THE COUNTY SEAT NEWSPAPER

Need More Work in Chest X-Rays

Wheeler county's 1949 chest X-ray program will be held during the last two weeks of September, Tex Ritter, county judge, said this week. Public officials, service groups, teachers and family heads, are advised that it is not only a health but an economic program. The program is especially in the Mobeetie area are organizations and individuals who are urged to begin plans for the 1949 free chest X-rays. There were only 255 persons X-rayed at Mobeetie last year and unless there are twice as many screened this year the program may be restricted to Shamrock and Kellon.

Plans were drafted last night at the Shamrock Community Building for Wheeler county's chest X-ray program. Wheeler County, Tex Ritter, County Sanitary Commissioner, will set up in the Community Building at Shamrock, Sept. 22 and 23 from 9:30 a. m. to 3 p. m. and September 24 and 25 from 9:30 a. m. to 3 p. m. The X-rays will be taken at Mobeetie from 9:00 a. m. until 3 p. m. at the American Legion.

GEO. WHITELEY FUNERAL TODAY

Funeral services were held at the Kellon Church of Christ at 2:30 o'clock this afternoon for George Whiteley, beloved 86-year-old county resident, who passed away at his home, three miles southeast of Kellon, Tuesday.

Minister B. M. Litton of the Wheeler Church of Christ conducted the funeral rites with Kirk-Mason Funeral Home of Wheeler in charge of the arrangements. The bearers were grandsons of Mr. Whiteley: Irvin Hink, Henry Riley, Walter Jenney, Elmer Ledbetter, Harley Pond and Clyde Bennett. Honorary pall bearers, also grandsons, included: Lawrence Whiteley, Donald Whiteley, Kenneth Whiteley, Harold Hink, Junior Hink and J. W. Kink.

Mr. Whiteley was laid to rest in the Kellon cemetery beside the wife who passed away in 1944.

Mr. Whiteley was born in Kentucky on October 15, 1862. He had been a resident of the Kellon community for 22 years and was a member of the Church of Christ for 33 years. He was widely known and loved. He is survived by two daughters, Mrs. Lillian Hink of Kellon and Mrs. Mary Hink of Tulo, Okla.; four sons, S. W. Whiteley, Bailey Whiteley and Charles Whiteley of Kellon, and Foster Whiteley of Pampa; two sisters, Mrs. Cull Johnson of Little Rock, Ark., and Mrs. John Burton of Knoxville, Ark.; 22 grandchildren and 17 great grandchildren.

Mr. Whiteley was preceded in death by his wife, three brothers and three sisters.

LELA SCHOOL NOW RICHEST

With the recent annexation of Pakan and Ramsdell, the Lela school district becomes the wealthiest in Wheeler county on the basis of county valuation. Jesse J. Dyer, county superintendent, said, Shamrock district had the highest county assessed valuation prior to action by the County School Board on August 13, joining Pakan and Ramsdell to Lela. Lela is a rural school and does not offer high school work.

Plainview also recently annexed to Lela.

Annexation of the 3 neighboring rural districts to Lela was voted by the county board, Mr. Dyer explained, after the State Department of Education handed down a ruling that Pakan was a "dormant" or inactive district. The Wheeler county board had previously ruled Pakan not to be "dormant" and therefore ineligible for annexation for the reason a summer session of school was held there although all scholastics had been transferred to Shamrock for the regular school term. But the state board reversed the ruling, making annexation mandatory.

The consolidations gave Lela a total of 184 scholastics but there have been 42 transfers out and 9 transfers in the district, leaving Lela a net of 151 scholastics. On July 8 before the new Legislature (Continued on last page)

Wheeler Baptists in Revival This Week

The public is extended a welcome at the First Baptist Church of Wheeler where a revival meeting has been in progress since last Sunday. Services are held twice daily, at 10 a. m., and 8 p. m., with Rev. M. B. Smith, pastor, preaching. The revival will close Sunday night, August 28.

Mobeetie Pioneer Dies in Oklahoma

J. G. Williams, father of Mrs. Henry L. Hise of Shamrock and a former pioneer resident of Wheeler County, passed away Sunday afternoon in Ada, Okla., hospital following an illness of only six days. Funeral services were conducted from the First Christian Church at 2:30 o'clock Monday afternoon and interment was in Willis, Okla.

Mr. Williams, 88 years old, was an early pioneer of Wheeler County, moving to Old Mobeetie in 1907. He resided in this county 10 years and then moved back to Oklahoma. He was engaged in blacksmith work while at Mobeetie and later farmed. For the past few years, Mr. Williams had made his home in Ada with his son, R. B. Williams.

AREA BAPTISTS TO MEET HERE SEPTEMBER 1

Some of the outstanding Baptist leaders of Texas will appear on the program of the North Fork Stewardship Rally to be held at the First Baptist Church in Wheeler on Thursday, September 1.

The rally will open at 4:30 o'clock in the afternoon and adjourn at 9:30 p. m.

Program of the meeting as announced this week by Rev. Oliver D. Riley, pastor of the Lela Baptist Church, follows:

Afternoon
4:30 p. m., song and prayer; 4:40 p. m., "Purpose of This Meeting," T. C. Gardner, team captain; 4:50 p. m., "How and Why the Training Union Teaches Tithing," Fred Swana, Fort Worth; 5:10, "Testimonies on Tithing," T. C. Gardner.

5:40, congregational song; 5:45 p. m., "Waiting for Tithers," Mrs. W. N. Parrish, La Port; 6:05, "Tithing Literature," A. J. Quinn; 6:10 p. m., "God's Conception of Stewardship," W. L. Shuttlesworth, Houston; 6:40, supper.

Evening
U. meetings; 7:50 p. m., song and prayer; 8 p. m., "Men, Money and Missions," H. C. Swells, Georgetown; 8:20 p. m., "Our Budget for 1949-50," T. C. Gardner; 8:35 p. m., "The Sunday School's Place in Teaching Tithing and Subscribing Church Budget," Lattimore Ewing, Lubbock.

8:55 p. m., Roll call of training unions for attendance banner; 9:00 p. m., sermon, W. L. Shuttlesworth; 9:30 p. m. adjourn.

COUNTY TO GET CANCER EXHIBIT

There will be a cancer educational exhibit booth at the State-Line Free Fair this year. Mrs. Emma Hastings, Wheeler County Home Demonstration Agent, announced.

Roger A. Shelton, Houston, Assistant Director of Public Relations for the Cancer Association, has written Mrs. Hastings that he will help her arrange the booth for the fair which will be held September 22-24 at Shamrock.

