LEGAL NOTICE

TO: ALVIN EDWARD SIMMONS Defendant, Greetings:

You are hereby commanded to appear before the Honorable District Court of Wheeler, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 30th day of April A. D. 1956, then and there to answer Plaintiff's Petition filed in said Court, on the 13 day of March A. D. 1956, in this cause, numbered 4505 on the docket of said court and styled Marilyn Simmons Plaintiff, vs. Alvin Edward Simmons Defendant.

A brief statement of the nature of this suit is as follows: to wit: Suit for divorce on the grounds of cruel treatment and for custody of John Wesley Simmons, the child of the plaintiff and defendant, and further alleging that there was no community property to be divided, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wheeler, Texas this 13th day of March A. D. 1956.

Attest:
Rena Sivage Clerk
District Court, Wheeler County, Texas 14-4c

KIWANIS NOTES

Three out-of-town visitors were present at the weekly Kiwanis luncheon held Monday at Fellowship Hall.

Announcements pertaining to various activities of the community the next week were made.

An interclub visit with North Amarillo Club was arranged for Tuesday.

David introduced Rev. Carlton Thomson who brought an inspirational program on the meaning of Easter. He took as the foundation of his talk a passage of scripture, John 13: 3-5. Pointing out that all life came from God and will return to God who gave it. The interim is filled with service. Service to God. Service to your fellowman.

C. J. was absent this week and Frank filled in as president.

Wheeler County Soil Conservation District News

Several cooperators of Wheeler Soil Conservation District have reported to Soil Conservation Service personnel their grass seeding done this spring. Most reports on grass seeding indicates larger planting than has normally been made for several years.

Carroll Adams reports he seeded 70 acres of weeping lovegrass. Mr. C. L. Moore reports he seeded 170 acres of weeping lovegrass. Mr. Moore plans to use weeping lovegrass as winter pasture. Eugene Brewer is seeding 160 acres of Native grasses such as sand lovegrass and side oats grama. Mr. Brewer started his grass seeding program in 1950 and has done well seeding native grasses.

Max Wiley reports he and Jim Montgomery have set out two bushels of Coastal Bermuda grass roots in gullies on their place. This is one of our highest forage producing bermuda grasses and can be used for hay or pasture as well as for gully control.

The supervisor of Wheeler Soil Conservation District and Soil Conservation Service Personnel are seeding reports of all grass seeding being done with in the district. If you do any reseeding please let

Remodeling Helps Couple Maintain Big House Alone

Finding a home with enough living space is a key problem when the family is young. Later, when the family is grown, the problem is reversed. The husband and wife cope with the difficulty of maintaining a large house alone.

This problem faced Frank Brehm of Cadillac, Mich.

Two of his three children were married and living away. Looking ahead to the time when the last child would also leave, he wanted additional first floor living space in his 7-room cottage so he could close off the second floor and enjoy "bungalow living." But he wanted the second floor to remain available for visits from the children and other guests.

The home, itself, was very similar to thousands of other houses across the country. Mr. Brehm wrote to A. B. Campen who heads a mail remodeling consultation service in Peoria, Ill. Campen suggested tearing down an old woodshed that adjoined the house and replacing it with a new wing. Specific plans were drawn by Campen and a local contractor was engaged to carry out the work.

The new wing contained a large bedroom, a utility room, a first floor bath and added closet space—the necessary ingredients for first floor living.

A new main entrance was built at the side of the house. It opens into a hall from which the kitchen, dining room, bath, bedroom and utility room can be entered without crossing any other living area.

Interlocking asphalt shingles, which give good protection in high-wind areas, were applied to the new wing. These were similar in appearance to the shingles on the main roof. As a further unifying feature, the roof line of the wing was extended across the front of the house to join the roof of the main porch. This also helped to "cut" the height of the house, improving the appearance.

Mr. Brehm reduced costs by doing some of the remodeling work himself under the guidance of the contractor. Labor was saved by using easy-to-install ponderosa pine window units, with sash and frame fitted to each other at the factory.

By insulating the wing's ceiling and exterior walls, Mr. Brehm reduced its heating requirements to a point where the existing heating plant could handle the added load.

Some Wheeler people who were in Pampa, Saturday, were: Mrs. Willie Mae Wegner and Christine, Mrs. Marl Jaco and Janice and Doc Kennecott.

Joe Weatherly left Monday for Quincy, Ill., on a business trip.

