THE COUNTY SEAT NEWSPAPER

Wheeler County Chapter Receives \$3,500 Polio Check

Wheeler County Chapter National Foundation for Paralysis has received a check for \$3,500.00 to help provide assistance to these patients.

To help meet the acute financial situation we have been advised by national headquarters, that chapters having uncommitted funds are being asked to make that money available to be sent to chapters such as ours to help us meet our most urgent obligations.

It seems ironical that with this year's polio incidence running less than half that of 1956 due to the effectiveness of the Salk vaccine, patient care costs have declined but little. This is because we are attempting to restore to a productive and happy life the thousands of seriously disabled polio victims of previous years. The cost of rehabilitating these patients is great, but the long lasting benefits to the individual and society are far greater.

ELI BORDEN TO APPEAR IN COLLEGE CHORUS

ELI BORDEN

Eli Borden will play the part of Friar Truck and will appear in the chorus in two scenes in the forthcoming production of Songs America Sing, Nov. 26 and 28. The play is produced by Central Christian College, Bartlesville, Okla., where Eli is a student.

Wheeler Has Promise of Community TV Tower Soon

Wheeler County To Form Steering Committee

County Supt. Jess Dyer has called a meeting of all superintendents and school board presidents for tonight (Thursday, Nov. 21), at the Wheeler County Courthouse.

The purpose of the meeting is to set up a County Steering committee to aid the Hale-Aikin Committee of Twenty-four in a study of Texas Public schools.

Supt. Dyer said that Lela district will have two members; Kellerville 2; Allison 3; Kelton 3; Briscoe 3; Mobeetie 4; Wheeler 5; and Shamrock 7. He is acting County chairman. A chairman and a secretary will be elected by the group selected to form the committee.

Preliminary work is being done toward erection of a Community Television Antenna System for Wheeler, it was announced today by Lee Guthrie.

Mr. Guthrie has been granted a franchise by the city council. He has made application to the Civil Aeronautics Administration for a permit to erect a 400 foot tower on the Templeton property just off south Main Street.

Surveys of Wheeler have recently been made by electronic engineers to determine the location for main and feeder lines and proper amplification stations for the system.

Mr. Guthrie said that materials have been ordered and as soon as they arrive in Wheeler, construction can begin. He added, that once construction started the installation should be completed within about three months.

Wheeler FFA Will Host Top-O-Texas District Meet

Future Farmers of America organization and Charles Vocational Agriculture will be host to the Top-O-Texas district meet here Saturday beginning at 8:30 a. m.

There will be several leadership contests throughout the day. Approximately 100 students are expected to attend. Mr. Grimshaw is expected to send teams to compete in the events.

The agenda are: Senior Chapter Conducting Greenhand and Senior All teams; FFA Quiz and Contest.

Mr. Grimshaw has selected the boys to compete with others in the district for honors.

Wheeler boys in the Senior Chapter Conducting contest won first in the district last year when they were Green hands, and Mr. Grimshaw is expecting a good rating from them this year. They are Buck Holcomb, Kenneth Faris, Albert and Delbert Thomas, Dean Jolly, Sonny Secrist and Frank Walker.

Wheeler boys who will take part in the FFA Quiz contest are: Joe Charles Loter, Harold Ford, Kenneth Burks and Joe Lawler.

Mrs. Dorothy Boynton, English teacher here and James Verdon of Wheeler will help in arrangement and judging. Other judges who will be here are J. G. Watson, Panhandle, Mr. Watson taught here last year) R. E. Baumhard, Palo Duro high school in Amarillo; Herb Davis of Amarillo; John Dwyer of Groom; Don Bradley of White Deer; Raymond Clayton of Claude.

There are 40 Wheeler high school boys enrolled in FFA according to Mr. Grimshaw.

Others in the district for honors: In the Greenhand Chapter Conducting are Jimmy Atherton, Bill Stiles, Charles Moore, Jerry Burgess, Wayne Hill, Donald Gandy, Troyce Hunter, Bob Riley, Marshall Watson and Clayton Bradshaw.

Wheeler boys in the Senior Chapter Conducting contest won first in the district last year when they were Green hands, and Mr. Grimshaw is expecting a good rating from them this year. They are Buck Holcomb, Kenneth Faris, Albert and Delbert Thomas, Dean Jolly, Sonny Secrist and Frank Walker.

Wheeler boys who will take part in the FFA Quiz contest are: Joe Charles Loter, Harold Ford, Kenneth Burks and Joe Lawler.

J. E. SMITHS CELEBRATE 60TH WEDDING ANNIVERSARY

Mr. and Mrs. J. E. Smith celebrated their 60th wedding anniversary Sunday with open house to their many friends. Mr. and Mrs. George A. Weems were host and hostess to the affair which was held in their home. Mrs. Weems is a daughter of the Smiths.

Mr. and Mrs. Smith grew up in the same community in Falls County Texas and were childhood sweethearts. Mrs. Weems remarked that they were two happy people together and that the romance began years ago has brightened and strengthened throughout the years and the light of love for each other still shines brightly.

They purchased a farm northeast of Wheeler in 1945 where they have since lived. The Smiths came here from Ganado, Texas where he had operated a business for several years.

The happy couple received many letters of congratulation, cards, telegrams, flowers and other gifts from their host of friends in every community where they had lived.

The Weems' home was beautifully decorated in the fall motif with yellow, white and bronze mums. The refreshment table was covered with a handmade lace cloth. The three-leaf clover design white wedding cake, baked by Mrs. Boyd Meador, was beautifully decorated with yellow flowers and buds and topped with a miniature bride and groom served as centerpiece. It was flanked by tall yellow tapers in crystal holders. The

JUDGE PARKER ADDRESSES WHEELER YOUTH

Judge Bruce Parker, of Pampa, spoke to Wheeler High school students and a large group of parents, here Thursday morning.

He spoke on the causes of the rapid rise in juvenile delinquency since 1948.