"Each year about this time many of our county units begin installing exhibits in booths at county fairs throughout the state," Mr. Shelton said. "On September 1, a display goes up at the East Texas Fair, Tyler. A Fort Bend display is planned. Others are underway," he stated.

Mr. Shelton stated that he had plenty of material, banners, lighted displays, stand-up signs, posters, etc., to arrange a booth for the State-Line Free Fair.

County Singing Be Held Next Sunday

People who enjoy listening as well as those who enjoy singing, are invited to attend the Wheeler County Singing Convention to be held at the Missionary Baptist Church in Shamrock Sunday, August 28.

Several good duets, trios and quartets are expected to appear on the program. The program is free.

Rev. Gilliam Will Preach Here Sunday

Rev. W. B. Gilliam of Shamrock, beloved retired Methodist minister, will bring the sermon at the morning service of the Wheeler Methodist Church in the absence of Rev. Darris L. Egger, pastor.

Rev. Gilliam moved to Shamrock two years ago after his retirement from active ministry. He has devoted a lifetime to Christian service and still lends his help when called on to preach in nearby towns. He will preach at the Shamrock Methodist Church Sunday night.

Rev. Gilliam is the father of John Gilliam, former Wheeler resident who was employed by the Wheeler Drug and later operated the Geryhound Bus Station at Shamrock.

APPLY MONDAY FOR DIVIDENDS

Application for the special dividend to be paid to veterans who carried their GI insurance for three months or more prior to January 1, 1948, can be made beginning next Monday, August 29, Harris B. Zeigler, Wheeler County Service Officer, announced Monday.

Application forms for the National Service Life Insurance dividend may be had from Zeigler on his next scheduled weekly trip to Wheeler and Mobeetie, or may be secured from him at his Shamrock office. The forms are also available at most post offices and American Red Cross offices.

The dividend is not automatic and each veteran must fill out one of the application forms. The exact amounts each policy-holder will receive are not known at this time. The Veterans Administration will work that out between now and the first of the year when the first dividend payments will be made.

Veterans are asked to contact Service Officer Zeigler, and not to write the Veterans Administration about their dividends. Zeigler will answer questions about the form or about a veteran's eligibility.

These simplified application blanks are in the form of a three-fold card; the veteran will retain one third of the card, which contains the instructions, and after filling in his full name, service number, C-number if any, and insurance number or numbers if available, and address, he will place a one-cent stamp on the remaining two-fold card and mail to Veterans Administration, Washington, D. C.

It is expected the dividend check (Continued on Last Page)

Gospel Meeting At Gispoe Ends Sunday

Elvin Bost of Abilene, singing school instructor and musical director, is conducting a gospel meeting at the Briscoe Church of Christ. The meeting opened August 21 and will close Sunday, August 28.

Everyone is invited to attend. Services are held each evening at 8:15 and will be held twice Sunday.

Top Entertainers Will Perform at Park Dedication

There will be a packed program of entertainment and dozens of lunch boxes stuffed with rare home-cooked delicacies on hand, when Wheeler citizens and their rural neighbors gather at the City Park between 6 and 7 p. m., next Monday.

The well-known Maverick Club troupe of young entertainers from Amarillo will be in Wheeler to furnish one hour's entertainment, starting around 7 o'clock. Auctioneering of what promises to be a record number of box lunches is slated to begin about 8 o'clock.

George Gandy and Thomas Daughtry who are heading up the entertainment committee of the Kiwanis club, in charge of the big outdoor show, announced the tentative program for the Park Dedication Wednesday.

MUSTANGS WILL SCRIMPAGE FRI.

The Wheeler Mustangs will get their best pre-season work out Friday night when they journey to McLean for a scrimmage with the Tigers.

It is a return engagement for the two squads. Last year the Tigers came to Wheeler for an evening of pre-season maneuvering and practicing.

Coach Bernard Smith has been working his Mustangs out each evening and the squad seems to be rounding up in pretty good shape.

The Mustangs will open their 1949 schedule at Shamrock Friday night, September 9, with their age-old rivals, the Irishmen of Scott McCall. It was previously announced the game would be played at Wheeler but arrangements have been worked out to play at Shamrock. It seems Shamrock officials were under the impression the game would be played at Shamrock and had sold tickets to the affair.

Supt. W. O. Carrick had been hopeful the game could be played at Wheeler and it was the feeling of his 1949 squad that this year's game should be played in Wheeler. Members of the Mustang squad, however, finally decided to play it at Shamrock on a \$250 guarantee or half of the net if it exceeds the guarantee.

Some local fans plan to accompany the Mustangs to McLean Friday night.

ALLISON VOTES ON SCHOOL SAT.

Voters of the Allison Consolidated School District will decide in a special election next Saturday whether to change the jurisdiction for administrative purposes from Hemphill county to Wheeler county.

School district tax levies for the five districts under jurisdiction of the Hemphill County Board of School Trustees were set by the Hemphill County Commissioners County recently.

Tax rates were set at \$1 per \$100 valuation in Cataline Common School District No. 4, in Patton Common School District No. 11, and in Blue Ridge Consolidated District No. 17.

An ad valorem tax rate of \$1.50 per \$100 valuation was set for Glazier Common School District No. 2, and for Allison Rural High School District No. 39.

Teen-Agers Corral To Resume Meetings

The Teen-Agers' Mustangs' Corral will begin its regular Thursday night meetings tonight at 8:00 o'clock.

The club was discontinued during the summer months but now that school is about to start, the club will resume. It is hoped that everyone will come and make the club an active one this year.

Everyone is invited to come and enjoy good fun and refreshments.

Mr. and Mrs. Frank Caswell and Mr. and Mrs. Milton Lille are in Rochester, Minn. going through Mayo's Clinic.

Mrs. Luther Sides of Jacksonville, Fla., a former Wheeler resident, visited a few days this week with friends in Wheeler. Mrs. Sides spent two weeks in Amarillo with Mr. and Mrs. L. B. Sides and new daughter, Barbara Ann.

we sang everything we know that most of us really enjoy singing. It was like a meeting that was a success "everybody there got a chance to sing." It is before it was over." It is a wonderful songster, could not get for everyone wanted to sing once again.

Some of our members have been heard of them report good and wonderful times. It was long now before vacation will be coming to a close and all get settled down on the year of work and play (Continued on Last Page)

As We Grow, Let's Grow Friendly

out of line to claim that 100 of these new connections have been caused by the addition of that many new families in our midst.

