## ANNUAL RODEO SLATED FOR AUG 19-20-21

### ATTENTION! WHEELER EX-STUDENTS AND TEACHERS

August 21, 1971 is the date of our biannual Reunion. Mark this date on your calendar and please try to attend this Reunion. Many people travel a long distance to see old friends and they expect the local people to be so they can visit and reminisce. Anyone who would like to have Open House Saturday evening at 8:00 p.m. the date of the Reunion, please contact Adrian Risner. Everyone is welcome to come and visit and attend bar-b-q whether you are a Wheeler "Ex" or not. Many have friends and acquaintances among the "exes" with whom they would enjoy visiting. The days activities begin with registration from 9:00 until 4:00 p.m. and end with Bar-b-q supper served by Dyer's from Pampa from 5:30 until 7:00 p.m. Open house will be in local homes beginning at 8:00 p.m.

The Annual Wheeler Rodeo has been rescheduled for Thursday, Friday and Saturday, August 19-20-21. The rodeo was previously planned for July 15-16-17 and postponed by the VEE quarantine placed on horses Wednesday, July 14. The parade is slated for 4:00 P.M., followed by the annual free barbecue. Rodeo fans in Wheeler will have their first opportunity to use and enjoy the all-new Rodeo arena now being completed. The number of riding clubs, wagons or commercial floats to appear in the parade is not complete. Stanley Baker is parade Marshal for 1971.

It will be time to eat at 6:00 P.M. Thursday with the crowd gathering at the rodeo grounds. About 1500 people are expected to be holding out their plates as they go through the chow line for barbecue beef, sauce, brown beans, onions, pickles, peaches, bread and ice tea or coffee. 1400 pounds of beef was served last year to the 1450 people attending the first performance of the Wheeler Rodeo. Six rodeo events are slated for the three nights of rodeo.

The first event of the event of the evenings will be Bareback bronc riding. Other events are Calf Roping, girls barrell race, bull dogging, bull riding, head ing and heeling. The evenings events begin each evening at 8:30 P.M. The books will open for entries at 1:00 p.m. August 17. Rodeo headquarters will be Farmers Supply—phone 826-3215. Books close 12 noon August 19.

Producing the rodeo again this year will be Charlie Plummer, Jr. of Elk City, Okla. Rose Plummer will serve as secretary and Hack Webb will be the announcer for the three nights of performances. Riding club officers are Gerald Johnson, president; Darrell Moore, vice president; and Terry McCasland, secretary. Serving on the board of directors are Charles Moore, Larry Finsterwald, Charlie Brown, Fat Jones and Delbert Thomas.

### SOUTHWESTERN PUBLIC SERVICE IS CELEBRATING FIFTIETH ANNIVERSARY

How does a company decide when it is going to celebrate its 50th anniversary year? In the case of Southwestern Public Service Company, the decision was made late last year by the simple expedient of impressing the corporate seal on a piece of plain white paper. When the resulting impression read, "Incorporated, 1921", 1971 became the electric company's golden anniversary year. Up until that decision making moment, five different years could make some kind of a case for being the birth year, with one of them going all the way back to 1894. The others were 1904, 1925 and 1942, and the winner, 1921.

1921 won the battle because, in addition to being the year that came up on the seal, it was also the year of organization of the company which, 4 years later, took on the name of Southwestern Public Service Company. The 1921 company which became today's Southwestern, was the Roswell Public Service Company. Among its incorporators was Hi Dow, well-known New Mexico pioneer and a director and general counsel for Southwestern Public Service Company until his death in 1969.

The name change to Southwestern Public Service Company came in 1925, which was also the year that expansion began with the purchase of electric systems in Artesia and Carlsbad. 1925 was also the year the company first began operations in Texas, with the purchase of the electric systems in Amarillo, Pampa and Panhandle.

### READY FOR ACTION: The all new Steel Rodeo arena has been completed and is waiting for the first of the three days of rodeo.

The rodeo has been rescheduled for Thursday, Friday and Saturday, August 19-20-21. All three performances will begin at 8:30 P.M.

