Public Show

Meridian HD Club is sponsoring a musical variety show to be held on Friday night, February 27 at Meridian Gym. The show will start promptly at 7:30 p.m. and others interested are invited to participate in the show, a spokesman for the show announced this week.

Contributions to the show will be for cancer, mental health and funds the spokesman

Public is cordially invited to attend. Admission will be 35c and 25c. Commencing on the show is Mrs. M. D. Miller, and O. K. Hen-

Proclamation

WHEREAS: The Governor of Texas, January 1951, officially designated the first week of March, 1951, as Public Schools Week in Texas, and asked that citizens throughout the State visit their public schools, learn more about their organization and operation, and get better acquainted with their school administrations and teachers, and

WHEREAS: Public Schools Week in Texas has become an outstanding annual event, having been observed during the past five years with ever increasing interest and participation of school patrons and parents throughout Texas, and

WHEREAS: The State Board of Education, by resolution, has designated March 5-10 as Public Schools Week in Texas, and

WHEREAS: The Legislature of the State of Texas, through Senate Concurrent Resolution No. 61, approves such designation by the State Board of Education, and urges every citizen in the state to visit a public school during this period in order to become personally acquainted with the programs and accomplishments of our educational system, and

WHEREAS: The Public Schools of Wheeler, Texas are of such importance in the training of our youth, and the support and building of our community, and

WHEREAS: The administrative staff, faculty, and pupils of the Wheeler Public Schools welcome visitors at all times, and especially during Public Schools Week in Texas,

NOW, THEREFORE, I, R. H. Forrester, Mayor of the City of Wheeler, Texas, do hereby proclaim March 5-10 as Public Schools Week in Wheeler, and urge each citizen in the community to visit the Wheeler Public Schools during the week, and become acquainted with the school personnel, to observe the work which they are doing, to discover the needs of the schools, and to determine ways in which each citizen may do his or her duty in helping make the program of the Wheeler Public Schools more efficient.

Signed: R. H. FORRESTER

Public Schools Week To Be Observed Here

March 5-10 has been designated as Texas Public Schools Week and a number of activities are being planned locally in observance.

Jesse J. Dyer has been named chairman of a committee in charge of arrangements. Serving with Mr. Dyer as committeemen are Leo Hubble and Carl Levitt.

Mr. Dyer, who is Superintendent of Schools in Wheeler County, issued this statement.

March 5 to 10 is Public Schools Week. Visit your school during that time.

Schools are the chief instrument that we use consciously to transform personal freedom into liberty and to save it from corrupting license. They are the chief support of our democratic system of life, organized to give liberty and happiness a wider spread.

Schools are the developers of initiative and appreciation, the makers of modesty and confidence in men. Their services are satisfied by a thousand urges to a better life.

We believe in our schools because we aspire to that kind of civilization which cannot exist without the support of our schools.

March 5-10 will be observed as Public Schools Week throughout the state. Visit your schools. They need your moral support.

PIONEER OF COUNTY DIES

Mrs. W. H. Martin, resident of Wheeler County for 44 years died in Wheeler on Wednesday, February 15. She was 77 years old.

Funeral services were held at the First Baptist Church in Wheeler on Friday, February 17, with Rev. Leonard Fields of Mobeetie officiating, assisted by Rev. Carlton Thomson of Wheeler.

Palbearers were: Truett Smith, George Lamb, Leo Lamb, Lem Gaines, Shorty Sechrist, and Cliff Sivage.

Interment was in Wheeler Cemetery under the direction of Kirk Funeral Home.

Mrs. Fannie C. Martin was born October 13, 1878, in Tennessee. She came to Wheeler County in 1912, and had resided on a farm 4 1/2 miles west of Wheeler since that time. She was a member of the Baptist Church of Wheeler.

Survivors are: the widower, W. (Continued on last page)

ART EXHIBIT IS SCHEDULED FOR MARCH 6

An art exhibit will be held at the high school building from 3 p.m. on Friday, March 6, in connection with the observance of Public Schools Weeks.

Admission prices to see the reproductions of famous paintings will be 10c for students and 25c for adults, and all pupils and their parents are invited to avail themselves of the opportunity.

Reproductions of the pictures will be offered for sale. The Wheeler Schools will receive a commission of the proceeds both from the admittance charge and the sale of pictures, and the money will be used to buy art for the school.

Faculty committees to supervise the various phases of the exhibit of reproductions of the masterpieces were named at a meeting of teachers on Tuesday, February 14.

The publicity committee is composed of (Continued on last page)

COMMITTEE CHAIRMAN OF C-C NAMED

Harry Wofford, president of the Wheeler Chamber of Commerce named the following committee heads for the ensuing year. These Chairmen will pick their committee members from the membership of the C of C.

Committee Chairmen and their committees follow:

Sewer and Water, V. J. Jamison; Trade Development, Cecil Denson; Civic events, P. L. Farmer; Membership, Ocie Ford; Civic Improvements, Archie Hibler; Highways and Roads, Lee O'Grady; Agriculture, Ray Siegmund; Industry, Lee Guthrie; Schools and Education, Max Wiley; Tourist Development, Bill Owen; Program and Housing, Wayne Edwards; Coordination of City Council and C of C, Jim Montgomery; and Fire Protection and Safety, Hiram Whitener.

These committee heads have signified their willingness to accept their responsibility and are filling their committees. If you are asked to serve with one or more of them accept the task and help boost Wheeler to a better town in which to live.

ROOT KNOT DISEASE CARE

Gardening time will soon be here again and many gardeners are worried about plants dying from root knot disease.

