Wheeler's Mustangs scored three plays deep in the game and then added an insurance touchdown in the second quarter to whip the McLean Tigers and continue undefeated in district play.

Getting some measure of revenge for the defeat handed them last year by the Tigers, the Mustangs were in command of the game but did not escape without some tense moments.

Fans had hardly settled in their seats following the pre-game ceremonies until the fast charging Mustangs had racked up points on the board.

Steve Simmons almost broke loose on the opening kickoff but was knocked out of bounds at the McLean 43 by the last man that had a shot at him.

Roy Don Chick got 4 at left tackle and then sped for 23 more at the opposite tackle. That put the pigskin at the Tiger 16 and then Dave Britt, who ground out 111 yards for his night's efforts, found a gaping hole at right guard and put the last Tiger defender in the end zone with him as he got the TD with just a minute and ten seconds having elapsed.

Keith Wood's kick was no good and the score remained 6-0.

McLean came right back to break Dennis Dunning loose for 27 yards after the kickoff to give the Tigers some hope. This was all the Tigers could get and they were forced to punt to the fired up Mustangs.

The Tigers had a good opportunity to at least tie the game when they recovered a fumble by Chick at the Mustang 22 but the tough Wheeler defense let them have only 7 yards and took over at the Mustang 15.

Methodically grinding out yardage, the Mustangs drove to the Tiger 30 before the Tigers stiffened and forced the Mustangs into a kicking situation.

Wheeler got back in the scoring business midway of the second quarter when Chick recovered a fumble at the Tiger 24. The Mustangs moved to the 5 and faced fourth down at that point. Rodney Weatherly got 4 yards on a quarterback sneak for a first and goal at the Tiger 1. Dave Britt got the call and went over for his second touchdown with 4:07 to play in the half. A pass was no good for the two point try.

Sensing that the Tigers might be a little down at this point, the Mustangs went for the kill on the kickoff and tried an onside kick.

This maneuver almost backfired as the Tigers recovered at the McLean 48 just in front of two hard charging Mustangs.

A pass from George Danner to Steve Thacker got 22 big yards to the Mustang 30 but that was as far as they could go and the Mustangs took over with 59 seconds left.

Both the Mustangs and the Tigers made one serious threat in the second half, both coming in the fourth quarter, but neither team was able to cash in.

The Mustangs got the ball at the Wheeler 40 with just under four minutes to play and used a 13 yard gainer by Britt and a 19 yard scamper by Chick to get the big yardage down to the Tiger 24.

At this point the Mustangs sent in the reserves and the over anxious young men were guilty of an illegal procedure call on the first play. The Tigers broke through to down Gary Fischer for a 6 yard loss to halt this final Mustang threat.

McLean took over at their 13 after a short field goal try by Woods and proceeded

to drive to the Mustang 18 in the final two minutes.

MUSTANGS TO FACE COWBOYS FRIDAY

Seeking their third district win, the Wheeler Mustangs will face the threat of the Happy Cowboys Friday night.

Coach Bill Harle's visiting Cowboys will be trying to bounce back from a thumping administered to them by Clarendon last week and would like nothing better

than to blunt the hopes of the Mustangs.

Happy has had an in and out season and at times has played real good football and there is no doubt that they will play one of their better games of the season against the Mustangs.

It was just last year that the Mustangs came from a

12 point deficit to defeat Happy and keep their district hopes alive.

Physically, the Cowboys will field the biggest team the Mustangs have faced and have two fine running backs in House and Garcia.

The Wheeler coaching staff was pleased with the play of the Mustangs in their win over McLean but the film showed several areas where the Mustangs will need to continue to improve.

Game time for the Happy contest is 7:30 P. M. and people are urged to come out and support the Mustangs.

LOCAL ARTIST EXHIBITS LOCAL PAINTINGS AT ELK CITY IN OCT.

On exhibit at Old Town Museum during the month of October are oil paintings by Dale Rogers of Wheeler.

Rogers, a freshman student at Southwestern State College, began his art training with private lessons from Mrs. Mildred Wofford, of Wheeler.

