X-RAY REPORT GIVEN ON PART OF WHEELER CO.

The mobil X-ray unit has completed five days of its eight day check-up in Wheeler county. A report was given after X-rays had been made in Mobeetie and Wheeler. County Sanitarian, W. R. (Tex) Ritter, had hoped for a 1,000 persons to have an X-ray in Wheeler but the check-up fell short.

To help reach the 1,000, Ritter had the students in the Sweetwater, Okla., school come over one day in a group to have their chest X-rayed.

Mobeetie fell below this year compared to the X-rays made there last year. In 1950, there were a total of 324 chest X-rays made in the two-day stop there, compared to 417 made in 1949, on the one day stop. In 1948, there were 265 persons X-rayed in Mobeetie.

There was an increase in Wheeler by seven persons with a total of 812 in three days. Tuesday was the heaviest with 318 X-rays. Monday there were 229 X-rays made and on Wednesday 265 persons had X-rays made.

In 1949, Wheeler had 805 X-rays made and in 1948 there was a total of 975 persons had X-rays made.

Persons receiving chest X-rays through the facilities of the mobil unit operated by the State Health department will begin receiving cards showing the results within eight or 10 days. If the reports are negative, they will be returned to the individuals. If they are positive, both the individuals and their physicians will be notified.

Of the 3,655 persons X-rayed in Wheeler county in 1948, 32 positive cases of tuberculosis were found; 43 of suspicious nature; and 39 other diseases.

Last year, out of the 3,742 persons having an X-ray made there were 60 definite cases of tuberculosis and 3 suspicious cases and 15 other diseases.

Ritter has expressed his appreciation to those who assisted in the health program. "Without the cooperation of scores of workers and without the splendid response of the general public, the clinic this year would not have been the success that it was," he stated.

NEW RULES ARE TOLD BALL FANS

Football season is now here. The Mustangs will play their first home game Friday night, September 15, against Turkey. This will be a non-conference game, but since some new conference regulations are going into effect this year the faculty of the Wheeler school would like to start the new rules on the first game.

They are as follows:

1. All playing fields must be fenced.
2. No spectator will be permitted inside the fence. This has been made a responsibility of the home team.
3. A broken line must surround the field five feet outside the playing field and no one but active players can be inside this broken line.

Rule number 2 is a conference regulation. Rule number 3 is a national regulation. Some members of the American Legion have volunteered to help at the football games.

SERVICES HELD FOR INFANT SON

Funeral services for Douglas Wayne Cornell, infant son of Mr. and Mrs. W. E. Cornell, were held at the Pentecostal Church in Allison, Tuesday, September 12, at 1 p.m., with the Rev. Robert Estes of Allison officiating.

One brother, Jessie William Cornell, preceded him in death. Survivors include the parents, Mr. and Mrs. W. E. Cornell, Allison; three brothers, Larry Keith; Bobby Lee and Meredith Doyle; and one sister, Janice Kay, all of the home address; the maternal grandmother, Mrs. Mae Gilmer, Zybach; and the paternal grandmother, Mrs. Ida Cornell, Hollis, Okla.

Interment was in the Zybach Cemetery. Arrangements being with the Kirk-Mason Funeral Home.

Wheeler Whisperings

By J. C. Howell

Rain! Rain! Rain!

Wonder where those so called rain makers are now... if they can do so much with the clouds, why don't some of them come out and get rid of those low flying clouds which have been shedding moisture on the Panhandle for the past several days. We never did believe that any human alive could do anything with Mother Nature and we still don't believe that they can, in fact, we believe that perhaps if those so called rain makers who were seeding the clouds back in the early spring would have left things alone and let Mother Nature have her way without provocation we probably wouldn't be having all this moisture right now. We believe that when the Good Lord wants us to have moisture he will send it and when he wants it to be dry he will make it so regardless of what scientists think they can do with the elements.

Miss Celeste Wiley brought us a copy of the Chinese Times which is published in San Francisco when she returned from attending school up in Washington this summer and we haven't gotten around to reading same as yet, in fact, we probably won't get around to doing so unless some kind of oriental comes along who can translate same for us. However, we do appreciate having anyone think of us when they are away from home and bringing things back for us to see. It is quite interesting just to look at the paper whether you can tell anything about what it says or not.

