Thirty students will receive their high school diplomas Friday from W.H.S. Congratulations!

We were blessed with moisture Tuesday Night and Wednesday. The measurement for Wednesday morning was 0.55" with an additional 0.86" during the day Wednesday. And, it was pretty general.

Thanks for all the help in collecting the pictures for the paper. I kept the secretaries and annual sponsors busy.

We had intended to leave for OKC on Wednesday evening, but

ALLISON A NEWS

By Juanita Boydston

Rejoice in the Lord alway: and again I say Rejoice. Let your moderation be known unto all men. The Lord is at hand. Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. Finally brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. Those things, which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you. I can do all things through Christ which strengtheneth me. Philippians 4:4-9 & 13

O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things; thy counsels of old are faithfulness and truth. Isaiah 25:1
O Sing unto the Lord a new song: sing unto the Lord, all the earth. Sing unto the Lord, bless his name; shew forth his salvation from day to day. Declare his glory among the heathen, his wonders among all people. For the Lord is great, and greatly to be praised: he is to be feared above all gods. For all the gods of the nations are idols: but the Lord made the heavens. Honour and majesty are before him: strength and beauty are in his sanctuary. Give unto the Lord, O ye kindreds of the people, give unto the Lord glory and strength. Give unto the Lord the glory due unto his name: bring an offering, and come into his courts. O worship the Lord in the beauty of holiness: fear before him, all the earth. Psalm 96:1-9

The weather here in Allison on this Tuesday morning is very very windy, but other than that its a beautiful day. Everything is so pretty and green and the flowers are just so beautiful. We have some pink roses that are just really blooming at this time. And they smell so good, I gather a bouquet of them for mom and they refresh the house with their fragrance. We also have red and yellow roses, but they don't get as big as the pink and don't smell quite a nice as they the pink either. Just a wonderful time of the year when things are blooming and beautiful. We do need some rain tho. We are to get some Wednesday and Thursday and I'm already praying that we get rain without tornados or hail or high damaging winds. With God all things are possible so I'm believing that he will do that for us. Praise be to God!!

Mom's pink locust is blooming so beautifully and smells really strong and good. The beauty around us is so wonderful if we will just take the time to see it and enjoy.
Larry Brown of Harker Heights, Texas was met by his brother, Merlyn in Elk City, Oklahoma at the bus stop where he picked him up and brought him to Allison to visit in the home of their parents, Roma and Billy June Brown for a few days. Larry is buying one of Merlyn's cars.

Sunday dinner guest in the home of Roma and Billy June Brown were Opal and Juanita Boydston. They all enjoyed a very delicious homecooked Mother's Day meal. My Aunt Billy is about the greatest cook around. We always enjoy eating with her. May God Bless and Keep her!!

Louise Boydston, Jean Stinnett, Opal Boydston, Juanita Boydston all traveled to Pampa, Texas last Friday morning and shopped a little at Beall's then they ate lunch at Dyer's Barbeque, then they traveled on to Amarillo, Texas and visited in the home of Warren and Charline Brown a little while. Then Jean went from there to Dumas, Texas and Louise, Opal and Juanita visited Cheryl Dupont at her new home for a few minutes, then they went on to Kim Thompson home and got dressed to go to Kimber Thompson's graduation from college at the

Civic Center. Kimber plans to work at the Harrington Cancer Center.

After the graduation about 35 friends and family met at Ruby Tequila's Restaurant for a celebration. Cake was served after the meal. All had a great time.

Louise spent the night at Kim Thompson and Opal and Juanita stayed the night at Warren and Charline Brown's. Louise, Opal and Juanita returned home on Saturday afternoon after enjoying some shopping in Pampa. Louise, Opal and Juanita stopped in Panhandle first and enjoyed a tasty meal at the Dairy Queen.