"You can eliminate ironing with an ELECTRIC Clothes Dryer!"

says MRS. L. D. DENNY
Guymon, Oklahoma

IT'S MAGIC — NO TRICK ELECTRIC DRYING'S SLICK!

SEE YOUR REDDY KILOWATT APPLIANCE DEALER

"My big interest in owning a clothes dryer is the time that I can save. I make all the pies for our cafe, and spend several hours a day there, and I have four children, and must wash every day. Now that I have my dryer it takes fewer clothes for my children, and less time to launder them."

"I choose many of the materials that need no ironing for our clothes, especially the dresses for my little girl. I haven't time to iron the many ruffled dresses she wears every week. With the no-iron materials, her dresses are ready to wear when they come out of the clothes dryer. MY YOUNGEST SON WILL SOON BE TWO, AND I HAVE NEVER HAD TO IRON ANY OF HIS CLOTHES." "Sandy says our towels are as soft as her kitten. And she is so right, because my dryer."

See your Reddy Kilowatt Appliance Dealer, and see for yourself that you, too, can enjoy all the advantages of modern clothes drying. Of course, it's electric.

Flood's Aftermath

AFTER THE FLOOD at East Stroudsburg, Pa., last summer, a couple gets words of encouragement from a Red Cross worker who discusses the damage to their house. They were one family among thousands who sought help from the Red Cross after the Eastern states floods.

Lloyd Cole and son of Frederick, Okla., visited her sister, Mr. and Mrs. C. C. Robison and sons — Mr. and Mrs. Russell Barker of Meridian were Friday guests of her parents, Mr. and Mrs. J. A. Callan and children — Mrs. Charlie Bradshaw is recovering nicely from major surgery at the Wheeler Hospital — Miss Ruby Lee Williams, student at WTSU at Canyon spent the week end with her parents, Mr. and Mrs. W. L. Williams — Miss Vell Stewart of Miami stopped in Wheeler Wednesday to visit her friend, Mrs. G. W. Porter — Miss Beth Stiles returned to her home at the Stiles ranch after making a two weeks visit in Amarillo with friends — Mrs. Emmett Keeney and baby of Alameda returned home Saturday after a visit with her parents, Mr. and Mrs. O. Lewis — Wm. Edward George of Briscoe is staying with his grandmother while his mother is in the hospital at Shattuck — Mrs. E. S. Rimmer of Quemado, N. M., will return home Saturday after a week visit with her parents, Mr. and Mrs. B. F. Crossland, and family of near Briscoe — Mr. and Mrs. Lee McCasland and son, Lindsay, and Earl Farris were Sunday dinner guests of Mr. and Mrs. E. C. Ware at Mobeetie —

Mr. and Mrs. H. E. Cole went to Pampa Saturday to see her brother who is seriously ill there. His condition was much improved Sunday when Mrs. Cole and sons, LaVeau and Everett, went to see him — Mr. and Mrs. Frank Walker of Miami were in Wheeler, Tuesday on business. Mrs. Walker visited Mrs. D. O. Beene during the afternoon — Mr. and Mrs. Cecil Denson of Amarillo came Monday afternoon to take home their daughter, Mary Bob, who had spent about three weeks with her grandmother — Mrs. Glen Porter and Mrs. R. J. Holt spent Sunday in Shamrock — R. J. Holt, Jr., and sister, Margaret Ann, came home Sunday from Pampa by bus, they had spent the week with their grandparents.

Locust Grove — Mrs. Raymond Reeves visited in the home of her sister, Mrs. Eunice Walker at Briscoe Tuesday afternoon — Miss Mary Genthe was the guest of Elsie Newkirk Wednesday night.

Briscoe Broncos — Mr. and Mrs. E. L. Puryear and daughters, Jane and Ruth, spent Sunday evening with Mrs. Clyde Bell — B. F. Meadows and Victor Hudson spent Sunday with Jeff Puryear.

Moustais View — Jesse Godwin and family were Sunday visitors of Mrs. Hill.

Pleasant Hill — Mr. and Mrs. Jess Moore and daughter, Margaret were shoppers in Shamrock, Tuesday — Mr. and Mrs. Tom Bradstreet of Allison have moved into the community — Mr. and Mrs. G. W. Mason visited friends in the Sweetwater community, Sunday afternoon — The young folks enjoyed a party at the home of Lucille Hutchison, Tuesday night — Mr. and Mrs. Burley Mann and children visited in the Roy Weatherly home Friday afternoon.

