WHEELER, TEXAS, OCTOBER 16, 1958

ENGINEERS GUARANTEE GRADE TELEVISION TO WHEELER COUR

Thirty Wheeler County Farm Bureau members met Monday night in Wheeler and flashed the green light on a county-wide project, which will make Farm Bureau history.

The group voted to sponsor a television translator system in Wheeler County. The project will consist of two 150 ft. towers. One constructed in the Northwest corner of the county and the other on the Bob Rogers home site southwest of Wheeler.

O. E. Setliff, electrical engineer from Turkey, Texas, explained PUBLIC SERVICE the technical phase of the project to the county men. Setliff and **TO HOLD RANGE** his associates have constructed two such translator systems similar to the one proposed for DEMONSTRATION Wheeler County. Here is the way the proposed

what America wants, America gets in a Chevy!

It's shaped to the new American taste with a lean, clean silhouette, crisp new contours, beautifully restrained accents. It brings you more spaciousness and comfort with a new Body by Fisher. It has a bright new sheen-a new kind of finish that keeps its luster without waxing for up to three years. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. New handling ease and road steadiness. It's new right down to the tires!

Never before has an automobile manufacturer made such sweeping changes two years in a row. And never before has any car been new like this one.

The 1959 Chevrolet is more than a restyled car-more, even, than a completely new car. It's your kind of car. Shaped to reward your new taste in style with a fresh Slimline design that brings entirely new poise and proportion to automobile styling. Inside the new and roomier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead-and there are new bigger windows, too.

When you take the wheel, you find Chevy's newness goes down deep. A new steering ratio makes handling easier. New suspension engineering gives you a more stable ride. There's a sweet new edition of Turboglide*. A new Hi-Thrift 6 that goes and goes on a gallon. Vim-packed V8's. New and bigger brakes. Even tougher, safer Tyrex cord tires.

There's still more! A new finish that keeps its shine without waxing or polishing for up to three years. New Impala models. New wagons-including one with a rear-facing rear seat. And, with all that's new, you'll find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet. *Extra-cost option

Homecoming day for Mobeetie ex-students and teachers has been set for Saturday, November 1, 1958. The seniors are sponsoring the occasion this year as they have for several years. The classes to be honored this time are at the monthly meeting of the the graduates of 1936 to 1940, in- C of C Tuesday evening, October building was destroyed by fire presented by the Northern Natthe night of August 13, 1958, the ural Gas Co. of which Gene Mack to 6:30, but it will be served this and represent a company that time in the gymnasium. in the fire except a few records evening. from the office, there are many things they could present. They are considering replacing the small piano which had been in the school just a little over a year and also the senior pictures which hung in the hall. Several ex-students have already showed great interest in homecoming for this year; any help they can pass along as to telling others about the date for it will be appreciated by the seniors. Anyone wanting these notices about homecoming sent to certain persons can have that done by contacting one of the officers of the ex-student association, who are: Mrs. George B. Dunn, president; Mrs. Winfred Quarles, vice president; and Mrs. Clinton Stribling, secretary. The president of the senior class is Paul Hathaway and the secretary is Kay Quarles. The senior sponsor is Mrs. J. H. Scribner.

As usual, all ex-students, teachers and trustees are invited to attend along with the present teachers and trustees. All are asked to come early for a longer period of moving in the third quarter with wil last as long as you might exmates.

FORMER RESIDENT DIES

Word has been received of the recent death of Mrs. Clara Baley Currens of Dallas, Texas. Mrs. Currens was the daughter of Mr. and Mrs. T. A. Baley, pioneer residents of Wheeler County, who settled what is now the Britt ranch, and where they made their home until 1912. Mrs. Currens is survived by her husband, Willis Currens, two sons, two grandsons, one sister, Mrs. Ila Haskett of Dallas, three brothers, Edwin, of Clarendon, Robert of Spearman, and a twin brother, Clarence of Abilene. Burial was in Dallas, Texas.

