## Mobeetie Meditations

By Mrs. Homer E. Matthews

Each week until after the Old Mobeetie Picnic you will find an article about it in my column as I am very interested and enthusiastic about the coming affair. Mobeetie really is the proper place for a reunion of old friends as it is the oldest town in the Panhandle of Texas. Some communities may have the edge on us because they have been having such picnics for several years, but let them have a better one next year. Next week I will have the program for the picnic in this column, so watch for it. The date again is September 2nd. We will say here that L. R. Green, supt. of schools, has postponed the opening of school until September 2nd, and all school buildings will be open for inspection the day of the picnic. The buildings have all been repainted and redecorated during the summer. We appreciate Mr. Green's cooperation in such a hearted manner. We urge everyone in Wheeler County to attend. There will be a free bar-b-que.

Mr. and Mrs. Aubrey Green attended the Memorial Service for Harold Ware at Clovis, Monday, Harold, the son of Mr. Mrs. G. C. Ware, lost his life here a couple months ago. A Mr. Donald, flew from Italy to escort for his brother. Mrs. Green and Mrs. Greenhouse are present.

Clinton Hickman had the fortune of turning the car over the bridge west of Woodford Saturday afternoon. Two men were with their mother all escaped with minor injuries. The car was considerably damaged.

At the Methodist Church the absence of the pastor, Rev. E. Wyatt, the pulpit will be filled by W. P. Carey, layman, of the First Methodist Church. Mr. Carey is an attorney, a Pampa and a very able speaker. At 11 o'clock service his subject will be "What Have You Done For God Today?" And at night service he will talk on "Things In Hell This Church."

Remember the Baptist Revival starts Sunday, August 24th and ends Sunday, August 31st. All attend as much as possible. Last Wednesday night at the church after prayer service a fellowship hour was enjoyed with an ice cream supper to close the evening. There were 149 groups at.

Members of the Mobeetie Home Extension Club and families enjoyed a chicken fry in the Flanagan Friday night, Mrs. L. D. McCoy was hostess for the occasion. Guests enjoying the dinner were Mr. and Mrs. Ernest Terry, Mrs. Cruse and H. Hanagan. Members and family attending were: Mr. and Mrs. Hathaway and Dwight, Mr. Earl Alexander and children, Mrs. Jack Miller, Mrs. Elton and son, Mr. and Mrs. Leonard, Mr. and Mrs. Billy Morgan and Jeannette, Mrs. Aubrey Ruff, Mrs. Bartram, Mrs. Bill Alverton, Shirley McCauley, Bruce Wheeler and Mr. and Mrs. L. McCauley.

Who are away on vacation are Mr. and Mrs. J. T. Johnson and Jimmy, Mr. and Mrs. Witt and Mrs. Arlie Jeffers, and Mrs. Ralph Sims and Mr. and Mrs. Charles Howard. Mr. and Mrs. R. H. Callahan and girls have returned to visit with the George family at Povina and points of interest in New Mexico. The Richard Dyson family and Mrs. Wayne Treadwell and daughter have returned from a vacation spent in Colorado.

Friday night in the basement of the First Baptist Church a party and shower was given for the Earl Riley and Godwin families. They are moving to McLean, having accepted a job with the Smith Lbr. Co. at that time. The Godwins are going to

Harold Nash is shown above as he was presented a reproduction of the famous painting of Pontiac, Chief of the Ottawas, by T. A. Cullen, right, manager of the Pontiac Oklahoma City Zone. The presentation was made last Friday.

## NASH NAMED TO ACP PROGRAM "HALL OF FAME" BY PONTIAC

Pontiac Motor Division of General Motors has named the Nash Appliance and Supply Co. of Wheeler, Texas, to the Better Dealer "Hall of Fame" for outstanding dealer accomplishments. The firm is headed by Harold Nash, general manager. With honors, Mr. Nash has been presented a reproduction of the famous painting of Pontiac, Chief of the Ottawas and Indian Confederacy leader, for whom the car is named. Mr. T. A. Cullen, Manager of the Pontiac Oklahoma City Zone, made the formal presentation and lauded improvements, community service and accomplishments of Mr. Nash.

"Pontiac's Better Dealer program has been in effect for about two years now, with an aim to make Pontiac Dealers pre-eminent in the automotive field," Mr. Cullen said. "It is not enough that those admitted to the select group be as good as competition... they must be better. They must be better than they were before, a year ago, a month ago, or last week. They must constantly improve." (Continued on Last Page)

## REV. TODD WILL HOLD REVIVAL

Rev. James O. Todd will do the preaching in a revival that begins at the First Baptist Church, Mobeetie, Sunday, August 24, and closes Sunday, August 31. The pastor will preach at both services Sunday, August 24. Rev. Todd will preach in the remainder of the revival.

Rev. Todd is pastor of the First Baptist Church, Shamrock, and is called on constantly to speak at various religious and civic meetings. He is a man of God with the message of God. He was the Missionary speaker for the boys' camp in 1951. He is a strong believer in youth and what they can do. Bob Callahan will direct the singing during the revival, and will be in the services Sunday night, August 24, and will continue through the remainder of the services. He is music and educational director of the Buchanan Street Baptist Church of Amarillo. Mr. Callahan is talented and devoted to the course of Christ's kingdom work. He is an inspiration to youth and loves the work he is doing. He was camp director of music at the girls' camp in July this year.

Mrs. J. R. Patterson, Mobeetie, will play the piano during the revival. Mrs. Patterson is church pianist of the local church. The church is fortunate to have one as talented as Mrs. Patterson. The pastor extends in behalf of the church a warm welcome to everyone to come and attend every service of this revival. Morning services begin at 10:00, evening prayer groups and booster band will begin at 7:30 p.m. Song services for the preaching hour will begin at 8:00 p.m.

## SOFTBALL TOURNAMENT PLANS ARE COMPLETE

Plans for the Wheeler Kiwanis Club Softball tournament here next week have been completed this week and a total of seven men's teams and four girls' teams have been entered. Play in the tournament is scheduled to begin Monday evening at 7:30 with two games each night, Monday thru Saturday with Wednesday excluded. The Saturday night games have been scheduled to begin at 8:00 and 10:00 p.m. in order to give shoppers enough time to complete their buying before attending the ball games.