Some of our readers probably haven't heard that we have been granted a 90-day deferment by the Army which means that we will be on hand for a while yet anyway. We certainly appreciate all the kind words of friends and acquaintances and we certainly would like to thank those of you who aided in securing us a deferment.

Some of the members of the Wheeler Chamber of Commerce tell us that now or whenever the construction company which is to do the paving in the north part of Wheeler County on the Farm To Market Roads is here will be a very good time to get some of these city streets paved at a very reasonable figure. After driving around town over these muddy and washed out streets, it appears to me that we should try to do something about it if we possibly can. What do you think?

The City of Wheeler needs some new fire fighting equipment which will cost about \$7,000.00 and our opinion is that everyone will think that is too much to spend for same until we have a big fire which could have been extinguished quickly with proper equipment happens then good fire fighting equipment at any price would be cheap compared to the amount our insurance premiums will advance and the amount of the personal (Continued on last page)

CIRCUS TO BE IN WHEELER

Tom McLaughlin advance representative of the Cole and Walters circus was a caller in the Wheeler Times office this week and announced the coming of the first big circus of the season, the date having been set for Tuesday, September 26.

Many new and novel features will be presented under the big top this season, foremost of these will be the Kreil Family, sensational acrobats; Miss Jeanie, thrilling juvenile contortionist; Marie Webbles performing chips; Eddie Sheeler, comedy cyclist; Wayne Newmans famous white horses; Van Duo, teter-board acrobats; Neilson Sisters, aerialists; Cole & Walters trained elephants, prancing ponies, riding dogs and monkeys.

In the menagerie this season will be seen for the first time without any circus, a real baby hippopotamus, also a baby elephant. In a few days the regular advertising trucks will arrive and begin the task of placing the bright red posters throughout the surrounding territory.

MOBEETIE WINS BASEBALL TITLE OF TRI-COUNTY

Mobeetie downed the Wheeler Legionnaires in a hard fought battle Sunday in the final game of the championship of the Tri-County League. Mobeetie beat Wheeler in the first game then Wheeler came back to take the second game and Mobeetie won the last one to make it best two out of three.

In the opening inning the Legionnaires went into the lead by two runs. Roe Green was given a walk, Chester Bowles went down on strikes but Bob Holdeman followed with a single through the hole between short and third and move Green around to third and Holdeman at first David Britt was retired on strikes and Henry Stephens hit a grounder that went right through Don Lloyd's legs to score Green and Holdeman. McNeil bounced out to the pitcher to end the inning.

Tom West set Mobeetie down in the first inning without any runs but in the second they came back to get four runs to go into the lead by a margin of 4 to 2. Leroy Robison hit the first pitch for a double into center field and Bill Williams followed with a single to score Robison. Cooper reached base on an error and Timms also reached first on an error but the next two men popped up to make it two out when Yeager lined a double to left to plate both men, Don Lloyd flew out to left to end the inning.

Wheeler gained two runs in the third inning when Bowles led off with a single and Britt smacked a home run into deep right-center field. Holdeman and Stephens popped up and McNeil bounced out the pitcher to end it. Neither Wheeler or Mobeetie scored any runs in the fourth inning.

Mobeetie picked up a single run in the fifth inning to make it five to two. Yeager led off with a single but he was forced out when Lloyd hit a grounder to short stop. Tom Riley lined a single to left to move Lloyd around to third and then scored on Robinson's fielder's choice where they got Riley going to second. Williams singled but it didn't help for Cooper popped up to Holdeman to end the inning.

In the sixth inning Mobeetie moved 2 more runs out in front on two errors and one base hit. Mangell and Hendrich both reached first base on errors and Yeager followed with a single to drive Mangell in and Hendrich scored on two infield outs by Lloyd and Riley.

In the eighth inning Mobeetie got one run when Hendrich was safe at first base on an error and the next pitch he attempted to steal second base and Bud Vanpool's throw went into centerfield and Hendrich came all the way in to score. Cosper got Yeager, Lloyd and Riley to pop up to end the scoring and make the final score 8 to 5. Green was given a free pass and moved down to second on Bowles single. Bowles was forced out at second on Holdeman's fielder's choice. Green scored on Britt's line drive double that went down the right field line. (Continued on Last Page)

Nolan Hopwood Dies, Result Of Car Wreck

Nolan Hopwood, former Wheeler County resident, passed away in a Lamesa hospital Monday morning after being in a state of semi-consciousness for approximately 10 days following an automobile accident which occurred near Lamesa. A lady who was riding in the same automobile with Hopwood at the time of the accident was killed instantly.