The longtime citizens of Wheeler should be proud of this record. It would seem to indicate that the contributing factors which usually cause an increase in population are prevalent in Wheeler to a greater degree than in some other villages. Had there been some industrial plant established in the town, this increase in the number of families could have been easily accounted for, but since that has not been the case we must look to other sources for the contributing factor of growth.

The Times will call your attention to the fact that Wheeler is a progressive town. Six blocks of paving have been laid. The local school has proved itself adequate for the educational needs of the community. The local churches have added their influence to the religious interests of the community. The local merchants have expanded their stocks in accordance with the trend of

the times. The local health facilities have been improved and increased. At last but not least the citizens of the surrounding localities and the trade territory of Wheeler have diversified their production. All in all Wheeler has become an enjoyable, pleasant, and healthful place in which to live.

This paper would like to ask the older citizens of the town what they have done in the way of welcoming the new inhabitants. Have you made yourself a real neighbor? Have you shown the new citizens the common courtesies due a new inhabitant? Have you let them know that you are glad they have become a part of us?

Most of these new citizens have moved here from good communities where there was a fine spirit of neighborliness. This paper recommends to you older residents that you give our new-comers the treatment they are entitled to and expect, so that they too will soon be telling the world that Wheeler is a good place to live and its citizens are some of the better people of the earth.

There is no claim put forth, by the city officials, that there have been 146 new residences built or moved into Wheeler, but the officials do claim that there have been a great many new residences built or moved into Wheeler since the war started. And it would not

be out of line to claim that 100 of these new connections have been caused by the addition of that many new families in our midst.

Editorial

DEATH OF AN AUTHOR

The death of the South's most famous novelist, the gentle author of "Gone With the Wind," in Atlanta at the hands of a driver allegedly drunk in a poignant illustration of the sort of driver licensing system under which this country is attempting to operate the greatest aggregation of motor vehicles in the world.

the Wind," in Atlanta at the hands of a driver allegedly drunk in a poignant illustration of the sort of driver licensing system under which this country is attempting to operate the greatest aggregation of motor vehicles in the world.

Miss Margaret Mitchell was run down, dragged for some 15 feet and mangled by a speeding driver with a police record of 22 previous traffic violations. The question which immediately arises is why a man with a record of 23 traffic infractions should be permitted at the wheel of an automobile and particularly to operate as a professional taxicab chauffeur.

It is only Miss Margaret's prominence which brought the accident to national notice. If the driver had struck a lamp post instead of Miss Mitchell he presumably would have become only a driver with a record of 24 traffic violations and would have continued to drive.

Presumably, also, the prosecuting attorney will attempt to throw the book at him, as the expression goes, when the matter reaches trial. It is only human nature to heighten the prosecution when the victim is prominent.

All over the country, meanwhile, people are being maimed and killed by drivers equally as reckless as the one responsible for Miss Mitchell's death. The nation will not hear of them because the victim will not be so prominent. And the drivers, in many cases, will continue to drive automobiles.

-From Fort Worth Star-Telegram

Did you ever stop to think how bad the situation would be if everybody agreed with you?

Education on the higher level is showing the weaknesses of the present age of high finance.

Believe it or not, the Congressional Record is an interesting publication if you have time to read it.

The main trouble with moralists is that they always want to reform somebody according to their ideals.

There are people who believe that if you have enough money you are entitled to do anything you want to do.

The reason why some people acquire so much money is that the man who knows how to make money attends to his own business.

Would it be asking too much of all future prospective citizens of this republic that they understand the American form of government?

These are the People

Look at the faces above. Here you see ranchers... farmers... schoolteachers... merchants... a cross section of our customers. These folks, and thousands like them, are the backbone of the Panhandle-Plains-Pecos Valley area... real folks who have helped us grow over the past 25 years... and with whom we look forward to many more pleasant associations in the future.

OUR 25th ANNIVERSARY

In the years to come... as in the past... it is our pledge to assure adequate facilities to meet the ever-increasing power needs of the area we serve. To provide low-cost, dependable service for better living... electrically.

FARM FACTS WORTH KNOWING

1. How fast do rats reproduce? Rats begin to breed at two to three months of age, and the period of gestation is about 21 days. The average litter is probably ten, and one female may have from three to four litters a year. That is why it is so important to guard against this rodent and why rat control requires constant attention.

2. How often should the litter in my broiler house be changed? It should be changed when it becomes damp or when a contagious disease breaks out. Usually additional litter should be added every few days to a shallow covering placed over the floor before the chicks arrive. After each brood of chicks, of course, the broiler house should be thoroughly cleaned and disinfected and new litter should be provided.

3. Why should dairy cows receive a special grain ration during the dry period? High producing cows are unable to consume enough food nutrients to nourish the unborn calf, produce a heavy flow of milk, and keep up their bodies. Therefore, they need a special grain ration, high in minerals and vitamins, during the dry period. Data from the Research Farm of the Ralston Purina Company indicate that each pound of condition put on dry Holstein cows means about 25 pounds extra milk next lactation period.

The pro rushed up to him with a smile. "Good morning, strange beamed, "What can I do for Rockefeller Center's building in New York is 70 high.

RODEO STAR PERFORMER

Timber Topper... the fence jumping bronc. Timber Topper, the wild, rebellious bronc that no end of trouble during last year's Elk City rodeo crashed through a seven-foot wire fence, seriously injuring two spectators and causing lesser injuries to a half other rodeo fans, is still the champion of all the Buckle-brothers' string of bucking broncs and up to this date the only cowboy who can boast of riding the only bronc named Timber Topper, who made his rodeo debut in year's Ackley park rodeo in Elk City as a nameless horse was later given the name, "Timber Topper," by M. C.stead, Calute, as the result of a contest conducted to suitable name for the bronc, has appeared in only rodeos since the Elk City show last year and in each tried to crash the fence. On none of the three occasions contestant manage to stay aboard the killer.

In the picture above Timber Topper is depicted "grounding" a highflying cowboy during the recent Texas rodeo. Other rodeos in which the star bronc has appeared are those at Vernon, Texas, and El Reno, Texas, at each of these two rodeos met the same fate the groundward bound cowpoke above. Now fully recovered from a leg injury he received when he straddled a fence during the El Reno rodeo, Timber Topper will be brought back into action at the 11th Elk City rodeo September 8-9-10.

