

beetie ditations

Homer E. Matthews

NOTE:—We are to announce that we have secured the services of Homer E. Matthews to carry on the "beetie ditations" since Mrs. Flanagan has been unable to do the chores any longer. Mrs. Flanagan to know personally appreciate a great deal and benefit all the readers of the paper especially those from the vicinity enjoyed the ditations.

It is sure that Mrs. Matthews will make just as good a ditator as has Mrs. Flanagan and we hope that all of our readers who have enjoyed the ditations will report to see Mrs. Matthews gets them out just west of the Atkins Grocery Store in Mobettie.

When you speak for all the people of the Mobettie Community, you are indeed sorry for Mrs. Flanagan. Since she cannot be our reporter, I have named our column "beetie ditations" with her permission we are going to continue under the same heading, but try to fill her place as best as we can.

When you go to ask your kind neighbor, anytime you have a day, had out-of-town guests, or know news of interest, call me at "The Mart" and with your kind help I will endeavor to report for you.

Don't forget the senior play to be held at the high school gym. We will go and lend our support and support to the play. It is always much easier to do a full house.

The Lions Club sponsored a "Supper" last Friday night. The crowd was well over 100. A picnic of the Carbon Industry Southwest was shown by the Cine of Pampa, representative of the Oklahoma City Chamber of Commerce, which is headed by James E. O'Neil, general manager of Richards & Conover Hardware Co.

The cities that will be visited in the three days include: April 24, Kingfisher, Watonga, Seiling, Woodward, Buffalo, Laverne, Beaver, Hooker and Guyton.

April 25's itinerary includes: Goodwell, Texhoma, Stratford, Boise City, Dalhart, Dumas, Stintney, Borger and Pampa.

The final day's stops will be made at Miami, Canadian, Wheeler, Shamrock, Erick, Sayre, Sentinel, Cordell and Binger.

WM. MORGAN CAIN

KILTIE BAND TO APPEAR HERE

A delegation of 50 Oklahoma City businessmen, headed by Wm. Morgan Cain, president of the Oklahoma City Chamber of Commerce and founder of Cain's Coffee Co., will visit Wheeler in a three-day Goodwill Tour through Northwest Oklahoma, Oklahoma and Texas Panhandles, arriving here about 10:10 a.m., April 26.

The goodwillers will be accompanied by the Kiltie Band and will be transported in a three-bus caravan, according to Jack LaMonte, manager of Mistletoe Express Service and chairman of the goodwill tours committee of the Oklahoma City Chamber of Commerce.

The 28-member Kiltie Band, Scottish-clad, all-girl musical organization will perform in the street for citizens of Wheeler and adjacent trade area. The band whose instruments came from Scotland is sponsored by American Legion Post No. 35 of Oklahoma City.

PRESENT PUPILS IN RECITAL TUES.

Patrick F. Boddy, local band director and music instructor, announced this week that his students will be presented in their annual recital on Tuesday, April 10, at 8 p.m. in the Wheeler School Cafeteria. The public is cordially invited to attend the recital.

Instrumentation to be presented will be numbers on accordion, clarinet, cornet, piano, marimba and violin.

Students participating in this annual spring recital are from Wheeler, Keltton, Mobettie and Sweetwater, Okla. and include: Phyllis Callan, Leveta Moore, Carmelita Brown, William Whitener, Mary Black, Dale Wofford, Elaine McCasland, Don Roberts, Patricia Darnell, Janet Morgan, Jackie McCleskey, Ellen Corcoran, Virginia Pettit, Peggy Baird, Billie Owen, Janet Keahey, Janet Russ, Nancy Whitener, Burley Owen, Kay McCleskey, Annette Reeves, Tilley Green, Marilyn and Sylvia Smith, Donna Greenhouse, Sharon Green, Sarah Jane Goad, Paula Green, Garth Nash, Will J. Roberts, Martha Lou Goad, Frank Walker and Eugene Pettit.

Mr. and Mrs. J. C. Howell and daughter were in Chillicothe Sunday to attend funeral service for her aunt who passed away Friday night after some six months illness.

WHAT ABOUT CIVIC PRIDE?

(An Editorial)

Do we as citizens of Wheeler care whether the city grows and prospers? Do we like to see things look nice, neat and clean? What are we, as individuals, doing to help improve the looks of Wheeler and at the same time make it a better place in which to live?

Each year for the past several years there has been a paving company working in the vicinity of Wheeler and it would have been very easy to have gotten them to do some street paving for us at a very minimum cost if the citizens would have just banded together and put up the comparatively small amount of money it would have cost them to have the job done.

However, the results of the project the Wheeler American Legion undertook a few years back were so discouraging that no other group has attempted to sign up the property owners on a paving proposition since that time. When the legion undertook the paving project it was not those who apparently did not have the money to pay for the paving who objected but those who apparently had plenty of money but didn't care whether the town or the value of their property.

Right at the present a paving construction company is completing some projects in the north part of Wheeler County and it would be possible to get them to move into Wheeler with some equipment and do a paving job for us at a very minimum cost if the property owners would get together and decide to have the job done within the next couple of weeks.

Local civic leaders would like to see South Main and Canadian Streets and as many of the cross connecting streets paved as possible and met with a representative of the construction company Monday night of this week to discuss the project.

The representative of the paving company, Mr. McDowell, gave the following estimate of the cost per lineal foot of frontage for the following widths of pavement:

60 ft. each side	\$4.77
50 ft. each side	\$3.06
45 ft. each side	\$2.75
40 ft. each side	\$2.45
35 ft. each side	\$2.14
30 ft. each side	\$1.83

The above figures are based on a cost of \$1.10 per square yard of paving.

If you are interested in having this paving done at the present time you can contact your neighbors and see if they are willing to pay their share and then contact County Judge George Hefley.

The City of Wheeler has already agreed to pave the street and alley intersections any time the property owners get ready to have their streets paved.

SALE OF KEVA IS ANNOUNCED

Financial control of Radio Station KEVA passed from Albert Cooper to a partnership headed by Jim Abbott on April 1. Approval of the sale which had been pending since January, was granted by the Federal Communications Commission in Washington last Saturday, and the new owners assumed charge the following day.

Abbott came to KEVA from Altus last January after several years association with stations at Altus, Childress, Port Arthur and Norman. Associated with him in the operation of KEVA will be Farrell Brooks who moved to Shamrock from Duncan in February. Brooks was assistant manager of the Duncan station where he had been employed for three years.

Simultaneous with the announcement they had taken over the Shamrock station, Abbott and Brooks revealed that KEVA had become an affiliate of Liberty Broadcasting System, second largest network in the nation. Liberty network programs started over the local station Wednesday.

Exhibition games of the major league baseball teams will be broadcast starting Thursday or Friday, they said, and a major ball game will be carried daily with the start of the playing season on April 16, they said.

Although all national network programs of importance will be carried, KEVA will continue to stress entertainment and news of a local nature. Abbott and Brooks said. A complete program log will be carried in the newspapers next week and on succeeding weeks.