He said from 1948 to 1953 there was a 45 per cent increase in teenage lawbreakers with a 2 per cent each year since.

The judge cited use of cars and rapid means of communication as one of the main causes contributing to the rise of juvenile delinquency. Another is parents. He cited several examples of juvenile cases traceable to lack of concern of parents or lack of love—some cases where there was too much love, with shielding the child and refusing to see where he could be wrong and taking the necessary steps of correction.

He pointed out that in 85 per cent of the divorce cases today, liquor was the cause of trouble and unhappiness and the desire to breakup homes. He has handled more than 3,000 divorce cases.

He added that 4 out of every 5 marriages where the boy and girl were under 18 years of age ended in the divorce court.

Following the address before the General Assembly, Judge Parker met with a class studying Family Relationships taught by Mrs. G. Whitenor. The class asked him many questions and received some very valuable help and advice from him, Mrs. Whitenor said.

Since Pampa started its campaign to correct some of the causes of delinquency and is enforcing its curfew law, Judge Parker has heard many cases and been active in helping rehabilitate delinquents. He has traveled to many parts of the state to speak of teenage problems and causes and remedies for juvenile delinquency to many such interested (Continued on page 5)

Mrs. Finsterwald Named 'Homemaker of The Year'

Milton Finsterwald a resident of the Briscoe community, selected the Homemaker of the Year by the Wheeler County Council of Home Demonstration Clubs. She received a pin and citation last week when she attended the annual meeting of the Council.

Finsterwald has lived in Wheeler County 31 years, has married 19 years and has children, ages 15½; 8½ and 4½.

She began Home Demonstration work in Wheeler County as a member of the Good Neighbor Club in 1942 and was a member, having served

in every office of the club and as chairman and secretary-treasurer of the County Council. The Good Neighbor Club and Briscoe HD Club combined membership in 1954 and became known as the Briscoe Home Demonstration Club, of which Mrs. Finsterwald is president. She has served on all standing committees and several special committees in the club as well as on all committees in the Council with the exception of the Year Book committee.

Mrs. Finsterwald has attended all meetings of the club this year but one when she was in the hospital. She worked three days and several half days at the Club House also this year.

Besides her duties as president of her home club Mrs. Finsterwald is chairman of the County Educational Extension committee and is a member of the county nominating committee.

In her own words, "I try to feed my family of five well balanced meals with the Texas Food Standard in mind. To help do this we have a garden, chickens, fryers, and have preserved and frozen 1407 pounds of meats and 107 quarts of fruits and vegetables. I insist on each member of my family eating at hot breakfast the year round."

"Every member of my family dearly loves to have company," she went on to say. "and we hope we make them feel welcome and at home—be it for a call, afternoon, day, or week end. We provide TV, radio, record player, lots

of books, and tame saddle horses if they care to ride."

The Finsterwalds enjoy picnics and outdoor meals as well as other fun together. The whole family helps with the garden, yard and many household tasks and find that the jobs are much easier when working together. They enjoy attending church together and seldom miss a service. She has taught Bible classes for many years. The children in the home are taught to offer prayers of thanksgiving and to read their Bibles daily. She has served as room mother and been active in P-TA work the last 9 years. She has helped with many community showers and numbers of school and 4-H club parties besides giving several book reviews for the

HD club.

This community-minded active woman began work in 4-H clubs while yet in high school, having won many honors and several trips to State Fairs with her outstanding work and demonstrations. She has served as 4-H club sponsor in her home community and was County 4-H Leader at one time. She has served as adult leader for several years at the 4-H encampment and acted as commentator for a 4-H club dress review one year.

Working with the State Line Fair for several years, Mrs. Finsterwald has served as co-director of women's open class work, 4-H open class work, 4-H booths and was co-director of all women and girls work. She has been foods,

home improvement, kitchen, landscaping and pantry demonstrator for her club.

She completed the Red Cross home nursing course as part of the Civil Defense program for the club, has had a part on radio programs and helped put up exhibits for National Home Demonstration Week several times.

She said "Home Demonstration Club has meant a lot to me. It stands for very highest standard of living, working, and playing together. Places within my reach an inexhaustible amount of professional material and advice on any subject that I might be interested, be it landscaping, interior decorating, sewing, food preparation, preservation, garden, orchard, poultry, any number of crafts,

etc.

"Through 4-H and Club I have learned how a business meeting is to be conducted. Has taught me how to think, work and play as a group rather than as individuals, thus enabling me to better serve in church, school and community activities.

"Through extension work we learn to be resourceful. Also has taught us many time-saving steps about the home with less work, giving us more time to play together."

"Words cannot express the joy and pleasure gained from association with agents, club members at home and over the county. Am looking forward to many more years in the work."

STANG BASKETEERS TO OPEN
SEASON AT M'LEAN FRIDAY NIGHT

Ball work outs started for both boys and girls. Coach Louis Boynton said he will have a list of those who will compete.

OKLAHOMA NATURAL GAS CO. ASKS FOR RATE INCREASE

The Oklahoma Natural Gas Co., which supplies more than a million consumers in 172 Oklahoma cities and towns, has applied to the Federal Power Commission for an increase in its rate for natural gas.

The Oklahoma Corporation Commission is expected to increase the average home owners bill by about \$18.00 per year.

THEY WON'T SHOOT FATHER

It happened at one of the roadblocks the Tennessee Highway patrol periodically sets up on major roads to check driver qualifications. A small boy, watching his father drive, was told that if he was caught driving without a license he would be shot.

**C of C
Notes**

By DICK GUYNES, Sec.

There was a very informative talk made by Sgt. Butch Albers of the Highway Patrol, here Tuesday evening to C of C members.

He told of the major causes of accidents on the highways. He said that the three leading causes were fast driving 52%; driving while drinking 39% and driving on the wrong side of the road 9%. He remarked that everyone should discourage the practice of these causes and do their duty by serving on juries when called upon.

