

NEW COUNTY OFFICIALS ARE SWORN IN MON.

Wheeler County's official family now has six new members as newly elected officers were sworn in Monday by County Judge George Hefley.

New members of the county's official family include Commissioners W. L. (Shorty) Erwin, precinct 1, Sam McMurtry, precinct 3, and Loran L. See, precinct 4; Bus Dorman, sheriff; Thurman Rives, tax assessor-collector; and Harold D. Callan, district clerk.

Dorman announced that his deputies would be Charlie Mixon, Sr. of Mobeetie and Lake L. Black of Shamrock.

Rives retained the same personnel in the assessor-collector office. Those employed in the office being Hester Dodson, Roberta Leonard and Jay Hastings.

Walter Rogers of Pampa the congressman-elect from this district was sworn in at high noon Eastern Standard Time Wednesday and is now a member of the House of Representatives in the 82nd Congress. He succeeds Rep. Ben Guill who was elected to serve out the unexpired term of Judge Eugene Worley.

Retiring Wheeler County officers are: Commissioners Loyd Anglin, precinct 1, C. W. Wells, precinct 3, and H. S. Sims, precinct 4; Sheriff Jess Swink; Tax Assessor-Collector Thomas Daughtry; and District Clerk Christopher S. McClain.

Claude Cox was employed as Courthouse Custodian at a brief meeting of the new commissioner's court following the swearing-in proceedings Monday. Cox replaces Booker Toon who has served for several years.

Other members of the Wheeler County officials who were returned to their positions include: Commissioner W. E. Mason, precinct 2; Judge George Hefley, County Clerk Harry Wofford; County Superintendent Jesse J. Dyer; County Surveyor A. C. Wood; County Attorney Homer Moss; and County Treasurer Palmer Sivage. A. C. Wood is also Justice of the Peace for this portion of the county.

Grainger McIlhany was returned to his post as state representative from the 122 legislative district and is scheduled to leave Sunday for Austin to be on hand for the opening session of the state legislature.

NEWS FROM—

County Agent's Office

By Ralph Wheat and Robert Ledbetter

PHOSPHORUS APPLIED TO CLOSELY GRAZED GRASS

The past two years has brought on a surge of grass agriculture. Grass reseeding has become very popular as well as profitable.

Grass that is grazed too short makes slow recovery; this is caused by a lack of plant food in the soil. Experiments show that phosphorus added to the soil where grass has been grazed off too close caused a much faster than normal recovery of the grass. This would especially apply to newly reseeded plots that have been grazed too heavily the first year or two.

PHOSPHORUS DEFICIENCY IN CATTLE

Phosphorus is likely to be deficient in native pastures following a year such as the past one. Grass that makes large seasonal growth then cures out very dry like this year is very likely to be low in phosphorus. Bone meal added to the cattle ration should supplement this.

USE OF LEGUMES

Over the county one can hear results on the use of legumes. Some use legumes as pasture, hay or seed crop. Some have used legumes for over thirty years. Those who talk about legumes have followed legumes with other crops that produce more per acre than other acreage which never followed a legume. It is good to hear these reports. Maybe you have heard these same results. With the use of legumes in our rotation we can be telling of these same results.

4-H, FFA Beef Calf Show To Be Held Here January 20

The Wheeler County Baby Beef Calf show will be held at the Wheeler Community Building, Saturday, January 20 according to announcement made this week by County Agent Ralph Wheat and Assistant County Agent Robert Ledbetter.

Around 24 entries are expected by the county agents. Entries will include both 4-H Club and F.F.A. calves.

The show this year is under the joint sponsorship of the Wheeler Chamber of Commerce and the Wheeler Kiwanis club which are furnishing \$150.00 in prize money. The Wheeler County Produce Association is giving an additional \$50.00 in prize money which is to be split between the winners of the grand and reserve champion awards.

Wheat states that the services of Ted Alexander, a registered Hereford breeder from Hemphill County, have been secured to judge the show.

Ledbetter and Wheat point out the fact that entries are to be in place by 10:30 o'clock Saturday morning, January 20, and the judging will begin at 1:30 p.m.