NFLA HOLDS ANNUAL MEET

On Tuesday, April 3, 1951, the Wheeler County National Farm Loan Association held its Seventh annual stockholders' meeting at the Rogue Theatre building in Wheeler, Texas.

Mr. Raymond Moore, president of the association, opened the meeting at 2:30 p.m. and announced to the 48 stockholders present that the association had made favorable financial progress during the year. Mr. Moore then conducted an election of a director, and Robert Terry of Rt. 2, Shamrock, Texas, was elected for a term of three years.

The meeting then listened to an exhaustive financial report from the Secretary-Treasurer, and after a picture show given for the entertainment of the members, the meeting adjourned.

The officers of the association expressed satisfaction with the attendance present, which seemed to be an indication that the stockholders were interested in the progress of the association since its consolidation on March 1, 1941.

A dividend was paid to the stockholders, and the secretary-treasurer announced that since the date of consolidation the association had paid its stockholders 55% in dividends or a total of \$22,178.00. He also announced to the membership present, that although they had signed contracts to pay the low rate of 4% interest.

Briscoe Band Will Present Concert Friday

Supt. Harold Barnett of the Briscoe Schools announced this week that he will present the Briscoe Bronco Band in a concert Friday night, April 6, beginning at 8:00 o'clock in the Briscoe High School Gym.

Admission is free and the public is cordially invited to attend.

RED CROSS DRIVE IS COMPLETED, \$931.43 RAISED

C. B. Kirk, fund raising chairman for the North Wheeler County Red Cross Chapter, announced this week that the 1951 drive for Red Cross funds in the chapter had been successfully completed with the chapter exceeding its quota of \$814.00 by \$117.43. The \$931.43 collected by the chapter lacked only \$68.57 of reaching the goal set before the beginning of the drive.

Last year the quota for the North Wheeler County Chapter was \$725.00 and only \$505.30 was raised.

Mr. Kirk pointed out the fact that all money handed him was credited to the individual or group in charge of that territory. He also said that The Times express his sincere appreciation and thanks to everyone who helped with the drive in any way.

In summing up the drive, Mr. Kirk announced that there were 230 donations of \$1.00 or more and only 21 donations of less than \$1.00.

Individuals who worked territories and the amounts they collected include: Thomas Daughtry, \$83.00; Cecil Clark, \$91.00; Virgil Jamison, \$7.50; Ebb Farmer, \$44.00; Jack Garrison, \$14.00; Archie Hibler, \$49.50; Harry Wofford, \$35.00; J. C. Howell, \$78.00; Bill Owen, \$15.00; Gladys Mobley, \$17.78; Thursday Review Club, \$121.65; Harold Barnett, Briscoe, \$51.85; Carl Levitt, Allison, \$25.50; Ollie Elliot, Keltton, \$113.65; and L. D. McCauley, Mobettie, \$186.00.

ACCIDENT WED. DEMOLISHES CAR

Assistant County Agent Robert Ledbetter and the four boys who comprise the County 4-H Club Dairy Judging Team narrowly escaped serious injury when Ledbetter's late model Plymouth 2-door sedan skidded on wet pavement between Highway 83 and the Jowett plant and overturned about 3:30 p.m. Wednesday afternoon. The automobile was almost completely demolished.

The accident occurred during the light rainfall Wednesday afternoon and was reportedly caused by the wet pavement. Ledbetter reports that his car started skidding, left the pavement on the right side and when he jerked it back on the pavement it went across and overturned on the left side of the paving.

The boys who were with Ledbetter at the time of the accident were Dean Tipps, W. L. Williams, Buddy Wilson and Bobby Helton. None of the boys seemed to be hurt any to speak of, but Ledbetter received slight cuts and an injury to his left arm.

OPS CLINIC BE HELD AT PAMPA

W. O. "Red" Wedgworth, secretary-manager of the Pampa Chamber of Commerce, announced this week that the Pampa Chamber of Commerce is sponsoring an Office of Price Stabilization Clinic for grocery store and cafe operators at the County Court Room of the Gray County Courthouse in Pampa next Monday, April 9.

Mr. Wedgworth announced that a group of men from the district OPS office in Lubbock will be present to answer questions and give out general information concerning the regulations affecting grocery stores and cafes as well as the slaughtering of livestock. Among the OPS personnel to be present from Lubbock will be Ted Gehringer and E. Taylor.

There will be a meeting especially for the cafe operators beginning at 10:00 a.m. and one especially for the grocery store operators.

Methodists To Begin Revival Meet April 22

Announcement has been made of a revival at the Methodist Church in Wheeler to begin Sunday, April 22 and continue through the 29th. Rev. S. M. Dunnam, pastor of the First Methodist Church in Shamrock, will be the Evangelist.

Wheeler Whisperings

By J. C. Howell

We think it's a shame when parents won't look after their children close enough to see that their eyes are serving them properly and that they don't need optical attention of some sort. Results of a survey conducted recently by County Sanitarian W. R. Ritter and Dr. Joel Gooch in the Wheeler Public Schools indicate that many of the local children need eye care of some sort or another, and a similar survey conducted about a year ago showed the same results which indicates that the parents failed to do anything about it when they were told that their children's eyes needed further examination.

In the recent survey, the eyes of 283 pupils were examined, 74 were found to be normal, 55 near normal and 154 needed further examination.

You do not have to take the word of the optometrist who examined the eyes of your children. He does not even ask that you bring them to him for further examination. He donated his time and equipment to make the survey in an effort to be of service to the county in which he resides.

Whisperings urges that those of you who have children whose eyes need further examination take them to a competent optometrist or eye specialist right away because corrective measures while children are young might save them having to wear glasses all their lives and it probably would help them to enjoy their school work better and consequently get (Continued on Last Page)

Twitty Baptists To Hold Revival Meeting. Have Open House Fri.

Rev. William H. Parks, pastor of the Twitty Baptist Church has announced that there is to be a revival meeting at his church beginning Sunday, April 8, and lasting through Sunday, April 15. Services will be held each morning between 10:00 and 11:00 o'clock and each evening at 8:00 o'clock.

Rev. Jesse Bolin, pastor of the First Baptist Church of Vega, will do the preaching for the revival and local song leaders will be in charge of the music.

The Baptist parsonage at Twitty has just recently been completed, and the pastor and his wife, Rev. and Mrs. William H. Parks, are having open house Friday night, April 6, beginning at 7:30 and invite everyone to come by and see the new edifice.

The entire public is cordially invited to the revival meeting also the pastor stated.

Mobettie Seniors To Present Annual Play

The seniors of Mobettie are to present a three act comedy play, "Fancy Meeting You", Friday, April 6, 8:00 p.m. in the Mobettie Gym. Admission 25 and 50 cents.

The cast is: Ann Maxwell, a young actress, Patsy Johnston, Oval, her colored maid, Ann Nell Alexander; Larry Bennett, Ann's fiancé, Bobby Corcoran; Mrs. Anna Propper, a girl of Ann's age, Evelyn Worthington; Nick Popodopolis, her husband, Joe Shelton; Virginia Rankin, from Valley City, Ouida Burke; Wallace Rankin, her rich husband, Edwin Sims; and Aunt Honey, Larry's guardian, Madge Patterson.