A film that taught a very convincing lesson on careful driving was shown the group by Sgt. Albers.

Patrolman Rovee E. Logan of Pampa attended the meeting Tuesday as the guest of Sgt. Albers.

There was a nice crowd out. We had wished that more could have attended but suppose they had valid reasons for not being there.

Remember the Junior Livestock show scheduled for Dec. 7 and all you area kids be making plans to be in Wheeler Dec. 14 for Santa Claus day.

We thought our readers might be interested in the following article from the Chattanooga Times:

SCHOOLS WILL DISMISS FOR THANKSGIVING NOV. 27

Wheeler schools will be dismissed Wednesday afternoon, Nov. 27 for the Thanksgiving holiday. It was announced today by school officials. Classes will resume on Monday, Dec. 2.

NATION'S RETAILERS EXPECT HEAVY XMAS BUYING

Sales increases for Christmas, 1957 are expected over last year's record business by a majority of the nation's retailers surveyed by the Bureau of Advertising, American Newspaper Publishers Association. Despite recent economic reports of general business uncertainty, 54% of the retailers surveyed predicted gains for their store while 33% expect sales on a par with last year's record level. The survey was conducted through Bureau member newspapers, including 381 retailers representing 17 store types located in 40 states, two Canadian provinces and 155 markets.

Sales increases up to 30% are forecast with the average gain pegged at seven per cent. Soft goods departments were singled out to make the biggest percentage gains over last year. Sportswear, both men's and women's, was the merchandise line most mentioned. Increases were also expected for women's wear—lingerie, hosiery, shoes and accessories, men's and boys' wear, and children's wear. In hard goods lines, toys, furniture and appliances are expected to make the biggest gains.

Faced with a shorter Christmas selling season after Thanksgiving (there are five less selling days between Thanksgiving and Christmas), 70% plan to break Christmas promotions before the traditional Thanksgiving starting date. Fifty-two percent will start promotions during the two-week period, Nov. 10-24. Thanksgiving Week (this year Nov. 24-30) will be adopted by 24% of the retailers. In all, one-third of the retailers surveyed stated they planned to start their Holiday promotions earlier than last year.

As a key to increased sales, more aggressive promotion programs are planned this Christmas; 57% stated their advertising expenditures will be about the same as 1956.

'My Community--- How Does It Look'

Do you experience a feeling of pride as you scan the familiar sites in your community or is there restless dissatisfaction because you see so much that could be improved?

Wheeler Chamber of Commerce, the Federated Women's Clubs, Kiwanis, other organizations and many many individuals of Wheeler have pointed the finger of dissatisfaction with the way the streets and sidewalks look. They have also expressed the need of more and better recreation spots for youth and adults alike.

There has been many improvements made by individuals on homes and business firms within recent months. There is still much to be done to let the visitor see Wheeler as the thriving, alive and prosperous community it is. Why isn't all this work in progress now? The need is great, expenditures would be small, Who will be the sparkplug of a concerted and cooperative effort to finish the job of cleanup, repairing and beautifying Wheeler?

Rural folks all over Texas have been making this community evaluation and many have seen the need of improvement. In fact, over 800 neighborhoods have organized, set goals and have begun to achieve them. An estimated 2,000 small town in Texas could benefit greatly by taking part in an organized community improvement program.

A leaflet recently released by the Texas Agricultural Extension Service, "My Community---How Does It Look," suggests some of the projects that organized communities in Texas can carry on which will result in more attractive, healthier and more prosperous places in which to live. No list of goals could meet the needs of all because each community differs in its physical assets and opportunities. However, some good starting ideas such as church activities, fund-raising projects, community projects, community

centers, neighborly deeds and opportunities for youth, are discussed.

This leaflet can be a big help to any leader of organized community effort. It may be obtained from local county extension agents or from the Agricultural Information Office, College Station, Tex. Ask for L-347.

OPEN DOORS FOR NEWS

Some federal officeholders, no matter what their party connection, can't resist the temptation to hide behind news blackouts. They have covered with a cloak of secrecy much news to which the American public has been entitled. Several eminent scientists have attributed our lag in missiles and satellites in part to withholding from our people and our allies information that the Russians already had.

Now, at its national convention in Houston, Sigma Delta Chi has made a convincing plea for more news of governmental activities. This professional journalism body has been making for five years a survey of federal covering up and censoring of news. Its committee cites 93 specific instances in which it alleges that needless federal secrecy has hidden governmental operations of which the people should have been informed.

Suppression of public news other than strictly military or diplomatic secrets is not democracy but a form of dictatorship. The official who sets himself up as one who decides what the people should know and should not know is dangerous. He may mean well, but his cutting off of news sources can easily become a cloak for inefficiency and graft. The best assurance of having good government is to keep our agencies in glass houses.

TOO MUCH SPUTNIK

Senator Kerr of Oklahoma says there's too much sputnik and not enough Sputnik in the White House, a left-handed hook at Ike's golf playing while the satellite whirled.

But some loyal Republican might reply, there was too much borsenik and not enough defensenik when the Democrats' George Marshall was out trotting the day Pearl Harbor, yes, too much shirknik when Harry Truman, in his loud broadclothes, played poker with cronies in Florida while the Reds massed forces in North Korea.

Neither party has a monopoly on the illis or good fortunes in foreign affairs since 1946. Both have showed courage. Both have pulled blunders. As they have in the past, both will unite in fidelity to duty if the worst comes to worst. Until the worst comes—and God forbid—politicians will play politics.—Dallas News.

FUTURE FARMERS AND 4-H CLUBBERS RECEIVED \$183,682.50 FOR LIVESTOCK

Checks totaling \$182,682.50 have been mailed to 1,235 Texas Future Farmers and 4-H Club boys and girls who participated in junior livestock and poultry auction sales during the 1957 State Fair of Texas.

In the junior livestock auction, 528 steers sold for \$142,991.92, 233 lambs for \$7,427.27 and 533 pigs for \$23,891.10. There were 300 buyers taking part.

