Editorial

**INFLATION RUNNING
AHEAD OF TAXES**

Senator George, chairman of the Senate
finance committee, a few days ago said a-
bout the most sensible thing that has been
said in Washington since the beginning of
the present crisis. It was a simple statement
and something that everyone should know.
Yet it is something that Washington has
consistently disregarded. Senator George
said: "It will be futile to try to raise addi-
tional taxes without effective wage-price
controls."

A few days before Senator George made
this statement, President Truman had said
that the two recent tax increases by Con-

gress are "entirely inadequate." Senator
George calls attention to the fact that the
rapid increase in cost of government, due
to the general price rise, has washed out the
added buying power that the eight billions
of extra taxes should have. Yet Congress
last September gave the President authority
to control wages and prices.

The cost of government rides the in-
flation spiral along with all other costs. For
a while taxes may be arbitrarily "spiraled
up" more rapidly than the rising general
cost. But under such conditions taxation
actually feeds inflation. And the inflation
spiral soon overtakes the tax spiral.

That's what Senator George is talking
about when he says it will be futile to try
to raise any new "real" taxes without stop-
ping inflation. It will be futile to try to do
anything without controlling inflation. And
that applies to fighting a war in Korea or
anywhere else.—Dallas News

**TEXAS' BUSINESS
BATTING AVERAGE**

Outstanding in the 1951 Business Fore-
cast and Review in The News Sunday was
the fact that Texas' economic conditions are
not only good, but just a little better than
in most other parts of the country. In recent
times this has been true of both thick and
thin years. Texas has zoomed a little higher
during boom times and held up a little better
during economic depression.

The reverse was true up to about the
second decade in this century. Texas was
especially hard hit during panics. It got the
crumbs during good times. In this Texas
was alongside the remainder of the South.

The difference, of course, lies in the
present-day diversity of production. At the
beginning of the century Texas was pri-
marily an agricultural state. And agricul-
ture meant primarily cotton growing in East
and Central Texas; range cattle raised in
West Texas. That just about summed up
the Texas economy.

A few areas in the world have under-
gone greater and more significant develop-
ment during the first half of the twentieth
century—but not many. Today Texas agri-
culture, mining and manufacturing are well
balanced. Agriculture and manufacturing
are widely diversified within their own
fields of operation. Mineral production runs
lopsidedly to oil and gas; but, since oil and
gas are two of the most desired products in
any age of power, "one-cropping" in this
rare instance is not such a bad thing.

Texans are indebted largely to Provi-
dence for their oil and gas. They can take
much credit on their own account for agri-
cultural and industrial development. "Diver-
sification in agriculture" and "more facto-
ries to process Texas raw products" were
the two great shibboleths of Texans from
the closing of the War Between the States.
Long and forevisioned effort has borne fruit.
But success has imposed responsibility. The
present need is for "diversification" of effort
in the old spirit.—Dallas News

Select the site for the home
orchard with care. A well-drained,
sandy loam soil is preferable. It
should be free of nematodes and
away from the old orchard. Newly
cleared land is not recommended
and the site should have a slight
slope and be free from air pockets.

SHORT AND SWEET

One day, in a thoughtful mood
Lincoln's little son, Tad went into
the White House study, climbed
upon his father's knee, and in-
quired, "Papa, what did you say
when you proposed to mamma?"
Mr. Lincoln tried to evade the
question, but the youngster per-
sisted.

"Well," at last came the re-
luctant reply, "if you must know
what I said, Tad, when I pro-
posed to your mother, I said yes!"

A TOSS UP

Pat was engaged put-
ter main into the portmanteau
today came and the boss
dolefully - examining his
packet. "Mistake in your
Pat?" he asked.

"Oh, no," said Pat, "I
just wondering whether the
water would be in the
first."

SENIOR NEWS

We are all still living after our mid-term test. We hope we all passed them.
 We hope Doris's knee doesn't cripple her for long. We are sorry she will not get to play basketball anymore.

JUNIOR JABBER

We have just finished our six weeks and mid-term tests and we are all satisfied with our grades.
 We are happy that Thomas Roy won a basketball and so did Imogene. They were placed on the second all-tournament team, and were presented with silver basketballs.
 We have a new member of our class, he is Van Maxwell from Tustin High School in California. We are happy to have him and hope that he likes our school.
 Thomas Roy was eighteen years old Thursday. He went to register Monday. We certainly hope he doesn't have to go to the army soon.
 Wonder why everyone doesn't want a part in the senior play?

SOPHOMORE NEWS

We are all thrilled because six weeks and mid-term tests are over.
 We only took ten tests last week. Our minds were and are still blank.
 We are glad that W. L.'s foot is well.
 Maureta, Lucy, and Jayne Ann enjoyed the card and chocolate milk at the tournament?
 Patsy and Tommy and Mary and Carrol went to Shamrock Sunday night.
 Pete, why does everyone call you "Disinfectant"? Did a few little girls give you some fly spray?
 Bobby, did you have fun at the tournament?
 Cleavene, we hear you have switched boy friends.
 Tommy always has new nicknames for everyone.

Juanell, with whom did you ride at the tournament?

