Mobettie Meditations

Mrs. Homer E. Matthews

The Mt. View Quilting Club met with thirteen members and visitors present. Two quilts completed for the hosts, Mrs. Romines. Visitors enjoying the hot dish dinner and the day to be were: Mesdames Julia Williams, Jane Seitz and Johnnie Hood. Those present were: Mesdames Romines, Alma Seitz, Alice Daisy Thomas, Carrie Willis, Ruth Hathaway, Alice Bailey, Mrs. Thomas, Mary Brewer, Bailey, Beulah Grimes, Mag-Thompson, and Rhoda Eisen-Carrie Willis will be hostess at next meeting on July 29. Each time the birthday of Rhoda manager will be observed.

Today word was received of the death of Mrs. Bill Lee, a former resident of Mobettie in the Pioneer settlement. Mr. Lee at one time ran a dry goods store here and Mrs. Lee was a telephone operator. Mrs. Lee died at St. Anthony's Hospital in Amarillo after a lingering illness. Several Mobettie folk attended the funeral services held Wednesday afternoon at White Deer. The Lees had made their home here for many years.

W. A. Gilliam, retired minister, who years ago was pastor at First Methodist Church at Mobettie, has been in the Shamrock hospital for the last two weeks. Mrs. Gilliam would like to see him and she is thinking of him.

Reverend Mrs. L. E. Wyatt held Monday morning for Interdenominational Camp at Canyon. This camp was sponsored by the Northwest Texas Conference of the Methodist Church. The camp will be held July 14 thru 18. Meditations going from the Mobettie Methodist Church were: Williams Patricia Ann Wyatt, Man-Williams and Jimmy Selby. Rev. Mrs. Wyatt are instructors in the course of study which is entitled "Living Together as Christians in Community."

Thursday a Bridal Shower for Bill Eads, nee Patricia Trimble, held in the basement of the Methodist Church. Hostesses the occasion were: Shirley Mc-Whorter, Frances Totty, La Vada Holland and Aline Walker. Around 60 guests were registered during the afternoon and Mrs. Eads was the recipient of many beautiful as well as useful gifts. Refreshments were served by the hostesses.

Jim Hathaway has purchased a Quintess Godwin property on East Street and as soon as vacated enlarge and redecorate. The plans are to move to Plainview in the near future as Quintess expects to attend Wayland College this fall.

Friday night, July 25, at 7:30 p.m. the home of Mr. and Mrs. J. H. Roper for the Home Demonstration will show a film on "Warm Springs" for the blind children at Gonzales. This will be a very educational and interesting film and will be held in the area with the belief that there is a Warm Springs here. Anyone interested is invited to attend.

Rev. L. E. Wyatt announces on Sunday night the 1st Quarter Conference will be held at the Methodist Church. Dr. J. Ed. Kirby, District Supt. of the 5th District, will deliver the sermon and hold conference.

Mr. and Mrs. R. L. Galmor and Mrs. Mollie Seitz have returned from Fort Worth where they attended the funeral of a niece of Galmor's, Miss Peggy Landers, who was killed Saturday in a car accident near Fort Worth.

Bud Carrol Scribner underwent an appendectomy Wednesday at the Wheeler Hospital. Here is information by the time this paper comes out. Mrs. Carrol Scribner will be in the Wheeler and boys will join him in near future.

David Abbott, son of Mr. and Mrs. Ernest Abbott, who is stationed at Las Cruces, New Mexico, is on a 15-day furlough.

Major L. C. "Bud" Heiberg is now Camp Kilmer, New Jersey waiting orders to sail for England. Bud will be in Air Installation. Mrs. Heiberg and the boys will join him in near future.

Arnold R. Phillips, Amarillo, has spent some time at the (Continued on last page)

WHEELER LOSES FIRST GAME OF PLAY-OFF SERIES

The Wheeler nine of the Salt Fork League lost the first game of the play-off series to Mobettie of the same league in a good ball game which was played on the Wheeler American Legion Diamond Sunday afternoon. The second contest of the playoff series will be played on the same diamond this Sunday afternoon beginning at 3:00 o'clock.

The Wheeler lads jumped off to a two-run lead in the bottom half of the first inning when eight men batted. Pete Burton led off with a single but was out when Frantz was safe on a fielder's choice. Bill Price then grounded out. Chester Bowles singled. Bus Dorman singled. Red Richerson was hit by a pitched ball and Jim Cain was safe on an error before Bud Vanpool flied out to end the inning. Frantz and Bowles scored.