Funeral services for Hopwood were conducted at Athens Wednesday afternoon at 8:00 o'clock. Mrs. Ann Pitcock of Wheeler and Mrs. Violet Porter and Tobe Purcell of Shamrock attended the services.

Football Officials' Signals Shown In Ad

On one of the inside pages is an ad sponsored by the merchants and businessmen of Wheeler. It shows the football officials' signals used in the games.

These signals are authorized this year by the National Collegiate Athletic association. They will be a help to the followers of both high school and college football. Clip the page and use it whenever attending a game.

PVT. HAROLD O. GATLIN

GATLIN TRAINS AT LACKLAND AIR FORCE BASE

Pvt. Harold O. Gatlin, 17, son of Mayme Patterson, Mobeetie, has begun a course of indoctrination training at Lackland Air Force Base, "The Gateway to the Air Force," San Antonio, Texas.

In the basic training at Lackland he will receive a well rounded military preparatory schooling for progress in a specialized Air Force career. During this initial course he will be given complete vocational and aptitude testing along personal guidance counseling to determine his entrance into a suitable technical training assignment on leaving The Gateway Base.

Besides constituting the only Air Force station for indoctrination training of all new airmen, Lackland is a reassignment and training center for re-enlistees, home of USAF Officer Candidate School and the Human Resources Research Center.

SERVICES HELD FOR B. RUSHING

Funeral services were held at the Church of Christ, Matador, for Bill Rushing, on Monday, September 11, at 3 p.m., with Minister B. M. Litton, Memphis conducting the service assisted by Ernest Grizzard, minister of the Church of Christ, Wheeler.

Rushing died Saturday, September 9, at 7 p.m., in the Shamrock General Hospital after an illness of a week. He was born Jan. 28, 1926, in Matador. At the time of his death he was 24 years, 7 months and 11 days old.

He had made his home in Wheeler for the past two years after coming here from Matador where he had lived all of his life previously. He was with the PMA here.

Rushing was married to Dorothy Jean Casey, March 5, 1948, at Matador. He was baptised into the Church of Christ at Matador, at the age of 14. He worshipped regularly at the Wheeler Church of Christ.

Survivors include his wife; 18 months old daughter, Darlia Jeanette; his parents, Mr. and Mrs. W. L. Rushing, Matador; three sisters, Mrs. Jessie Ivey, Abilene; Mrs. Annie Waggoner, Abilene; Mrs. Ruth Lee, Post; four brothers, Leonard, Phillipine Islands; Albert, Hale Center, Elwood, Guatemala City, Central America; Bob, Paducah; and one half brother, O-dell Latham, Estelline, and several nieces and nephews.

Pallbearers were Richard Alexander, Paducah, Clyde Johnson, George Hibbitts, Joe Weatherly, and Jack Garrison, all of Wheeler. (Continued on Last Page)

Gordon Whitener Buys Young Hereford Bull

Gordon Whitener, a young Wheeler hereford breeder, made a trip to Folsom, New Mexico, last week and bought a bull calf, a herd bull prospect, from the famous W. J. Largent herd.

This calf's grandsire is C. W. Princec Domino 21st, the highest living register of merit bull. His sire, Publican Domino 173rd, only four years old, just likes ten points of being a register of merit bull. Whitener has made an extended trip this summer visiting hereford herds and this calf was his selection for a herd bull prospect. This calf is quite an addition to his registered herd.

He invites those interested to come out and look the calf over.

Mustangs To Face Turks In Opener Here Friday Night

KIWANIS CLUB WILL OBSERVE KIDS DAY SOON

The citizens of Wheeler are vitally interested in our youth and recognize the importance of adult participation in matters pertaining to the welfare of our children.

One of the principal tasks facing our nation and our state today is the building of our youth into useful and honorable citizens.

It is fitting that we make every effort to keep all children from being prey to any form of delinquency and to foster all good and proper endeavours aimed at helping our youth to achieve the benefits offered by our American way of life.