The action of the entire play takes place in the penthouse apartment of Ann Maxwell, in New York City.

Be sure and come, and enjoy the play with everybody.

Parks and Farmer Are Elected City Aldermen

Percy Farmer and Luther Parks were elected to fill seats on the city council of Wheeler in light balloting Tuesday. Farmer and Parks will fill the seats of Archie Hibler and T. M. Bowman who declined to run for re-election.

Thirty-four citizens of the City of Wheeler voted in Tuesday's election and Farmer and Parks received twenty-seven votes each.

3 TRUSTEES TO BE NAMED IN ELECTION SAT.

Saturday is school trustee election day all over the state of Texas. School elections will be held in the nine districts of Wheeler County to elect a number of district trustees and two county precinct trustees.

County trustees are to be elected in precincts one and three. The name of Jack Miller of Mobettie has been filed for the seat being vacated by the expiration of the term of L. D. McCauley, also of Mobettie in precinct one. The name of Paul Macina has been filed for the position of county board member from precinct three. Macina is presently board member from that precinct having been appointed to fill out an unexpired term.

The Wheeler Independent school district has three trustees to elect in Saturday's election since the terms of Frank Wofford, T. C. Lott and T. A. Richardson expire this year. Wofford, Lott and Richardson have been filed for re-election and the names of three other men, Archie Hibler, Alvin (Bill) Hampton and Maurice Burgess have been filed with the county judge and will be voted on.

The Wheeler election is to be held at the Wheeler High School building in the first room on the right as you enter the building with W. B. Wofford presiding as judge and Mrs. Shelby Pettit assisting as clerk.

At Mobettie where there are two district trustees to be elected, the following names have been filed: Pierce Walker, C. J. Van Zandt, Phil Corcoran, Jake Allen, Woodford Williams, Herk Atkins, Willard Godwin, Jim Hathaway and Jeff Puryear.

There are two trustees to be elected in the Briscoe District and the following names were filed: H. O. Lane, Leon Fillingim, W. A. Finsterwald, Lee Barry, Edd Riley and Harold Sontag.

At Keltton where three trustees are to be elected, the following names have been filed: Gordou Stiles, John Daberry, Fred Harris, George Davidson, John Ambler and Edward Killingsworth. Stiles, Daberry and Harris are the incumbents in this race.

There is only one trustee to be elected at Kellerville, and he is to be selected from the following men: J. H. (Jake) Jones, E. C. West, and Fred Sliagar.

In the Bethel district, the names of Ramus Hill and Jap Gillis were filed to fill the two vacant places.

The names of Carl Phillips, Elmo Riley, C. G. Cantrell, Jr. and Clyde Moore have been filed for the two vacant places on the Lela board.

J. W. Walker Training At Philadelphia, Pa.

Jimmie W. Walker, seaman apprentice, USN, son of Mr. and Mrs. Pierce C. Walker of Route 1, Mobettie, Texas, has reported for a course of instruction at the Aviation Boatswain's Mate School, at the U. S. Naval Base, Philadelphia, Pa.

Walker entered the Naval service in January, 1951, and received recruit training at the U. S. Naval Training Center, Great Lakes, Ill.

Before entering the service, he was graduated from Mobettie High School.

Arthur Hathaway of Oklahoma City visited here with his sister, Mrs. Fred Waters and family, last week.

SOUTH'S PROSPERITY

The economic progress of the South has been greater than that of the country as a whole, a recent bulletin of the Southern Newspaper Publishers Association states, quoting Dr. Paul W. Chapman, dean of the college of agriculture of the University of Georgia.

He is undoubtedly right. But in all such statements, we Southerners should look backward and forward and make the needed mental reservations.

First, the South has fallen so far behind that there was "plenty of room for improvement." Second, the present improvement is, in some degree, because of artificial economic conditions, namely, the government-supported price of cotton.

The tragedy of the South came with the dominance of a "labor" crop which encouraged the institution of slavery and brought on the devastating war that ensued. Thereafter, the gradually mounting tariff robbed Southerners of a large part of their just reward for producing the fiber for a large part of the world's clothing.

Now cotton growers, beneficiaries of government paternalism in a big way, do not know what to expect from year to year. Look at the last two years. They take what the government hands them.

Certainly, the South has sound basis for a great and ever-growing economy. But southern industry and southern intelligence must lead the way. And there should be no resting on present laurels of accomplishment. They could wilt.—Dallas News

TO BUSINESSMEN

Businessmen of the country should listen to Defense Mobilizer Charles E. Wilson who urges them to make an organized effort on their own initiative to fight inflation by restricting credit.

The admonition to businessmen could be broadened. Businessmen do too little on their own initiative except to be "against" things. The unfair attitude toward business that has been taken so frequently by the national administration in recent years tends to throw the business community on the defensive. That must be admitted on their behalf. But there are many openings for positive constructive leadership which they overlook.

The businessman who thrives on competition is naturally nongregarious. He can never be organized as solidly as labor is, even if such organization should become legal. But despite this diversity of individual interest, legal restraint and unfair political opposition the big business organizations should formulate their realistic and constructive program. One organization, the Committee for Economic Development, has made a good start. More work of this sort would put the businessman in better position to be "agin" some things more effectively.—Dallas News

Headcheese is not a cheese, but a form of sausage.

Solitary trees are struck by lightning more often than trees in a group.

The tip of the tongue is the most delicate organ of touch.

At birth, a kangaroo is only one or two inches long.

A boa constrictor is not poisonous. It kills by crushing its prey.

"PUT YOUR BASKET IN ONE FREEZER"

There's no better way to food enjoyment than to "put up" the results of the summer's gardening activities in your home freezer. You're assured of garden fresh quality in vegetables whenever you want a treat to go along with the supper meat. Your home freezer retains original flavor because vegetables are quick-frozen in no time at all—right after being freshly picked. Dependable electric service keeps them frozen until you are ready for the feast.

Mother of Two Praises Hadacol

HADACOL Supplies Deficient Systems With Vitamins B₁, B₂, Niacin and Iron

Mrs. Elmer Hise, 3225 2nd Ave., Council Bluffs, Iowa, is a good mother, and like all good mothers she keeps a careful watch for the welfare of her two young children. And when little four-year-old Lucille Hise wasn't feeling as her mother knew she should do something about it. Mrs. Hise gave Lucille HADACOL because she had heard how much it was helping children who had poor appetites and stomach distress caused by deficiencies of Vitamins B₁, B₂, Iron and Niacin. It helped her so much that now Mrs. Hise gives HADACOL to both of her children.

Here is what Mrs. Hise says: "My daughter has taken two bottles of HADACOL and she has been eating more than before and also sleeps better. I think HADACOL is the best thing for children who do not have an appetite. My daughter is four years old. Before taking HADACOL my daughter complained of her stomach hurting her, and I got her a bottle of HADACOL and she says her stomach doesn't bother her any more. I think HADACOL is wonderful. I am also giving HADACOL to my three-year-old daughter."

