British Hold Desert Posts

CAIRO, May 29 (AP)—A German armored force was repulsed today after slipping around British positions as far as Sidi Rezegh, 50 miles inside the British defensive system in the Libyan desert.

At Sidi Rezegh, one of the main battlefields of last winter's campaign, the Germans were met by a British armored force. There is heavy fighting, almost entirely by tanks in a 50-mile belt between there and Ain El Gazala, region of the westerly British land positions.

Bridges Case Due To Go To Highest Court

WASHINGTON, May 29 (AP)—Attorney General Biddle invited a supreme court test of his deportation order against Harry H. Bridges today as the west coast CIO leader announced he had "just begun to fight."

Biddle, reversing the board of immigration appeals yesterday with an order to send Bridges back to his native Australia because of alleged communist party connections, said he wanted the courts to "pass on the whole procedure as a test case."

The attorney general indicated a belief that Bridges immediately would take the matter into federal district court at San Francisco with a habeas corpus plea. From there the case could advance to the circuit court of appeals and then to the supreme court, which never has ruled on the question decided by Biddle—that the communist party "believes in, advises, advocates or teaches the overthrow by force or violence of the government of the United States."

So far as he knew, Biddle said at a press conference, it was the first administrative ruling of its kind with respect to communism. Some federal courts have held similarly, however.

In San Francisco, Bridges, who has denied any connection with the communist party, said Biddle's order was based on "mis-statements, prejudice and perjured testimony which have characterized the entire case."

He telegraphed Donald Nelson, war production chief, a pledge to "do all possible to offset any effect it might have on the production program and labor unity."

Biddle's opinion, generally regarded as a surprise, was welcomed on Capitol Hill.

Chairman Van Nuys (D-Ind.) of the senate judiciary committee called it "a very wholesome order," and Senator George (D-Ga.) said "the country will be gratified."

Hit By Propeller, Cadet Is Killed

HOUSTON, May 29 (AP)—Private Willard L. Pools, about 24, of Marietta, Ohio, was killed almost instantly at Ellington Field this morning when he was struck by the propeller of an airplane.

Pools was stationed at MacDill Field at Tampa, Fla., and was at Ellington with a crew from MacDill Field in transit. It was reported he was cranking the propeller of the ship in which he was to fly when he stepped back into the propeller of another ship on the runway which was standing still with motor running.

News Not All Bad In Sub War

WASHINGTON, May 29 (AP)—Despite heavy losses inflicted on American coastal shipping by Nazi submarines, naval experts said today that the United States was slowly winning the main campaign in the battle of the Atlantic. They emphasized, however, that only steadily increasing production of both war and merchant ships could clinch the ultimate victory.

The greatest present need, it was said, is for more defensive craft—subchasers, blimps and patrol bombers—manned by experienced personnel.

The cold statistical results of the Atlantic battle to date are:

Three convoys of American troops and shiploads of equipment have arrived in the British Isles without the loss of a man. The supply lines to Russia, Africa, Asia and Australia—springboards for offensive action—are open, primarily, naval authorities say, because warships have not been diverted to protecting coastal waters.

On the other side of the ledger, 221 merchant ships of American and other nationalities have been sunk on the American side of the Atlantic since mid-January. Also on the loss side is the torpedoing of two and possibly three destroy-

ers. The Jacob Jones was sunk off New Jersey in March. The Sturtevant was destroyed by an "underwater explosion," which may have been either a mine or torpedo, in April, and early this week the Blakely was damaged by a torpedo off Martinique in the Caribbean.

The intensity with which the Nazis are waging undersea warfare in American waters is attributed by authorities here to their decreasing success, since the United States entered the war, in attacking convoys out on the North Atlantic. The fact that three great contingents of troops have been safely delivered to Britain is cited in this connection.

Thwarted in their main purpose of cutting allied supply lines, the U-boats have had to fall back on the indirect method of attacking where defenses appeared weakest. For several weeks, beginning in January, most of their raids were made along the middle Atlantic coast.

Then, presumably as countermeasures became more effective, they moved south, finally concentrating in the Gulf of Mexico and the Caribbean. It may be expected that when they believe the time is right they will strike again at the middle Atlantic. Meantime they may venture to the very mouth of the Panama Canal, as they have already struck at the mouth of the Mississippi and the St. Lawrence, or shell more coastal points as they already have shelled the oil refinery at Aruba.

Congressmen After Scalp Of Henderson

Opposition To Nat'l Gasoline Rationing Spreads In Capital

WASHINGTON, May 29 (AP)—A rising tide of congressional opposition to nationwide gasoline rationing brought suggestions from influential house members today that congress might well consider curtailing some of Price Administrator Leon Henderson's power.

Speaker Sam Rayburn and Chairman Lea (D-Calif.) of the house interstate committee which has been investigating the gasoline and petroleum situation went on record as seeing no reason to extend the eastern rationing program to the entire nation.

At the same time, Chairman Steagall (D-Ala.) of the house banking committee that wrote the price control law under which Henderson received much of his authority, commented that perhaps congress had "made a mistake."

"No such power as that man has should be given to one man," Steagall told reporters.

Although members of the senate small business committee held out new hope for motorists by unanimously endorsing a proposal to allocate 3,000 tons of crude rubber for the fabrication of 30,000,000 retreads made principally from reclaimed casings, Rubber Coordinator Arthur E. Newhall said he remained convinced that nationwide gasoline rationing was the only feasible method of conserving tires.

"I don't see any other way to do it," the rubber chief told reporters, adding that he did not believe "any voluntary tire conservation program would be effective enough and quick enough to save the rubber."

Senator Ellender (D-La.) told reporters the retread plan, which he intends to introduce Monday, was designed to keep 20,000,000 cars rolling which otherwise would be forced off the roads when their present tires wear out.

Meanwhile nine senators headed by Senator Connally (D-Tex) voted at an informal meeting to request that before any nationwide gas rationing program was put into effect, a public hearing be held so all angles of the matter could be studied. Governors of oil-producing states would be asked to testify.

Coffee, Tea Quotas Are Increased In Defense Sectors

DALLAS, May 29 (AP)—The War Production Board has granted additional coffee and tea quotas to 13 defense areas in three states of the southwest whose population has increased by 10 per cent or more during the past year, the OEM information center said today.

The southwestern defense areas involved, the percentage increase in quota, and the defense area quota included: Beaumont-Port Arthur-Orange (Jefferson and Orange counties)—25 per cent; 62 1-3 per cent tea; 58.75 per cent coffee.

The coffee quota for any month is 75 per cent of average monthly deliveries in the corresponding month of 1941.

NAZIS SEEK REVENGE FOR ASSASSINATION

LONDON, May 29 (AP)—Adolf Hitler's demands for vengeance for an attempt on the life of Reinhard Heydrich, Reich's protector for Bohemia and Moravia, were answered today by his Gestapo though perhaps only partly, with the execution of six persons in Prague.

A Czech government spokesman reported receiving advices that the Germans had arrested hundreds of officials, university professors and students for questioning, concentrating their attention on "intellectual types," including some puppet executives.