Following the county show, Wheeler County calves will be shown at the Fort Worth Fat Stock Show as well as the Pampa and Amarillo shows.

SELF-EMPLOYED TO PAY SOCIAL SECURITY NOW

Self-employed persons come under the Social Security Act beginning January 1, 1951; however, in most cases the first report will be made at the regular tax paying time in March 1952, according to John R. Sanderson, manager of the Amarillo office of the Social Security Administration.

Among the self-employed persons are operators of stores, filling stations, theaters, taxi cabs, advertising agencies, brokers, and certain others who classify themselves as independent contractors. The law specifically exempts farm owners, physicians, lawyers, dentists, architects, funeral directors, engineers, accountants, and a few other professions.

An individual must have self-employment income of \$400.00 or more in a year to become subject to the law. Only the first \$3600 income in a year is subject to the tax. The tax rate is 2 1/4% from January 1, 1951 through December 1953.

Partners in a business are considered as self-employed. A professional person may have self-employment income from sole ownership or a partnership outside his profession. Both wages and self-employment income may be credited up to \$3600 per year. Benefits are computed from the average wage or average net self-employment income, or a combination of the two.

A free pamphlet explaining self-employment income and other provisions of the amended Social Security Act may be obtained from the Amarillo Social Security Office.

Mobeetie Meditations

By Mrs. H. L. Flanagan

Another year is just beginning and we cannot help wondering just what it has in store for us. That the year ahead will be hard in many ways, no one can doubt in the light of international developments.

In the next to the last chapter of the book of Deuteronomy we read that God said to one of the tribes, "Thy shoes shall be iron and brass." In other words, your road will be so rough and the journey so filled with hardships that you will need iron shoes. If ever there was a time when the journey ahead for America, seemed rough and rugged enough to warrant "Shoes of iron and brass," it is now. And the comforting promise that followed, "As thy days, so shall thy strength be—The eternal God is thy refuge and strength, and underneath are the everlasting arms" are for America today, even as the people of that time. To each of us, individuals and nations alike, somewhere along the way there is handed a pair of iron shoes. Would that we could remember that with them go the promises.

Mr. and Mrs. Jack Miller had as their guests for dinner on New Year's Day their daughter and family, the Art Carmichaels, a niece and family, the Pyron Martins, a sister, Mrs. Milt Wilson and son of Mobeetie and Briscoe and Mr. and Mrs. E. W. Miller and son, Cal Miller and family of Abilene, Mr. and Mrs. Alvin Martin of Amarillo and Mrs. Ida Mae Goad and children of Wheeler.

Miss Ruth Elizabeth Nowlin, daughter of Mr. and Mrs. Lee Nowlin of Plainview, and one time high school superintendent and teacher in the grades, respectively, in Mobeetie schools, recently passed the state bar examination and took the oath of attorney in the Chambers of the Supreme Court at Austin. She is a graduate of Plainview High School and received her B. A. in June 1949 and her L. L. B. in August 1950, from Texas University. She is at present at home with her parents and says that her plans for the future are indefinite.

The new landscaping at the Warren Witt and Henry Johnson homes by Bruce's Nursery, Albrecht, last week adds much to the appearance of the new homes.

Rev. L. E. White of Wildorado has accepted the pastorate of the First Baptist Church here and he and his family moved into the Baptist parsonage the first part of the week. A cordial welcome is extended to the Whites from the entire community.

Mr. and Mrs. Floyd Hunter of Pampa are the parents of a new daughter, born to them at Highland General Hospital last Sunday. She has been named Regina Jolene and weighed 7-lbs., 11 1/2 ozs. The Hunters recently moved to Pampa from this community.

Mrs. J. H. Ridgway is seriously ill at Northwest Texas Hospital in Amarillo. She underwent surgery last Friday and her condition has been critical, but we are glad to report that the latest word from her was that she is somewhat improved.

A covered dish dinner was sponsored by the American Legion and Auxiliary last Friday evening at the Legion hut, honoring the local boys soon to be leaving for service in the armed forces.

