P. T. A. Sponsoring Halloween Carnival At Gymnasium Oct. 30

The Wheeler Parent-Teacher Association is sponsoring a Halloween Carnival at the high school gymnasium Thursday night, October 30 for the purpose of helping raise funds for the repair of the grade school building.

Regular carnival attractions will be offered and each grade in school will sponsor a booth at the affair; so, the P. T. A. advises everyone to begin making plans now to be on hand Thursday night, October 30, for an evening of fun with ghosts, goblins and spooks.

MUSTANGS PLAY MEMPHIS FRIDAY

The Wheeler Mustangs invade the home of the Memphis Cyclone Friday night for their fourth conference contest of the season and will again be the underdogs due to the fact that Memphis has a much larger group of lads to choose their players from.

Coach Grady Baker and his Mustang squad, 18 men strong, are, however, hoping to pull an upset over the Cyclone since it's record is not one of the most enviable in the conference and the play of the Mustangs has been improving with each contest so far this season.

Last week the Memphis eleven was defeated by Shamrock powerhouse by a count of 27 to 0 while the Mustangs were defeated by a 56 to 0 count by the same aggregation the week before, but it has been reported members of the Irish squad stated that the Mustangs played them harder than did the Memphis crew.

With the possible exception of Corky Robertson who sustained a side injury of some sort in last week's contest the Mustang squad will be in good physical trim for the contest and they have been working hard this week to try to iron out further wrinkles in their offense and defense.

YOUNG PEOPLE ORGANIZE SUN.

The Wheeler Methodist Youth Fellowship met in the church Sunday night, October 12, and elected officers for the coming year. The following were elected: president, Pat Noah; vice-president, Frances Porter; secretary-treasurer, Margaret Holt; Board of Christian Education Representative, Bill Sides; song leader, Hanny Martin; pianist, Billie V. Brown; parliamentarian, J. C. Woody and Mrs. W. K. Frey is the new adult sponsor.

After the election of officers the group discussed goals and purposes for the new year. Some of these were to continue the church park improvement project, to devote more time and attention to the sick and to elderly shut-ins, to pay all pledges promptly and improve the financial status of the organization, to make better use of the church's movie projector and other recreational equipment, and to make each M.Y.F. meeting a real opportunity for worship as well as fellowship.

The new officers will take vows of faithfulness in a candlelight installation service at 7:00 next Sunday night, October 19. It is requested that all old officers be present to take part in this service as well as the new officers. New members and visitors will find a warm welcome at the M.Y.F. meetings each Sunday evening at 7:00 P. M.

Mr. and Mrs. Leo H. Moore of Borger and former residents of Wheeler, are the proud parents of a son, Edward Richard. He arrived Wednesday, October 8, and weighed almost nine pounds. Mrs. Moore and son are being cared for at the Lovett Hospital, 1411 Denver Ave., Dabhart.

Mrs. Emma M. Hastings, county home demonstration agent, announced this week that the home demonstration club women of Wheeler County will hold a county-wide exhibit of their work Saturday afternoon, October 18, at the homemaking cottage in Wheeler. The exhibits will be open to the public between the hours of 1:30 and 5:15 p. m.

Mrs. Hastings pointed out that some of the displays would be general in nature while others would only be educational.

Items which will be displayed under the general classification will include clothing that has been made or remodeled, household linens, bedspreads, quilts, rugs, canned goods, etc.

Educational displays will graphically portray some principle, such as better buymanship of canned goods or other items.

Mrs. Hastings stated prizes would be awarded for first, second and third places on each of the two types of displays.

Mrs. Hastings ask club women to put up their exhibits either Friday afternoon after school is out or early Saturday morning and to take them down after 5:30 Saturday afternoon. Ladies who are taking part in the exhibition will bring covered dishes and a covered dish luncheon will be enjoyed at the noon hour Saturday.

A cordial invitation is extended to the public by Mrs. Hastings and the club women to call during the afternoon and see the exhibits. Hostesses will be on hand to welcome you and show you about the county agent station.

RULE CHANGES AFFECT PLAY

Perhaps some Wheeler football fans have been wondering why substitutes are in such hurry to get on and off the playing field this year. In case you hadn't noticed, at times a player will leave the field on the opposite side from his bench and trot half way around the field to his bench.

The reason is the new substitution rule, which is in effect this year. Under this rule, the substitutes do not report to the officials, merely dash on the field and take their place, while the man they replace dashes back to the bench.

The players will dash because they have but 25 seconds in which to make the substitution and the man leaving the game has to be off the field or his team will draw a five yard penalty.

Two or more players may be substituted in the usual manner, and no player has to report to the officials.

Another new rule this year regards the try for extra point. This year, when an attempt is made to kick an extra point, the ball is blocked, the ball is dead. No longer may the players on offense pick up the ball and try to run it over.

Still another change must be pointed out, although it is quite likely that the fans wouldn't notice any change unless it were called to their attention. This year, the ball is moved in from the sidelines a distance of 17 yards, 2 feet and 4 inches. It used to be just 15 yards even.

Wheeler P. T. A. Holds Meeting Thursday Night

The Wheeler P. T. A. met Thursday night, October 9, for a business meeting and social evening. The main topic of discussion was the Halloween Carnival, which will be held in the gymnasium Thursday night, October 30. The purpose of this carnival is to raise funds to repair the grade school building. This is a very worthy cause and deserves the support of every Wheeler resident.

The following program was given: two vocal selections by Frank Wofford and a very inspirational message by Minister B. M. Litton of the Church of Christ, on "Parents and the School". After the program, coffee and doughnuts were served.