The Turkey auction sale brought a total of \$4,776.83 for 392 turkeys from 150 purchasers. The broiler sale brought \$3,595.00 for

GET NEW INSPECTION STICKERS BEFORE THE HOLIDAY SEASON BEGINS

Wheeler County motor vehicle owners who have not yet had their cars and trucks inspected and purchased their stickers for 1958 are asked to do so as soon as possible by Col. Garrison of the Texas Public Safety Department.

The three inspection stations in Wheeler are Thomas Garage and Implement, Percy's Garage and Ware Chevrolet.

With only one-tenth of the motor vehicles in Texas inspected for the year 1958, automobile and truck owners were urged today to obtain their new inspection stickers before the holiday season.

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, called upon motorists as soon as possible to obtain their 1958 inspection stickers as soon as possible in order to alleviate the last minute rush on the 4,200 inspection stations in Texas.

Garrison said only about 450,000 of the four million registered vehicles in the state have been inspected and approved.

"While this number exceeds that for the same period last year," he said, "the present rate of inspection will not prevent inspection stations from being rushed again during the last few weeks of the period ending April 15, 1958. Vehicle owners who complete their inspections before the holiday period will avoid the inconvenience of waiting at the inspection stations."

The state police director also said that early inspections will be of benefit to motorists who plan trips during the Thanksgiving to New Year's period by eliminating mechanical defects.

1,710 broilers and 50 buyers participated.

Quality of the animals and fowl sold during the 1957 auction sales was the best ever offered to the public at the fair, Ray W. Wilson, livestock manager of the State Fair, declared.

The youngsters who took part in the sales came from more than 200 of the 254 counties in Texas. The 1,235 who participated was the largest number ever to be represented in the auctions.

Buyers paid a substantial premium over the market price to offer encouragement and incentive to the boys and girls who had raised their livestock and poultry as Future Farmer and 4-H Club projects, Mr. Wilson said.

Cotton Farmers To Vote Dec. 10 On '58 Quotas

Farmers in Texas will have 7-474,661 acres available on which to grow their 1958 upland cotton crop and producers of extra long staple cotton, 27,829 acres.

These state allotments, according to the State Agricultural Stabilization and Conservation committee, will be apportioned among the counties and the county allotments to be announced later, among the farms according to the provisions of the law and regulations issued by the Secretary of Agriculture. The State Committee adds that individual farm allotments will be mailed to cotton producers prior to the December 10 referendum on marketing quotas for the 1958 crops.

In the case of extra long staple cotton, the Secretary of Agriculture has designated 10 Texas counties as being eligible to receive allotments. They are Brewster, Culberson, El Paso, Hudspeth, Jeff Davis, Loving, Pecos, Presidio, Reeves and Ward.

The state committeemen pointed out that the December 10 referendum for upland and extra long staple cotton growers, will determine whether or not marketing quotas will be operative for the 1958 crops. At least two-thirds of those voting in the two referendums must approve the quotas if they are to remain in effect. Acreage allotments, however, say the committeemen, will be in effect regardless of how the votes go. Acreage allotments are a condition of eligibility for price support.

A national marketing allotment and national acreage allotment for upland cotton must be proclaimed for the following year if the Secretary finds that the total supply of upland cotton for the current marketing year exceeds the normal supply. For extra long staple cotton, quotas and allotments must be proclaimed whenever the total exceeds the normal supply more than 8 per cent.

The state committeemen point out that growers of both types of cotton have approved quotas for the last four crops.

Often when a run of bad luck seems at its worst a stroke of good luck is quietly gathering force, so that later, in retrospect, the bad streak appears to have led to the good luck streak and does not look so black after all.

What makes you shy in expressing your opinions is that the younger generation may say that we ought to drop dead.

323 Special Election Votes Cost County \$2.00 Each

The Special Election held Nov. 5 giving Texas taxpayers an opportunity to vote on three proposed amendments to the State Constitution cost Wheeler County over \$500.00.

Ballots and other election supplies cost \$98.00; election judges and Clerks received \$411.00 and cost of preparing election boxes was \$30.00 with an estimated \$5 to \$10 for delivery of boxes to the 14 precincts within the County. The Sheriff and his deputies, using County owned cars and whose salaries are paid by the County, delivered and returned the boxes to the County Clerk's office in Wheeler.

Each vote cast in the County cost about \$2.00. The total vote cost was \$23 from a possible 1364.

Canadian Valley Production Credit Association's Representative IS IN THEIR Wheeler Office MONDAY, WEDNESDAY, & THURSDAY Hours: 9-12 and 4-8 TUESDAY & SATURDAY Hours: 9-12

Bible Comment: Resentment No Place in Life of a Family

FAMILY life calls for a measure of wisdom and considerate conduct generally necessary in general life and contact. Most of the trouble life comes from the taking these things into the whole condition. Life makes much necessary as well as amount of construction.

A good example is Jacob and Esau, brother Old Testament. Jacob dealings with his brother ordinarily ambitious as to the point of mean criminal deception.

Each one of us deal better later on in Esau's energetic ambition tempered by a sense of ability. Esau's slackness opened into a beautiful nimity.

There are, of course, lems of marriage and One bold, clear fact is viz., that there can be marriage where there ally between husband One might say that first, but there are duty and loyalty will a situation and give duty and safety when-love and strained.

Brotherhood is od where there is a some treatment, or where family has benefited to advantage of others again it is better to be than resentful.

There is no other avoiding quarrels and tions.

How some of the cur blems faced by the dairy of Texas are handled an important bearing upon the industry, say Meekma, extension dairy man. Discussions of the portan problems will be on the program of the Dairyman's Short Course scheduled for Dec. 3-8. ings will be held in the Student Center located campus of Texas A&M U.