Men's teams entered in the tournament include: Jowett-Mobeetie which is being managed by Paul Green, Pampa, Erick, Kelton which is managed by J. R. Clemons, K-C Steak House, Shamrock, Wheeler Town Team which is managed by Dub Goad, and the Wheeler All-Star team which is managed jointly by Bus Dorman and Lee Whitworth.

In the girls division, the four teams which have entered include Canadian, Kelton, Lefors and Wheeler. Kelton and Lefors meet in the first girls contest of the tourney on Thursday afternoon at 7:30 and the Wheeler and Canadian teams meet at 7:30 p.m. Friday evening with the two winners to meet for the championship Saturday evening beginning at 8:00 o'clock. Winners of first and second place will be presented a trophy by the Wheeler Kiwanis Club.

Since there were only seven boys teams entered in the tourney, one team drew a bye in the first round and caused the committee in charge to have to fill in with one exhibition game which will be played Tuesday evening beginning at 7:30 o'clock and it will pit a colored team from Shamrock against a colored team from Pampa.

Schedule of contests in tournament through Friday night is as follows:  
MONDAY, AUGUST 25  
7:30 Erick vs. Kelton, men.  
9:00 Pampa vs. Wheeler Town Team, men.

TUESDAY, AUGUST 26  
7:30 Pampa vs. Shamrock, Colored.

9:00 Mobeetie-Jowett vs. Wheeler All-Stars, men.

THURSDAY, AUGUST 28  
7:30 Lefors vs. Kelton, girls.  
9:00 Winner Pampa-Wheeler vs. winner Erick-Kelton, men.

FRIDAY, AUGUST 29  
7:30 Wheeler vs. Canadian, girls.  
9:00 Winner Mobeetie-Jowett-Wheeler vs. K. C. Steak House, men.

A member of the Wheeler Kiwanis Club committee in charge of making arrangements for the tournament stated this week that there will be no professional ball players used in the tournament for the protection of some high school boys who may participate in the affair.

## CALLAN REUNION AT SHAMROCK

A large picnic lunch was spread and enjoyed by all the Callan family with the exception of one son and one daughter of the eleven children at their annual family reunion which was held last Sunday, August 17, at the Shamrock Community Building with Mrs. J. A. Callan acting as hostess.

These attending were: Mr. and Mrs. Herbert Callan, Mr. and Mrs. Russell Barker and Marvin Dale, Shamrock; Mr. and Mrs. Clayton Callan, J. E. and Lavada, Mr. and Mrs. Elvold Callan and Gwendol, Pampa; Mr. and Mrs. W. C. Riley and Eldon, Mr. and Mrs. Leon Riley, Stevie and Timmy, Elkhart, Kansas; Mr. and Mrs. A. N. Cox, Mr. and Mrs. Elmo Cossil, Roxana. Mrs. Samuel Robison, Pam, and Mrs. Earl Miller and Mr. and Mrs. Earl Miller and Mrs. Katie and Doyle Gene, Sweetwater, Oklahoma; Mr. and Mrs. J. M. Liles, Mr. and Mrs. Buster Callan, Phyllis and Randy, Wheeler.

## Wheeler Whisperings

By J. C. Howell

Fred Farmer told us the first of this week that Bob Rodgers swept out his shop the other day and discovered that it had a concrete floor in it. He had been under the impression all this time that it was just a dirt floor.

Sheriff Bus Dorman brought a sample of some "medicine" which we had never seen before over to the office one day this week. We had heard about it and seen its affets several years back but had never actually seen any of this so-called "medicine". Have any of you guessed what this "medicine" is yet? In case you haven't, it was "jake" and it was discovered in the floor of the old two-story hotel which is now being torn down over in Mobeetie. N. J. Tyson is tearing the hotel down in preparation to building a home. The workmen discovered 100 small bottles of "jake" and turned it over to Deputy Sheriff Charlie Mixon who, in turn turned it over to Sheriff Dorman.

Louie McWhorter came by the office this afternoon with a vacuum cleaner full of bees which he had captured out south of town. We have heard of people capturing bees in many ways but never before with a vacuum cleaner.

We hope that every eligible voter in Wheeler County will get out and vote in the second primary election Saturday even though there are only a few races yet to be decided. It's your PRIVILEGE AND DUTY TO VOTE.

## LOCAL PEOPLE ATTEND REUNION

The annual Lamberth reunion was held at Mackenzie Park, Lubbock, August 15, 16 and 17.

Those attending were: Mr. and Mrs. Bonner Smith and granddaughters, Patricia, Laura Beth, and Nancy, Mrs. Lucian Spencer, all of Dumas; Mr. and Mrs. Geo. Lamberth, Pomona, California; Mr. and Mrs. G. T. Lamberth, Brandy and Candy, H. D. Lamberth, H. D. Jr., Dr. and Vina Mae, all of Carlsbad, New Mexico; Mr. and Mrs. Joe Smith and Mary Jo, Mr. and Mrs. Ronald Travis, Charles, Louise and son, all of Lubbock; Mr. and Mrs. Bob Ramsey and Patsy Ann, Briscoe; Mrs. Cliff Mason, Shamrock; Misses Evelyn and Wilma Mason, Mr. and Mrs. Olen Miller, Pete, Jackie and Judy, all of Pampa; Mr. and Mrs. Carl Mason and Mike, Leon Travis and Mr. and Mrs. Otis Travis, all of Amarillo; Misses Dot Mason and Dutch Scribner, Mr. and Mrs. Cleen Hibbitts and Nick, Mrs. Marl Jaco and Janice, all of Wheeler; L. S. Lamberth and sons, Junior, Royce and Coyce, Mr. and Mrs. Bill Gideon and Keith, all of San Antonio; Mr. and Mrs. G. A. Lamberth and Linda and Pearl Beth, Clarendon; Mr. and Mrs. Jerald Hale and Allen of Springville, Arizona; Mr. and Mrs. Comelle Hibbitts and sons, Max, Larry, Terry and Ken of Throckmorton; Mrs. Flossie Sergeant, Mr. and Mrs. Bert Travis, C. B. Travis, all of Ralls; Mr. and Mrs. Clyde Hefner, Wellman.