Root knot disease can be controlled in garden soils by fumigation. The fumigant should be applied from 10 days to 2 weeks before planting and soil moisture should be adequate for germinating seed. More moisture is required in sandy soils.

Before fumigating, remove from the area to be treated all plant trash and infected roots. Prepare a good seed bed as if for planting. Use a hoe or plow to open furrows 6 to 8 inches deep and 12 inches apart. Apply the fumigant from a fruit par. Two holes should (Continued on last page)

HYBRID GRAIN SORGHUM SEED

Reports have come from farmers and seed dealers not only in Texas but also Nebraska, Kansas, and Oklahoma that ordinary white and in some cases red grain sorghum seed are being sold by transient salesmen as hybrids.

Farmers and seed dealers are reminded that only a very limited supply of hybrid grain sorghum seed is available for planting this year. Most of the seed produced in 1955 is being used in demonstration and being supplied with planting seed.

Adequate supplies of hybrid sorghum planting seed should be available to all farmers for 1957 plantings but the supply to be sold for 1956 plantings is very small.

Finally, buy hybrid sorghum planting seed only from a reliable local dealer or seed grower. Roy Siegmund, County Agent warns.

County 4-H Boys Take Lion's Share Of Honors At Pampa Fat Stock Show

Wheeler County 4-H Club boys won a major portion of the awards at the Top O'Texas Junior Fat Stock Show held in Pampa Monday.

Frank Walker, Jr., of Wheeler showed his 1,101-pound Hereford steer, "Samson," to first place in the heavyweight Hereford steer class and then to the grand championship of the steer show.

Frank bought his steer from

FARMER'S DAY PROGRAM WELL ATTENDED HERE

An informative program dealing with Soil Fertility, Irrigation, and Agricultural Economics, illustrated with motion pictures and slides sponsored by the Fort Worth and Denver Railway Company, in cooperation with Knox Parr, District Agent of Texas Extension Service, and Ray Siegmund, Wheeler County Agent, was presented in the District Court Room of the Court House at Wheeler on Friday February 17th. Harry Wofford, served as Master of Ceremonies.

Preceding the meeting, a group of businessmen, farmers and ranchers of the County were breakfast guests of the Fort Worth and Denver Railway Company in the Vice-President's car at Shamrock.

Dick Guynes, Secretary-Manager of Wheeler Chamber of Commerce and Orbele Gaines, master of "foot pattin" music, got the program off to a lively start.

Jack Barton of Texas Extension Service discussed the composition of the soil and illustrated by slides (Continued on last page)

BASKETBALL BI-DISTRICT GAME TUESDAY

The Girls Bi-District Basketball game will be played at McLean on Tuesday night, February 28 starting at 8 p.m.

The Briscoe girls, District 11-B Champions will tangle with the Claud girls team, champions of District 12-B. This is the first year in Bi-District play. Claud, however, held State Championship for three consecutive years, 1951-52 and 53.

Officials of the game will be Bledsoe of Canyon and Duggert of Amarillo. Admission will be 60c for adults and 40c for students.

FAMILY NIGHT HELD AT SCHOOL

The monthly family night for the School Personnel and Board Members of Wheeler School was held Monday night in the School cafeteria.

A covered dish supper was served buffet style with those present whose birthdays had occurred in October acting as hosts for the occasion.

After the meal games were played. Those attending were Mr. and (Continued on last page)

Two Men Held, One Fined And Released

Fred Edward Beck and Earl Calvin Westerfield were returned from Kentucky, charged with the burglary of the Manse Lisle home.

They waived preliminary trial and are being held in lieu of \$2,000 bond each for trial. Both men are three time losers to the state.

The guns, boots and clock that were taken from the Lisle home were recovered by the Sheriff and his deputy. The guns had been disposed of along their route to Kentucky.

Roy Holford was returned from Hobart, Okla., charged with fraud in County Court and fined \$25.00 and costs. Holford was charged with obtaining merchandise by use of a credit card from the L. C. Jones Trucking Co. to obtain two tires and one tube. Holford paid his fine and was released.

George and Ed Davis of Shamrock and Erick.

Bob Martin of Gageby won first place in the middleweight Hereford with his nifty 922-pound Hereford steer that was bred by J. Ferris Hess of McLean. Bob went on to show "Doc" to the reserve champion steer honors of the show.

Wheeler County 4-H Clubs won the "Best Group of Five Steers" trophy with animals shown by Frank Walker, Jr., Bob Martin, George Davis of Kelton, two steers; and George Davis of Shamrock.

Winners by classes among 4-H exhibitors from Wheeler County were: Heavyweight Hereford steers, Frank Walker, Jr., Wheeler 4-H Club, first; George Harris, Kelton 4-H Club, seventh and Bob Martin of the Wheeler County-wide 4-H Club, twelfth.

Middleweight Hereford steer

QUESTIONS AND ANSWERS ABOUT PROPOSED BOND

In regard to the proposed Water and Sewer improvement program the following questions seem to be some of the things our citizens are concerned about. As a means of furnishing this information to the public this paper has gathered the questions and sought answers from the Chamber of Commerce which is the Organization sponsoring the project.

Q—From what sources of information has the Chamber of Commerce gathered the idea that the improvements are wanted by an appreciable number of the people.