Through the joint efforts of Kiwanis International and the National Kids' Day Foundation, as represented by our local Kiwanis Club, a day has been set aside to focus attention upon the problems and the accomplishments of youth throughout the forty-eight states (Continued on Last Page)

LOCAL SCHOOL SHOW DECREASE IN ENROLLMENT

According to enrolling figures to date, the Wheeler public schools are short nineteen students compared to a year ago. Since teachers are employed on an average daily attendance of the students the days that they are absent will count more now than last year relative to holding the present number of teachers, according to W. O. Carrick, superintendent of the Wheeler schools.

The school started with a well rounded curriculum this year, which will permit a student to finish in the Wheeler schools with 16 affiliated credits, that will be accepted at any college or university which they may choose.

Several instructional aids have been added this year. According to Carrick, the science laboratory has been improved, an inter-communication system has been installed, power tools for the wood working shop have been added, a slide-strip projector is now being used and the class rooms have been finished in a more restful color. N. D. Ware has again made available a Chevrolet car for Driver Education.

The students will have a chance to participate in the school band. There is also a high school and grade school chorus, plus a tonette band for the first four grades.

"In our grading system a 'D' or 70 will be the lowest passing grade," Carrick stated. In the first grades Carrick would like to try, if it is agreeable with the parents, a method of parent-teacher consultation. He would like to get the parents reactions to this method. It will take more of the parent's time but it will also give them an opportunity to get more information from the teacher than she can easily put on a report card.

Barrymore Returns To Take Photographs

Local photographer, W. D. Barrymore, owner of Dromotone Studio in Wheeler, has announced his arrival in Wheeler on Monday, September 18.

Barrymore is planning to stay in Wheeler for about three weeks, at which time he will be contacting surrounding schools in the county for the purpose of taking senior's and annual photographs. Barrymore will put up his Seniors' Glamour Parade Panel for display at the Rogue Theatre soon. Urging all people to have their Christmas photographs taken before his departure, Barrymore is not positive whether or not he will be able to make another trip here in November.

For convenience of those who cannot come during the day, his studio will remain open for business every evening until 9 p. m.

The Wheeler Mustangs will open the 1950 football season in Wheeler Friday night with the Turkey Turks furnishing the opposition. The non-conference contest which is to be played on Nicholson Field here will begin promptly at 8:00 o'clock.

Last year the Wheeler Mustangs and the Turks fought to a 13-13 draw in a contest played in Turkey with Wheeler scoring 13 points in the first half and being held scoreless during the second half while the Turks were catching up.

Little is known about the experience of the Turkey team but the weight chart on their roster shows that their starting eleven

PLEASE FANS! School officials respectfully request that fans attending the football contests at Nicholson Field this season either stay in the stands or behind the cables along the sidelines at the football games and not run up and down the playing field getting in the way of those who wish to see the game from the stands and in the way of coaches and players on the field.

Seats at Nicholson Field are provided for the use of fans at no extra cost and it is just as interesting to watch play from them as it is running along the sidelines and a great deal more comfortable.

will average 171 pounds per man with the two tackle post being filled by a couple of lads who weigh 246 and 220 respectively.

The Wheeler Mustangs will be outweighed by exactly 20 pounds per man in the contest as their probable starters average only 151 pounds each and to cap that off only four of the Wheeler starters played regularly last season. The probable starters who played regularly last season include Joe Mitchell, Edgar Hubbard, Dick Pendleton and Maurice Pettit.

Wheeler's probable starting lineup will include: Joe Mitchell, 180, left end; Glen Finner, 175, left tackle; James Gaines, 130, left guard; Jerry Newberry, 130, center; Maxey Herd, 135, right guard; Ray Cole Johnson, 160, or Bill Crossland, 155, right tackle; Edgar Hubbard, 180, right end; David Johnson, 125, or Dick Pendleton, 155, quarterback; Clarence Whitteburg, 160, fullback; Dick Pendleton, 155, or Dossie Nickell, 160, right halfback; and Maurice Pettit, 135, left halfback.

Turkey's probable starters will include: Joe Bob Barnhill, 164, back; Lee Cruise, 170, back; Bob Geissler, 152, back; Eddie Maupin, 140, back; Ben Wiley, 150, end; Charles Hedrick, 171, end; Billy Pinkerton, 246, tackle; Guy Paul Smith, 220, tackle; Jearl Edwards, 132, guard; Homer Hawkins, 144, guard; and Kenneth Husband, 152, center.

Allison Methodist Holds Revival Meeting

The Allison Methodist Church will open their revival meeting Sunday, September 17, and will continue the meeting for one week. It will end Sunday, September 24.