FRESHMAN NEWS

We are glad to say that we have finished our mid-term tests. We are all satisfied with the majority of our grades.

SEEN AND HEARD

Martha, are you beginning to associate with Mobeetle?
 Girls, are you really glad the tournament is over?
 Eddie, don't be a hog. One is enough.
 Johnnie, did you really think you lost a play book?
 Billie, how are caves formed?
 Jerry, how do you like the new car? It surely is pretty.
 Lucille, Samnorwood is too far off.
 Monett and Silvia, did you have fun staying at school?
 Zetha, do you and Lucille always giggle when new boys are around?
 Dean, we think those curls are cute. Don't you dare destroy them.
 Wilma, who are the new boys in Wheeler?

GIRLS SPORTS NEWS

We entered the Wheeler tournament last weekend. Our first game was with Miami and we lost. Then we played Lefors and won putting us in for consolation finals against Wheeler. We were defeated by three points. We are sorry Doris got hurt again and hope she gets along all right. We surely are proud of Imogene for getting on the second all-tournament team.

BOYS SPORTS NEWS

We entered the Wheeler Tournament and won our first game with Allison and lost our second with Miami, the tournament champions.
 We play Wheeler there Tuesday night.
 We will enter the Canadian Tournament next Friday at 3:00 o'clock p.m.
 The man who tries to do something and fails is better off than the man who tries to do nothing and succeeds.
 The best cure for love at first sight is to take a closer look.

New Silver Anniversary Pontiac

New and Beautiful Proof
That Dollar for Dollar you can't beat a Pontiac!
 Be prepared to see two striking things when you come in to examine the wonderful new Silver Anniversary Pontiac. First, you will see why Pontiac is acknowledged to be the most beautiful thing on wheels. You will see a brilliantly good-looking car, with its fresh, Gull-Wing styling, colorful new interiors and clean, exciting lines. Second, you will see a price tag on these magnificent new Pontiacs which is so low that you will find it hard to understand why anybody ever buys any new car but a Pontiac!
 Here, indeed, is double-barreled proof that dollar for dollar you can't beat a Pontiac! Come in and see for yourself.

The Car Proves it by its Beauty and Performance!
The Price Proves it by its Downright Value!

NASH APPLIANCE & SUPPLY CO.
 Wheeler, Texas

LEGALISTIC LADY

Five year-old Thomas was extremely fond of carpentering. Attired in his carpenter's apron and carrying his tiny kit of tools he approached his sister Margaret, age seven and inquired if there wasn't something he could build for her.
 Margaret regarded the tiny workman with an indulgent eye and loftily replied: "Well, I would like a doll's house, but I don't want to employ child labor!"

IN A DAZE

"How did the Smith wedding go off?"
 "Fine until the parson asked the bride if she'd obey her husband."
 "What happened then?"
 "She replied, "Do you think I'm crazy?" and the groom, who was in a sort of daze, replied, "I do."

ANOTHER STAR FOR GEN. BRADLEY

THE FIFTH STAR of a General of the Army is pinned on the shoulder of General Omar N. Bradley by President Truman in a simple Washington ceremony. Bradley, as Chairman of the Joint Chiefs of Staff, is the 9th five-star officer in the U. S. Armed Forces. (International Soundphoto)

Rheumatic Fever Serious Because It Affects Heart

Rheumatic fever is serious because it may affect the heart, said Dr. Geo. W. Cox, State Health Officer. Age is important. Rheumatic fever usually begins in childhood at about age 5 or 6, although adults may have it. There is a susceptibility to the disease which causes rheumatic fever to be more common in some families than others. The other factors which may favor its onset, combined with an individual susceptibility, are frequent chilling, damp or overcrowded living quarters, and a poor diet. It is also known that one attack of rheumatic fever does not protect a child from future attacks as, for example, one attack of measles does. On the contrary, rheumatic fever tends to recur. Repeated attacks are more likely to damage the heart. It is not

communicable as chickenpox and measles are, and there is no danger of catching it by being in contact with a child who has it. The physician is the only one whose judgment can be relied upon in this matter, and his directions should be followed exactly, no matter how well the patient feels or how slight the attack. Good nursing is important for rheumatic fever patients. In communities which have visiting nurse service, a visiting nurse can give help of great value to the patient and to the doctor. The child who has had rheumatic fever, with some degree of heart damage, should not be coddled but should be led to enjoy his home and school life, just as other boys and girls do. While it is important to provide the child with

healthful surroundings and to encourage him in healthful living habits, harm can be done by over-emphasizing the physical handicap. If serious heart damage exists, and his activity is limited, he must learn to stay within these limits. But even children whose activities must be rigidly restricted because of a severely damaged heart can have a wholesome interest in life and enjoy many of the pleasures of their more active associates by

the intelligent planning of understanding parents, teachers, and physicians. However, rheumatic children do need special help in choosing a life-work which will give them the best chance of avoiding recurrences of acute infection.

With care in choosing work and play, people with rheumatic heart disease, even many with severely damaged hearts, can live reasonably active and useful lives.

