# Help In The Great Fight To Combat Tuberculosis

This is the time of year to buy the little Christmas Seals that fight so valiantly for life and health for hundreds of unfortunate people stricken with tuberculosis. By our purchase of Christmas Seals we help the battle to rid our community and our state of the dangers of TB infections.

This is the time of year when charity should have

state. One of these affiliates is the Wheeler County Tuberculosis Association which, in close cooperation with the health department, in waging an effective battle to aradicate tuberculosis in our community.

**Of Brotherly Love** 

BUY

CHRISTMAS SEALS

This Is The Season

In its campaign against tuberculosis, which kills nearly 50,000 Americans a year, or at the rate of one person every 10 minutes, our Association is engaged in giving skin tests, taking X-rays and helping persons who have shown symptoms of TB.

our attention. Orphans' homes and hospitals ask our co-operation to provide Christmas cheer for their charges, those whose pleasures must penetrate through pain or loneliness. But, regardless of what we may do as individuals to have that inner satisfaction that comes with knowing we have made a contribution to the welfare of others, there is one thing all of us can do for everyone in the community, including ourselves.

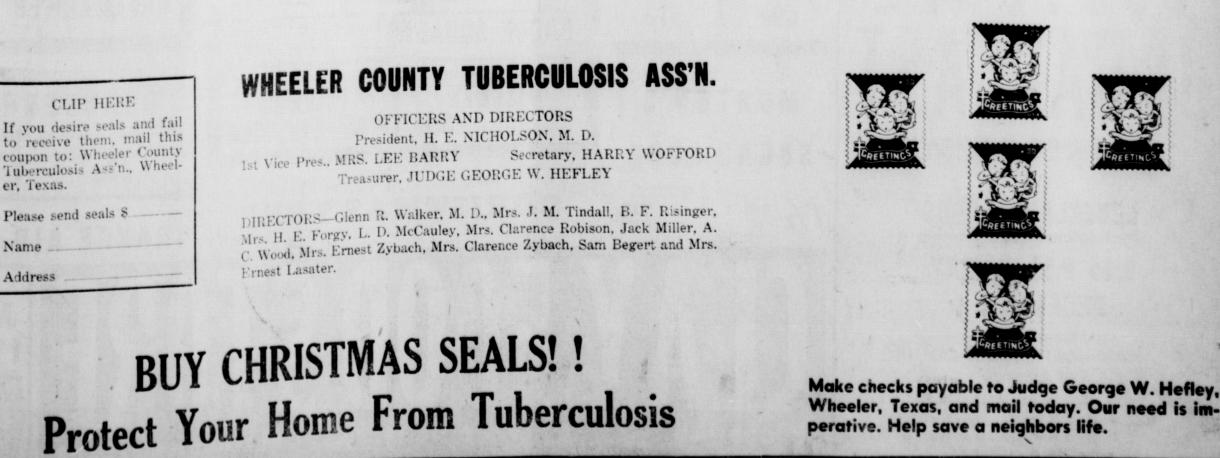

We can all buy and use Christmas Seals.

Christmas Seals have become an American tradition. They have become a tradition because they are a symbol of an important piece of work that has been carried on in this country for forty-odd years, and by the Wheeler County Tuberculosis Association for four years.

That work is the nationwide campaign against tuberculosis inaugurated in 1904 by the National Tuberculosis Association and continued without interruption by the Association and its increasing number of affiliates in every The association depends entirely upon the annual sale of Christmas Seals to finance its projects. Those of us who buy and use Christmas Seals will have the satisfaction of knowing, when Christmas Day dawns, that we have made a contribution to the welfare of the community in which we live.

Eighty percent of the money you spend for Christmas Seals stays right here at home, in Wheeler County, to help minister to your own friends and neighbors.

The Wheeler County Tuberculosis Association is now mailing seals and asks that you please return the money for them as quickly as you receive them. If you fail to receive your seals, please notify the treasurer, G. W. Hefley, or the executive secretary, Mrs. J. C. Howell, at Wheeler and you will be supplied immediately.
