hy use two when one will do?

You'll do better to protect your motor with this one all-weather oil than to change from heavy oil to light oil according to the season.

to worry about using different grades of oil at different seasons of the year. Trop-Artic is a light oil and heavy oil in one (grades 10W through 30). Furthermore, it lubricates and protects your motor far better than any of the old-fashioned "single grade" oils. Users of Trop-Artic* All-Weather Motor Oil never have

The reason is that TROP-ARTIC never gets too thick or too thin. In a cold engine it flows quickly for easy starting. In a hot engine it retains the "body" necessary to prevent wear. It reduces friction to save you gasoline. It keeps your engine clean. Compared to old-fashioned oils it can even double engine life. Get TROP-ARTIC All-Weather Motor Oil today from your Phillips 66 Dealer.
