

Wheeler Baptists To Start Revival October 13

Rev. Frank J. Ross will open revival services at the First Baptist Church, Wheeler, at 8:00 a. m. Sunday morning, Oct. 13, and continue through Oct. 27. Services will be held at the church at 10 a. m. and 7:30 p. m. on weekdays.

Ross is a very able and experienced speaker and the public is invited to attend this series of revivals.

Rev. H. G. Havens will be in charge of the piano and will be assisted by Mrs. E. M. Havens. Mr. Havens has a long-time evangelistic singing career and promises to be a vital and stirring presence. Along with regular singing, congregational singing and other services, considerable attention will be given to the "altar call", composed of boys and girls between the ages of 6 and 16. Come and hear the singing.

REV. FRANK J. ROSS
Pastor Wheeler Baptist Church

Community Concert Membership Campaign Gets Underway

Mrs. M. McIlhany, who serves as a member of the board of directors of the Shamrock Community Concert Association, attended the association campaign kickoff dinner Monday evening held in Shamrock. She was accompanied by Mrs. Grainger McIlhany.

Anyone interested in becoming a Community Concert member may contact Mrs. McIlhany for tickets. Tickets for the Shamrock Community Concerts will be honored in the surrounding towns all during the season. The membership campaign closes Oct. 5. A schedule of concerts offered in Shamrock and nearby communities for the season will be published at a later date.

Plans For Scout Finance Drive Made Ready

Grainger McIlhany, Comanche District Finance Chairman, has announced the final composition of the annual Adobe Walls Council, Boy Scouts of America, Finance Drive for 1957.

Harry Wofford, chairman for Wheeler and Gray counties, has named the following community chairmen: George Saunders, McLean; Curby Morris, Kellerville; Thurman Rives, Wheeler; Milton Finsterwald, Briscoe; Gene Shaffner, Kelton; and Clyde Dukus, Alton.

These chairmen are now making plans in their respective communities for the finance drive which is to be held in conjunction with the state coordinated campaign on October 8.

This annual drive of the Boy Scouts goes to finance the program of the Adobe Walls Council of which Wheeler and Gray counties are a part.

The many friends of Scouting are looking forward to the drive and the furthering of Scouting in this area.

Call For Bids On 152 Improvement

Plans to modernize Highway 152 east from Wheeler to the Texas-Oklahoma border were announced this week by the Texas State Highway Department.

The project calls for widening structure and roadway surface, eight feet of paved shoulders on either side of the present road, cutting down the hills so that there will be a minimum of 1,000 feet of sight distance at all points.

Sealed bids for the 15.532 miles of construction will be received at the Highway Department office in Austin until 9 o'clock Thursday morning, October 10.

Plans and specifications are available at the office of L. Clyde Drake, resident engineer, Wellington; and at the Texas Highway Department, Austin.

Rites For Mrs. J. H. Higdon Conducted In Wellington

Funeral services for a 40-year resident of Collingsworth county, Mrs. J. H. Higdon, were conducted Wednesday, Sept. 25 in the First Methodist Church in Wellington, the Rev. Fred Brown of Dodson and the Rev. Frank Weir, pastor, officiating.

Burial was in Dodson Cemetery. Mrs. Higdon, 80, died in her home Monday, Oct. 23.

Survivors include four sons, Joe of Memphis, Texas, Bill of Brownfield, and G. H. and Rufus, both of Midland; four daughters, Mrs. A. B. Cooper and Mrs. Paul Ford, both of Dodson, Mrs. Winifred Payne of Borger and Mrs. Henry Dunn of Temple, Okla.; one brother, B. F. Crossland of Wheeler; one sister, Mrs. Rose Kemp of Winters; 20 grandchildren and five great-grandchildren.