He has collected many ribbons and trophies for his art work over the past eleven years. He especially likes western art.

Rogers participated in football at Wheeler high school where he was also artist for the annual staff for three years. His hobbies are fishing, hunting and exploring for western artifacts. He has a twin brother, one other brother and one sister. He is the son of Mr.

and Mrs. Joe D. Rogers of Wheeler.

The public is invited to view the paintings during museum hours Tuesday through Sundays. The showing is sponsored by Southwest Art Guild.

Colts Lose To Clarendon Tues.

A cold rain added to the discomfort Tuesday night as the Wheeler Colts closed out the 1969 season with a loss to Clarendon 20-0.

A costly fumble by the Colts at their 18 led to one of the Clarendon touchdowns in the first half.

The Colts took the opening kickoff and drove to the Clarendon 35 where a fourth down effort fell inches short and snuffed out a promising drive.

Host Clarendon made their only sustained drive of the first half following this and the 65 yard march to paydirt was culminated nine plays deep into the second period.

The Colts lost their first fumble at the 18 and took Clarendon only one play to get into the end zone following a 15 yard fine back to the 34 for holding.

An end around completely fooled the Colts and the quick touchdown gave Clarendon a 14-0 lead at halftime.

Clarendon took the second half kickoff and put the game out of reach for Wheeler as they drove 65 yards for their touchdown. When the run for the two points failed, Clarendon had their final 20-0 margin with 2:55 to play in the third period.

Fighting back, the Colts drove to the Clarendon 2 yard line with Kent Ware finding lots of running room up the middle. The fumble bug hit the Colts on the drive but Larry Rives recovered a bobble by Rusty Cole to keep the drive going.

On fourth down at the 2, the Colts called on Lewis Britt but Clarendon was reading his mail and dropped him at the line of scrimmage to blunt the Colts' deepest penetration.

The clock ran out with the Colts trying to get on the board again at the Clarendon 30.

Rusty Cole gained 87 yards to lead the Colt ball carriers.

RABID SKUNK ATTACKS CAT, DOG IN TWITTY AREA LAST WED.

A family dog and cat were attacked Wednesday night (10-22) in a Twitty backyard by a skunk which was found to be rabid by the laboratory of the Texas State Department of Health in Austin. The exposed pets are receiving anti-rabies treatment at the present time.

The County Health Officer asks all local citizens to be extra alert in observing behaviour of all warm-blooded animals and report any abnormalities to officials. Odd acting wildlife, particularly predators, should be destroyed, while exposed pets and livestock should be vaccinated. The immunization of dogs and cats against rabies is very effective and economical and all owners are urged to have pets vaccinated.

In case of human exposure, suspect animal animals should be placed in observation immediately by a qualified veterinarian, and the person bit, must be kept under

Okl. Man Killed In 1-Car Accident

A Sayre, Okla. man was killed and four other injured last Thursday night in a car turnover 1.1 miles west of Wheeler on highway 152.

Killed after being thrown from the vehicle he was driving was Jimmy White, 22.

Treated and released from Parkview Hospital was Samuel Dewayne Hass, 25; Danny Carl Quinn, 23; Stanley Ray White, 19; and Dale Wade Quinn, 18, all of Sayre.

Investigating Highway Patrolman Wayne Pierce said the accident occurred about 7:40 p. m. after White apparently lost control of the car. The vehicle according to Pierce, left the roadway and overturned about one and one-half times throwing White and Hass, both in the front seat, out of the car.

Pierce said the vehicle rolled over White. Wright-Denson ambulance took the four injured men to the hospital.

Sgt. K. Abernethy Goes Overseas

Sgt. Kenneth Abernethy of the U. S. Marines left Saturday for a 13-month tour of duty in Okinawa and Vietnam. Sgt. Abernethy had just completed an N.C.O. School in Cherry Point, N.C.

The Sgt. received a commendation and awarded a plaque by the commanding officer for finishing the school as top man in the class.

Kenneth has been in the Marines two years and has two more years to serve.

