Happy Holiday!

It is our intension to get this Christmas Greeting Edition of the *Time* to you on Christmas Eve so we can have the week off.

We finished the paper and sent it to press on Friday. Addressed the papers and took them to the post office on Friday.

We are scheduled to leave for OKC on Friday.

We will spend Christmas Eve with Jennifer and Greg and Ronal, Juanita, Ronal Jr. and Jessica and the Arnold family in Del City.

On the day after Christmas, Cathi and Dorcie will come in from Lovelady and spend the week.

On Saturday, December 29, we will have Christmas in Yukon with the Meriwether Clan.

That is the schedule; we will see how it all works out. **The Wheeler Times will be closed all next week!**

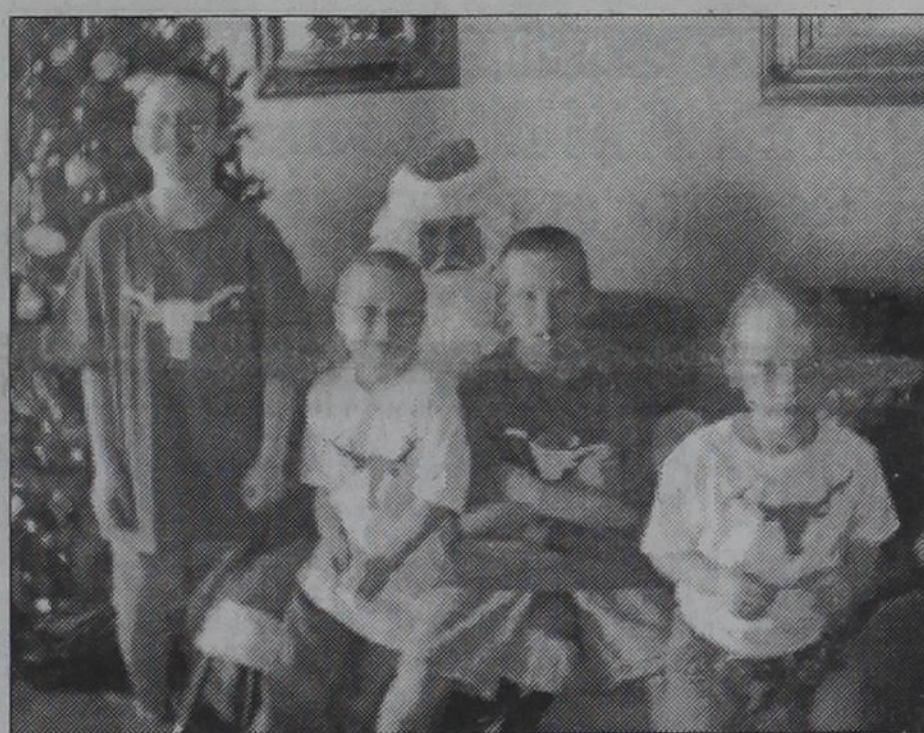

Thank you, Thank you, Thank you, City Boys! The street looks really nice. They have been having problems with the sweeper; they did not intend to wait so long to sweep the streets.

We do appreciate all the help we had getting this edition out. We called in Patricia to call the advertisers and help with the type setting and correcting.