A—While working on the job of extending the city limits of Wheeler a very large number of people were contacted for their ideas on the matter. As a result of these personal contacts the desires of a very large number of the people inside and outside of our city limits were discovered to be that we should have more facilities available to our homes. When research was started on this primary (Continued on last page)

TEXANS TO VOTE ON 8 AMENDMENT

Texans will vote on eight proposed constitutional amendments in the general election on November 6.

The secretary of state's office announces the proposed amendments will appear on the ballot as follows:

1. Compensation to prisoners found innocent.

2. Reallocation of the county general fund within the maximum tax rate of 80 cents per \$100 valuation.

3. Revising the state college building program, and following investment of the permanent university fund, shared in by the University of Texas and Texas A&M College, in stocks and bonds.

4. Broadening scope of the teacher retirement system.

5. Double the veterans land fund from \$100 million to \$200 million.

6. Revising the form of the constitutional oath of office for elective and appointive officials of the state.

7. Providing waiver of jury trial in lunacy cases.

8. Providing a judge may deny bail to a person who has been convicted of two previous felonies.

Bob Martin was awarded the (Continued on last page)

WATER FAILURE DUE TO BROKEN SERVICE MAIN

In last week's Times we told of the repair and painting of the water tower and stand pipe in Wheeler. Shortly after the paper was mailed trouble developed in a main serving the south part of our city and the water had to be shut off and the main drained in order for the repairs to be made.

Many people thought the stand pipe repair was the cause of the water shutoff. A. O. Vanpool, water commissioner stated.

This was not the case and the water shutoff was due entirely to the broken main which had to be replaced. As soon as repairs were completed the water was turned on and will remain on unless major repairs are needed, minor trouble in the system will be ignored until the repair to the water tower is finished, Mr. Vanpool said.

The system of supplying water to customers that has to be used during the repair of the tower may cause other trouble to develop but that cannot be helped, Mr. Vanpool said.

Repairs to the tower will take about two more weeks, a spokesman for the Gore Tank and Steeplejack Co. stated this week.

MEETING SET TO WELCOME SCOUT LEADER

Several Scout leaders from Wheeler will attend a dinner meeting in Shamrock Thursday night, February 23, welcoming William A. (Bill) Eller, District Scout Executive.

The dinner will be held at the Dixie Cafe, starting at 7 p.m. Mr. Eller has moved to Shamrock, and will devote all of his time to serving this district as Scout Executive. Purpose of the dinner is to welcome him, his wife and four children to the district.

The new Scout Executive has a solid background of volunteer leadership in Cub Scouting, Boy Scouting and Explorer Scouting, in addition to having completed the Scout Executive Course.

His service in the district is expected to mean much to the Scouting program already well underway.

JOYCE SIMS IS EXAM WINNER

Joyce Sims has earned through competitive examination the honor of representing Wheeler High School in statewide judging for \$1,500 and \$500 scholarships, it was announced recently by the sponsor of this home appreciation program. A quarter million young women throughout the nation participated.

Miss Sims will also be eligible to compete for a \$5,000 national scholarship award to be made to the All-American Homemaker of Tomorrow.

She demonstrated her homemaking knowledge and attitude by receiving the highest score for her school in a written examination which was given graduating senior girls in 10,222 of the nation's high schools. Her test paper will be entered in competition with 582 school winners in this state.

"The purpose of this program, now in its second year, is to encourage young women to think seriously and realistically about the responsibility of the home and family as a career," the sponsor said.

The written test, designed by (Continued on last page)

Plans were made for celebrating National and State 4-H Club week by having an award program at the grade school cafeteria on March 12th at 7:30. At that time 4-H awards will be given to 1955 winners. All 4-H members and their parents from Wheeler County are invited to attend.

Refreshments will be served.

Miss Lois Barr of Ft. Worth visited with her parents, Mr. and Mrs. John Barr over the week end.

W. W. Sandifer and family of Clarende visited their parents, the W. L. Williams and C. O. Sandifers this past week end.

Thoughts Of A Visitor

Recently it was my privilege to visit your town, altho the occasion was not one for frivolity, it being the funeral of Mrs. J. M. Porter. I experienced a great pleasure in contact I had with the people there.

The foremost impression was the graciousness of the people; next the stability and integrity, and, at the risk of sounding trite, I would say loyalty. It made me feel that if the people in the world were this kind we would have so much less bickering and much less need for propaganda. We hear so much about gossip in a small town but do we hear of the other side.

Thoughts Of A Visitor

Under the neat of I was impressed by done to make a time seem less sad—fellow kindness, flowers, and may I say I have never or more delicious food by loving hands, to stress of such an occasion for all this I would THANK YOU, for I loved one of Mrs. Porter.

Ira Passons made a trip rillo Sunday where he and Mrs. Harold Hill both confined to an hospital.

by Terrell Gunter, assistant in Templeton's Office." Pastors of the several churches completed plans for "The Wheeler All-Church Revival," which was a series of revival services to be conducted in each of the churches for one week simultaneously, with each church using its own pastor for preaching. Every citizen of Wheeler and nearby was to be visited and urged to attend the church of his choice.

A brief note from the editor of Times, C. G. Miller, stated that despite the fact that he had made up his mind that he possessed the necessary intestinal fortitude to tackle a dish of crow, he was unable to be present at the luncheon sponsored the week before by the Shamrock Texan, when baked crow was the principal dish.

This issue carried the announcement that Roy Esslinger, Wheeler groceryman, had secured the dealership for the John Deere line of farm implements.