Kenneth is the son of Mr. and Mrs. Garland Abernethy and is married to the former Judy Martindale of Shamrock. Judy will remain with her parents, Mr. and Mrs. Bart Martindale and her husbands parents while Kenneth is serving his country overseas.

Sgt. Abernethy and his wife had spent the past 30 days on leave with their parents prior to going overseas. Kenneth has compiled a fine record in his two years as a Marine. He was guideman of his platoon in boot camp. He attended two electronic schools prior to the N.C.O. school and finished as top man in each. He was NCO in charge of a radar emplacement at Beaufort, S.C. prior to attending the N.C.O. school.

Kenneth is proud of the Marines and his Country. He states there may be quite a few things wrong in this country, but it is still the best country in the world and he is ready and willing to fight for it.

Youth to Knock On Doors Sunday

Wheeler youth will be knocking on doors Sunday, Nov. 2 beginning at 6:00 p.m. to help stop hunger through CROP, the community hunger appeal of Church World Service.

The M. Y. F. representing First Methodist Church in Wheeler will be involved. Calling themselves "Youth In Action," these volunteers are sponsored by the First Methodist Church and will be wearing CROP "help stop hunger" identification tags. Collected funds will be given to CROP which sends food and supplies to hungry people in more than 30 countries through Church World Service. High protein foods are shipped to victims of war or disaster, primarily to nursing mothers and children. CROP also provides supplies and equipment, as well as funds, to attack root causes of hunger. For example, special assistance is given to develop water resources, or to provide fertilizer or higher-yielding seed. CROP also supports family planning clinics.

The Lionettes team consists of the following players: Forwards: Jan Matthews, Jane Matthews, Melinda Krug, Lydia Castro, Marla Calcote, and Della Castillo. Guards are: Nancy Giddens, Gloria Castro, Patti Heard, Elaine Bryant and Glenda Lister. Composing the Lions team are the following boys: J.C. Brooks, Wayne Wheeler, David Killingsworth, Mark Burrell, Johnny Williams, Randy Lewallen, Randy Williams, Mike Welty and Keith Krug.

Mrs. Fred Wood returned back to teaching Monday after a two week illness.

Mr. and Mrs. Louis C. Stas and children, Mrs. Ella Mae Evans and children and Inez Erwin visited over the weekend in Calcumet, Hinton and Oklahoma City with the Eugene Stas's, Francis Porters and Bill Raulstons.

Southwestern Public Service Co.'s area development department includes in addition to Schofield, R. K. Owen, area development manager; Larry Milner, industrial development manager; and Sam A. Thomas, Jr., agricultural development manager. All members of the department are available to work with the communities and industrial development organizations in the company's four state service area.

Mr. C. O. Killingsworth is shown admiring the use that some steers are making of weeping lovegrass in a pasture on his farm east of Wheeler. The Ermelo variety of weeping lovegrass was seeded in the latter part of March, 1968 in accordance with specifications of the Soil Conservation Service as stated in his Great Plains Conservation Program contract. The grass was fertilized this past June with about 100 lbs. of 16-20-0 fertilizer per acre. There has been about one animal unit (equivalent to a grown cow) grazed to about two acres from January to the present time. The cattle have made good gains. There has been about 35 to 40% of the forage used. The grass is in good shape.