A Child May Do So Drive With

Times Want Ads

LETTER TO THE EDITOR

Wheeler Times Wheeler, Texas Attn: Mrs. Hopkins

I thought that you might like to have copies of the four major bills that were passed at the special session which ended November 12. The enclosed copies represent the final form of each bill as it will go to the Governor's office.

House Bill No. 4 sets up registration requirements for state officials who practice before state boards and agencies. I believe the final answer to the problem of officials practicing before state agencies is to eliminate this practice altogether, and I voted for a House amendment which would have carried this idea out, but it did not receive enough votes for adoption. I believe the final bill represents a start in this field since it requires the office holder to register with the agency if he is securing a fee for his services.

House Bill No. 5 is the Crime Study Commission bill which authorizes a nine-man commission to make a study of the field of criminal law enforcement in Texas. This group is required to make a report to the next regular session of the Legislature and indicate ways the law enforcement can be improved in our state.

Senate Bill No. 1 creates a water planning division within the Board of Water Engineers and authorizes the expenditure of approximately \$1,165,000. This money will be spent principally on water research, topographical mapping, and the making of an inventory of water resources of the state. The work of this planning division should be a great help in carrying out the water conservation projects that were authorized by our constitutional amendment authorizing water bonds which was adopted this month.

Senator Bill No. 2 is the lobbyist control act, and in general, requires the registration of any people who appear before the Legislature representing clients for a fee. This act requires the reporting of expenses incurred by these lobbyists while in Austin. The House companion bill required more detailed reporting of expenses and was a more effective method of controlling the activities of lobbyists. The Senate refused to pass the House bill, and a Joint Conference Committee was appointed to work out a compromise bill. The Conference Committee report which I am enclosing carries out the reporting features of the Senate bill. This report was adopted by both houses on the last day of this session. Kindest personal regards.

Sincerely yours, Grainger Mollhany

EDITOR'S NOTE: Copies of the bills are on file in the Times office and are available to any of our readers who would care to read them.

FHA Girls Entertain Their Mothers

Mothers of the Future Homemaking class members of Wheeler high school, were entertained with a Thanksgiving buffet dinner and program Tuesday evening at the FHA Cottage.

Carolyn Farris was chairman for the entertainment and was assisted by Linda Burks, Carroll Jean Caswell, Betty Cooksey, Shirley Meadows and Tillie Green.

The living room of the cottage was attractively decorated with Thanksgiving arrangements. The large sewing and class room was converted into a lovely candlelight dining room for the dinner. Mothers and daughters were seated and served together.

When dinner was finished Phyllis Callan conducted a singing. Annette Hutchison sang "The Meaning of Thanksgiving." Georgia Ford read a Thanksgiving poem.

Turkey games were conducted by Linda Burks who also explained the meaning of the Future Homemakers of America's emblem.

Nancy Whitener told the group "What My Mother Means to Me." Mrs. Gordon Whitener, Homemaking teacher said a few words to the group before the closing prayer led by Elaine McCasland.

Mrs. Cecil Richerson Sr. Entertains Review Club

The Thursday Review club met in the home of Mrs. Cecil Richerson Sr., Nov. 14 with Mrs. Delbert McWhorter as hostess.

Mrs. N. D. Ware, Jr., club president, presided at the business session. Mrs. Harold Lloyd Lee, program leader, spoke on the states of Nevada and Utah. Mrs. Joe Weatherly spoke on Idaho and Montana, and then concluded her talk by showing the group some pictures of Montana.

Members repeated the club collect for adjournment. Refreshments of assorted sandwiches, cake, tea and coffee were served to the following members and guests: Mesdames David Britt, J. D. Beatty, Roy Ford, Harrison Hall, Gene Hall, Bob Henderson, R. J. Holt, Jr., Harold Lloyd Lee, Marion Moore, R. W. McNeil, N.

It is sad, but the fact is that men need women, at all ages.

Mrs. A. E. Brown Hostess To Progressive Club, Nov. 14

Mrs. A. E. Brown was hostess to the Progressive Study Club in her home Thursday evening, Nov. 14. Thirteen members and two guests were present.

In the brief business session presided over by Mrs. Jess Moore, president, the club decided to continue their support of the Wheeler Library. Each member will contribute \$3.00 to the club Library fund. The Club Collect was repeated in unison to adjourn the meeting.

Mrs. Lyndon Sims was program leader for discussions on Public Safety and Civil Defense. She was assisted by Mrs. C. C. Robison and Mrs. J. C. Moore Jr. Mrs. Robison spoke on safe driving practices as recommended by the Texas Safety Association. She also presented statistics from the Amarillo division of the Highway Patrol.

Mrs. Moore read many interesting bits of information from a bulletin she had recently from the Official Weather Bureau in Washington. She told about the formation of tornados and gave several general rules to be followed when a tornado cloud threatens. The months from March through June is the period of frequent tornados in this area.

Mrs. Sims spoke on the Civil Defense program as it is organized and being conducted in this area. She also told how all housewives should prepare a cache of food and clothing to care for her family and one more for at least one week.

The hostess served delicious refreshments to Mrs. Burley Mann and Mrs. Alex. Hopkins, guests and to members Mesdames Lewis Lancaster, Ocie Ford, Jess Moore, Buddy Vannool, Ebb Farmer, Albert Thomas, C. B. Kirk, J. C. Moore, Jr., Wayne Edwards, C. C. Robison, Lyndon Sims, Roy Bailey, and Bill Owen.

The next meeting will be held Monday evening, Nov. 25 so members can have Thanksgiving at home with their families.

D. Ware, Jr., Thurman Rives, Joe Weatherly, Carlton Thomson, Miss Wilma Hefley, the hostess, Mrs. Delbert McWhorter and the two guests, Mrs. Ronald Richerson and Mrs. Cecil Richerson.

CITY

SHAMROCK GAS NIKE PROTESTED

Shamrock Gas Company has served notice it will go to the Texas Railroad Commission with a request for higher rates to smaller consumers than those refused by the Shamrock City Council on September 9.