HADACOL is So Effective
An important thing about HADACOL is that you get Vitamins B₁, B₂, Niacin and Iron in liquid form, which means that they are quickly absorbed and dispatched to the blood stream, ready to go right to work. HADACOL helps build up the hemoglobin content of the blood (when Iron is needed) to carry these precious Vitamins and Minerals to every part of your body.

Swine producers can reduce pig losses by giving the sow and litter better care during and immediately after farrowing. An inexpensive home-made pig brooder, properly used, is one piece of equipment that pays for itself in a hurry.

Make every day a safe one in the home and on the farm. Latest statistics show the home to be a pretty unsafe place. Better check up on the hazards in your home.

Chess is one of the most known to man.

Cicero Smith Lumber Co

Wheeler, Texas

Washington, D. C.
March 30, 1951

It has been rather quiet during the past week around the Capitol. This is due to the recess of the House for a ten-day period. It is the lull before the storm, as the manpower bill will be on the Floor next week from all indications, and this is to be a quite a controversial issue. The House committee has rewritten a major portion of the Senate version of this legislation. Indications are that the draft is going to be a highly con-

troversial matter. There will also be amendments undertaken to fix the power to send troops overseas, which is the question now being debated by the Senate in a separate bill. The final version of this legislation is going to have a tremendous impact on world events. This Congress is being watched by all foreign powers with a great deal of interest. Events in the next three months will determine the course of this country for a long period to come. These events will definitely have a bearing on the period during which the preparedness program will continue. The approach of the UN forces to the 38th parallel in Korea brings closer to hand the decision of great importance. The question of "to cross or not to cross," will be the most serious question that this country faces or has faced since it was crossed last fall. The potential all-out war with China may well depend upon the correct answer to this question. It is certainly as important to China as it is to this country, if not more so. History reveals that there has never been a time when there was a unified China. The Red forces fully realize this and it is causing them great concern. A peaceful settlement by Mao at this juncture would be one of the greatest steps in history toward world peace. If he can save his face by ceasing hostilities, it

will no doubt be done. If he does not feel that he can save his face, he will let every Red Chinaman die before he gives his cease fire order.
MOBILIZATION: Much talk has been going the rounds about the statement of Charles Wilson to the effect that we can fight an all out war by the third year and the statement by General Marshall to the effect that he was disturbed by the letdown in general opinion concerning our preparedness program. Actually these two statements are not in conflict. There is no question but that the public in many sections of the country has permitted the recent successes in Korea to create a feeling of security. This could prove detrimental to the preparedness program, but it has not had that effect to date. This Congress is not going to relax the preparedness program by reason of any temporary successes. We all realize that the salvation of this country and our way of life is going to depend upon the immediate building of a strong military force and that this force is essential as a backdrop in any peace negotiations with any of the aggressor nations.
THE PRESIDENT OF FRANCE: The Stars and Stripes are flying at all corners of the Capital flanked by the French Tricolor. This is in honor of le Presi-

LITTLE LADY

This bright-eyed young miss is a real little lady in her cotton sundress just like mother's. Her sophisticated cape bolero is of solid navy pique, while the ruffled sundress is blue and white pique. The mother-daughter dresses were designed by Trade of California. Sundress-bolero combinations are expected to be among the most popular summer fashions, National Cotton Council fashionists report.

VISITOR: Jay Taylor of Amarillo was in Washington this week in the interest of the cattlemen.

Don't walk in a daze—
Look both ways.

Approximately 15,000 Texas 4-H boys have been awarded breeding animals as a result of the Sears-Roebuck Foundation sponsored pig program. The program has been operating in the state for 14 years.

Purina Research Farm Holstein Calves

AVERAGE
310 Pounds
AT 4 MONTHS

Compare these weights at 4 months: Most dairymen's Holstein calves, 250 lbs. Purina Research Farm Holstein Calves, 310 pounds. Purina Calf Startena calves have big stretch and frame, not soft fat.

Real Dairy Quality At Only 4 Months

A big, growthy 4-month-old heifer indicates real dairy quality. This year, raise a couple of calves on the Purina Calf Startena Plan. Get a good big calf and save about 1/2 the cost of milk feeding. Let us supply you with Calf Startena today.

dent Auriol, the first French President to visit this country. This visit is definitely building a bulwark against communism.

CRIME INVESTIGATIONS: Much mail is being received asking for continuance of the Kefauver Committee. The permanent committee on this matter should be a joint committee with full investigative powers. Crime, like communism, is going to be crushed in this country. Look for some big developments.

"I got the story on
50,000 Miles-No Wear
and changed to New Conoco Super Motor Oil"

says Joe Albertson
Traveling Salesman
Santa Fe, New Mexico

"50,000 MILES-NO WEAR!" - PROVED HERE:

After a punishing 50,000-mile road test, with proper crankcase drains and regular cars, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence . . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts.

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, use less gasoline and oil.

**"50,000 Miles
No Wear!"**

CONTINENTAL
OIL COMPANY

"MANY OF MY CUSTOMERS have actually gone out of their way to thank me for servicing their cars with new Conoco Super Motor Oil, because it has reduced their repair bills by a good margin," says T. S. Young, Young Motor Company, Walsenburg, Colorado. "I know Conoco Super is the finest motor oil on the market."

"I'M ON CALL 24 HOURS A DAY and my car must be ready to roll over the roughest roads in any weather," states B. P. Bryant, Oil Field Engineer, Abilene, Texas. "That's why I changed to new Conoco Super Motor Oil. Never have I had such good gasoline mileage and cost-free operation."

**Fertilized Pasture
Produces Large Calf**

More than twice as much weaned calf weight was produced on a 640-acre pasture on the King Ranch which was fertilized with 200 pounds of triple superphosphate per acre as was produced on a 650-acre unfertilized pasture. During the six-year period, 1941-1947, an average calf crop of 98 percent was obtained from 62 cows on the fertilized pasture, while 42 cows on the unfertilized pasture produced a calf crop of only 69 percent.

The 229 calves produced on the fertilized pasture averaged 551 pounds at weaning time, compared with an average weight of 489 pounds for the 116 calves produced on the unfertilized pasture. Applying phosphates to range land on the King Ranch increased the average yield of pasture forage from 35 percent to 84 percent. The phosphoric acid content of the grasses also was increased greatly, in some cases as much as three-fold.

Grasses fertilized with 200 pounds of triple superphosphate per acre supplied enough phosphorus for range cattle except during periods of severe drought.

One application of 200 pounds of triple superphosphate was effective for five or six years.

A summary of this study is given in Texas Agricultural Experiment Station Progress Report 1341.

**Greenbelt Electric
Co-op Receives Loan**

Washington, March 30.—A loan of \$50,000 to the Greenbelt Electric Cooperative, Wellington, has been approved by the Rural Electrification Administration, REA informed Sen. Tom Connally today. The money will be lent to members of the coop for the purchase and installation of wiring, plumbing and other necessary electrical fixtures and appliances. The coop serves members in Roberts, Collingsworth, Donley, Childress, Armstrong, Gray, Wheeler, and Hemphill Counties.