Corn Valley — Mr. and Mrs. Ebb Farmer and Mr. and Mrs. Luther Sides spent Sunday with Mr. and Mrs. Jack Beck — The Quilting Club met Thursday at Mrs. E. G. Pettit's for an all day quilting. Those present were, Mesdames Nell Aashley, Jack Beck, Bill Farmer, Johnnie Biggers, Ebb Farmer, Ernest Beck, Bill Beck, Dewitt Swan, Magee, Bond, J. L. Bailey, E. E. Farmer, Carrol McClennen, J. A. Whorton, Luther Sides and Guy Hunter and Miss Isabelle Hunter.

WHEELER CO. PRODUCE ASS'N. CHECKERBOARD NEWS By Narville Arganbright

HERE'S YOUR BABY CHICK CHECK LIST

A lot of things go into the development of good pullets... the kind of chicks you buy, how they are put down, managed and fed. We want you to have this convenient easy-to-use check list which should help you develop good layers at reasonable cost.

1. Let's talk over your baby chick plan. We'll help you choose good chicks from pullorum-tested flocks. You'll find our quality chicks are from fast-growing strains that have been fed for vigor. They get careful hatching.

2. Order so that there will be more than two chicks per square foot in brooder house. Don't crowd.

3. Check to make sure brooder house is draft free. Then clean thoroughly with Purina Disinfectant. Allow time to dry completely before chicks arrive.

4. Set up brooder stoves and operate them long enough to be sure they are working properly before chicks are put down.

5. Cover floor with 3 inches of clean litter. Cover litter for first 4 days chicks are in ring with newspapers or sacks to keep them from eating litter.

6. Arrange sufficient waterers and feeders around hoper after disinfecting them with Purina Disinfectant.

7. Place chick guard around hoper to keep chicks from straying away from heat.

8. Have Check-R-Tab on hand for water sanitizing. One tablet purifies one quart of water per day.

9. Be sure you have an adequate supply of Super Chick Startena for giving the birds a fast start. It's even better than last year's Startena... in tests it gave 5.4 per cent faster growth, chicks the barn.

were 7.6 per cent larger on same amount of feed. And best of all... it costs less this year. Order plenty now.

DID YOU KNOW?

More than 1,250,000 chicks have been fed, weighed and compared at the Purina Research Farms and Laboratory as a check on the quality of Purina Chick Startena. Purina Super Chick Startena for 1956 is so much better you can expect even faster growth, safer growth, nicer coloring and bigger chicks. And, it costs less, too. If you are getting chicks, you owe it to yourself to start them on the best you can buy.

GET AN EXTRA LACTATION BY GROWING HEIFERS FAST

Many dairymen take three good years to grow a heifer, but it's being done right along in two, giving an extra lactation and extra profit.

In fact, the Purina Calf and Heifer Program is built to do the job in 24 months. Many Purina feeders usually breed at about 15 months of age and heifers freshen at 2 years.

This means that by the time she is 30 months old a heifer should have paid for growing her. Recently 14 first-calf heifers at the Purina Farm averaged 10,691 lbs. M and 404.5 lbs. F, and increased production to 12,078 M and 481 lbs. F, in their second lactation.

They were grown on the Purina Program-Nursing Chow and Calf Startena to four months, then Bulky-Las and oats mixed 50-50 with grain until freshening. Ask for one of our Purina Dairy Books giving many tips about growing heifers you'll be proud to have in the barn.

Mobeetie News — (Continued from page one)

and other relatives in Mobeetie. Mr. and Mrs. Earl Riley and sons of McLean visited Mr. and Mrs. H. J. Ridgway and family. Mrs. Riley and Mrs. Ridgway are sisters.

Big and Small Babies

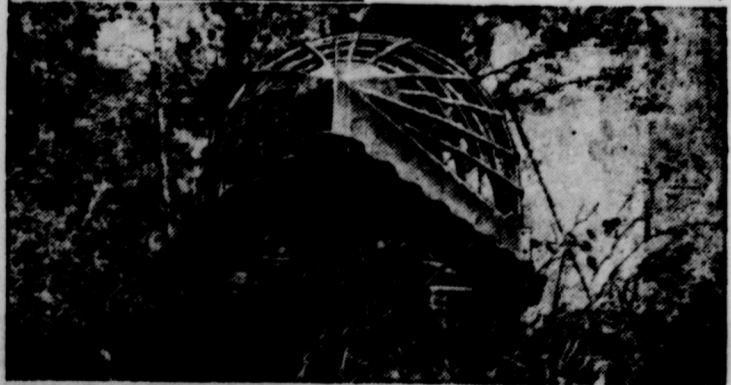

KING-SIZE BABIES—Here's a couple that would make any weighing scale groan. The man on the left tipped the scales at 282 pounds and the gal weighed in at 220 pounds. This combined weight of 716 pounds made this couple winners in the annual Fat Felix Feast at Cavour, Italy.