FAT CALF BUTCHERING

Time to start getting the fat calf ready for the fall, says Roy Snyder, extension meats specialist at Texas A. & M. College. The fat calf is a good source of fat and is a good source of meat. It is a good source of fat and is a good source of meat. It is a good source of fat and is a good source of meat.

the heart, tongue and liver. It is easy, he says, to cut to fit any size family. The roasts can be cut either large or small and you can't do this with a thin small calf. The short ribs from this kind of calf are also very good. You'll find them juicy and tasty because of that mixture of lean and fat. A beef type animal is desirable but a milk pen calf makes a good substitute and they are available on most farms, says Snyder. So long as the calf gets milk and good grazing, it will do well but when the grass begins to dry up, supplemental feeding is necessary. This is the feed that will make the good beef. The grain ration should be increased as the calf gets older and if grazing is not available, it is advisable says Snyder, to feed hay or other roughage with the grain.

Recipe of Week

Stuffed Green Peppers and Carrots
6 medium sized green peppers
2 tablespoons fat
1 medium sized onion
1 lb. cooked ham, ground
1 egg, beaten
1-1/2 cups cooked rice
1 tablespoon Worcestershire Sauce
1-1/2 teaspoons salt
6 medium sized carrots, cut in strips
Cut off thin slice from stem end of peppers. Chop slices. Remove seeds from peppers and wash thoroughly. Heat fat in skillet and saute chopped pepper and onion. Add ground meat, egg, rice, Worcestershire sauce and salt and mix thoroughly. Stuff peppers with filling in firmly place peppers around outer edge of skillet; add carrot strips in center and 1/2 cup

water. Place on high heat until steaming, then cook on low for 30 minutes. (Serves 6.)

Extension Foods and Nutrition Specialists Texas A. & M. College
1. You'll find plenty of sweet green peppers on southwest markets now.
2. This recipe also is a good way to use left-over bits of ham.
3. Cabbage and apples are also plentiful now and are very good panned or baked together for a main dish.
4. Applesauce folded into stiffly beaten egg whites makes a wonderful dessert called apple float.

MISS CAROLYN BONES

Announcement has been made of the engagement and approaching marriage of Miss Carolyn Bones, daughter of Mr. and Mrs. Percy Bones of Amarillo, and Scott Allen Boyd, son of Mr. and Mrs. Edward Alexander Boyd of Edinburg. Nuptial vows will be exchanged in an informal ceremony at the First Methodist Church in Edinburg, September 6, at 9:00 o'clock in the morning.

Miss Bones is a graduate of Edinburg High School, and served as president of the Sergeantes, Drum and Bugle Corps, during her senior year. She is also a graduate of the Edinburg Junior College where she was a member of Delta Psi Omega in her sophomore year. She has served as Worthy Advisor of the Edinburg chapter of the Rainbow Assembly for Girls. For the past two years she has been employed by the Texas Employment Commission.

The bride-elect is well known in Wheeler, since her parents were long-time residents of this city and Shamrock where Mr. Bones was co-owner of the Shamrock Texan and Wheeler Times. They recently moved from Edinburg to Amarillo where Bones is associated with the Amarillo Times.

The bridegroom-elect is a graduate of the Edinburg High School and has recently received his discharge from the U. S. Navy, in which he had four and one-half years in overseas duty in various foreign countries.

Herridge-Kirklin Wedding Announced

The wedding of Miss Lema Herridge and Vernon Kirklin, which took place August 3, has been announced.

Marriage vows were exchanged at the parsonage of the First Baptist Church in Wheeler, with the pastor, Rev. M. B. Smith, officiating in the single ring ceremony.

The bride, who is the daughter of Mr. and Mrs. W. J. Herridge of Lake Victor, was attired in a dress of light blue printed crepe, accented with white accessories. She wore a corsage of pink carnations.

Mrs. Kirklin attended school in Lake Victor and has been a resident of Shamrock for the past two years.

The bridegroom is the son of Mr. and Mrs. G. R. Kirklin of this city. He is a graduate of the Samnorwood High School and served with the infantry in the U. S. Army, European Theatre, for about two years. He received the Purple Heart for wounds while in service.

The couple returned last week-end from a wedding trip to Eagle Nest and Red River, N. M.

Kirklin has farming interests in the Dozier community, but the couple will make their home in Shamrock for the present.

East Texas produces two-thirds of all outdoor rose plantings in the United States. Up to 20 million rose bushes a year are shipped out.

**Mary Ellen Davey
And Audie Lee Wed**

Nuptial vows were solemnized Monday evening, August 15 for Miss Mary Ellen Davey, daughter of Mr. and Mrs. Jess Davey of Rapid City, S. D. and Audie Lee, son of Mr. and Mrs. Henry Lee of Briscoe and Spearman. The impressive twilight ceremony was read in the parsonage of the First Methodist Church in Spearman. Rev. R. S. Watkins, pastor of the First Methodist Church in

Spearman, read the single ring ceremony before an improvised altar decorated with lovely summer flowers. Lynden Lee and Zack Fisher lighted the tapered candles. Soft music could be heard throughout the entire ceremony.

The bride was attired in a semi-formal dress of white pique with red accessories. She wore a corsage of red carnations.

Mrs. Wayne Wallis of Borger attended the bride. Mrs. Wallis is a sister to the bridegroom. She wore a dress of pink linen.

Wayne Wallis attended the groom as best man.

Mrs. Lee graduated from high school in Parkington, S. D. The groom graduated from Briscoe high school and attended Texas

Tech in Lubbock.

A reception honoring the bridal couple was held in the parsonage. Helen Fisher presided at the punch bowl and Mrs. Watkins served the cake. The bride's table was centered by a three-tiered cake, topped with a wreath of orange blossoms and a pair of white love birds.

The young couple plan to make their home in Wheeler County.

Four Are Honored At Birthday Dinner Sunday

A birthday dinner honoring Jim Goad, his twin brothers, Evert and Emmett Goad, and Mike Goad, son of Mr. and Mrs. W. A. Goad, Jr. was enjoyed Sunday in the home of Evert Goad.

Those attending were: Mr. and Mrs. Emmett Goad, Joann, Joyce, and Robert of Riverside, Calif.; Mr. and Mrs. Jim Goad and Loretta of Plainview, Mr. and Mrs. Elbert Zytach, Bobby, Jane, and David, Mr. and Mrs. W. A. Goad, Sr., Sarah and Jimmy, Mr. and Mrs. W. A. Goad, Jr. and Mike, Mrs. Hollis George and Mr. and Mrs. Evert Goad, Carroll, Martha and Nelda.

FARM-MARKET ROAD CREATED

Farm-to-Market road designation was made by the Hemphill County Commissioners Court on the county road running west from U. S. Highway 83, one mile north of the Wheeler County line, to a road intersection 5.8 miles west, at the regular session of the Hemphill Court recently.