In a surprise move, Bill Holmes, company manager, and Clayton Heare, Amarillo attorney, appeared before the Shamrock City Council and asked for a minimum rate of \$1.50 for 1,000 feet or less; 70 cents per 1,000 for the next 2,000 feet, and 60 cents per 1,000 for the next 7,000.

The present rate is \$1.50 for

2,000 feet and 40 cents per 1,000 for the next 25,000.

In the application for higher rates rejected by the council two months ago, the company had left the 2,000 feet minimum at \$1.50 and hiked the 40-cent rate on the next 25,000 feet to 65 cents.

If the new request is granted by the Railroad Commission, customers using 10,000 feet or less will pay about 50 per cent more than they are now paying. Larger residential users and commercial customers would not be hurt as much. In fact, those using as much as 15,000 feet monthly would be paying slightly more than 43 per cent more than at present and a few cents less per month than they would have paid under the earlier proposal.

WHEELER IN DISTRICT GRID SHUFFLE

The Texas Interscholastic League in a recent meeting in Austin placed Wheeler in District 1-B for football games next year. Other schools in District 1-B are Groom, Claude, Follett, Darrouzett and Texline.

District 2-B which included Wheeler this year has been changed to District 9-B and includes Matador, Turkey, Lakeview, Quitaque and Estelline.

Stratford and Spearman schools formerly in District 1-B have advanced to Class A. Silverton, formerly in District 2-B has also advanced to Class A status.

Supt. A. E. Brown, B. K. Barham and Louis Boynton will attend a district meeting of superintendents, principals and coaches to be held in Stinnett, Dec. 4. The

Mail Santa's Letters To The Times Office

Wheeler youngsters are already thinking about Christmas. They have the idea expressed by Wheeler Postmaster Jamison—"It's Later than you think". Although most people are just now thinking about Thanksgiving coming up next week, Mr. Jamison and the kids are thinking about Christmas.

The Times already has on file several letters to Santa Claus from Wheeler youngsters. After Thanksgiving we will have a section of the paper just for letters to Santa and if you haven't yours yet, bet busy and write and send it to the Times. Santa will read the Times to find out where all good little boys and girls live in Wheeler and what they want for Christmas.

schedule of games to be played in District 1-B for next year will be set up at this time.

BOOK REVIEW TO BAPTIST MISSIONARY CIRCLE MRS. GUTHRIE PRESENTS

The Lucille Bradley Circle of the First Baptist church met at the home of Mrs. Adrian Risner, Monday evening, Nov. 18 for Mission study.

After a short business session, Mrs. Lee Guthrie reviewed the book "Continent in Commotion" on Africa. The African theme was used throughout the meeting in interest centers and decorations.

Refreshments were served to the following visitors: Mrs. Lee Guthrie and Mrs. Abercrombie, and the regular members Mrs. Myrtle Lane, Mrs. Albert Marshall, Mrs. Bob Douthitt, Mrs. Gaddy Vise, Mrs. Faye Patterson, Mrs. Gene Waters, Mrs. Jim Risner, Mrs. Charles Grimshaw, Mrs. Adrian Risner and Mrs. John Manning.

ANNIE GET YOUR GUN ON TV WEDNESDAY NOV. 27

The two-hour color television version of the Irving Berlin musical "Annie Get Your Gun" will be presented over TV Wednesday, Nov. 27, under the co-sponsorship of Pontiac Motor Division and Nash Appliance and Supply, of Wheeler, according to Harold Nash your Pontiac dealer.

"Presentation of this great entertainment is just part of our thanks for the public's splendid acceptance of our new cars," Mr. Nash said. "We feel it will fit in

very well with the festive Thanksgiving mood of our friends."

Starring Mary Martin and John Raitt, the program will feature the memorable music and lyrics of Irving Berlin including such all-time hits as "Doing What Comes Naturally," "The Girl That I Marry," "There's No Business Like Show Business," "You Can't Get A Man With A Gun," and "They Say It's Wonderful."

Pontiac Motor Division also sponsors the broadcasts of Notre Dame football games on radio, and will again sponsor the Pro Football Championship telecast on Dec. 29.

The 58 FORD is here now... there's nothing newer in the world

There's bold, new styling—new Interceptor V-8 Power—new Cruise-O-Matic Drive—new Ford-Aire Suspension! The 58 Ford is the only car ever to meet a world-wide test and win world-wide approval before its public premiere!

You could search the world over and never find a car to match this 58 Ford's new beauty... new power... new ride... all at the low Ford price. We know! We tried it!

In Paris... the most style-conscious fashion critics in the world had a deep, low bow for Ford's latest style creation. In the mighty Himalayas, Ford's new Interceptor V-8 engine with Precision Fuel Induction won the day!

Then there's nothing newer than the true air ride of Ford-Aire Suspension. It's like riding on a cloud! But, you don't have to go to foreign soil to drive this newest Ford. We'll gladly save you the trip. Come in today!

From London to Bangkok... the whole world loved it!

The 58 Ford stopped traffic in Trafalgar Square when it passed through on its round-the-world trip. And that was typical of the excitement this Ford caused in Paris... Rome... Athens... Istanbul... Calcutta... and Bangkok. For this Ford was proved around the world in the toughest "shakedown" cruise in history.

With all that's new for a world of difference

You'll ride in a new world of fashion with Ford's deep-sculptured styling. From new Power-Flow hood to Safety-Twin taillights, Ford's world-ahead styling is a stand-out! There's a new Slipstream roof... a new Sculptured rear deck that's out of this world.

You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction. Gives you up to 300 hp. Smoother power... more power... from less gas! The secret is Precision Fuel Induction, a new carburetion, fuel feeding, and combustion system.

You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New D1 position, used for normal driving, lets you move smoothly—with a touch of your toe—from solid-feeling take-offs right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with Ford-Aire Suspension. This is the way you've dreamed of driving—floating on air! Four air pillows literally soak up any sign of a bump. Car relieves every time someone gets in or luggage is loaded.