Donald Ray Waters and Hayward Romines are new volunteers who will join the ranks of those leaving within a few days for training camps.

SCHOOL MEN ARE ATTENDING MEET IN AUSTIN

Several representatives of Wheeler County and other Panhandle schools left Wednesday for Austin where they will attend a series of school administrative meetings in the capital. The meetings began Wednesday with one for administrators of schools that have oil properties.

Jesse J. Dyer, county superintendent of schools, stated, Wednesday, that he will attend the meeting Thursday, Friday and Saturday.

Others going from Wheeler County include Supt. and Mrs. W. O. Carrick and Mrs. Dyer of Wheeler and Supt Elmer J. Moore of the Shamrock public schools.

The purposes of this four-day meeting, sponsored by the Texas Education Agency, are to enumerate and define some of the major problems confronting public schools of Texas, to discuss the questions and aspects concerning the solutions of those problems and recommend specific actions for the solution of those problems.

The problems to be discussed include a transportation system for Texas schools; a system of records, receipts and audits; small high schools; teacher certification; teacher education; curriculum development services; state plans for vocational education and a foundation program for special services. Morning sessions Thursday, Friday and Saturday, will be devoted to general meetings with the afternoons for group meetings.

COTTON LOANS SET AT 90 PER CENT OF PARITY

At the maximum of the permissive range in order to encourage farmers to boost production to at least 16 million bales, B. F. Vance chairman of the State PMA Committee declares.

For the same reason, farmers were told early in October that marketing quotas and acreage allotments would not be in effect for the 1951 cotton crop.

Both domestic and foreign demand are high. Mr. Vance reminds growers, and at least 16 million bales should be produced next year to meet these demands. The 1950 production was only 9.9 million bales.

Mr. Vance said that supports on next year's crop are mandatory at 75 to 90 percent of parity, when no allotments and quotas are in effect, and Secretary Brannan has put the support for 1951 at 90 percent of parity as of August 1, 1951.

"With major cotton policies decisions made and announced, farmers are in better position to make advance plans for next year's crop," the chairman stated.

"The fact that no marketing quotas or acreage allotments will be in effect for cotton, and this early announcement of 90 percent price support loans, should help insure the needed production."

No One Seriously Hurt In Auto Mishaps Here

There were a number of minor traffic accidents in the vicinity of Wheeler during the past few days while the pavement was iced-over or partially iced-over but, according to reports, no one was seriously injured in any of the mishaps.

C. B. Kirk of Kirk-Mason Funeral Home answered a call 4 miles west of Wheeler Monday night and carried a lady to the hospital in Pampa. The automobile in which she was riding with other family members hit a slick spot on the pavement and overturned.

Wednesday morning about 1:00 o'clock an automobile driven by a Steen boy who is a local resident reportedly went out of control when he was trying to get back on the pavement and hit the side of a car which he was meeting doing great damage to the cars but fortunately not hurting anyone seriously. The hit car was from Denver, Colorado.

Mr. and Mrs. O. Nations and Mr. and Mrs. Frank Hyatt spent Christmas with Mrs. and Mrs. Alton Nations and daughters at Duncan, Okla.

Annual Basketball Tourney To Begin Thursday, Jan. 11

Wheeler Whispers

By J. C. Howell

Wheeler County's new sheriff, Bus Dorman, is having trouble right off the reel—the first thing after he moved over to Wheeler his son's little brown, bob-tailed picanese dog disappeared. The dog is a female and answers to the name of "Dolly" and the Dorman's would certainly appreciate it if anyone knowing her whereabouts would let them know because she is the family pet.

Since the Christmas holidays are over the basketball season can get underway in earnest and that is just what it did Tuesday night when the boys and girls teams from Wheeler and Mobeetie met on the local court and split a pair of hard fought contests. The Mobeetie girls nosed the Wheeler lassies out by a one-point margin after trailing throughout the contest by a score of 33 to 34 and the Wheeler boys came back to take their contest by a count of 34 to 24.

The boys play in Lefors tonight (Thursday) and the boys and girls meet the Allison teams in contests at the local gym Friday night beginning at 7:30 o'clock, then next Tuesday they take on Samnorwood at Samnorwood and the annual tournament is next weekend January 11, 12 and 13.