The new Farm-to-Market project was designated, subject to availability of funds, under the terms of Senate Bill 287 (the Rural Roads Act) and subject to the condition that Hemphill County will furnish all required right-of-way free of cost to the state.

The state highway engineer was directed to proceed with the preparation of plans for the construction of the road, at an estimated cost of \$55,900, and when right-of-way funds are available, to proceed with construction.

Country Line Club In Business Meet

The Country Line Home Demonstration Club met August 18 in the home of Mrs. P. A. Martin. After a short business meeting the group played games. Mrs. Ben Helten was winner and received many nice gifts.

Refreshments were served to: Mrs. Ben Helten, Mrs. Tom Helton, Mrs. Jack Meek, Mrs. Jim Selby, Mrs. Doyle Standlee, Mrs. Willie Richardson, Mrs. F. C. King, Mrs. Sarah Standlee, Mrs. Olay Rankin, Mrs. Farmer Hefley, Mrs. Barney Burgess, Mrs. John Francis, Mrs. Neal Crosier, Mrs. M. B. McNeil, Mrs. Earl Williams, Miss Joyce Helton, Miss Mary Jo McNeil and the hostess, Mrs. P. A. Martin.

Girl Scouts Urged To Aid Box Supper

The Girl Scout Troop 2-18 met Tuesday afternoon for their regular meeting with Mrs. W. A. Goad, Jr. in charge.

President Patsy Burgess presided over the business meeting. The park dedication was discussed and it was decided that each girl should bring a box to the box supper to be held at the park next Monday evening.

A nosebag hike was planned for Tuesday and will take the place of the regular meeting.

The girls repeated the Girl Scout promise and formed the friendship circle. After singing "Taps" the meeting was adjourned.

All scouts' attention is called to the fact that they are requested to bring a box to the box supper and park dedication. The Kiwanis Club is in charge of the dedication and the money received from the auction will go to the park fund. Also, do not forget the hike this coming Tuesday. All girls meet at the courthouse at 5:30.

LEGAL NOTICE

THE STATE OF TEXAS
COUNTY OF WHEELER
SHERIFF'S SALE

WHEREAS, on the 29 day of July, 1949, in Cause No. 4017 in the District Court of Wheeler County, Texas, wherein The State of Texas and County of Wheeler were plaintiffs and the City of Shamrock and Shamrock Independent School District were impleaded Defendants; plaintiffs and Shamrock Independent School District recovered judgement against Tom Powell and wife, Ruth Powell; L. S. Noble, executor of the estate of Hilda Perry, Deceased, and under her will, and W. M. Erwin; if living, and if dead, the unknown heirs and legal representatives of such as may be deceased, defendants, for taxes, penalty, interest, and cost against the hereinafter described property;

WHEREAS, on the 23 day of August, 1949, by virtue of said judgment and the mandates thereof of the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 24 day of August, 1949, seize and levy upon as the property of the above defendants the following described property, situated in Wheeler County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)
All of the East 10 feet of Lot No. 4; and all of the East 50 ft. of Lots, 5 & 6 respectively of Block 19, of the original town of Shamrock, Wheeler County, Texas, according to the recorded map or plat of such town in the office of the county clerk, said county and state; the property being most generally known as the "Mother Perry Hotel property".

And I will on the first Tuesday in the month of October, 1949, the same being the 4 day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Wheeler, between the hours of 2:00 p. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone

Methodist Youths In Meeting On Thursday

The sub-district Meeting of the Methodist Youth Fellowship was held Thursday night at the First

Methodist Church. The president of the sub-district, Doyle Brown of Shamrock, was unable to attend and the vice-president, Veda Mae Kiker of Wellington, presided over the business meeting.

The Wheeler M.Y.F. was in charge of the worship service and a short program was concluded with Ralph Wheat singing "The Holy City".

Miss Katherine Russell of Turkey and Rev. W. E. Hamilton of Clarendon, were special guests. Miss Russell brought along several slides showing how the Methodist Youth Fund is being spent.

Games and refreshments in Fellowship Park followed the program.

There were representatives from Wellington, Shamrock, Lela, Kellton and Wheeler.

The next meeting will be a sub-district wide affair and the next sub-district session is scheduled for 1950.

Mr. and Mrs. Buster Callan, Phyllis and Randy, returned home Thursday from a week's vacation in New Mexico. They visited friends and relatives in Ruidoso.

Claire Hanks And Ben T. Griffin Wed

Announcement has been received of the marriage of Miss Claire Hanks and Mr. Ben T. Griffin on Tuesday afternoon, August 9, in the home of the bridegroom's sister, Mr. and Mrs. Gene Tucker, Pampa.

The Rev. Henry H. Tyler, pastor of the First Christian Church, officiated in the single ring ceremony.

Gene Tucker attended his brother-in-law as best man.

The ceremony was attended only by a few close friends of the couple.

The bride was attired in a green crepe dress, tailored features, and gold accessories.

Mrs. Griffin was an employee of the Griffin Bros. Station, Grocery and Cafe at Wheeler prior to her marriage. Mr. Griffin is the owner and operator of the firm. He served in the army for eight years during the preceding war.

They will make their home in Wheeler.

PUCKETT'S RECIPE OF THE WEEK

Easy Chop Suey

1 1/2 cups diced green beans
1 1/2 tablespoons soy sauce
1 1/2 cups thinly sliced onions
2 1/2 cups diced celery
1 cup liquid off green beans

2 1/2 tablespoons chop suey sauce
2 teaspoons dark corn syrup
1 1/2 tablespoons flour
1 1/2 tablespoons water
1 1/2 cups drained, cut green beans, cooked or canned
1/2 cup Fat Milk

Put meat into skillet with hot shortening. Cover and cook slowly about 30 minutes, or until tender and brown. Add onions, celery, bean liquid, chop suey sauce and corn syrup. Cover; cook slowly 10 minutes longer. Stir in mixture of flour and water. Boil and stir 2 minutes. Add green beans and milk. Heat thoroughly, but do not boil. Serve with boiled rice, spaghetti or macaroni. Makes 4 servings.

*Beef, veal or lean pork can be used.

You Will Need:

PET MILK	3 Tall Cans	35c
CHOP SUEY SAUCE	3-oz. Bottle	12c
LEAN DICED MEAT	Pound	45c

PUCKETT'S FOOD MARKET

SPECIALS FOR FRIDAY AND SATURDAY, AUGUST 26 & 27

LIVE CROPS TO BE NEW FEATURE OF STATE FAIR

The dirt farmer of Texas will receive a large measure of glamor in the fresh, living Agricultural Show now being readied for the 1949 State Fair of Texas, October 8-23.