To Teach Sewing Class

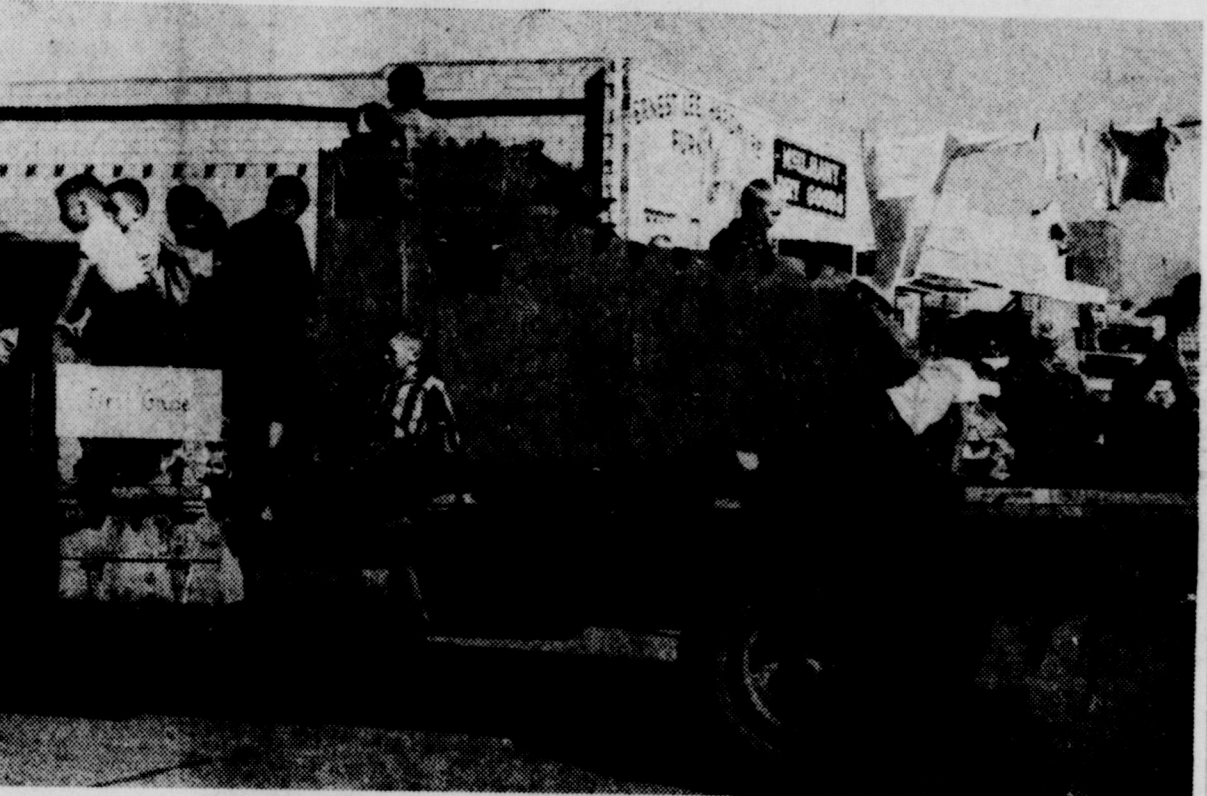

Miss Marjorie Springer, of Denver, Colo., a sewing specialist, will be in Wheeler at the homemaking college, October 8 to conduct a free sewing class for adults. The class will begin at 12:45 and continue until 3:45 p. m. Beginning at six o'clock Miss Springer will conduct another class for adults who wish to learn some new ideas in sewing. This class is to last three hours and all those interested are asked to enroll. Mrs. Gordon Whitner, local Homemaking teacher is sponsoring the class.

It Was Big Day For The Kids

"OUR AMERICA"—Statue of Liberty float of the 2nd grade, Wheeler public schools, won first prize in Kids Day parade in Wheeler last Saturday. Patricia Garrison represented the statue. Others are

Pamela Garrison, Jolene Steen, Frances Weems, and Linda Carter. Mrs. Ida Farmer is 2nd grade teacher.

SECOND PRIZE float in Saturday's Kids Day Parade went to the 1st grade pupils. The float represented "An old woman who lived in a shoe. She had so many children she didn't know what to do." Mrs. Liola Weems teaches the first grade in the Wheeler public schools.

Mobeetie School To Give Talent Show, Box Supper

By Mrs. E. G. Dunn

The following are some special details concerning the combination home talent program and box supper sponsored by the seniors.

Each class is asked to contribute a short number for the program, and prizes are to be offered the first, second and third place winners. If as many as five girls in any one class will bring boxes for the box supper, that class will receive \$1.00. A door charge of 5c per person will be charged for admission except in cases where a whole family comes in together and one member of that family is bringing a box, then that entire family will be admitted free. Sponsors will be contacted by October 2 as to how much time they will need on the program. The entire program is not to be over 45 minutes in length, and the box supper is to follow immediately.

The date of the carnival has been set for October 18. Again this year one cent will give one vote to your choice of King and Queen.

but the six grades in the elementary will be competing against each other and the six grades in the high school building will be competing against each other.

The candidates for King and Queen with the most votes will become the carnival King and Queen, whether from the elementary school or the high school. The candidates from the school other than that of the winners will become the prince and princess. The usual booths will be a part of the carnival, but the students are asked to think up something new and different.

Several fund-raising events have been scheduled by some of the

classes to help promote the King and Queen contest. Mr. Teague has a soccer game planned for the night of October first; this is to benefit the sixth grade. Mrs. Lynch is sponsoring a picture show for the night of October 3 to benefit the freshman class. The seniors are sponsoring a combination home talent program and box supper on the night of October 8.

The juniors are planning a barbecue for the night of October 11.

The sophomores, under the direction of sponsor Paul Kitchens, are getting started on a football game to be played by the high school girls on the night of October 15.

Mustangs Ready To Trim Panthers' Claws

Quitague's Panthers will be at Nicholson Field tomorrow night. Coach Louis Boynton's Mustangs will take to the field fully prepared to take whatever the Panthers have to offer in their bid to whittle down Mustang popularity and standing in Class B football, they being rated as the No. 1 Class B team in this area.

The Panthers have been tagged as 6th in the top ten teams in the area by Amarillo sports writers and are not, by any remote chance, expected to outdistance the Mustangs in tomorrow night's tilt.

Silverton is scheduled for a game here October 11.

The Mustangs have, barring all unforeseen weakening by player injuries, promise of retaining their

lead as the No. 1 class B grid-ders. They are deserving of the encouragement your presence will give them at all games. So give them your support by being on hand at Nicholson Field tomorrow night and whooping it up for Coach Boynton and his galloping Mustangs.

Probable Starting Line-Up

Coach Boynton has named the following as probable starters in Friday night's game:

No.	Name	Wt.	Pos.
30	Jimmy Hall	155	end.
23	Dale Bowerman	150	end.
29	A. Arganbright	18	tackle.
25	Dale Wofford	165	tackle.
18	Marshall Watson	165	guard.
21	Joe Hyatt	150	guard.

(Continued on page 5)

Children's imaginations are as limitless as space but they are keeping pace as was evidenced in Saturday's Kid's Day festivities in Wheeler. Their ingenuity and skill in carrying out their ideas for the various parade pieces was marvelous.

Kid's Day in Wheeler has grown to be one of the most popular features of the town's calendar of entertainment.

Kid's Day is an annual affair sponsored by Kiwanis clubs all over the U. S. and youngsters everywhere look forward to this with great anticipation and enthusiasm for it is their day.

The Kiwanis Club is to be highly commended for the well planned and efficiently executed program. The committees and day's activities was well organized and the tremendous job was accomplished smoothly and well. All individuals concerned with the work are due a vote of thanks by the town and community.