More than 125 rural teachers, trustees, educational leaders and friends of education assembled in

the Ernest Lee building to dine and participate in a program whose theme was "Wheeler County Schools Look to the Future". After several entertainment numbers, H. M. Wiley, president of the county school board, presented an interesting discussion of the educational situation, past, present followed by plans and hopes for the future. Wiley's resume began with the period some 15 years ago, when few teachers in the county possessed a permanent certificate, and traced the development of the school system to its present high standard of efficiency.

The Maridene Beautyp Shoppe, with Marie Reeves and Ann Hays Pitcock, Operators, listed the following: Shampoo, Set, Dry... 30c; Set, Dry... 20c; Wet Set... 15c; Guaranteed Permanents from \$1.00 to \$7.50.

FARMERS URGED KEEP RECORDS

Farmers should keep adequate records in order to be able to file complete tax returns, W. C. Bowen, Officer in Charge of the Internal Revenue Office, Pampa, Texas, announced today.

"By all means keep a complete record of all your income, and all your expenses from your farming operation," Mr. Bowen continued. "Keep your records up to date by recording daily each sale of a farm product and each expense for feed, fertilizer, and other farm expenses. Personal living expenses such as your own food, clothing, and the like, are not considered farm expenses. This record of your farm expenses and income will make the job of filing tax returns at the end of each year easy."

Many more tax returns from farmers will be received this year, Mr. Bowen added. "This is true because the coverage of farm operators by social security will require a tax return from every farmer who nets as much as \$400 from his farming, even if no income tax is payable. Tax return forms for farmers may be secured by writing the District Directors of Internal Revenue, Dallas, Tex."

"If you are a farm operator, whether you raise peanuts, popcorn, pigs poultry, or other farm product, you are obligated to pay self-employment tax and thereby earn social security credit, provided, of course, that you net \$400 from your farming in the taxable year," Mr. Bowen said.

Mr. and Mrs. Charles Mixon, Len and Connie of Amhurst visited the first of the week with their parents, Mr. and Mrs. Murel J. Trout and daughter, Mary Margaret and Mr. and Mrs. Charlie Mixon.

Mr. and Mrs. Herbert Atkins returned to their home in Amarillo Friday morning, after spending some time with his father, Merck Atkins, who is a surgical patient in the Wheeler Hospital.

Mr. and Mrs. Ocie Ford and Donna Sue and Mr. and Mrs. Bury Mann visited the Lewis Lancasters at Shamrock last Thursday evening.

APPEAL MADE FOR HEART FUND CONTRIBUTIONS

The Texas Heart Fund, now being conducted in hundreds of communities throughout the state under the able chairmanship of Senator Lyndon Johnson himself a heart disease sufferer will continue through February 29.

Prime purpose of the 1956 Texas Heart Fund is summed up in the Fund's campaign slogan: "Help Your-Heart Fund — Help Your Heart."

Money contributed to the Texas Heart Fund (an affiliate of the American Heart Association) supports a continuous three-part program that helps heart disease victims in every sector of the nation.

Since 1948, the annual Heart Fund have invested more than \$13,000,000 in heart research alone. They have put additional millions into public and professional education programs to provide wide distribution of information about heart disease and what can be done to prevent or cure it. Still more millions of dollars have gone into community Heart projects to help cardiac victims live productively with their ailments.

Cold, hard statistics show that one person out of each 16 in the United States including 500,000 children — now suffers from some form of heart disease, and that the death toll from heart diseases each year is greater than the combined total of the nation's deaths from cancer, accidents and suicides, pneumonia, diabetes, kidney disease and tuberculosis.

Here in Texas, the commissioner of health has termed heart disease "the state's number one killer."

Your contribution to the 1956 Texas Heart Fund — made throughout February — can help fight this crippling, killing disease. Contribute generously to your community Heart Association — or send your contribution to: "Heart — care of postmaster."

Vaughan-Hancock Vows Spoken In Shamrock

The First Baptist Church of Shamrock, was the scene of the wedding of Miss Sue Vaughan and Quentin Hancock on Sunday afternoon, January 29, at 3:00 o'clock.

Rev. J. E. Byers, pastor, was the officiating minister in the double ring ceremony.

The bride is the daughter of Supt. and Mrs. D. B. Vaughan of Briscoe, and the bridegroom's parents are Mr. and Mrs. Roy Hancock of Mountain View, Okla.

Nuptial vows were exchanged before an altar decorated with Emerald leaves, fronds of plumosus fern and jade leaves, against a background of white, which was draped along the choir rail and altar rail. Pink cathedral tapers burned in wrought iron candle-holders and tall white baskets were filled with greenery. Pews along the bridal aisle were marked with bows of pink satin ribbon.

As guests assembled Mrs. Cabot Brannon played a prelude of wedding music. She accompanied Jim Hall of Elk City, Okla., who sang, "Through The Years" by Youmans, and "Because" by d'Hardelot, and "The Lord's Prayer," by Malotte, as the couple knelt on the prie-dieu for the benediction. Mrs. Brannon played traditional wedding marches for the processional and recessional.

Candles were lighted by Paul Beu and Sharon Campbell, both of Wellington. They were cousins of the bride.

Miss Barbara Holsapple of Tulsa, Okla., was maid of honor. She wore a street-length dress of coral pink velveteen fashioned with a fitted bodice, with empire effect along princess lines. The sleeves were three-quarter-length. She wore a matching velvet headband with a brief circular veil.

Bridesmaids were Pat Karnes of Canyon, Vada Bell and Frankie Campbell, both of Wellington, who are cousins of the bride, and Carolyn Crum of Alfalfa, Okla. The bridesmaids wore velveteen dresses in a turquoise green shade styled along identical lines of the dress worn by the maid of honor. They wore matching headbands with circular veils. The attendants wore white shortie gloves and carried cascade bouquets of pink carnations and lemon leaves.