"The borders have been closed and the whole protectorate is one vast prison," the spokesman said. Announcement of the executions by the Berlin radio, justifying fears of bloody reprisals in the former republic, was accompanied by reports of new troubles facing Hitler at home and abroad.

Dispatches from Istanbul, quoting reports in semi-diplomatic channels, declared the Fuehrer had imprisoned his former army commander, General Walther von Brauchitsch, and his former food chief, Walther Dares, along with 15 high Nazi party officials in a sudden purge.

Simultaneously, advices from Stockholm asserted that Norwegian patriots on the island of Sotra, opposite Bergen, had shot and killed the Nazi Gestapo chief ruling all western Norway. These advices, which did not identify the secret police chief by name, said the Germans had arrested the entire male population of the village where the attack occurred, evacuated all families and set fire to their homes in retaliation.

Czech circles here feared the executions in Prague were but the forerunner of wholesale killings which would make previous reprisals in France and other occupied countries insignificant by comparison.

The German announcement said the six, all members of one family, had been shot because they had "hidden people who participated in acts directed against German authorities." All the family's possessions were confiscated.

Two Stanton Men Missing On Bataan

STANTON, May 29 (SpI)—Word received this week by Mrs. T. C. Heaton, from the war department disclosed the fact that her son, Curtis Heaton, who was serving on Bataan when it fell to Japan, was listed among the missing.

Heaton went to the Philippines in April of last year. Also, Mr. and Mrs. Albert Louder, whose son, Tull Ray, went to the Philippines with Heaton, received word from the war department this week that he was missing.

Chinese Say Capital Of Chekiang Held

CHUNGKING, China, Saturday, May 30.—The Chekiang province cities of Kinkwa and Lanchi were still in Chinese hands at 8 p. m. last night after heavy and bloody fighting around both cities in heavy rain yesterday. Chinese front-line dispatches reported early today.

By The Associated Press Allied warplanes were reported to have struck at the Japanese on far-flung battlefronts today while Generalissimo Chiang Kai-Shek's Chinese armies fought to stave off a fierce Japanese offensive against Chekiang province on the China east coast.

Countering Japanese claims, the Chinese high command announced that up to dawn yesterday the besieged Chekiang capital, Kinkwa, was "still in our hands despite enemy attacks of the previous night."

Japanese field headquarters reported the capture of the key city at 7 a. m. yesterday. The Chinese command acknowledged that Japanese columns bypassing Kinkwa had driven 25 miles westward to the railway town of Langyu, where bloody street fighting was reported raging.

At Lanchi, 10 miles north of Kinkwa, the Japanese were said to have lost 1,000 killed and wounded in a day-long battle in which the invaders launched 10 futile attacks.

Chekiang is important as a potential base for Allied aerial attacks on Japan. Meanwhile, official Washington quarters quoted a Tokyo broadcast by Japan's Minister of Justice Iwamura as admitting that Brig. Gen. James H. Doolittle's spectacular raid on Tokyo and three other great Japanese cities on April 18 "terrorized" the population and threatened public morale.

"It is natural that the people became terrorized, and it is to be feared it will have a serious and undesirable effect upon the peace and order of the country," he was quoted as saying in a speech demanding severe punishment for persons who spread false rumors.

On the Australian front, Gen. Douglas MacArthur's headquarters reported that Allied sirmen shot down four Japanese planes, damaged several others and blasted enemy bases in the islands north of Australia.

A communication said United Nations bombers set great fires at an enemy airbase at Rabaul, New Britain, and bombed and shot up a Japanese encampment. Other enemy airbase installations were attacked at Lae, New Guinea.

In the last battle of Burma, RAF warplanes carried on the fight after the withdrawal of the last British troops into India, attacking Japanese positions and transport in northern Burma and raking Japanese river craft.

U-Boat Skipper Gives Victims Fags And Rum

GROTON, Conn., May 29 (AP)—The master of a torpedoed American freighter told today how the captain of a German U-boat sent his craft to the bottom then tarried long enough on the spot to proffer cigarets and rum.

Captain George Haseloff of Oakland, Calif., and 29 members of his crew, who drifted for five days in open boats, often drenched by heavy rains, were brought to the U. S. submarine base here after rescue by a navy ship.

"For five and a half hours from the time he first sighted a decoy sail some miles away, he sought to elude pursuit only to lose to a sub-captain who, having put the survivors on the course to New York, voiced his regret in good English:

"Sorry, but this is war." During the entire exchange, said Haseloff, photographers on the sub's deck kept snapping the scene. Only one man was lost—Second Mate Fred C. Martin of San Antonio, Tex., who died on the bridge as the second of three torpedoes (the first missed) crashed into the port side of the ship.

Garden City Gets Key Rate Reduction

AUSTIN, May 29 (AP)—Fire insurance key rates in 18 Texas towns will be reduced June 1, Marvin Hall, state fire insurance commissioner, announced today.

Reductions were earned because fire prevention had been added to public school courses in each town during the 1941-42 school year. Towns receiving rates included: Chandler, Henderson county; Elkhart, Anderson county; Garden City, Glasscock county; Hidalgo, Hidalgo county; Knippa, Uvalde county; Mount Enterprise, Rusk county; Novice, Lamar county; San Fesita, Willacy county.

Ship Survivor Fat And Healthy After 29 Days Adrift On Raft

NEW YORK, May 29 (AP)—They thought there was something a wee bit fishy about Harley Olson's story when he was rescued—after 29 days alone at sea on a raft.

So, when the rescue vessel arrived at Key West with the 29-year-old radio operator whose ship was torpedoed April 30, the FBI detained him while checking his tale.

But they found that his story—one of the most amazing to come out of the battle of the Atlantic—was true and Harley, stopping in

Huge Expansion Of Army Told

WEST POINT, N. Y., May 29 (AP)—An invasion of the European continent was promised today by General George C. Marshall, army chief of staff, who told the West Point graduating class that American troops "are landing in England, and they will land in France."

Marshall said the army would total nearly 4,500,000 men by the end of this year, instead of the previously announced estimate of 3,600,000. During the past four weeks alone, said the chief of staff, the army has grown by 300,000 men.

"Your utmost endeavor, backed by high and unselfish purpose, will be required to bring this struggle to a triumphant conclusion," he told the graduating cadets.

"No compromise is possible, and the victory of the democracies can only be complete, with the utter defeat of the war machines of Germany and Japan."

Gaining significance in view of the current discussions of high ranking American army officials with British officials in London, Marshall's assertion that American forces "will land in France," was the first definite statement by any American official that a ground offensive against the continent was part of American-British strategy.

Marshall recalled that prior to December 7, members of congress, seeking his justification for expansion plans for the army, wanted to know "where American soldiers before the sun sets on this terrible struggle, our flag will be recognized throughout the world as a symbol of freedom on the one hand and of overwhelming power on the other."