## GREENHOUSE REUNION HELD

The annual Greenhouse reunion was observed last Friday evening, August 15, when relatives gathered at a park in Pampa to enjoy supper together.

Attending were: A. E. Greenhouse, San Gabriel, California; Mr. and Mrs. B. F. Chastain, Denton; Mr. and Mrs. R. A. Greenhouse and children, Bill, Kathleen and Kenzie, Vernon; Mr. and Mrs. Pete Greenhouse and boys, Harold and Dale, Miami; Mr. and Mrs. Aubrey Greenhouse and Virginia, Mr. and Mrs. Roy Hathaway, Mobeetie; Miss Anita Martin, Texarkana, Arkansas; Mr. and Mrs. Dudley Callan and Kay, Shamrock; Mr. and Mrs. H. H. Greenhouse, Pampa; Mr. and Mrs. Henry Greenhouse and Denna, Mrs. B. M. Greenhouse and Dorothy, Wheeler.

Melvin May and James Gaines spent the weekend visiting relatives and friends at Sudan.

## One Co., One Pct., 2 Other Races Be Decided Saturday

### D. E. CLASS HOLDS LEAD WITH WIN

The D. E. Class team managed to hang on to first place in the standings in the local softball league by taking a hotly contested game from the Goad's Loafers by a count of 10 to 9 last Thursday evening.

The Loafers came back Monday evening to defeat the hustling Wheeler High School Boys team by a one-sided count. Mobeetie took a close contest from Jowett Monday night in the only other league contest played so far this week.

The Wheeler girls team, which is sponsored by Chapman Dairy, took a close contest from the Kelton team Tuesday evening and the same two teams will play again this evening (Thursday).

No league games will be played next week since the Kiwanis invitation boys and girls tournament will be in progress. League play will be resumed week after next probably on a stepped up basis with each team playing two league games a week.

Standings in league play to date are as follows:

Team	W	L	Pct.
D. E. Class	8	2	800
Goad's Loafers	7	4	637
G. I. Ag Class	6	4	600
Mobeetie	6	5	546
Jowett	4	7	364
Wheeler H. S. Boys	2	9	182

## North Fork Brotherhood Will Meet August 26

The North Fork Associational Brotherhood will meet Tuesday, August 26, with First Baptist Church in Shamrock at 8:00 p.m., according to an announcement today from Charles Earhart of Lefors, president of the brotherhood. Rev. Hal Upchurch, pastor of Temple Baptist Church, Amarillo will be the principal speaker.

Melvin May and James Gaines spent the weekend visiting relatives and friends at Sudan.

Wheeler County voters will go to the polls Saturday, August 23, to make final decision on who their candidates will be in the general election which is to be held in November. The second democratic primary will settle two state races, one district race, one county race and one precinct race.

In the Congressman-At-Large race, former congressman Martin Dies piled up a big lead over his six opponents in the first primary but did not have a clear majority over the field; therefore he was scheduled to be in the run-off with John Lee Smith of Lubbock who was second high, but Mr. Smith withdrew from the race and consequently Martin Dies' name is the only one appearing under the congressman-at-large section on the ballot.

Frank P. Culver of Tarrant County and Spurgeon Bell are in the run-off for Place No. 1 on the Supreme Court. They won over A. R. Stout of Ellis County and Glen R. Lewis of Tom Green County in the first primary.

Joe S. Moss of Garza County and Ernest O. Northcutt of Amarillo are matched in the race for Associate Justice of the Court of Civil Appeals, 7th Supreme Judicial District. Hal Houston of Amarillo and Harry Bunnenberg of Vernon were the other two contestants in this race in the first primary.

The county race which is yet to be settled is that of County Judge in which D. A. (Dink) Hunt and H. S. Sims are the opponents. Hunt is a former county judge of Wheeler County and Sims is a former county commissioner of precinct 4. Glenn King and Marvin Shelburne were the other two contestants in this race in the first primary.

W. E. Mason, incumbent, and H. H. Walser, a former commissioner, are candidates for county commissioner in precinct 2. Floyd Morris was the third candidate in this race in the first primary.

County Democratic Executive Chairman A. B. Crump announced this week that polls will open at 8:00 a.m. and close at 7:00 p.m. Saturday the same as they did for the first primary. Voters will cast their votes at the same balloting places in the second primary as they did in the first. Election judges are asked to get their returns in to Chairman as soon after the polls close Saturday evening as is humanly possible. Likewise the voters are urged to go to the polls and cast their votes as early in the day as they possibly can to facilitate the counting of the votes.

**INVITATION!**  
Everyone is invited to attend the Wheeler County Singing Convention at the Gageby Church, Sunday, August 24, at 2:00 p.m.

**ANNOUNCEMENT!**  
The Wheeler Garden Club will sponsor a flower show October 11. Members are making plans for the event now and will have further details published later. Those interested are requested to start making plans to participate in the show this fall.

#### "NEW G. I. BILL OF RIGHTS"

Most of the benefits to veterans of  
World War II have been accorded to the veter-  
an of the Korean war period. The new G. I.  
bill of rights provides for free schooling,  
government guaranteed home and business  
loans, and mustering out pay.

Service on the Korean battlefield is not

required for one to become eligible. Any ser-  
vice man honorably discharged since June  
27, 1950, and who has had 90 days of ser-  
vice, will be eligible.

Veterans will be entitled to one and one-  
half days of schooling for each day of ser-  
vice after June 27, 1950, with a maximum of  
36 months except for World War II vets. The  
veterans going to school will get \$110 a mon-  
th if single, \$135 if he has one dependent,  
and \$160 if he has two or more dependents.

The government will guarantee business  
and home loans up to \$7,500, and mustering-  
out pay is set at \$100 for service less than  
60 days, \$200 for more than 60 days, and  
\$300 for service of more than 60 days and  
overseas (including Alaska) service.

#### THE SECRET OF SUCCESSFUL FISHING

For a great many people, fishing isn't  
sport and excellent recreation that it is  
supposed to be. People who have fastpaced  
jobs in our complex society need to take it  
easy. If fishing requires the same made pace  
that our daily routine requires, it provides  
little recreational value.