You'll steer with a feather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling ease. Free moving steel balls in the steering gear are virtually friction-free—give you the closest thing yet to power steering!

Your night driving is safer with Ford's Safety-Twin Headlights. You get safety you simply can't get with single lights... special light for high beam... special light for low. It's the biggest advance since the sealed-beam! It's high style, too.

COME IN... SEE THE CAR THAT WAS PROVED AND APPROVED AROUND THE WORLD!

Briscoe News

By Mrs. Henry Lee

Mrs. K. W. Wallis and Mr. Borger were week end in the Henry Lee home. Pancake supper sponsored by P-T-A Nov. 14 at the cafeteria was a big success. Visitors from neighboring districts were present. Net proceeds \$80.00.

Members of the Briscoe club attended the Fall Festival at the Head Methodist church. It was the Home Demonstration Club Council annual get-together. Mrs. Mattie Rogers, Anna Zyska, Mrs. L. J. Puryear, Mrs. Zyska. It was a lovely affair and all the clubs in the district gave their yearly report of their work.

Two basketball teams went to Pampa Nov. 12. They won one game. On Friday night both teams played at the Pampa gymnasium. The girls won by a score of 15 to 10. The boys played a hard game and lost by a score of 15 to 10.

The annual Farm and Ranch Credit school for commercial bankers will be held Nov. 24-26 in Texas A & M's Memorial Student center. It is sponsored by the Department of Agricultural Economics and Sociology. Attendance is limited to 175 bankers. Local county agents have a copy of the program and other details on the school.

Wealthy men always get my sympathy because they seem so lonely.

ALLISON

By Mrs. Lester Levitt

Mr. and Mrs. M. H. French of Freedom, Okla., spent Saturday here with Mr. and Mrs. Bob Fritz-meyer and daughter, Suzanna Gail. Bill Donaldson and family of Amarillo spent the week end here in the Lloyd Jones and Millard Donaldson homes.

Mr. and Mrs. M. H. French of Freedom, Okla., spent Saturday here with Mr. and Mrs. Bob Fritz-meyer and daughter, Suzanna Gail.

Mr. and Mrs. Joe Walsh are the proud grandparents of a new baby boy born to Mr. and Mrs. Lynn Brown at a Dumas hospital, Sunday, Nov. 17.

Mr. and Mrs. Everett Enlow of Amarillo visited Mr. and Mrs. Ray Brown Monday.

Mr. and Mrs. W. L. Chalfant of Cheyenne, Okla., and Rev. T. M. McBrayer were guests in the H. R. Warrent home Sunday.

Gene Elmore was in Oklahoma City Sunday.

Mrs. Ray Brown and Mrs. Mary Harrison accompanied Mrs. J. D. Helm and son to Spearman Sunday where Mrs. Helm and son remained. Mr. Helm is a lawyer in Spearman.

Legion Trap Shoot At Canadian, Nov. 24

Shooters of the area are invited to the American Legion trappingshooting grounds near the Rodeo Arena, in Canadian, Sunday afternoon, Nov. 24, for just plain practice shooting or to compete for merchandise prizes.

Since this shoot comes only a week before bird hunting season it provides an opportunity for hunters to get in some practice as well as for the enjoyment of those who regularly follow the sport of trapshooting.

Guns and ammunition will be available on the grounds.

Lorraine Lee and daughter, ... of Wheeler, visited ... Sunday.

Mrs. Austin Caldwell ... Sunday in McLean.

Matthews visited with his ... in Canyon Thursday night. ... Jim Shelby is spending a ... in Pampa, visiting in ... Murrell home.

Mrs. Boyd Kennedy ... week end in Houston ... daughter.

Lloyd Henley of Fresno, ... Sunday, Nov. ... was an aunt of John ... Mrs. Ernest Lee.

... Roberts of Colorado died ... Nov. 14. He was the ... Mrs. Dora Roberts and ...

brother of Oscar Roberts of Old Mcbeetie.

H. S. Poole of Borger, a former resident of Mobeetie died in a Pampa hospital Saturday, Nov. 16. Funeral services were held at the Baptist church in Wheeler at 2:30 Monday afternoon.

Mr. and Mrs. J. W. Durham of Wheeler visited in the home of their daughter, Mrs. Walter Coward of Mobeetie. Other visitors were their son and family of Borger, Mr. and Mrs. Jimmy Coward.

Mr. and Mrs. Tince Williams visited with her parents in Paducah over the week end.

EIGHTH GRADE CLASS PARTY

The Eighth grade class of Mobeetie went to Pampa Monday night, Nov. 11 for a class party. They went to the show and saw "Jailhouse Rock" at the LaNora Theater. Then all had supper at Poole's Drive-In. Everyone reported a good time. They were accompanied by Mrs. Alma Seitz, class sponsor, Mrs. Walter Coward, Mrs. Monroe Rogers and Mrs. Ebb Patton, class mothers. Ebb Patton drove the bus.

BI-DISTRICT CHAMPIONSHIP

GAME SET FOR NOV. 21

The Bi-District championship game will be played at the Harvester stadium in Pampa, Friday, Nov. 21 at 7:30 p. m. Union High school at Brownfield, champions of 2-B six-man football vs Mobeetie, champions of 1-B six-man football. The Union H. S. record

in conference play is 9 won and 1 lost. The Mobeetie H. S. record is 5 won, 1 lost. The lost one being to Booker, 16-14.

Paul Kitchens, of Mississippi is the coach for the Mobeetie team. This is his first year to coach a six-man team. He coached 11-man teams for twelve years in Mississippi before coming to Mobeetie.

The Mobeetie Hornets have been District champions 4 times in the last 5 years. Mobeetie won Regional championship in 1953 defeating Bula for Bi-District 45-41. They went on to defeat Paint Creek 45-43 for regional championship. Class B playoffs end at Regional. This is Union high's first Bi-District game.

