VOLUME 46 NUMBER 35 THURSDAY, AUGUST 14, 1969 SINGLE COPY 10¢

EX-STUDENTS, TEACHERS GATHER SATURDAY

"Remember when..." or "Do you remember the time..." will be very popular phrases Saturday, August 16, when the Wheeler Ex-Student and Ex-Teacher Reunion gets underway at 9:00 a.m. A full day of activity is planned for the ex-students and teachers with a barbecue and house parties scheduled for the afternoon and evening hours.

Registration will begin at 9:00 with everyone having a chance to renew friendships during the morning. A program followed by the election of new officers is planned for the afternoon.

For the first time this year, free babysitting is being offered at the school for those ex-students and teachers with youngsters.

A number of ex-students living in Wheeler will entertain in their homes Saturday evening. If you are planning an open house after the reunion and would like it announced, you are asked to notify Curtis Moore.

Ex-Students and Teachers will travel great distances again this year as they did in 1967 when 450 ex-students and teachers registered for the big day of activities.

It is especially important that the local exes are present at the gala festivities, as they are the unofficial hosts. You are thereby urged to be present and enjoy the many activities planned for the day.

Ex-student and Teachers Reunion officers are Robert Denson, president; Adrian Risner, vice-president; Peggy Ford, secretary-treasurer, and Mary Wofford, program chairman.

Dues are \$2.00 per student or teacher.

IN SATISFACTORY CONDITION: J. T. Johnson of Wheeler is in Parkview Hospital after the pickup he was driving missed a curve eight miles west of Wheeler. The pickup left the road, struck an embankment and turned over at least once. Mr. Johnson crawled out of the pickup and began walking to town. He was picked up by a truck and brought to Parkview Hospital at 12:50 a.m. The pickup was not visible from the road; it was hard to see, even if you were looking for it. Johnson is suffering from multiple bruises, abrasions, facial lacerations and pelvic injuries.

HOUSE FIRE: Very little remains of the Billy Bob Lasater house, seven miles south of Wheeler. The Wheeler Fire Department was called to the fire at 11:30 p.m. Sunday evening. The firemen could see the blaze when they topped the two miles south of Wheeler. Firemen saved part of the stoves, furniture and clothing. The Shamrock Fire Department was also called to the blaze of unknown origin. The heat of the fire woke Lasater as he was asleep in a

Baptist Summer Revival Planned for Aug. 17 - 24

The summer revival of the First Baptist Church has been announced for August 17-24. The preacher for the opening meeting will be Leroy Gaston, pastor of the First Baptist Church of Wellington. Brother Gaston has been in the ministry 15 years and all of this has been spent serving churches in Texas. His family consists of his wife and children. Rev. Gaston received his education at DePaul Baptist College, Houston, Payne College and Southern Baptist Seminary. Directing the music for the revival will be Phil Smith, who is no stranger to the resi-

Kelton School

The Board of Trustees of Kelton Ind. School District announces a Board of Education Meeting at the school August 16th at 9:00 A.M. to 5:00 P.M. The public is invited to attend.

McFarren, Superintendent of Kelton I.S.D.

The Special Session in Austin

Representative Malouf Abraham As we go into our third week things are getting hot and heavy down here in Austin and the sparks are flying. The Budget and the Tax Bill are over in the Senate and the arguments are under way.

They passed a Budget of about \$5.8 BILLION for the next two years. This is an increase of \$2 BILLION over the bill only four years ago--over 50 percent. There were 17 of us who voted against it.

Then they passed the Tax Bill which raises around 325 MILLION DOLLARS, but I am happy to tell you that there were 59 of us who voted against it. Frankly, I thought we would be lucky to get 35 votes.

I have taken the position of not voting for ANY new taxes unless they will reduce the proposed budget. I think all of us realize that it does cost more money to operate our state government. We have increased the teachers' salaries, established new colleges, medical schools, dental schools, additional facilities for mental health, etc., and many other things that I feel we need.