A brand new attraction was carried on this year's program for the annual Kid's Day parade—a terrapin derby. This new feature was full of fun. There was three entries—Richard Watts won first place; James Moore, second, and Donald Rives, third.

In the bicycle division Katherine Lancaster took first prize; Bob Stiles, second and Mary Betole, third.

Susan Ford and Cindy Manning were given honorable mention for tricycles.

We are sorry that an incomplete list of winners in the pet show keeps the Times from giving winners and the kind of pets they entered. This division of the day's festivities will be published in our next issue along with a picture.

Vicki Walker was first place winner in the Horse show. Second prize went to Eugene Hutchison and third to Danny Dorman.

The fifth grade pupils of Wheeler depicted a ranch round-up scene—"Round-up Time in Texas." Those riding the float were Duane Porter, Larry Hampton, Dale Satterfield, Mike Grundy, Jimmy Jamison, Terry McCasland, Jessie Terry and James Hubbell.

"Fruit Basket of the Panhandle" was a float made of two "Horns of Plenty" overflowing with fruits from Wheeler County with a large paper masche peach in the center. It was sponsored by the seventh grade.

The sixth grade class of Wheeler was represented in the parade by a float, "Western" showing an early western scene with the traditional cook dressed with apron and handlebar mustache.

Judges in the various divisions of Kid's Day program were:

General chairman, Watson Burgess. Consultants for floats: Geo. Gandy, Al Thomas Walter Dunn and Geo. Taylor.

Bill Owen, Percy Farmer and Bob Doughtit were on the committee for parade arrangements.

Stand for Public Address system were Wayne Edwards, Jesse J. Dyer and T. J. Daughtry.

Pet show arrangements: Jack Garrison, C. J. Meek, and Bryan Swain.

Judging saddle ponies: Robert J. Holt, Geo. Hefley and Gordon Stiles.

Judging pet show: Grainger McIlhany, Max Wiley and E. D. Guynes.

Judging bicycles: Albert Marshall, P. E. Yarbrough and Cecil Denson.

Judging essay contest: Earl Brown, Carlton Thomson and Charles Slemmer.

Judging floats: Archie Hibler, Tom Britt and Lewis Lancaster.

Program: Carroll Killingsworth. Awards: Thurman Rives.

Harry Wofford acted as master of ceremonies at reviewing stand.

"Skipping Skool Doesn't Pay" by the eighth graders was a float showing the school marm, a truant officer and some "mean" little boys enjoying life at the ole fishin' hole.

The second and third grade "Free Americans" float represented one of America's favorite sports—fishing. The Buddy Boat was an original creation of Fred Wood.

Six entries were made in the essay contest by Wheeler school students. There were no other schools entered in this division.

Donnie Miller won first prize.

(Continued on page 5)

Louis Boynton Named To Select All-Star Gridders

Louis Boynton has been appointed to serve on a committee of five to select players for the North All-Star Football game for 1957.

Boynton is on the committee with Joe Golding and O. W. Falls, Lamesa High school; Leon Vinyard, Terrill High school; and Theo Miles, White Oak High school.

To be asked to serve on a committee of this importance by the Texas High School Coaches Association is quite an honor. Wheeler and community can justifiably have a feeling of pride in Mr. Boynton and his recognized ability as a coach and a teacher of clean sportsmanship.

Football Field Gates Open At 6:15; Kickoff At 8:00

The Wheeler-Quitague football game at Wheeler will begin at 8:00 p. m. Friday. All other games played during the month of October will also have kickoff time set at 8 p. m. School officials have announced. Gates will be opened at 6:15 at which time cars may be driven inside the grounds. Cars parked around the field will be charged for at the rate of \$1.00 each, which includes those parked along the south side of the field, according to officials.

It is believed that this arrangement will give all football fans an equal chance to get inside the field, which is an advantage in case of inclement weather. A capacity crowd is expected Friday evening to see these two good teams tangle, so come early.

More Kids Day Pictures and Pet Show Winners next week.

Notes

DICK GUYNES, Sec.

Weatherly and Jake Holcomb are new members of the Chamber of Commerce. You are urged to go to the meetings and take an active part in the business of the community.

The Chamber has started to improve the side walks between the street and the bank. This is a fine project and something that would be done before some falls causing possible serious injury. Several people have shown their willingness to do a fund for repairing the sidewalk and curbing along this street. Let your Chamber of Commerce know.

You noticed the improvement in business places and residences around town? Mrs. Kirk have really made her place. The Northern Gas Co. has almost completed the residence and warehouse on their property in the

Canadian Street, West of Post Office Be Reserved For Carrier Vehicles

Master Virgil Jamison Jr. has an efficient crew of workers attending to Uncle Sam's business this week in their highly efficient way despite handicapped with rearranging of the physical plant on the corner of Texas and Canadian Streets last week.

asks that patrons help him in keeping the West side of the building cleared for the exclusive use of postal vehicles. The City Council has reserved the space along Canadian Street as a loading zone for mail cars and will publish an ordinance to that effect soon and place signs. Until that time however, Mr. Jamison asks the co-operation of patrons in parking their cars elsewhere.

The newly remodeled building

has a much larger floor space than the one formerly occupied by the Wheeler post office. When remodeling is finally completed Wheeler will have one of the few post office buildings in this section of the country that follows new plans drawn by the Federal government this year. It conforms exactly with Federal plans and specifications as to color scheme, lighting and heating facilities and arrangements of working areas.

Bean Supper

The Briscoe Home Demonstration Club will serve a Bean Supper, followed by a 42 party, Thursday evening, October 3 at the Briscoe school lunch room. Supper will be served from 6 to 9 p. m. There will be a choice of beans, salad or relish, bread and a drink all served to adults for 50c; children under 12 years old, 25c.

