STORM REPORT

As Reported by . . .
Stormie Meriwether,
Third Grade Student

Dear Friends, Third grade is studying about judges and juries.

One day we played a fun game called "The Missing Ruler". We had three jurors, a judge, and a maybe bad person. Then we had person #1 and person #2. They had to stand and tell the story. If everyone talks in the courtroom the judge says, "Honor (order) in the court! Honor in the Court!" That means for all to be quiet or they are in trouble. After we learned about the court things, we rode the bus to the Wheeler Courthouse. We went by Baba's office. I said, "Hi", very quietly.

Then we went up the stairs to the judge's big room. It was full of chairs. Judge Emmert talked to us. He put his judge robe on. We sat in the juror seats. We act like a jury. The jury decides if the prisoner is guilty or not guilty. The court reporter writes the notes.

The judge showed us where all the people sit for the court. Some

R&R Motor Sports Races At Altus, OK

The R & R Motor Sports team had to travel to Altus, OK this weekend as there were no races in Amarillo. The team decided to go and try their driving skills on the asphalt track.

There is a lot of difference on pavement than on the dirt track, besides the heat from a very hot day (118 degrees in the track stands) the track was hot and the tires were squalling as they made each turn.

The drivers were moved up a class in the division they were now in. In the heat there were the four cars from the Amarillo track, Jayterbug Childress, car 12, Gump Childress, car 42, Jarrett

Lions' Annual Broom, Hamburger Sale

Friday, Sept. 21 On the Square

The Wheeler Lion's Club will hold their annual broom and mop sale Friday, September 21, 2012, on the Square in Wheeler starting at 7:30 AM. You can purchase the World Famous Lion Burgers for \$4.50 each and World Famous Lion Cheese Burgers for \$5.00 each from 11:00 AM till 2:00 PM and you just might like to pick up a new broom while you are there.

The Wheeler Lions club has annually sold quality Blind Made Merchandise. On Friday the products will be setup at the Northwest Corner of the Square starting at 7:30 AM.

The sale of Blind Made Merchandise in previous years has been very successful and the Wheeler Lions Club has been able to use the net proceeds of these sales to provide glasses for local youth and other Lions projects. At the same time, the sales provide dignity and the security of regular employment for blind citizens.

Lion Ryan Smith expressed his confidence that this year with the support of the community, the Broom Sale of the local Lions Club will be successful.

Call 826-5516 or fax 826-3758 to Charles Kuntz CPA for delivery.

Mustangs Fall to Bronchos

By Donald Rives

It was a game of two halves. The Wheeler Mustangs won the first half but the Bronchos cleaned up in the second half and beat the Mustangs 36-27 on Friday night.

Andrew Coomer, who had 92 yards rushing, scored the first touchdown on an eight yard run to give Wheeler the lead of 6-0 after a missed extra point.

Chance McAnear, who threw for 282 yards and four touchdowns, brought the Bronchos back and tied the score at 6-6 at the end of the first quarter. In the second quarter the Mustangs took the lead again when Zay McCasland bulled in for a two yard touchdown.

Ismael Buenrostro kicked the extra point and the Mustangs led 10-6 as the first half ended.

McAnear lit up the Mustangs again early in the third quarter when he hit Diego Santos on a 44 yard pass for his second touch-

down.

Wheeler JV Rolls

The Wheeler JV made it 3-0 as they defeated the Clarendon JV 12-6. Clarendon started and ended their scoring in the first quarter on a 49 yard touchdown. The Mustangs got their first score on a one yard run by Zack Hibler. The extra point was no good and that made the score 6-6 at halftime.

In the third quarter Hibler scored his second touchdown of the game. It was a thirty yard scamper and put the Mustangs up by a score of 12-6. The JV Mustangs held on in the fourth quarter and defeated the Clarendon JV by a final score of 12-6. The Stangs were led by Zack Hibler with 67 yards, Urick Marshall had 61 yards Duncan had 54 yards.