Meeting to be held at Shamrock

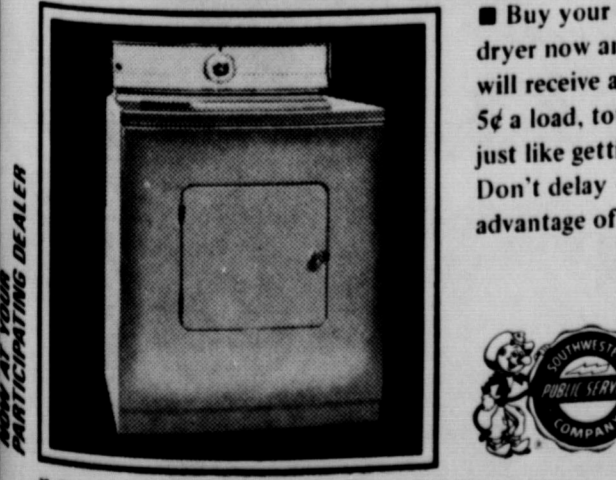

All elected officials and other interested persons within a seven-county area of the eastern Panhandle are invited to attend an information meeting in Shamrock on Thursday, Nov. 6, for the purpose of considering the formation of a Regional Planning Commission or Councils of Government (COG). The meeting is scheduled for 2 p.m. in the Shamrock High School cafeteria. Guest speaker will be Dan S. Petty, who works out of Governor Preston Smith's office in Austin as Coordinator of Regional Planning. Counties to be represented are those which comprise the proposed North Rolling Plains Resource Conservation and Development project. Several Regional Planning Commissions have already been formed in Texas.

Allison WSCS

Allison WSCS met on Oct. 15, 1969 in the home of Mrs. Madge Duke with the President Mrs. Rex Miller, presiding.

A group song "This is My Father's World," was followed by prayer.

Plans were completed for our Annual Harvest Supper which will be held on November 10 in the Church basement at the Allison United Methodist Church.

Our meal will be served from 5:30 p.m. until all visitors are served. The cost will be \$1.25 for adults, 75¢ for children under 12. All those who enjoy good food and good cooking are invited to join the Society that Monday evening for a delicious meal. Bring your family and join your friends for a meal away from home.

Other business included final plans for observing Week of Prayer and Self Denial culminating in a program and meal for the members and their husbands.

In the absence of our study leader, Mrs. Lee Kiker, the president began our book study of China by asking each member to answer roll call with "Something I know About China."

Those helping to complete the first lesson of the study were: Billie Dollar, Edith Donaldson, Iris Glisan, Edna Begert and Madge Duke.

Refreshments of three kinds of homemade cookies, ice cream, tea and coffee were served to 14 members. Those present were Mmes. Blanche Begert, Shelton, Harrison, Black, Josephine Begert, Glisan, Donaldson, Edna Begert, Miller, Parker, Fillingim, Lohberger, Dollar and the hostess, Mrs. Madge Duke.

Across the Fence

By Max Hatter, CAA

Wet weather kept farmers out of cotton and maize fields last week. We need drying out weather badly to get our combines and strippers in the fields. Reminds us of that old poem my English teacher made us learn about the Frost is on the pumpkin and the fadders in the shack. The only catch here now is that we have not had a chance to get our crops in.

Livestock Scale Owners: Several ranchers have remarked to us that the Texas Department of Agriculture scale inspectors have not been by to confirm the reliability of their scale weights. Since a small discrepancy can mean the loss of many dollars, when calves are weighed, we contacted the Lubbock branch of the Texas Dept. of Agriculture to see if we could get help. Their truck will be in Wheeler County this week. We have a list of scale-owners six years old and intend to direct the scale checkers to those who wish to have their scales checked. If you have a set of ranch scales that you want to have checked, please let us know and we will try to see that Mr. Ivie comes by.

With cooler weather, winter feeding will be in full swing. As a result, we've had a number of inquiries about feeding cottonseed to cattle. We understand whole cottonseed may be used as a source of protein and energy when the price of a pound of cottonseed may not exceed the cost of two-fifths of a pound of cotton seed meal and three-fifths of a pound of ground sorghum grain.

Cottonseed is a 20 percent crude protein feed. Four pounds of seed will furnish as much protein and more than twice as much energy as two pounds of 41 percent cottonseed meal. But no more than four to five pounds of cottonseed should be fed daily per head to mature cattle. If cattle are fed too much cottonseed, they may scour badly due to the high oil content of the seed. There is no advantage in grinding cottonseed when feeding it to cattle. The way we figured it, it would cost a little less than half as much to feed cottonseed at today's prices as it would cottonseed meal and maize. If energy was what we needed to get course range grasses eaten, cottonseed might be out solution.