The fisherman who doesn't allow enough  
time to drive to his favorite fishing area and  
as a consequence has to drive his automo-  
bile at a high rate of speed, the fisherman  
who doesn't allow enough time for sleep or  
for a good breakfast, the fisherman who  
works hard at the lake or stream trying to  
catch more fish than anyone else, is going  
to be in worse shape after his day of recrea-  
tion is over than he was before his day of  
relaxation began.

The best example of successful fishing  
that we know of is the small boy or the man  
who sits happily dangling a hook from a  
country bridge or a shady bank. They may  
not have boats and fine tackle, they may  
not catch any fish, but their relaxed attitude  
is right and they're having fun. The secret  
of successful fishing is not catching fish but  
taking it easy.

#### BARUCH ON INFLATION

Bernard M. Baruch, former adviser of  
Presidents, recently warned that inflation—  
if allowed to continue—will destroy any  
economic or foreign policy the Administration,  
or the next Administration, formulates.  
Inflation must be stopped, Baruch said, if  
any policy at all is to be carried out success-  
fully.

Mr. Baruch further charged that the  
recent steel strike was completely unneces-  
sary and that if the Administration had taken  
prompt action in 1950, and used the powers  
voted by Congress, to place a strict ceiling  
over wages and prices, it would have been  
avoided.

He pointed out that this was not done  
and accused the Administration of practi-  
cally legalizing inflation for some period after  
the start of the Korean War.

#### HAVE A BETTER KITCHEN

Let's have quiet in the kitchen!  
That's what American homemak-  
ers said and the makers of modern  
kitchen equipment listened. The re-  
sult is sound-deadened cabinet  
doors and drawers that reduce  
kitchen clatter to a whisper. Door  
catches, too, are designed so doors  
close and open easily and noiseless-  
ly, and slamming is not necessary.

Sound deadening in the steel  
kitchen cabinets of today is ac-  
complished by making doors and  
drawers with both an outer and in-  
ner panel. Between the two is  
placed a noise-absorbing material,  
eliminating any clatter.

**Catch Is Important**  
The most efficient and quietest  
door catch is the torped type. It  
consists of a metal strike attached to  
the inner panel of the door, and a  
metal catch recessed into the side  
or center post of a cabinet at the  
corresponding spot. When the door  
is closed, the strike slips into the  
catch easily and is held there firm-  
ly but gently. Opening is equally  
simple and requires no tugging.

If you're planning to remodel your  
kitchen, or are drawing plans for a  
new kitchen, it's a good idea to  
make sure that the equipment you're  
considering has these fea-  
tures, says the Youngstown Kitchen  
Planning Service. Then you'll  
be sure of having quiet in the  
kitchen.

#### LEGAL NOTICE

HOUSE JOINT RESOLUTION NO. 25  
proposing an Amendment to Article III of  
the Constitution of the State of Texas by  
adding a new section therein to be known  
as Section 61 to authorize cities, towns, and  
villages of this State to provide insurance  
for employees, providing for the submission  
of such insurance to the qualified elec-  
torate; and providing for promulgation  
and publication by the

LEGISLATURE OF THE  
STATE OF TEXAS.

Section 1. That Article III of the Consti-  
tution of the State of Texas be amended by  
adding a new section therein to be known  
as Section 61 to read as follows:

"Sec. 61. The Legislature shall have the  
power to enact laws to authorize cities, towns,  
and villages of this State to provide Work-  
men's Compensation Insurance, including  
the right to provide their own collection  
for all employees and to provide for the  
payment of the cost, charges, and  
premiums on policies of insurance and the  
benefits to be paid thereon."

Sec. 2. The foregoing Constitutional  
Amendment shall be submitted to a vote of  
the qualified electors of the State at the  
General Election to be held on the first Tues-  
day after the first Monday in November,  
1952, at which election all ballots shall have  
printed thereon for inclusion using voting  
machines the said machines shall provide  
for the following:

"FOR the Constitutional Amendment  
authorizing the Legislature to provide for  
Workmen's Compensation Insurance for em-  
ployees of cities, towns and villages," and  
"AGAINST the Constitutional Amend-  
ment authorizing the Legislature to provide  
for Workmen's Compensation Insurance for  
employees of cities, towns and villages."

Each voter shall mark out one (1) of said  
clauses on the ballot, having the one (1)  
expressing his vote on the proposed Amend-  
ment; and if it shall appear from the re-  
turns of said election that a majority of the  
votes cast are in favor of said Amendment,  
the same shall become a part of the Consti-  
tution of the State of Texas.

Sec. 3. The Governor of the State of Texas  
shall issue the necessary proclamation for  
said election and have the same published  
as required by the Constitution and laws of  
this State.

#### Donald Barber Aboard USS Philippine Sea

After spending seven months in  
the Far East operating with units  
of the UN naval forces, the air-  
craft carrier USS Philippine Sea  
has returned to the United States.  
Serving aboard her is Donald  
Barber, seaman apprentice, USN,  
son of Mrs. R. D. Barber of Wheel-  
er.

During her time in the Far East  
the Philippine Sea sent her Pan-  
ther jets, Skyraider attack bom-  
bers and Corsair Fighter bombers  
on daily strikes against Com-  
munist supply and communication  
lines.

In addition to the "line-cutting"  
and "rail-splitting" missions, the  
pilots concentrated on gun em-  
placements, troops, supply areas,  
factories and warehouses, destroy-  
ing anything of possible use to the  
enemy.

As a parting shot at the Com-  
mies, planes from the Philippine  
Sea, and three sister carriers hit  
the strategic hydro-electric plants  
along the Yalu river and through-  
out North Korea. With Navy,  
Marine, and Air Force jets flying  
cover, Philippine Sea planes deliv-  
ered a stunning blow at the  
Red's power systems.

The Philippine Sea is the first  
of the four carriers that made the  
strike, to return to the states.

#### WORD OF ADVICE

Woman's Club Speaker: "And,  
ladies, don't turn away the wan-  
derer seeking food at your door.  
It's only then that wives will know  
what a relief it is to see a man  
eat a meal without finding fault  
with the food."

