The Mustangs will definitely be the underdogs in Friday night's battle due to the fact that they took a 51 to 13 drubbing from the McLean Tigers two weeks ago

NOTICE!

Supt. W. O. Carrick called attention to these changes and rules which fans are asked to please observe as they attend the Mustang-Irish football contest Friday night.

1. Entrance has been chang ed from south end of field to east and west sides.

2. Cars may be driven in as long as space remains for an additional cost.

3. Those wishing to park on west side of field or leave cars near west entrance are requested to use street west of school building and come in by bus shed back of school buildings. 4. Those wishing to park on west side must use west entrance because the north and south ends of the field are impassable by car since work has been done on field.

5. It is requested that you do not drive across school grounds from the south.

6. Please stay either in the stands or behind the cables because no one will be allowed along the sidelines.

Ceneral Electric RADIOS

We have just recently received some new General Electric Combination Radio-Phonographs and several small table model General Electric Rodios.

We have a beautiful new GE Console Radio-Phonogroph Combination on the floor now for your inspection. These grand new General Electrics are equipped with the famous Electronic Pickup which is the very latest thing for reproducing recordings. With the Electronic pickup, you get better reproduction of old records and new records will last from three to five times longer than they will when used on ordinary reproductions.

We also have a large stock of General Electric light bulbs in all the pop-

We are now carrying a full line of electrical supplies which you will need in wiring your houses for electricity. Some of you may have electrical wiring which needs bringing up to date in order to carry the load placed on it by the addition of many new electrical devices in your home, if such is the case, we have the supplies you will need.

You can eliminate a lot of your winter time colds and flu, by installing a floor furnace or vented heater.

An open heater burns the oxygen from the air, in your home during cold weather when the house is closed tight.

POISON

We are stocking this equipment, and will be glad to show and explain it to you.

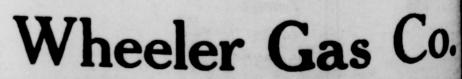

We also have a full line of Hardwick gas ranges, these stoves are the latest in efficiency, and are priced to sell.

If you need a late model water heater, look at ours be fore you buy, we have what you need.
