Wheeler Nazarene Church

Rev. Pauline McNuti, pastor of the Nazarene Church of Wheeler brings the message of the week in the ninth of a series of commentaries by ministers of the area, and presented on this page through the cooperation of the firms and individuals listed below.

Let not your heart be troubled: Ye believe in God, believe also in me. In my Father's house are many mansions if it were not so, I would have told you. I go to prepare a place for you, and if I go and prepare a place for you. I will come again, and receive you unto myself; that where I am, there ye may be also. These comforting words Christ spoke over nineteen hundred years ago, are still a comfort to the hearts of all Christians of today.

We are sailing life's troubled sea from the shores of birth to eternity. Some of the voyages of the Bible well illustrate the voyage of life. In St. Luke 8:22-25 we see well illustrated a storm which Jesus stilled. Now it came to pass on a certain day, that He went into a ship with his disciples: and He said unto them, Let us go over unto the other side of the lake, and they launched forth. But as they sailed he fell asleep: And there came down a storm of wind on the lake: and they were filled with water; and were in jeopardy. And they came to Him and awake Him, saying, Master, Master, we perish. Then He arose, and rebuked the wind, and the raging of the water: and they ceased, and there was a calm. And He said unto them, where is your Faith? And they being afraid wondered, saying one to another, what manner of man is this! For He commandeth even the winds and water and they obey Him.

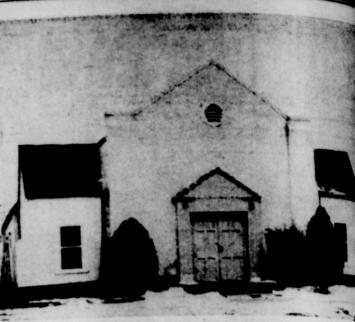

Yes, Christ is able to calm the tempest of winds and water. And He is able to calm the troubled hearts of humanity when they turn to Him in Faith.

Yes, there was a great storm on and the disciples were in jeopardy and fear, and then they called on Christ. During the furious storms of life we should call on Jesus. How oft are people anxious to call on Jesus just when they are in trouble and then when trouble has lifted they forget the Christ who has so lovingly brought them out of trouble, yes, Jesus is anxious to relieve us of our fears and troubles but He is also glad for us to remember to worship Him when the sun shines as well as when the storm is on.

Fear is common to man: increased by, if it does not originate in, a consciousness of sin. Sin brings separation from God's presence, and without His presence we are afraid. But God promised to His people if they would obey all His words that we will have this Divine

Jesus promised the disciples that when He went away He would not leave them comfortless. I will come to you. Jesus said, because I tell you I go away, sorrow hath filled your heart, nevertheless, I tell you the truth: It is expedient for you that I go away, then I will send the Comforter, and when he is come, the Spirit of Truth, he will guide into all truth. So we have no need for fear as long as we live humble obedient lives surrendered to the Divine will of our

We are facing the tempest of life and we do not always sail on still seas. The forces of the enemy are turned loose on us and we need to lighten our boat by unloading bad habits and little sins and live a Holy life free from sin, and then we can have the joy of landing in the harbors of heaven where we will find the place of many mansions Jesus said He was going to prepare, and then come for all those who love His appearing.

Again this week we have a pop-

This little fellow has lived in Wheeler County for 48 years. He studied law at O. U. And is one of the most popular men in Wheeler County.

Years ago some of his friend nicknamed him "Sadler". And according to those same friends he is quite fond of strawberries.

That's enough clues. What is your guess?
