as both dessert and beverage when served with a meal.

In preparing any iced coffee drink, it is most important to make a double-strength brew. This means using twice as much fresh, vacuum-packed coffee, in proportion to the water, as you do for regular-strength coffee. The amount of coffee and water given in this recipe will make a proper double-strength brew.

Iced Mocha (6 servings)

- 1 cup ground coffee
 - 2 cups water
 - 6 tablespoons chocolate syrup
 - 3 cups bottled milk
- Make double-strength coffee, using given amounts of coffee and water. Brew according to directions for your coffee maker. Then blend chocolate syrup with brewed coffee and allow to cool. Add milk and stir until well mixed. Pour over ice cubes or cracked ice in tall glasses and serve immediately.

NEW ARMY PAY SCALE GIVEN

S-Sgt. Bob Polk and Sgt. Bill Petty who are in Wheeler each Wednesday for the purpose of contacting men interested in joining the Army, this week gave the new wage scale which now prevails.

The recruiters pointed out that on July 1, a new pay raise went into effect for members of all Armed Forces. The new wage scale is: Private \$75.00; Private First Class \$80.00; Corporal \$90.00; Sergeant \$100.00; Staff Sergeant \$115.00; Technical Sergeant \$135.00; and Master Sergeant \$165.00.

The pay raise is only one of the advantages offered by the Army, the recruiters state. The family allowance is still in effect and the G. I. Bill of Rights is still good. When a married man enlists in the Army, he has the privilege of making an allotment to his wife. To do this, he forfeits only \$22.00 from his own pay, and the government adds \$28.00 to give his wife \$50.00 per month. Then there is \$30.00 for one child and \$20.00 for each additional child.

Men who are single but have someone dependent upon them for support, can also make this allotment. Men who are married and have dependents other than their wives and children, can have two allotments.

All men who enlist before October 5, 1946, will be eligible for all benefits offered under the G. I. Bill of Rights. But October 5, is the deadline for this advantage.

S-Sgt. Polk and Sgt. Petty are at the local post office each Wednesday for the purpose of interviewing and advising men who are eligible and interested in the Army.

"If you are interested in a good job and an education, see us at the post office or leave your name and address there and we will be glad to come to your home or where you work. It's a pleasure for us to answer any questions that might help you," the recruiters declared.

Mr. and Mrs. Weaver Baret and children of Jowett are visiting in Coleman and Clebaun this week.

Mr. and Mrs. Ansel McDowell and family of Wellington spent Sunday with Mrs. R. D. Holt.

WOMEN LAUDED FOR KEEPING PRICES DOWN

The nation's housewives were praised today for helping to keep prices down, as the nation.

Rep. Frances P. Bolton, (R., O.) said that by refusing to pay sky high prices, American women were helping to force prices down.

"Now we are getting reports that prices of butter, poultry and steers are dropping after first skyrocketing with the end of OPA, she said. "That's a tribute to the American housewife and her refusal to pay exorbitant prices."

The new bill will restore price and rent controls for another year but will postpone replacement ceilings on meats, poultry, dairy products and grains until August 20. A special three-member board will determine if price increases on the exempted items are enough to warrant renewing ceilings.

Meanwhile, buyers' strikes and demonstrations in a number of cities had resulted in slight price decreases, but elsewhere boycotts appeared to have had little or no effect.

The CIO cost-of-living committee recommended consumers' boycotts on all types of purchases, ranging from "over glamorized cosmetics" to rents.

The CIO asked families of members to resist exceedingly high prices in a statement to all CIO unions. "If patches (on clothes) become popular, prices will stay down," the CIO said.

At Detroit, the AFL brotherhood of maintenance of way employees ordered a buyers' strike which would augment a boycott already invoked by the CIO United Auto Workers. The AFL union authorized its officers to seek additional wage increases if Congress does not restore effective price controls.

Eighteen consumer, veteran and labor groups organized at Pittsburgh for strike action to demand return of OPA. Retailers there reported a slowdown in sales as consumers refused to pay pork and beef prices double former ceilings.

Boycotts had little effect on the prices of meat either at Philadelphia or Cleveland. One large meat market serving about 25,000 customers in Cleveland closed after consumers served notice they would pocket because of high prices.