#### PLENTY OF TIME

"Do you think our daughter  
ever get married, John?"  
"Well, yes, dear, I do. But  
wouldn't worry about it for  
least twenty years darling. I've  
heard of a girl sixteen months  
long on old maid."

I got Conoco's NEW 1-2-3  
"50,000 Miles  
No Wear"  
Service!

Now is the time for all smart motorists to dis-  
cover how Conoco's great new "50,000 Miles—  
No Wear" Service helps engines last longer,  
perform better, use less gasoline and oil!

This is exactly the same service that kept test  
cars new in Conoco's spectacular "50,000 Miles  
—No Wear" road test!

In that famous 50,000-mile test, with 1,000-  
mile drains and proper filter service, test en-  
gines showed no wear of any consequence. In  
fact, an average of less than one one-thousandth  
inch on cylinders and crankshafts. Gasoline  
mileage for the last 5,000 miles was actually  
99.77% as good as for the first 5,000.

Now you can get this same 1-2-3 "50,000  
Miles—No Wear" Service, at your Conoco  
Mileage Merchant's, today!

#### Here's the Famous "50,000 Miles—No Wear" Service

1 Your Conoco  
Mileage Merchant  
Will Drain Out Grit  
and Sludge, preferably  
while engine is hot!  
"Hot-oil" drains every  
1,000 miles flush out  
grit, dirt, acid and con-  
tamination—leave your  
engine sparkling clean!

2 He'll Recondition  
Air and Oil Filters!  
He'll clean filter ele-  
ments, replace dirty  
cartridges, record mile-  
age. Every time hood  
is lifted, he'll check  
mileage to be sure filters  
have been serviced at  
proper intervals.

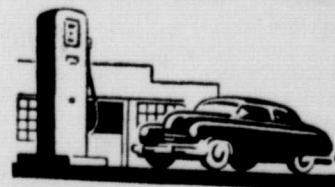

3 He'll refill with great  
Conoco Super Motor Oil!  
Conoco Super is fortified  
with additives that curb  
dangerous accumulation  
of dirt and contamination  
—protect metal surfaces  
from corrosive combus-  
tion acids—fight rust—and

**ELK CITY HOLDS FOURTEENTH ANNUAL RODEO**

Elk City's 14th annual rodeo will be enacted August 21, 22 and 23 in a new rodeo park with a steel grandstand and bleacher seating capacity of 7,000 persons.

The new rodeo park, situated immediately northeast of the stone-walled rodeo and baseball park used for the previous 13 annual rodeos here, was completed earlier this month and is considered one of the Southwest's finest and most modern rodeo facilities.

As in previous years the 14th annual Elk City rodeo will serve as the homecoming event for the Beutler Brothers, local sons whose headquarters ranch is located 4-miles north of Elk City, and who have produced 28 of the nation's top rodeos this season.

Rodeo contest events, which will attract world champions from all sections of the United States, will include bronc riding, bareback bronc riding, bull riding, bulldogging and calf roping.

In addition to the regular rodeo contest events the cream of specialty attractions have been contracted for this year's Elk City rodeo to celebrate the opening of the new rodeo park.

Among the highlighting specialty attractions will be the famous Hendricks Family, gayly garbed fancy riders who appear in numerous between-contest specialty acts and also have one of the rodeo profession's most popular comedian routines.

Still another added feature of this year's rodeo will be a trampoline clown and tumbling act billed as "Homer and the Lane Sisters," this troupe having worked with such great stars as Gene Autry, Hopalong Cassidy, Roy Rogers and other movie personalities.

Arena clowns for the 14th annual rodeo are Zeke Bowery, Riverside, Calif., and Hoyt Heffner, Elk City, who will keep the spectators entertained with antics involving trained mules and an "educated" chimpanzee who answers to the name of "Marie."

The 14th annual Elk City rodeo will include three night performances on Thursday, Friday and Saturday nights. Each night's show starts promptly at 8 p.m.

**HENS REQUIRE PLENTY WATER TO LAY BEST**

Chickens are not unlike humans during the hot days of summer. They like to be comfortable and a mighty important part of comfort, says Professor E. D. Parnell, poultry husbandry department of Texas A. & M. College, is having plenty of cool, fresh water to drink.

Water is usually plentiful on most farms but many flock owners fail, during the summer time, to provide their chickens this very important item. Parnell isn't guessing about the failure because he annually observes management practices used by many flock owners in Texas. Water is generally a pretty cheap item on the farm but when it is not provided in sufficient quantities, chickens just don't do well, says Parnell.

He urges every poultryman to take another look at the poultry house equipment. Spot the things that are wrong. Study the flock as never before and chances are the changes made will insure greater profits from the flock.

Chickens not only like their water fresh and cool but they want it handy too, says the professor. If the fountain is more than 10 feet away from the chicken, it may go thirsty rather than make the trip. Check the location of fountains as well as the total supply of water and add fountains

if they are needed. Parnell points out that it is sometimes necessary to give medicine to the flock in the drinking water but warns there's a danger in doing it. He says some drugs just don't taste good to chickens and turkeys and they quit drinking. Watch the birds carefully when medication is used in the water, and if they quit drinking, better find another way to give the medicine, says Parnell for unless they drink lots of water, there'll be few eggs or little meat produced.

Corn hybrids were planted by Texas farmers on 71 percent of the 1952 acreage they planted to corn. This compares with 15 percent in 1945 and only one percent in 1941, the year Texas hybrids first became available.

The businessman was fast asleep in his hotel room when the phone rang. It rang for a full minute before he awakened. He picked up the receiver sleepily.

"Long distance calling!" an operator sang out. "Here is your party."

"Okay," yawned the businessman. "Hello!"

"What's that?" cried the voice at the other end.

"I said 'hello!'"

"Oh," said the voice. "Hello!"

The businessman paused.

"Well," he demanded, "What do you want?"

"Nothing," answered the voice.

"Absolutely nothing."

The other saw red.

"What!" he roared. "If you didn't want anything why do you call me at three in the morning?"

"That's simple" replied the voice cheerily. "The night rate is cheaper!"