The Rev. Vernon Willard of Mobeetie will do the preaching, according to Bernard F. Seay, pastor of the Allison Methodist Church. Services will be conducted both in the morning and at night.

TAX INCREASES ARE CERTAIN

Tax increases will be necessary to meet the Korean situation but this will be a small matter compared with the amount of taxes to put the nation on a permanent ready-for-war basis.

There will be much pressure applied to the members of Congress by interested groups in an effort to get the tax levied "against somebody else." Many Americans, thoroughly patriotic and loyal, will do their best to dodge any part of the load necessary for the defense of this country.

In this connection, the Congress should not hesitate to apply rather severe levies against profits arising out of war and our

preparation for war. It is unconscionable to permit war industries to make exorbitant profits while American men are giving their lives on the battlefields.

In our previous wars, there have been individuals and corporations lustily engaged in "business as usual." Their profits have not been reached by the Government, with the result that practically every community has a group of business men who have made enormous profits out of the prosecution of wars.

Already, there are indications that the nation will be forced to pay higher prices by those taking advantage of the war psychology and that the Government itself, in purchasing arms, equipment and supplies for its fighting men, will be forced to pay prices that include extraordinary profits for business concerns.

We do not know whether effective action can be taken to control the war profiteers, or not, but we certainly think that the Congress and the Government acting together and with real determination, might be able to prevent the nation from being mulcted in connection with its defense and war expenditures.

POLITICS OBSCURES TRUTH

The Democratic majority of an investigating sub-committee of the Senate, which looked into the charges of Senator Joseph McCarthy, made a report which, with some severity, dismissed the charges and denounced the Senator from Wisconsin.

Senator Millard E. Tydings, of Maryland, in the report, asserted that "four different committees of the Eightieth Congress, which was controlled by Senator McCarthy's own party, having considered the very same files and information which provided the predicate for the McCarthy charges" with none of them regarding the allegations as meriting a report or citing a single State Department employee as disloyal.

The charges of the Wisconsin Senator have long centered the political arena, with Republicans willing to keep the issue alive and Democrats willing to prolong the discussion. It is very difficult for a person, who did not sit in on the inquiry and who has not had an opportunity to examine all of the exhibits, to pass judgment upon the allegations.

Nevertheless, the repeated attempt of Senator McCarthy to shift the grounds of his attack and to make new charges as soon as older ones were exploded, indicates that he has nothing substantial in the way of evidence.

We think that the episode is unfortunate because it will tend to develop an isolationist sentiment in this country. It rests solely upon a somewhat careless manner of charging serious derelictions without regard to ability to prove them. Its danger, to the nation, is to be found in the suspicion and ignorance of the people who, at times, are ready to believe anything, regardless of how silly it happens to be.

KITCHEN MEMO
BY JEAN CLARKE

Like ripe olives, some people love bread pudding; others abhor it. Molasses Bread Pudding, because of its high flavor, will convert the bread pudding-haters in your family. It contains plenty of body-building iron. Arrange 10 slices baking dish in a well-greased baking dish. Beat together 2 eggs, 2 tbsps. molasses, 2 tbsps. sugar, 1/4 tsp. salt. Add 2 cups scalded milk, 2 tbsps. melted butter and pour over the bread cubes. Put baking dish in pan of hot water and bake in moderate gas oven of 350° F. for one hour or until firm. Serves 6.

A coarse quarter-inch wire mesh fastened under the register of your gas floor furnace will catch dust particles. Clean it occasionally to keep free passage for hot air.

Added flavor for gravy: Stir in a bouillon cube while the gravy is cooking.

Store meat or poultry unwrapped in your gas refrigerator because contact with the air delays spoiling.

The rusty scale that drops down from the bottom of your automatic gas water heater should be brushed off the burner about twice a year.

While your noodle soup is simmering on the top burner, add chopped green pepper and chopped pimiento. Or parsley can take the place of the pepper.

HEREFORD TOUR IS COMPLETED

A long, two-day look at registered Herefords in nine Texas counties in the Panhandle ended Thursday, August 31, four miles north of Wheeler on the Lyndon Simms ranch.

The tour carried a mile long caravan of automobiles to 17 ranches in Carson, Gray, Armstrong, Donley, Hall, Collingsworth, Wheeler, Roberts and Hemphill counties. It was sponsored by the Top o' Texas Hereford Breeders Association, Pampa.