Club members invite you to come and bring the family for a good dinner and an evening of fun. They will also give away their club quilt Thursday evening.

Any erroneous reflection upon the character, standing or reputation of any person, firm, or corporation, which may appear in the columns of this paper will be gladly corrected upon due notice being given to the Editor personally at the office at Wheeler, Texas.

TO TIMES PATRONS:

This issue of the Wheeler Times comes to you under new management. Mr. and Mrs. Alex. Hopkins of Gallup, New Mexico, assuming the position formerly held by Mr. Chas. Slemmer.

Come in and let's get acquainted. Your Chamber of Commerce manager wrote us a nice letter a short while ago and closed with the invitation to "pack up and come on" to become a part of the Wheeler community.

We packed up and came. We are here now and sincerely hope to become members in good standing in your friendly community. We want to know you all, so just come in and say "hi" Alex and Opal and let's be friends as well as fellow citizens of a fine town.

We have only been here for a few days but we have two distinct feelings—profound thankfulness to the many people of Wheeler who have extended their warm and friendly welcome—and appreciation of the many courtesies shown us by all. We have been made to feel at home and among friends. Home it will be for it is our intention to live in Wheeler and to serve its people to the best of our ability.

We wish to assure you that the Times, under our management will always be vitally concerned in the economic, industrial, social and educational growth of Wheeler. Our interests will not be confined nor limited to any one field. We are interested in and will help to further any project or undertaking of any group that has the

"CHILDREN OF OTHER LANDS" was winner of third prize in the Kid's Day parade of floats. The 4th grade pupils portrayed the costumes of people who live in different countries. The theme is studied by the fourth grade in geography. Mrs. Novella Vanpool is teacher.

growth and betterment of our community as its goal.

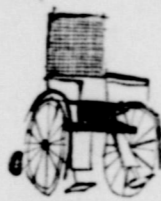

We know that the people of Wheeler and community are interested in the things that happen to their friends and neighbors. We will use the columns of the Times to publish all the news made available not only through our own efforts but with the help and cooperation of all those who have been so generous in reporting news in the past. Let us say again that your help will be needed so that we may give, as nearly as possible, a full and accurate report of local news. Any help you give, we assure you, will be gratefully accepted and appreciated.

We will do our best to continue the good work carried on by Mr. Slemmer through the Times columns in behalf of Wheeler and hope our efforts merit the good will and esteem he enjoyed from individuals and various organizations alike.

Come on in to see your new Publishers, we want to know our people.

Alex. and Opal Hopkins

Mrs. Wofford Presents
Bible Study To
"Jaxie" Circle

The "Jaxie" Short Circle of the First Baptist church met in regular session Tuesday afternoon with Mrs. Bill Smith leading the opening prayer.

Mrs. Ross, circle chairman, conducted a short business session which was followed by the Bible study, "Great Prayers of the Bible" presented by Mrs. Mary Mary Wofford, Mrs. Frank Ross led the closing prayer.

Those present Tuesday included Mrs. J. J. Smith, Mrs. Harry Wofford, Mrs. C. C. Rosser, Mrs. Frank Ross, Mrs. Claude Davis, Mrs. George Davis and Mrs. Bill Smith.

The next meeting will be held in the home of Mrs. Harold Hill, adies planning to attend will gather at the church by 2:15 p. m. and then go to the home of Mrs. Hill so that the program can begin at the usual hour, 2:30.

Church of Christ
Young People Host
To 179 Tuesday Eve.

The Young People's organization of the Church of Christ was host to 179 young people representing twelve neighboring congregations Tuesday evening.

The evening began with a panel discussion at the Church with Ceremonthurch T. Emmm res ge Walter Dunn acting as moderator. Participating members of the panel were Gail Holdeman, Wallace Johnson, Lou Borden, James Cox, Frances Borden and Jerry Burgess. The panel discussed the importance of the work young people do in the Church.

Following the discussion the crowd went to the school cafeteria where various groups presented skits. Serving of sandwiches, cookies and punch closed the enjoyable evening.

Refreshments of assorted sandwiches, German chocolate cake, coffee and tea were served.

These attending the meeting were Mesdames Earl Barnes, J. D. Beatty, Gene Hall, David Britt, Euster Callen, Roy Ford, Carlton Thomason, Jack Garrison, Harrison Hall, Bob Henderson, R. J. Holt Jr., Harold L. Lee, R. W. McNeil, Delbert McWhorter, Carroll Pettit, Thurman Rives, N. D. Ware Jr., Joe Weatherly, Coy Revious, and Miss Wilma Hefley.

Mrs. Sandra Crowder, Miss Barbara Revious, and Mrs. Helen Franklyn were guests.

 - Friday, Dec. 20, 4:00 p.m.—Christmas holidays begin.
 - Monday, Dec. 30, 9:00 a.m.—Classes resume.
 - Wednesday, Jan. 1—New Year's holiday.
- The schedule for the last part of the school year will be announced later.

Personals

Mr. and Mrs. Furmon Maxwell of Borger, announce the birth of a son September 25. The young man has been named Ronald Steven and weighed in at 8 pounds. The Maxwells are former Wheeler residents, where their parents still live. The paternal grandmother is Mrs. S. A. Maxwell, Mr. and Mrs. Roy Weatherly are the maternal grandparents and are spending this week in Borger visiting the new grandson.

Mr. and Mrs. Bill Tomlin and son, Steve, of Dallas, were guests of Mr. and Mrs. Grainger McIlhany and Tom over the weekend.

Mrs. W. D. Staten, of Borger, spent Friday here with her parents, Mr. and Mrs. C. M. Abercrombie.