The Mobettie team failed to score until the first of the fourth when they scored two runs on singles by Tom Riley, Leroy Robison, Wallace Corse and Deason. Mumford, Lester Leonard, Yeager and Hendricks also batted in the inning with Yeager drawing a walk.

Wheeler came back to score three runs in the bottom of the fourth to go ahead but Mobettie jumped on the offerings of Jim Cain in the top of the fifth for three runs to tie up the score again. The score remained tied until the top of the ninth when Mobettie scored the winning runs on an error by the pitcher and a home run by Wallace Corse. Riley grounded out to open the ninth inning. Leroy Robison tripped but was out when the squeeze play failed to work. Mumford was safe when Cain erred on his squeeze bunt. Corse homered and Leonard struck out to end the inning.

The Wheeler nine loaded the bases in the last half of the ninth but were unable to push the tying scores across.

Holdeman To Show Tractors Saturday

Two new heavy-duty John Deere 2- and 3-prow tractors, successors to Models "A" and "B," will be announced Saturday, July 19, by Holdeman Implement Company.

According to Clarence Holdeman, owner of Holdeman Implement Company, these new tractors feature a host of engineering advancements and major improvements which make them the greatest values ever offered by John Deere. Mr. Holdeman states that one of the new models will be on display Saturday, July 19, and he extends a cordial invitation to everyone to stop by and see the new tractor.

Wheeler Baptists Set Date Of Revival Meet

Announcement was made by Rev. M. B. Smith, local First Baptist Church pastor, that July 27 thru August 3 is the date set for a revival at the First Baptist Church of Wheeler with services beginning each night at 8:00 o'clock. Rev. W. I. Lee, pastor of the First Baptist Church of Carrizo Springs, will do the preaching.

A cordial invitation is extended to everyone to attend this meeting. According to reports received from county home demonstration club agents, home demonstration club women have, since early 1951, trained civil defense chairmen in 110 counties and leaders in 965 local clubs.

Wheeler Whisperings

By J. C. Howell

We know that the people of Wheeler and the surrounding communities have been enjoying the softball program which is in progress at the new softball diamond which the Wheeler Kiwanis Club built and lighted in the City Park. As a member of the Kiwanis Club, we are unduly proud of the project and are looking forward to building some grand stands for the fans to sit in just as quickly as we can retire the indebtedness which now stands against the equipment. However, we would like to see the wire netting and back stops which have been placed at the field for the protection of the fans and their children stand without needing repair for quite some time. As a member of the Kiwanis Club, we'd like to ask that you warn your children about the practice of pulling on the back stops and tearing down the wire which has been placed there for their protection.

Saturday, July 26, is democratic primary election day. Let's all make plans to go out and vote for the candidates of our choice and in that manner take an active part in the government of our country, state and nation.

Mrs. Billy J. Darnell tells us that they not only vacationed in New Mexico and Colorado but went on up through the Yellowstone National park and nearly up to Canada. She, Billy J. and the whole family report a very enjoyable vacation. We are sorry we didn't have complete information concerning their trip for last week's paper.

Max Wiley and his committee from the Methodist Church have been trying all summer to make some improvements to the tennis courts at the Methodist Park but they have had some trouble getting any cooperation from the tennis players mostly because they have been playing softball. We would like to see their project finished before fall anyway because there is lots of time to play tennis after the weather turns cool.

Dub Goad told us the next morning after the D. E. Class defeated his famed "Loafers" he believed he was going to have to change the name of his team because he thought they had taken the loafer's part of the name seriously.

Everyone in the community is invited to attend these services.

D. E. CLASS IS WINNER OVER GOAD'S LOAFERS

The highly anticipated contest between Goad's Loafers and the D. E. Class was played at the Kiwanis Softball Diamond in the City Park here last Friday night and it has been the topic of many discussions around town since that time due to the fact that the D. E. boys managed to out-score the Loafers by a count of 27 to 14.

The contest between the two top league teams was nip and tuck up through the first half of the fifth inning, then, with two men out, the D. E. boys jumped on the offerings of Johnny Johnson and two successors for a total of 14 runs before Goad's boys could get them out. The Loafers however, remain in first place in the league standings this week by a matter of 34 percentage points due to the fact that they have already played their league contest and defeated the Wheeler High School Boys team. The D. E. Lads meet the G. I. Ag. Class, the only team which has defeated them in league play, tonight, and they will be trying to avenge the former loss.