Gary Vaughan, brother of the bride served as ring bearer.

Pat Hancock of Mountain View, Okla., brother of the bridegroom, was best man. Ushers were Mike Vaughan, brother of the bride; Bryon Hancock of Mountain View the bridegroom's brother; Bill Hancock of Mountain View, cousin of the bridegroom; and Gene Robertson of Carnegie, Okla.

The bride was escorted to the altar by her father, who gave her in marriage. Her wedding gown of white silk taffeta, was designed in princess style with empire waist-line. The bodice was styled with a portrait neckline and long sleeves which terminated in a point over the wrists. Appliqued designs of seed pearls were used on the front of the bodice. The full skirt swept into a short train. Her finger-tip veil fell from a small satin hat which was studded with rhinestones and seed pearls.

The bride carried a cascade bouquet of white roses and lemon leaves.

Mrs. Vaughan, mother of the bride, wore a dress of navy blue crepe accented with a white satin hat and navy accessories. The mother of the bridegroom wore a silk and wool navy suit, with a navy straw hat and navy accessories. Both mothers wore corsage of pink carnations.

Following the ceremony a reception was held in the lower auditorium of the church. Parents of the couple, the bride and bridegroom and feminine attendants, formed the receiving line.

Guests were registered by Jean Ann Robertson of Carnegie, Okla. The bride's table was laid with

an elaborate cutwork cloth of white linen, with crystal and silver appointments. The bride's bouquet was used as a centerpiece.

Miss Molly Mayfield poured, and Miss Sharon Stiles served the wedding cake.

Musical numbers were played during the reception by Miss Karen Barker of Briscoe.

For travel the bride donned a black and white tweed suit, complemented with black accessories. Her corsage was of white roses.

The bride is a graduate of Briscoe High School and attended North Texas State College in Denton. She is now a student at Oklahoma A&M in Norman where she is a member of the Pi Beta Phi, of which she is an officer. She is a junior student with a major in home economics. She plans to continue her college work at OCW in Chickasha.

The bridegroom was graduated from Mountain View High School, and is also a graduate of Oklahoma A & M. His fraternity is Sigma Alpha Epsilon.

After a wedding trip to El Paso and other points in South Texas, the couple have established their home in Carnegie, Okla., where he has ranching interests.

Walsers-Corse Vows Spoken February 11

In a candlelight ceremony at 5 p.m. Saturday evening, February 11, Miss Carolyn Walsers became the bride of Earl Corse in a home ceremony. E. M. Borden, minister of the Wheeler Church of Christ, officiated at the double ring rites. The bride is the daughter of Mr. and Mrs. Clifford Walsers, Mobeetie, and the bridegroom the son of Mr. and Mrs. K. S. Corse also of Mobeetie. Given in marriage by her father the bride was attired in a navy blue suit with white trim and accessories of navy. She carried a bouquet of pink and white carnations.

Miss Ora Lancaster, who was maid of honor, wore a black suit with red accessories, and her corsage was of white carnations. Wallace Corse, of Sunray, Texas, brother of the bridegroom served as best man. For her daughter's wedding, Mrs. Walsers wore a black suit with red accessories and a bouquet of red carnations. Mrs. Corse, mother of the bridegroom, was dressed in brown, with brown accessories with a red carnation corsage.

Following the ceremony a reception was held with Mrs. Douglas Corse, sister-in-law of the bridegroom serving the three-tiered wedding cake with a miniature bride and bridegroom atop. Mrs. Wallace Corse another sister-in-law, presided at the punch bowl.

The serving table was covered with a lace tablecloth and laid with silver and crystal. Napkins were decorated with wedding bells and roses. Guests were registered by Mrs. Wallace Corse and were Mr. and Mrs. K. S. Corse, Mr. and Mrs. Douglas Corse, Mr. and Mrs. Wallace Corse, Lee and Vicki, E. M. Borden, Lou Borden,

Garden Club Met Home Ec Cottage

The North Wheeler County Garden met on Friday, February 3, at the Home Economics cottage. Members and guests were entertained and instructed by Mr. E. W. Johnson of Woodward, Okla., Mr. Johnson presented slides of shrubs, vines and hedges showing their rate of growth and uses.

Crepe Myrtle, is especially adapted to our weather conditions. It may be cut off near the ground level each fall and thus kept a small shrub of abundant blooms or allowed to grow to small tree proportions. Kashgar Tamarix has been tested on the southern plains since 1949 and has been found hardy. It tends to upright branching and has compact bluish-green foliage. Plants allowed to grow naturally start blooming in early spring, but those clipped to the ground bloom in late summer.

Mr. Johnson stated that Chinese lilacs were best adapted to our climate. Persian lilacs were much more resistant to drought than the French. Mme. Galen Trumpetvine is both hardy and beautiful. It will not spread and is very inviting to the birds.

These are only a few of the interesting plants Mr. Johnson told about. Now that we have some moisture, yet's plan to plant while we await a warm day.

KIWANIS NOTES

Dan True of radio station KGNC-TV brought a good program on storms and their causes. It was thoroughly enjoyed by all attending the regular noon luncheon of the Kiwanis club held Monday at the Fellowship Hall.

President C. J. read a letter stating that Jack Raney, Kiwanis International President would be in Lawton at their Ladies Night on Tuesday, March 6. Anyone desiring to attend should notify Thurman so reservations can be made in advance.