PIRATES TAKE MUSTANGS BY 31 TO 6 COUNT

The Wheeler Mustangs fought a game though losing battle last Friday night against the speedy Lefors Pirates as they were defeated by a count of 31 to 6 in a district 3-A conference encounter which was played on the local gridiron.

Coach Grady Baker's lads fought valiantly throughout the contest without ever letting up even though they were on the short end of the count almost from the beginning of the contest.

The Mustang counter came early in the fourth period after they had taken the ball on a kickoff from the toe of Newsom on their own 30-yard marker. Bill Robertson failed to gain on the first play then carried for 7 yards and Gene Hubbard made 3 for a first down. On the next play Bill Robertson lost a couple of yards then Gene Hubbard broke loose for 31 yards and another first down. Bill Robertson picked up 5 yards Johnson picked up 2 but the play was called back and Lefors drew a 5-yard penalty giving the Mustangs their third first down in a row. Hubbard then passed to Martin who made a beautiful catch in the end zone for the Wheeler score. Hubbard attempted to run the ball over for the extra point but was stopped short.

The Pirates scored twice in the first quarter and once in the second quarter to hold an 18 to 0 lead at the halftime, then scored twice more in the third quarter to bring the total up to 31.

Doyle Waters and Martin were standout performers in the Mustang line with some able assistance from Duane Bradford, Loyde Goad, Harold Hardcastle, James McCormick and Eugene Colliers.

Gene Hubbard was the standout performer in the Mustang backfield as he ran and tackled viciously all evening. Corky Robertson also played outstanding ball before he was injured and had to be removed from the contest. Bill Robertson and Johnson filled the other two, backfield posts.

The starting line-ups included: Wheeler, Martin and Colliers, ends; Goad and McCormick, tackles; Waters and Hardcastle guards; Bradford, center; Corky Robertson, quarter; Bill Robertson and Johnson, halves; and Gene Hubbard, full. Lefors, Paxton and Keeton, ends; Hankins and Powers, tackles; Jinks and Doom, guards; Tibbetts, center; Sims, Newsom, Combs and Gatlin, backs.

Substitutes for Wheeler included: Bob Lowrie, C. R. Bailey, Dick Pendleton, Edgar Hubbard and Red Crossland.

Mr. Kilcrease Honored With Birthday Dinner

George Kilcrease was honored with a surprise birthday dinner at his home Sunday, October 12.

Those present were: Mr. and Mrs. Boyd White, Anita Shirley, Harry Bruce and Glen of Pampa, Mr. and Mrs. J. D. White, Kenneth Wayne, Raydee and Susan Kay of Pampa, Mrs. Ollie Staton, Pampa, Mr. and Mrs. Boots Flemming, Jimmie, Betty and Johnny Mae, Pampa, Mr. and Mrs. James Harmon, Cheryl Ann and Linda Kay of Pampa and Mr. and Mrs. W. L. McLearn of Mobettie.

Pitty's Malt Shop To Open Saturday Morning

Homer Pitcock announced the opening this weekend of a new eating stand in Wheeler. Pitcock's new establishment will be known as Pitty's Malt Shop and will be located in the building between the Rogue Theatre and Levi Reid's Barber Shop.

Pitcock states in an advertisement on another page of this week's Times that he will serve coney islands, hamburgers, sandwiches, malts and ice cream. Everything will be served from paper containers thus assuring the public of food and drinks being served in a sanitary manner.

WHAT A RECORD:—

Lady Makes 120 Garments For \$110.75 In These Times

It appears that Mrs. Floyd Childress of the Briscoe Home Demonstration Club has set some kind of record during this past year when she made a total of 120 garments and pieces of household linens with an expenditure of only \$110.75.

Mrs. Childress was able to accomplish this feat by using feed sacks for some of her linens and clothing, doing her own sewing and pursuing a rule of thriftiness during these times of high prices.

Of the 120 pieces completed, 35 were household linens (pillow cases, scarves and cuptowels) which were made at a total cost of \$23.00. Eight pieces were shirts for her boys which were made at the unbelievably low cost of \$1.00 each. Four pairs of pajamas and 4 gowns were also made at an average cost of \$1.00 each.

Seven of the total pieces were skirts, 4 of which were made from

F.F.A. CHAPTER REORGANIZED HERE THIS YEAR

James Clepper, Vocational Agriculture teacher in the Wheeler high school, announced this week the reorganization of the Wheeler Chapter of the Future Farmers of America after about three years of inactivity.

The new chapter has already held four regular meetings, elected officers and initiated greenhands, Clepper stated. A program of work has already been set up and adopted by the various committees.

The chapter will seek to aid the community in every way possible as one of its goals in the program of work, Clepper pointed out. One of the designated purposes of F. F. A. as a part of vocational agriculture is to give community service.

All members of the chapter will have a supervised practice program in addition to their regular class time and lab instruction in vocational agriculture. The supervised practice program consists of productive enterprise projects, improvement projects, and supplementary farm practices, from which the chapter members will gain knowledge and skills that will later prove valuable in farming. Instructor Clepper reported.

In addition to giving service to the community and developing a supervised farming program, the program of work calls for the development of leadership among chapter members. Various contests such as public speaking, dairy cattle and livestock judging and chapter conducting will be participated in. The members will be given training in cooperation among farmers. Many activities will be carried on cooperatively among the members.

The members will also develop a recreation program along with other phases, as all work and no play makes Jack a dull boy, Clepper advised.