One of the feature contests of next week's softball program at the local park will be a softball battle between the Wheeler and Kelton Hard Ball teams at 9:00 o'clock Monday night. Another feature attraction of the week will be a contest between boys 8 to 13 years old between Shamrock and Wheeler. This contest will be played at 7:30 p.m. Thursday.

The complete schedule for next week's play follows:

Monday, July 21			
7:30 Jovett vs. Wheeler H. S. Boys.			
9:00 Kelton vs. Wheeler, hard ball teams.			
Tuesday, July 22			
7:30 Women vs. Girls.

People Urged To Vote Early To Help Speed Up Returns

VICTIM OF AIR CRASH BURIED AT SHAMROCK

Full military services for Major Gail Young, grandson of Mrs. H. A. Whitener of this city, were held at the Fairview Cemetery in Shamrock at 2:30 o'clock Friday afternoon, July 11. He was killed in a plane crash near Lakenheath Air Base in England June 24, 1952.

The body, accompanied by Captain Carl R. Jossy of Offutt Air Base, Omaha, Neb., arrived in Shamrock Wednesday, July 9. Major Young, who was reared in Shamrock, died in the flaming crash of a B-29, while on a routine training flight. The ten other members of the crew also perished.

Rev. James O. Todd, Shamrock Baptist pastor, was in charge of the last rites. Full military services were conducted with six majors from the Amarillo Air Force Base serving as pallbearers. The Shamrock National Guard Unit provided the color guard.

Major Young was born March 27, 1916, near Kelton. An Irish grid star, he was graduated from Shamrock High School in 1935, and attended Amarillo Junior College and Texas A. & M. College. He stopped his studies at A. & M. at midterm in 1941, and enlisted in the Army Air Corps in March of 1941. He had been in military service continuously since that time.

In June of 1946, he received his commission in the Regular Air Force. He had been in England since March 25, 1952. For the past three years he had been stationed at Offutt Air Force Base, Omaha, Neb.

On August 19, 1943, at San Marcos, he was married to Miss Marjorie Ricketts of Paola, Kans. She and two sons, Arnold, 6 1/2, and Eric, 3, are among the survivors. Also surviving are his mother, Mrs. Ira Young, Amarillo, and a sister, Mrs. Dorotha Morgan, Dallas.

Major Young was a member of the Baptist Church. A lay member of the Baptist Church was in charge of interment in Fairview Cemetery in Shamrock.

MRS. J. L. BAILEY DIES WEDNES., FUNERAL FRIDAY

Mrs. Florence Helen Bailey, wife of J. L. Bailey, passed away in Wheeler at 1:15 p.m. Wednesday, July 16, 1952, at the age of 72 years and 1 day. She was born in Cook County July 15, 1880.

She was married at Dye Mound on December 8, 1898 and lived at Forestburg until coming to Wheeler in 1920. In 1910 she joined the Baptist Church at Dye Mound and was a member of the First Baptist Church of Wheeler at the time of her passing.

Services are scheduled to be held at the First Baptist Church in Wheeler at 3:00 p.m. Friday, July 18, with the pastor, Rev. M. B. Smith, and A. C. Wood officiating.

Survivors include her husband, J. L. Bailey, and children, Roy, Cecil and Pat. Wheeler; Mrs. Percy Farmer, Wheeler; Mrs. Doris Baumgardner, Fort Stockton; Jack Bailey, Forestburg; Mrs. Joyce Taylor, Galveston; Mrs. Imogene Sanders, Pampa. Thirteen grandchildren and eight great grandchildren and eight ghter, Mrs. Lillian Helton, preceded her in death.

Pallbearers chosen were: Levi Reid, Dick Guynes, Gordon Whitener, Aaron Williams, Marl Jaco, and Harry Wofford.

Kirk-Mason Funeral Home is in charge of the services. Interment will be in the Wheeler Cemetery.

NOTICE: In order to avoid missing any former pupils, classmates, co-teachers and friends of Winona Adams Kongs, Mrs. J. M. Porter announced that she is taking this means of inviting them to a get-together at her home from 3:00 to 5:30 p.m. Thursday, July 24.

As has been the custom for many years, there will be two big election parties held in Wheeler County on the night of the Democratic primary, Saturday, July 26.

The Wheeler County Democratic Committee of which A. B. Crump is chairman and R. H. Forrester, manager, will canvass the returns at the courthouse in Wheeler, starting immediately after the polls close at 7:00 p.m.

The Shamrock Texan will gather returns from precinct and county races at its office in Shamrock and post them on a bulletin board in front of its newspaper office.