We extend our heartiest WELCOME For YOU to attend the WHEELER COUNTY BABY BEEF CALF SHOW

"ONE HAPPY FAMILY" TO BE FEATURE PICTURE ON JOHN DEERE DAY

Farmers and their families to be entertained by local John Deere Dealer on January 30

A full length feature picture, "One Happy Family," starring Don DeFore and Marjorie Reynolds, will highlight the parade of entertainment to be staged for farmers and their families who attend the annual John Deere Day show as guests of Holdeman Implement Co. on Tuesday, Jan. 30 at The Rogue.

"One Happy Family" tells the story of the Lynns, who compose a typical, happy, small-town household until they are awarded the title of "Family of the Year" in a contest conducted by a national magazine. The new title and the \$10,000 in prize money they win contrive to toss all the Lynns into a whirlpool of comedy and excitement, and Mr. DeFore and Miss Reynolds, as representatives of the magazine, go along for the swim. As entertainment, the picture rates a blue ribbon and will provide the guests with a rollicking time.

Five other new pictures are included in the

fast-moving program, according to Mr. Holdeman. One of the films, "His Father's Choice," features the likable Tom Gordon, head of the memorable Gordon clan who taught valuable lessons trimmed with humor in previous John Deere pictures. Another of the films, "Oddities in Farming," offering something new and different in its presentation of unusual machines performing unusual farming operations. "What's New for 1951," will acquaint those in attendance with new John Deere implements, and is sure to prove of interest to every farmer and his family. "Mike on the Move" and "The All-American Team," the two movies that complete the program, deal with subjects close to the heart of every farmer.

Admission will be by ticket and farmers who have not yet received theirs may obtain them by calling in person at the Holdeman Implement Co. store at Wheeler. Farmers are urged by Mr. Holdeman to get their tickets early. The show starts at 1:30 p.m.

ENOUGH FOR HIM
 "That's a bad cold you've got," said one man to another, who was sneezing violently.
 "What are you taking for it?"
 "Whiskey," was the reply.
 "Whiskey, I know something better than that," said the man.
 "But who wants anything better than that," sniffed the sufferer.
 "Life-guard" submarines in the last war saved 504 U.S. airmen.

ONLY FATHER
 He: "Say, who is that funny-looking fellow who drives your car and works around in the garden? He always frowns at me whenever he sees me here?"
 She: "Oh, don't mind him. That's only father."
 It isn't the fact that a man stares at your wife that makes you mad. It's the fact that she enjoys it.

KNOW YOUR HEART BETTER

What do you know about your heart? Do you know that the three major kinds of heart disease are: Rheumatic heart disease, high blood pressure, and coronary heart disease?

One of childhood's most dangerous foes is rheumatic fever, declares Dr. Geo. W. Cox, State Health Officer. A child is most likely to develop rheumatic fever when he is less than 10 years of age. However, the disease is not confined to children. "In World War II, about 40,000 men in the American forces developed attacks of rheumatic fever." This disease may damage the heart valves and muscle. Any child who has rheumatic fever should have the best of medical care, plenty of rest, a special diet, and be free from anxiety or worry. Just because a person has rheumatic fever, is no sign he will have rheumatic heart trouble. But it's important to keep in close check with the family physician.

Coronary heart disease strikes those from middle age groups and up, more than other forms of heart trouble. And, it strikes men more often than women. Moderation in daily living is very important, for if a person worries too much, works too hard, exercises too frequently and hard, and eats too much his heart is overworked. Yes, one of the best checks against overburdening the heart . . . is moderation in all things—and plenty of rest.

High blood pressure is another important cause of death. Naturally, the heart has to work harder to pump the blood, when blood pressure is high. An overworked heart needs the care of a physician.

Sometimes symptoms of heart trouble aren't so noticeable; that is why a regular physical examination is so important.

Heart disease caused by syphilis, congenital heart disease, and heart trouble resulting from an overactive thyroid gland, are a few other forms of heart disease.

Stop and think about it for a moment. Do you give your heart enough rest?

We don't believe that brunettes have any sweeter disposition than blonds. The wife has been both and we can't see any difference.

"Keep Clean"—Defense Advice

Take it from a renowned health authority: Grime doesn't pay!

According to Dr. George Uhl, head of the Los Angeles Health Department, there is an important relationship between high standards of household cleanliness and national defense.

"Cleanliness begins at home," said Dr. Uhl, "and provides one answer to the oft repeated question: 'What can I do to help national defense?'"

"Keep clean," he urged. "We learned much during the second World War and we have continued to improve public health practices and methods since then. Food handlers, for instance, have been taught the importance of cleanliness and our public schools have stressed courses in health instruction. Due to a vigorous national and local health education campaign, people are more health minded today. The great number of new home washing machines now in use in this country are a plus factor in the public health favor," he said.

His statement underlines the acceptance of the electric washing machine as essential to the health and morale of the American home.

Around the world, wherever there are Americans, there is soap and the unrelenting instinct to keep clean. The G.I. takes his bath in his helmet. The sailor dips himself in the sea. And Americans at home rely first on the family washing machine, a tool that is fast becoming the nation's best morale booster.

