JESUS - SAVIOUR

When the Annunciation Angel came to Mary to tell her she was to be the mother of Jesus he said to her "Call His name Jesus because He sall save His people from their sins." Wheeler Church Of Christ

Eli Borden, Minister of the Church of Christ at Texola, Okla. brings the message of the week in the fourteenth of a series of commentaries by ministers of the area, and presented on this page through the cooperation of the firms and individuals listed below.

HEAR YE HIM

"Then answered Peter, and said unto Jesus, Lord it is good for us to be here: if thou wilt, let us make here three tabernacles; one for thee and one for Moses, and one for Elias. While he yet spake, behold, a bright cloud overshadowed them: and behold a voice out of the cloud which said, This is my beloved Son, in whom I am well pleased, HEAR YE HIM." Matt. 17: 4,5.

Men are always wondering why there is so much confusion and so many differences of belief in the religious world today. The answer to this would be that too many people rely on the words of their ministers, creeds or doctrines for guidance, but God simply said, "This is my beloved son, in whom I am well pleased, you hear

If we would all take only the Bible or the words of Christ we could come to an agreement and wouldn't have so many differences. But then too many try to infuse their feelings and conscience into the matter of salvation saying that if your feelings are pure God will accept you. Paul stated that he lived with good feelings and a pure conscience while he was persecuting Christians and was still the chief of all sinners.

What is the solution? Hear ye Him! Christ himself said in John no man cometh unto the Father except by me." Jesus also said, "If ye love me keep my commandments." Christ didn't tell us to obey our conscience or feelings if we love, he simply stated that if we love Him we should keep His commandments.

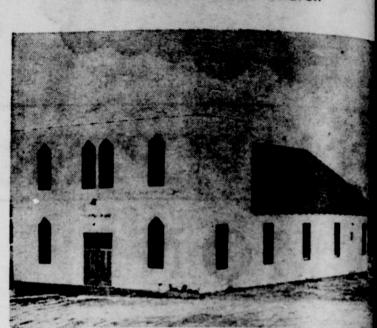

Christ is the only creed, the only word that we need to have salvation. God is perfect and His plans are perfect, therefore He doesn't need any help from man with His creeds, doctrines and feelings. It would be good if all of us could sit down and read the Bible without tossing a few ideas and feelings in to defend ourselves. If we are wrong why not do something about it, instead of delaying and relying on the conscience. Just remember that Jesus said that no man could come to the Father except by Him and that the Father said to listen

Now it is our duty to search the scriptures to find the true way to get into Christ or into that way.
