I had a new experience last week; and that was going to Booker, Texas for the first time. There are really a lot of friendly people here in the Panhandle, no matter which town you are in!

We are all proud of the Wheeler County 4-H'ers and the way they represented us at the District 4-H Eliminations Contest held Saturday, May 1, in Canyon. The Senion 'Share-the-fun' act won first place and will be eligible to go to the State Competition held each year during 4-H Roundup at Texas A & M. The members of this act, coached

by Mrs. Evert Smith, are Clinton McPherson, Scotty Arnold, Dwight Smith, Billy Bob Seeds, Johnnie Porter, Jeannie Featherston, Pat Reneau, and Bill Franklin all of Shamrock.

Karen Porter and Kevin He fley, both of Shamrock, won first place in their divisions of the Public Speaking Contest. They will also go to Roundup in June.

Several of the Wheeler County 4-H'ers that were in the Junior division, also placed in the District Contest. Brenda Bryant, from Kelton, won a blue ribbon for her Money Management Demonstration. Steve Gaines from Wheeler, placed second with his Natural Resources Demonstration. Charlotte Smith, of Shamrock

placed third in the Junior Division of the Public Speak-

ing Contest. Congratulations to all Wheeler County 4-H'ers, those who placed in the District Contest and those who did not. We are proud of you!

Those of you who missed the program given by Patsy

Britting on "Mental Health" April 24, really missed a good one!

Mrs. Britting (formerly Patsy Ramsey) grew up here in Wheeler County and graduated from high school at Briscoe. Her parents now live in Wheeler.

Patsy brought out some interesting pointd about mental health. She said