Americans spend more time washing than they spend eating. Dishes, faces, elbows and clothes

The washing machine is a favorite member of every family. It provides a never-ending supply of clean clothes, and the assurance of good health and that "clean feeling." In times like these, the family washer is essential to the health and happiness of the American home.

These days, clothes like their wearers must work harder, last longer, and be ready for emergencies. Shortages, higher prices, and general tightening of supplies of civilian wearing apparel make clothing economy a must. Washing economy is the only way to meet this critical situation, and the washing machine is the best economizer.

WOULD BE TRAGIC

"The best thing for you to do," said the doctor to the man with a nervous complaint, "is to stop thinking about yourself and bury yourself in your work."

"Good heavens!" said the patient, "I'm a concrete mixer."

A man with a burning ambition is seldom fired.

He used to catch her in his arms before they were married. Now he catches her in his pockets.

RIGHT

Tourist: "What are those church bells ringing for, my lad?"
 Urchin: "Cos somebody's pulling 'em!"

Harrison county home demonstration club women last year conducted a very successful marketing demonstration. At their market, they sold fresh vegetables, fryers, sausage and home baked products.

Times Classifieds Get Results!

Families should keep an inventory of all durable goods. In the case of a fire, tornado, explosion or theft, many families do not know exactly what to claim as a loss when the insurance adjuster calls on them. Better keep two copies—one at home, the other in a safety deposit box. The world won't beat your door even if you have a wonderful trap—if you are locking all the time.

Dodd Is Hostess Good Neighbors

The Good Neighbors Club met today, January 9, in the Grady home, with twelve members present for the program on "Education Expansion".

Members were asked to bring old Christmas cards in order they might be sent to a hospital for the patients to use in using different things to help in use their hands.

Refreshments were served to James Bernice Ramsey, Opalley, Mattie McCarroll, Berniceley, Mary Finsterwald, Florence Burgess, Maurine Barnett, Ma Robertson, Helen Nixon, Ma Finsterwald, four children the hostess, Mrs. Mary Dodd.

The next meeting of the club will be in the Barney Burgess home, January 23.

Annie Collins Bride Of DeWain Jackson

Miss Annie Collins, daughter of A. M. Collins of Wheeler, became the bride of DeWain Jackson, son of Mr. and Mrs. Fred Jackson, also of Wheeler, Sunday, January 14. Marriage vows were exchanged at the First Baptist Church in Wheeler with Rev. M. B. Smith, pastor, officiating at the single ring ceremony.

The bride was attired in a dress of iridescence blue taffeta with white accessories and a corsage of white gardenias. She also carried out the old tradition of wearing something old, something new, something borrowed and something blue.

Miss Wanda Blevins attended as bridesmaid. She wore a blue dress with red accessories and a corsage of white gardenias.

Charlie Blevins served the groom as bestman.

The bride is a member of this springs graduating class of Wheeler high school and the groom has been engaged in farming but will enter the armed forces in February.

After a wedding trip the couple will return to Wheeler where Mrs. Jackson will complete her school work.

Wed. Study Club Meets With Mrs. C. Laffin

Mrs. Carl Laffin was hostess to the Wednesday Study Club January 11 at a very interesting program on Club Rules and Procedure.

The meeting was called to order by the president, Mrs. R. Wm. Brown and roll call was answered with a parliamentary rule. Mrs. T. M. Britt gave a talk on "Federation News" and Mrs. H. M. Wiley told of the common ailments of women's clubs. Club officers were then elected and the meeting closed with the reading of the club collect.

Delicious refreshments were

served to one guest, Mrs. N. D. Ware, and the following members: Mesdames T. M. Britt, R. Wm. Brown, Lee Guthrie, Harrison Hall, Cora Hyatt, M. McIlhany, Harold Nash, H. E. Nicholson, Floyd Pennington, Nelson Porter, H. M. Wiley, Max Wiley, Frank Wofford, Harry Wofford, Fred Farmer, Shelby Pettit, Darris L. Egger, J. M. Porter, J. W. Barr, Jimmie Mitchener and the hostess, Mrs. Carl Laffin.

Porter-Nicholson Vows Exchange At Pampa

Announcement has been made of the marriage of Mrs. Madge Porter to Dr. H. E. Nicholson, Jr. on Sunday, January 14, at 4:30 p.m. at the First Methodist Church in Pampa with Dr. Orion Carter officiating.

The couple was attended by Mr. and Mrs. Henderson Coffman, Mrs. Thelma Lively and Morris Green.

Mrs. Egger In Charge Mission Study Program

The W.S.C.S. of the First Methodist Church began its Home Mission Study Monday, January 15, with Mrs. D. L. Egger in charge.

Title of the study is, "Rural Prospects", and concerns the lives of people in small towns and the country. There will be five more lessons of study on this subject.

Mrs. J. M. Porter will bring a brief report from the first chapter of the supplemental text, "Once There Were Two Churches", Monday afternoon, January 22.

Little Miss Atwood Honored With Party

Little Miss LaPhyllis Ann Atwood was honored with a birthday party on her second birthday, Sunday, January 7, by her mother, Mrs. Ted Atwood, in the home of Mrs. Floyd Atherton.