Six-man football is a more dangerous game than eleven man football because most of the play is out in the open where fans can see it. Insurance companies complain about having to insure six-man teams. It makes a better game from the spectator's point of view.

Mobeetie Hornets have had lots of fans following this year. The boys are playing smart, fast and aggressive football. District 1-B has been a close race between Miami, Booker and Mobeetie. All three teams being much stronger this year. Mobeetie lost the first game of the season to Northside Vernon then defeated Tyrone, Okla., in a non-district play. A game with Flomat was cancelled due to flu in the Flomat school.

Here is the differences in six-man and eleven-man football—80 yards goal line to goal line; 100 yards end line to end line. Width of field 40 yards. 15 yards to make in series of 4 downs. All players are eligible for passes. Six players, must be at least three on line of scrimmage.

Must be one pass on each down either forward or backward. A touchdown counts 6 points, extra point kicked 2, extra point pass or run 1, safety 2, field goal 4. Kick-off from the 30 yard line. Touch back goes to 15 yard line.

Mobeetie Hornets are LaWayne Hogan, Ferrell Baird, TommyCorcoran, Archie Scribner, Paul Hathaway, Aaron Lancaster, Clinton Simpson, Charles Waiser, Bill Graham, Dan Hathaway, Jerry Grimes, Douglas Roger, Gene Harrison, Jeff Kelley, James Lester, Keith McLaughlin and Jimmy Simpson. Their manager is D. L. Rector.

I never felt so helpless in my life . . .

When that oncoming car crashed into us my wife wrenched her back, cut her knees. With night coming on it looked as if we were stranded 200 miles from home.

But a phone call to the local Hartford Agent took care of that!

True to the Hartford promise of "Hometown Service Anywhere" he left his dinner and rushed to our aid. He called a doctor for my wife. Talked to the police. Offered to arrange bond if necessary. Helped with our accident reports. Even arranged for repairs to our car.

I agree with my wife. When you're in a jam, being a Hartford policyholder certainly pays off!

To be certain of sympathetic personal service wherever you drive insure your car with Hartford — the organization that gives you "Hometown Service Anywhere". Call us today.

**IT'S LATER THAN YOU THINK
CHECK LISTS, MAIL EARLY**

Predicting that the Christmas mail this year will set an all-time record, even exceeding the record set in 1956, Postmaster Virgil Jamison, Jr., announced his 1957 "Mail Early For Christmas" Campaign today.

With Christmas only a little more than a month away, the Postmaster reminds us, "It's later than you think". Most folks have a tendency to wait until December rolls around before they give their Christmas mailing plans any thought.

The Postmaster further suggested that right now is the time to take the following steps: Check your Christmas card list very carefully—make sure that each ad-

dress includes the full name, street and number, city, zone and state. He said, also, that it is a good idea to stock up on heavy wrapping paper, sturdy corrugated cartons, strong cord, and paper adhesive tape for use in securely packing and wrapping your Christmas gifts.

If you'd like to include your Christmas card or letter inside your gift package, just all the appropriate First Class mail postage to the postage for the package itself; thus, insuring simultaneous arrival of your gift and greeting.

Napoleon, seeking a way to nourish his armies, offered a prize which led to the development of food canning.

"For Everything You Wear"

THOSE FALLING LEAVES—This sea of leaves means business for two enterprising lads. Arthur Lambert, left, 12, and Greg McGowan, 10. The two take a breather before tackling the fallen maple tree foliage in Claremont, N.H.

C of C Notes . . .
(Continued from page 1)

father display his driver's license at the trooper's requests, piped up "Well, Daddy, if you haven't your license, will they shoot you?" In due course, State Safety Commissioner Hilton Butler heard of the incident. He sat down and wrote the youngster, Kenneth Ward of McMinnville, a letter of reassurance.

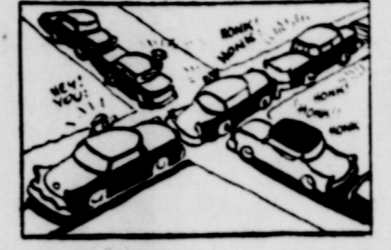

"No, Kenneth," he wrote, "as your father has already told you, they will not shoot a driver if he fails to have his license with him at the time of the inspection. But, Kenneth, there is something far more dangerous on the highways than a state trooper's gun—and that is an automobile driven by a careless, reckless, thoughtless person. "It is to protect your life, and the lives of your brother and father and mother, that these courteous and well-trained state troopers are on the highways and they frequently will halt an automobile to see that everything is all right. They are working for you and your family, Kenneth, and they are the best friends you have when you travel on the highways."

Commissioner Butler makes his point neatly. Enforcement of the law might at times seem to be tough on the individual driver, but it is clearly in the interest of the public. A fool has no moral right to have his finger on the trigger of a loaded gun or his foot on the gas pedal of a high-powered automobile.

All Chopin's works were written for or with pianoforte.

THERE most certainly is a Santa Claus. And we've got last year's bills coming in monthly to remind us of that fact.

Turkey dressing will never again taste as good to us as it did when, as youngsters, we snatched it from the platter while grace was being said.

With all the cars on the road at holiday time, how does anyone manage to find anyone at home?

Some folk think that there's nothing like turnips with a Thanksgiving dinner. We agree. Like nothing.

Were the snows that we remember so much greater, or is it that we were three feet shorter and 40 years younger?

On the above date the Telephone Company had a minimum charge, one third that of today.

On account of the dish washers, clothes dryers, electric ranges and hot water heaters, air conditioners, and the various other gadgets from toasters to back scratchers, the electric bill now runs from three to four times as high per customer as formerly.

With better built houses, insulated against cold, use of electric ranges and hot water heaters, the income of the gas company per customer has been cut, while the expense of getting gas to Wheeler has more than tripled.

We are not blaming the city councilmen for our recent failure to secure a gas rate increase at Austin. This is a very sordid story, and when you finally hear it, it will be hard to believe.