One of the featured speakers on Thursday was W. L. Stangel, dean of agriculture, Texas Technological college, Lubbock. Other visitors included Dr. J. C. Miller, head of the department of animal husbandry, Texas A & M College, and representatives of various breeders associations and publications.

Frank Carter, Pampa, and the Top o' Texas association served lunch at the Five-Mile park, east of Miami, Thursday. Tommie Potts, Memphis and Hedley, served lunch Wednesday, August 30. J. P. Smith, manager of PanTech Farms, was master of ceremonies.

Thursday's stops included: Clyde and Gus Carruth, Dr. M. C. Overton and Carter, Pampa; Raymond Nelson and Wayne Maddox, Miami; M. H. Smith and R. T. Alexander & son, Gem City and Simms.

Wednesday's stops included: Combs-Worley ranch, Pampa; C. M. Carpenter and Jake and Ferris Hess, McLean; Potts, Hedley; M. O. and J. P. Callihan, Conway and George Coffee, White Deer.

ANNIVERSARY IS CELEBRATED BY CROSSLANDS

Children of Mr. and Mrs. B. F. Crossland honored their parents with a dinner on their Golden Wedding Anniversary, Sunday, September 10. Open house was held in the afternoon between the hours of 3:00 and 5:00.

Mr. and Mrs. Crossland have resided in Wheeler since 1923, moving here with their five children from Wellington. All of the children were present to be with their parents on this great occasion and were: Tom Crossland, Wheeler; Mrs. Annie Walters of Cleburne; Mrs. Jewel Rimmer, Wheeler; Mrs. Leona Glenn of Levelland and T-Sgt. B. F. Crossland of Falmouth, Mass.

Others present included Gwynn, Red, Bill and Harold Wayne Crossland, Mrs. Earlene Harwell, Faye Rimmer, Susan Crossland and Linda Glenn, grandchildren; and Thomas Harwell, great-grandson. Will Crossland and Mrs. Lucy Higdon, brother and sister of Mr. Crossland and Miss Lula Childress and Silas Childress, Wheeler, sister and brother of Mrs. Crossland, were also present.

Guests were greeted in the afternoon by Mrs. Leona Glenn and presented to the honorees. The refreshment table was laid with a cloth of white linen, centered with an arrangement of yellow marigolds. The tired wedding cake and crystal punch service completed the table setting. Mrs. Jewel Rimmer served, assisted by Mrs. B. F. Crossland, Jr. and Faye Rimmer. Some thirty guests called.

WCS OBSERVES 10TH BIRTHDAY

The Women's Society of Christian Service of the Methodist Church in Wheeler celebrated its 10th birthday with a covered dish luncheon Monday, September 11. Guests for the occasion included members of the Shamrock Society and ladies of the Wheeler Methodist Church who are not members of the W.C.S.

To begin the program Mrs. Lloyd Davidson gave the devotional, followed with a solo by Mrs. Darris Egger. A playlet was presented by Mrs. Harold Nash, Mrs. Darris Egger and Mrs. Luther Parks. A birthday candle lighting service, in which the members of the local W.C.S. participated concluded the program.

Those present were: Mesdames L. E. Clay, L. S. Griffin, Rufus Dodgen, S. M. Dunam, Glenn Richerson and W. J. Foster, all of Shamrock, Mesdames Max Wiley, Levi Reid, Frank Noah, Lloyd Davidson, J. M. Porter, Lyndon Sims, Darris Egger, Luther Parks, Harold Nash, Clarence Robison, H. M. Wiley, C. M. Hampton, Doris Hutchison, J. R. Clark and V. H. Richerson.

Kelton W.M.S. Met Monday, September 11

The Kelton Baptist W.M.S. met Monday, September 11, at the church for its regular weekly meeting.

The president of the W.M.S. Mrs. J. A. Tucker, gave the devotional from I Chron. 29:1-20. The Bible lesson was taught by Mrs. C. D. Davis and the closing prayer was by Mrs. F. L. Rathjen.

Those present were: Mesdames J. A. Tucker, T. B. Killingsworth, C. D. Davis, F. L. Rathjen, John Baird, H. T. Carmon, C. O. Killingsworth and J. F. Rathjen.

LOCAL SCOUTS MAKE WEEK TRIP

The Wheeler Boy Scout troop had a wonderful time on their trip to New Mexico, according to Wendell Meek, scoutmaster.