The Melroy Cox family are new comers to Wheeler, moving here from Pampa last week. Mr. Cox is employed in the grocery department at Clay IGA food market. Mrs. Cox, (Odessa) and daughters, Kathy, four and a half years and Beth Jean, two and one half, and Melroy Jr., one year, accompanied him here and the family are living at 206 N. Shamrock.

Mr. and Mrs. Bill Owen and Roy attended Texas A&M and Texas Tech football game at Lubbock Saturday evening. While in Lubbock they were guests of Mr. Owens' aunt, Mrs. J. C. Long.

Will Warren returned to his home in Wheeler Tuesday evening after spending two weeks in the Four Corners area of Utah, Colorado, Arizona and New Mexico.

Mrs. Lowell Farmer has been in Plainview hospital since Thursday of last week. Mr. Farmer reports her "doing fine" and will be at home soon.

Mr. and Mrs. Jack Terry attended the funeral of her uncle, Edgar L. Bryant in Wellington, Thursday of last week. Notice of Mrs. Bryant's death appears elsewhere in this issue of The Times.

M. C. Williams, former resident of Wheeler where he worked as a barber many years, will be reading about his former home and friends, Mr. Williams' employer, A. C. Saddler, passing through Wheeler on his way to Carlsbad, Tuesday, stopped at The Times office and picked up a copy of our paper to take back to M. C.

KELTON P-TA SPONSORING
TWO 1-ACT PLAYS

"The Little Red School House" and "The Womanless Wedding," two one-act plays will be presented by the Kelton P-TA members Tuesday, October 8 at 7:30 p.m. at the Kelton gym. Admission will be 50c for adults and 25c for children. Plan to attend and enjoy an evening of good entertainment.

NEWCOMERS TO WHEELER

Newcomers to Wheeler last week are the Hollis McNutt family from McAlistier, Okla. Mr. McNutt was a truck driver for a firm in Oklahoma until coming to Wheeler with his family. Mrs. Pauline McNutt is the new pastor for Wheeler Nazarene Church. There are three daughters in the McNutt family, Coleen, who is a senior in high school, Betty, who is a member of the Junior class and Joan, a fourth grader. Mrs. McNutt said that she was sure the family would be happy in Wheeler.

SINGING AT BRISCOE
BAPTIST CHURCH, SUNDAY

There will be a singing at the Briscoe Baptist Church, Sunday, October 6 at 2:30 p.m. Everyone is cordially invited to attend.

FUNERAL RITES HELD FOR
EDGAR LEE BRYANT
IN WELLINGTON

Funeral services for Edgar Lee Bryant, uncle of Mrs. Jack Terry of Wheeler, were conducted from the First Church of the Nazarene in Wellington, Thursday, September 26 at 1:00 p.m.

Following services in Wellington the body was taken to Shamrock for interment.

Mr. Bryant, 65 years old, died Tuesday, September 25. He had been in ill health for several years and had been critically ill for two weeks before his death.

Mr. Bryant was born February 22, 1892 in Howard county, Ark. He was married July 4, 1920, in Collingsworth county, to Miss Decie Wilson.

He was a veteran of World War I, member of the American Legion and united with the Baptist Church in early life. He was a farm worker.

Funeral services were conducted by the Rev. John R. Ferguson. Pall bearers were Art Eads, W. L. Moody, Homer Holton, Gene Martin, Merritt James and Eli Wolf. He was former resident of Shamrock and a brother of Andrew Bryant of that city.

Service—8:00 p.m.

Five Generations Represented At Reunion of Mrs. M. E. Harvill Family

Five generations of the family of Mrs. M. E. Harvill of Wheeler, met recently in the home of her granddaughter, Mrs. Ernest Henderson and family, of the Twitty Community.

Mrs. Harvill, who is 86 years old, her daughter, Mrs. J. A. Bryant of Hale Center, her granddaughter, Mrs. Ernest Henderson of Twitty, her great-grandson, James Henderson, and great-great-grandson, William Ernest Henderson, four months old, both of Lubbock, made up the group which comprises the five generations of the family.

All five members of the family are native Texans. Mrs. Harvill was born in Grason County, in 1871.

As a child she moved with her parents to various parts of Texas, later to Arkansas, but finally the family settled in Montague County, near Forestburg, where she attended school.

It was there she met Walter S. Harvill, an Irishman, whom she recalls as a young man with a "keen sense of humor and brilliant wit, comparable to some of our best professional entertainers of today."

The couple married in 1891, and after farming for a few years the family moved to the Indian Territory where Mr. Harvill worked at mining near Johnsonville. Later they moved on to the western part of the Territory and filed on a homestead.

In the late summer of 1899 the family traveled in a covered wagon from Pottawatomie County to Roger Mills County. That part of the Territory had not yet been designated for homesteading, but a few "squatters" were already there.

Mr. Harvill found a good quarter section of prairie land with a small creek across one corner and there were three large oak trees. This was just north of the present location of Sayre, Oklahoma. The quarter section had already been "staked" but the "squatter" was honest and willing to trade his claim for a horse, so the deal was made and the family took possession of the land.

For a temporary shelter, the top sideboards were removed from their wagon and set on the ground with a wagon sheet stretched over the wagon bows. In this "tent-like" home, Mr. Harvill left his wife and three small children, while he returned to Washita County for supplies.

Mrs. Harvill and her children were able to find plenty to do during the daylight hours. There was an abundance of water in the creek where she did the family washing. Cow chips were gathered on the prairie to use for fuel. Mrs. Harvill sat under the trees and pieced quilt blocks while her children played nearby.

It was the nights that were hard for a woman alone on the prairie with her youngsters. The mournful wail of the coyotes was so disturbing that she was unable to sleep. They came so near that she hung a lighted lantern to the wagon bow to keep them out of the "tent" until her husband could get back with supplies.

Mr. Harvill found his family getting along fine on the new "claim" upon his return.