Visitors this week included Homer Moss, of Borger; Herman Whatley and L. N. Atchinson of Pampa.

President Meek announced this week that the club had an attendance of 98% during the month of January. He requested that we try to maintain that record.

Miss Birdella Genthe of Wellington was a week end visitor in the home of Mrs. Grayce Davidson and Mrs. Neva Myers.

Mr. and Mrs. Bill Ribertson of Amarillo visited the relatives and friends over the week end.

Mrs. N. L. Corzine of Escondido, Calif., has returned home after visiting her sister, Mrs. C. O. Sandifer.

HIWAY MISHAPS CLAIM 7 LIVES DURING JANUARY

Seven persons were killed, 38 injured and \$62,264.00 worth of property destroyed in traffic accidents investigated by Texas Highway Patrolmen in this district during January.

These figures do not include accidents investigated by other agencies.

In the same month last year, six persons were killed, 58 injured and property damage amounted to \$67,922.00.

Sixty-three of the accidents last month were on state and federal highways, six on farm-to-market roads, eight on county roads, and six in towns of less than 2,500 population.

Principal violation listed as causative factors, in the order named were: speeding, driving while drinking, failure to grant right-of-way, following too closely and miscellaneous hazardous violations.

In carrying out their basic duties of traffic law enforcement, the 22 patrolmen of District 5, composed of the 26 Panhandle Counties, performed the following activities during January:

Investigated 83 traffic accidents, made 653 arrests, including 406 for speeding and 16 for driving while intoxicated. They issued 1,161 warnings for hazardous driving, served 22 safety responsibility police demand orders, and investigated five cases for the purpose of restoring driver's licenses.

The 22 patrolmen worked 3,418 day hours and 1,957 night hours and travelled 70,469 miles.

Mr. and Mrs. Lee Whitworth and Linda of Quannah and Mr. and Mrs. Lewis Lancaster and Katherine of Shamrock, all former local residents, were Sunday guests in the home of Mr. and Mrs. Geo. Smales and Douglas.

Mrs. Charles Graham and children of Claude were Saturday guests in the home of Mr. and Mrs. George S. Gandy.

Mr. and Mrs. Charles Harris of Pampa spent the week end in the home of her parents, Mr. and Mrs. Amos May.

Wheeler Drug is headquarters for baby items. 49-1tc

Plan Now for Next Year's Tax

(This is one of a series of articles on federal income tax planning. The articles are based on information provided by the American Institute of Accountants and the Texas Society of Certified Public Accountants.)

The previous articles in this series were intended to help you in preparing your tax returns for 1955. This article deals with your taxes for 1956 and beyond.

When the time comes to make out your tax return for 1956 it will be too late to take advantage of some possible tax savings. Here are some possibilities for reducing your tax which you can't do anything about after the end of the tax year:

- If you are providing nearly half the support of someone who might qualify as a dependent, consider providing more than half so you will be entitled to a \$600 exemption. The extra amount you contribute may be less than the tax saving.
- Remember that unless a dependent is under 19 or a student, you will lose the exemption if his income is \$600 or more. Be sure to check the income of everyone you expect to claim as a dependent.
- If you are planning to be married, a wedding before midnight, December 31, 1956, will give you the privilege of filing a joint return for 1956. This probably would result in substantial tax saving.
- A baby born up to midnight, December 31, qualifies as an exemption for the full year.
- If your medical expenses are likely to be over 3% of your income this year and you expect them to be less next year, pay as many medical bills as possible before the end of the year, up to the maximum allowable deduction. If you borrow to do this, remember that you can also deduct the interest.
- If your medical expenses are over the maximum deduction, perhaps you can defer part of the payment until after the end of the year.

SCHOOL CAFETERIA MENU

MONDAY
Blackeyed Peas, Vienna Sausage, Sauer Kraut, Carrot Strips, Bread, Buter, Milk and Cherry Cobbler.

TUESDAY
Pinto Beans, Spinach, Combination Salad, Butter, Corn Bread, Cookies and Fruit.

WEDNESDAY

Mobeetic News —
(Continued from page one)

Mr. and Mrs. Homer Matthews visited friends in Mobeetic, Saturday afternoon. They returned to their home in Amarillo Sunday afternoon.

Mr. and Mrs. Grady W. Harris recently spent the week end visiting in Oklahoma City with his mother, Mrs. Dora Harris and his sister and brother-in-law, Mr. and Mrs. Gilbert Morris.

Mr. and Mrs. Carl Wilyard of Pampa, were Sunday, guests of his parents, Mr. and Mrs. Cecil Bailey and family.

Mr. and Mrs. Jim Wilson were week end guests in the home of her parents, Mr. and Mrs. Aubrey Ruff.

Mr. and Mrs. Tom Beck of Amarillo, spent Sunday with his parents, Mr. and Mrs. M. S. Beck.

Mr. and Mrs. Byron St. John, Barney and Gwendolyn of Amarillo, visited his parents, Mr. and Mrs. St. John and his sister and family, Mr. and Mrs. Robert Hogan, Thursday.

Mr. and Mrs. Art McPierson of Amarillo, were guests in the C. A. Dysart home, recently. Mrs. McPierson is a daughter of Mr. and Mrs. Dysart.

(Written for last week)

The Mobeetic Methodist youth motored to McLean Sunday afternoon, where they attended a Sub-District Methodist Youth Fellowship meeting.