In order to carry on all the parts of this program, some funds are necessary. The finance committee will devise ways and means of furnishing the funds for this program. As the chapter is starting from scratch, the work may be limited somewhat due to lack of funds. The chapter will, however, do its best to carry on a complete program, Clepper pointed out.

All efforts will be made to do the Wheeler community and the individual chapter members proud by the renewed existence of the Wheeler Chapter of the Future Farmers of America, Clepper stated.

Mobettie Carnival Be Held Friday, Oct. 24 At High School Gym

Mobettie's annual school carnival which has grown to be quite an event will be held this year on Friday night, Oct. 24, according to announcement made this week by Supt. C. M. Brown. The carnival will again be held at the high school gymnasium and the home-making department will serve supper in the homemaking department of the High School preceding the event.

Everyone is invited to come out and try the homemaking girls cooking beginning at 6:00 p. m. and then enjoy an evening of thrills and fun at the carnival.

Parent-Teacher Ass'n. Organized At Mobettie

Parents and teachers of the Mobettie schools met Tuesday, October 7, with C. R. Brown, supt., acting as chairman and voted to organize a P. T. A. A nominating committee, with Mrs. J. H. Scribner as chairman, was requested to have nominees for the officers ready for a vote on Thursday night, October 9.

At 7:30, October 9, sixty parents and all the teachers met in the gymnasium with Supt. C. R. Brown as chairman, and elected upon the recommendation of the nominating committee the following officers: president, Mrs. Clifford Walser; vice-president, Mrs. C. J. Van Zandt; secretary, Mrs. R. C. Martin; treasurer, Mrs. Alfred Hill. The president then assuming her duties appointed committees with the chairman of each as follows: Mrs. C. R. Brown, program; Mrs. C. J. Van Zandt, membership; Mrs. Aubrey Ruff, social; R. L. Cooksey, publicity; Mrs. Alfred Hill, finance and Mrs. J. H. Scribner, constitution and by-laws.

The P. T. A. will operate as a local unit and will meet on the second Thursday night of each month at 7:30.

Clarence Owen Funeral Held Texola Monday

Funeral services were held from the First Baptist Church of Texola, Okla. Monday at 2:30 P. M. for Clarence E. Owen of Texola.

Mr. Owen is survived by his wife, Mrs. Edith Owen, a daughter, Linda Sue, a son, Clarence E. Jr., who is serving with the U. S. Army in Japan, his step-mother and two brothers.

Mrs. Owen is the granddaughter of Mrs. J. M. Herd of Wheeler.

Wheeler people who attended the services included: Mrs. J. M. Herd, Mr. and Mrs. S. A. Maxwell, Mr. and Mrs. E. H. Herd, Mr. and Mrs. H. H. Herd, Mr. and Mrs. Lawrence Crowder, Mrs. Alvin Hampton, Mrs. C. M. Hampton, and Misses Beacie and Maurine Herd.

Mrs. S. Y. Allgood is convalescing in her home after a minor operation in Amarillo recently.

Board Of Trustees Calls For \$27,000 Bond Issue Election

The School Board of the Wheeler Independent School District has called a \$27,000.00 school bond election for Saturday, October 25. The funds received from the sale of the bonds, if voted by the property owners of the district, will be used to repair the Wheeler Grade School Building which is in a deplorable condition.

Members of the board of trustees stated this week that they had called the bond election as a last resort because it is now taking everything the school district receives in taxes to run the school and retire bonds which are already in force.

However, the board is now working on a plan to refund and reissue the bonds which are now in force and held by the State of Texas at an interest rate of five per cent at a much lower rate of interest and if this is accomplished, and it appears that it will be, the saving in interest on the bonds already in force will almost take care of the interest on the new bonds which will be sold at a rate not to exceed three and three-fourths per cent.

Members of the school board pointed out the fact that even though the election of October 25 carried, and the refunding issue did not properly materialize, the new bonds would never be sold and that the condition of the grade school building would have to remain in its present horrible state.

It was pointed out that voting of the new bonds would not cause any immediate raise in the assessed valuation of property in the Wheeler Independent School District nor would it cause any raise in the present tax rate which is set at \$1.85 per hundred dollar valuation.

Patrons of the Wheeler Independent School District who do not already know the condition of the grade school building and its heating plant are urged to visit the building and see for themselves just what condition the building is in.

Board members stated that walls had cracks in them which daylight could be seen through, floors are worn so thin in some places it is dangerous for anyone to walk on them, plaster is off the inside walls, the rest rooms are in a deplorable condition and worst of all the heating plant is in such shape that it is entirely inadequate and cannot be repaired unless funds other than those available are provided.

BIG COMPANIES GET PLUMS
When the United States began to enlarge its industrial plants for war production, it was hoped by many Americans that the construction of the plants would be scattered throughout the country. It was presumed that the Government, in investing its money in new productive facilities, would attempt to create some competi-

tion for the giant concerns that now bestride the American economic scene.

The rush of the war, however, practically compelled the Government to forget its long-range plan and to speed up the construction of plants wherever the quickest production could be secured. It was then assumed that when the war emergency ended, the plants constructed by the Government would be sold and that in the disposition of these facilities, the official eye would distinguish between sales tending to promote monopoly and those that would develop healthy competition.

Robert S. Allen, writing in the New Republic, says that despite an honest start, the War Assets Administration has side-stepped obligations to the public and bundled the bulk of \$16,000,000,000 worth of Government owned plants into the hands of a few giant corporations.

His conclusions are confirmed by the Economist, which points out that U. S. industry became highly concentrated during the war and that, despite restrictions set forth in the Surplus Property Act, seventy per cent of all sales and leases of Federally-owned war plants, up to 1947, were made to biggest corporations in the country.