HURRICANE BABIES—Any fisherman would be proud to pose with a catch of striped bass such as these. Angler James Golon, 13 years of age, named the 21 and 18 pounders he recently caught, Connie and Diane after the recent hurricanes that swept through Long Island Sound.

DAVY CROCKET BABY—It still remains to be seen if this Davy Crocket will get himself a B.A. But he seems husky enough to face all critters—even people. His full name is David Cyril Crocket Jr., and he was a recent arrival at Papa Crocket's home in Newport News, Va. (Wide World Photos)

TIMBER-CUTTING BABY—This baby, a 200 hp International TD-34 diesel crawler tractor weighs in at slightly more than 20 tons. The unusual front end is a V-shape cutter 13 ft. long, 14 ft. wide, and is made from 1 1/2" steel that acts as a saw-tooth to cut off timber and brush at ground level. It's being used to help clear 23,000 acres of timber for a new reservoir at the Buford Dam site near Atlanta, Ga.

Briscoe P-TA Holds Recent Meeting

The Briscoe P-TA met Tuesday night, March 20, in the High School Auditorium with President Claude Barker presiding.

In the business session, Roy Meadows, treasurer, gave a financial report. It was voted to have a banquet honoring the basketball team, in appreciation of their fine work this year. It was decided that the P-TA mothers would prepare the food and decorations; the junior basketball girls will serve. A committee to plan the menu and work out details is composed of the following members: Mrs. Leon Fillingim, Mrs. Barney Burgess and Mrs. Clifford Hefley. The date for the banquet was set for April 3.

A nominating committee made up of Mrs. H. J. Finstermaid, Mrs. Lucille Tipps and Mrs. Doyle Standlee was appointed. The new officers will be elected at the April meeting.

The business meeting adjourned for a program by the 5th and 6th grades under the direction of Mrs. Hildred Vaughn. Numbers on the program were playlets and skits, "Captain John Smith", "Aunt

Betsy Bumpas", and "A Superstitious Maid." Songs by the 5th and 6th grade girls were, "Sixteen Tons" and "Rock and Roll Waltz" and a song by Annie Riley "I Have a Longing."

Mrs. Lee McCasland Party Honoree

Mrs. Lee McCasland was honored with a birthday dinner at her home Monday, March 26, by members of her family.

One daughter, Mrs. Gus Ware of Clovis, N. M., was unable to attend, but the other children present were: Mrs. Ruby Gibson, Shamrock, Mrs. Jewel Holt and Mrs. Pearl Morris of Borger, Mrs. Orville Greenhouse, Mobeetie, Mrs. Violetie Hampton, and Mr. and Mrs. Lindsey McCasland of Wheeler. Others included granddaughters and great-grandchildren: Mrs. Doris Hutchison, Mrs. Bill Hampton and Steve Wheeler, Mrs. Bill Mamilton, Becky Lynn and Billie David, Borger and a guest, Mrs. Bertha Barr, Wheeler.

Mobeetie News

Mr. and Mrs. I. E. Barker and Elaine visited the lady's mother, Mrs. W. G. Mayfield in Shamrock, Friday afternoon.

Mrs. Wilfred Jones and daughters, Linda, Leana and LaNita of Woodward, Oklahoma, visited her father, Frank Lee, last week end.

Mr. and Mrs. R. P. Orr and Mr. and Mrs. Bob Hogan and son of Pampa, were in Mobeetie, Sunday.

Mr. and Mrs. Wallace Corse and daughters, Lee and Vicki, on Sunday, visited in the home of his parents, Mr. and Mrs. K. S. Corse, Sunday.

Peggy Hooker of Amarillo, visited her parents and sisters, Mr. and Mrs. Vernon Hooker.

Mrs. Mary Mixon is visiting her daughter and family, Mr. and Mrs. Lee Gales, in Oklahoma City.

Week end visitors in the J. T. Wallis home were Mr. and Mrs. Clyde Patton and Lena, Amarillo, Mr. and Mrs. Wayne Wallis and Mr. and Mrs. Jay Wallis and baby of Borger. The Pattons also visited his parents, Mr. and Mrs. E. H. Patton and family.