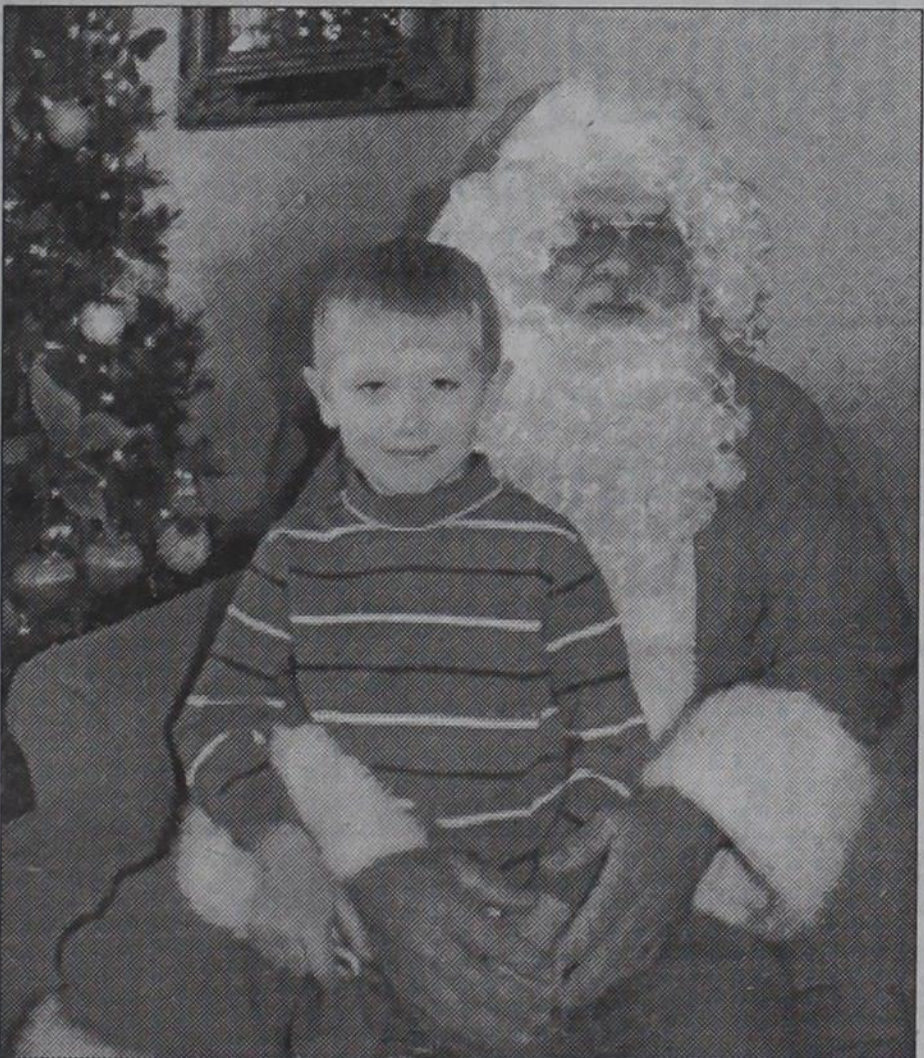

She asked if I realized it has been 13 years since she retired.

Melba called at about 5:00 Thursday evening to say the branch office should be ready to read—after we were nearly finished. They bought a generator to keep the house warm and lighted for over a week.

We played cards Monday evening. Dwight and Leroy could do no wrong the first and third games. Rhonda and I managed to put enough points on the table to win the second game.

Do something good for someone who has done nothing specific for you. Yes, that goes against human logic. Yes, there is probably nothing in it for you to benefit. Yes, people will not understand why you would choose to help out someone like that. But you would have an answer ready. Your answer can be, Ago read Luke 14:1-24.

There are several related stories that occur in those passages. Jesus is at the house of a prominent Pharisee when an uninvited guest with a physical problem shows up. Jesus heals him. Jesus later notices that the invited guests had been trying to get in the best seats because it let everyone else know precisely how important they are. Jesus tells them they should take the seats of humility and then if it works out in certain ways that they will be elevated to a better spot. Likewise, taking the best spots only guarantees that they might be embarrassed if someone more important actually

does show up. Jesus then tells them that they ought to invite people to their banquets that cannot pay them back for the privilege of being there. Look out for the poor, the crippled, the lame, the blind. After all, Jesus is making sure that no one is being left out of possible inclusion in the kingdom of God. And finally, Jesus tells them a parable that brings that last point home, but also lets those who feel elite know that if they don't like that arrangement, they are the ones who may have their invitations into the kingdom or banquet of God be rescinded.

Is this lesson still applicable today? If it is in God's word, then it is. So, maybe we should go out of our way to do something good for someone who hasn't done anything specific for us. Maybe others won't understand, but we will understand because we have looked at Luke 14, and more importantly, we are putting Luke 14 into practice.

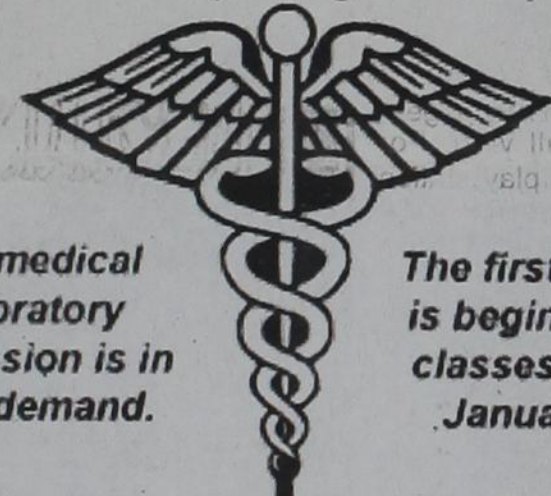

Shawn D. Johnson

This place is more fun than a barrel of monkeys and sometimes I think I live in a zoo. Like this morning when we were watching about a hundred turkeys in our backyard and all of a sudden here comes a huge coyote. He really looked like a very healthy German Shepherd but he was a coyote. We thought we would see feathers flying and I ask Glenn Forrest Frosty to get his gun after the coyote. No need though. Probably 80 of those turkeys chased that coyote out the back of our property and stood guard until he was no longer in sight. Now that was a sight! I told Glenn that they fight like an army using large numbers against the enemy. Then half a dozen flew upon our tin roof barn even though it was very slippery with all that frost. Think they were the outpost watch for the unfortunate coyote. It was not long until peace came again to the backyard.