Parents Should Guard Against Health Hazards

Seasonal health hazards for young children are to be guarded against in the wintertime just as carefully as they are in the summertime in the opinion of Dr. Geo. W. Cox, State Health Officer.

"Every mother is familiar with so-called summer complaints which affect small children but certain winter diseases can be just as harmful and are just as likely to make their appearance unless proper precautions are used during the approaching season," Dr. Cox said.

In the group of winter diseases Dr. Cox included influenza, tonsillitis, pneumonia, bronchitis, asthma, and even diphtheria when a child has not had diphtheria immunization. Any such disease affecting a child's respiratory or breathing system is apt to be very serious and all too often fatal. Pneumonia often develops from a neglected cold or may follow a severe case of measles or whooping cough. Bronchitis conditions may also prove to be an after effect of such diseases and these respiratory ailments are much more difficult to combat successfully than the digestive ailments which are prevalent in the summertime, and known as summer complaints.

"These winter diseases are especially dangerous to babies and very young children," Dr. Cox stated. "Nearly all of them are spread from the secretions of the nose and mouth. Children not in vigorous health are naturally more susceptible to these complaints and the first line of defense against them is to build up the child's general health, as a power of resistance against disease," Dr. Cox advised. "The second step is to keep them under medical supervision and the third is to make sure that they avoid contact with those who have coughs, colds, or fevers."

FARM FACTS
WORTH KNOWING

Q Is it all right for sheep to graze in a pasture that has been sprayed with 2-4-D Weed Killer?

A Yes, pastures treated with 2-4-D Weed Killer are safe for cattle and sheep. Experiments made by the USDA have shown that this weed killer is not harmful to stock.

Q What is meant by "flash" treatment of eggs?

A This is a method of egg preservation introduced by Dr. Alexis Romanoff of Cornell University. It consists of dipping the eggs in boiling water for five seconds which causes a slight coagulation of the albumen on the inner shell membrane. The eggs are then held in a refrigerator. Eggs treated by this "flash" method apparently keep better than untreated eggs.

Q Can anything be done to increase the fertility of male rabbits during the summer months?

A Yes. Experiments at the Research Farm of the Ralston Purina Company have shown that fertility can be increased by keeping the bucks in a cool spring house during the summer months when most breeders experience a dropping off in production.

Q Is it safe to milk a cow shortly before she is due to freshen?

A Pre-milking should be done only if the cow has a tendency toward milk fever or an extremely large udder that is in danger of breaking away or being injured. Milking the cow before calving helps relieve the shock which may result in milk fever in some cows. Also, in the case of very heavy udders, pre-milking will relieve the weight and the pressure on the udder. The disadvantage is that the valuable colostrum milk is lost before the calf is dropped. Without the protective antibodies of the colostrum milk, the calf has less chance to survive.

QUESTIONS AND ANSWERS

Q—Can I get wartime compensation rate paid for disabilities I incurred in peacetime service?

A—No. If your disability was incurred in peacetime service, you will not be entitled to wartime benefits unless your service falls under PL 359—77th Congress which provides wartime rates if the disability was the direct result of armed conflict or was received while you were engaged in extra hazardous service.

Q—How can I show that my parents are dependent on me for support?

A—Dependency will be held to exist if your parents do not have an income sufficient to provide reasonable maintenance for themselves and members of their family under legal age, or members of the family otherwise dependent by reason of mental or physical condition.

Q—If I accept the compensation check VA has sent me, does that mean I am satisfied with the rating given me?

A—No. The acceptance of a check does not waive any rights you may have in claiming greater compensation or pension than that which has been awarded you.

Q—What identification data should I give in writing about

my claim for benefits administered by the Veterans Administration?

A—If you are making application you should give your full name, grade, organization, serial number, date of entrance into service, date of discharge, and date and place of birth. After the claim is filed it will be assigned a claim number which should be mentioned in all subsequent communications.

One in every five World War II veterans holding National Service Life Insurance policies and the remaining 4,708,000 were five-year level term policies.

Total value of all the GI policies in force amounted to more than \$34 billion. Permanent forms accounted for over \$14.4 billion of this total.

NSLI term policies issued before January 1, 1946, may be continued for eight years from the effective date at the original rates, while such insurance issued after that date may be continued for five years on a term basis.

Term policies do not accrue cash, loan, paid-up or extended insurance value. They may be converted at any time before the expiration of the term period to any of the six permanent plans available.

Veterans acquiring dependents after entering training under the GI Bill as single men, should noti-

fy the Veterans Administration immediately so that assistance allowance payments date it is notified and actively to the date it actually acquired a dependent.

Veterans who fail to request assistance allowance over while in education or under the GI Bill and apply for unemployment employment allowances the amounts they were entitled to deduct from benefit checks, the Veterans Administration says.

SOPHOMORE NEWS

The sophomores did good trying to impersonate the high school teachers in assembly Monday morning.

Winnie, where on earth did you get the name of "Horse Collar"?

Loyde, who was that blonde from Pampa?

That was a pretty song even though it wasn't rehearsed.

After that program what can we do now to get on the good side of our teachers?

Doyle, keep your nose out of the chili. Did it give it a good flavor?

Poor Dorothy worked Saturday night.

Joann does your dad trust you enough to let you drive that car?

Winnie, did you have a good time Sunday?

Berniece, you and Lennie sure go a long way and just for a party, on the bus too.

Imogene, did you see him Saturday night? No, he wasn't in town.

Doyle, what a cute Mr. Baker you make.

Corky is pretty well skinned after the football game Friday night.