FARM FACTS WORTH KNOWING

Q. Is it to my advantage to defer grain feeding of lambs?

A. Trials at the Kansas Experiment Station have shown the following results from deferring grain feeding for 30 days at the start of feeding periods:

1. Saving in grain
2. Lower feeding cost
3. Little or no decrease in total gain or finish.

Q. I've been told that DDT will not be effective when sprayed on my whitewashed walls. Is this true?

A. It is true that whitewash lessens the killing power of DDT. If the wall has been whitewashed at least two or three weeks before the DDT is applied, DDT can still be used effectively, but it will lose its value more rapidly than on other surfaces and will have to be applied more frequently.

Q. Are pastures an important part of a profitable hog program?

A. Yes. The Ralston Purina Company's Research Farm has found that pastures are valuable and should be properly used and carefully developed, since pastures save feed and help keep the hog herd healthy.

Q. How much feed do Broad Breast growing turkeys require?

A. Broad Breast turkeys should consume about the following amounts of feed, per week:

3rd month.....	2 to 2½ lbs.
4th month.....	3½ lbs.
5th month.....	4½ lbs.
6th month.....	5 lbs.
7th month.....	6 lbs.

Q. How much time should it take to milk a cow properly?

A. Actual farm figures have shown that the milking machine is left on cows an average of 6.3 minutes. But close studies show that cows can be trained to milk in 5 minutes or less, and some cows can be milked in 3 minutes.

Send your questions about any phase of farm management to "FARM FACTS," 815 South English Street, St. Louis 2, Missouri. Questions will be answered without charge, either by mail or in this column, as a service of this newspaper.

FREE BARBECUE AT PERRYTON BIRTHDAY PARTY AUG. 21-22

PERRYTON, TEXAS. Jerome Woods, general chairman of this city's 27th Anniversary Celebration scheduled for Wednesday and Thursday, Aug. 21-22, announced today that a Free Barbecue will be served Thursday to the thousands who will attend the big birthday party.

The Perryton Junior Chamber of Commerce, sponsors of the celebration, are preparing to feed 10,000 people at the free barbecue.

Bob Wills and his Texas Playboys have been secured at great expense to play for dances both nights. The dances will be held in the Southwestern Industrial Works big new building which has 16,000 square feet of dancing space. One thousand couples can dance with ample room for all.

Rodeos directed by the Perryton Roping Club each afternoon will give the Western flavor to the big two day show.

A gigantic parade will be held at 1 o'clock on the morning of the 22. Free street entertainment will follow the parade. An air show will provide entertainment on the morning of the 21st.

Another big high light feature will be a colossal fireworks exhibition each evening, at 9 o'clock.

T. J. Tidwell's combined shows, rides and carnival attractions will be here the entire week of Aug. 19-24.

Khiva Temple Wants To Treat Children

Khiva Temple is seeking unfortunate children under 15 years of age regardless of race, creed, or color who may be helped, benefited, or healed through the facilities of the Shriner's Hospitals, says A. B. Crump, potentate-aid.

Khiva Temple has handled several hundred cases within the past three years, said Mr. Crump.

He urges all Shriners to attend the monthly meeting on Wednesday, August 14, at which time a complete report will be made of the Imperial Council and Shriner's Hospitals for Crippled Children session.

July 25, 1946

Dear Granny and all,
Just a line or two to let you know how everything came out in this bomb test. As you probably know they dropped the A

of said Court, at my office in the town of Wheeler, Texas, this 10th day of August 1946.

HARRY WOFFORD
Clerk County Court,
Wheeler County, Texas
By
BETTY JO BREWSTER
Deputy.

Bomb today, or rather this morning at 08:35 A. M. Bikini Time. We were about 14 miles out and could see the ships in the Lagoon, we were watching them when the bomb went off. Believe me it was a sight I'll never forget. It is kinda hard to describe just how it looked but it seemed like the whole ocean was blown into the sky. About two minutes later we heard the sound of the blast. It sounded something like distant thunder.

This second bomb was a lot more powerful than the first one. The latest reports were that the Battleship Arkansas, The Great Aircraft Carrier Saratoga, The Floating Cement Drydock and one Transport were sunk. The Submarines, Skate, Pilot Fish, Skip Jack, Searaven were on the bottom but they didn't know as yet whether they were sunk or held down by the weight they had on them. The Destroyer Hughes 410 was reported in critical condition and expected to sink. We are between the Hughes and the cruiser Salt Lake City. They reported they could still see the New York,

The Salt Lake City and the Destroyer Mustin, so our ship is afloat. It will be several days before we can go back aboard ship, so we don't know how much damage has been done yet.