Sunday, Louise Boydston and Gary and Julie Boydston went to Elk City, Oklahoma after church and met with Ernie, Sue and Adam Martin and enjoyed a very delicious meal at Pedro's Restaurant, then they visited Pearl Harrison for a while at

Elkwood Assisted Living. Later Sabrina Dupont and daughter, Makenna from Amarillo, Texas, Opal and Juanita Boydston, Bennie and Debbie Boydston, Heather Archer and Gary Boydston visited Louise on Sunday night.

Wednesday, Allison received an inch and half of rain which was very much appreciated. That helped the flowers and trees and plants a little bit. Also helped Juanita's okra to come on up.

Tuesday, Opal and Juanita

Boydston enjoyed a delicious meal with Louise and Jean at Louise's home.

Later in evening Opal and Juanita visited in the home of Roma and Billy June Brown and also got to visit with Larry and Merlyn as they were both home. CLEAN UP DAY

Clean up day at the Zybach Cemetery is Saturday, MAY 17th. Bring your lawnmowers, rakes and hoes and shovels and make the cemetery look lots better. THANKS!!
God Bless and Keep ya'll till next time.

MOBEETIE NEWS

By: Sue Mayfield

Good morning from the "big burg". It's Tuesday morning and is dawning another beautiful day in Wheeler Co. If the wind doesn't get any higher than it is now, it will really be a nice, cool day. It was pretty and warm yesterday, but much too windy...the story of the panhandle.

I hope all you Mothers out there had a wonderful Mother's Day. I was lucky and got to talk to all of our boys.

Our deepest sympathy to Mike Sherwood and the family and friends of Patsy "Pat" Caroline Sherwood, 56, of Canton, OK. Pat passed away in Enid, OK., on Friday and her memorial service was held at the Canton, OK., Community Center on Sunday. What a better tribute to your Momma and Nana. Pat is survived by her husband, Mike, of Canton, four daughters: Kristina Gonzales of Oregon, Michelle Sherwood of El Reno, OK., Mandy Sherwood of Canton and Nicole Sherwood of Watonga, OK.; two brothers; a sister; nine grandchildren and five great-grandchildren, along with numerous neices, nephews and friends. She will be missed by many. Pat passed away on granddaughter, Megan's, 14th birthday, which made it extra hard for her. Pat's nephew, Greg, led the memorial service and read the

obituary. He did a very good job. Pat is Nana to our Michael and Brianna.

It's amazing how much greener and how many trees there are when you get off I-40 and go north of Clinton, OK.; it was beautiful drive. A lot of the wheat was knee high and headed out...so even and pretty on those rolling hills.

There is God's beauty everywhere if we just take the time to take it all in. Have you noticed Arica and Aaron Lancaster's beautiful yard? It has been just gorgeous with all of the spira blooming the last couple of weeks. Geoffrey and Fredia Caldwell have a gorgeous yard, too, with all their colorful bushes and trees and that lovely lawn. Leola Stuart has the most beautiful flower garden in her backyard, and a sweet little one to greet you in the front. She has such a green thumb; she can make anything grow. She and the Lancasters have something blooming almost all the time, from spring until it freezes. Thank God for our physical and our spiritual nourishment! Seven days without God makes one weak.

Our sympathy goes out to Joe Hathaway in the loss of his brother, Dan Hathaway of Levelland, TX. He was only 67.

Thank you to all that helped clean up our burg. They all got together on Saturday morning and hauled trailers of branches and trash off. Sure made a difference.

E.C.A. Class Is To Be Offered Soon

Wheeler Ambulance Service will be offering an E.C.A. class in the near future. It is necessary to know how many people are interested in taking this class. An ECA class takes about 8 to 12 weeks. An effort is being made to get grant money to pay for the class. If anyone is interested, please call Brenda or Wanda at Parkview Hospital — 806-826-5581.

able due to the cost of fuel.
THE CITY NEEDS THE HELP OF THE WHEELER CITY RESIDENTS TO CURB THE COST OF THE RISING SANITATION RATES. WE HAVE A FEW SUGGESTIONS TO HELP US.