"Winter was coming on," Mrs. Harvill recalled, "so my husband began digging a large dugout."

FIVE GENERATIONS

"When our home was finished there was a large firewood with a sod chimney above the ground, that really worked," she said. "We had plenty of cow chips to burn and kept warm and comfortable in our dugout home."

Soon the prairie became dotted with houses and the Harvill family had welcome neighbors. A few small houses were built. Finally the railroad came through that section, then the "tent-town" of Sayre, Oklahoma sprang up, and quickly developed into a thriving trade center.

During those pioneer years Mrs. Harvill recalls that the family had many hard experiences, some of them tragic. "We tried to teach our children to have ambition and courage and a strong faith in God, to carry them through whatever the day might bring," she said.

The Harvills reared six children, and Mrs. Harvill moved to Wheeler in the 20's to make her home.

Looking back across the years Mrs. Harvill still thinks of the pioneer days in the west as the "Golden years" of her life.

Young William Ernest Henderson, of the fifth generation of the Harvill family has a pioneer heritage on both sides of his family.

His mother is the former Miss Julia Holmes, daughter of Mr. and Mrs. Billy Holmes of Shamrock, and a granddaughter of Mrs. B. F. Holmes who is a pioneer resident of the town.

The youngster has 12 living grandparents and great-grandparents, with all but three of them being residents of Wheeler County.

They are Mrs. M. E. Harvill of Wheeler, the great-great-grandmother; Mr. and Mrs. J. A. Bryant

of Hale Center, great-grandparents; Mr. and Mrs. J. W. Henderson of Twitty, great-grandparents, and Mr. and Mrs. Ernest Henderson of Twitty, grandparents.

On the maternal side of the family are Mrs. B. F. Holmes and Mrs. Kay Reynolds, great-grandmothers, both of Shamrock; T. S. Reynolds of Tyler, great-grandfather, and Mr. and Mrs. Billy Holmes, grandparents.

Mrs. John Hurtt Dies in California

Mrs. John Hurtt, better known to Wheeler people as Gretta Roberts of Shamrock, died Saturday, September 21, at Penscola Hospital, Burlingame, Calif. She had been ill for the past year.

Survivors are her husband, John, one daughter, Wynema Howe and four sons, Jerry, Boyd, Melvin and Bobby, all of Monterey, Calif. Her parents, Mr. and Mrs. A. E. Roberts, of Monterey; one sister, Mrs. Carl Marquardt of Milwaukee, Wis.; two brothers, Al of Shamrock and LaDell, of Monterey; and three grandchildren.

Funeral services were conducted September 23. Interment was made in I.O.O.F. cemetery, Half-moon Bay, Calif.

Wheeler County Bond Sales 43.4% Of Goal

Wheeler county residents purchased only \$4,846 worth of Series E and H United States Savings Bonds during the month of August.

These figures were released this week by R. J. Holt Sr., chairman of the Wheeler County Savings Bonds committee.

Sales in this county during the first eight months of this year totaled \$108,424, which is 43.4 per cent of the yearly goal of \$250,000.

Sales in Texas during the first eight months of 1957, totaled \$112,863,400 or 58.4 per cent of the 1957 goal of \$193,100,000. August sales in Texas were \$13,118,000.

"During the months of September and October, many schools throughout Texas are again installing the Savings Stamp program for their students. The School Stamp program affords our younger citizens an opportunity to learn the habit of thrift. In addition, they will develop a better understanding of our government and will learn to realize their responsibilities as citizens of this great land," Chairman Holt said.

The Wheeler County Savings Bonds committee is hoping that many of the schools in this county will continue conducting their weekly "Stamps Days" or, in those schools that do not have the program, the Savings Stamp program will be installed. Chairman Holt concluded.

THE WHEELER TIMES classifieds offer more for less money, to both buyer and seller, than any other.

bock with her son. Nep Patton and Nona Lea spent the weekend in the home of Nep's parents, Mr. and Mrs. Ebb Patton. Nona Lea is Mrs. Patton's aunt.

Mr. and Mrs. Clyde Patton and children of Amarillo, visited in the homes of Mr. and Mrs. Ebb Patton and Mr. and Mrs. J. T. Wallis over the weekend.

Nelda Lancaster, formerly of Mobeetie, is home from the hospital.

TREATMENT RULES FOR ASIAN FLU

If the Asian flu bug bites you, the best treatment is four steps: Go to bed, at home.

Consult your doctor. Take plenty of fluids. Use aspirin or other fever-fighting drugs.

This is the advice from a special committee on influenza of the American Medical Assn.

Antibiotics and sulfa drugs don't do anything against the flu virus. Your doctor may use them if you get complications — infections by bacteria following along when flu has put you in a weakened condition.

Don't try to go to a hospital, the committee adds. Isolating yourself at home makes it less likely you'll spread the disease. In hospitals, you might be exposed to bacteria infections of other people.

F. L. (Robbie) Robinson and W. L. Mullins

F. L. (Robbie) Robinson, salesman for Vanpool-Burton Motor Co., of Wheeler, was recently selected by Ford Motor Company as one of the thirty-two outstanding Ford salesmen in the Oklahoma-Texas Panhandle area. He was also an award winner in Ford division spring selling sweepstakes competition. He was in competition with 624 other salesmen in 183 dealerships and for his outstanding record of sales he was awarded a portable television set in a special ceremony at Vanpool-Burton Motor Co., Sept. 28. Presentation was made by W. L. Mullins, Field manager for Ford's Oklahoma City District Sales Office.

meeting was to elect officers for the new school year.
Chapter officers elected were: President, LaWayne Hogan; vice-president, Charles Walse; secretary, Dale Corcoran; reporter, Ronnie Gatlin; treasurer, Archie Scribner; sentinel, Paul Hathaway; parliamentarian, Keith Rowell; historian, Douglas Rog-
las Rogers; second vice-president, Richard Dickey.
Other business brought up before the meeting was Chapter dues and the date of the Freshman initiation.
Freshman initiation was held September 23 at the Ag. Building. Seven Freshmen were made green hands.
Mr. and Mrs. H. B. Grider and son, Craig, were Oklahoma State Fair visitors last week. Hugh's hobby is photography, and of course he took some pictures. He said his best shot was of the "Atoms for Peace" exhibit. They also attended a live TV show which highlighted a most enjoyable trip.