We thought that almost everyone paid up their subscriptions while we had the special rate on, but we find that there were several who didn't and they have been coming in steadily during the last two weeks which makes us feel good. The thing that really makes us feel good is that nearly all of them tell us that they intended to get in on the special but just didn't get around to it which indicates that they read our column too.

Those who have paid up during the past week include: S. W. Williams, Louis Martin, Floyd Pennington, Mrs. J. F. Carter, J. D. Johnson, S. B. Davis, C. C. Crowder, I. C. Thurmond, Robert Lane, Frank Hyatt, Mrs. Lloyd Crone, H. S. Bailey, J. M. Lawrence, J. E. Hodges, Cora Hyatt, George Berry, T. M. Britt, Walter W. Nichols, Mrs. J. B. Roper, M. W. Pierce, W. K. Winkley, M. M. Craig, Jr., Frank O. Mote, J. Cecil Lunsford and Foy Farmer.

Mrs. Howell asked us to thank the people of this area for the nice group of local news items which they sent in this week and tell you she hopes that you will get in the habit of reporting items when you have company or go anywhere. Those of you who live in and around Mobeetie may report your items to Mrs. H. L. Flanagan if you like.

Mrs. Daisy Holt Dies At Home In Uniontown

Word has been received here of the death of Mrs. Daisy Holt wife of the late L. E. Holt of Uniontown, Kansas who was a sister-in-law of D. E. Holt of this city. Mrs. Holt was found dead in her bed Wednesday morning.

D. E. Holt who will be accompanied by Robert Holt will attend the funeral which is to be held at Uniontown, Kansas Friday afternoon at 2:00 o'clock.

Guests of Mr. and Mrs. Louis Martin Christmas Day were Mr. and Mrs. Haskell Eason and family of Artesi, N. M., Mr. and Mrs. Ross Henson of Cogar, Okla., Mr. and Mrs. James Beesley and family of Wheeler, Berl Henson of Amarillo and Mrs. Gertie Barber.

Visitors in the home of Mr. and Mrs. George Berry over the Christmas holidays were his son, Capt. Henry Berry, who is attending school in Saint Louis, Calif. and Mrs. Helen Rittenhouse of Pampa who visited with her three daughters.

Twenty-three fine high school basketball teams will vie for honors in the Annual Invitational Basketball tournament which will begin here next Friday night, January 11 at 7:00 o'clock and last through Saturday night with play continuing throughout the day and evening Friday and Saturday.

All the teams entered with the exception of the Reydon boys and girls are from Texas and all are located only short distances from Wheeler.

Girls teams entered include Reydon, Lefors, Allison, Miami, Briscoe, Mobeetie, Wheeler, Canadian, Kelton, Shamrock, and Samnorwood. Boys teams include Miami, Briscoe, Allison, Reydon, Mobeetie, Shamrock, Wheeler, Lefors, Canadian, Kelton and Samnorwood.

Schedule for the first session of the tournament Thursday night includes: Lefors vs. Allison, girls, at 7:00 o'clock; Briscoe vs. Allison, boys, at 8:00 o'clock; Wheeler vs. Canadian, girls, at 9:00 o'clock; and Wheeler vs. Lefors, boys, at 10:00 o'clock.

One of the most beautiful selections of trophies ever offered for the winners of the Wheeler Tourney has been bought and are now on display at the Wheeler Times Office. There are trophies for the winners of first, second and consolation in both the boys and girls divisions. There are small individual trophies for each member of the boys and girls first all-tournament team, and miniature silver basketball awards for each member of the boys and girls second all-tournament team.

METHODISTS TO STUDY ORIGIN

The Wheeler Methodist Church will have its first meeting of the Sunday Evening Fellowship this Sunday evening at 6:45. Pastor Darris L. Egger announced this week.

The Sunday Evening Fellowship has a double purpose; first, gather to study a subject of interest and importance; second, to promote church fellowship. The subject of study for the first few weeks will be the Methodist Church, its doctrines and government.