The chief of staff said the confusion which existed in the minds of many Americans before Pearl Harbor was a thing of the past, and the American people, "solidly behind the army, are supporting wholeheartedly every measure for the prosecution of the war, and they are meeting with calm courage the vicissitudes inevitable in a war extending to the four corners of the earth."

"This attitude," Marshall said, "is exemplified in heroic measure by the parents and wives of those men who fought to the last ditch in the Philippines. Their fortitude was magnificent during those agonizing days of tragic uncertainty regarding their sons and husbands. The letters that have come to me from the mothers or wives of men lost in that heroic struggle are my greatest reassurance that America has steeled itself for a terrible struggle, with the implacable determination to hammer out a complete victory—decisive and final."

The citizen-army which the cadets will join in two weeks as second lieutenants was described by Marshall as "in physique, in natural ability, and in intelligence, the finest personnel in the world."

LUFTWAFFE DECLINING LONDON, May 29 (AP)—The German air force, now engaged on the east, west, and south, is inferior in numbers, manpower and quality to the powerful luftwaffe which spread death and destruction throughout Europe in 1941, reliable air sources said today.

EMPLOYMENT UP WASHINGTON, May 29 (AP)—Agricultural employment increased 351,000 from mid-March to mid-April, Secretary of Labor Perkins reported today, totaling 40,778,000 to exceed all previous April levels.

MACARTHUR DAY WASHINGTON, May 29 (AP)—The senate has voted to designate June 13 as Douglas MacArthur Day—in tribute to the heroic defense of the Philippines by General MacArthur, Lieut. Gen. Jonathan Wainwright and the officers and men who fought at Bataan and Corregidor.

Big Day: Four New Cars Sold It was almost a pre-war day at the tax collector's office Wednesday. Four new cars were licensed—a fair number even for a single day, before rationing, and at unchanged prices for any day since then.

One went to Dr. C. A. Shave, superintendent of Big Spring State Hospital, another to Schermerhorn Oil corporation, a third, to B. F. Miller, farmer, and the fourth to W. J. McAdams, farmer and contractor.

spied another, then some weeks ago, then part of another raft. Pooling the best of his findings, by these the most seaworthy raft and loaded it with food, water, canvas for covering and sails and an old settie.

By day he lounged on the settie, fishing with a net made from bandages in a first-aid kit, or just drowsing. By night he covered himself with canvas and curled up on the settie.

"One's wares rotted out to sleep," he said. "I guess I was pretty lucky, all right."

After the torpedoing, Harley leaped overboard, sighted a life raft and clambered on it. Soon he

NEW SUNDAY COMICS

Effective this week, The Herald presents its Sunday Colored Comic Section in a new dress.

The comics will be in tabloid (half-page) size, being reduced as a wartime measure in the interest of conservation of paper and colored ink, both of which are seriously affected by war needs.

BUT THERE IS NO REDUCTION IN QUALITY. . . Instead, we are bringing you TWO NEW POPULAR "funnies"—BOOBY'S and CAPTAIN EASY. You will meet these characters Sunday, along with such favorites as SUPERMAN, OUT OUR WAY, OFF THE RECORD, JOE PALOOKA, TAZZAN, and OUR BOARDING HOUSE.

There will be the complete, eight-page section, one easy to handle, to read and to pass on to other members of the family. We think you'll like the change.

Downtown Stroller

Attended the announcement party for CORNELIA FRANCES DOUGLASS yesterday and never saw such lovely flowers. The table centerpiece of canterbury bells had a history too. Seems that LILLIAN SHICK brought the seeds back with her from Canada and gave them to Mrs. W. R. DOUGLASS. The flowers were in orchid and pink and looked like a florist bouquet.

Visited for a bit with Mr. and Mrs. C. V. WARE out in Foran at their store and nearly ran off with their cat. It is either Persian or Angora and is black and orange. Looked like the Calico cat of fairy book tale fame.

Also stopped for a talk with NELL HARVEY out in Ross City and got a kick out of hearing about something that she said made her so mad she was red-headed. Miss HARVEY is red-headed and a lot of fun to talk with.

Mrs. W. N. ZACHARIAH of Baton Rouge, La., is here visiting her son, GEORGE, so we stopped to talk a while downtown. She was off to a show with Mrs. DOUGLAS ORME. She is enjoying her stay here a lot but she's still partial to Baton Rouge, it seems.

A couple of tired puddin's were CORNELIA FRAZIER and GLORIA NALL when we ran into them yesterday afternoon. They had been decorating and getting ready for the Sub Deb formal last night. And that decorating job can be pretty awful. However, it looked to us as if the results were well worth the trouble.

Informal Coffee Given By Mrs. J. H. Greene, Mrs. Joe Pond Thursday

Morning Party Held For Group In Greene Home

An informal coffee was held Thursday morning at 10 o'clock in the home of Mrs. J. H. Greene with Mrs. Joe Pond as co-hostess. The table was laid with a cut-work cloth and centered with an arrangement of sweetpeas in a mirror box. Mrs. J. E. Hogan and Mrs. V. Van Gieson presided at the coffee service.

Special guests were Mrs. H. G. Towle and Mrs. Pearl Shannon of Snyder, sisters of Mrs. Greene.

Others in the house party were Mrs. J. B. Young, Mrs. Shirley Riley, Mrs. F. D. O'Brien, Mrs. G. H. Hayes of San Diego, Calif., and Mrs. F. C. Gambill of Winters.

Out of town guests were Mrs. Anne Anderson, Mary Lou Watt, Betty Jean Underwood.

A quartet from the first recital group will include Luan Creighton, Susan Houser, John Edwin Fort, Jim Ferry Farmer.

Personality song and accordion pupils will be Sonny Barnett, Anna Mae Thorp, Jeannette and George Bug, Shirley Ann Wheat, Leslie Cathey, Lina Jane Wolfe, Mary Briggs, Shirley June Robbins, Betty Jo Briggs, James Lee Underwood, Wanda Lou Petty, Perry and Billy Jean Walker.

The public is invited to attend.

Boston Red Sox About To Drop To 2nd Division

By JUDSON BAILEY
Associated Press Sports Writer

The Boston Red Sox came close to being the worst road team in the major leagues and this malady, which has kept them from resembling pennant contenders in the past, now has placed even their first division berth in jeopardy.

The Red Soxers are a real first class outfit in Fenway Park at Boston. It's only when they venture away from those friendly fences that they stumble.

The Cronin Clouters were stopped 5-1 by the Washington Senators at the capital last night and now have lost 12 of their last 17 encounters, all but three away from home.

This slump, which contrasts with Boston's feat in winning 14 of its first 21 games while playing mostly at home, has dropped the club within a game of the fifth-place St. Louis Browns.

Another result of this contest was the loss of the American league batting leadership by Bob Deery, who had been hitting .400 until this week. Last night he dropped to .379, three points behind Joe Gordon of the New York Yankees.

Gordon extended his current hitting streak to 13 games yesterday and won a 3-2 decision for the world champions over the Philadelphia Athletics by rapping a single with the bases loaded and the score tied in the ninth.