Well, this is all I know up to now so will close and write again in a couple of days.

Hoping to hear from you soon.
Love to all,
R. L.

First Lt. and Mrs. J. M. T. Wallace visited his mother and father Mr. and Mrs. T. T. Wallace, over last weekend. They were on the way to Camp Lee, Va. where Wallace will resume his army duties. He has been managing Furr Food Store in El Paso since receiving his discharge in October 1945.

Mr. and Mrs. Cecil Denson and family are vacationing in New Mexico this week.

Mr. and Mrs. Matthew Carter and niece, Betty, returned home Friday night after vacationing in New Mexico.

ALLAN SHIVERS

Allan Shivers, the leading candidate for lieutenant governor in the Aug. 24 run-off primary, is the dean of the Texas Senate. He has served in the upper house for 12 years and is thoroughly experienced in senate procedure. The main job of the lieutenant governor is to preside over the senate. He becomes acting governor when the governor departs from the state and succeeds to the governor's office if for any reason the office becomes vacant. But his main job is that of president of the senate.

Senator Shivers, through experience gained in the past twelve years, is well qualified for the job he seeks. He is a veteran of overseas military service. Mr. Shivers is a family man. He has a wife and two children.

Vegetable-Cheese Casserole— A Way To Use Leftover Bread

Rich in proteins is Vegetable Cheese Fondue, a golden brown luncheon casserole.

File this recipe under food conservation, for it makes use of the leftover, dry bread that must not be thrown away. It is most important in these days of food shortages that we utilize every last crumb of bread and other wheat products.

A single durable jar of mixed vegetables gives six ample servings when combined in this way with milk, eggs, cheese and bread cubes. Vegetable Fondue is delicious served with a tomato salad.

Remember that, to be at its best, a fondue must be brought to the table immediately when it is taken from the oven.

Vegetable Cheese Fondue (6 servings)

- 1 1/2 cups mixed vegetables
- 2 tablespoons table fat
- 1 tablespoon chopped green pepper
- 2 tablespoons chopped onion
- 1 tablespoon chopped celery
- 2 cups bottled milk (scalded)
- 1/4 pound cheese (grated)
- 1/2 teaspoon salt

- 1/4 teaspoon pepper
- 1 tablespoon minced parsley
- 3 cups bread cubes
- 4 eggs

Drain vegetables from jar and measure. Melt table fat and to it add green pepper, onion and celery. Simmer until tender (about 5 minutes). Gradually add the scalded milk, cheese, salt, pepper, parsley and mixed vegetables, stirring constantly until well blended. Put the bread cubes in a greased casserole. Add the well-beaten eggs and then the sauce. Bake at 325 deg. F. for 40 to 45 minutes or until golden brown.

A combination of glassed vegetables and dairy products, Vegetable Cheese Fondue makes a wholesome and hearty luncheon dish.

FARM FACTS WORTH KNOWING

Q. How many nests do I need for my laying hens?
A. You should have one nest for every seven hens. If trapnests are used, you should have one nest for every four hens.

Q. Is goat meat palatable?
A. Goat meat, called chevon, is recognized as a delicacy by many people. It can be prepared in any of the many ways other kinds of meat are cooked. Goat kids from 50 to 75 lbs. in weight are especially delicious when barbecued.

Q. How many market hogs may be produced from each sow in a high-producing brood sow herd in one year?

A. Records at the Research Farm of the Ralston Purina Company show that each sow in the Purina herd produced an average of 19.3 market hogs during the 12-month breeding period just ended. These hogs were marketed at 6 months of age after being farrowed, grown, and fattened on the two-litter-a-year system of the Purina Hog Program of good breeding, sound management, careful sanitation, and good feeding.

Q. In using the 2-4-D hormone weed killer, is one spraying sufficient?

A. Most weeds will be killed by one spraying of 2-4-D, but it may be necessary to spot spray about four weeks later in order to kill any weeds that are especially persistent or any that have grown since the first spraying. 2-4-D does not kill seeds.

Q. At what age do range cows produce the heaviest calves?

A. According to the New Mexico Experiment Station, in tests over a period of 7 years, cows produce heavier calves and, therefore, more beef at weaning time when they are 6, 7, and 8 years of age. This is the period when cows show the greatest weight and vigor.