However, I think that there are a number of other places where we could cut our spending. Even Washington has tightened their belt in several areas. I need to know if you feel the same way as I do or not. Just one item gives 200 people raises of \$2,000 per year, which comes to nearly \$800,000 for the two years. So, let me know what you think as it is a pretty lonesome feeling to be bucking the pressure if you don't know whether your people are backing you or not.

I am hopeful that the people all over Texas will be upset enough so they will write their Representatives about holding the costs down, so that we can cut down on the amount of new taxes. That's probably wishful thinking on my part.

I am proud of the fact that I have the smallest expense account of the 150 members. I have a credit of over \$7,000 which is more than half the salary I have EARNED down here. Been thinking that I would go down and get \$7,000 worth of stamps and trade them for a Cadillac. However, on second thought maybe you would rather that I deprive myself and keep on trying to save your money.

Food Is Today's Best Purchase

"... Food is today's best buy. The cash register tape from the supermarket keeps going up but so does the number of non-food items. For example, my "grocery" bill recently was over \$24. This included: 59 cents, dog food--Rover used to eat scraps; \$1.79, bug spray--we used to swat, swat, swat; 20 cents, paper napkins--we used to have cloth and wash and iron; 89 cents, fabric softener--we used to hope for a windy day; \$1.59, band-aids and shampoo--we used to go to the drug store for these; \$3.75, thermos bottle and light bulbs--we used to go to a hardware store.

Deducting these, my grocery bill was less than \$16.

I spent time in the supermarket to estimate the floor space devoted to food, luxury foods and non-food items. I was amazed to discover that one-fifth of the area was used for what I call luxury and prepared foods. We, the consumers, pay for this preparation and should not include the wages of a hired girl in the cost of food as such. Two-fifths of the store area was filled with non-food items.

This leaves only two fifths devoted to plain foods and yet we all complain of the cost of these "food stores."

Many will think I do not use prepared foods, snacks, pop and candy, and non-food items. I do, but when I bring them home I break the bill down into the proper categories before listing it in the household account book which I have kept since 1959. This book shows that my food bill for 1969 was \$971.57 and the household items \$347.98, and for 1968 food cost \$975.65 and household items, \$725.62."

ACROSS the FENCE

by Max Hatter, County Agent

will perform Friday night Aug. 15 or Saturday night Aug. 16.

Hot and dry weather has cut our maize crop in half and cotton is blooming out of the top. My dad always used to tell us that cotton is pretty well through making when blooms are seen in the top of the plants. Leo Lamb, Wheeler, who we visited with last week, while making irrigation studies on his farm with our irrigation Specialist from Lubbock, says it is drier on his place than he can remember since he started farming. Those fortunate folks who are watering their crops find that the water is not going as far as it would if they had some additional help from mother nature. Some say they're just teasing the crops they water since they can't possibly supply it's needs.
 Looks like the folks in East and Central Texas helped turn down the Texas Water Plan. We hear that they didn't want us riding on their shirt tails. After all, they have most of the people in this state and most of the water along with the largest portion of the major industries which go hand in glove with the amount of water an area has. A lot of folks here took the vote here as handwriting on the wall that we need to develop all of the water resources we have here in the county not only for our future needs but for the future prospective industry that we would hope to secure. With prospects what they are for phasing out government subsidies on cotton and other programs, our agricultural economy could be in real trouble in the years ahead if we don't make long range plans for a transition today.

County 4-H Camp - The Adobe Walls Scout Camp west of Wheeler has been leased for our use August 19, 20, & 21. Every 4-H member should try to make plans to attend. A recreation based program centered around swimming, boating, volleyball and rifle marksmanship will be on progress on those days. A historical tour of sites that have had an important role in the development of Wheeler County is scheduled along with citizenship workshops. Registration will begin at 11 a.m. August 19. Members who plan to attend are urged to send in their pre-registration as soon as possible so that we might know how many people to prepare for.
 State 4-H Horse Show - Our twenty member mounted 4-H Precision drill team will be performing tonight at Sweetwater Texas. If we place, we

FIGHT BACK

NITROMITE

Fight the price/cost squeeze on your wheat with NITROMITE, Shamrock's fine brand of anhydrous ammonia. lush, high-quality forage (and plenty of it!)—an important factor if you plan to graze cattle this winter.
 And the cash crop? NITROMITE delivers the most usable nitrogen per dollar to help increase yields without increasing cost appreciably. So come harvest, even if prices are low, you make out. If they're good, you'll be the big winner.
 Put down NITROMITE now. It'll give you a fighting chance in the marketplace.