Wheeler 8th Falls

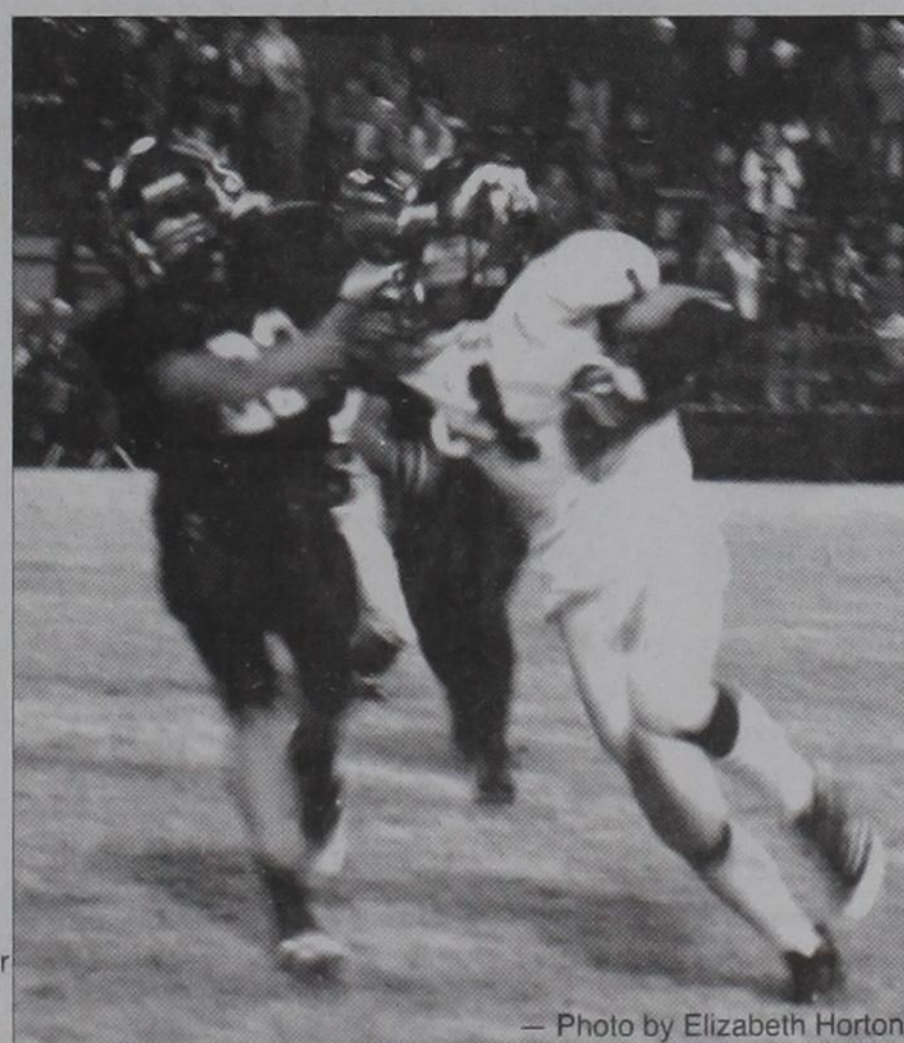

The Wheeler 8th grade fell behind 24-0 in the first quarter but fought their way back in the second half and scored 22 points to make the final score Clarendon 42 Wheeler 22. It was a good effort against a talented team from Clarendon. The Colts were led by Holden Guest who carried the ball 14 times for 108 yards and scored 1 touchdown. Traylen Drake carried the ball 9 times for 145 yards and scored two touchdowns. Reed Almanza had 86 yards rushing and scored two touchdowns.

down. The Bronchos went for two and with ten minutes left in the third quarter the Bronchos took the lead 14-13.

The Mustang wasted no time as they drove down the field and Coomer scored his second touchdown to give the Mustangs a 19-14 lead after the extra point failed.

McAnear wasted no time when he threw his third touchdown pass of forty one yards to his favorite receiver Dedgo Santos. Charles Mason caught the extra point pass and the Bronchos took the lead 22-19.

Parkview Artery Baby Proofing- A check list of the most overlooked items

As a parent you want to make sure your baby and children have a safe environment to play and be in. Unless you want to wrap your kids in bubble wrap and put them somewhere they cannot hurt themselves, kids need to learn the consequences and the meaning of the word no, but until that sinks in. Here are a few tips of some of the top safety concerns in the home:

Loose coins and medication on the nightstand — Everyone always looks around the nursery but think about how much time your toddler spends in your room. Are they climbing in bed with you in the morning? Then they have access to all sorts of items on your nightstand.

Scalding water from the bathtub — Do you know that the majority of burns occur because of hot water, not flames? If you have access to your water heater turn it down to 110° F. If you don't, got to your local hardware store and purchase a scald protector which can be attached to your water faucet.

Apple over accidents — Heavy furniture and TVs falling over on children is more common than most parents realize. Over 245 children were killed in the past ten years due to furniture tip overs. Secure all furniture to walls with furniture straps or L Brackets and use heavy-duty Velcro to secure TVs into entertainment units.

Poisoning from personal hygiene products — Parents often realize that cleaning products need to be kept away from children but they don't consider toiletries such as mouthwash, hair gels and talcum powder. All of these are toxic when ingested by a child. Install locks on all bathroom cabinets as well as kitchen cabinets.

Latex balloons — There have literally been hundreds of toys recalled over the past several years but one item that is the most dangerous is still sold — latex balloons. In fact, latex balloons kill more children than any other toy when small pieces or a deflated balloon can cover a child's esophagus or lodge in their throat. Immediately dispose of any latex balloon when your child brings one home from a party.

In this day and time, it's easy to get busy and distracted, but with a little effort, thinking safety first is safety always.

Wheeler County Free Fair Begins Here Next Thursday

The 1962 Wheeler County Free Fair, featuring farm products and livestock from throughout the county, begins next Thursday at the American Legion Building here.

All persons living or attending school in Wheeler County are eligible to enter exhibits in the three-day annual event, according to Frank Walker, president of the Wheeler County Fair Board.

OLD TIMES NOT FORGOTTEN

By Roland Miles

Is "We" Plural?