All the Pep Squad girls hair

looked cute after it rained Friday night.

We think our boys are improving. We all hope to beat Memphis.

Floy, are you on a diet? You seem to be losing weight.

J. T. C. R. and Garland better be careful in English, you only get 27 demerits you know.

Jack, did that cigar make you sick?

Annie, we like that blue shirt.

Charlotte, we really like you in glasses.

Duane and Lindon nearly ran out of gas Wednesday night, right?

Martha, did you enjoy the show Sunday?

FRESHMAN NEWS

James G. what were you and Maurice Pettit looking at in General Science?

What's this we hear about Juanita, Bonnie and Maurine going up to see Miss Mahaffey?

Georgie, did it make you mad Sunday because you had to stay home all day?

Juanita, did you miss Clyde Monday to eat potato chips?

M. L. Maurine thinks you get more handsome every day.

James Scott, why don't you learn to be quiet?

ANSWER TO LAST WEEKS—GUESS WHO WAS BILLIE V. BROWN.

GUESS WHO?

Senior boy, 6 feet tall, weighs 170 pounds, pretty brown eyes, brown hair, he flirts and teases all the girls and can be smart in studies when he tries. He plays football and is No. 29. He is pretty well liked by everyone. Guess Who?

WHEELER TIMES WANT-ADS GET RESULTS!

Fire Prevention Week, proclaimed by President Truman, will be observed October 5-11 this year.

About 600,000 building fires occur in this county each year. Half of those burned buildings are dwellings.

Every day in the United States, 100 farm fires take the lives of ten farmers.

The peanut acreage of the Texas West Cross Timbers area is three times as large as before the war.

SENIOR NEWS

Lois, it was pretty late Sunday night for you to be sitting out in front of your house—well wasn't it?

Was that Mr. and Mrs. Baker and Mr. and Mrs. Teague we saw in Shamrock Sunday night? I'll bet they were seeing "The Bachelor and the Bobby Soxer".

Yvonne, what does Vernon want to buy, a place with a house on it for?

We are sorry to lose another one of our senior girls, but good luck Darlene Brooks.

Jody, we heard that you wished David a "happy birthday", and made him sick.

Everyone must have had a good time over the weekend, because they certainly looked droopy Monday morning.

"Jones" can really advertise those "hot dogs" and "cold cokes". He even put up a sign at the stand which read, "If you can't stop, smile when you go by".

La Verne, you didn't by any chance squeeze Wayne so hard he had to have that operation did you?

We seniors run the stand Friday at the game with Lefors, and we made pretty good at it.

Dolores, we don't know what on earth to do with you, you won't stay away from Carroll long enough to go to school.

This is the dead line for the Annual and a lot have turned their money in.

JUNIOR NEWS

Melba, did you and, you know who, have fun in Berger?

Gene, we see that another junior boy likes red, especially a bright red shirt. How about that Woody?

Pat W. that's mighty nice painting you did in that picture.

The juniors are proud of their cute couple H. and P.

Margaret, shame on you—what if someone gave you some of your own medicine?

Sounds as though some of the junior girls had a nice time Sunday night. How about that Billie Margaret, and Marie—also a senior. eh Joyce?

MRS. LEE R. HAMMOND, JR.

Former Local Girl Is Married In Rites At El Paso Recently

Trinity Methodist Church of El Paso was the setting at 8 p. m. Friday, August 29 for the ceremony uniting Miss Thelma Hunter, daughter of Mr. and Mrs. Robert Guy Hunter, Wheeler, Texas, and Lee R. Hammond, Jr., son of Mr. and Mrs. Hammond, Sr., 2910 Grant Ave., El Paso.

The Rev. Leland Clegg officiated before an altar decorated with baskets of white asters and gladioli against a background of palms and woodwardia. Tall white tapers in cathedral candelabra provided illumination.

Preceding the ceremony Mrs. Walter Rau, organist, played "Ave Maria," "At Dawning" and "One Alone." She accompanied Mrs. Roy Culp, Jr., who sang "Because" and "I Love You Truly."

The bride was given in marriage by her uncle, The Rev. C. E. Jamieson of Odessa, Texas. She wore a gown of traditional white satin designed with fitted bodice and softly gathered skirt with bustle

back. The sweetheart neckline was outlined with a deep bertha of lace embroidered with seed pearls and the full-length sleeves extended to graceful points at the wrist, outlined with lace.

Her fingertip veil of tulle was arranged from a cap of lace accented with clusters of orange blossoms. The bride's bouquet was of orchids surrounded by tuberoses.

For "something old" she carried a hand-made lace handkerchief belonging to Mrs. L. L. Perry. "Something borrowed" was her veil which was loaned by Mrs. R. F. Anderson, cousin of the bridegroom. She wore a strand of pearls, gift of the bridegroom, as "something new" and she completed the tradition with a blue garter. In her slipper she wore a gold dollar that has been in the J. T. Zink family for many years.

Mrs. Hunter, who was there for her daughter's wedding, wore a frock of aqua blue with pink accessories and her hat was of feathers. Her corsage was of pink roses.

Out-of-town guest for the wedding included Miss Lucille Hutchinson, of Wheeler.

A reception in the Mirror Room of Hotel Cortez followed the ceremony.

After a wedding trip to Colorado Springs and Denver the couple will be at home in El Paso. For traveling the bride wore a beige gabardine suit fashioned with long jacket with peplum. Her accessories were brown suede and her corsage was of orchids.

The bride was graduated from high school in Wheeler and received her degree from West Texas State College. She has been employed in El Paso Public Schools for the past two years and has taught at Crockett School and El Paso Technical Institute.