Precinct judges are urged by Chairman Crump to telephone or bring in their returns to the county tax collector's office in Wheeler as soon as they have finished the tabulation.

Mr. Crump asks presiding judges to telephone the returns to him collect, and if no phone is available, a carrier will be paid for delivering them.

The returns will be posted on a large board in front of the courthouse at Wheeler as has been the custom in the past.

Voters expecting to be away from the county on July 26, may go to the county clerk's office at any time up to July 22 and cast their ballots. Or they may make application for absentee ballots to be mailed them. These ballots, properly certified, must be returned to the county clerk's office by 1 p.m. on election day, July 26.

A. B. Crump, chairman of the county Democratic executive committee, explained persons who are ill or disabled who will be unable to go to the polls on election day, may write the county clerk for a ballot. It is necessary they enclose a doctor's certificate and an affidavit of disability before a ballot will be sent.

Mr. Crump said there have been some changes in the election laws regarding absentee voting. Absentee ballots were formerly sent by the county clerk on election day to the precinct election judge and reported along with the other returns from the voting precinct.

The new law provides that absentee ballots shall remain in the county clerk's office and be cast and tallied by a special canvassing board. J. W. Hooker of Wheeler, has been named judge of the absentee ballot box which will be known as "Precinct 16."

The county Democratic executive committee is appealing to voters to go to the polls as early as possible. Polls will open at 8 a.m. and close at 7 p.m. Early balloting helps judges and clerks to complete their returns earlier, thus making possible results of all races shortly after the polls close.

Employers are requested to help make it possible for employees to vote during the morning hours, and housewives will find it requires less time and is more convenient to cast their ballots during the morning. If enough voters heed the plea and vote early, Chairman Crump believes it may be possible to announce results in all local races within an hour (Continued on Last Page)

Editorial

**THURSDAY, JULY 17, 1952
THE GOVERNMENT PAYROLL**

About 18 million people in the United States get checks from the federal government, and in addition to this there are about six million who get checks from state governments to which the federal government has contributed.

Way back in 1933, there were less than two million people getting government checks. At that time, there were about 600 thousand civilians working for the government, there were only about 150 thousand people in the armed forces, and there were a little more than a million veterans receiving

benefits. Today there are about four million checks going to members of the armed services, about three million to veterans, about four or five million checks being sent out as Social Security pensions, about five million relief checks to old people and dependent widows and children, about two or three million checks to farmers for following soil conservation practices.

The large number of checks sent out by the federal government has undoubtedly played a significant role in each of the elections in the past sixteen years. It should be remembered that the party in power was reelected in each instance.

SWEDEN'S REWARD

The Swedish people got a taste of Russian gratitude recently when two Swedish Air Force planes were presumably shot down by the Russians over the Baltic Sea. The Swedes remained neutral in the last war and have attempted to remain neutral in the "cold war" between the democracies and the Communists.

They are now learning that the Communists treat all those who are not with them as against them, and that there is no middle ground in the worldwide struggle of ideologies. The Swedes, who have profited nicely out of both World Wars, without having engaged in either, are reported to be highly incensed by the Russian acts over the Baltic Sea. That they have not been just as highly incensed by Communist aggression, mass murder and brutality toward other peoples is not easily understood.

In viewing the Swedish scene, Americans should also remember that a United States plane was shot down over the same Baltic Sea, near the scene of the recent losses, in the spring of 1950. All three planes are presumed to have been shot down by the Russians, who are reportedly experimenting with atomic and other secret weapons in the area involved.

Now, the Swedes are having to do just what the United States did in 1950—accept the outrage and loss of men and material with no other recourse open to them short of military operations. It is a case of taking the slap in the face or doing something about it, and the Swedes are not able to do anything about it. In 1950, the United States was not so important, as to demand U. S. military action. However, one of these days accumulated Russian acts of brutality will bring about retaliation the Russians will remember a long time. It may be five, ten or fifteen years, but eventually barbaric murders will be avenged.

The main purpose of education is to teach people to think.

HAVE A BETTER KITCHEN

Summer is the salad season. These hot days housewives go on strike against preparing heavy meals in a sweltering kitchen, and turn to making their families happy with colorful, luscious and cooling salads.

A hot-weather favorite with many a family is a tossed salad of crisp lettuce, juicy red tomatoes, sliced cucumbers and radishes, mixed with vinegar or a favorite dressing. Here's a way you can keep that salad from getting soggy. Place a saucer at the bottom of the salad bowl, upside down. Then the excess dressing drains under the saucer, keeping the salad fresh and crisp.