"Happy birthday LaPhyllis Ann", was written across the top of the birthday cake which bore two candles. After the guests helped the honoree blow out the candles, the cake was cut and served with hot chocolate to: Johnny Max Baird, Bill and Sue Morris, Walter Joe and Riley Atwood, June Beasley, Fay Rimmer, La Nell, Roger, Danny and Carol Atwood, Jimmy Atherton, Floyd Ray Morris, Arville Dean Atherton, Wilma Louise Atwood, the honoree, LaPhyllis Ann Atwood and the hostesses, Mrs. Ted Atwood and Mrs. Floyd Atherton.

Mrs. Howell Hostess At Study Club Meet

The Thursday Review Study Club met in the home of Mrs. J. C. Howell, January 11.

Mrs. Lowell Pendleton, president, presided over the business meeting during which time officers for the coming year, to be installed in May, were elected.

Mrs. Carroll Pettit was the program leader for a study program on "Reading, Riting and Rithmetic" and told of "The Little Red School House". Mrs. Roy Ford told of how we might improve our schools and Mrs. W. A. Goad, Jr. conducted a spelling bee.

Refreshments were served to: Mesdames Earl Barnes, Leroy Robison, Lowell Pendleton, Carroll Pettit, Harvey Wright, R. J. Hold, Jr., Roy Ford, W. A. Goad, Jr., Louis Martin, Carroll Pendleton, Jack Sims, Buster Callan, Misses Wilma Hefley, Vendell Starkey and Glenna Hefley and the hostess, Mrs. J. C. Howell.

"SMALL BUSINESS" By C. WILSON HARDER

As Jimmie Durante says, "Everybody's getting in the act." Leaders of independent business, even labor, looking at the newest proposal of the Food and Drug Administration, are wondering "What meat do this Caesar eat that he waxes so great?"

It's amazing but true. The Food and Drug Administration wants to force down the standards on white bread. Washington observers say, "Next thing we know Stalin will be announcing his conversion to Christianity."

Congress passed the Pure Food and Drug Act to protect the public from inferior products. The Pure Food and Drug Administration enforces the Act. Acting in this capacity, great good has been done. But the bureau was never given policy-making powers.

Here's the proposed order: White bread with a wheat germ content of more than 1.5% can no longer be called white bread, even though it is white.

Here's the background: The commercial baking business is practically the only mass food industry not almost totally monopolized by 3 or 4 combines, but a few huge bakery corporations are trying to change this.

However, almost every town has an independent baker who survives bone-crushing competition because he puts out a better bread than the baking combines. The amount of wheat germ in the flour is a big factor. However, if by bureaucratic edict no one could bake a better loaf of bread, it's easy to see that national monopoly in the baking industry would result.

©National Federation of Independent Business

Paul Dunbar, commissioner of the Administration, has received scores of protests on this bureaucratic move to force on the public a poorer quality bread.

The Senate Small Business Committee, headed by Hon. John Sparkman, may launch an investigation to ascertain why a bureau is trying to help the would-be bread monopoly; by what legal right the bureau attempts this action.

In fact, this bureaucratic kicking around of Congress and prerogatives and wishes is making many solons indignant, especially when so many of these subversions of bureau authority directly aid huge financial interests.

As reported last week, the sale of a government industrial alcohol plant in Kansas City for a small amount to Schenley during a war period, after Sen. Johnson, Chairman of the Preparedness Sub-Committee, had been assured the sale was stopped, is leading many Congressmen to stop and think where the nation "founded for the people, with the people, and of the people" has drifted. Angry Congressmen, supported by independent businessmen and other citizens, could change this trend. This thought is growing: "What will we gain to fight an obnoxious foreign system if we permit an obnoxious system to take root at home?"

The question has been asked, "What will be the effect of the government action in taking over all rubber supplies on tire dealers and tire users?"

This question is involved: many factors have to be weighed; more facts must be brought to light, before a sound answer can be drawn. In the next week or two this column will bring you the answer.

of the week here with her parents, Mr. and Mrs. H. R. Warren.

A. E. Garrett and family from Plainview and Mr. and Mrs. W. A. Powledge from Briscoe were supper guests in the Lee Kiker home Thursday.

Mr. and Mrs. Loyd Jones and daughter, Sharon, Mrs. Lester Levitt and Mrs. Walter Holbrook motored to Amarillo Thursday.

Glen Elmore and family and Lona Fae Collins from Memphis visited in the A. E. Walls home Sunday.

Aeron Eddings and family from Reydon, Okla. and Mrs. Walter Holbrook were dinner guests in the Loyd Jones home Sunday.

Jackie Taylor, accompanied by two other Abilene students, Joe Harris and Bill Cook, spent the weekend here in the Bob Taylor home. Bill Cook preached at the Baptist Church both the Sunday morning and evening services.

Mr. and Mrs. F. L. Williams from Detroit, Mich. spent the weekend here with his sister, Mrs. David Kiker and family.

Herman Topper and family from Wheeler visited Billy Ray Jones and family Sunday.

