## **BRANDS MUST BE REPORTED**

All brands and marks on Texas livestock must be recorded with County Clerks after August 30, 1971, acwill not be served in the caf- cording to a new law passed

brand and mark in the county, then the person who has been using such make and brand the longest shall have the It should be noted that it is llegal to brand livestock without first properly recording the brand with the County Clerk in the county in which the livestock are held. When the brand or brands are recorded, the location on the animal on which the brand is to be applied must be desighated. If the brand is to be applied to more than one location on the animal, it must be so recorded and each additional location tor the brand on the animal shall constitute a separate recording of that brand. There is no limit to the number of brands and/or marks which may be recorded in a county by a person as long as requirements of this law governing the recording and rerecording of livestock brands are met. Minors may have marks or brands separate from that of the father or guardian, which must be recorded or rerecorded as provided by the new law The County Clerk of each county shall have this act published in some newspaper of general circulation in the county for a period of 30 days The act shall be published on the effective date, August 30, 1971, and thereafter for 30 days. It is the obligation of the County Clerk to assure that no more than one brand of a kind be recorded on the same location on the animal in each county. Therefore, no two people in a county may record the same brand in the same location. It is also the responsibility of the County Clerk to make certain that in recording any brand for a person, that the part of the animal on which the brand is to be placed be designated. Failure to do so is punishable by a fineable offense of not less than \$10 or more than \$50 (Article 1486 P.C.) The law as outlined above applies to all counties in the state of Texas and shall take precedence over any special statutes heretofore applying to individual counties pertaining to recording and rerecording of brands.

eer Natural Gas Building in Pampa, Texas, Sunday, Aug. follows; Mr. and Mrs. Clarence Smith-Clovis, N.Mexico, 8, 1971. This reunion started many many years ago as the Mr. and Mrs. Elvoid Callan-11 children and their families Pampa, Texas, Mr. and Mrs. of Mr. and Mrs. John Alex-Mr. and Mrs. Milton Lilesander Callan began an annual Wheeler, Texas, Mr. and Mrs. get together. Autor Cox-Oklahoma City,

After Mr. Callan passed away in Dec. 1944, the re-Okla., Mr. and Mrs. William union continued and so did Riley-Elkhart, Kansas, Mr. the increase in new family rock, Texas, Mr. and Mrs. members. In Jan. 1960, Mrs. Martin V. Callan-Wheeler, Callan passed away and by then the reunion had indeed grown quiet large. All the relations of the Callans' were included by this time. Many were afraid the annual William McQuistion-Borger, affair would be discontinued with the passing of Mrs. Texas, Mrs. Twila Brittain-Fritch, Texas, Mrs. Aleen Callan, but true to what had now become tradition, the Lou Miller-Wheeler, Texas, family continued to unite in Aug. of each year. as, Mr. and Mrs. Dean Bryan

Up until 1964, all 11 children of the J.A. Callans were living. On July 24, 1964, the oldest of the 11, Mr. Herbert Callan, of Shamrock, Texas passed away. With saddened hearts the family carried on with the reunion.

As each one gathered this year in happy reunion, a shadow was again covering

the hearts of all. The absence Pampa, Texas, Mr. and Mrs. of a beloved sister of the 11, Danny Miller and Shawn-Mrs. Vula Goodwin, of Dimmitt, Tex. brought sadness once more and aching hearts. Mrs. Goodwin passed away April 28, 1971. The loss of this wonderful woman is a great loss to the world and her family. Words could never tell how she is missed. How heaven must be rejoicing with the addition of this

loving soul. As everyone greeted each other this year, the women lucsily began to prepare the dinner table. The dinner seems to get better each year, as it can only be compared with a large banquet or feast. It has undoubtedly been the back bone of many good cases of indigestion, but no one seems to complain.

Asking the blessing was Mr. greenbeans to can.

does, that ought to help the cowmen here in this country. Joe Waldrop, Inspector for the Texas Dep't of Agriculture is checking livestock

scales this week. Said they would have been here sooner, but the floods down near Lubbock and that vicinity slowed you want checked, try to stay

available to show them to the checker.

Livestock owners need to record all livestock brands and marks with the county clerk's office after August law passed in the last session of the Texas Legisla-

Under the new law all brands now recorded will expire six months after the effective date of Sept. 1. This means that persons now using a registered brand or mark must register within this six-month period (Sept. 1, 1971 through Feb. 29, 1972). After this time any unrecorded brand becomes available on a "first-come" basis. The brands and marks must be re-recorded every 10

years. Periodic reregistrations are enacted to clear the records of brands no longer being used

Beef Cattle Co. is sponsoring the 1972 4-H Calendars. The calendars will soon be distributed to 4-H members in the county. Hays cut at an early stage of growth have a higher protein content that those harvested at a mature stage; so when making hay, don't for-