Her other sister is Mrs. Raymond Moore of Wheeler.

Mr. Hammond was graduated from Austin High School and received his degree in electrical engineering from the University of Texas.

He served with the U. S. Army Signal Corps for three years during the war. He spent two years in the China-Burma-India Theatre and was discharged with the rank of captain.

The prospective bridegroom is employed as an electrical engineer with the Phelps-Dodge Copper Refining Corp., El Paso.

Mrs. Ramsey Hostess Good Neighbors Club

The Good Neighbors Club met October 9 at the home of Mrs. Bob Ramsey at which time plans were made for the County Home Demonstration Club Fair to be held in Wheeler, October 18. Plans were also made and a program outlined for the Achievement Day meeting to be held October 23 at the home of Mrs. Bill Finsterwald. The club wishes to invite all women interested to attend each of these meetings.

Refreshments were served to the following: Mesdames C. H. Candler, Ramsey, McCleskey, C. C. Dyson, Milton Finsterwald, Odell Upchurch, Vernon Savage, Bill Finsterwald, James Werthington, Herbert Finsterwald, R. W. Oldham and the hostess, Mrs. Bob Ramsey.

W.S.C.S. Holds Meeting In Church Parlor Monday

The W.S.C.S. met Monday afternoon, October 13, in the parlor of the First Methodist Church with ten members present and the vice-president in charge of the business meeting.

After a song and a scripture reading, Mrs. Wren led in prayer. Mrs. J. M. Porter gave the first chapter of "We the People."

Members present were: Mesdames J. W. Barr, Luther Parks, C. J. Meek, J. M. Porter, Elizabeth Wren, S. Y. Allgood, Doris Hutchison, C. C. Robison, Ollie Hubbard, Pete Mayfield and Richard Parks.

A VIEW ON B. H. S.

Yes, the year is started off right (as far as we can tell) this term. All the old studies are "Fueled and Fighting" again. Take Faye and Bill for example last week he "Detoured" from her and this week he loves her "For Sentimental Reasons". But don't get us wrong because there are some girls whose "Broken Hearts Are Showing" because there are "No Vacancies". Now there's La Verne, she's still Kirk's "Gal in Calico" but every night there are "Tears on Her Pillow" because she's "Worrying Over you" Kirk. Betty Jo is "Peg 'O My Heart" for Truman and really "It's a Sin" the way she feels about him. Goredell is still "Chasing Rainbows" but that is not all she is chasing either, she seems to have some one spotted "On the Sunny Side of the Street". (And we don't mean Mobeetie.) Richard Higgins still "Belongs to My Heart" says a certain Mobeetie girl, but we all say to her "Be Sure there's No Mistake".

SENIOR NEWS

We received our rings today I believe everyone is satisfied with them although some of them are a little bit big I wonder how long some of the kids will keep them.

We have just finished our six weeks tests, and here's hoping that everyone passed. In case that you haven't heard Faye and Bill are back together again. Nice work somebody. The senior boys don't think that the girls are doing too good about this ring business. Seems that the only kind that the girls of the senior class can get is class rings.

JUNIOR NEWS

The junior class was delighted to see C. B. Friday. They hope he can start coming to school every day now. Janice is sporting an engagement ring. Keep up the good work Janice, and we hope that you will be happy as Mrs. Treadwell. Yes, and it isn't a joke that Rosemary is engaged to John C. It was made official last Saturday night. Best of luck and happiness Rosemary.

The class had a meeting last Thursday afternoon and elected Rosemary for the class queen and Truman as king (Sorry Betty but we had to borrow him). The juniors gave the teachers and school an assembly program Friday. The program was dedicated to the teachers and most of them were muchly surprised. They represented the teachers and the boys dressed as the women teachers. Richard and Truman made everyone scream because their dresses came slightly above the knee. (And that isn't all brother).

WHAT IF?

Faye and Bill would break up for good?
 Rosemary didn't have a boyfriend?
 Betty Jo were tall and slim?
 La Verne gave a slumber party?

Mr. Harrell had a peg leg?
 Mrs. Adams were bald headed?
 Mozelle was freckled faced?
 Elvin Meadows had dimples?
 Geraldine gained weight?
 Iris Clepper lost her book?
 Margaret Kite had no teeth?
 Roberta Zybach wore pig tails?
 Troy Treadwell was a preacher?

HALLOWEEN CARNIVAL COMING

The entire student body is planning for the carnival which is to take place Halloween night, October 31. Each room will sponsor a booth and the public is invited to come. We will promise you a rip roaring time and there will be plenty to eat and plenty of games to play for the youngest in the family to the oldest. So gather up the kids and come on down to the Gym October 31 and join the fun. All proceeds will go into the school fund to be used for various school activities.

'QUEEN' PROVES SHE'S A GOOD COOK

WINNER OF THE TITLE "Miss America of 1947", lovely Barbara Jo Walker, 21, Memphis, Tenn., proves in Atlantic City, N. J., that she is really quite adept in the kitchen as she prepares herself a tasty dish. Barbara, a brunette, will use the \$5,000 scholarship that accompanied her title to take up some post-graduate work. (International Soundphoto)

COTTON ED says.....

Foldin Money Don't have to be Printed In Your Barn 'Fore It'll Buy Grub

Told ye last time I wuz a goin' to fetch ye a few facts I learned bout cotton classin'. Everybody agrees thet hog-round cotton buyin' taint fair an equal. If'n your cotton is better'n mine ye ort to git more fer it than I do. Course ye want to know its classed right... an like I said... I been lookin into thet.