Salad making is often a pleasing kitchen adventure. Most of the work is done at the sink where the ingredients are cleaned and prepared. The job is made even more pleasant if the sink is equipped with an automatic food waste disposer which whisks peelings and other wastes down the drain in a flood of cold water. With the disposer, there's no need to scrape the sopping wet waste together and make a dripping beeline to the garbage can.

Garbage is always a problem, but even more so in hot weather when wastes ferment more quickly. And if the garbage collectors are tardy the problem becomes even more acute.

So whether you're making salads or preparing heavier meals, the waste disposer serves to help make kitchen work easier and prevent accumulation of sticky, odorous garbage.

Don't walk in a daze—
Lock both ways.

Each and everyone is cordially invited to attend each service.

HOME COOKING
Two women... over a cup of tea one afternoon and one of them said:
"My husband has no bad habits whatsoever. He never drinks and he spends all his evenings at home. Why, he doesn't even belong to a club."
"Does he smoke?" asked the other woman.
"Only in moderation," was the former's reply. He does like a

cigar after he has had a good meal—but I don't suppose he smokes two cigars a month."

5 COLLEGES GET NEW TYPE ROTC

Five Texas colleges and universities—regionally located—are included among the new-type Reserve Officer Training Corps programs recently created by the Defense Department.

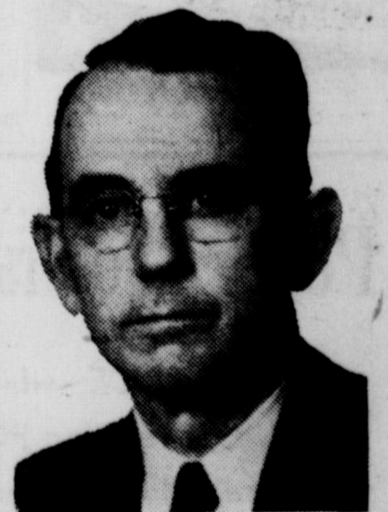

To be known as all-branch units, the four-year courses will be started in September on the campuses of Trinity University of San Antonio, Sam Houston State Teachers college in Huntsville, Hardin-Simmons University in Abilene, Midwestern University in Wichita Falls and West Texas State Teachers college in Canyon.

All are co-educational institutions and the military science courses will simply be added to the existing curriculums of the schools.

Unlike other ROTC programs, the student, when he graduates as an Army 2nd lieutenant, will have a choice in which branch of the army he desires to serve, dependent upon needs of the service and the student's qualifications.

The program calls for two years of basic training and two years of advanced training with pay. Students may take any course leading to a degree of their choosing and will be exempt from the draft while enrolled in the program. After graduation they will be required to serve two years active duty.

KIWANIS NOTES
 By Dr. C. C. Merritt

I think almost every member of the Club was present Monday, A. D. Speck made a report regarding the Blood Donation effort. A plan has been suggested by the Red Cross Chapter here whereby we may assist in the collection of blood for defense.

We had a program, too. Maybe the program was what got the 100% attendance. D. O. Beene made a speech, or a report, whatever you may wish to call it, of his experience in Chicago as a delegate to the GOP convention. He told us HOW the convention went and why it went like it did. It was the very best speech we have ever had of its kind . . . and why shouldn't it . . . it was the only speech of its kind we ever had. It was the only one of its kind we shall ever have because only D. O. could deliver such . . . and there will be no more GOP conventions with Taft running. Or, so that is what Taft said.

There were three visitors and we hope and believe that they thoroughly enjoyed that report D. O. made.

Your reporter will be absent for two weeks. He will be on his first vacation since coming to Wheeler to practice. He will leave Amarillo at 1:10 Wednesday morning by plane and will return to be in his office by August 1.

TEXANS PREFER AMERICAN TYPE CHEESE BETTER

American Cheddar is the best selling cheese in Texas, according to a consumer preference study made recently in San Antonio and Houston by Stanley Rosenthal, June graduate in dairy husbandry from the Texas A. & M. College.

A cross-section of the information gathered from retail grocers indicates that the preference of natural or processed types of cheese is governed somewhat by the consumer's income. Buyers in the higher income brackets purchase more natural cheese, those with medium or low income purchase more processed types.

Definite popularity placings could not be assigned to the next three cheeses—Cottage, Cream and Swiss—but Cottage is a better seller to medium and low income groups.