Virgil (Fire) Trucks, strikeout king of International league last year, pitched his first complete game for the Detroit Tigers and held the Cleveland Indians to four hits for a 6-2 victory. Trucks fanned six but allowed a homer by Roy Weatherly.

The St. Louis Browns rallied for four runs in the eighth inning to beat the Chicago White Sox 6-4 and gain their sixth victory in seven games.

The Brooklyn Dodgers set down the Boston Braves again 6-4, with Kirby Higbe pitching seven-hit ball and choking off a Boston rally that netted three runs in the ninth, two on a homer by Max West.

The St. Louis Cardinals took advantage of this outcome to strengthen their hold on second place in the National league with a 3-2 eleven-inning triumph over the faltering Pittsburgh Pirates, who now have lost 11 of their last 13 games.

Big Bill Lee, making a fine comeback this season, achieved his seventh victory by holding the Cincinnati Reds to six hits while the Chicago Cubs forged to a 2-1 triumph in 12 innings. Lee himself knocked in the winning run with a long fly.

The Dallas Rebels plastered a 6-3 defeat on the Oilers at Tulsa, and the Fort Worth Cats pushed their winning streak to four by drubbing the Indians 8-4 at Oklahoma City.

The Sports gods got the jump on their guests, the Missions by scoring two runs in the first inning and then tallying again in the third. The Missions knocked the count when Baker, Ssuch and Hausmann all scored in the third. Shreveport collected seven hits in the last inning for a night's total of 21, compared with the Missions' 13.

The Shippers' victory was due to Bill McClernan's single in the tenth, scoring J. P. Wood from second. Hal Epps, the Buffs' centerfielder, made several sensational catches and prolonged the game.

Dallas gave two Tulsa pitchers a going over, driving Jack Christensen from the game in the second, and then running up three runs against Byron Humphreys in the same inning. The Rebels made their final two runs in the third.

The Cats took the lead from Oklahoma City in the sixth, 2-2, when Chuck Baron homered and drove in a man ahead of him. In the seventh Fort Worth garnered five hits, the Indians sending in two relievers in an effort to stop the attack.

Bridge Engineer Is Claimed By Death
KANSAS CITY, May 29 (AP)—Albert M. Blodgett, 86, bridge engineer, who built the two-mile long causeway at Galveston, Tex., and numerous other bridges here and elsewhere, died yesterday. During the first World War he was for a short time in the ship building business at Pascagoula, Miss. He

Hubbers Take Last Game Of Series, 7-5

It's Albuquerque tonight for the foe, as the Big Spring Bombers return from a three-day stay in Lubbock where they managed to salvage only one game of the three. They dropped the series by taking the short end of a 7-5 score Thursday night.

The New Mexico boys breeze in to town for three days, being billed against the locals tonight, Saturday night and Sunday. Starting time for tonight and Saturday night will be at 8:15 o'clock.

Despite the three-hit pitching of Spear and the no-hit pitching of the relief, the Bombers couldn't quite cut the mustard last night in dropping the game to the Hubbers. Big Spring jumped off to a three-run lead in the first inning, and no other scores were made until the fourth when Lubbock bunched two singles with an error, three walks and a hit batsman for five runs. The Hubbers added two more in the seventh on Ed Suvada's home run with Knight on base. The Bombers rallied in the ninth, Timmons, safe on an error, advancing on Brown's single, after two outs, and scoring behind Timmons on Neal Rabe's ringing double to left. Pearson, first baseman, fanned to end the rally and the game. Spear, who injured an ankle sliding into second in the sixth inning, was relieved in the seventh by Johnson. Timmons, however, came in from shortstop and finished the game, striking out the last two Hubbers to face him after walking three in a row.

Golfers Plan Army-Navy Benefit Matches

All Steer Hopefuls Make The Grade In Scholastic Dept.

With a mixed expression of relief and jubilation, Coach John Dibrrell of the Big Spring Steers left today for a trip to Lubbock and other points in East Texas. Coach Dibrrell's good spirits were brought about Thursday when a final checkup showed that every member of his 1942 Steer football squad had made passing marks in their school work and will be eligible scholastically to participate in gridiron warfare next fall. Most of the players were expected to come through on their grades with shining colors, but a few were on the doubtful list prior to the checkup.

SPORTS ROUNDUP

By HUGH FULLERTON, JR.
Wide World Sports Columnist
NEW YORK, May 29—Outside of professional razing, the best toughening-up exercise that has come to our attention lately is "suicide basketball." Instead of playing according to no-contact rules, the player who grabs the ball on the jump lugs it down the floor like a halfback and the opposition can use any means it wants to stop him. When the 47th field artillery ball team lost to the Oklahoma U. freshmen at Fort Sill the other day, the gent with the high forehead who filled in for the absent frosh second baseman and who did a neat job of hitting and fielding was Athletic Director Jap Haskell. . . . Penn State has 13 entries in the I. C. A-A track meet this weekend. . . . and if you're thinking of back luck, the Nittany Lions won the indoor title with 13 entries.

Today's guest star—
Carl Bell, Northwest Arkansas (Fayetteville, Ark.): "The University of Arkansas Razorbacks may not win the Southwest conference football championship next fall, but at least their forte will be genuine—Captain and quarterback Chic Forte of Lake Village." . . . P.S.: Harvard also will be well Forte-fied with Don Forte in the driver's seat.

One-minute sports page—
Alf Bristol, one of Australia's leading steeplechase jockeys, now is in the merchant marine and likely will get a couple of mounts at Belmont while his ship is in port. . . . Carl (Handy-Man) Holland, Notre Dame frosh halfback, won 16 letters at Farmingdale, N. Y. high school—football 4, basketball 3, track 3, baseball, boxing and golf, 2 each; drummer Joe Petrakis wonders if anyone tops that record. . . . At least Carl won't freeze to death with all those sweaters. . . . Yale swimming student, Yale practices the breast stroke with a temporary lead pipe on their necks. Coach Bob Kibuth says it's a good substitute for a gun—and not only in swimming, Bob.

Something new. . . .
When Fred Kammer, the former Princeton golfer and hockey player, was a kid, he went out with a new set of golf clubs and made a hole-in-one on the first round. . . . A few years later he graduated to a bigger set and came up with an ace the first time. . . . The other day in Detroit Freddie tried out some more new clubs and once more he had a hole-in-one. . . . Well, no more ace until after the war.

Service dept.—
The athletic field at Foster Field, the fighter pilot training base at Victorville, Texas, has been named "Lou Gehrig Field." . . . Barney Ross, former lightweight and welterweight champ, received a medal for efficiency two weeks after he began training at the recruit depot at San Diego, Calif. . . . Tommy Gomez, of Camp Blasing, Fla., and Tommy Tucker of the Jacksonville naval air station will battle at Jacksonville June 12 for the benefit of the air station's relief fund and the camp's hospital fund. . . . When Pvt. Leonard Dudek, former middleweight boxer stationed at Camp Upton, N. Y., flunked his vocabulary test for air corps cadet training, he bought a dictionary and started at the beginning. Five months later he was down in the middle of the 1's when he tried again and passed the test with flying colors.