Hampton—1st Prize

PLANE TRIP

My first airplane ride I enjoyed very much. I went from Wheeler, Oklahoma, to Chicago, Illinois. It was a very nice ride. I was able to look down and see the ground and lakes. The lakes were very blue and the ground was green. I was a little nervous at first, but the pilot was very kind and made me feel safe. The plane was very comfortable and the ride was smooth. I was very happy to go on my first airplane trip.

It was so much fun to see the world from above. I was able to see the mountains and the valleys. It was a wonderful experience. I will never forget my first airplane trip.

Hampton—2nd Prize

PLANE TRIP

My first airplane trip was a very interesting experience. I was able to see the world from above. It was a wonderful experience. I will never forget my first airplane trip.

Borden—3rd Prize

I was very excited to go on my first airplane trip. It was a wonderful experience. I will never forget my first airplane trip.

past. Oh, this was wonderful, this trip! It was like the poem I had read. It was if I could "Reach out and touch the face of God."

The hostess brought us our lunch, and told us that we would land in about three hours. Soon, I began to feel funny. My head was spinning, my stomach felt as if it were churning. The hostess came out to see what was wrong. When I told her how I felt, she took me into a small room and told me to lie down and explained many passengers had the same feeling. She said it wasn't anything serious, that I was "air sick." I had heard of being sea sick, so I supposed one could be "air sick" too.

I must have dozed off, because suddenly I was startled by the hostess shaking me, telling me to wake up. I sat up and looked around. I no longer felt sick! I was all right again. I went back and joined my anxious mother, who was worried about me. I told her I was fine, and that I had been asleep.

The hostess came by and told us we were landing in ten minutes. Just ten more minutes of this wonderful ride! I didn't want it to end, ever. But, after all, I reasoned with myself everything must end.

So, once again we fastened our safety belts and prepared for the landing. In about three minutes we were on the run way. When my feet were finally on the ground, I was glad. It had been wonderful to feel like a bird, but now it was wonderful to be back on the ground, safe and sound.

Cecil Hampton
Honorable Mention
"Don't drive so fast." These were my words as my father drove me to the airport where I was to go by airplane to Lubbock to spend a week or two with my aunt and uncle.

I had never been on an airplane before so I didn't know what it was like. But I had often thought of the inside as being very lovely and wonderful. I had never even wondered if I would go on an airplane ride. It was something that had to be paid for.

But since my aunt and uncle had sent the money my parents decided I could go. It all seemed like a dream but soon we were taking off. I layed down. I wanted to sleep. I shut my eyes. But I couldn't go to sleep. What time will I get there? Will they meet me at the airport? Will I have to call a cab? Questions ran through my mind like bullets through a machine gun.

Pretty soon the stewardess came through seeing if everything was alright. She took some coffee to the pilots.

Harry Garrison
Honorable Mention
AN AIRPLANE TRIP I WOULD LIKE TO MAKE

I would like to take a plane ride over Wheeler County as I have often wondered what Wheeler, Shamrock, and all of the other towns in the county looked like from the air.

I would leave from the Wheeler airport, fly north and see the lay out of the Britt Ranch, and on up

to see the towns of Briscoe and Allison. Then to see the buffalo along the state line. I would then like to fly south and buzz the treetops of my cousin's home near Tavitt. I would like to follow the Red River a short ways and circle Shamrock until I had located all

Mustangs Down Erick 'Cats 33-13

The Wheeler Mustangs trotted off of the new Erick, (Okla.) grid-iron Friday night with a 33 to 13 victory over the Bearcats.

Wheeler opened their TD rampage in the first quarter when Jerry Hunter, Mustang quarterback, made a 60-yard run into the end zone. Erick quickly countered with two fast TDs—Bill Holmberg connecting with a 50-yard scrawl and Gerald Bennett in a scoring dive from the one-yard line.

The Mustangs collected their 23 points by going through the end zone once in the first quarter, once in the second, twice in the third and the final in the fourth.

In the second quarter, Jim Porter, Mustang fullback, made a 56-yard drive and adding the extra to end the half, 13-0.

The Mustang offense opened up in the third stanza when Satter-

field plunged over for a 70 from the one-yard line, and two series of plays later also went over from the one. Porter accounted for the extra point.

In the last quarter, Porter again highlighted the game as he galloped over from the 15-yard line, and added the extra point.

Wheeler has previously defeated Canadian 13-6 and McLean 20-0. Their only loss has been at the hands of Stinnett, Class A team, 12-0.

Prior to being trampled by the Mustangs Friday night, Erick had lost two encounters—to Sayre and Shamrock—by one TD in each game.

JUNIOR HIGH GRID SCHEDULE

Wheeler Junior High grid team has five games scheduled from September 26 to November 7.

Coach Boynton issued the following dates, teams and places for the Junior gridders:
Sept. 26—Canadian there.
Oct. 3—Wellington here.
Oct. 17—Shamrock there.
Oct. 31—McLean there.
Nov. 7—Shamrock here.

B Team

The B team will go against Shamrock October 17 at Shamrock following the Jr. High game. November 7 the B's will meet Shamrock here.