The Scouts left Wheeler at 5:30 a.m., Saturday, August 5, and arrived at Eaglenest Lake at 4 p.m., the same day. They pitched camp in the Sangre Christe mountains.

The troop made a side trip to the Red River over the scenic Red River pass. They also made a seven mile pack trip to Blue Lake. Departing from Eaglenest on Thursday morning the troop visited the Indian Pueblo at Toas, then went on to Santa Fe. They arrived in Las Vegas to spend Thursday night.

The Scouts stayed at Tucumcari Friday night and returned home Saturday, August 12.

Scouts making the trip were: Jerry Lewis, Robert Denson, Harold Douglas, Buddy Toon, John Bowman, Donald Oglesby, Kent Corwell and the Scoutmaster Wendell Meek.

WHEELER CO. PAYS DEFICIT ON POST OFFICE

The taxpayers of Wheeler county, by the \$200,000.00 deficit of the Post Office department in the Federal fiscal year which ended June 30, will receive approximately \$20,000.00 in terms of general Federal bonds, according to a study released here today by the Council of State Taxpayers of Wheeler County.

The study explained that the figure is Wheeler County's proportion of the Federal share of the total all bond authorized by Congress through the failure of the Federal Government to make the Post Office within its system.

The Council's study pointed out that for a few additional years the Post Office has been losing money at a rate of \$100,000.00 a year.

It pointed out that the Wheeler County share of the deficit is \$20,000.00 a year, which is the amount of the deficit of the Post Office in Wheeler County.

PUTTING IT SOFTLY

"I've got a little job I'm dreading," remarked a genealogist to a friend. "Rich Mrs. Williams engaged me to look up her family tree and I find that one of her family was electrocuted for murder."

"Aw, don't let that bother you," comforted the friend. "Just describe the man as having occupied the chair of applied electricity at one of our large public institutions."

Some of these radio announcers should change their line and frankly say: "Due to conditions beyond our control, we present the program originally scheduled for this time."

A LITTLE DIFFERENT

The head of the firm was frowning over a letter, calling for his chief clerk, he said: "That typist—you certainly didn't engage her on account of her grammar!"

"Grammar," said the other. "When you were emphasizing the importance of grammar—well, I thought you said 'glamor'!"

These pictures were taken on Bill Lowrie's farm located two miles north of Wheeler. Leaf and boll worms have destroyed approximately 90 percent of the cotton. The leaf worms have eaten most of the leaves off and boll worms have been active on the squares and bolls.

WORMS INFLICT HEAVY DAMAGE TO COTTON CROP

The leaf worms are inflicting heavy damage on the cotton crops of Wheeler County. Ralph (Buck) Wheat, county agricultural agent, said this week.

Some crops have been completely destroyed and the farmers have plowed up the few remaining stalks, the farm leader declared. "As many as 75 leaf worms have been counted on one stalk. These chewing, green and black worms begin eating on the coarse, rank, growing cotton first and as they strip the much-needed leaves, they spread to the smaller cotton. "When the leaves are gone, the worms begin eating the stalks," the agent said.

"The cool wet weather that has prevailed over the county the last few weeks has been ideal for the reproduction and multiplication of the leaf worms as well as the many other types of cotton insects; and has made it impossible to keep the insecticides on the cotton long enough to do much good," Wheat continued.

The scarcity of the insecticides has also been a problem in the fight against the worms.

"The spraying process is expen-

sive and farmers have spent thousands of dollars attempting to save their crops. Custom spraying costs from \$2 to 250 per acre." Wheat stated. "If the farmer does the work himself the expense ordinarily runs from \$1.30 to \$1.60 per acre."

Dusting costs about \$1 per acre and would be just as effective under ideal weather conditions.

"Hot, sunny weather would do more in helping control the pests than anything else at this time," the agent said.

"The leaf worm is a tropical insect. The moth, or miller, migrates to the cotton belt each season. It

SENIOR NEWS

September 16, we had a class meeting and chose our sponsor as Mrs. Elsie Scribner, better known as Aunt Elsie. We elected our class officers as follows: President, Edwin Sims; vice-president, Ouida Burke; secretary and treasurer, Patsy Johnston. For our annual the following were chosen: editor, Evelyn Worthington; assistant editor, Ann Nell Alexander; artist, Joe Shelton; snapshot editors, Madge Patterson and Edwin Sims; sport editor, Ouida Burke and Bobby Corcoran. For the paper the following were chosen: editor, Madge Patterson, assistant editor, Ann Nell Alexander; class reporter, Patsy Johnston; sports reporter, Edwin Sims and Ouida Burke. We are looking for our class

bring any time now. And our pictures are to be taken Friday 15th.