Mrs. Parilee Witt of Amarillo is shown as she displayed some of her paintings. Mrs. Witt formerly resided here and still owns land in this vicinity.

### MRS. WITT ROLLS IN UNIVERSITY

**EDITOR'S NOTE:**—The following article appeared in a New York paper earlier this summer when Mrs. Witt enrolled in college for a summer art course.

Mrs. Parilee Witt, who will be 83 years of age in August, is the oldest person to have yet enrolled at Eastern Texas State University. She is currently taking an art course at the college.

For credit, but for the pleasure of learning more and about oil painting. When asked why she was taking an art course, she answered that she had heard so much about the art department at the University that she thought they would have something worthwhile to offer her and

that she felt a person never gets too old to learn.

While in Portales Mrs. Witt will live with her granddaughter, Mrs. John Booth and family, but will spend part of her time with her grandson, Clinton Chandler, and his family.

Mrs. Witt is a pioneer of the Texas Panhandle, having left Denton County in 1898 and settled in Wheeler County in 1909. She now has a home in Amarillo, but still maintains her ranch home near Wheeler where she reared her nine children. She drives her own car back and forth between Wheeler and Amarillo.

She was honored in Amarillo on her 80th birthday anniversary with a reception and exhibition of 89 of her oil paintings.

In an interview, Mrs. Witt stated that when her youngest child was six years of age, she had a music teacher come to her home and teach six of the children to play the piano and that she took lessons right along with them. She still plays church hymns for her own pleasure, but painting is now her greatest diversion.

son.

In 1913 she took a few lessons in watercolors, but it was not until thirty years later that she took up oil painting and made such a hobby of it. An original painting of Texas Bluebonnets growing on a slope near the edge of the woods was one that received great admiration at her 80th birthday exhibition. She had made the sketch while coming from Dallas back to her home in Amarillo.

She has sold some of her paintings and given many of them to her friends and family.

Mrs. Witt has a vitality which belies her age. When she was being interviewed she had just finished a hearty lunch (no light diet and succumbing to the rocking chair for her) after four hours of painting at the University and said that she was attending a party in the afternoon with her granddaughter.

It would be wonderful if every eighty-three-year oldster had so much interest in life, or do you suppose that her interest in life is what has kept her so young?

### OLD AGE TO BE CONSIDERED BY HEALTH MEN

In the past, medicine and public health have concerned themselves largely with the health and disease problems of youth and middle age said Dr. Geo. W. Cox, State Health Officer. We have neglected our aged population and have waited upon the devastations of time before extending aid to the old.

Our population each year includes an increasing number and percentage of older people. In 1950 in the United States, it is estimated that there are 11,000,000 persons over sixty-five years of age, as compared to 3,000,000 in 1900. In absolute numbers, aged persons among us have almost quadrupled in the last fifty years, whereas the proportion of elderly persons to the remainder of the population has merely doubled.

Dr. Cox stated that preventive medicine, private medical care, and social service have assisted in extending the life span. As en-

couraging as this fact may be, there is an accompanying tribulation: the aged are subject to the chronic diseases which, because of destroyed tissue structure, are especially weakened. Heart disease, cancer, diabetes, and other long-term illnesses resist the physician's most skillful attack and are notably disabling and lethal.

To insure health and peace of mind to our old people, preventive and curative medicine and social service can contribute techniques of prevention and care. These techniques should properly include the early discovery of beginning disease processes through periodic examinations that begin in early life and continue for one's remaining years. By such means many cases of chronic disease, with all their agony and sure fatality, might either be prevented or, through the substitution of different living regimens, be rendered tolerable.

At the Purina Farm hogs fed on the Purina Program produce 1/3 more than the national average. Thousands of Purina Program feeders get results equal to those at the Farm.

National average of pigs saved is only a little better than 6 per litter. At the Farm over 9 pigs per litter were saved in 1951.

It's generally agreed that it takes 5 pigs per litter to break even. Last year the average hog man had 1.4 pigs per litter for profit. The Purina Farm had 4.1 pigs for profit... *Three Times as Much Profit!*

**Gas Dryers Lighten Wash Day Chores**

Life farm meals, farm washes are usually twice as big as city family  
 laundries. Overalls, jackets, underwear, socks and even the farmer's hat  
 are all washable, making rural wash days frequent and large.  
 Not only a work-saver, LP-Gas clothes dryers also afford rural home-  
 makers a time-saving shortcut. Overalls and jackets come out ready-to-  
 wear, require no ironing. Delicate lingerie and thick bath-towels can all  
 be dried automatically and safely in minutes, instead of hours.  
 Most important to modern homemakers, the back-straining chore of  
 hanging up the heavy, wet wash is eliminated. Clothes also wear and  
 look better because they are protected from whipping winds and the  
 elements. Clothing fibres last longer.  
 Connected to LP-Gas cylinders or a bulk storage tank, the dryer  
 delivers year-round service regardless of weather. This fuel, also known  
 as butane and propane, is stored in liquefied form. When used, it changes  
 into its gaseous state.  
 An automatic clothes dryer is a real space-saver, too. The farmyard  
 is left free for parking agricultural implements and the basement for  
 storing preserved foods.

**KIWANIS NOTES**  
 By Dr. C. C. Merritt  
 We had the installation of a new  
 member Monday at our regular  
 meeting. Since Tom Britt was un-  
 able to be there, Harry Weidford  
 installed Earl Brown. Earl comes  
 to us to take over as superinten-  
 dent of our schools. We are very  
 glad to have him and we know  
 that he is going to make a worker  
 in our club. You see, really we  
 have no place for loafers. I would  
 not know what committee to make  
 a loafer the chairman of. Earl  
 brought the program, too. And as  
 could be expected he talked to us  
 about school work. Thanks, Earl,  
 we will be expecting to hear from  
 you again soon.

W. C. Whiteside, Weatherford,  
 Okla., was our only visitor. And  
 we hope that he will soon follow  
 the example Earl Brown set and  
 become a member of our club. W.  
 C. will soon move to Wheeler. He  
 is a new member of our teaching  
 staff.  
 The next things coming is our  
 softball tournament, chest X-ray-  
 ing and Kid's Day. And we hope  
 you will all be on time.