4-H Recognition Program:

We're looking forward to a real fine program at the National Guard Armory in Shamrock on November 8. Several hundred 4-H award winners, donors, 4-H parents leaders and honored guests will be attending. Barbecue will be served to nearly 100 4-H award winners courtesy of the Shamrock Chamber of Commerce.

Four-H adult leaders in District 1 of the Texas Agricultural Extension Service will conduct a forum in Amarillo Nov. 10-12 aimed at bettering 4-H and expanding opportunities for 4-H activities.

Five adult leaders from each of the 22 counties in the district may attend the three-day session. This number will include the two county delegates who are members of the District 4-H adult leaders association. Executive officers of the association may attend in addition to the five leaders.

An outstanding slate of speakers will be on hand at the forum. They include Dr. L. S. Pope, associate dean of agriculture, Texas A & M University; Mrs. Jayne Jayroe Petersen, Miss America for 1967; and Reagan Brown, Extension Sociologist, Texas A & M.

Also Bill Sarpaluis, Boys Ranch, Clarendon College; Bob Wear, minister, Crescent Park Church of Christ, Littlefield; Mrs. Milton McGehee, past president, Texas Home Demonstration Agents Association; and Dr. Edward Schlutt, associate state 4-H leader, Texas A & M.

Several adult leaders and county Extension agents will also speak during the conference. In addition, four outstanding 4-Hers from the district will present their views on the benefits of 4-H club work. They are Ronnie Enns, Dallam County; Rebecca Hutchison, Hansford County, Jimmy Eggleston, Lipscomb County and Joyce Bezner, Deaf Smith County.

Also featured during the forum will be group assemblies and group discussions and reports as well as skits and recreation.

The three-day parley will be held at the Episcopal Church Conference center in Amarillo with registration beginning at 9:45 a.m. on Nov. 10. The program will conclude at 3 p.m. on Nov. 12.

The association's officers are Richard Sell, Booker, chairman; Charles Sheldon, Dumas, vice chairman; and Mrs. Aubrey Rasor, Gruver, Secretary.

Other members of the executive committee are Mrs. Jones Hales, Canyon, Mrs. Jeff Puryear, Briscoe, Mrs. Bill Simpson, Hereford and Troy Chisum, Dalhart.

Association advisors are District Agents, Mrs. Sue Farris and W. W. Grisham, Jr. of Amarillo and Miss Vivian Warminski, Hansford Co. H.D. agent and Ray Burrus, Lipscomb, Co. A.A.

In this picture you see Tom Puryear assisting construction contractor install a pipe in his farm pond. Notice the round disc type objects welded onto the pipe. These are anti seep collars that prevent water from finding its way down the outside of the pipe and eventually washing out the dam. This pond will furnish sufficient water for livestock that formerly did not have adequate water. It also cause livestock to graze the pasture more uniformly. Design and layout of the pond was by Soil Conservation Technicians that assist the Wheeler County Soil and Water Conservation District.

Will It Happen Again Next Spring?

PLOWDOWN NITROMITE THIS FALL

If the big rains come again next Spring, you're safe — with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last-minute rush.

Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.

The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE. Shamrock's fine brand of anhydrous ammonia — 82% nitrogen for bigger, high-protein yields.

Fight back. Fight for your share of the big payoff next year. PLOWDOWN NITROMITE THIS FALL.

Several from Allison at-
tended the funeral of Patsy
Hartley at the community
building in Reydon, Friday
at 2:30. Mr. and Mrs. Joe
Dukes, Mrs. Mike Dyer and
Miss Suzanne Lohberger help-
ed with the music.

Dinner guests in the Lloyd
Jones home Sunday were Rev.
J. I. Hearndon of Wellington,
Bill Donaldsons and Lee
Halls. Afternoon visitors
were Kenith Jones and family

Jamie Duke returned Satur-
day from Parkview Hospital
after being treated several
days for third degree burns
on her face and hands, suff-
ered when she overturned
her walker on to the heating
furnace at her home. She is
the small daughter of Mr. and
Mrs. James Duke.