Washday Can Be Made Easier Says Expert

Arrangements of the many modern conveniences available to housewives can do away with old-fashioned washday drudgery. Miss Darden, specialist in home management with the A. & M. College Extension Service, says that laundry equipment and arrangement should be built around four convenient work centers.

First, the preparation center for washing, stain removal and soaking should be located near the laundry entrance and next to the washing machine. Starching might be done in this center, too, Miss Darden adds. The work surface should be adequately lighted; there should be a hot plate for starch making, and storage for supplies, such as starch, soap, softeners if needed, and clothes for removing stains.

The washing center, mentioned by the specialist, is for washing and rinsing. If an automatic washer is used no tubs will be needed, but for other types of electric washers, the tubs should be set so that the washer need not be moved during washing.

Miss Darden says that the dryer center should be located in accordance with the type of dryer used. If an electric clothes dryer is used, it should be placed near the washing center. If clothes are dried on lines in the yard, a laundry cart would be handy for transporting the wet clothes to the lines. The lines should be near the laundry.

The last but certainly not the least important center listed by Darden is that for ironing, which emphasizes adequate lighting

Sandman's Delight

Here's what the cozy miss will be wearing for lounging and sleeping this spring and summer. It's a mandarin type, two piece cotton set made from a Fruit of the Loom Fashion Print. The tyrolean pattern and gay Alpine figures in red and black give a cool and crisp effect on a white background. Oh, yes, the pajama is modeled for this pre-view by Doris Larson, attractive Chicago television actress.

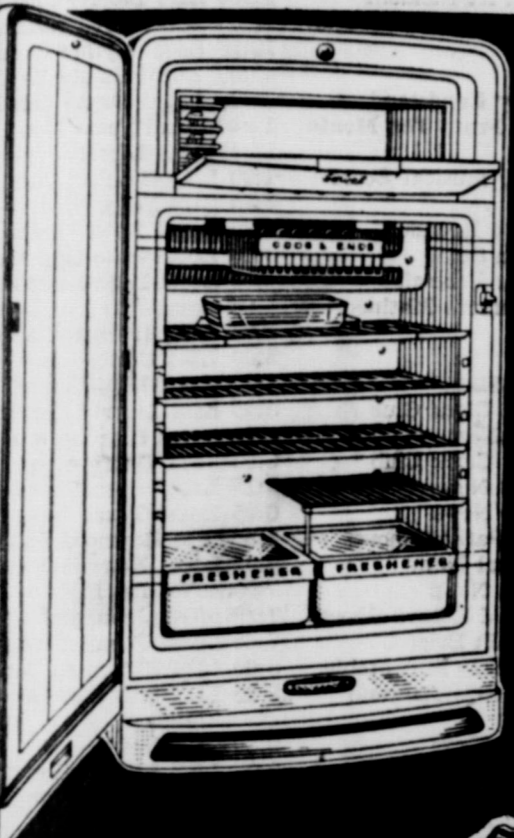

with plenty of space. The equipment should include an ironer, a chair or a portable or built-in ironing board and iron. Some laundries might have both sets of equipment. Racks for ironed clothes should be included in this center. A portable table can be used to advantage when folding and sorting ironed clothes.

If the laundry is located near the kitchen, the specialist explains that many steps will be saved as well as economy in plumbing and wiring. Miss Dar-

den suggests also that a laundry located near the kitchen can be used as a food preservation center or a sewing center when needed.

Wool blankets should be regarded as prized possessions and treated with care because the demand for wool is very high and this year's production is expected to be one of the lowest on record.

There are about 250 religious denominations in the continental United States.

NEW! NEW!
THE MARVELOUS MOTORLESS SERVEL

Like magic... bigger inside - smaller outside!

World's longest refrigerator guarantee - 10 years!

Only one refrigerator makes ice and cold with no noise, no vibration, no hum of stopping and starting. That's the famous Servel. Servel—and Servel alone—stays silent, lasts longer because it hasn't a single moving part in its freezing system. There's no motor, no machinery.

New full-width freezer! Holds frozen meats, fruits, juices, ice cream. Plenty of ice cubes in Quick-Release Trays. All this—plus Servel's silent, long-lasting freezing system.

New sliding fresheners! Huge Dew-Action Fresheners hold fruits and vegetables garden-fresh. And only Servel has no moving parts in its freezing system. Gives a ten-year guarantee.

New roomier Food Compartment! Extra useful space in less floor area! And even a special "Odds and Ends" Tray to keep the interior clutter-free. New convenience—and no noise, no wear.

PRICES AS LOW AS \$199⁵⁰

COMPARE BOTH TYPES... YOU'LL CHOOSE

SOCIETY

Walsers Hostess
Sewing Club

Mrs. Henry Walsers entertained the Sewing Club at her home. The business discussion was directed by Mrs. Walsers, president. Mrs. E. Bowen, club secretary, read the roll and read the minutes of the previous meeting. A business meeting was also extended to a member, Mrs. R. L. Roberts. The meeting of a quilt for Boys Club finished entertainment for afternoon.

The social hour and refreshment service were: Mesdames E. Bowen, Jim Clark, Myrtle Frank Noah, J. W. Hooker, L. Robert, Claude Crouch and Mrs. H. H. Walsers. Next meeting of the club will be with Mrs. George Warren.

Mrs. Huff Hostess To Home Culture Club

The Home Culture Club met Wednesday, March 29, in the home of Mrs. Sally Huff, with Blanch Parker as hostess, for a business discussion.

Refreshments of cake and coffee was served to: Emma Rogers, Valaise Wilhelm, Lily Frye, Edyth Donaldson, Billie Peterman, Icaal Reed, Sally Huff, Juanita Reedy and two visitors, Nann Alexander and Mrs. Doyle Rogers.

Mr. and Mrs. Rufus Watts and Mr. and Mrs. Jack Jolly returned home Tuesday night of last week from Houston where they had been visiting with their daughter and son, respectively. Mr. and Mrs. Wayne Jolly.

NEWS FROM— County Agent's Office

By R. D. Siegmund and Robert Ledbetter

While driving over Wheeler County, you will see many lakes that cover from only a small area to several acres in size. Most of these lakes serve two purposes. One to furnish water for livestock, another for flood control, and one for recreation which means mostly fishing. Now farmers can grow fish by the acre just as they grow beef by the acre of grassland.

From 300 to 400 pounds of fish to the acre have been annually produced in well managed fish ponds, and many of the farm and ranch ponds in Wheeler County, which are maintained primarily for stock water, are suitable for growing fish.

An acre of water has a "carrying capacity", just as an acre of grazing land does. The amount of

Spring Apple Salads are Appetizing

Fragrant, spicy red Delicious apples team with green peppers for color and delicious flavor contrast.