Brick cheese was fifth in popularity, representing about 8 percent of total cheese sales. Limburger, Romano, Neufchatel, Roquefort and Edam together accounted for about 5 percent of all cheese sales.

At some of the stores covered, total cheese sales have risen as much as 90 percent since 1940. The average increase at all stores surveyed is near 45 percent.

Attractive and convenient packages now used by several manufacturers were cited by grocers as the principal reason for more cheese buying. Self-service display cases, recipe pamphlets and sales promotion programs also contributed to greater cheese consumption.

The study showed high meat prices stimulate cheese purchases. Several retailers said that on or shortly after pay day, the sale of meat is greater in proportion to that of cheese than it is near the end of the pay period.

LIFE'S SWEETEST STORY

The old couple had just celebrated their golden wedding anniversary. Now all the guests were gone, and they sat by the open fireplace, hand in hand, with her head on his shoulder, and reminisced.

"Mary," he said tenderly, "You're still my sweetheart, in fact, I've never had another sweetheart because I never found anyone as sweet and beautiful as you."

"Henry," she replied, "you're as big a liar as ever, and I believe you just the same."

CERTAIN TRICKS MAKE VACATION TRAVEL EASIER

Certain travel tricks make vacation time a happy experience.

Minnie Bell, home management specialist with the Texas Agricultural Extension Service, offers a few of these tricks as suggestions to vacation-bound travelers.

Don't take more items than needed. This advice is heard over and over again but still the luggage is over loaded with unnecessary cosmetics, clothes and other items. Plan the articles to take by making a list of the places to be visited and the clothes needed.

Clothes that travel best are dark prints, soft finished wools, new crease resistant cotton, linens and rayons. Choose accessories that will go with several costumes and cut the shoe and bag problem to a minimum.

A make-up kit is almost a must unless there is a fitted overnight bag. Using small plastic bottles and jars eliminates breakage and stick-perfume never spills. Miss Bell says the purse size whisk broom is no larger than a lip stick often comes in handy. And a traveling iron with a handle that folds over takes up very little space.

A hanger with a few clothes pins is useful for drying hose and other small pieces of clothing. One or two plastic or rubber lined envelopes should be included for wet wash rags and soap and a small roll of scotch tape may save the day . . . use it for a quick mend.

In the bottom of the suitcase pack the heavy and bulky articles, such as the iron, shoes and jewelry case. The specialists advise using plenty of tissue paper between articles and in corners. Fill up the depressions with lingerie, she adds.

If these suggestions are followed, Miss Bell says the vacationer will leave with a light heart as well as a light suitcase and have a care-free time while gone.

NO CHOICE
Little Nellie was asked the difference between the quick and the dead.

"The quick are those who are out of the way in time, they are those who don't."

PROGRESSIVE
"Are you making any progress in getting acquainted with New-rich neighbors?"

"Oh yes. It was their cat that invited our cat to that concert last night."

SEE SURE IS
"You know my son has joined the navy?"

"Ah, then I suppose he has my son. He's in the navy."

LEGAL NOTICE

**NOTICE BY PUBLICATION
STATE OF TEXAS**

William Bolinger, if living, and his unknown heirs and legal representatives

GREETING:
You are commanded to appear in person or by attorney at the Court House in Wheeler, Texas, on the 10th day of August, A. D. 1952, at 10 o'clock A. M., before the Honorable District Court of Wheeler County, at the Court House in Wheeler, Texas.

Said plaintiff's petition was filed on the 3 day of July, 1952. The file number of said suit being No. 4281.

The names of the parties in said suit are: Jess Moore, Jas. C. Moore and A. B. Crump as Plaintiffs, and William Bolinger, if living, and if dead, his unknown heirs and legal representatives as defendants.

(The style of the suit being Jas. C. Moore, et al. vs. William Bolinger, et al.)

The nature of said suit being substantially as follows, to-wit: A

fore the Honorable District Court of Wheeler County, at the Court House in Wheeler, Texas.

PASTURES AND MEADOWS ARE A CASH CROP

Pastures and meadows are a cash crop and should be used as such. E. M. Trew, associate agronomist for the Texas Agricultural Extension Service, points out that many Texas pastures are not giving maximum production because they are mishandled.

He says farmers cannot expect high yields of beef or milk from land that is low in organic matter

of minerals. The first step in building a pasture is to determine what factors are limiting its production of forage. Poor forage production can be caused by many things, but physical condition, mineral deficiencies and organic matter content of the soil are major considerations.