The Fellowship will include all age groups; the children, youth, and adults. Mrs. J. M. Porter will have charge of the children, and will use the flannel Graph to teaching Methodism to the children. Mrs. Darris Egger will lead the young people. Mrs. Max Wiley will have charge of the first session of the adult group. The first session will deal with the origin of the Methodist Church. Everyone is invited to attend the Sunday Evening Fellowship thirty minutes before the evening worship, Sunday Evening Fellowship at 6:45 and evening worship at 7:15.

Mr. and Mrs. Barney Burgess and Don of Gageby and Mr. and Mrs. John L. Rankin of Pampa spent New Year's Day in the home of Mr. and Mrs. W. A. Rankin at Pampa.

- Lucille's ring.
- Dossie's and Smiley's watch.
- Maurine's hairdo.

THIS AND THAT

If the senior girls keep getting engagement rings, there won't be any girls left in the class. There are five that have rings. Bill and Bonnie went to Arkansas for the Christmas holidays. They said their shoes sure hurt their feet now that they have to wear them. Our semester tests are coming up soon. Wonder how many of the seniors will be exempt?

GOSSIP

We were sorry Jimmy Cowden is leaving us. He is moving to Amarillo. Molly, what did the recording say?

Louise seldom comes to school. Nadine, do you always go to Shamrock for the same reason? Betty Lou, whose F.F.A. pin were you sporting around? Buddy, why do they call you "Billy the Kid"?

He said he was so old he could remember when the big dipper was just a drinking cup.

By the schools re-opening Tuesday sure did make the weatherman mad but we are sure glad as all seemed to enjoy the snow. Everyone in band had a wonderful Christmas from all the reports and of course your reporter was included as I now have a new watch. We have composed a new swing group out of the band with music in the "Mustang Manner" by "Tootie" Chapman, Janet Russ, Alto Sax. Mary Black, Tenor Sax, John Dan Bowman, Bobby Moore, Trombones, Dale Wofford, Burley Owen, Cornets, Leveta Moore, Bass, and Patricia Hubbard on Piano, from out of this group we hope to add a little more color as well as harmony within

our music circle. We will have another new group to tell you of next week which will play only Latin American music, Si, Senor, and say by the way we have definite word now that the Andrews Sisters will be able to make our spring concert in April. Billy, why were you not at band the first day as you know for being absent, forgetting your instrument, music or otherwise that you can get demerits added to the little sheet the man with the stick has.

Since about 90 percent of all farms in Texas now have electricity, there is little excuse for farmers to do their chores in the dark.

PRODUCTIVE YEAR

The National Production Authority has
issued an order prohibiting hoarding of 55
critical materials, black-marketing in them
and profiteering incident to such illicit traf-
fic. The order was issued by an emergency
agency which is directed by William Henry
Harrison, a former corporation executive.
The 55 items include metals, chemicals,

lumber, pipe and paper that are essential to
both defense and civilian production, and the
ruling is designed to strengthen national sec-
urity and to afford a fair distribution of
limited supplies after provisions for defense
requirements. Both the national interest and
that of each citizen are involved in this con-
trol by government.

At the outset, the spirit of compliance
with the rules of a great emergency should
prevail among the people in support of na-
tional defense. Hoarding and black-mark-
eting both will bear the stigma of "me-first-
ism" rather than the badge of patriotism as
the emergency is prolonged. A free people
must maintain their self-respect by doing
their part.

Black-marketeers and hoarders must be
recognized as Judases who betrayed our
fighting men in Korea and democracy itself.
Punishment commensurate with the crimes
should be imposed on all offenders convicted
in court. All must hew to the line in a na-
tional crisis in which liberty and security are
at stake.—From Fort Worth Star-Telegram

HEWING TO THE LINE

Agricultural income is subject to most
of the economic hazards which affect all
businesses. But it also is peculiarly subject
to national hazards which are unpredictable
and for the most part uncontrollable. Two of
these special hazards, unfavorable weather
conditions and insect infestation, combined
to lower Texas income for field crops for the
first nine months of 1950 some 22 percent be-
low the level of the same period of last year.