JUNIOR NEWS

The junior class of 1950 met the first period on September 6 and elected a sponsor and class officers. We elected Mr. Robert Dunaway for sponsor. Class officers include: president, Paul Jones; vice-president, Harold Hooker; secretary and treasurer, Frances Totty; reporters, Patricia Trimble and Vernon Willard. The class parents are Mr. and Mrs. Frank Totty, Mr. and Mrs. C. L. Seitz, and Mr.

and Mrs. H. L. Trimble. We started the year with 17 members, 6 girls and 11 boys, and we are really looking forward to our junior year.

SOPHOMORE NEWS

The sophomores met Wednesday and elected their officers. President, Dan Howard; vice-president, Waylan Newman; secretary and treasurer, Billy Ray Shumate; reporters, Bill Thomas and Aline Walker; sponsor, Mrs. Bud Scribner and class parents, Mr. and Mrs. Pierce Walker and Mr. and Mrs. W. C. Hogan.

FRESHMAN NEWS

The freshman class met Wednesday to elect class officers, class sponsor, and class parents. We elected Charles Worthington, president; Joe Seitz, vice-president; Marie Scribner, secretary; Belle Willard, reporter; Mr. Walton was elected class sponsor in hopes that we would have lots of parties. Mr. and Mrs. Robison and Mr. and Mrs. Godwin were elected class parents. Everyone in our class is glad to be a freshman this year even if it does mean Shakespeare.

EIGHTH GRADE NEWS

The eighth grade had a class meeting Friday morning, September 8 to elect class officers. Those elected were: president, Herbert Atkins; vice-president, Bobby Don Galmor; secretary, Hubert Corcoran; reporter, Neida Glen Baird; the parents elected are Mr. and Mrs. Galmor and Mr. and Mrs. Herk Atkins. They are still undecided as to a class sponsor.

PRIZES OFFERED FOR PICTURE

The time is almost at hand for the opening of the big Child Photograph contest, and all are urged to have their children ready for the big day. A photographer from Hallmark Studios of Dallas and Irving, Texas, will be in Wheeler, on Monday, September 18, from 10 a.m. to 6 p.m., for the purpose of taking pictures in this vicinity. His studio will be located at the Wheeler Hotel.

In addition to having their pictures printed in this newspaper the children will be competing for \$15.45 in prizes which are being offered for the three best photographs made during the day.

The photographs will be made absolutely free of charge, and there is no charge for their publication in The Wheeler Times.

Proofs will be shown, and from these you may select the picture of your child which you would like to appear in this newspaper. If you wish extra photographs they may be purchased, but no purchase is necessary in order to have your picture printed in this newspaper, or in order to compete for the prizes. It is entirely up to you, whether you buy pictures or not.

There is no age limit on the contest, and every child's photograph in this section is wanted so that they may all appear in The Wheeler Times. However, it is necessary that all of the pictures must be of uniform size, so they must be made by the Hallmark Studio photographer on Monday, September 18.

Don't wait until little Mary gets married or baby brother is elected to some political office to see their pictures in the paper—make plans now to have those photographs made on Monday, September 18. Tell your friends and neighbors. The more, the merrier!

See the Hallmark advertisement in this issue for additional information. You have to make allowances for son when he's off to college.

COACHES MEET TO MAKE 1950 FOOTBALL PLANS

Administrators and coaches of District 1-B, which includes Wheeler, met at White Deer recently to make plans for the current football season. Chairman John Morris of Claude presided with Supt. Ray Vineyard, White Deer, serving as secretary.
As a matter of policy, the group voted to use three officials at each game, these officials to be paid a minimum of \$15.
It was agreed that each school would contribute \$7.50 for the purchase of a district trophy, and that the all-district team would be selected by the coaches of the district.
The district chairman was authorized to issue four scout passes to each member school.
It was also voted to grant free admission to the bands and pep squads of member schools, providing they enter as a group under the supervision of an authorized sponsor. Other free admission are to be handled by each school as it