The old oil—
When he heard that two outstanding players from last year's Pennsylvania football squad, 215-pound Walter Sticker and 200-pound Jules Gebauer, had enrolled at Tulsa U. for the summer session to study petroleum engineering, Grid Coach Henry Franke commented: "We do have an outstanding school of petroleum engineering here and it makes me happy to learn that our school is becoming so well known that it will attract students from as far east as Pennsylvania."

Wide Program Organized As Tourneys 'Out'
ATLANTIC CITY, May 29 (AP)—Figuring that tournament golf will be ended for the duration within six weeks, the professionals are getting ready to pitch in and carry on an organized country-wide campaign to raise funds for the Army and Navy relief societies and the Red Cross.

Between rounds of their annual P.G.A. championship at the Seaview club here, they got together last night and agreed to shoot the works. President Ed Dudley announced that the association would contribute the services of its tournament manager, Fred Corcoran, to line up benefit matches and the players agreed to devote a good part of their time to the program.

Of the eight stars competing in quarter-final matches today, six agreed to place themselves at Corcoran's disposal. The other two, Corporal Jim Turnesa and Sammy Sneed, already have signed with Uncle Sam's armed forces.

The program, it was emphasized will not interfere with the match at Detroit July 19-20 between the Ryder cup team and a squad chosen by Walter Hagen, the proceeds of which will go to service charities. Hagen asked Corcoran to put him down for as many benefit exhibitions as he could arrange.

On the stretch of their play so far, it looks like the tournament finals on Sunday probably will be Sammy Sneed and Ben Hogan. Both are playing at the top of their great game whereas Byron Nelson, the pre-tournament favorite, appears to be threatened with one of his rare slumps.

It is not like Nelson to hold a 4-up lead over a veteran like Joe Kirkwood—as he did yesterday noon—and let himself be caught on the 32nd hole. He snapped out of it to shoot a pair of quick birdies and beat Kirkwood, 2 and 1, but he still did not look like the real Nelson. He predicted gloomily, himself, that Sneed and Hogan would fight it out for the \$2,000 first prize. He could not afford many slips against Harry Cooper, the Minneapolis veteran, today.

Sneed looked like a million yesterday in trouncing Willie Goggin, 9 and 8, and Ed Dudley did not look like the man to stop him today. Hogan likewise beat his second round victim, Ky Lafoon, by 9 and 8, and he appeared to have too many guns for Corporal Turnesa in the quarter-finals.

The program, it was emphasized will not interfere with the match at Detroit July 19-20 between the Ryder cup team and a squad chosen by Walter Hagen, the proceeds of which will go to service charities. Hagen asked Corcoran to put him down for as many benefit exhibitions as he could arrange.

On the stretch of their play so far, it looks like the tournament finals on Sunday probably will be Sammy Sneed and Ben Hogan. Both are playing at the top of their great game whereas Byron Nelson, the pre-tournament favorite, appears to be threatened with one of his rare slumps.

It is not like Nelson to hold a 4-up lead over a veteran like Joe Kirkwood—as he did yesterday noon—and let himself be caught on the 32nd hole. He snapped out of it to shoot a pair of quick birdies and beat Kirkwood, 2 and 1, but he still did not look like the real Nelson. He predicted gloomily, himself, that Sneed and Hogan would fight it out for the \$2,000 first prize. He could not afford many slips against Harry Cooper, the Minneapolis veteran, today.

T. Yarbro Wins Forsan Tourney

FORSMAN, May 29—Tom Yarbro defeated Lewis Heurvel 4-3 to win the championship flight in the Oil Field Golf Club's annual membership tournament.

Yarbro won his way to the finals by eliminating Paul Johnson and D. L. Boyd. Championship flight consolation honors went to Johnson for defeating W. Harmon one-up.

Yates won the first flight when he defeated Burl McNeilen one-up. Consolation play in this flight has not been completed.

In the second flight, O. N. Green beat O. A. Robison one-up for honors in this flight, and in the consolation Bill Johnson won over J. T. Holladay one-up.

United States war stamps were given as prizes to flight winners and runners-up, and golf balls to consolation winners.

Locals Ride Today In Polo Tournament

The home town boys take their horses on the polo turf at San Angelo this afternoon, for the first try at getting some place in the fast San Angelo invitational tournament.

Cap'n M. H. Bennett and his boys were matched against a tough Red team from San Angelo, with play slated at 4:30. Before the shooting is over Sunday, they must meet also the Angelo Yellow Shirts and the spectacular Dallas team headed by Cecil Smith.

Smith paced the way in the invitational's opener Thursday at Dallas downed the Angelo Yellow 13-1 by handicap rating, 4-1. Cecil himself got five tallies.

Bennett, Gus White, Jr., Lewis Rix and Rip Smith will carry the Big Spring colors into today's fray, while the Angelo foe will be made up of Len Mertz, Gene Linthorn, Bill Dent and Dutch Ervinger.

The Border city of El Paso, which dickered at the start of the season for a place in the West Texas-New Mexico league, is at it again.

There is agitation for transfer of one of the WT-NM franchises there, to replace El Paso's team in what was once the old Arizona-Texas league—but it's not revealed which franchise it might be. Grover Wilson, manager of the old El Paso baseball setup, told the Associated Press Thursday that the property is not that at Clovis, which reportedly is having financial difficulties.

He said that feelers have been made by an unidentified club to move into the Border city, but that it would be several days before a decision is made. There will be no local financing, El Paso ball directors have asserted.

Meanwhile, a meeting at Clovis tonight was due to determine the fate of the Pioneer. The 1941 championship club is not drawing the gate it has to have to continue.

The St. Louis Browns rallied for four runs in the eighth inning to beat the Chicago White Sox 6-4 and gain their sixth victory in seven games.

The Brooklyn Dodgers set down the Boston Braves again 6-4, with Kirby Higbe pitching seven-hit ball and choking off a Boston rally that netted three runs in the ninth, two on a homer by Max West.

The St. Louis Cardinals took advantage of this outcome to strengthen their hold on second place in the National league with a 3-2 eleven-inning triumph over the faltering Pittsburgh Pirates, who now have lost 11 of their last 13 games.

Big Bill Lee, making a fine comeback this season, achieved his seventh victory by holding the Cincinnati Reds to six hits while the Chicago Cubs forged to a 2-1 triumph in 12 innings. Lee himself knocked in the winning run with a long fly.

Hollywood Sights And Sounds — — Greer Garson Asks Some Ba-ad Parts

By ROBBIN COONS
HOLLYWOOD — Miss Greer Garson, the lively redhead who proved there was a market for a siren lady, came off the set after a heavy emotional scene with Ronald Colman, greeted the dazed observer and retreated with him to her dressing room.