(1) If you see an unfamiliar vehicle dumping trash in a dumpster get the license plate or a letter with a name on it, and let the City know, and we will check it out.
(2) If you have cardboard boxes, please break them down and put in the container at the back of City Hall.
(3) Please do not put grass, leaves, or limbs in the dumpsters. The City has a place behind City Hall for putting these items. (Putting yard waste in the dumpsters is illegal.)
(4) Please put any large items in the blue roll off behind the City Office, or in the places marked for appliances, mattresses, or different types of metal.
(5) Most importantly, if you are bringing your trash in from outside the city limits and are not paying, please do so. It is unfair for the city residents to pay

the price for others to use the dumpsters free. (Putting trash in the City dumpsters without paying is against the law and you will be fined if you are caught. You

may come by City Hall and tell the clerks that you would like to pay for disposing of your garbage in the dumpster. They will be glad to send you a bill every month.

An article in Amarillo paper Saturday was titled, "What did your mother do to bless you?" Something to think about. I am so thankful that my parents were godly, caring people who loved us and loved others and always took us to church and prayed with us.

Wheeler Baptist Golden Agers and friends are meeting Thursday, May 15, at 11:30 a.m. Home Health will be there to take vital signs of blood pressure, blood sugar, etc. and a good pot lunch meal and program at Wheeler Baptist Fellowship Hall. You are invited.

Fort Elliott Spring Concert will be Thursday, May 15, at 6:30 at Briscoe. Everyone invited.

"I am so glad that our Father in Heaven; Tells of His love in the book He has given; Wonderful things in the Bible I see; This is the dearest that Jesus loves me."

Ladies at Wheeler Baptist Church felt like "Queens for the Day" on Mother's Day. The guys cooked the delicious lunch of tender pork chops, hot rolls, green beans, potatoes, taco salad and assorted cobblers. Very good! Some came to the church very early to get it all done. Thanks to all who helped. The tables were decorated with potted real flowers and runners. Some ladies got to take the flowers home. Thank you! Especial thanks for all your work to make Mother's Day so special to so many. Wonderful meal.

Happiness is the warmth of a gentle embrace... a smile upon a child's face.

Happiness is the coolness of a gentle breeze... the sound of wind whistling through the trees.

Happiness is spending time with family and friends and hoping the good times never end.

Cindy Bradstreet and her mom, Lois Barrett from Pampa, went to Alvarado over the weekend and visited Ember and Mike Keith and Miles, Jenna and Zach and celebrated Sandy's birthday. They also got to visit with Andy and Tracy Bradstreet and Sandy and Brad Cooper.

David and Rita Pearson went to Stamford Sunday and visited David's parents, Albert and Mary Pearson, for a Mother's Day visit. Mary Pearson is getting around pretty good since her stroke and has some help from Home Health. Remember Mary in your prayers.

Artie Tidwell enjoyed a Mother's Day visit from daughter, Janice and Craig Allen from Amarillo.

Earl and Betty Hustead left early Friday to go to Sanger, Texas, to visit their daughter and husband, Loyce and Eddie Masten for a few days and celebrate Loyce's birthday.

Patsy Smith enjoyed a visit from son, Dale Smith, who works at Liberal. Dale's wife died recently from cancer.

Doris Finsterwald and Orville Greenhouse enjoyed shopping and visiting in Wheeler Monday. They always have fun.

"Give thanks to the Lord, for He is good; His love endures forever" (Psalm 107:1).

Jim and Beth Alvey enjoyed having daughter, Marissa Bonner and granddaughter, Jayden, from Lubbock come spend the weekend with them. Jayden is 3 and enjoyed being outside and seeing the cows and calves. Beautiful day.