The school reserves the right to  
 accept or reject any bid submit-  
 ted for the best interest of the  
 school. The bus must be removed  
 from the school premises by the  
 successful bidder within 90 days  
 from date the award is made.  
 Forms for making bid may be  
 secured at the office of the Wheel-  
 er School Superintendent at the  
 school or from the County Super-  
 intendent's office. 36-41c.

## Extension Workers And Local Helpers Helped 40,586 Rural Families

Extension workers and local leaders helped 40,586 rural families improve their homes in 1951, according to the statistical annual report of Bernice Claytor, home management specialist with the Texas Agricultural Extension Service. These activities ranged from new houses built or remodeled to major repairs and the addition of furnishings and equipment.

Since World War II, adds the specialist, there has been great interest in buying new and re-vamping old furniture. Last year, 20,700 major pieces were added to homes and 28,570 pieces refinished, re-seated and upholstered. Mrs. Claytor says the high price of furniture gave the incentive to the women and girls to repair and refinish the furniture they already had.

Kitchen improvement was an important phase of the home management program. The 7,040 women and girls assisted, added 18,028 pieces of major equipment such as ranges, refrigerators, home freezers and washing machines and 6,290 added built-in cabinets or permanent storage.

Improvements were also made in 10,817 living rooms, 12,671 bedrooms and 5,528 bathrooms. Sanitation was improved by the building of 890 sanitary toilets and 1,772 sewage disposal systems. Along with these improvements 21,168 families were assisted in removing fire and accident hazards.

Information on housing and house furnishings was given by the specialist and home demonstration agents through method demonstrations, radio, press and slides. The slides which have been prepared by the specialist for distribution are: The Farm and Ranch House, The Farm Kitchen, Planning the Livingroom, Planning the Bedroom and Storage in the Farm Home.

A Texas oil man divorced his wife because she kissed him only when she asked for money. Gosh, isn't that often enough!

## BOWSER AND HILBURN HELP POLIO VICTIMS

EDITOR'S NOTE:—The following is a letter received recently by Mr. and Mrs. Lyndon Sims in regard to their membership dues in a little organization which was formed last year while their children were confined to the Polio Sanitarium and Clinic at Plainview. The organization was formed by two grown victims of polio for the purpose of helping to entertain smaller victims of the dread disease and you can see from the letter what they have accomplished during the past year. If you wish to help this worthy cause you may become a member of the organization by sending your dues to Bowser's Little Corner, care of Plainview Sanitarium and Clinic at Plainview, Texas.

Dear Mr. and Mrs. Sims: Your 1952 membership for Bowser's Little Culture Corner has expired, and we are sure that you will want it renewed. We are enclosing your 1952 card. Dues are still one dollar. I know that you are interested in what our organization has done during the past year, so here is a complete report.

The Corner raised \$1,308.00 from membership dues last summer. We now have a balance of \$729.64 which will be used to continue the movies in the polio ward for several years. So far we have:

(1) Provided two movies a week for the children in the polio ward. The polio patients are all over the state; only a few are from Plainview.

(2) Given fifty dollars to help start the local March of Dimes campaign in 1952.

(3) Purchased fifty dollars worth of microfilm books for use with a ceiling book projector given the ward by another organization.

We will continue providing the movies as well as various other equipment which can be used to entertain the children in the ward.

As soon as a station is located in the vicinity we may be able to put in a television set. But for the time being we are interested in a new project which has a deeper value . . . that of saving lives.

We are planning to purchase an Emerson iron lung which will cost around \$2,000. The lung will be owned by the Corner, and when not needed at the polio center here, will be placed on call by the National Foundation for Infantile Paralysis for use wherever needed.

There are three lungs now available for use in the ward. During the summer of 1950 nine lungs were in operation here at the same time. While we hope that the 1950 peak will not be reached this year, signs point toward another heavy polio toll.

As you can see from the above figures, our membership will have to be raised by some seven hundred persons if we are to meet our goal. This is with the assurance that all of our old members as a charter member in appreciation. We will be glad to reply you with any number of yours sincerely,

red persons if we are to meet our goal. This is with the assurance that all of our old members as a charter member in appreciation. We will be glad to reply you with any number of yours sincerely,

Sin and a snake...a rattlesnake! How fearful we are of the rattlesnake! And rightfully we should be. A few hundred of our people are bitten each year...many of them die from this poisonous venom. But more poisonous than the snake is SIN. Beware! Be on the lookout for your soul's enemy number one. The snake only destroys the body. Sin blights the soul.

We must develop the same horror and tragic fear for another poisonous monster...alcohol. More than 750,000 of America's men are sick this very minute with the terrible disease of alcoholism. They have been poisoned in body and shackled in will and crippled in mind. Their work suffers and their families are stricken with fear and anxiety for their healing. Bellevue Hospital in New York, in one recent year, admitted 12,084 cases of alcoholics.

Lukewarm church people have allowed the worldly to criticize churches...advertise vice...ostracize preachers...minimize righteousness...and practically idolize the ungodly. This terrible situation cannot be allowed to gain sway. In these days we must liquidate complacency. We must think thoroughly and act swiftly, well and firm. A barrel of "rusty, deadly poisonous rattlesnakes" is a horrible sight but the most pathetic sight is an alcoholic.

### Mobettie Meditations

(Continued from Page 1)  
Plainview where Quintis will enter college. Both families received many nice gifts.

Tuesday night at the Legion Hall the election of officers for the Auxiliary was held. Plans for helping with the Old Settlers Picnic were made in detail. Officers elected for the ensuing year and to be installed at the September regular meeting were: president, Mrs. Elbert Trout; vice-president, Mrs. Jap Bailey; secretary, Mrs. Maggie Thompson; chaplain, Mrs. Homer E. Matthews; Sgt. at arms, Mrs. Johnny Murrell and historian, Mrs. Grady W. Harris.

W.S.C.S. met at the Methodist Church Thursday with Mrs. Homer Matthews presiding for business. Mrs. O. G. Beck brought the devotion on "The Golden Rule" in a very inspiring message. Mrs. Sam A. Thomas, Sr. talked to the group about "Responsible Churchmanship" with Mrs. Hugh Bailey giving the concluding chapter on the study "Mission To America."