Mr. and Mrs. Waylan Newman and baby and Kenneth Newman of Ciarendon, were week end visitors in the Johnny Newman and the J. M. Barton homes.

Marion Reed of Amarillo, visited his mother, Mrs. Luda Reed,

CARD OF THANKS

We wish to thank the Wheeler Fire Department and friends who helped in the fire we had Friday night. They are to be congratulated on their splendid work.

Mr. and Mrs. W. H. Frye

**ANNA DELL FILLINGIM
ENGAGEMENT
ANNOUNCED**

Mr. and Mrs. Leon Fillingim of Gageby Community, Canadian, Texas, are announcing the engagement of their daughter, Anna Dell, to Elder L. Dennis, son of Mr. Wyatt S. Dennis, Tucumcari, New Mexico. An early June wedding is planned to take place in Wheeler Methodist Church.

Wednesday Study Club Meets At Nora's Cafe

The Wednesday Study Club observed Friendship and Guest Day on Wednesday, March 14, when Mrs. D. A. Hunt, Mrs. Bill Wiley, Mrs. R. Wm. Brown and Mrs. Max Wiley entertained the group and guests with a tea in Nora's Banquet Room.

The high light of the afternoon was a one act play, "Roots and Strings," presented under the direction of Mrs. Harold Nash. The play which concerned the problems of the middle years of the average family with dependents, proved to be both entertaining and thought provoking.

The cast was made up of: Mrs. Fred Farmer, Mrs. Frank Walker, Mrs. Carlton Thomson, Mrs. Geo. Porter, Mrs. Harry Wofford and Mrs. Nelson Porter.

Mrs. Madge Porter played piano selections as the group assembled. The welcome was given by the club president, Mrs. T. M. Britt.

Following the program a social hour was enjoyed with the hostesses presiding at the tea table. The table was laid with a cut-work linen cloth and centered with an arrangement of spriny flowers.

Appointments of silver, crystal and touches of gold completed the table service.

Guests were Mrs. J. M. Baker of Eldorado, Kans., and Mmes. Bob Henderson, C. N. Wofford, Darrell Taylor, F. J. Noah, Richard DeArment, Earl Barnes, D. M. Bentley, Bob McNeil, N. D. Ware, Sr., Spud Moore, C. J. Van-Zandt, Grainger McIlhany, J. M. Montgomery, Barney Burgess, R. H. Forrester, Albert Thomas, Clarence Robison, J. J. Dyer, David Britt, Jess Moore, and E. E. Sabbe of Wheeler.

Members attending were: Mmes. Harold Nash, Harry Wofford, Madge Porter, Carlton Thomson, Nelson Porter, T. M. Britt, J. W. Barr, Frank Wofford, L. C. Lafflin, W. L. Williams, P. E. Yarbrough, M. McIlhany, Cora Hyatt, Shelby Pettit, Fred Farmer, Geo. Porter, Frank Walker and the hostesses.

Pierce-Whitson Vows Read In Wheeler

Miss Katie Pierce, daughter of Mr. and Mrs. M. W. Pierce of Wheeler, and Tom Whitson, son of Mr. and Mrs. A. F. Whitson of Sannorwood, were united in marriage Saturday evening, March 10 at the First Baptist Church of Wheeler. Rev. Darrell Taylor, pastor, read the double ring ceremony.

Given in marriage by her father, the bride wore the traditional white in a floor length dress of lace over satin. A shoulder length veil fell from a small lace covered hat. She carried a white Bible topped with white carnations.

Carrying out the color theme of the wedding, the bridesmaids wore blue ballerina length dresses and carried blue nosegays. Misses Patricia Pierce and Doris Whitson, sisters of the bride and groom respectively, played this role.

Miss Ada Pierce, the twin sister of the bride, served as maid of honor. She too, wore the blue ballerina length costume and carried a nosegay of blue and white flowers.

Wanda Pierce and Jerral Downs lit the candles which illuminated the path of the bride as she approached the altar.

Little Laura Ann Whitson, four year old sister of the groom, presented a charming picture as she played the role of flower girl. Equally handsome was the ring bearer, Ken Baxter.

Mr. Wayne Whitson served as best man for his brother and Cecil Pierce and Bob Baxter were the ushers.

Misses Phyllis and Currie Dell Abernathy sang "I Love You Truly" and "The Lord's Prayer". They were accompanied on the piano by Mrs. Harold Loyd Lee who played beautiful and appropriate melodies throughout the service.