A representative of the Juniors said there would be no charge for admission to any of these games but those who care to may donate a bar of bath soap at the gate to be used in their shower room at the gym.

- Nov. 2—Arizona, 8 p.m.
- 9—Abilene C. 2 p.m.
- Border Conf. Game
- Home Game

The Buffs' 1-2 Punch

The two big guns in West Texas State's powerful ground attack last year will be back in action this fall. Ron Mills (top), White Deer halfback, was the team's top rusher with 569 yards and was named "most valuable player" in the Tangerine Bowl Jan. 1. Charlie Sanders, Gruver fullback, made All-Border Conference after leading the league in scoring with 72 points. Together, they gained 1057 net yards and scored 120 points.

Heading the West Texas State veterans in the Mississippi Southern meet in Amarillo stadium Saturday night, will be Ron Mills, 175-pound White Deer halfback who was named the game's "most valuable player." He starred in the Tangerine classic when scoring two touchdowns against the

Southerners, one coming on a 75-yard intercepted pass play. West Texas officials last week accepted an invitation from the Amarillo Chamber of Commerce to move the game from cramped Buffalo Stadium to 15,000-seat Amarillo Stadium. It will be the first appearance of the Buffs in Amarillo since 1951.

Hornets Sting Warriors

By Mrs. B. G. Dunn
The Mobeetie Hornets won their second conference game over the Miami Warriors, September 28, before a large crowd.

In the first quarter, Ferrell Baird of Mobeetie, opened the game with a 10-yard run around end for a TD. Miami's Billy Lard bounced back with a 60-yard run to tie the score.

Sam Harris of Miami scored a TD in the second quarter. Lee Wayne Hogan of Mobeetie came through with a 10-yard run with Archie Scribner completing the conversion for a score of 13-12.

In the third quarter, Paul Hathaway of Mobeetie, made a three-yard plunge for a TD with LeWayne Hogan kicking the extra 2 points. Billy Lard of Miami ran 75 yards for a TD. Ferrell Baird of Mobeetie ran 5 yards for a TD with LeWayne Hogan kicking the extra two points, making the score read 29-18.

Paul Hathaway of Mobeetie opened the fourth quarter with a 20-yard run for a TD. With Sam Harris of Miami firing back with a 10-yard run for a TD. Ferrell Baird of Mobeetie, crossed the goal line last for the Hornets with

a 15-yard run for the last TD. Making the final score 41-24. Both teams were handed numerous penalties in the rough and hard fought game. Mobeetie will travel to Booker next Friday night, October 4. A large group of Mobeetie fans are expected to be on hand for the game.

Cyrus K. Holliday Recalls Pioneer Days of Railroading

Famous Antique Train To Be Shown In Dallas At State Fair of Texas

An antique train reminiscent of the pioneering days of railroading will be exhibited by the Santa Fe Railway at the 1957 State Fair of Texas, Oct. 5-20.

The famous old Cyrus K. Holliday locomotive, a replica of the original engine which hauled the first freight and passengers over the Santa Fe line in Kansas in 1869, will be brought to Dallas along with its two ancient wooden coaches.

The diminutive locomotive has the famous "diamond stack" with a brass eagle figurehead gracing the engine head, a big oil-burning headlight, brass fittings and other paraphernalia of the early days of railroading.

Although the locomotive is but a replica of the original, the present Cyrus K. Holliday ranks as a museum piece in its own right. Built in 1880, the old engine was subsequently downgraded to a switch locomotive and finally withdrawn after 60 years of active service.

Restored to its original appearance, the train has been used many times in movies of the old West. The engine still operates under its own power.

With the Cyrus K. Holliday, the State Fair will have on exhibition trains spanning nearly 90 years of rail progress. The Texas & Pacific Railway Company will exhibit its old retired steam locomotive No. 999 and one of its crack modern Texas Eagle streamliners. In addition, the Fair's Monorail line, only such system operating in the U. S., offers a sample of another type of rail transportation said to hold great promise for the future.

Veterans' News

Q—I was told that the War Orphans education program allows up to \$110 a month for handicapped young people who need special restorative training. Sometimes this training is expensive. Is there any way the allowance could be increased?

A—Yes. If special restorative training costs more than \$35 a month, VA may step up its monthly allowance accordingly. However, these excess payments would cause a reduction in the length of time a War Orphan student could train.

Q—I have been totally and permanently disabled for more than half a year, and I just applied for a waiver of premiums on my GI insurance policy. Will the waiver become effective retroactively, to the date I first became totally disabled?

A—No. The waiver will become effective six months after your total disability commenced.

Q—I have to sell my house and move to another climate that will be more beneficial to my health. I understand that under these conditions I may get my GI home loan rights restored. What kind of evidence does VA require to approve restoration?

A—VA will want to statement from a reputable physician confirming that the change in climate is essential to your health.

Q—I think I am taking the wrong course of training under the Korean GI Bill. Before making my one and only change of course, could I receive VA's vocational counseling to help me get on the right track?

A—Yes. In filling out the application for a change of course, indicate on the form that you want vocational counseling. An appointment will be scheduled for you.

For that wonderful 21 year feeling

If you need vitamins—the booster potency of vitamins—minerals costs only 6¢ a day

Work can seem almost play if you are full of bounce and energy. Don't let vitamin or iron deficiency fatigue drag you down—leave you tired, nervous, lacking in heart appetite, a prey to minor ailments.

* If your trouble is not total, but the result of poor vitamin and mineral deficiency, take BEXEL Special Formula. One capsule—every day—brings you abundant B vitamins, essential B vitamins—plus iron—your daily iron requirement—plus build rich, red blood with BEXEL for that wonderful 21 year feeling!

Children need bounce and energy, too. So remember, there is a BEXEL Vitamin B12—plus iron—available for every member of your family.
