By Max W. Hatter, CAA

A freak snow storm last week was about as welcome as a University of Texas student at an Aggie muster. However, the wheat will be helped. Dry grass was just that. A fire on the J. A. Ranch destroyed over 2,000 acres of grass before it was controlled.

County Pig Show: Twenty-one 4-H pigs are on feed for the March 1 County Pig Show in Wheeler. From Wheeler, Kenneth and Kevin Frankenberg and Daryl Luttrell will show pigs. Steve Dallar, Johnny Grayson, Clifton Miller and Andy Reed from Allison have pigs. From over Mobeetie way, Bo and Tanya Dunn, Tom and Roy Stribling, Steve Corse, Doug Hackett, Gary and Debbie May plan to enter. We're looking forward to a real fine pig show. Folks who would like to buy some sausage and ham for their deep freeze are encouraged to contact your locker man and get him lined up to process the pig you'll be buying on March 1. Besides buying some of the best quality meat in the county, you'll be encouraging the youth of our county in a 4-H or FFA Project.

Six 4-H members in Lipscomb County, chosen for their speaking ability, forming trips and entertainment, the annual Bee banquet and presentation of awards. The Golden Spread winner will also receive a traveling plaque, carrying the names of all Regional winners since 1949, to be placed in his school.

Other outstanding prizes for top contestants include a Zenith portable television, a 24 volume set of Encyclopaedia Britannica, several copies of the Lincoln Library, a Britannica World Atlas and cash prizes.

The final date of the 1969 motor vehicle inspection period for all motor vehicles registered in Texas is drawing near. The sergeant stated, "Since the beginning of the inspection period, September 1, 1968, only about one and one-half million vehicles have been inspected and approximately five million more remain to be inspected."

Texas law requires inspection of brakes, lighting equipment, horns and warning devices, mirrors, windshield wipers, steering wheels and rims and front seat belts in vehicles where seat belt anchorages were part of the manufacturer's original equipment.

The inspection fee is \$1.75. This does not include the cost of repairs and adjustments necessary to enable the vehicle to pass inspection.
