### Canadian Sweeps Pair from Wheeler

Tuesday, Nov. 23, 1971  
 The Wheeler Mustangs and Mustangettes both met defeat last Tuesday night in Canadian and for the Mustangs, it was their second in a row to the talented Wildcats. Poor offensive shooting and weakness at the foul line have contributed greatly to both Mustang losses to the Wildcats. In falling to the Wildcats 48-19, the Mustangs could make good on only seven of 23 trips to the charity line. Sandy Richardson was high point man for the Mustangs with 8 points. Steve Carter, 6'4" Wildcat post man led the Canadian rampage with 25 points and swept the boards clean over the shorter Mustangs. In the girls contest, the Canadian Kittens avenged an earlier loss to the Mustangettes and won to the tune of 44-38. The Mustangettes forged into an early lead but lost it near the end of the first period and were never able to regain it in the foul marred contest. Judy Stone of Canadian led all scorers with 19 points and Niki Ware led Wheeler in the scoring output as she canned 17 points through the nets. Line Scores: Girls Wheeler 7 21 27 38 Canadian 9 23 31 44 Boys Wheeler 2 9 14 19 Canadian 6 26 33 48

### Wheeler Sinks Wins Over Briscoe

The Wheeler boys got their first win of the year Tuesday night and the girls gained their second conquest as Briscoe fell in both games of the double-header played in the Wheeler gym. Playing catch up for three periods, the Mustangettes forged into the lead in the fourth quarter on the hot shooting of Niki Ware and Carol Holt to garner a hard earned 48-44 victory. Wheeler was led in scoring by Niki Ware who garnered 26 points on eleven field goals and four tosses from the charity line. Carol Holt closely followed Ware in the scoring as she got the rest of Wheeler's points by canning five field goals and hitting twelve free shots for a total of 22. Debbie Douthit, fine Briscoe forward, led the visitors with 23 points. After a sluggish first half, the Mustangs ripped off 44 points in the final two quarters to get a 57-40 bulge over the visiting Bronchoes. The Mustangs improved their free shot percentage over their first two games and this helped them to their 17 point margin. Sandy Richardson was high point man for the Mustangs as he hit 18 points but had to take second seat to Herbert Adams of Briscoe who led all scorers with 23. Girls: Wheeler 11 21 33 48 Briscoe 15 22 35 44 Boys: Wheeler 2 13 33 57 Briscoe 2 14 25 40

was what the book has to say about the development and origin of today's Christmas.

It is known by us all, that Christmas began as a beloved religious festival originating with the birth of Christ and the angels' Song of Bethlehem's strains, "Glory to God in the highest, and on earth, peace, good will toward men". Perhaps you did not know, as I didn't, that only as late as 350 A.D. a specific date was set for this observance of the birthday of Christ, namely Dec. 25.

This date was set by Julius I, Bishop of Rome. Tradition says though, that an elephorus, the Bishop of Rome, ordered Christmas to be observed as a solemn feast day in the year 137 a.d.

This season coincided with pagan festivals of the Romans, and Persians. So attempts to combine pagan and Christian events led to difficulties. Origin (200A.D.) declared that Christ's birthday was not to be put on a

### ENGAGEMENT ANNOUNCED

Mr. and Mrs. Virgil A. Patterson of Wheeler announce the engagement and approaching marriage of their daughter, Vickey Lynn, to William Larry Nelson. He is the son of Mr. and Mrs. Ted Nelson of Wheeler.

Larry is a sophomore student at W.T.S.U. in Canyon. Wedding vows will be exchanged January 8, 1972.

par with pagan carnivals. Others warned to celebrate Christmas "after a heavenly, and not an earthly manner." When the church found it was going to be impossible to abolish all the pagan customs, it changed some of their worst features, and finally included them into the Christian observance of Christmas.

This explains the use of greenery and candles, lights for decorating homes and is the background of the bringing in and burning of the yule log, singing of carols, exchanging of presents and feasting happily together with rejoicing. So, our Christmas draws on all mankind for parts of its observance, but at the same time it is in danger of becoming just a set of rites.

In England, Christmas is said to have been observed first as a holiday in 521 A.D. by King Arthur. Alfred the Great annually set aside twelve days of yule festivities in the 19th century. After 1066 A.D. Christmas became gayer than ever, with reveling, sumptuous pageants, and masks added.

This Christmas observance was attacked as the Puritans came into power under Oliver Cromwell. Consequently Parliament passed an act forbidding the celebration of Christ's Nativity and other religious festivals including Easter.

The old yuletide customs never became as extravagant again. A Christmas Carol by Charles Dickens reflected the customs in later years, around the 1660's-1670's, and did much to establish them more firmly and wholesomely.

In the American settlements celebration of Christmas was very different. In Jamestown they brought from England such holiday customs as the ringing of bells, burning a yule log, dining elaborately, dancing, playing games, and singing carols. Evergreens decorated their homes and churches and candles were used freely.

Similar celebrations were held in the jolly Dutch settlement in New Amsterdam, later New York. They loved yuletide feasting and merriment, and to their St. Nicholas, San Claas, or Saint Nickolae, we owe our Santa Claus.

The pilgrims did not have such a gay festive holiday. They were forbidden the observance of the day and commanded to continue their work as on any other day. Pilgrims really had a less somber outlook than this implies, as indicated by their festive celebrations with friendly neighbors. Yet their strong feeling toward holiday joys resulted in laws being passed that forbade joyous observances of Christmas.

Gradually the more moderate of these belonging to the Church of England led to the repeal of the law. New England did not enter enthusiastically into Christmas observances until the second half of the 19th Century.

When we think of holiday foods and delicious dishes, most of us think of cranberries and dishes made from them. I've been told that the Nov. issue of Better Homes and Gardens has a section on cranberries. Here's another recipe that is good!

### Christmas Cranberry Nut Bread

Yields one 9x5x3 in. loaf pan  
 1 1/2 cups fresh cranberries  
 1/2 cup sugar  
 2 cups sifted regular flour  
 3/4 cup sugar  
 1/4 cup shortening  
 1/2 cup chopped nuts  
 1 1/4 tsp. baking powder  
 1/2 tsp. salt  
 1/2 tsp. baking soda  
 1 fresh orange  
 2 eggs  
 Cream cheese, if desired for serving

Combine cranberries and 1/2 cup sugar. Cook over medium heat until sauce bubbles (about 8 to 10 min) and drain.

Sift flour, 3/4 cup sugar, baking powder, salt and baking soda into bowl. Grate orange peel, squeeze juice of the orange in a 1 cup measuring cup. Add the grated peel and enough water to the juice to make 3/4 cup liquid.

Add orange juice mixture, shortening and egg to flour mixture; mix well. Fold in nuts and drained, cooked cranberries. Pour into a greased 9x5x3 loaf pan. Bake at 350° for 45-50 min.

To serve, cut bread in thin slices and spread with softened cream cheese. Place a second slice on top to make a sandwich if desired.