A refreshing salad that sings of spring and looks like a decorative water lily is made of glossy green peppers and crisp, flavorful red Delicious apples. Cut the peppers petal fashion and remove seeds. Dice unpeeled apples, combine with grapefruit segments, toss lightly with mayonnaise and heap into pepper cups. Or, try this recipe for apples with red or white cabbage, topped with a sweet and sour dressing for extra special good eating.

The secret of success with these recipes is to select tender, flavorful apples and, thanks to an abundant harvest, prices are reasonable on choice quality fruit. When you're shopping, look for the juicy red Washington State Delicious apples which are especially choice for salads. Another good buy in local markets is the red Winesap all-purpose apple, which has a distinctive spicy flavor that's perfect for pies, cakes and puddings as well as for eating as is. The regular Winesap is preferred for cooked dishes and the smaller, economy "schoolboy" sizes are ideal for lunchboxes and after school munching.

SWEET AND SOUR APPLE-CABBAGE SALAD

3 to 4 red Delicious apples
1/2 cup seedless raisins
1/2 cup shredded cabbage
1/2 cup evaporated milk

1 tbsp. sugar
1/2 tsp. salt
Pepper
3 tbsps. vinegar

Dice unpeeled apples. Soak raisins in hot water for a few minutes. Rinse in cold water and drain. Add to diced apples and shredded cabbage. Combine milk, sugar, vinegar, salt and pepper and mix well. Pour over salad. Serves 6.

food produced in the water will depend upon the fertility of the land over which the water flows. Fertile land means a fertile pond of water.

Here are our recommendations for fertilizing fish ponds. As first choice, we suggest using a mixture of 400 pounds of cottonseed or soybean meal and 200 pounds of 20 percent superphosphate to the surface acre of water for one year. Broadcast half of this amount over the pond early in the spring, and apply the rest in 100 pound applications at four to six week intervals.

Our second choice is 500 to 600 pounds of any high grade fertilizer such as 4-12-14 or 5-10-5. Apply half of this early in the spring and follow with 100 pound applications at three or four week intervals until the amount for the year is used up.

Horse and cow manure also may be used as fish pond fertilizer. Put on 500 pounds to the acre at monthly intervals, using two to three tons per year.

Weather damaged alfalfa hay also makes a good fish pond fertilizer when applied at the rate of 500 pounds of hay to the acre at monthly intervals.

The fertilizer program should be completed before extremely hot weather arrives. A heavy application of fertilizer late in the season may cause the fish to suffocate by bringing about a rapid decay of submerged vegetation which uses up the free oxygen supply in the water.

This fertilizer program will improve fishing very much and the fish caught will be a lot larger.

Every time that you go by the post office nowadays, you hear the sound of baby chicks. Now that is a good sound and they will keep

Miss Simmons Will Be Honored On April 12

Denton, Texas, April 5—For having maintained a high scholastic average this year at Texas State College for Women, Miss Ruby Simmons, daughter of Mrs. C. L. Killingsworth of Wheeler, will be among the students honored at a special "Honors Day" assembly program April 12.

Miss Simmons is a senior home economics education major at TSCW.

SENIOR NEWS
 We seniors got quite a treat Thursday. We went to Shamrock for our first radio broadcast. Why is it that the senior girls are getting aggravated at Bobby? Could it be that he knocks you over everytime he gets close to you?

Ouida seems to be pretty happy these days. Seems she has had a lot of fun about that Bill? Patsy, all soldier boys aren't they?
 Joe, how do you like your old flames to come to Mobetie? Wonder where Ouida's senior ring is?
 Ann Nell, do you really think Neil is handsome?
 Edwin, why don't you tell us your girl friend's name from Wheeler?
 Don't feel too blue, Madge, maybe you will see him soon.
 Evelyn, don't feel too bad about Bob not keeping his dates.

JUNIOR NEWS
 The juniors have finally got the material for their banquet ordered. We plan on having it April 28. We are all looking forward to going to Shamrock next Thursday for Mobetie's regular school activity program.
 Joe, it looks like you will be toastmaster even if you don't want to.
 Patricia, did you enjoy going to Amarillo Thursday?
 Jimmy, we hope the game warden isn't listening when you make your confession over the radio.
 Ines, why don't you ever come to school?
 We hear Ines and Mearlene had a lot of fun skating Tuesday night.
 Nep, aren't you glad that Mr. Walton lost his ag-paper? Did you have a theme to write?
 Wonder why Mr. Dunaway doesn't want to go skating with the juniors?
 Barbara, what did Walter tell you Saturday?
 Wonder if Bill L. got his car painted?

SOPHOMORE NEWS
 Martha, who is your Wheeler boy friend?
 Lavada and Vondell, don't give up maybe you can learn to skate some day.
 It seems funny to us that Aline and Dan were both absent Friday.
 We wish Easter came more often; most all the sophomores went to church Sunday.
 It seems as though Carl is running around a lot lately.

Lavada, tough luck about that salt shaker.
 Waylan, you sure are getting popular these days, even getting your name over the radio.
 Vondell, did you really enjoy staying at home Sunday?

officially arrived and signals the beginning of the gardening season. It is still time to get the garden going. It will be a source of good exercise; help the family with the fresh produce and will help stretch the food budget.

During a six-year period, 1941-1947, an average calf crop of 98 percent was obtained from 62 cows that were grazed on a 640-acre phosphated pasture on the King Ranch, while 42 cows on a similar sized unfertilized pasture produced only a 69 percent calf crop.

Even a small spring garden will help provide the family with better balanced diets; will benefit health and morale and will help stretch the family food budget. Start one today.

 Junior Reporters Carmoleta Brown and Bob Weatherly
 Sophomore Reporter Loretta Crowder
 Freshman Reporter Glenda Porter
 Eighth Grade Reporters Ada Pierce and Burley Owens

Just a bit of school news. This week started off just fine for everyone in school, we didn't have to go to all our classes Monday because of Special Assembly. The Briscoe Band gave us a very fine program, which everyone enjoyed immensely. There was also, given skits of Kelton's senior play. Then the Basketball Jackets were presented. Everyone thinks the jackets are very pretty and the Basketball girls are very proud of them. No one will be surprised if we see them wearing those jackets with sandals and sun-dresses, for they are certainly determined to wear them. (That's all right kids, we think they are pretty snazzy ourselves.)

Everyone seems to wish they had studied more, it seems that six-weeks tests are here, which will be Wednesday and Thursday. We have heard they will be rougher than usual, it seems the teachers like to make it harder near the end of school, it makes it pretty bad too because you just can't seem to keep that old Spring Fever from catching up with you about this time of year.

EIGHTH GRADE NEWS

The eighth grade had their class party last Thursday night. We went to the show. Everyone reported a good time.

Everyone seems to be dreading six-weeks test. Hope everyone passes.

FRESHMAN NEWS

GOSSIP

The basketball girls got their jackets Monday and are really proud of them.

Some of you kids in general math had better get their lessons.

Pud, were you sore Monday from riding horses and working calves?

SOUTHERN BELLE!