Weekend visitors to Leo and Sylvia Shuler were daughter, Melanie and Roy Gates and Colton, Logan, Caden and Shyan from Weatherford, Oklahoma. The guys also helped Larry Finsterwald work cattle. Lucretia Davis also visited. Some of them visited Annie Ruth Lee at her home. Glad Annie Ruth is doing better and enjoys visits from family and friends. Sylvia enjoyed several Mother's Day calls from family and included Brent Lee from Killeen, Lori Barnes from Stephenville, Mike Lee and sister,

Marilyn Whitaker. Pray for Shari Gail Porter who has been very ill at her sister's (Lonnelle Kenady) in Amarillo.

Mary Margaret Dodd enjoyed having her family home over the weekend from Friday to Sunday and included Jacque and John D. Foreman from Lubbock, Jack and Diane Cody from Graham and C.G. and Rosemary Dodd from Mobeetie for a great time.

Congratulations to Greg and Jennifer Bryant on the birth of their new baby boy born Thursday, May 8, at Oklahoma City and named Seth Hunter. He weighed 7 lbs. 14 oz. and 20 inches long. Proud grandparents include Mike and Beverly Bryant and Louis and Barbara Stas, all of Wheeler. Best wishes to all!

Supper guests Thursday night at the home of Leon and Augusta Brown in Pampa were friends from their church, Central Baptist Church in Pampa, and included Ed and Mildred Henley, Rosa and Orvel Brewer and Gene McClendon for a good visit and good food.

Enjoying quilting and visiting at Totty School Thursday were Betty Haines, Sydney Lynch and Audrey Seitz.

Canasta was meeting at Lou Dean Douthit's Monday. They always have fun.

Wheeler Senior Citizens enjoyed games of 80 and Chicken Foot and good food and fellowship Tuesday afternoon, May 6, from 3 to 5:00 p.m. Some there were Helen and Wesley Steen, Martha Meek, Joyce Perkins, Marvin Walker, Ray and Mae Brazeal, Verna Fillingim and Jo Redding for a good time together. Next meeting will be Tuesday, June 3, at 3:00 p.m. All "Golden Oldies" invited.

Sue Seitz was in Amarillo in the hospital for 2 months after surgery and had therapy. She is thankful to be home from the hospital; it seemed so long. She isn't "kicking her heels too high yet," but is proud to be improving. Her kids and Pete help her some with cooking. She does cook some and went to the grocery store. She was in hospitals for 2 months to do surgery on her neck, treat her staph infection and then her heart attack. She is so glad to be home and is better. Remember Sue and Pete in your prayers.

Cindy Bradstreet and her mom, Lois Barrett from Pampa, went to Alvarado Thursday and visited Mike and Ember Keith and Miles, Jenna and Zach and kept the kids while Mike and Ember went to a track meet. They also visited Sandy and Brad Cooper at Coppel and went to the Fort Worth zoo. They also visited Andy and Tracy Bradstreet at Lewisville. Jenna came back with Cindy and Lois Sunday and was to spend a week with great-grandma, Lois, and another week with grandma, Cindy. They also celebrated Sandy's birthday. I think Jenna was also going to Pre-K some when at Cindy and Wesley's while Cindy worked.

Big crowd out to Bacalaureate at Wheeler School Sunday night. Good message from Shawn Johnson. He made it down-to-earth and motivating. We are proud of all you kids.

Carolyn (Treadwell) Price grew up at Briscoe and has worked for veterinarian, Pat Crouch, for 11 years, but decided to retire and play in her yard. Tricia Smith Hand, another Briscoe girl that had worked at Canadian for Pat Crouch 10 years, is also retiring. Best wishes, Carolyn and Tricia. There was a special appreciation party for Carolyn and Tricia on Friday. They had enjoyed the animals they worked with ("unless they tried to eat us.") Lori Steen will be taking Carolyn's place at the office, but suffered a cat bite. Best wishes, girls.

Nice to visit with Joseph Kidd, son of new Country Barn owners, Dale and Monica Kidd, at the Country Barn. He has been going to college at Wichita Falls, but plans to stay in Wheeler for a while and help his folks. Joseph is also grandson of David and Kathleen Cross.