This d. o., accustomed as he is to anything he sees on or off the movie sets, was practically out for the count. You could have knocked him over with an arc-light. Miss Greer Garson, she who was "Mrs. Chips" and the heroine of "Wife and Prejudice" and "Blossoms in the Dust" and a perfect by-dy in every sense of the word, was in little. Miss Greer Garson's — er — legs were more visible than Catalina on the clearest day — visible, shapely, and siren-clad.

Miss Garson, who is a very sprightly young person for all of "Mrs. Chips" sank down on the divan in the portable miniature palace Metro provides for all its chosen ones. Miss Garson's — er — legs stretched out also.

"This is the picture," this d. o. observed with his usual keen gaucherie, trying to come out of it, "during which no one will comment on the color of your eyes and hair."

Miss Garson smiled. "Yes, it's in black-and-white," she said amiably. Then she said "Oh" and again "Oh!" and laughed and picked up her script to hide her face while she blushed prettily.

And I think she felt very gay and hopefully naughty about her little and her silk, because she is pretty sick and tired of playing the perfect by-dy and perhaps if

enough people notice that she isn't swathed in period dresses she may get out of the rut. She talked that way, at least. She said she was very grateful to "Mrs. Chips" and to her latest character, "Mrs. Miniver," but still and all she was an actress and she would like now and then to be b-a-a-d. Or funny. "My specialty on the stage was high comedy," she said, "but here—" She shrugged viciously. Even after she did a bit of Noel Coward high school comedy in the series of plays here for British war relief, she went back to the genteel business for pictures.

Though she has heard the good reports on "Mrs. Miniver" as a film, she has little enthusiasm for her own role in it. She warms up more to "Random Harvest," the James Hilton story which put her in little. She's a show girl though a very nice show girl who does Scotch songs and dances in variety houses—and she doesn't start the film married, settled down, and a mother as in "Mrs. Miniver." Of course she does a bit of noble suffering, loving a man who married her in a stage of amnesia and forgot about the marriage when he recovered, but there are still the compensations: a romantic fling early in the film, and the kiltie.

—As good many people may be shocked to learn that Miss Garson, she of the ample, flowing costumes, possesses legs. As on Eddie in the song, the verdict may be, "Dammitt, she was still a perfect lady!"

On the other hand, as this still dazed observer remarked, she may wind up playing Dietrich roles—legs and shadiness.

Use Of Grains Studied By H. D. Club At Knott

KNOTT, May 29 — The Knott home demonstration club met Tuesday afternoon at 3:30 in the home of Mrs. R. H. Unger for the regular meeting with the county agent, Fontilla Johnson, in charge of a whole grain cereal and flour program, in line of the club's Food for Defense activities. Ground maize cereal, washed whole wheat flour and granulated were made and sampled and leaflets on whole grain products recipes and selection and cooking methods were handed out by Miss Johnson. Refreshments were served to Mrs. S. T. Johnson, Mrs. Walter Barber, Mrs. J. W. Phillips, Mrs. Paul Adams, Mrs. J. B. Sample, Miss Johnson and the hostess, Mrs. Unger.

Grady Castle of Abilene was a business visitor here Wednesday. Res. Adams continues very seriously ill at a Big Spring hospital.

Mrs. Clarence Taylor and son, Clarence Oliver, were guests of her mother, Mrs. Herschell Smith, during the week.

Mr. and Mrs. Oscar Smith and Mrs. J. P. Smith and Marshall Smith went to Anson Tuesday. Marshall and Mrs. J. P. Smith, her mother, will remain at Anson for a visit and the others returned home.

Sand fighters and harrows are being rushed over newly planted fields to hold the young cotton and feed. "Too late," was the comment of those who had hoped for rain in time to benefit the small grain crops in this area. However, some are expecting a fair turnout.

Flagpole Climber Is 73
METHUEN, Mass. — When the 90-foot flagpole in front of the Bavarian Reading and Progressive Society headquarters needs attention, society members call on 73-year-old Henry E. Byrider to climb the pole and make repairs.

did you do with that bottle?" "It's there by the tree," Kathleen answered.

"Okay," said Joe. "I made a deposit on it."

"Well, of all things!" said Kathleen. "Worrying about a silly little deposit of a few pennies."

"My darling," said Joe, "pennies count nowadays."

He watched Kathleen go on her way, shaking his head in the shadow of the big old tree. Such a sweet little thing to look at, and such an exasperating little thing to listen to. Then he put thoughts of Kathleen from his mind, and arose to greet Ruby.

"You were swell," he said, and meant it. "You got right under the skin of Letty, and made her live."

"Thank you, Joe," said Ruby. She sat down beside him. "You sound as though you really mean what you say."

"I do," said Joe. "I hope if I ever get a play produced, the actress will make my heroine live as you made Letty live. I liked you a lot, Ruby—really I did."

"Joe, you're sweet." Ruby leaned back against the trunk of the tree. "And this is a heavenly spot. I'm falling in love with it."

"The barn, you mean?" asked Joe.

"Yes. And the country all around it."

To be continued.

Editorial — — Hot Weather Is Tough On Tires

Another thing motorists can mull over in their minds is the statement of the Rubber Manufacturing Association that you get only half the mileage from your tires in summer as in winter. One mile in July equals two in January because heat is a natural enemy of rubber. That is the principal reason the wear on tires increases in direct ratio to speed, why tires wear out twice as fast at 60 miles as at 40. Heat from friction does it. Naturally the frictional heat is worse in summer, so summer-time speeding takes a double toll of rubber. After a few miles of 60-mile speed in the heat of summer a tire becomes too hot to be borne by the bare hand, and since heat decreases the strength of the cords as well as burning up rubber, slower speeds in summer are clearly indicated.

We Americans have known this all along, of course, but up until lately we never had to worry about tires. Most of us never imagined we ever would have to worry about tires, but the war is teaching us many things. Of course we can go on driving fast and far this

summer, but we do so with the knowledge that when our present tires wear out there will be no way to replace them until after the war. Unless you are an incurable optimist and think the war is likely to end in a month or two from even dates herewith, something that is not even remotely possible, you'll go easy on the speed and mileage from here on out. You can figure on the war lasting an absolute minimum of two years and a possible maximum of ten, and even after the war is over and peace restored it will be many months, perhaps a year or more, before rubber for tires will be available.

The rubber men say tires in summer develop an internal heat of 285 degrees and in the case of truck tires 350 degrees. That is a lot hotter than boiling water, ladies and gentlemen. That is why there are 20 per cent more tire failures in summer than in winter. That is why danger of high-speed blow-outs is greater in the hot months. Take it easy.

Man About Manhattan— Gas Rationing Aids Theater?

By GEORGE TUCKER
NEW YORK — Gas rationing, threatening to immobilize New Yorkers, may react to the advantage of the Broadway theater. Or so showmen seem to believe. They are making plans for brisk summer patronage on the assumption that week-endings will be necessarily reduced by the lack of motor transport. An upsurge of business is expected in June, July and August—normally months of declining trade — by at least a dozen current attractions. Consequently, if your plans for the summer include an appearance in New York, you may want to clip these attractions, here listed, for possible consideration:

"Angel Street," the last of the thrillers, enlivened by the expert playing of a newcomer, Judith Evelyn.