Mr. and Mrs. Lester Levitt were dinner guests in the Earnest Begert home Sunday.

Mrs. Bill Begert spent the weekend in Wellington with her father, Henry Formentil.

Mr. and Mrs. Henry Osborne and children spent the weekend in Amarillo with his sister, Mrs. T. E. Simmons and family.

Mrs. Charley Curlee spent two days last week in the Memorial Hospital in Canadian suffering from a heart attack.

Mr. and Mrs. Ernest Wallace and Mr. and Mrs. Roy Langford were in Shamrock Tuesday on business.

W. A. Crenshaw attended an Allis-Chalmers meeting in Amarillo Tuesday.

Mrs. Robert Holt and daughter, Mary, are spending this week in Mineral Wells.

Mr. and Mrs. Thomas Daughtry and son, Ken, returned Tuesday from a business trip to Dallas.

Texas DHIA records for 1949 show that a dairy cow that produced 224 pounds of butterfat or less required 71 cents worth of feed to produce a pound of butterfat while a cow that produced 475 pounds or more butterfat, produced it at a cost of only 35 cents per pound.

I am real sorry that there wasn't any news in last week, but you reporters are sort of falling down on your job and there wasn't any turned in to me and I was busy working on the annual and couldn't get around to asking you for it.

SENIOR NEWS
We sent 22 pages off for our annual and have received most of the pictures for the rest of it. We should get it finished pretty soon.

Most all the seniors are reading plays so that we can decide on our play real soon.

As we didn't have any news in last week, we haven't said anything about our Christmas party. We had it at Aunt Elsie's and after playing several games, she served delicious refreshments of orange punch, salad and fruit cake. All the seniors, then, got busy and washed dishes and cleaned house for her. Everyone reported having a very good time.

Well, mid-term tests are over and we are all wondering if we'll all be walking down that aisle after another 4½ months. Especially if the final tests are as hard as the mid-term.

WHEN COLDS START...HERE'S AN ANTI-HISTAMINE THAT YOU CAN TRUST!

Cold's distresses are stopped in many cases the first day.

We are still taking subscriptions to the Amarillo Times. Anyone who wants to subscribe or renew a subscription, be sure and see one of the seniors.

SENIOR GOSSIP

Ann Nell seems to be very happy, since she got a letter from Harold.

I guess Madge had a good time over the Christmas holidays. She went to Stratford.

Wonder why Evelyn can't work on the annual the last period? It couldn't be that she wants to be with Jim Bob in the study hall?

Ouida, where did you go Wednesday night and with whom?

Patsy seemed to be very happy during the Christmas holidays. It couldn't be that J. B. was on furlough?

Joe, how was the square dance at Glazier?

Bobby, how is your little puppy getting along? The one you got for Christmas?

Edwin, what was it that man from Draughton's College told you?

A prayer for our Soldiers

BY MAJOR GENERAL ROY H. PARKER
Chief of Chaplains, United States Army

Almighty God, the Creator and Preserver of all mankind, we commend to Thy special care and keeping those serving in our Army. Though they be in the midst of dangers, do Thou send Thy guardian angels for their protection. Walk beside them as they go through the valley of the shadow of death.

Knowing that all good things come from Thee, grant them courage and loyalty, through a firm faith in freedom's cause, in the present conflict. When sacrifices are called for, let them be made in the knowledge that Thou art the rewarder of Thy servants. Enable them to live valiantly and serve nobly, in the full realization that no man liveth unto himself. Grant them clear minds, strong bodies, resolute wills, and pure hearts free from hatred and bitterness, renewing them each and every day with strength, like strong men of old, who against enthroned wrong stood with confidence and courage.

Awaken in them a lively faith that will keep them close to Thee. Enable them to rest their cause upon Thy Word that though the foe be strong, yet knowing the cause as they battle for the right, they can never fail. Fill their hearts with the assurance that with Thee nothing is impossible and that all things work together for good to them that love Thee.

If it be Thy will that injuries be sustained, let them experience the touch of Thy healing hand and do Thou bless the means and the ministries employed for the restoration of their health.

In these difficult times, when the forces of evil are running rampant and many hopes seem about to be crushed, fill their hearts with an abiding sense of Thy reality and the certainty of Thy continual presence. Enable them to look to Thee when loneliness and longing overtake them; fulfill their yearnings by granting them Thine own companionship and fellowship. Enable them to realize the full meaning of Thy promise: "Lo, I am with you always."

Thou who are the Protector and Helper as well as the Giver of victory, grant unto them every good gift of body and soul and unite us with them in faith and love unceasing Amen.

COMPENSATION

To keep a woman's hair the way it looked when she was young and gay

Color rinses may be aids when years accrue and beauty fades.

But nature often makes amends And with a quiet charm befriends What's more becoming to the old Than "Silver threads among the gold?"

Ambition ----- To get out of school

WONDER WHY?

Reacie and Jolene were so sleepy Thursday?

Virginia and Marie had such a hang-over Monday morning?

Reba likes Dozier boys?

Mary hates that she wasn't at school Thursday at noon.

Everyone studied hard this last week?