Bob and Evangeline Wills prepared and served the good hamburger and fixings supper with French fries. Many brought deserts Wednesday night. Wesley Steen led singing for Bible Study. Preacher, Larry Mitchell, had a good message from Genesis in the Bible. Prayers for sick and bereaved. Visitors always welcome.

Sincere sympathy to family and friends of Eda Bynum of Mississippi in her death after years of fighting cancer. She is now at rest in heaven and seeing loved ones who have gone on before. Eda was a sister to Willa and Vea Fillingim and an aunt to Laurel Hershman. May God comfort all the family. Vea and Willa were there to greet Eda in heaven.

Dick and Ruth Irvine and Charles and LaJo Crownover and granddaughter, Rose, (Boyce's daughter) went to Eda's funeral.

Nice to have Sue Chandler come Thursday and take me to lunch at The Spot and a good visit. Some others there were Roy and Nell Bradstreet with son, Wes Bradstreet and daughter, Debbie

We're exceptionally proud of you, Seniors, and we wish each of you a full measure of success and happiness in every endeavor.

KELTON JR. HIGH GRADUATES...

Elizabeth Noel Moore

This young lady has earned more than 600 AR points, making her an Honor Lions Member.

She also participates in Spirit Wind and basketball.

Future plans for this soon to be eighth grade graduate are completing her education at Kelton. She plans to be a part of the first "virtual high school" in Texas. She then plans to go to a good college.

Favorite teachers for this junior high student are Mrs. Schaffer and Mrs. Bentley. Mrs. Schaffer is "nice to me and cares for me." Mrs. Bentley, "because I have known her my whole life."

Most remembered is the moment she sprained her ankle at basketball and everyone was there to help after it happened.

Her wish for her parents is that they not freak out when she graduates from junior high and have a heart attack when she gets her drivers' license.

"I wish that all the future graduates have a good time at Kelton High School," wrote Elizabeth in completing her information sheet.

Paul Luna

One of three Kelton eighth grade graduates, Paul Luna is the fourteen-year-old son of Felipe and Sandy Covarrubia. He started Kindergarten at Kelton and has been a Kelton Lion for nine years.

Paul plays basketball and runs cross country.

He plans to finish high school and get a good job.

All the help given by Mrs. Bentley was the reason for naming her his favorite teacher. "I never did like math, but now since I know it, math is my favorite subject," Paul wrote to complete his reason.

Playing basketball for Kelton are the young future graduate's most memorable moments.

The time he fell into the lake was his most embarrassing moment.

Paul hopes to get a good education, finish college and get a good job.

His wish for future graduates is "to finish school" and that "they will have a good life when they're done with school."

Ramin Aguitar Mora

Ramin is the 14-year-old son of Ramon and Rebecca Mora. Nine years of this student's formal education has been at Kelton, having attended Wellington School before transferring to Kelton.

"The activities I do are basketball, U.I.L. meets and stuff that is fun to do," the student wrote. Medals have been earned at U.I.L. meets.

This soon to be junior high graduate plans to attend college and become a doctor.

Mrs. Bentley is Ramin's favorite teacher. "She helped me get through junior high," the student wrote.

Ramin wish for his parents to have a happy life.

His wish for future graduates is for them to "finish school and reach your goals. Never give up.

1963, she received the Regional Conservation Homemaker award. Survivors include her husband, Willard, of the home; two sons, Delbert of Morse and Monte McCloy and

wife, Nan, of Clayton, NM.; two daughters, Cheryl Peterson and husband, Mike, of

Albin, WY., and Katina Lusby and husband, Lonnie, of Fayetteville, AR.; four grandchildren and four great-grandchildren, along with a sister and an aunt. She will be greatly missed. She always had a wonderful garden and always shared its bounty with family and friends. Her son, Delbert, carries on her tradition. Faith sees the invisible, believes the incredible, and receives the impossible.