Trew points out that many soil production and management problems are directly or indirectly related to organic matter. Poor physical condition of soils is usually caused by lack of organic matter. The establishment and maintenance of a plentiful supply of organic matter in the soil is important for maximum production. Once perennial grasses or legumes are established on a piece of land, the decomposition of the roots of these plants increase the organic matter which improves infiltration of water, reduces losses from erosion and furnishes food for bacteria. The bacteria in turn will break down the organic matter into nitrogen and minerals for the use of succeeding plants.

Another factor to be considered in building the pasture is the nitrogen content of the soil. A soil low in organic matter is low in nitrogen and a soil with sufficient organic matter may also be deficient in nitrogen. Trew cites as an example a Titus County demonstration. In the fall of 1950, a bermuda grass pasture was renovated, manured and 500 pounds of 0-14-7 commercial fertilizer applied. The following July ammonium nitrate was applied at rates of 150 and 300 pounds per acre. The check plot received no nitrogen and produced 1,440 pounds of hay per acre. The plot receiving the 150 pounds per acre application produced 3,280 pounds of hay and the 300 pound application resulted in a hay yield of 4,840 pounds. The cost for fertilizer was \$6.40 and \$12.75 respectively for the two applications.

The increased yield within the month produced hay at less than \$7.00 per ton. The response from nitrogen was rapid and in addition to an increased yield, the protein content of the hay was higher.

By using all possible soil improving practices, Texas farmers may increase the production from both their row crop land and pastures. Continuous row cropping will deplete the organic matter in the soil, but by rotating row crops and pastures, organic matter may be maintained at profitable level, Trew says.

HER RISK

Mrs. Smith was reading a letter at breakfast. Suddenly she looked up suspiciously at her husband "George," she said, "I've just received a letter from Mother saying she isn't accepting our invitation to come stay as we do not appear to want her. I told you to write and say she was to come at her own convenience. You did

write?"

"Er-yes," said George, "but I couldn't spell 'convenience,' so I made it 'risk.'"

PAL OF HIS WIFE

"Madam," said the hobo, "I once had a wife and family of my

own—but I couldn't be contented. I growled and grumbled at everything—and finally left home."

"Well, here's a chicken sandwich for you, sir," said the housewife. "Mighty few husbands are as considerate as that."

suit for title to the following lands in Wheeler County, Texas: Survey No. 30, Blk. OS-2, about 16.7 Mi. North 64 degrees East from Wheeler, Texas, containing 114.83 acres of land, Patent No. 202, Vol. Eighty One A; and Survey No. 31, Blk. OS-2 (lying adjacent to the above described tract on the North) patent No. 203, Vol. 81 A, containing 321 acres of land; both patents issued by State of Texas in name of William Bolinger, and dated July 18, 1941. Plaintiffs base claim on the 10 and the 5 years statutes of adverse possession and limitation; plaintiffs, A. B. Crump and Jas. C. Moore each claiming 1/64 undivided non-participating mineral royalty interest (each respectively) and plaintiff, Jess Moore claiming a fee simple title to all of the remainder, subject to the royalty interest of the state of Texas; for costs and general relief.

Issued this the 3 day of July, 1952.

Given under my hand and seal of said Court, at office in Wheeler, Texas, this the 3 day of July, A. D. 1952.

bers to be present Friday night, July 25, for a very important meeting.

It seems like old times to see Albert Scribner around town for a few days. Albert and his children, Mary Ellen and Bill, spent a few days last week with his mother, Mrs. LaVern Scribner, and brother and wife, Mr. and Mrs. Bud Carroll Scribner, and Carol Ann, Odessa, we missed you, come along next time. The Scribners now live in Holly, Colo.

Mrs. George B. Dunn (60) last week to join Sgt. Dunn at Roswell, New Mexico, where he is stationed for the present.

Mr. and Mrs. Bill Goodwin have accepted a job in the John Dunn ranch and moved last week. They are happy to have Bill and Ouida back in the Mobeetie community.

Mr. and Mrs. C. J. Van Dams spent a few days last week in Oklahoma City. When asked by our scooping reporter if it was a pleasure trip, they said no—just a pleasure trip. They visited places of interest, stayed in a good hotel, ate good food and had a very nice trip. What is it if the Bible says about any?

Another couple who had a nice trip recently was Mr. and Mrs. Sweeney Burgess. They went into Colorado and New Mexico visiting places of interest and enjoying the beautiful scenery along the route.

The Jowett softball team defeated the Wheeler Ag. class team Thursday night with a score of 12 to 11.