Like the true Southern belle she is, 1951 Maid of Cotton Jeannine Holland of Houston, Texas, picks as one of her cotton fashion favorites a hoop-skirted date dress designed by Margaret Newman. Contrasting with the old-fashioned hoop skirt is a strapless bodice, which is topped with a tiny bolero. The dress in navy cotton Luster-beer has an underskirt of red and dotted swiss.

La Veta and Tootie have some new shirts. Wonder why everyone is wearing sun glasses?

CHATTER

Betty Lou, what is this about a sailor?

Shirley, don't you know anything to say but, "Laugh I Thought I Die"?

Monday night the sophomore class had a party at the home of Mr. and Mrs. John Barr six miles west and south of Wheeler.

Ray, what do you mean riding around at noon with married women?

La June, what was all that about you, without your spoon?

Molly, can you spell rope correctly?

The sophomore history class had two visitors from Mobeetle.

John Dan's favorite colors are green and yellow.

Everyone was sleepy for a week after the trip to Amarillo.

JUNIOR NEWS

With play practice every day (or night) the juniors are pretty busy, huh kids?

We are having our tickets printed soon and will be selling them.

We made \$30 on our food sale, and we wish to thank Clay Food for letting us have it there. We also want to thank those who bought cakes.

Margaret, why did you change your mind? Was she the largest?

Dixie, can't you keep Bobby awake in church?

Bonita, your new red shoes are so loud, you can hear them a mile off.

Dixie, Margaret and Wynola got new jackets, we are proud of them.

Wynola, you seem willing to practice nights now, cause Lindon's gone?

SENIOR NEWS

The seniors have come to realize that bad times are here again, in two different ways. But we take the first, and tests are here now! We have come to the conclusion that if we can hang on for this test, we just have one more to go. There is an old saying that will apply to us very well, "When you reach the end of your rope tie a knot and hang on." Well the seniors are hanging on for dear life, because we have such a short ways to go now.

Our other problem is finances! We have heard that money can't buy happiness, but not so to us, for our happiness depends on that senior trip and that will take money, and lots of it.

New Mercurys

We have a good stock of new Mercurys on hand at the present and can give you a choice of color, body style, and transmission, conventional, over-drive or merc-o-matic.

We are offering the very best deal you can find anywhere and invite you to come by and see us before you trade for any new car, regardless of price.

We have a good stock of used cars which have been traded in on new Mercurys. Our used cars are all put up in tip-top shape before we let them go. You can't go wrong on one of them.

We also offer automobile financing at very reasonable terms.

"Experience... 46,000 Years of it!"

It takes experience — lots of it — to become an expert in your line. In the United Gas organization are 5,500 employees, with combined service records totaling 46,000 years, working to make natural gas service available to the homes, stores and industries of the Gulf South. Such experienced personnel as these... men and women with the know-how and the desire to do their jobs well... make it possible for our company to assure continued, dependable supplies of natural gas to its customers and to extend that service to thousands of new customers every year.

Summer Water Rates Available Now

Each year the Water Department of the City of Wheeler offers special rates to customers as an incentive to the residents of the city to do more watering and have better lawns and gardens and more and prettier flowers. These special rates are available now.

SUMMER WATER RATES

First 7,000 Gallons per month, minimum ... \$3.00
 Each 1,000 Gallons thereafter 20¢

REGULAR WATER RATES

First 3,000 Gallons per month, minimum ... \$2.00
 Next 2,000 Gallons at, per 1,000 40¢
 Each 1,000 Gallons thereafter 25¢

These special summer rates are available only in the city limits of the City of Wheeler proper.

Summer rates are available to people who live in the City proper the year round if they use enough water and desire to take advantage of them.

If you think you will be using more water during the next few months and desire to take advantage of these special Summer Rates, you may contact either City Water Superintendent Jim Risner or City Secretary Reba Wolford and notify them of your desire.

THE CITY OF WHEELER

Mobeetie Meditations

(Continued from Page 1)
Canadian for some time and also at the Shattuck Clinic for observation.

The Methodist Church will hold its fourth quarterly conference Sunday, April 8 at 7:30 o'clock p.m. The Rev. W. E. Hamilton, Dist. Supt., will be in charge. Rev. Willard asks that those who have reports to give, please have them ready. Officers for the church will be elected at this time also. Every one is urged to attend.

We would again like to make mention of the Blue Bonnet Study Club library which is located here in "The Mart". This library is for the public use and the money derived from the loan of the books will go toward the purchase of new books for the library.

Mr. and Mrs. John Dunn, together with Mrs. Dunn's aunt, Mrs. Claude Byrd of Pampa, have gone to Raymondville to spend sometime in the C. M. Elliot home and visit Mrs. Dunn's mother, Mrs. Maude Sitton and friends.

Mr. and Mrs. Doyle Grimes are spending some time with his father, Jim Grimes of Sunset. Another son, Cell Grimes, who is in the armed forces, will join them there.

Mr. R. A. Davenport and boys visited at the John Dunn Ranch Sunday. Geo. B. (Daddy) Dunn accompanied them home.

Mr. and Mrs. Raymond Batson of Mederia, Calif. are visitors in the Aubrey Ruff home. Mrs. Batson is a niece of Mrs. Ruff.

Mr. and Mrs. Jim Hathaway and Dwight spent the weekend in Shattuck, Okla. with Mrs. Hathaway's sister and husband, Mr. and Mrs. J. W. Dart.

Bill Alexander of the U.S. Navy, stationed at Memphis, Tenn. enjoyed a short furlough in the home of his parents, Mr. and Mrs. A. D. Alexander, and visited with kindred and friends.

Mr. and Mrs. K. C. Corse drove to Orange, Texas recently to be with their son, Douglas, for a few days. Doug is in the Air Corps.

Mr. and Mrs. Aubrey Ruff visited Sunday in Pampa with her mother, Mrs. May Merrell.

The Tom Hathaway family spent Sunday visiting in the home of Mr. and Mrs. Jess Roberts of McLean.

Vernie Nixon who left recently to join our armed forces is stationed at Camp Gordon, Augusta, Ga. Vernie is the son of Mr. and Mrs. Charlie Nixon.

Let's remember to vote in the school election Saturday, April 7. It is our democratic privilege.

Guests in the W. C. Hogan home over the weekend were Sgt. and Mrs. Miller of Montgomery, Ala. and Mr. and Mrs. Edwin Hogan and daughter of Wichita

Falls.

Pierce Walker is quiet ill in the Worley Hospital, Pampa. We wish for him a speedy recovery.

Mrs. Dora Hogan has moved back to her home here and at the present time is seriously ill. We hope she will soon be up and about.

Kenneth Walker from Borger was a patient in the Wheeler hospital last week, he now is recuperating in the home of Mr. and Mrs. S. W. Williams. Mrs. Walker is here with her husband.

Word has been received of the birth of a daughter to Mr. and Mrs. J. W. Waits of New Braunfels. Mrs. Waits will be remembered here as Mary Belle Heare. The baby girl has been named Susan Olivia.

Mrs. Belle Carson of Canadian has been spending some time in the home of her daughter and husband, Mr. and Mrs. Grady W. Harris.