After the wedding a reception was held in the social hall of the church, with Misses Saretha

MR. AND MRS. TOM WHITSON

Pierce, aunt of the bride and Sue Whitson presiding at the serving table.

Mrs. Whitson was graduated from Wheeler High School and attended business college in Amarillo. Mr. Whitson finished high school at Sannorwood and attended Texas Tech in Lubbock.

Both are employed in Amarillo and are residing at 416 W. 22nd Street, Amarillo.

'54 Study Club News

The '54 Study Club met March 20 in the home of Mrs. Harold Savage.

A program was presented on "The Penny Art Fund" with Mrs. Johnny Johnson giving the history of how the Penny Art Fund was originated and Mrs. H. B. Grider telling of present day activities. Members present were: Mmes.

Amos May, George Weems, Leo Hubble, Joe Rogers, H. B. Grider, Lloyd Davidson, Johnny Johnson, Isaac Carter, J. M. Montgomery.

The next meeting of the '54 Study Club will be held on April 3rd in the home of Mrs. H. B. Grider.

Don't Believe Olden Builder Was Better

Don't believe the old complaint that houses today aren't as good as they used to be.

In most important respects they're much better.

One example of the superiority of the modern house is the widespread use of preservative-treated millwork—windows, panel doors, and cabinets. Chemically treated millwork, generally made of ponderosa pine, will last at least four or five times as long as the wood used in the so-called "golden age" of home building.

Basically, preservatives do two things. They poison the fungus that causes decay. They also reduce the absorption of moisture in wood.

The ability to keep out moisture means that ponderosa pine windows and panel doors are free from sticking in any kind of weather. Sticking is caused when wood swells after absorbing moisture. Later, during dry weather, the wood shrinks. Preservative-treated wood, for all practical purposes, does not swell or shrink.

Preservatives improve wood's natural affinity for paint. They prevent paint failures such as bubbling, cracking, and peeling, which are caused by the presence of moisture beneath the painted surface.

Guests in the home of Mr. and Mrs. Walter Anglin for several days this past week were his sister Mr. and Mrs. Jess Powell, Gasville, Ark., Mrs. J. R. Cooper and daughter, Mrs. Ruby Ives, both of Compton, Calif., and Mrs. Jim Anglin of Amarillo.

Mr. and Mrs. Emil Seelid returned home Friday after about three months vacation spent on the coast. They also visited in Arkansas before returning.

We invite you to try GMC's

great new RSD* ride

-makes roughest roads boulevard-smooth

IT'S A FACT—the new 1956 GMC pickups with exclusive Road Shock Dumper Suspension give you a ride comparable to the finest passenger cars in smoothness.

Gone are jolting jounces, front-wheel slither, steering-wheel jitters. GMC's amazing RSD ride makes the roughest road boulevard-smooth—eliminates even the drumming from expansion joints on superhighways.

No longer need you slow down for rough going. Wheel-hop is ended. Travel is safer—steering easier—driver fatigue greatly reduced. And fragile loads are protected from breakage.

Only an actual ride can show you what a sensational improvement RSD Suspension is. We invite you to try it—over the roughest road you know. Come in today for a demonstration.

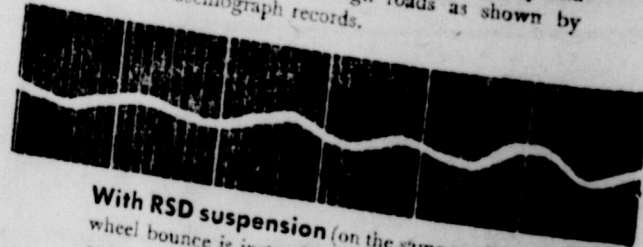

*RSD Suspension is standard on the Suburban—optional at slight extra cost on other 1/2-ton models.

Only pickups with these Blue Chip Features • New 180-h.p. V8 and 130-h.p. six engines with the largest displacement in the industry • New optional fast-cruising axle ratio and Safety Power Steering • New Kudu Stabilizer • Tubeless tires and 12-volt electrical system are standard equipment.

See the difference RSD makes

With ordinary suspension wheels hop and bounce violently on rough roads as shown by actual oscillograph records.

With RSD suspension (on the same road) every wheel bounce is instantly counteracted, smoothed out to a mere flutter on the oscillograph.