Certainly hope that this finds Beulah Stuart feeling much better. She has had a hard week, although she was well enough to try to enjoy the very nice Mother's Day Tea that the Wheeler Care Center provided for all their mothers and families and friends. It was very nice. Good job, ladies. Thank you! Daughter-in-law, Leola Stuart, and ex-daughter-in-law and family friend, Billie Pazby, were there to help Beulah celebrate. They take good care of Grandma Stuart. Leola took Grandma Stuart some beautiful silk roses that are almost exactly like the ones that Mrs. Stuart has in her yard at home. That pleased her very much. Now, she can enjoy them every day. Mrs. Stuart loves her roses. She has several different types and colors for all to enjoy.

I can't even name all the beautiful flowers that Leola has in her flower beds! She always has something blooming, though. From early spring until the first freeze, she always has color on the hill. Leola Stuart hosted a domino party on Saturday. They had a lot of fun, great visiting and good eating. This is the first time in a long time that they could all get together, so made it extra special. All of Leola's boys called to visit and wish her a Happy Mother's Day.

Our sympathy to Julie Stuart and her family in the loss of her "real father." He had been fighting kidney disease for a few years. Julie and her son, Jessie, were with the family the last week at The Colony, near Dallas. Randy and Zach were leaving early on Monday morning to meet the family in Stephenville for the funeral and burial. This was a sad weekend for many families.

On Sunday after church, Leola took Sheryl and Jerry Richardson to lunch at Mel's Diner so that they could enjoy Mother's Day. The meal was good, but the company was the best part. Quite a household at Mel's. Imagine Maxey's was busy, busy, too.

The Pampa junior high 8th graders had their "prom" on Saturday night. Jeff and Sky Mayfield were one set of parents to chaperone. It was very nice and the students were all beautiful and handsome all decked out in their finest. They were all little ladies and gentlemen. Made for a very nice evening. Jeff and Sky were proud of all of them. This grandma is very anxious to see all the pictures. Harley and Brandon had a great time, even if they did have to dress up. They had supper before the prom at the Texas Rose. The whole evening was extra special. They had a great time. This grandma just isn't ready for all of these "firsts!"

Sorry to hear that Joann Couch had such a rough weekend. She is having a very hard time getting her diabetes under control. Hope the doctor can come up with something that will help more without having to go to the shots. Congratulations to Brandi (Stribling) and Craig Hamilton and Cory and J.D. They got the news on Mother's Day that J.D. is finally going to be theirs. His parents signed the papers to allow J. D. to be Cory's "real brother" now. Cory is so cute. Can you think of a better Mother's

Day present? They all went to Braum's to celebrate after picking up the papers. J.D. must have known he was the star of the afternoon as he had to share everyone's ice cream. Such a cutie! Congratulations to the Stribling family; couldn't find a family with more love. Many thanks to the biological family for such a wonderful gift!

Clinton and Maurita Stribling spent the weekend with Tom and Debbie Stribling and family in Happy. Wesley and Anna had dinner

Sunday over at their place. Wes fixed some delicious ribs on the grill. It was a wonderful day topped off by the news of J. D. 's paperwork being ready for the attorney. On Monday, Maurita had a doctor's appointment in Amarillo and then they did some shopping before they got to come home. It was a wonderful weekend, but was sure good to get home after a day in Amarillo.

It's good to hear that Judy Cloud is doing better after her shoulder surgery. She will be doing therapy three times a week, so it won't be long and she will be

Defensive Driving Course Is Offered

Defensive driving programs offer the opportunity to save on care insurance premiums as well as, in some cases, dismiss a traffic ticket. People today are busier than ever, and finding the time to take one of these courses is sometimes difficult. Texas Farm Bureau Member Benefits and Services has reached an agreement with a company that provides convenient ways to take a defensive driving program.

Defensive Driving Institute will be offering the course to Farm Bureau members and their families at the lowest price allowed by Texas state law—\$25. Members can choose to take the defensive driving program online, or by picking up a DVD at the Wheeler County Farm Bureau office. Members will also be able to access the program online through the TFB website, if they choose, <http://www.txfb.org/>. DVD's are available now at the Wheeler County Farm Bureau, located at 414 Main St., Wheeler, TX. Call 806-826-3563 for any questions regarding this defensive driving course.