Mrs. Ina Fae Brown and
daughters of Elk City spent
from Wednesday until Sunday
with her mother, Mrs. Bessie
Megee. Mrs. Megee had been
staying with her daughter
several days helping her out
while she was recovering
from her recent illness and
surgery.

Mr. and Mrs. Bruce Harrison
and Hershall Sanford accom-
panied by Mrs. Grace Henson
of Amarillo and Rev. and
Mrs. Oscar Welch spent a
few days in St. Louis, Mo.
at the annual conference of
the United Pentecostal Church.

Bob Markhams and George
Parkers visited Clyde Pryon
at Cordell, Okla. Sunday.

Mr. and Mrs. Eldee Forsyth
from L. A., Calif. visited
friends here last week on
their way to Oklahoma City
to visit her mother, who is
critically ill. Mrs. Forsyth
remained in the city with her
mother and Eldee flew back
to Calif. He died soon after
reaching home of a heart at-
tack. Funeral services will be
Tuesday in Oklahoma City.

The Forsyth family lived here
a number of years and he was
an Allison graduate. He has
a surviving twin sister, Mrs.
Elvee Turlington of Pampa.

Joe Whittens of Amarillo
spent Saturday night in the
parental Millard Donaldson
home.

Mrs. Boyd Huff and Mrs.
Leldon Harrison attended a
workshop meeting of the P-TA
at Waka, near Spearman, Mon-
day of last week. Mrs. Huff
is president of P-TA this
year.

Mrs. Loretta West from
Erick, Okla. visited her daugh-
ter, Mrs. Hiram Begert and
husband, Sunday and all
were dinner guests in the
Bill Begert Home. Bill spent
the weekend in the Newman
Hospital at Shattuck for
tests and observation. Other
visitors in the Begert home
were Leonard Powledges and
Mrs. Comfort

Winders and Todd of Gruver,
Clifton Boydsons and Blan-
che Begert.

Mrs. Louise Bowers and
Mrs. T. Pearce of Pampa
visited Blanche Begert last
week.

Mrs. Ronald Chadwick and
children spent the weekend
at Wichita Falls with her hus-
band conducted a revival at
the Baptist Church there last
week. They returned to All-
ison Monday. Rev. J. I. Hearndon
preached in the absence of
the pastor.

Rev. George Joyce and

family from Canadian were
dinner guests in the C W
Boydston home Sunday. Rev.
Joyce filled the pulpit for
the pastor while he was at
conference.

Kenneth Chandlers visit-
ed his father, Frank Chan-
dler at Northwest Texas Hos-
pital in Amarillo Sunday. He
is recovering nicely from re-
cent surgery.

Mrs. Carolyn Boydston re-
turned home Saturday from
Shamrock General Hospital.
Jessie Hall returned to
Parkview Hospital last week
for treatment.

Mr. John E. (Jake) Allen is shown as he looks at an
excellent stand of seeded native grasses on his farm south-
west of Mobeetie, Texas. Jake seeded this grass in a
prepared dead litter cover of sorghums the first week of
May, 1968 in accordance with specifications of the
Soil Conservation Service as stated in his Great Plains
Conservation Program contract. This is a very good overall
stand. Bill Brooks, District Conservator with the SCS
in Wheeler said, "This is about the best stand of native
grass I have seen in this short a time. It usually takes
from three to five years to get this much grass of so many
varieties."

FROM LAST WEEK . . .
**Boy Scouts Have
Cookout at Bridge**

Boy Scouts of Troop 72
in Wheeler had a cook-out at
Magic City bridge for their
meeting last Tuesday even-
ing. Adult leaders Bill Brooks
and Wayne Edwards enjoyed
the campfire, chili dogs,
marshmallows, potato chips
and soft drinks with the
scouts.

Patrol leader Wyatt Brooks
prepared a ceremonial (or
friendship) fire lay. Assistant
Patrol leader, Marty Edwards
demonstrated the lean-to-fire
lay and the fire-stick fire lay.

Other scouts attending were
second-class scout Bill Ar-
ganbright, Scout Jerry Earle,
Scout Genaro Martinez and
recruit scout, Joe Smith.