Those attending were, Joyce Hooker, Anna Mae Gudge, Inez Hooker, Jeanie Judgel, Sue Hooker, Elaine Barker, Ellen Hooker, Mary Beth Kelly, Jimmy Selby, Mansel Williams, Mr. and Mrs. Ernest Gordon, their sponsors and the pastor, Rev. Albert Cooper.

The next Sub-District M.Y.F. meeting will be held in Mobeetic on March 11.

Mr. and Mrs. Bill Scott and baby daughter and Miss Peggy Hooker, of Amarillo, visited last week end with the ladies parents, and sisters, Mr. and Mrs. Vernon Hooker.

Mrs. Bill Godwin and sons, Hank and Carroll of Amarillo, visited her parents, Mr. and Mrs. Alvis Burke and sons, last week end. While here she also visited the boys other grandparents, Mr. and Mrs. Willard Godwin and son, Jay.

Mr. and Mrs. Calvin Hogan and sons of Pampa, were Sunday guests in the home of his parents, Mr. and Mrs. W. C. Hogan and sons.

Mr. and Mrs. A. A. Burch, C. W. Burch and Glynnda Beck, visited Sunday in the home of Mr. and Mrs. J. D. Sackett and children in Pampa. Another daughter, Mr. and Mrs. L. E. Kieth, also of Pampa, met them in the Sackett home for a visit.

Mr. and Mrs. Wallace Corse and girls of Sunray, visited his parents, Mr. and Mrs. K. S. Corse, last week end. They also visited her parents, Mr. and Mrs. Boyd Beck, and an aunt and family, Mr. and Mrs. C. J. Trusty and sons all of Lefors.

Among the Sunday visitors of Mr. and Mrs. J. T. Wallis and family were Mr. and Mrs. James Banks and children, Mr. and Mrs. Jay Wallis and baby son and Mr. and Mrs. Hershel Ruse and family, all of Borger.

Mr. and Mrs. Elwin Dysart and daughter, Dalhart, were week end guests of his parents, Mr. and Mrs. C. A. Dysart.

Dale Dyson of Pampa, spent Saturday night and Sunday with his parents, Mr. and Mrs. C. C. Dyson, and brother and family, Mr. and Mrs. R. H. Dyson and family.

Mr. and Mrs. R. W. Beck and children of Miami, were Saturday night visitors in the M. S. Beck home.

Mr. and Mrs. Arthur W. Carmichael and son, Bruce, of Sunray, visited last week end with her parents, Mr. and Mrs. Jack Miller.

Mrs. Arlie Jeffus and Mrs. Ernest Lee were in Amarillo Sunday, visiting with Mr. and Mrs. Warren E. Witt, Mr. and Mrs. Hoyt Dunn and family and Mr. and Mrs. R. L. Dunn.

Mr. and Mrs. Vernon C. Willard of Farwell, visited last week end with her parents, and brother, Mr. and Mrs. Frank Totty and Marion.

Mrs. Laverne Scribner returned to her home Saturday, from Oton, where she spent two weeks with her son, Mr. and Mrs. Albert Scribner and children.

Mr. and Mrs. Drew Godwin of Plainview, were week end guests in Mobeetic in the home of their parents, Mr. and Mrs. Austin G. Caldwell and Geoffrey and Mr. and Mrs. Willard Godwin and Jay.

Mr. and Mrs. Wilbur Sims of Hereford, and Mr. and Mrs. Vern Loggberger and family of Allison were Sunday guests in the home of Mr. and Mrs. R. A. Sims.

Mr. and Mrs. Kenneth Walker and Becky, of Sunray, visited her parents, Mr. and Mrs. C. Mixon and his sister and brother, Mr. and Mrs. S. W. Williams and Mansel and Mr. and Mrs. Pierce Walker, last week end.

Miss Glenna Patton entered the Shamrock hospital, Friday night for observation and treatment.

Mr. and Mrs. Tommie Allen and

Spelling Bee —

Science Research Associates of Chicago and administered by the schools, tested the participants in 10 major areas of homemaking — family relationship, spiritual and moral values, child development and care, health and safety, utilization and conservation of human and physical resources, money management, recreation, home care, community participation and continuing education.

A profile chart was provided participating schools for pre-test study of these homemaking categories, and each girl who took the test received a homemaking vocational guidance booklet. Each school winner was awarded a golden pin designed by Trifari and her school will receive a cook book.

Mr. and Mrs. Lee Laycock and son of Dumas have been visiting relatives in Wheeler.

Sunday callers in the B. F. Crossland home were: their grandsons, Mr. and Mrs. Bill Crossland and children of Borger and Mr. and Mrs. Gwen Crossland and baby of Amarillo.

Mr. and Mrs. H. H. Herd visited Monday with Rev. and Mrs. M. B. Smith and family in Pampa. They went on to Skellytown and spent the night in the home of their son, Mr. and Mrs. J. D. Herd and David.

CARD OF THANKS

We are taking this opportunity to express our sincere thanks and appreciation to all our friends who were so thoughtful of us in our recent sorrow.

We especially want to thank Dr. Walker for his untiring medical care and the ministers and choir for helping to make the last services so comforting. May the Lord bless and keep everyone of you.

Farmers Day —
(Continued from page one)

the effects and results of treatment of the soil from the standpoint of cultivation and grazing and encouraged land users to acquaint themselves with the make-up of their soil in order to realize its potentialities.

Dr. Dillard Gates, Range Conservationist from Woodward Experiment Station discussed Brush Control through the use of tested and proven chemical formulas, giving the mixtures the season and the method of effective application.