"Arsenic and Old Lace," last season's comedy smash, still aiming to hang around until mid-season.

"Best Foot Forward," a musical comedy with youngsters, one of the first hits of the year.

"Bithe Spirit," Noel Coward's enormously successful comedy, winner of the Critics' Circle prize, distinguished by star performances by Clifton Webb, Peggy Wood, Leonora Corbett and Mildred Natwick.

"Junior Miss," the entertaining adaptation of Stella Benson's New Yorker stories.

"Keep 'Em Laughing," one of the vaudeville revivals, with The Hartmans' Hildegarde and Gracie Fields.

"Let's Face It," the giant of the musical comedies. Danny Kaye, elevated to stardom in this hit, demonstrates very ably why.

"Life With Father," now three years old and steadily growing

Co-author Howard Lindsay and his wife, Dorothy Stickney, are the leading players.

"Porgy and Bess," the surprisingly profitable revival of George Gershwin's opera, which failed on its first attempt seven years ago. The same principals appear in their original roles.

"Priorities," the first of the bills that gave vaudeville its hope of resuscitation, offering Lou Holtz, Hazel Baker, Willis Howard and Hazel Scott.

The producers, notoriously cautious at this time of year, are anxious to find new plays. Several are announced, while cagey investors are waiting to ascertain whether the entire is worthwhile. Most of the Broadway theaters are air-cooled, which reduces the summer risk to a minimum.

Speaking of air-cooled theaters, one first line house lost a bit because it had neglected too long the installation of a cooling system. "Bithe Spirit," certain to remain well into next season, quit the Morocco to take up tenancy of the equipped Booth across the street. This ought to sting the Morocco management sharply, since it must stare out all summer at its vanished prosperity.

Washington Daybook— Patron Saint Of The WAAC

By JACK STEINNETT
WASHINGTON—If the WAAC ever adopts a patron saint, it should be Deborah Sampson.

Why? Because aside from the Army nurses, who are "in the Army" as a matter of convenient bookkeeping, discipline and personnel, the Women's Auxiliary Army Corps brings women into the Army for the first time in history of the nation.

AND, more than 200 years ago, Deborah Sampson was the first woman ever to serve with the United States armed forces; and according to the official record, the only one who ever did until Mrs. Orestis Culp Hobby took oath of office the other day as chief of the WAAC.

Of course, Deborah stole a march on her 20th century sisters by subterfuge. Instead of telling her recruiting officer in Massachusetts that she was just plain Deborah Sampson, she told him she was Robert Shurtieff.

The recruiting officer evidently took her word for it, because with no more ado than that, Deborah was mustered into the Continental army. That was April of 1781.

Shurtieff proved a stout soldier, too. Nobody ever questioned his courage or his ability to swing one of those weighty old muzzle loaders down on the Red Coats. He was so well thought of by his comrades that when he caught a chunk of British lead at the battle of Tarrytown, they pulled him off the field of battle and rushed him to a dressing station behind the lines.

The record here is a little obscure. How Deborah managed to keep her secret isn't made clear in the otherwise meticulous report. But she kept it sufficiently to rejoin her regiment, still as Robert Shurtieff, and she was

shouldering a musket a few yards away when Lord Cornwallis surrendered to Gen. George Washington.

If you are thinking by now that Deborah's freaks, skip the thought. Honorably discharged from the Army in November, 1783, she married within a year one Benjamin Gannett and there is no record that anything but conjugal bliss prevailed for the next 43 years, when the Army's one and only (until sometime hence) grand old lady died.

Instead of being horrified, the Congressmen of those days tilted their beavers in courteous admiration. They even approved Deborah's pension — \$48 a year at first and finally \$76.80 a year.

When she died, Benjamin Gannett got a widow's pension. It took a special act of Congress, but those who were close to the memory of the nation's first female soldier didn't argue long. With the notation that the history of the young nation "furnishes no similar example of female heroism, fidelity and courage," Congress voted the soldier's widower \$80 a year for the rest of his days.

The WAAC will be hard put to find a more suitable patron saint than Deborah Sampson.

Dalhart Air School Bonds Approved
DALHART, May 29 (AP)—A special election to authorize issuance of \$60,000 in bonds to buy 3,040 acres for the U.S. Army Air School located southwest of Dalhart carried 54-15.

Mayor Herbert Peoples said the 3,040 acres had been negotiated for and that payment would be made in the next few days.

UNFAIR TO LOVE

By Watkins E. Wright

Chapter 17
SENTIMENTAL NONSENSE!
Paul Pennell came out. He had removed his mustache, and was smoking a cigarette in a long holder.

"Hello, Kathleen!" he said.

"Hello, Joe!" she said.

"Hello, Joe!" he said. "Do you feel avuncular toward us all?"

"Oh, no," said Paul. "I step out of my role entirely when the curtain falls."

"You discard it like an old rag," said Ruby.

"Right!" said Paul. He frowned at Ruby. "But I never wear it like one. I hear the plans are all made for the barbecue. I'm as excited about it as a kid. Almost like looking forward to the coming of a circus."

Ruby laughed. Paul looked annoyed.

A voice called to them from the inside.

"Curtain in three minutes!" it said.

"See you after the show," said Ruby. She hurried off, tossing aside her cigarette.

"Stick around," Paul said to Kathleen. "Maybe we can manage cold drinks. You know we're running a refreshment stand in connection with the theatre." He laughed a bit too gaily. "May help keep us out of the red."

"They look pretty awful in stage makeup, don't they?" said Joe. "I mean—anywhere but on the stage."

"Oh, I don't know," said Kathleen. "They sort of fascinate me."

"They would," said Joe. "Come on, let's climb back into the hay-loft."

"I wish," said Kathleen, "that you'd forget it was a barn for at least five minutes."

"All right, honey, I will," said Joe. "For exactly five minutes."

Once more they climbed the narrow steps to the balcony which had once been a place wherein hay was stored. Once more Joe felt for and found Kathleen's hand.