Rev. and Mrs. L. E. White and Mrs. J. W. White attended the White reunion at Pecos Kingdom Monday.

Guests in the Willard Godwin home over the weekend were: Mr. and Mrs. Norman Dysart and family of Amarillo, Sgt. Drew Godwin and Pfc. Rohland Hebert from the Air Force Base at Sherman; Mr. and Mrs. Bill Godwin and Quintis, Mobettie.

Mrs. Pearl Ferguson, Mrs. John Wright, Mobettie and Mrs. Charles Richardson, Pampa, attended the Cemetery Working at Monday recently. The three women are sisters. This is in reality a

type of reunion as all go back at this time each year, if possible. Their mother was buried in this cemetery.

Tuesday night the following R. A. boys with their sponsor, Quintis Godwin, enjoyed a hike which ended at the "Old Swimming Hole." They were Jay Godwin, E. W. Riley, Geoffrey Caldwell, Archie Scribner, Ferrell Baird, Tommy Cochran and Alfred Corcoran.

Mrs. Mollie Seitz and Pierce Walker are enlarging, remodeling and redecorating their homes. We know they will be nice when completed.

Word has come to us that a son was born to Sgt. and Mrs. Geo. B. Dunn, Roswell, New Mexico.

Alfred Hill, Mobettie Drug Store owner, has been under the weather for quite some time. He completed his tests Monday at the Newman Clinic at Shattuck and while he still is not real well, his report was good. We hope he soon will be enjoying the best of health.

All Legion Auxiliary members are asked to be present in the basement of the First Methodist Church Wednesday night, August 27, for a choral rehearsal.

Friday night guests in the T. A. Greenhouse home were Mr. and Mrs. R. A. Greenhouse, Kathleen, Kenny, and Bill Greenhouse, Vernon; Mr. and Mrs. Frank Chastain, Denton; Mr. and Mrs. Harry Greenhouse, San Gabriel, California; and A. E. Greenhouse, Pampa.

Mr. and Mrs. R. L. Gaimor and Mrs. Mollie Seitz have returned from a vacation spent at Forresterburg and Ft. Worth. While at Forresterburg they attended the annual homecoming where Mr. Gaimor lived and attended school.

Curtis Oswald and son, Wendell, Phoenix, Arizona, spent the weekend with the father and mother of Curtis, Mr. and Mrs. Jake Oswald.

Visitors in the W. C. Hogan home during the weekend were: Sgt. James M. Hogan, Camp McCray, Wis.; Mr. and Mrs. S. L. Hogan and family, Oldale, Calif.; T-Sgt. and Mrs. J. L. Miller and family, Montgomery, Ala.; Mr. and Mrs. C. G. Hogan and Randy and Mr. and Mrs. E. L. Hogan and family, Pampa.

Mrs. Clyde Kelley and Mrs. Curtis Lancaster attended the Seminar for the Womens Society of Christian Service of the Methodist Church at Borger Tuesday.

Mrs. M. R. Ayers has returned from an extended visit with her daughter and family, Bakersfield, Calif.

Weekend guests in the A. K. McBride home were Mr. and Mrs. Walter Jones and Marvin of Kansas City, Mo., and Mr. and Mrs. T. W. McCraw, Miami.

Miss Elaine McCasland is spending some time with her cousin,

In this picture, photographer, Alex Leman opened up the lens aperture of his Speed Graphic to throw the crowd out of focus and concentrate attention on the players. Graflex photo.

### DEPTH OF FIELD

When talking about picture-taking, "depth-of-field" is a term we often hear used. What is depth of field, and of what value is it in photography?

Simply, depth-of-field is the distance from the nearest object to the farthest object in a camera's focus. For example, let's say you focus your camera on a tree ten feet away. Depending upon the focal length and lens opening, your camera might also be in focus, at the same time, upon a rock two feet in front of the tree and on a bush four feet past the tree. The depth of field, then, would be a distance of six feet . . . two feet in front of the tree and four feet past it equals six feet. Everything within those six feet would be in focus.

From this example we can see that one of the advantages of a

long depth-of-field is that it allows a margin for error in focusing. In focusing upon the tree, if you had miscalculated and set your camera for eight feet, or twelve to fourteen feet instead of ten, the tree still would have been in focus. Depth-of-field can be controlled. It increases when you close the aperture of your lens and decreases as you open it. Most portrait photographers purposely throw the background out of focus by using a wide aperture. In these cases, the depth-of-field is so short that the camera must be focused critically upon the subject since there is practically no margin for error. On the other hand, for scenic pictures the aperture is usually closed way down to obtain the longest depth-of-field possible so that everything in the scene will be in focus.

### Local Buyers Attend Fashion Show in Dallas

Mr. and Mrs. Lee Whitworth were among the 5000 buyers who attended the American Fashion Association Midwinter and Holiday Market in Dallas, August 17-22.

The American Fashion Association, comprised of 500 manufacturers' representatives, displayed over 1,100 lines of women's and children's apparel at the Adolphus, Baker and Bluebonnet hotels.

Highlight of the market week was the breakfast-clinic style show entitled "Christmas Fun for Everyone," held on August 19 and 20 in the Grand Ballroom of the Adolphus Hotel. Seven Holiday themes were staged, each illustrated by costumes from the midwinter lines, together with suggestions for promotion, advertising and window display. A children's choir presented a background of Christmas music.

The style show was presented with Mrs. Evelyn Lambert's commendation. "The next market will be held in Dallas, October 26-31 and will feature Resort and Advance Spring Fashions."

### Jackie Ray Taylor To Be In Pre-School Retreat

Jackie Ray Taylor, son of Mr. and Mrs. Bob Taylor of Allison, will participate on the program of the annual pre-school retreat for Hardin-Simmons University students, to be held at the Luaders encampment, September 11-14. "Try Jesus" will be the theme of the encampment. Approximately 250 students are expected to attend. The encampment is being directed by Truett Sheriff, director of H-SU religious activities.

Taylor, president of the Baptist Student Union, is also active in the Life Service Band, Ministerial Council, and Executive Council.