There will be the old-fashioned museum-like jars of seeds and ears of state fairs. Instead, at the State Fair of Texas majestic stalks of corn and billowing masses of wheat will be shown growing with their roots in actual soil under typical farm conditions brought indoors.

There will be more actual growing plants exhibited at the Fair this year than at any fair elsewhere before, declared E. C. English, chairman of the Fair's Agriculture Committee. "Visitors who've never seen rice or peanuts, for example, except in a bowl of cereal or a candy bar, will get a chance to see them as they grow in the field."

There will be living exhibits of wheat, grain sorghum, grass, corn, cotton, wheat, roses, legumes, oats, barley, and vegetables.

A fabulous exhibit of more than 40 varieties of Texas grass alone is worth a trip to the Fair, Mr. English said. The Texas Forest Service will set up a tall living pine tree; and a dazzling exhibit of roses by Tyler growers will probably be the Fair's most colorful single display.

A huge and impressive exhibit will show how the vast Texas A. and M. College System reaches into every county in the state to help farmers and ranchers to better crop quality and yields and improve livestock.

The cotton industry will tell the full story of Texas' leading crop in an interesting exhibit pinpointing the advantages of mechanization and modern marketing methods which have enabled Texas to hold its position as the nation's leading cotton-growing state.

Displays by West Texas groups will portray the importance of this vast agricultural empire in the economy of the state. The miracle of irrigation in the "shallow water" section of the area will be demonstrated.

"We have tried to give the new Texas agriculture every bit of emphasis which the importance of this \$2,000,000,000 industry deserves," Mr. English said.

"There will be a harvest of ideas for the farmer and a new perspective for the city-dweller in the new approach to this year's Fair."

The interior of the huge Agriculture Building has been newly "landscaped" by the nationally-famous Lambert Landscaping Co. of Dallas.

A SORRY LOT

Judge—When you married him you promised to share his lot, didn't you?

Wife—Yes, but I didn't know then that it was just a lot of trouble.

Vitamin D is the rarest among ordinary foodstuffs.

Hays Family Enjoys Reunion Near Briscoe

A reunion of the Hays family was held in the home of Mr. and Mrs. Jim Helton near Briscoe August 13 and 14. Everyone enjoyed a grand time of feasting and visiting.

Those present for the occasion were: Mrs. A. N. Pace of Clarkville, Agnes Hays and children of Memphis, Mrs. O. B. Hammonds of Memphis, Mr. and Mrs. Ross Hays and children of Marianna, Ark., Mrs. Charles Clemens and Kay of Amarillo, Mr. and Mrs. Joe Hays and children of Phillips, Mr. and Mrs. Oler Wynn of Lakeview, Jimmie and Jessie Faye Hays, Nancy Sue and Margie Hammonds of Memphis, Mrs. Curtis

Daniel and children of El Paso, Mr. and Mrs. Corky Stinnett of Memphis, Mr. and Mrs. Hubert Samples and son of El Paso and the host and hostess, Mr. and Mrs. Jim Helton and family.

Other guests during the two-day affair were: Mr. and Mrs. A. E. Dillon of Allison, Mrs. Rex Miller and children of Sweetwater, Okla., Mr. and Mrs. T. C. Helton of Wheeler, Mrs. Forrest Anderson of Amarillo, Mr. and Mrs. Weldon Jones of Los Angeles, Calif., and Mr. and Mrs. Harry Young of Amarillo.

Two of the boys unable to attend were Britt Hays of Dallas and A. C. (Tea) Hays of Littlefield.

Chester, common ending for English town names, come from the Roman word castra meaning camp, since many were originally Roman camp sites.

Lake Superior is the largest lake in North America.

From where I sit... by Joe Marsh

If They're Wild, They Belong To Tik!

Saw Tik Anderson last week and was reminded of the first time I ever spoke to him. The missus had sent me out one Saturday afternoon to hunt for some blackberries.

I took a long hike and couldn't find any. Finally, I came to Tik's house along that low stretch east of the fork on River Road. "Hi there," I says, "any blackberries around here?"

Tik says, "There used to be—but I don't know much about things that grow wild." Later, I found how Tik supports his family by picking berries. Ever since, I've

been like the rest of folks in town—respectful of his right not to tell where "his" berries grow.

From where I sit, respecting other folks' rights comes natural in our town... in America for that matter! Whether it's a person's right to enjoy a temperate glass of beer or ale, or whether it's Tik Anderson's right to keep secret where his berries are, it's all a big part of a real democracy!

Joe Marsh

Wheeler, Texas

Fertilizers Pay Off For Swisher Countian

The use of fertilizers paid off last year for Hubert Duke of Happy, Texas, says Swisher county agent Calvin D. Holcomb.

Duke fertilized four different plots of wheat and in his report to Holcomb he said one plot was fertilized with 400 pounds of ammonium nitrate per acre and from the plot he harvested 48.2 bushels of wheat per acre. On another, he applied 100 pounds per acre of the same fertilizer and harvested 46 bushels per acre. On a third plot,

he used 200 pounds of 16-20-0 fertilizer per acre and harvested 45.4 bushels per acre and on the fourth, he used 100 pounds of 16-20-0 per acre and harvested 44.2 bushels per acre. From his check plot, he harvested only 28.2 bushels per acre.

The increased yields paid for the fertilizer and left Duke a very good increase in money income per acre from each of the four applications that he made, says Holcomb. The per acre yield increases ranged from 16 to 20 bushels per acre and a little simple arithmetic shows the money income per acre was increased approximately \$27.50

to \$35.00 per acre. Take off cost of the fertilizer, and you have an excellent return on investment.

Duke says the ammonium nitrate produced slightly higher yields than the 16-20-0 but the stalks on the 16-20-0 were stronger and this made possible a better combining job.

Fertilizers have been used on the Duke farm for the past years and he tells Holcomb its use is becoming a must of farming operations. He plans to increase his acreage of fertilized crops next year.

 happened then?"
 asked. Do you think I'm

crazy? and the groom, who was in a sort of daze, replied, "I do."
 Mildew and black spot, diseases that effect the leaves of roses, can be controlled by dusting the plants with copper sulphur, cotton dusting sulphur, phygion or spraying with bordeaux.