But despite this twin blow, there is
ground for considerable satisfaction in a
crop income which exceeded \$1,200,000,000
for the period. It easily was sufficient to
make 1950 the fourth year in which Texas
farm crops, not counting livestock, poultry
and dairy products, have surpassed a billion
dollars in value.

The harvested acreage in Texas declined
17 percent, due mainly to the causes previ-
ously cited, and this decline naturally reflect-
ed in volume of production. The decrease in
Texas, moreover, was greater than the aver-
age for the entire nation.

That the state, under the circumstances,
could realize an income of well over a billion
dollars from crop production is due to two
things: The maintenance of a good price level
and the crop diversification which Texas en-
joys because of its size and regional varia-
tion in climate.

Texas can take satisfaction in the fact
that its agriculture industry, basic in itself
and vital to the state's growing industrial-
ization, has done so well. Those familiar with
the vagaries of Texas weather realize that
new records can not be set every year. What
they can only hope, in the face of the present
frowning weather gods, is that 1951 will see
an agricultural achievement equal to that
of 1950.—From Fort Worth Star-Telegram

RECIPE OF THE WEEK

By Mary Lee Taylor

Thrifty Peach Bavarian

Broadcast: October 14, 1950

1/2 cup Fat Milk
No. 2 1/2 can cling peach halves
1 1/2 cups peach juice
1 pkg. lemon gelatin

2 tablespoons lemon juice
1/2 teaspoon grated lemon rind
few grains salt

Chill milk until ice cold in a 2-qt. bowl. Drain peaches; save juice. Rub with vegetable oil a deep 8 or 9-in. round pan. Arrange 6 peach halves, cut side down, in pan. Chill. Heat peach juice to boiling. Stir in gelatin until dissolved. Remove from heat; stir in rest of ingredients. Chill until slightly thicker than unbeaten egg whites. Whip chilled milk with cold rotary beater until stiff. Beat in gelatin gradually. Pour over peaches. Chill until firm. Turn out; garnish with Maraschino cherries, if desired. Makes 6 servings.

*If there's not enough juice, add water.

You Will Need:
Pet Milk, Canned Cling Peach Halves, Lemon Gelatin and Lemons.

The tonsilectomy that LaRue had Tuesday morning at Harris Hospital Ft. Worth, proved to be just as un-complicated as she insisted it would be, before-hand, and a telephone call to us an hour or so afterward, relieved our anxiety. She expects her stay in the hospital to be only a couple of days, and with fellow-students dropping in for a brief chat every few minutes it is only a pleasant interval in her routine.

NEWS FROM County Agent's Office

(Continued from Page 1)
Using legumes helps build up the organic matter of the soil, and return needed fertility for other plants to use.

Each variety of legumes has different times of planting, and rate of seeding. All legumes should be planted in good stubble or with a nurse crop.

Alfalfa should be planted in early fall—seeding rate: 10 to 15 pounds per acre.

Clover should be planted in early spring—seeding rate: 10 to 12 pounds per acre.

Peas should be planted in late spring or early fall—seeding rate: varies according to variety used.

Vetch should be planted in late summer or fall—seeding rate: 10 to 15 pounds per acre with same amount of some cereal grain.

Fall plantings of legumes can be made in cash crop by removing discs which would hit rows of cotton or sorghums. Harvesting of cash crop will not bother the legume cover crop.

Spring planting can be made in stubble of crops taken off the past season.

4/H CLUB NEWS Wheeler Club

The Wheeler High 4-H club girls met January 2 at the Home-making cottage with Mrs. Emma Hastings, H.D.A. for Wheeler County.

The president, Janice Jaco, called the meeting to order and the secretary, Juanita Sanders, read the minutes and called the roll.

Mrs. Hastings was in charge of the program and handed out instructions on selecting a suitable pattern and making garments. She discussed the dress review which will be held in April. A volunteer clothing demonstrator and a bedroom demonstrator were asked for and Bobbie French volunteered as clothing demonstrator and Janet Russ as bedroom demonstrator.

The next meeting of the club will be January 16, with Mrs. Blevins in charge of the discussion on grooming.