CRP Options Should Be Considered

Officials with the USDA Natural Resources Conservation Service (NRCS) are urging farmers to consider USDA compliance and program eligibility before converting Conservation Reserve Program (CRP) acres to cropland production.

"More than 1 million acres in Texas covered under CRP contracts will expire in the next year and a half, and we could see a lot of land use changes, especially in the Panhandle region," said Don Gohmert, NRCS state conservationist for Texas. "We want landowners to understand options available to them and what they need to do to remain in compliance for USDA programs."

Conservation compliance, which began with the 1985 Farm Bill, is still in effect. Compliance means that farmers need to control erosion on highly erodible land, which includes CRP acres, in order to stay eligible for USDA program benefits, including farm loan programs, disaster assistance, commodity price supports, and conservation programs.

According to NRCS, the most common ways farmers get out of compliance with USDA is by eliminating soil-conserving crops, such

as forage species, and adding a tilled crop, such as corn or cotton. When the farmer changes his soil cover from permanent grass to annually-tilled crops, he/she should always consider conservation compliance when planning their rotations, in addition to commodity prices.

"The lure of high crop prices may have landowners considering plowing up grassland and planting it to a commodity crop," Gohmert said.

"Not only are there compliance issues to consider, but landowners should also look at what is best for the land."

According to Lori Ziehr, NRCS state agronomist, much of the land enrolled in CRP was classified as highly erodible, meaning it is susceptible to wind and/or water erosion. "That soil has not changed over the years the land was in CRP," she said. "If those acres are returned to cropland, landowners will need to take certain measures to ensure those acres will not erode beyond a level that the soil can tolerate."

For example, Ziehr said that a certain percentage of the field may need to be planted to high residue crops each year or that contour windstrips be left at certain intervals to prevent erosion. In some cases, she said, fields may already have terraces that need to be maintained to remain in compliance and help lower the potential for erosion.

Before a landowner takes any action at all, Ziehr encourages them to visit their local NRCS field office to find out what a compliance plan would entail and if there are any financial cost-share programs to help off-set some of the conservation costs. "A landowner has more options when his land is still in grass," she said. "Grazing former CRP acres is another option to consider."

CRP is a voluntary program through which farmers and ranchers to plant grasses and trees on marginal cropland acres in exchange for rental payments. The USDA Farm Service Agency administers CRP; NRCS provides technical assistance for the program.

"Dang Good Opry" Presentation Date

The Erick Alumni Association and the Roger Miller Museum are joining forces to entertain you with the re-production of the "Dang Good Opry". The show will be presented on Friday night, May 23rd, at 8:00 p.m. at the Clifford Macklin Auditorium in Erick, and coincides with the Erick/Texola Alumni Reunion set for Memorial Day weekend.

The "Dang Good Opry", originally played to a sold-out audience in April of 2006. If you attended that program, you will enjoy the new and improved version even more, as new jokes, skits, and musical selections have been added. The "Yee-Haw Players", starring Bubba and Grandpa (Ransom Snowden and Daryle Stephens) and the "gossipy girls" (Marilyn Francis, Gayla Splinter and Glenda West) will again have you rolling in the aisles with their corny one-liners, skits and silly songs.

Local singers and musicians will WOW you with their great talent. All performers are either EHS alumni or have close ties to Erick and include: Norma Sotherman, Audrey Stephens, Chris Francis, Linda Brooks, Chad Snowden, and Retta Snowden.

Tickets are now on sale, and may be purchased at the Roger Miller Museum and the First American Bank in Erick. Tickets are \$15.00 for adults and \$10.00 for children, 12 and under.

While it's imperative to buckle up because it's the law, it is also important to be a positive influence on family and friends in the community. Use a safety belt every time you get into a vehicle whether to drive across the state or only a few miles/day or night, Click It or Ticket.