TIME HERE TO PLANT GARDEN

It is time to begin the fall garden. Recent rains over most of the state should make it possible to get the garden off to a good start, and you'll want to include in the early plantings, Irish potatoes. Before beginning the plowing job, clean off all weeds and grass for if turned under at this season, they'll heat and cause the soil to dry, says John E. Hutchison, associate extension horticulturist of Texas A. and M. College.
 If well dried barnyard manure is available, spread it over the garden and plow it under five to six inches deep. It adds plant food and increases the water holding capacity of the soil. Three to five pounds of 5-10-5 fertilizer per 100 feet of row space will also help increase the yield.
 Home gardeners may select seed potatoes from the spring crop, says Hutchison. Small potatoes may be planted whole. Larger potatoes should be cut into pieces about half the size of hen eggs. He recommends the Bliss Triumph. The Bliss Triumph (red) reaches maturity in about 70 days. Five to six pounds of seed potatoes will plant 100 feet of row.
 Seed potatoes from the spring

crop must have a rest period of six weeks from time of harvest to planting time. It is often a good idea to sprout the potatoes before planting and Hutchison says this can be done by spreading them on the ground in a cool shady place, covering them with straw, damp sand, sawdust or old sacks. Keep them moist for several days until sprouting begins, then plant immediately but not in dry soil. If necessary, irrigate a day or two before planting.
 The rows should be three feet apart. Drop the seed potatoes about 14 inches apart and cover three to four inches deep as soon as possible. Exposure to heat and light increases the chances for decay and a poor stand, says Hutchison.
 After the potatoes are up to a stand, they should be worked every few days. If the plants wilt during the day, it is an indication they need water and should be irrigated. Toward the end of the growing period when the potatoes begin to form, it is important that the soil be kept moist.
 Fall grown potatoes keep well in storage, but don't let them freeze. Cellars and sweet potato curing houses can be used for storage. The cotton seed house on the farm is a good storage place. Scoop out a hole in the seed large enough to accommodate several bushels of potatoes, then pile the seed back over them. They will keep well and will be free from dirt.

BOYS RANCH TO PUT ON RODEO

Excitement has been running high at Boy's Ranch ever since it was learned that Roy Rogers, the famous screen cowboy, would appear in person at the Boy's Ranch Annual Rodeo, September 4th. Dale Evans, Roy's leading lady on the screen and his wife off the screen, will accompany him and appear at the Rodeo.
 Both Dale and Roy said that they would be more than happy to come to Amarillo for this big event, and insisted on paying their own expenses. They are donating their transportation, expenses, and their time.
 Because Roy's famous horse, Trigger, is on location, he will not appear with Roy. But Roy and Dale will be the feature attraction at the Rodeo.
 This year, all the boys at the Ranch are going to participate, even the little fellows. The youngest ones will try their hand at calf riding on some small yearlings calves. Even the 5 year old son of the Superintendent will straddle one of the calves.
 The older boys will participate in bronc and steer riding, trick roping and trick riding, ribbon roping, and many other events. From the looks of the number of entries and the number of events, the Rodeo this year will be the biggest and best yet.
 The date of the Boy's Ranch Rodeo is September 4th, and it will be held at the Tri-State Fair Grounds in Amarillo. There will be two performances—one in the afternoon and one in the evening. And Roy Rogers and Dale Evans will appear in both of them.
 Tickets are on sale now for both performances. The entire proceeds of the rodeo will go to Boy's Ranch. Prize money will be given to the winners of the different events, and Roy Rogers has offered to donate some boots and metal figures of Tigger as additional prizes.
 Put a circle around September 4th on your calendar. That's the day of the Fifth Annual Boy's Ranch Rodeo, to be held at the Tri-State Fair Grounds. Remember, Roy Rogers will be there in person.

DENTAL CARE IS VERY NECESSARY

Tooth decay or dental caries is a destructive, progressive disease of the teeth. A large part of a tooth may be destroyed by decay with little evidence of decay on the surface, says Dr. Geo. W. Cox, State Health Officer. Surveys of large groups of preschool children reveal that 50 percent of them have decayed teeth at three years of age, 75 percent at four years of age, and 90 percent at five years of age. Six out of ten children age 4 to 5 have as many as seven or more cavities.
 Decay begins most frequently in the small pits and fissures on the chewing surfaces and at the points of contact between the teeth. Pits and fissures with structural flaws should be filled at once to prevent decay.
 Dr. Cox said, "Dental examination and care should begin with the three year old child, and periodic examinations and necessary care should follow, thereafter, as often as the dentist advises. The first or baby teeth should be kept in a healthy condition until it is time for them to be lost."
 "X-rays aid the dentist in finding hidden cavities, especially those between the teeth. Many of these beginning cavities are located in areas where they cannot be found

in any other way. X-ray pictures are also useful in finding other conditions that require immediate attention such as abscesses, impacted teeth, broken roots, bone destruction due to pyorrhea, extra teeth and other information that is important in treatment of the case.
 "With periodic dental examination and adequate dental care for each child, beginning at three years of age, the great majority of the children will reach adulthood with good dental health."
 Rudyard Kipling was born in Bombay, India.

from the Star High School in 1945. He did his Junior College work at John Tarleton College at Stephenville, Texas. He went one year to Sul Ross State Teacher's College at Alpine, Texas and received his B. S. degree, the Smith-Hughes Certificate, and the Four Year School Certificate at Sam Houston State Teacher's College at Huntsville, Texas.

Mr. Walton plans to be married September 6 to Miss Joann Robinson of Lampasas, Texas.

In connection with his work as Vocational Agriculture Teacher, Mr. Walton is organizing the Future Farmers of America. He plans to enter Area Judging Contests, Livestock Shows and other activities that will tend to create and maintain interest in progressive

farming. The purpose of the FFA is to integrate the classroom work and practical projects so that the students will graduate with knowledge and skills sufficient to help them make a success of farming.

The program of the FFA is built around the boy on the farm and effort is made to stimulate interest in this boy to go back to the farm after graduation and apply his knowledge and skills, along with his previous practical experience, in progressive farming enterprise.

Mr. and Mrs. Jess Swink and Marilyn, and Sue Williamson returned Monday night from a vacation to points in California.

Mr. and Mrs. R. T. Watts and Mr. and Mrs. R. E. Wright returned home Friday from Houston where they had been visiting with Mr. and Mrs. Wayne Jolly. They enjoyed a day together in Galveston.

10 AMENDMENTS TO BE VOTED ON

The 10 proposed amendments to the constitution of the State of Texas, which are to be voted on November 8, 1949, are being published in the two papers of the county. Five of the amendments are published in The Wheeler Times and the other five in the Shamrock Texan.

The amendments are the same as those which originally were to be voted on September 24 but the election was postponed until November 8 and this office was notified to discontinue publication until further notice which was made August 4.