NEWSLETTER FROM —
**CONGRESSMAN
WALTER ROGERS**

The Senate is drawing close to a final vote on the controversial farm bill. By the time this letter reaches you, this highly important legislation will be in a Conference Committee made up of Members representing the House Agriculture Committee and the Senate Agriculture Committee. This Committee will try to work out the differences between the House and the Senate and to work out a bill acceptable to both Houses of the Congress. It will be remembered that the House last year passed the bill fixing mandatory price supports at 90 per cent of parity. The Senate failed to act last year on the measure prior to adjournment. The House Bill is still before the Senate, but the Senate has written a new bill into which has been injected a number of items. If this bill passes the Senate which is expected, the chances are that it will never be debated in the House of Representatives. The reason being, that the Senate will substitute its farm bill for the wording in the House farm bill and then pass the bill as a House measure. This means that the bill will then be taken to a Conference Committee and not brought back to the House for further debate. The only time that the House will get to act on such a measure again will be to vote for or against accepting the report of the Conference Committee.

The Senate has already knocked out rigid 90 per cent supports. As we predicted, the 90 per cent support lost because a Republican block was joined by several Southern Senators to whom Benson had made a special appeal. I respect the sincerity of the Senators in what they have done, but I question their judgment. The farm problem is a nation wide problem and the attempt to settle the local matters and problems with a disregard for the rest of the farm economy must operate to divide the farm forces. We hope that this Administration is not pursuing the doctrine of "divide and conquer" in its attempt to cope with the farm matter.

As I have repeatedly stated in the past, the family-size farm is one of the pillars upon which this country has been built to its pre-

Piano Lesson
TWO BOYS IN blue take a lesson in piano playing from a volunteer staff aide at the Red Cross recreation center at Port Lyautey, French Morocco. She is Mrs. Carol Ryan, wife of Lt. Comdr. Michael Ryan. The center is one of several at selected locations in Europe and North Africa, where both American and resident volunteers help servicemen develop new leisure-time activities.

greatness. If we want to destroy our way of life, the greatest blow that can be struck against it would be the destruction of the family farm unit. It is in this source that democracy must find two of its essential roots, independence and freedom. These roots can be as completely destroyed by economic means as by physical force. This must not be allowed to happen.

The battle lines on highway legislation are fast shaping up. The highly explosive tax matters in last year's bill have been measurably watered down by the Ways and Means Committee's recommendations. Plenty will be said, however with regard to the present ones when this bill reaches the floor. Other items of apparent hot debate seems to have been cooled down some. The issue that is coming to the front fast as one of the leading controversies is the issue of whether or not the taxpayers should pay all of the expenses to relocate the facilities of utility companies along present highway rights of way. Congressman Brady Gentry, of Tyler, Texas, a former Texas Highway Commissioner and County Judge, has been waging a running and effective fight against the use of tax monies to pay utility companies

for relocating their facilities. One of his major weapons is the argument that the present rights of way have been used free of charge by the utility companies and that companies have provisions in their contracts agreeing to relocate these facilities without cost to the public. The utility companies claim that if the taxpayers are not required to pay for the relocation costs, then they (the utility companies) will simply pass on the cost of this relocation to their customers. You can see that there is plenty of fuel here for a good sized bonfire.

Like the school aid bill and other pieces of legislation here, you can expect many attempts to put rider type legislation on the highway bill. This is one means of helping the trend toward total centralization of government and regimentation of individuals. Have you ever thought how fast centralization and regimentation are being accomplished? When most of you my age were boys and girls you didn't have to have a license for every turn of your daily life. About the only licenses we knew of at that time were dog licenses and these only applied to city dogs. Country dogs didn't need them as long as they came to town for strictly social purposes.

I guess it can properly be said that we are now leading a dog's life, at least in so far as licensing is concerned.

City Election —
(Continued from page one)

H. Forrester for re-election, and C. B. Kirk, and voters will choose three men from the following five whose names will be on the printed ballot: Hiram Whitener, A. O. Vanpool, Dorsie Hutchison, Al Thomas, and Chester Lewis.

Whitener, Vanpool and Lewis are up for re-election. Two hold-over members of the Council are: Percy Farmer and C. B. Kirk.

Previous to this year no names have been printed on ballots and voters would write in the names of persons they wished elected. The ones receiving the most write-ins were declared elected. A printed ballot was made necessary this year when a petition signed by the required number of voters was filed asking that the names of the above candidates be printed on ballots.

John Parr —
(Continued from page one)

sociated with two brothers, J. B. Parr and Joe Parr, in the Parr Construction Company.

Mr. Parr was associated with Jinks Currie in the ranching business for a number of years, operating the property then known as Chalk Hollow Ranch; down the Palo Duro Canyon from the present Currie Brothers Ranch.