VERY REASONABLE

In Cleveland an uninhabited lady driver stopped abruptly at a busy intersection and oblivious of the long line of cars honking their horns behind her, proceeded to slip on a new pair of nylon.

When an annoyed traffic cop ordered her to drive on, she explained it this way:

"I noticed a run in my stocking and my boy friend is waiting for me around the corner and you wouldn't want me to meet him half-dressed, would you?"

MUSTANG BAND NEWS

See Sharp or Be Flat
Mustang Band Council
Billy Owen, Vondell Hodges
James Joss, Helen Johnson
Student Director-Manager — John
Dan Bowman
Music Librarian — Martha Lou
Chapman
Reporter — LaJaune Mann

We are working hard on our drive to add members to the Mustang Band organization and at the present we have just 4 instruments not being used, they are the Alto Clarinet, George Porter so kindly let us use, 1 Clarinet, 1 Soprano Saxophone and 1 Trombone. Anyone interested in band or playing on any of the above please contact Mr. Sontag at the band room at school.

We have set our goal of 50 members in the marching band for the coming school year for local participation. We now have 45 in our organization.

For the benefit of the band members who read this column, and I take it they all do (maybe), as of February 1 everyone in band at present except the few joining in the past few months will be eligible to take the 3rd class bandman tests, a test which must be passed in order to become a member of the marching band. You must not have a demerit mark for 6 months on your record, pass the test which consists of musical fundamentals, and upon passing same you are awarded the 3rd class bandman insignia for your sleeve to be worn on your uniform. Also, we have quite a number who will receive sleeve stripes to be worn. If for each year you have been a band member. For Christmas, everyone received from the band organization the citation cards for their respective uniforms and with the addition of the new and service stripes the band will be somewhat more showy in appearance this coming year, but our uniforms are the talk of everywhere we have made appearances, in fact, they are just down right good looking.

We didn't get a whole lot accomplished the past week in our band work as they were having the mid-term exams so you can imagine the workout we had, in fact that is.

On Monday of each week we have devoted to music fundamentals and reviewing of the bandman tests as we hope to have most of the members to go through to the 1st class bandman test by the time school is dismissed this summer. We dismiss rehearsal on Mondays and have band in grade school study hall to discuss the fundamentals that pertain to our tests and band work. From the looks of this column, must have had a lot on my mind this week.

Mr. and Mrs. Ebb Farmer, Miss Christine Wiley and Miss Gladys Mabrey were dinner guests of Mr. and Mrs. Clifford Farmer in honor Sunday.

a story book finish than did the Mobeetie lassies. After trailing most of the way, the Warriors were trailing by 3-points with less than a minute to play when one of the lads was fouled while trying to shoot and was awarded two free throws, he took the first one and made it then took the ball out of bounds at the center line instead of taking the second shot and with only 4 seconds left to play the ball was thrown in and Wells took a long one-handed shot, which singled the net as it went through to tie up the ball game and throw it into overtime.

In the over-time, the Warriors picked up three points while Samnorwood, playing without the services of their ace, Lawrence Overcast, who had fouled off shortly before the regulation contest ended, could not score. The final count in this ball game was 38 to 35.

The Wheeler girls lost a heart-breaker in the opening round to Canadian by a count of 31 to 32 then defeated Kelton in their second contest by a count of 27 to 24 and won over Briscoe in the finals by a count of 28 to 25 to take the consolation bracket championship. Chances of the Briscoe team were hurt somewhat when one of their forwards, Dorothy Brotherton, hurt her knee early in the contest.

The Wheeler boys lost a 1-point decision to the Lefors Pirates in the opening round of play by a count of 33 to 34 then came by to master Kelton by a count of 48 to 33 as Dick Pendleton dropped in a total of 22 points to take scoring honors in the contest. The Wheeler-Reydon contest in the finals of the consolation bracket was a whiz-bang battle from beginning to end with the Mustangs coming out on top by a count of 35 to 33. David Johnson was high-point man for the Mustangs in the final with a total of 12 on 6 field goals.

Members of the all-tournament teams who received miniature trophies included: Boys — Gene Hodges and Dwayne Wells of Miami, Dick Pendleton of Wheeler and Lawrence Overcast and Dell Bradley both of Samnorwood. Girls — Frances Totty and Ruth Morris of Mobeetie, Patty Spurland of Reydon, Martha Kidwell and Dolores Browning both of Samnorwood and Jean Lowe of Miami.

Members of the second all-tournament team who received miniature gold basketball awards were: Boys — Vernon Willard, Mobeetie; Jimmy Bond, Pampa "B"; Tommy Helton, Briscoe; Vaughn Terry, Shamrock; and Lonnie Ison, Reydon. Girls — Von Eva Hooker, Wheeler; Wilma Mason, Kelton; Imogene Pannell, Briscoe; Dixie Sanders, Wheeler; Mary Barker, Reydon and Ford, Shamrock.

trays that store up to 15½ pounds of meat; storage capacity for 25 full quart bottles, and up to 14.9 square feet of shelf area. These remarkable refrigerators — both priced amazingly low —

NEW SPEAKER SWORN IN

Representative of State John Ben Shepperd is shown administering the oath of office to the new Speaker of the House of Representatives of the 52nd Texas Legislature, Rep. Reuben Senterfitt of San Saba. Shepperd officially opened the House of Representatives Tuesday, January 9, and presided until the unanimous election of the San Saba attorney as Speaker. Representative Senterfitt is beginning his sixth full term in the Texas House. He is the senior member of the law firm of Senterfitt, Crump and Jameson in San Saba. The Secretary of State convenes the initial session of each Legislature according to requirements of the Constitution and Texas law. Both Shepperd and Senterfitt, in opening remarks to the legislative body, termed this Legislature as one of the most important and crucial in the history of the state.

have just been introduced by International Harvester Company, and are being displayed by Hibler Implement Co.