Etheridge Attends State Conference

AUSTIN--Harley H. Etheridge, of Briscoe and president of Wheeler County Association, was among some 300 local, district, and state leaders of the Texas State Teachers Association Presidents Conference here August 11-12 at the Terrace Motor Hotel.

Participants in the conference included TSTA state officers, committeemen and staff members, presidents from many of the 20 district units and 400 local associations of TSTA, presidents and executive directors of affiliate organizations, and invited guests from the Texas Education Agency and Teacher Retirement System of Texas.

Chief order of business was planning for the 1969-70 organization, activities, and objectives of the 123,000-member association of teachers, particularly as related to local associations.

Heading up the conference planning and direction were the TSTA state officers: Claude A. Hearn, Jr., of San Antonio, president; Jewell Harris of Abilene, president elect; and L.P. Sturgeon of Austin, executive secretary-treasurer.

Mr. & Mrs. W. R. Gibbs of Grand Prairie and Mr. and Mrs. Rayford Nickeles and sons of Dallas visited over the weekend with their uncle Mr. Ira Passons at Parkview hospital.

Mr. & Mrs. Shelby returned last Friday night from Duncan, Oklahoma where they attended the funeral of Shelby's brother-in-law, Mr. Dick Reeves.

Mrs. Eula Bradstreet, Mrs. Nola Wright, Mrs. Emma Connell, and Mrs. Myrtle Barker attended a singing Sunday afternoon in Welling-ton.

Annual Boy's Ranch Rodeo

The boys at Cal Farley's Boys Ranch are expecting a new record attendance for their 25th annual Boys Ranch Rodeo during the two performances that will be held over the Labor Day weekend, Aug. 31 and September, 1.

All of the Ranch's 348 boys will have a part in the rodeo with more than 100 riding professional rodeo animals under R.C.A. rules. Top honors will go to the Senior and Junior All-Around Cowboys with trophies also awarded to boys with the best rides on bucking brones, Brama bulls, steers, calves and stick horses.

Boys not competing in the rodeo arena will have jobs as ushers, chute helpers, concession helpers, or working at some assignment necessary to the rodeo appearance will be members of the Boys Ranch band under the direction of Mr. Richard Kidwell of the Amarillo Public Schools System.

For rodeo fans arriving early to picnic, giant-size barbecue beef sandwiches will be prepared and served for \$1.00. The barbecue concession is expected to be one of the biggest attractions of the rodeo. The only outside participation in the rodeo will be riding clubs of the area appearing in the Grand Entry. The Boys Ranch Rodeo is considered the only one of its kind in the nation.

Advance tickets for either performance at 2 P. M. on Sunday and Monday are available at the Boys Ranch office, P.O. Box 1890, or by calling 372-2341. Reserved box seats are \$2.50. General admission is \$1.50 for adults and 75¢ for children and servicemen in uniform.

Registration Date Is Announced

The Registrar's Office of Clarendon College has announced that pre-registration of students will be held during the period of September 2 to September 13. Office hours will be from 9:00 to 5:00, Monday through Friday, and 9:00 to 12:00 on Saturday.

The purpose of pre-registration is to allow students to complete their class schedules prior to the time of regular registration. Such an arrangement is an advantageous one, particularly for the student who often feels bewildered and frustrated with his enrolling in College. It also allows ample time for consultation and insures his admittance to classes which might otherwise already be filled or closed.

Mr. Leonard Selvidge, Registrar, advised all freshman students to take advantage of this convenience offered by CLARENDON COLLEGE and complete their pre-registration before the September 13th pre-registration deadline. MOST IMPORTANT--Veterans that will attend school this fall on the G. I. Bill will need to take advantage of this pre-registration.