Ike Heare, a long time resident of this community is back home for the time being. Ike has been staying in Pampa for some time and it seems good to see him around town again.

Mr. and Mrs. Guy Ward spent Sunday with her mother and father, Mr. and Mrs. W. F. Jenkins of Sayre, Okla.

On the first Wednesday night of each month the Methodists will have "Family Night" everyone is invited. Bring your family and a covered dish and join in the dinner and the old fashioned "sing-song" afterwards.

James Hogan, who is in the engineering corp stationed at Camp Carson, Colo., spent a week here with his parents, Mr. and Mrs. W. C. Hogan, and visited friends.

J. B. Corcoran of Camp Benning, Ga. is home on furlough.

Mr. and Mrs. Aubrey Jeffus of South Gate, Calif. were Sunday dinner guests in the home of Mrs. Artie Jeffus.

Ferrell Baird, son of Mr. and Mrs. Douglas Baird, who underwent surgery last week at a Pampa Hospital is so far recovered as to be able to be home at the present writing.

Mr. and Mrs. Roy Lee spent a few days last week with Mr. and Mrs. Dale Brown at Levelland. He and Mrs. Brown are brother and sister.

L. D. McCauley and his daughter, Pat, visited Sunday and Monday with his brother and family, the Harry McCauleys of Hereford.

Mr. and Mrs. Marion J. Williams have been recent visitors in the Roy Lee home.

Miss Willie Mae Wright, a telephone operator in Pampa, is visiting here with her folks, Mr. and Mrs. Dick Wright.

MUSTANG BAND NEWS

See Sharp or Be Flat
Mustang Band Council
Billy Owen Vondell Hodges
Janice Jaco Helen Johnson
Student Director-Manager -- John Dan Bowman
Music Librarian ----- Martha Lou Chapman
Reporter ----- LaJaune Mann

We want to take this opportunity to extend to all of you that when you are at school or can stop by please do so and come in and see our band room that we now have given it the face-lifting. You know, I would say that there hasn't been over a dozen people either parents of students or parents, visited our band hall. We are located in the Cafeteria building in the east corner of the north side, so please come by at your first opportunity and visit us, there are a lot of you we would like to meet.

Monday afternoon we had a pleasing surprise with the Briscoe Band coming over and presenting their spring concert for us in the gym. They will present it at Briscoe Schools the night of the 6th of April for their schools and territory. Now to those of you who like good music you might set aside this Friday and go over to Briscoe to their concert. Thanks again to Mr. Barnett for the opportunity to hear his fine group perform.

Robert's saxophone has finally come in. Kay's drum played out last Thursday. We're hoping she gets it back before we go visiting in the surrounding schools. Betty Lou, you really get down and play now days, don't you. Wanda what's the hurry when playing the "Thunder"? We have been practicing and planning for our Spring Concert. Garth, you are still too high. Alvin, you really put the swing into playing lately. Janice, how is Little Hood Reeding Ride?

How old were you in the twenties? See costumes at basketball game soon. 17-1tc.

Mr. and Mrs. W. O. Weatherly and Bob and Mr. and Mrs. Roy Ford and Dwight, visited Mrs. Weatherly's brother, J. D. House and family near Turkey Sunday.

Wheeler hisperings

(Continued from Page One)
better marks in their work.

We had a nice .65 inch of rain in Wheeler Wednesday night which will cause grass and weeds to start growing immediately and will start local gardeners to digging in the soil and planting their seeds. We suggest that you try to get an early start on the weeds and keep them down this summer. We believe it will be much easier to get the weeds while they are young and tender than it will later on. We're going to try hard to stay up with our weed crop this year.

The Charlie Mitchell's inform us through Miss Lucille Hutchison that they have finally picked out a name for their new girl and it is Judy Kay.

What about the Wheeler baseball team this year? There has been some talk concerning the organization of a team and further development of the Wheeler American Legion Baseball diamond which is located just west of the legion building.

Some of the baseball enthusiasts have set Monday night, April 9, as a date for the meeting to see about organizing the Wheeler team. The meeting is to be held at the legion building beginning about 8:00 o'clock and all who are interested in the team or in playing on the team are invited to attend the meeting.

We received the following letter from Sailor Raymond Sanders this week:

San Diego, Calif.
March 31, 1951

I received my first copy of The Wheeler Times today. I enjoyed reading it very much. We don't have many ties with our families and friends while serving in the Armed Forces. I appreciate the paper very much and I am sure the other fellows that are getting it appreciate it too.

Most of us had rather be doing something else, but this is a job we have to do so we are trying to do it. It is wonderful to know that even though we had to leave our homes and loved ones, we still have the Lord to turn to for help and encouragement. We need your

An attractive homemaker takes time out to relax and enjoy the fruits of her labor after a session of spring cleaning. In giving her home a spring tonic treatment she recovered this big easy chair, using red and white striped material she had saved from cotton feed bags. To make white slipcovers for the chair and ottoman, she used nine 100-pound cotton feed bags.

prayers very much. Remember us when you kneel before the Throne of God in prayer, won't you?
Sincerely yours,
Raymond Sanders

NOW MODERN RESEARCH DRUG HELPS YOU BEAT LOCAL PAIN

***Arthritis · Rheumatism
Neuritis · Bursitis · Lumbago**

AT THE POINT OF PAIN!

NEW Surin

WITH METHACHOLINE CHLORIDE Means Fast, Double-Action Relief

NO INTERNAL DOSING

At last—a wonderful new way to get fast relief from local muscle and joint pains, as well as those of simple colds and fatigue! Now you can get blessed relief with amazing new SURIN—the result of months of thorough scientific investigation. Best of all, you get this relief by applying SURIN at the point of pain. This means no pills, powders or liquids to take!

Try a 1-minute gentle SURIN "rub" and you'll be convinced. Just smooth it on lightly and you feel local pain. In a matter of minutes you can expect a marvelous sensation of warmth and relief to develop and last for hours. You can use SURIN without fear.

SURIN FIGHTS PAIN 2 WAYS
It contains a powerful modern research drug, *Methacholine chloride*, known to doctors as a vaso-dilator. Applied at the point of pain (1) this remarkable substance dilates surface blood vessels, and (2) allows fast penetration of SURIN's selected analgesic and relaxing ingredients. The result? Fast relief at the point of pain!

THE SECRET OF SURIN
SURIN is based on a new application of principle whereby the use of Methacholine chloride allows a marked degree of absorption of analgesic drug through the skin... to get fast relief at the point of pain... you need it most!

SURIN is pleasant to use. Smooth, white, greaseless, stainless. Harmless on all fabrics.
* SURIN is not a cure for these diseases. It is intended for the relief of local pain.

No pills, powders or liquids to take! Apply SURIN at the point of pain!

DON'T RISK A CENT!
Get SURIN today. You must agree that it's a wonderful... relief at the point of pain, or money back... your druggist—no questions asked.

GET DOUBLE-ACTION PAIN RELIEF—GET SURIN!