Five of the amendments are published in this weeks Wheeler Times in detail. A summary of the other five amendments which are published in the Shamrock Texan is printed as follows for your information.

Senate Joint Resolution No. 1— A proposal to repeal the provision making the payment of a poll tax a qualification of an elector; requiring the Legislature to pass a general registration law for voters.

Senate Joint Resolution No. 4— A proposal to amend Section 19 of Article 16 to provide that the qualification of no person to serve as a juror on grand juries and on petit juries shall be denied or abridged on account of sex.

Senate Joint Resolution No. 5— A proposal for an amendment to Article III authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts.

House Joint Resolution No. 5— A proposal to amend Section 5 of Article III of the Constitution of which Sec. 24 will read: "Members of the State Senate and House of Representatives shall receive from the State Treasury an annual salary of Three Thousand Six Hundred Dollars (\$3,600)," as specified in the resolution.

House Joint Resolution No. 15— A proposal for an amendment authorizing the Legislature to provide for the establishment of health units and authorizing a tax in support thereof.

Apply Monday

(Continued from Page 1)
distribution will begin in January and will be substantially completed during the first six months of 1950. "Making application on the first day of distribution of the forms does not necessarily assure early receipt of the special dividend check," Mr. Sisson emphasized.

Beneficiaries of deceased veterans who are presently receiving insurance benefits will not be required to make application for the special dividend.

Veterans Administration will mail direct to beneficiaries of deceased veterans whose insurance was not in force at time of death, the necessary application form for any accrued dividend payable.

One application only is necessary although the veteran may have had more than one policy of insurance or more than one plan of insurance. It is further pointed out that where the insurance number is unknown, the veteran's application will be identified through his service number.

CARD OF THANKS

We wish to thank each and every one who helped and sent sympathy to us during our bereavement of our beloved brother and uncle. We want to thank the doctors and nurses for their kindness. We also wish to thank everyone for the lovely floral offerings.
Mrs. C. B. Durham
Mr. and Mrs. Truman Scott

Mr. and Mrs. W. T. Hollis of Pampa spent Saturday night in the home of Mr. and Mrs. Lee McCasland.

Lela School

(Continued from Page 1)

mer-Aiken school law became effective, there were 23 school districts in Wheeler county. As a result of annexations since the law became operative, there are 8 districts with prospects of adding another one. Allison where voters go to the polls on August 27 to decide if they wish to change jurisdiction from Hemphill county to Wheeler county. Indications are Allison will switch over to Wheeler county jurisdiction by a landslide vote, giving Wheeler county the sixth high school. Other high school districts are: Shamrock, Mobeetie, Wheeler, Kelton and Briscoe.

The three rural school districts are: Lela with 5 teachers, Kellerville with 4 teachers and Bethel with 3 teachers.

Mr. Dyer explained that Twitty and Magic City are not now legally "dormant" although both districts sent their entire student bodies to Shamrock last year, but will become "dormant" next year and will become automatically annexed. The Gilmer-Aiken law requires a district to remain operative for two years before becoming "dormant" and subject to compulsory annexation. Twitty and Magic will send their students to Shamrock again this year.

Although the "legal annexation" of districts recently reducing the number in Wheeler county by 12 sounds like there has been a major overhaul of school geography, actually the changes have amounted to little, the county school superintendent said. The districts which have been annexed have been those which did not maintain school anyway. And it has been the annexation policy of the County School Board to return students to the schools where they had been going of their own choice. The law requires that annexed districts must be contiguous or adjoining however, and in a few cases it was impossible to permit students to continue to the same school.

Most of the consolidations have been simply giving legal status to existing practices. For instance, about 75 sections from Hemphill and Gray counties were annexed to Mobeetie but no new scholastics were added as the area was already being served by Mobeetie schools. Pleasant Valley in Hemphill county has been annexed to Briscoe but was already being served by Briscoe. Bethel, Lela and Kellerville are countyline districts that have territory in other counties. Ella in Collingsworth was annexed to Bethel. About 120 sections in all were annexed by Wheeler county districts from outside the county.

About 23 sections of Wheeler county were annexed to the McLean (Gray county) district but all of the area was already sending students to McLean.

The time element for buses to pick up and deliver students is a governing factor in the formation of districts, in some of which roads do not permit fast travel. Most of the districts in Wheeler county appear to be about maximum size for efficient bus operation under present conditions.

Marketing Specialist Visits Club Leaders

Miss Myrtle Murray, Texas A. & M. College, was here last week to hold a conference with committee chairmen of Home Demonstration Clubs and the Home Demonstration Agent, Mrs. Emma Hastings.

Miss Murray, who is an Extension Specialist in marketing, met with the committee chairmen at 10 o'clock Thursday morning and during the afternoon, she conducted a panel discussion on marketing problems. The latter meeting was open to the public.

Sardines are young herring. Columbia University was first known as Kings College.

LOCAL NEWS ITEMS

Mr. and Mrs. Emmett Goad and children, Bob, Joann, and Joyce of Riverside, Calif. are visiting relatives and friends in Wheeler this week.

Sunday guests in the home of Mr. and Mrs. C. H. Starkey and Vonell were: Harold Starkey, Don McCormick, Marshall Walker, Avo Jones, and Gwynn Shirley all of Spearman.

Mr. and Mrs. Boyd Chandler of Chillicothe visited Mrs. Shelby Pettit Monday.

Rev. Darris Egger left this week for a vacation in Oklahoma.

Miss Genevieve Morton, Ralph Wheat and Jamie Clark left Sunday for Trinidad, Texas to attend a 4-H encampment.

Mrs. H. G. Smith of Shamrock visited her parents, Mr. and Mrs. J. M. Glover this week. Mrs. Smith was accompanied by Mrs. Don Balesley and daughter of Hugo, Okla.

Mrs. Flauzy Holt of Amarillo spent a few days in Wheeler visiting friends and relatives this week.

Mr. and Mrs. Jim McCasland and Mrs. Elizabeth McKinney and son, Ronnie, of Atlanta, Texas spent the week with Mr. and Mrs. Lee McCasland.

You Can STEP OUT AHEAD with Mc CORMICK-DEERING HAY MACHINES

●The farmer who chooses a McCormick-Deering Hay Machine is getting a great background of equipment leadership and success on his side. Through all the years of hay rool development, McCormick-Deering has played a leading role. McCormick-Deering QUALITY early became a standard by which other equipment was judged. To farmers interested in perfecting a speedy, dependable method of harvesting hay, we want to say this: "Look into the complete McCormick-Deering line. There's a modern machine for every step in your job, and we'll be glad to show or tell you all about them."