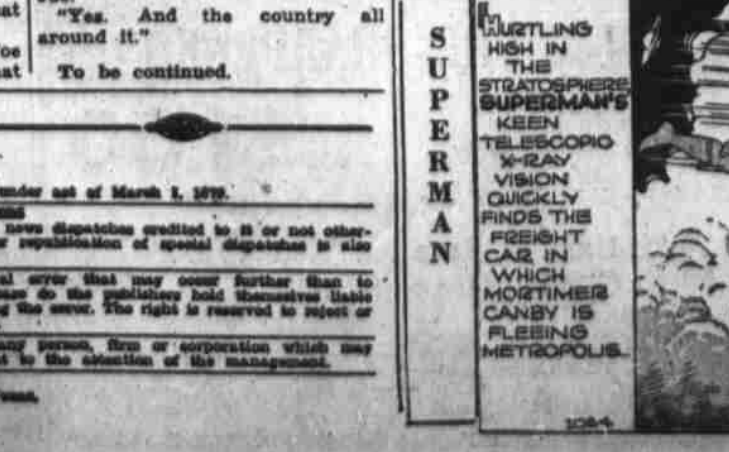

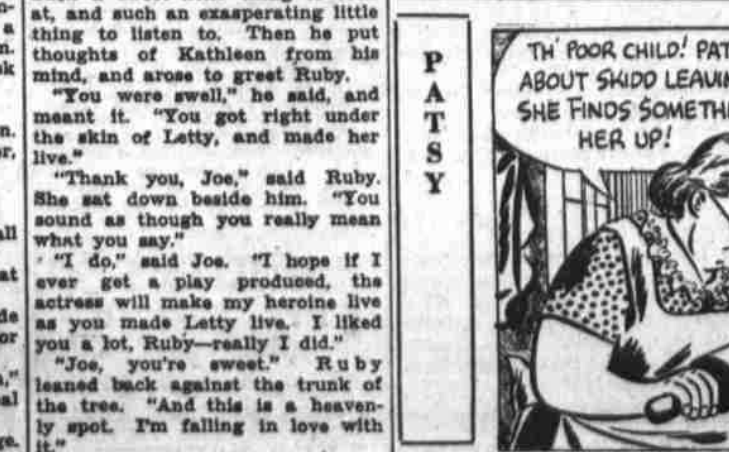

But this time she jerked it away.

After The Show
When the final curtain fell upon the play, the audience seemed to be in a hurry to leave. A number of people went over to the refreshment stand about which Paul had told Kathleen and Joe. Several members of the theatrical company were working there. Daisy Doran was one of them. She had not appeared in the last act, and now, wearing slacks and a shirt, she was behind an improvised counter, selling soft drinks. The juvenile was with her.

Joe saw them and smiled, noting how the girls were all patronizing the juvenile's end of the counter, while the men clustered around Daisy.

"Let's get a drink," Joe said to Kathleen. "I'm thirsty."

"Thank," said Kathleen. "She and Joe went over and joined the crowd. There was

NYU, Penn State Vie For Honors In Track Meet NEW YORK, May 29 (AP)—It was New York university and Leslie MacMittell against Penn State and Barney Ewell today as the 60th annual Intercollegiate A.A.A.A. track and field championships opened their two-day stand at Triborough Stadium. N.Y.U., defending the outdoor crown it won for the first time last year, was expected to get its stiffest competition from Penn State, which won the IC4A indoor championship for the first time last March, but each planned his title hopes on his sparkling individual stars. MacMittell and Ewell will be ending their varsity careers along with Big Al Ehmig, Georgetown's shot put and discus champ. For three years this trio has been as dependable as the tides. Among them they have won a total of 38 IC4A titles.

Offer Welders Tests For Jobs In Shipyards

All welders—both acetylene and electric—in this area were advised today that a representative of the Consolidated Steel Shipbuilding Corp. of Orange, Texas was in town to give tests for employment.

Those satisfying tests he will supervise during the day will be eligible for hiring at the minimum rate of \$1.07, it was announced.

All interested in submitting to the tests were urged to contact the U.S. Employment Service office at 105 1-2 E. 2nd street, or call at the welding division of the defense training school at high school. O. R. Rodden, USES local manager, said his office would be open until perhaps 10 p. m. or later today and that those who still wish to take the tests could get particulars from him.

Cosden Chemist Tells ABC About 100 Octane Gas

A talk on 100 octane aviation gasoline was given by J. B. Mull, technologist for Cosden Refinery, for the American Business club members at luncheon Friday at the Settles hotel.

Cost of the gasoline, it's beginning and now demand for use in faster fighter and transport planes was discussed by Mull.

Arnold Marshall, accompanied by Helen Duley, sang "Keep 'Em Flying" and "Johnny Doughboy Found a Rose in Ireland." Fowler Faubion was in charge of the program.

Hudson Henley who is leaving next week for Houston to enter defense work made a talk to the club. Election of officers for next Friday was announced.

June 22nd convention in Cincinnati, Ohio, was also announced. Guests included Mull, Andrew Merrick, Marshall, and Mrs. W. N. Zachariah.

Kharkov Area Fight Lulls

MOSCOW, May 29 (AP)—Nazi pressure against the Izyum-Barvenkova sector of the Donets Basin in front subordinated even the Red army's operations before Kharkov in soviet dispatches today and the only official claim concerning Thursday's fighting was that of another successful defense against attacks.

For the first time since Marshal Semyon Timoshenko hurried Red army shock divisions westward on Kharkov's defenses May 12, that theater was not mentioned in the midnight communique.

"In the Izyum-Barvenkova direction (80 miles below Kharkov) our troops repulsed fierce attacks of enemy tanks and infantry," the Soviet information bureau said. "On other sectors of the front, nothing of significance occurred."

(Supplementing a declaration that German forces captured 165,000 troops through encirclement south of Kharkov, the Nazi high command said aerial bombardments had caused the Russians "almost unimaginable losses of men and material." A German armored section was said to have shot 25 soviet tanks to pieces Wednesday during "desperate but useless attempts to break through the German ring.")

VFW Appeals For Cleanup Of Veterans' Graves

Officials of the Veterans of Foreign Wars renewed their appeal Friday for families of veterans buried in the city cemetery to clean and identify graves of these men in time for Memorial Day services Sunday.

The VFW is planning to appropriately honor the graves of more than 14 ex-service men graves known to members in rites starting at 2:30 p. m. Sunday. But for fear there are others that should have a like tribute paid, they asked that these graves be cleaned, and identified so they may be decorated.

Membership of the local post will meet at the home at Ninth and Goliad at 2 p. m. and go in a body to the cemetery for a brief ceremony which includes an address by Judge James T. Brooks, reading of orders from General Logan proclaiming the day and that from the present VFW commander-in-chief, a mixed quartet, and the sounding of taps.

Demaret Ahead In PGA Match

ATLANTIC CITY, May 29 (AP)—Jimmy Demaret, the Detroit fashion plate, stood 1 up over Craig Wood of Mamaroneck, N.Y., National Open champion, at the end of 18 holes in their 36-hole quarter-final match in the P.G.A. championship today. Demaret shot the round in 71, a stroke

Cosden Applies To Drill Outpost Test

Application has been made by Cosden Petroleum Corp., to drill a northeastern outpost in the Howard-Glascok area.

Location of the test, according to the company's request with the district oil and gas office of the railroad commission in Midland, is to be 350 feet out of the southeast corner of section 29-29, W.2N.W., approximately a mile and a half northeast of nearest production in the field.

The test would be for 3,000 feet or pay at lesser depth and would be with standard rig.

Memorial Day To See Few Closings

Hours at the city hall, courthouse and postoffice will be pretty much the same Saturday—Memorial Day.

There is to be no change in the city and county schedule. The postoffice will be open as usual until 1 p. m., but rural routes will not go out. City routes and star routes will follow regular Saturday schedules. Local banks will be closed and several state and federal offices will close.