Found out thet classin' is done by gov'mint men thet's fair an honest an our gov'mint guarantees each feller his correct class... an thet's good nough fer me. Found out the ginner puts up a thousand dollar bond a guaranteein' your cotton is sampled right... an its your own grade your a gitun' back. This year fer the first time the gov'mint is makin, a difference in light an heavy spots, an bright an dull cotton... an thet makes this gov'mint classin plum perfect fer us farmers.

If'n one of them classin offices wuz right here the samples would be took into it by a gov'mint feller an us farmers'd never see the classer ner him see us. The idea is they class the cotton an not the man... Don't make no difference how goodlookin you air, ner how good a talker you air... It's the value of the cotton they look at... Used to wish they had one here... 'fore I found out regardless of whar they air, it's all classed the same anyway. But thet's plum O.K. It's like foldin money... The gov'mint don't have to print it in our barn fer us to know it's buy grub. Sides thet... the gov'mint is a footin the bill fer this an it's all free to us an they jes won't set up a lot a them offices they don't need.

Yet siz... Us farmers shore ort to appreciate this gov'mint classin... it helps us to help ourselves.

Sincerely,
COTTON ED

**Men Advised To
All Feed Count**

In a very short time, Texas dairymen will be up against winter feeding conditions. The feed situation is such that many dairymen are looking for ways to avoid a high-price slip that seems to be in the air.

Some dairymen at Texas A. & M. College, looking back over the years they've seen dairy men face the same situation, say that a first and wise step will be to see that each pound of feed is to best advantage. Every pound of any size has some that need culling out, because the feed load is the heaviest in the few weeks before there will be the opportunity to put up more hay and silage, every pound of good roughage is in handy this winter, dairymen say. So, between hay and silage crops is on the list of dairy farming

Because of dry weather, it was not possible to get enough small grain pastures planted in early September. This should not, however, cancel all plans for planting winter grains, the dairymen say. The feed situation is such that planting through most of October will be worth the time and expense. With costs as they are, \$1 spent for small grain pasture should return more than \$16 worth of grazing.

It may sound odd but a newspaper which well serves its community is entitled to the support of subscribers and advertisers.

There is little occasion to doubt the story of Jonah and the whale, there are other and greater yarns that the people accept.

New Mexico's wheat harvest of 10 million bushels was the largest in its history.

The agronomist is urging Texas farmers to obtain their legume seed, fertilizer and inoculant and be ready for legume planting when soil moisture permits.

MAY GET NEW WASHINGTON POSTS

ADMIRAL DEWITT C. RAMSEY ADMIRAL LOUIS E. DENFELD
 EDITOR: It is rumored in Washington circles that Admiral Louis E. Denfeld, 56, of Westboro, Mass., may be named Chief of Staff to President Truman. He would replace Admiral of the Fleet William D. Leahy. Another report has it that Admiral Dewitt C. Ramsey, 59, of Whipple Barracks, Ariz., would replace Admiral of the Fleet Chester W. Nimitz, as Chief of Naval Operations. These pictures are sent as preparedness. **CENTRAL PRESS**

OUR BEST REPORT

With the six-weeks exams coming up next week we start thinking about our grades. We want everyone to start off having passing grades for the year. If we want to continue having passing grades we must work all year not just the night before exams. We have every reason for working hard and trying to pass. So we will use our best effort in working this year.

EIGHTH GRADE NEWS

The eighth grade like their English work books and they are beginning to give their oral book reports in reading.
 Some of the eighth graders joined the Camp Fire Girls.

GOSSIP

All us school kids hated to hear about Chunky being in the hospital. Hurry up and get well Chunky.

Preacher looks and acts like he's still knocked out. Virginia, did you have a good time in Temple?

Pat P. we heard you went to Pampa Saturday night. Those two boys from Oklahoma City played a good game Friday night.

Evelyn and Mary Louise played a good game even if they did foul off.

GUESS WHO?

ANSWER: C. R. Brown. She is a member of the senior class. Her hair is blonde, her eyes are blue and she has freckles. Of course, you can guess who she is.

FOOTBALL NEWS

The Mobeetie Hornets and the Miami Warriors met in an evenly matched game Friday. The Hornets were shaded out 14-12 in the last half. The Mobeetie team drew first blood in the beginning of the third quarter.

Each team scored two touchdowns and Miami scored one field-goal.

BASKETBALL NEWS

Mobeetie boys met Kelton in the Mobeetie gym. They were defeated 19-7. Starters were: Walden Haynes, Delton Burke, Ted Leonard, Drew Godwin, and Tom Lamon.

The basketball girls defeated the outsiders Monday night Sept. 29. The score was 10-7.

Kelton also went home defeated Friday October 3 after the girls defeated them 13-5. This is starting out good for the girls winning their first two games.

FRESHMAN NEWS

Tuesday morning we elected Basil Jeter as our class president, since Junior Ludecke has moved, and we elected Edwin Sims for our annual editor.

... to build a better land

Ask almost any Texas farmer. He'll tell you his planning and plowing, his crop rotation and cultivation, are all designed to maintain productivity, to build a better land.

Yes, Texas farmers are natural conservationists. They conserve the soil, just as every Texas citizen, in one way or another, helps to conserve our land, our resources, our heritage of free enterprise.

United Gas has worked for years to conserve the state's natural gas resources. Like the farmer's soil, or the

physician's skill, natural gas is of little value to anyone unless it can be used. United is making it available for use by constructing pipe lines to link wells with homes, businesses and industries throughout the area it serves. In this way, United is making a valuable, marketable commodity of gas that might otherwise remain worthless in the ground. That is practical conservation, for it gives value to this finest of fuels, stimulates industrial development, creates jobs, and benefits all the families in Texas.