Mr. Parr was born March 17, 1884, in Daingerfield. He and Mrs. Rebecca Braly were married January 26, 1924, in Amarillo. He had been a member of the First Presbyterian Church in Amarillo for 52 years.

Surviving are: the widow, a step-daughter, Mrs. Maxine Tyndall; two sisters, Mrs. Fred M. Wolfe and Mrs. Zerla Sory; two brothers, Walter C. Parr and Joe F. Parr, all of Amarillo; and a number of nieces and nephews.

Funeral services were held Wednesday morning at Griggs Chapel in Amarillo.

our own county again," said the committee. "The Red Cross stands ready to help when disaster does strike and we beg of you to give now so that people in need may be cared for in the future."

Wheeler contributions may be mailed to Dick Guynes at the Chamber of Commerce office.

Contributions may be left at Elliott's store in Kelton, with Ray Brown at Allison, Mrs. Steen at Briscoe, and Jim Hathaway at Mobeetie.

Anglin Rites —
(Continued from page one)

Amarillo. He was born September 16, 1885, at Gasville, Ark., and moved from there to Vinson, Okla. From there he came to Wheeler in 1924 where he lived on a farm, East of town, until about fifteen years ago, when he moved to Amarillo.

He is survived by the widow, Donnie, and three sons, Leon of Amarillo, Clarence and Paul of Seminole, Okla., two sisters, Mrs. Maggie Cooper, Compton, Calif., and Mrs. Ella Powell, Gasville, Ark., and one brother, Walter Anglin of Wheeler.

Hiway Mishaps —
(Continued from page one)

The 22 patrolmen performed the following activities: investigated 99 traffic accidents; made 399 traffic arrests, including 223 for speeding and 15 for driving while intoxicated; issued 705 warnings for hazardous driving, served 11 safety responsibility police demand orders, investigated two cases for the purpose of restoring driver's licenses.

They worked 3,370 day hours and 1,724 night hours and travelled 60,735 miles.

CARD OF THANKS

I want to Thank each and every one for the nice Cards and Flowers and for everything that has been done for me since I came home.

I want every one to know I appreciate everything.
Mrs. I. B. Griffin

DEAR
Unkle Josh...

Gosh aint it purty weather. Wish it would stay this way until garden plantin time at least then wouldnt make any difference. Thats when Ma puts me to work. Say speakin of work I had a nice visit with a feller the other day. He says that even us farmers should be Union. Wouldnt that be dandy getting a two day vacation each week and having to go to work on the farm at eight and gettin off at five. Maybe would eliminate the overproduction of Cotton and all this other stuff. But this feller went on to tell me how to do it and realy went into detail about the method they use back east.

He dont finger a feller out to work for nothin and he aint amin to. He sort of was lookin for a job and I told him he might go to work cuttin post or washin dishes and he wanted to know if it was Union when I told him he balked right quik, said he cant afford to work for so little. He mentioned the price of Cadalies and so forth and sounded good.

I got to thinkin maybe he was right and entited him to have a cup of cofey which we did and when we got through he wanted to know if I could spare two bits for a pack of cigarettes. Unk you suppose he was pullin my leg or sumthin. Sure hope not cause by under prodcin and eliminate the Land Bank. Way the wind plowed the other nite we would be over drawn any how.

your devoted nefew

FORD WINS IN ECONOMY TOO!

V-8 WINS CLASS A

In this year's Economy Run a new Ford V-8, with Fordomatic, was the official victor over every car in its field, with a winning average of 47.7643 ton-miles per gallon. This means that the sturdier, heavier Ford carried more weight, with greater gas economy per pound, than any car in its field.

This latest Ford victory was scored over a rough and rigorous 1,465.8-mile route running from Los Angeles to Colorado Springs. Through the heat of Death Valley and over chilling mountain heights... through gas-eating city traffic and over the straight-

line open road... Ford proved anew its traditional reputation for economical performance.

The winning Ford was a regular-production model taken right from the assembly line. It was no different than thousands of '56 Fords you see on the road and in dealer's showrooms. This proves that Ford, the Performance, Style and Safety leader, leads in Economy, too! That adds up to four big reasons why the '56 Ford is worth more when you buy it, while you drive it, and when you sell it, too!

The "ton-mile" formula is used by contest officials to insure equal chance for all cars in each class, regardless of size or weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by the number of miles traveled, divided by number of gallons of gasoline consumed.