"Termed 'years ahead' in styling performance, construction and dependability," Mr. Hibler said, "these new 'feminized' refrigerators have numerous other basic features in common. They have full-length, X-braced doors; acid-resistant porcelain enamel interiors; adjustable temperature controls with 12 settings; automatic interior lights; hermetically sealed refrigerating units with a five-year warranty attached permanently to the cabinet; and built-in bottle openers."

In addition to these basic features, both models have a unique, exclusive shelf design that permits four different arrangements for locating tall bottles and bulky storage at any desired height. Shelves in Model HA-82 are chrome plated and are center braced to prevent sagging. Model HA-74 has zinc plated shelves. Built-in levers permit these refrigerators to stand level on uneven floors.

"The 8.2 cubic-foot Model HA-82 is the largest refrigerator for its size in America, both in capacity and in shelf area," Mr. Hibler asserted. "It has cold-to-the-floor refrigeration, and a full-width 'cold-stream' crisper that is placed so cold air can circulate all around it, keeping its entire con-

tents uniformly fresh. "What the HA-82 amounts to," he said, "is a big family-size refrigerator in a small kitchen-size cabinet. I invite every Wheeler woman — and man — to inspect these beautiful 1951 refrigerators."

Mobeetie Meditations

(Continued from Page 1)
for the new year were elected as follows: president, Mrs. Carey Willis, vice-president, Mrs. Laura Hill, secretary, Mrs. Maggie Thompson and assistant secretary, Mrs. Beulah Grimes.

Carlton and Rondal Mack Alexander spent several days last week with their aunt, Mrs. Sid Talley at Miami.

Mrs. W. K. Bronson is ill at the home of her sister in Pampa this week.

Mr. and Mrs. John Kent and son, Gary, visited in Hammond, Okla. over the weekend with Mrs. Kent's father and mother.

Dwight Hathaway, son of Mr. and Mrs. J. M. Hathaway was a patient at the Wheeler Hospital this week with measles. He was able to return home Wednesday morning.

Mr. and Mrs. A. Gidden of Memphis were Mobeetie visitors

CONG. ROGERS INTRODUCES NEW BILLS

Congressman Walter Rogers, of the 18th District of Texas, introduced in the House of Representatives two pieces of legislation before he had served as congressman ten days. On January 12th he offered an amendment to the Fair Labor Standards Act, which would permit children under sixteen years of age to work in agriculture if properly excused by the school authorities. On the same day he introduced a bill which would prohibit the mailing of literature by any organization or group designated by the attorney General under Executive Order No. 9835 as totalitarian, fascist, communist or subversive, or as having adopted a policy of advocating or approving the commission of acts of force or violence to deny others their rights under the Constitution of the United States, or as seeking to alter the form of Government of the United States by unconstitutional means.

Rogers stated that his action in introducing the two pieces of legislation was in keeping with promises he had made during his campaign. He said the amendment to the Fair Labor Standards Act would eliminate the necessity of closing schools in certain school districts in order to get the crops harvested, and would permit school authorities to arrange the school work of those who needed help in the harvest so that they could fully comply with State attendance laws. "Since this country will need an all-out effort by the cotton farmers in raising a crop this year, it will answer one of their most difficult problems, that is, the harvesting problem," he added.

Referring to his proposed anti-subversive publications bill, Rogers declared, "This is only the beginning of legislation I have in mind to put communist and sub-

Sunday. They brought their grandson, Ross Thomas, home after a short visit with them.

Mrs. W. R. Toler has been ill with flu at her home the past few days.

versive publications completely out of business and to stop the publication and distribution of such organs as the Daily Worker and similar publications."

Rep. Grainger McIlhany is spending the last of this week at his home here in Wheeler after being in Austin for the inaugural services of Gov. Allen Shivers Tuesday. Rep. McIlhany will resume his duties at the State Capital Monday.

Mr. and Mrs. Harry Wofford left Wednesday on a business trip to Austin.

Mrs. C. P. Carriger of Okla., sister-in-law of Mrs. Cowden of Wheeler, passed Wednesday morning, Jan. 17. Funeral services were held Friday. Mrs. Cowden and Muri Jaco attended from Wheeler.

Mrs. Henry Miller left Monday for a visit with her daughter, Mrs. Fred McCarroll, at Midland, S. D.

John Barr, Jr. left Monday to serve with the Air Force now stationed at Lackland Force Base in San Antonio.