### Moore Family Reunion Held Sun.

The Moore Reunion was hosted in the home of J.C. Moore Jr. What with aunts, uncles, brothers and sisters; first and second cousins; grandsons and great-grandsons and a few friends brought along 93 attended the reunion, or should I say clan. Because of the number to attend it was decided to cater the meal rather than each family bringing food, as in the past. This simplified matters for those families coming from out of town. After everyone had arrived and the food was set up in the back yard everyone formed a large circle and held hands while we ask the Lord to bless our food. This large circle would have been a delight to any small child who liked to play "Drop the handkerchief". Aunt Bam, one of J.C. Moore's Sr. sister from Illinois started at the head of the serving line. It seems that the Lord chose to bless our food with rain. Several had already been through the line were seated at card tables scattered around the back yard. Others were just beginning to fill their plates. When the sprinkles increased to a steady down pour. People picked up their plates and darted toward the little pink house in the back while others who waiting to be served quickly gathered chairs and card tables to set up inside the pink house. By the time some reached the house hair and clothes were very wet. It was very evident who had a permanent or a rinse on their hair, if their hair got very wet. Luckily some large plastic sheets

were found to cover the food before very much rain fell. Despite the fact that heads were wet and clothes were wet or damp, it did not seem to dampen the spirit or fellowship of everyone. It was nothing unusual to hear one person ask another "Who is she or who is that man?" Many had married and had families since attending their last reunion. There were three sets of twins represented and a photo was taken of them together. They were Bess and Jess, Sherry and Jerrie and the six months old boys of Eileen Moore Huyck, Sheldon and Glen. The adults were asked to sign their name and a line or two in a letter to Aunt Maud, another sister of J.C. Moore Sr., who is now in a rest home. Those who attended the reunion are the following: Mrs. Bam Hufendick; Laura Illinois; Lou and L.S. Moore; Godley; Roy and Mattie Coder; Alede; Betsy and Tom and children, Alede; Mr. and Mrs. Charles Hubbard, Amarillo; Ila Mae and Earl Porter; Mineral Wells; Mr. and Mrs. Bruce Hubbard and Ted; Amarillo; Bonnie, Melinda and Anjani Gold, Canyon; Mr. and Mrs. Dick Pendleton; Jackie, Mitsi, Jennifer, Melanie and friend Charlie Taylor, Wellington; Ida and Deb Bawcom, Littlefield; Beckie and Lawrence Nickles, Jeff, Littlefield; Larry Nickles, Portales, New Mexico; Mr. and Mrs. Raymond Moore and granddaughter Julie, Kelton; Mr. and Mrs. Lee Moore, Beverly, Dalhart; Linda Moore and Jerry Bruton, Lubbock;

## PAT'S PARAGRAPHS

light bulb from any viewing angle. A good shade should also throw some light upward as well as down over the study area.

Placing the light source about 15 inches above the desk top can be soft shadows. Put the lamp on the left side for a right-handed person and the other way around for left handers.

Increased wattage merely multiplies the problems of glare, shadows, and contrasts; so the most efficient lamp isn't necessarily one with high wattage.

The Better Light - Better Sight Bureau places a certification tag on lamps that have passed rigid tests and rechecks.

Choose a light-hue, non-glossy, desk top or table top - it reduces glare and con-

trast. A large ink blotter can serve this purpose.

I came across a poem that has a lot to say. The name of the author was not given, but I would like to share it with you.

ABOUNDING FAITH—in God—in fellow men—yourself—your job—I asked for strength that I might achieve;

He made me weak that I might obey. I asked for health that I might do greater things.

I asked for riches that I might be happy; I was given poverty that I might be wise.

I asked for power that I might have the praise of men; I was given weakness that I might feel the need of God.

I asked for all these things

that I might enjoy life; I was given life that I might enjoy all things. I received nothing that I asked for, all that I hoped for.

My prayer was answered! Here's a good Banana pie recipe.

**GLAZED BANANA PIE**  
1/2 cup sugar  
2/3 cup water  
1 tablespoon cornstarch

1 tablespoon butter

Select firm, ripe bananas and fill and 8" baked pie shell with banana slices. Cover the bananas with the glaze and top with whipped cream. Make one 8" pie.