Mr. and Mrs. Kenneth Walker, O. C. Walker, Pierce Walker and Mrs. Woodford Williams left Sunday night for Oakland, Calif., to be with Mrs. Notie Roberts, who is critically ill at this time. Mrs. Roberts is a daughter of O. C. Walker.

Mrs. Willard Goodwin and Mrs. Joe Patterson left Sunday for Missouri. Mrs. Goodwin is visiting with her mother, who is seriously ill at the present writing.

two of their daughters visit them last week. They were Mrs. Wood Taylor, Quitaque, and Mrs. Eugene Collins, Houston.

Seems like Mobeetie was represented on White's Man on the Street program in Amarillo Monday when Mrs. Wallace "Lou" Coese was interviewed. Wallace was it sure enough Pock and Beans for dinner? Lou was accompanied to Amarillo by Mrs. Kenneth Coese and Mrs. Ollie.

Mrs. A. K. McRae has returned from a week's visit with relatives and friends at Laurel, Miss., and Little Rock, Ark.

Mrs. Lee Chiles and children of Oklahoma City spent last week with her mother, Mrs. Mary Nixon.

Recent guests of Arica Corcoran were Mary Ellen and Bill Scribner, Holly, Colo., and Kay Arrington, Miami.

Mr. and Mrs. Warren Thompson spent the weekend with his mother, Mrs. Maggie Thompson, and took the boys back to Amarillo. Will be grandma is looking this week.

Mr. and Mrs. Leonard Hollis and children, Pampa, spent several days last week in the maternal home of Mr. and Mrs. Tracy Willis.

Mrs. Dora Harris has returned from visiting relatives in Oklahoma City and Vernon.

Mr. and Mrs. W. E. Morgan and Jeanette spent the weekend in Pampa visiting relatives and friends. Jeanette remained for a longer visit.

Mr. and Mrs. Archie Hudson and Layton and Mr. and Mrs. Doyle Grimes and family visited friends and relatives in Holly Sunday.

Jeff Brewer, Doyle Grimes and May Sue Brewer attended the livestock show in Amarillo Tuesday.

Mr. and Mrs. Homer Lynch and Kathleen, Wheeler, were Sunday dinner guests in the Tom Hillbary home.

Mr. and Mrs. Monroe Seltz and family were Sunday guests in the Charlie Seltz home.

Mr. and Mrs. O. G. Beck and Olynda left this week for El Paso, New Mexico for a visit with Mr. Beck's sister and husband, Mr. and Mrs. J. T. Orr and family.

If your reporter feels next week like she does today at deadline for the news to go off—there won't be any Mobeetie Meditations, unless you find some news to the rescue. Have been feeling "tucky" for several weeks and I get "the better feel" to use a slang expression.

THE STATE OF TEXAS
To any Sheriff or any Constable within the State of Texas—GREETING:

You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Wheeler County, Texas, the accompanying citation, of which the herein below following is a true copy:

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Jesse Scribner, Defendant.

YOU ARE HEREBY COMMANDED to appear before the Honorable 31st District Court of Wheeler County at the Courtroom thereof in Wheeler, Texas, by filing a written answer, or before 11 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 27th day of August A.D. 1952, to Plaintiff's Petition filed in said court, on the 16th day of July A.D. 1952, in the case, numbered 682 in the docket of said court and styled Clara S. Scribner, Plaintiff, vs. Jesse Scribner, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Suit for Divorce on grounds of Cruel Treatment, a more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned as served.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates thereof, and make the return to the law firm.

Issued and given under my hand and the seal of said court at Wheeler, Texas, this 16th day of July A.D. 1952.

Attest: Harold D. Callan, Clerk, 31st District Court, Wheeler County, Texas 32-4tc

The period from July 20-26 has been designated as National Safety Week. Every rural family should during the week, check or recheck the entire farm for accident hazards and remove all those found.

JUDGE JOE S. MOSS
The Law Can Be In Simple Language

Any document signed by a Wheeler county citizen may sometime have to be interpreted by the Court of Civil Appeals at Amarillo.

In over 41 years the court has existed, it has decided over six thousand civil cases. It is to the interest of the people of Wheeler county that qualified men of the people sit on that high court. Judge Joe S. Moss of Garza county believes that legal papers and proceedings should be in the language of the people, rather than in legal fine print. Judge Moss will help simplify and speed up the machinery of the law. Ask the people who know him. Vote for Moss. A civil judge for a Civil Court.