AVOID THE

Richard Brock, Motor Vehicle, Patrolman says it is imperative that motorists respond more quickly this year to the appeal for the inspections as the station making the inspection must inspect the brake's as well as checking lights, horn, wipers, etc. If the brake linings or brake drums are worn too badly they must be replaced or repaired before an inspection sticker can be placed upon the vehicle.

The additional work necessary in issuing a sticker requires that motorists co-operate by coming in early for their inspections.

Stickers will be valid until April of 1959.

FORD ACHIEVES **GREATER FUEL** ECONOMY IN '59

The 1959 Ford achieves greater fuel economy - saving up to one dollar per tank full of gasoline with carburetion, compression ratios and spark advance curve tailored to regular grade gasoline, which is recommended for all standard Ford engines.

Ford has made a slight reduction in horsepower to offer the highest engine performance and operating efficiency in the normal driving range of 30 to 70 m.p.h. that ever has been built into any Ford car. Compression ratios have been tailored to obtain the maximum fuel economy consistent with Ford's traditionally high performance characteristics and present octane ratings.

For top economy, Ford offers the "Mileage Maker Six" engine which will take the 1959 Ford owner more than 400 miles on a 20-gallon tank full of gasoline. Ford engines, with full-flow oil filters as standard equipment, are designed to go 4,000 miles between oil changes.

Another economy feature is the new Diamond Lustre finish, a super-enamel that requires no waxing during the lifetime of the car. This bright durable paint is 50 per cent more chip-resistant than Ford's famous enamels of the past.

Further Ford economy is reverse, has 27 per cent fewer parts pounds, or 22.8 per cent.

1959 Ford Sunliner

Shown in a picturesque Brussels World's Fair setting is a 1959 Ford Sunliner convertible. Ford offers two convertibles in 1959: the soft-top Sunliner and the retractable hardtop Skyliner. Ford's tasteful styling theme in 1959 is a result of consumer demand for more elegance and dignity, as opposed to gaudiness or extremism. In the background is the Atomium, prominent landmark at the Brussels World's Fair.

Rayburn L The dealers said

by the Comité Français de l'Elégance at the Brussels World's Fair

Styled, powered and priced for today's driving ! There never was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Elégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these 59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines-Six or Thunderbird V-8-thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminized muffler that normally will last twice as long as conventional mufflers used on other cars . . . full-flow oil filtration that lets you

change oil at 4000 miles instead of the 1000 often recommended . . . new Tyrex cord tires for greater economy and safety . . . a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever ... and two new economy power-transmission teams that will bring you savings automatically. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8-at a price that puts automatic

LEGAL NOTICE

(Published in the Wheeler Times October 16, 1958)

Estate of Dianna Mae Williams, Britt as leader of the program A Minor

In the County Court of Wheeler County, Texas

of a style show, with each de- TO ALL PERSONS INTERESTpartment chairman modeling a ED IN THE ABOVE MINOR

You are notified that I have on the 7 day of October, 1958, short busine's session. The Club filed with the County Clerk of Wheeler County, Texas, an application under oath for authority to make an oil, gas and mineral lease on all of said minor's undivided one fourth interest in and to the following described property, to wit,

60 acres of land, more or less, a part of the J. M. MANNING SURVEY, Abstract No. 381, Wood County, Texas, described in two tracts as follows:

FIRST TRACT: A part of a 105 acre tract of land conveyed to I. T. Taylor by W. H. Buchanan on Feb. 7, 1903; BE-GINNING at the NWC of said 105 acre tract in WBL of original survey from which a BJ brs S 10 E 1 vara a hickory brs S 30 W 5.1 vrs; THENCE East 523 vrs corners from which a BO brs N 58 W 8.4 vrs. a BO brs N 45 E 6.6 vrs; THENCE South 648 vrs corner from which a BO brs N 67 E 4.6 vrs a BO brs N 65 W 8.3 vrs; THENCE West 523 vrs to corner on WBL of original survey; THENCE North 648 vrs to the place of beginning, containing 60 acres of land, more or less, LESS HOWEVER the following described 2 acre tract conveyed to F. G. Gilbreath by Maude Lewis et al, Dec. 29, 1923, by deed recorded Volume 213, page 211 and 213, page 251, Deed Records of Wood County, Texas, said 2 acres described as follows: BEGINNING on the NBL of Maude Lewis 60 acre tract of land at a point 61 yds. from NBC; THENCE South 771/2 yds; THENCE West 110 yds; THENCE in a Northwesterly direction to NBL of said 60 acre tract to 140 yds West of place of beginning; THENCE East 140 yds to the place of beginning, containing 2 acres of land, more or less. SECOND TRACT: 2 acres of land, more or less, conveved to Maude Lewis by F. G. Gilbreath and wife, Dec. 29, 1923, by deed recorded Valume 107, page 442, Deed Records of Wood County, Texas and described as follows: BEGINNING on WBL of the J. M. Manning Survey at the NWC of Maude Lewis 60 acre tract of land; THENCE East with NBL of said 60 acre tract

and execution issued out of the 31st Judicial District Court of Wheeler County, Texas, on a judgment rendered in said Court on the 15th day of August, 1958, in favor of P. G. (Tay) Turnbow

and Altha Turnbow and against A. O. LeBlanc in the case of "P. G. (Tay Turnbow et al vs A. O. LeBlanc," No. 4762 in such Court, I did on the 29th day of September, 1958, at 3:35 o'clock p.m., levy upon the following described real estate situated in Wheeler County, Texas as the property

of the said A. O. LeBlanc: All of Lots Nos. Nineteen (19),

Twenty (20), Twenty-one (21), and Twenty-two (22), in Block H. Purcell Addition to the Town of Lela, Wheeler

On the 4th day of November, 1958, being the first Tuesday of said month, bewteen the hours of 10 o'clock a.m. and 4 o'clock p.m.

in and to said property.

DATED at Wheeler, Texas, this the 29th day of September, 1958. Sheriff of Wheeler County, Texas

Kelton Methodist Church

Wheeler Assembly Of God

Wheeler First Baptist Church

Rev. Frank Ross, pastor of the First Baptist Church of Wheeler, bring the message of the week in the eighteenth of a series of commentaries by ministers of the area and presented on this page through the cooperation of the firms and individuals listed below.

VICTORY

"They overcome him by the blood of the Lamb and by the word of their testimony and they loved not their lives even unto death." Rev. 12:11.

When a person lives in the power of the blood of Christ, then sin ceases to have dominion over them. And they begin to live that joyous overcoming life.

I. BUT THERE CAN BE NO VICTORY WITHOUT A CON-FLICT.

When a person trusts the Lord Jesus Christ as Saviour, they become the enemy of Satan. 1 Pet. 5:8. And they are engaged in a constant warfare with him and his followers. Eph. 6:11-12, 1 Tim. 1:18.

II. VICTORY IS THROUGH FAITH.

"This is the faith that overcometh the world, even our faith. Who is he that overcometh the world but he that believeth that Jesus is the Son of God?" 1 John 5:4-5. Jesus said, "Be of good cheer for I have overcome the world". Satan is an already conquered enemy.

Satan has absolutely no right over any one who has trusted Jesus as Saviour. But through unbelief and ignorance, we may allow Satan to have an authority over us, which he otherwise does not possess

But as this scripture tells us, Christians gain victory as they their testimony for Christ. As they speak and witness for him, by faith. Rev. 12:11.

Mobeetie First Baptist Church

Wheeler Church Of Christ

Wheeler First Methodist Church

III. THIS VICTORY OF FAITH IS IN FELLOWSHIP WITH THE BLOOD OF THE LAMB.

Faith is not merely a thought or a conviction, it is a life. Faith brings the soul in direct contact with God and the blood of Jesus Christ.

There is power, wonder working power in the blood of the lamb. In fact all the power that be, is in the blood of Jesus. Matt. 28:18.

And this power comes to us, in such strength that we not only gain victory over the world, but the old devil himself, when by faith in that blood, we are willing to die for Christ and his cause. Rev. 12:11.