Mystery of the Missing Farms

Yep, the number of farms in America is shrinking (by a quarter-million in the last five years!). What's happened to the missing farms? The land has been taken in by other farms, increasing the average size by twenty acres!

Does this growth mean farming's no longer a family enterprise? Just the opposite! More families own farms today than ever—only with labor-saving equipment they can handle more land, more work.

That's as it should be. The family farm is a fortress of democracy—

where our free, American life is secure. Where every member cooperates and shares the work... living together in temperance and tolerance—temperance that prefers a moderate beverage like beer, and tolerance for a taste that may be different from one's own.

From where I sit, our Family Farms (and they're 96% of all farms) are something that this country can be proud of!

SENIOR NEWS

The seniors met Tuesday, Sept. 30 and elected the following staff for the making of their high school annual.

Editor, Nellie Davis; Associate editor, Sidney Lancaster; business manager, Tom Laman; Associate business manager, Onie Sims; snapshot, Joyce McCauley and Betty Jean Patton; sports editor, Marion Reed and Mary Louise Matthews; typist, Nancy Ware and Virginia Henderson; artist, Hugh Jeffus.

They also elected four who went to Canadian Wednesday and sold advertisements to go in their annual. They are Hugh Jeffus, Joyce McCauley, Vernie Mixon and Betty Jean Patton. They collected \$106.00.

Two groups also went to Pampa and sold advertisements. They are Tom Laman, Sidney Lancaster, Nancy Ware, and Marion Reed

in the first group and they collected \$125.00. The second group who were L. J. Seitz, Bonnie Prock, Imogene Temple, and Doyle Greenhouse, they collected \$82.00.

Delton Burke, Sam Gatlin, Mary Louise Matthews, and Doris Barton will go to Shamrock one day this week to sell ads. This money that the seniors have received will go on a payment for having the annuals printed.

The seniors are hoping everyone will vote for their candidate, who is Nancy Ware.

JUNIOR NEWS

The juniors had a class meeting Monday morning and nominated a candidate for school queen and one for school king. They elected Joy Davis and Jimmy Walker. The other nominees for queen were Evelyn Robison and Beverly Caldwell and Jimmy was elected by acclamation. Their campaign managers are Lou Beck and Walden Haynes.

FRESHMAN NEWS

Monday morning we met and elected class parents, and king and queen for the school carnival. We

elected for class parents Mr. and Mrs. Alvis Burke and Mr. and Mrs. Ransom Carter. We elected Edwina Brown and Byron St. John for king and queen.

EIGHTH GRADE NEWS

The eighth grade is getting ready for their tests. They had a class meeting October 13 and elected their king and queen. They were Virginia Ware and Billy Leonard.

HOMEMAKING NEWS

The members of the Homemaking department are selling chances off a portable phonograph, which is to be given away at the Halloween Carnival. The chances are fifty cents each.

The money will go for an electric refrigerator for the department; they are really in need of one as they don't even have an ice box.

The public is encouraged to buy these chances; you can't lose even if you don't win the phonograph, for you are helping buy the refrigerator for the school.

FOOTBALL NEWS

The Mobeettie Hornets won their second game by defeating Sunray 31-12. The touchdowns were made by Reed Waters, and

Burke. Sunray made one in the second quarter and another in the last quarter. There were lots of good tackling and blocking, and a few good passes though the wind was high.

Substituting were: Lee Roy Hathaway, Jay Wallis, Douglas Corse, Drew Godwin, Bill Godwin, and Billy Alexander.

Mobeettie does not have a game Friday but they play basketball at Kelton.

GUESS WHO?

ANSWER: Sidney Lancaster.

She is tall and has blue eyes and fair complexion. She is blonde and of slender build. She is a senior favorite. Help us put this candidate over as Carnival Queen, October 24.

Be sure and vote!

CARNIVAL KING AND QUEEN

Each class met Monday October 13 and selected a boy and girl to represent them as a candidate for Halloween Queen and King. They are as follows:

Senior: Nancy Ware and Vernie Mixon.

Juniors: Joy Davis and Jimmy Walker.

Sophomores: Peggy Williams and Dale Haynes.

Freshmen: Edwina Brown and

Byron St. John. Eighth Grade: Virginia Ware and Billy Leonard.

The grade school has not selected their King yet but their candidates for Queen are:

Seventh Grade: Vondell Wallis. Fifth and Sixth Grades: Marie Scribner.

Fourth and Fifth Grades: Nelda Glen Baird.

Third Grade: Melvenia Beck.

Second Grade: Willeta Sims.

First Grade: Lucille Cooksey.

Each class has a jar to put the votes in and each penny counts as one vote. The Queen that has the most votes will be crowned at the Halloween Carnival, October 24. The money goes to the school.

GOSSIP

All the kids reported a swell time at the football game at Sunray.

There were only a few kids left at school Friday.

Mr. Brown, haven't you got that new Studebaker yet?

Beverly, where did you get the new name "Wild Cat"?

Who was in Pampa Saturday night? Mobeettie was well represented.

Preacher, what does this mean? "Round the corner James".

Joyce has a new neighbor. Makes it nice doesn't it, Preacher?

Walden, do you like to share your book with Frances?

Irvine, what's going to happen to you?

Sam, when are you going to get married?

What's this we hear about Wee-zie driving while somebody hangs out the window and Woozle soue-ing somebody under the seat?

Lou, lets see you play some real basketball.