John McHanney, Economist from the Texas Extension presented the Agricultural Outlook for 1956. According to Mr. McHanney there seems to be no immediate relief for the farmer and rancher under the present price support program which has built up a surplus of farm products in this country and has made our farm products prohibitive in price for any foreign markets.

Dr. John Schunk of the Irrigation Equipment Company of Denver, Colo., demonstrated with the use of slides the various types of irrigation and the effective uses of these systems. Dr. Schunk also urged land users to acquaint themselves with their soil and to utilize the water to the best advantage; to learn the proper time to apply water, before planting crops, and after the plants are growing for greater production.

Macyl K. Orman, Agricultural Agent of The Fort Worth and Denver Railway Company supervised the program and assisted with the demonstrations and illustrations.

The knowledge gained by the farmers and ranchers of this area will be of unmeasurable value and many of them have already expressed their appreciation for the program.

Root Knot —
(Continued from page 1)

be punched in the jar lid, one to let in air and the other for distributing the fumigant. Makes the application by walking along the open furrow and dribbling the fumigant into the bottom of the furrow. Cover the furrow immediately to prevent loss of the fumigant gases.

A pint of the material should cover about 150 feet of row space. It is a good idea to test first with water in the jar to determine how proper distribution. Garden Dowfume, D-D, Soilfume 60-40, Iscofume, D-D, Soilfume 60-40, Iscofume 40 and Bronofume 40 are all effective as garden fumigants.

Secere injury may result if the fumigant applications made closer than two feet to growing plants. Keep the material out of the eyes and mouth and should it be accidentally spilled on the hands or clothing, remove it immediately with soap and water or kerosene.

Since such warm weather crops as tomatoes, peas, cucumbers and okra are more susceptible to root knot damage, fumigate the rows where they will be planted. Finally don't mix treated and untreated soil and use disease-free transplants.

Enjoy a delicious toasted sandwich and refreshing soda at our fountain. Wheeler Drug. 49-11c

Jack and Hoddee D. Huddleston of Oklahoma City, came to Wheeler and had dinner with C. D. Harding and family after visiting their grandmother in an Erick, Okla., hospital.

Questions And —
(Continued from page one)

idea the other needs of the town in regard to Water and Sewer were discovered because the committee working on this particular job, realizing they were not too well qualified to judge, obtained the advice and counsel of municipal Engineers to find out what the answer to the problem was.

The fire Department of our town, and their leaders, made their requirements known; the entire water consumption figures were examined, maps were drawn upon which to study the problem; data and statistics were gathered on all facets of the situation to determine if a real need actually did exist. All this information was, at all times, made available to all interested persons so that fair play might prevail. After all this information was gathered and examined by as large a group of qualified persons as was possible to obtain. The decision was reached that there actually was a very serious need for the work to be done.

Q—Will the proposed project solve the water shortage in some sections of our town?
A—This project has been set up, from an engineering viewpoint, by professional municipal engineers and their stated opinion is that if the entire project is completed then there will be plenty of water for all sections of town. This due to more water source supply, larger water mains to the system from the wells, one more well, more reserve storage, improved pumping equipment and automatic controls and a number of other items too numerous to list.

Q—What determined in the planning, where the new sewer mains would go and why are they designed to go there instead of somewhere else?

A—The sewer lines were designed to go to the areas where the public, without any guiding influence, has indicated they prefer homes by actually erecting expensive homes and business structures. This was taken as the basic or number one consideration and then while designing lines to furnish these areas the general idea of opening up the maximum areas for expansion was not overlooked. In other words the basic idea was to hold what we have in good shape and furnish room for expansion.

Q—Is the system designed in such a manner that we can expand again in the future without duplicating the work we propose to do now.

A—The lines are designed in such a manner that in every case possible if future growth makes it needful then we can simply hook on to the end of the lines that will be existent and go out as far as is necessary.

Q—How long should it be before this project can be completed?

A—This depends on a number of things and it is impossible to say exactly but it is entirely possible for us to complete the work during the year of 1956.

Q—Does the bond issue provide funds which will be necessary for such expenses as engineering, land, right of way, etc.?

A—Yes. Ample allowance for all such costs have been included.

Q—Will contracts be awarded for construction and equipment?

A—Yes. All major projects will be advertised for bids to receive full benefit of competition from reliable contractors based on carefully prepared plans and specifications. The City Council will receive sealed bids and publicly open and consider them before making final award to the lowest and best bidder.

The Chamber of Commerce is anxious to receive any questions about this proposition and is also anxious to talk over the details with any one who is interested in gathering more information about the matter.

The city council of our town is being kept advised about all development in the work and they can be consulted as your representative in your city government.

The Chamber of Commerce is NOT interested in pushing anything over that is against the will of the people of our town but is interested in seeing this proposition worked out to completion according to the wants of all the people. The only way to do this is to make all information on the matter available to everyone.

Check into the matter yourself so that you may be satisfied.

CARD OF THANKS

We take this means of expressing our heartfelt thanks and gratitude to our many friends for their words and deeds of kindness during the illness and death of our loved one. May God's richest blessings rest upon each and everyone.

The W. H. Wartin Family

CARD OF THANKS

We take this means of expressing our heartfelt thanks and gratitude to our many friends for their words and deeds of kindness during the illness and death of our loved one. May God's richest blessings rest upon each and everyone.

The W. H. Wartin Family

Week end guests in the Fred Waters home were: his brother, Mr. and Mrs. Cecil Waters and family of Canyon, and Mr. and Mrs. Doyle Waters of Borger.