I never was a very good English student; probably didn't even rank in the upper fifty percent in my class. Even so, if I'd been asked back then if the word "we," was singular or plural, there wouldn't have been any doubt in my mind... plural of course. Everybody knows, it takes at least one other person besides the one saying it, to make "we." I rocked on for all my school years in blissful ignorance, satisfied with that opinion. I'm sure that all women teachers would have agreed that I was correct. You'd probably get the same opinion from bachelor teachers, also. Here's where things start to change. If I had asked a male teacher, who was married, he might have grinned, and said, "You'll figure that out after you've married." He'd have been right, of course. After I got married, it started to become clear to me, that wives often don't in-

clude themselves, when they say, "we" to their husbands. The longer I'm married, the more clear that becomes. I'm not saying that wives don't have plenty of good ideas, but they sometimes use "we" a little loosely. I'll just mention a few that come to mind.

e need ~~to~~ add another bedroom onto our house."

"We could build a circle drive in our front yard."

e need ~~to~~ plant a garden."

e sure ~~we~~ need to wash the car."

e need ~~to~~ fence in our back yard."

ou know ~~we~~ what we ought to do?"

ou know ~~we~~ what we should have done?"

The list could go on longer, but this should be sufficient to get me in the doghouse for awhile.

1987—WATERMELON FEAST: The Wheeler Boosters sponsored a Watermelon Feast Monday evening at Nicholson Field. The Wheeler Mustang Band played several numbers, the Wheeler Cheerleaders did a few routines and the 1987 Mustang Football team was introduced to the crowd. The highlight of the evening was the serving of 50 Black Diamond watermelons from the Spud Moore farm. Richard Wallace is shown here serving a slice of melon to Glenda King. Ray King waits his turn. Joetta Sword can be seen further down the line.

It has been five years since Gary and Tracy Burton opened Speedi-Mart. The business observed its anniversary Monday with a drawing. For the past week or so customers have been given the opportunity to register for three prizes.

Lucky, lucky me. I had registered one time and won the big ice chest. Joe Montgomery won the ice jug and Danny DeBose won the cooler.

I took my first ride in the elevator at the courthouse Tuesday. Paul Topper took a risk and rode with me. Steve Guthrie was the first to get detained on the 'new fangled apparatus'; it stalled close to the second floor and it was 45 minutes before someone heard the buzzer. Patty McNeil said she makes sure someone knows she is getting on the elevator before she rides it. (Note: This is the el-

Mobeetie I.S.D. Loses \$9 Million In Valuation

School Superintendent, David Malone, said he has no estimate of what next year's tax rate might be, but an estimated loss of \$9 million in taxable property valuation might give some indication.

School board members received a preliminary budget last week and set dates for two board budget workshops and a public hearing.

The school district's current rate is \$1.15 per \$100 valuation meaning that a person with property values at \$50,000 would pay \$575 in school taxes.

Clarendon as McAnear threw another touchdown pass of 28 yards to, you guessed it Diego Santos. McAnear scored the final Clarendon touchdown on a two yard run to give the Broncos the lead at 36-19.

Jake Ware, who rushed for 93 yards and threw for 91 yards, scored the final Mustang touchdown. He threw to Coomer for the two point conversion to make the final score 36-27.

It was a hard fought game and the Mustangs played a great first half. Clarendon dominated in the second half as they scored four touchdowns.

Andrew Coomer rushed for 92 yards on 19 carries and Jake Ware rushed for 93 yards on 17 carries.

Coach Smith commented that the kids played their best game of the year but came up a little short. He said the effort was there, especially on defense versus the run as they held the

Bronchos to 88 yards. The Mustangs had 216 yards rushing and 91 yards passing.

Game number four is at Nicholson Field against Highland Park. It will be the homecoming game so come out early and enjoy the festivities. GO STANGS!!!!

The Stangs held the Wildcats to earn a 12-18 victory. On defense the Stangs excelled in goal line stands and open field tackles. On offense the Stangs consistently moved the ball and made numerous runs for long yardage. The Cheerleaders

kids asked him questions. I just sat quietly. I don't know if the judge remembers me. I'm big now. One day I was in that court when I was very little. The judge did an adoption. That's when he gave me to my mom and dad. Now I am so happy to see that place where they got me. Judges are very important people in our town. Finally I finished my project. It is beautiful. It was so fun to paint it all by myself. Now it is in my closet and one day my mom and I organized all my dolls and games and puzzles. Now I have

a place to put them away. My dad made a place to hang my clothes. I love my new closet. Football is great! First we went to the big Mustang game. I watched the cheerleaders. They are very good. I got a football from a cheerleader. That was nice. On Saturday in the morning I did not feel so well. It was time to go to my boys football game. I got all my cheerleading things on and I still didn't feel very well. I thought My mom said, "Let's go. When we get there if you feel better, you can cheer, if you want to." I took a nap all the way to Canadian. When

we got there I saw the football boys and some of my friends. I was so happy. I was feeling better. Then I forgot all about my funny stomach. We cheered and cheered and the boys won! It was a wonderful day. I think I just was sleepy because I couldn't sleep in the night. I had "Cheering flies" in my stomach all night. I am so happy they went away! That's it.