We had a great time at the Fort Elliott Christmas program. Those kids are the cutest in the state and our greatest joy was watching the pre-K and kindergarten kids that were dressed like Christmas trees. We were lucky enough to be setting in front of them and they really stole the show for us. Our neighbor's son Seth Gardner played guitar along with five other talented boys. I must say those kids - all 80 of them - really put on a wonderful show for all of us. The radio announcer Dalton McDowell was so very professional that he just might make that his life career. Anyway we sure had a nice time and our thanks to all the children for entertaining us, all those who had a hand in putting it together and a special thanks to Mrs. Lohberger who knows how to get it all together.

Last Sunday we went to the Fort Elliott FFA Fundraiser Christmas Dinner at the Allison School. Great ham dinner and an abundance of desserts. Santa made an appearance and after all the babies and young children sat on his lap and told him what they wanted for Christmas, Glenn said I should too and with a little coaxing from Juanita and Louise I sat on Santa's lap but for the life of me I could not think of a thing I wanted for Christmas. He did promise me a new car but I really do not need one so probably will not get a thing. It was great fun to sit on Santa's lap again after umpteenth years and Santa said a person my age should get anything they want. Hear that Glenn Forrest Frosty? With love to all of you, Betty Boydston.

This week's Column ...

Always at Christmas time I like to think of past Christmas' when I remember my own childhood and my children as they grew up. My folks never had much when I was a child although we always appreciated what we did have. It was the depression days and dad was lucky to make one dollar a day. Times were hard back then. I was the oldest of three girls and two boys and I knew we were poor for I heard my parents talk about not having any money. Dad worked very hard when there was work before World War Two and if there was a job to be had, dad would take it. Wages were small but we got by since we had a garden - year round in California. When we went back to school after Christmas, some of the children would tell of all the wonderful toys and gifts they received and I would be a bit quiet as I had nothing to compare with these children. In church they gave out stockings made of red mesh

stuffed with candy and once in a while there was a small toy if you were a good little boy or girl. I got one anyway. Santa always ask me if I had been good and sometimes I said yes, but most of the time I was truthful and said no. Santa did bring each of us something. Maybe it was something dad fixed up again. Now we call it recycling. My sisters Shirley and Ruth got new dolls one Christmas but I was too old for Santa to visit at age 9 or 10 so I got a paper doll cut out book. I loved my Alice Faye paper doll with a wardrobe until my brother Don tore her head off and destroyed her paper clothes. Later in life I spent 25 years collecting dolls and became president of a doll club in California. I think Don owes me some Alice Faye paper dolls and he can get them on E-Bay for a small fortune if they are not cut out of the book. Now that I think of it, I think I will call him. He is retired and fairly well off. Things got better after the war started because dad worked in a war plant in Long Beach. After the five of us grew up and moved away my folks had plenty of money and dad retired at age 62. Raising five children on a small income makes for hard times but we enjoyed life to the fullest.

Now on the other hand, my three children had toys coming out

the chimney. Mike usually got something to put together in the electronic field to pique his curiosity. He even make a radio station that caused the FCC to come down on us for he was broadcasting on the airwaves in San Diego. Later in life he worked for Hewlett-Packard in Palo Alto, CA until he retired. Then there was the battery operated robot that scared the stuffing's out of 3 year old Patrick. He got up very early and saw it under the tree and somehow hit the switch and it started spewing out sparks, making weird noises and walking toward him. Now that was an early Christmas morning when I came out of bed on the run to see if Patrick was screaming because he was injured or if his sister had tried to kill him. All was well for a couple of hours until Laurah was dancing

around the Christmas tree and her new doll's head flew off. That was a real two aspirin Christmas morning. I think we tried to give our children what we thought we missed in life, but did we really miss anything? I believe we had a wonderful life without all the fancy trappings of today's busy world. Have a very Merry Christmas. With love and my best wishes for a wonderful 2008, Betty Boydston.

ALLISON NEWS

By Juanita Boydston

And in the sixth month the angel Gabriel was sent from God unto a city of Galilee, named Nazareth, To a virgin espoused to a man whose name was Joseph, of the house of David; and the virgin's name was Mary. And the angel came in unto her and said, Hail, thou that art highly favoured, the Lord is with thee: blessed art thou among women. And when she saw him, she was troubled at his saying, and cast in her mind what manner of salutation this should be. And the angel said unto her, Fear not, Mary: for thou hast found favor with God. And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name JESUS. He shall be great, and shall be called the Son of the Highest: and the Lord God shall give unto him the throne of his father David: And he shall reign over the house of Jacob for ever; and of his kingdom there shall be no end. Then said Mary unto the angel, How shall this be, seeing I know not a man? And the angel answered and said unto her, The Holy Ghost shall come upon thee, and the power of the Highest shall overshadow thee: therefore also that holy thing which shall be born of thee shall be called the Son of God. Luke 1:26-35

And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed. (And this taxing was first made when Cyrenius was governor of Syria.) And all went to be taxed, every one into his own city. And Joseph also went up from Galilee, out of the city of Nazareth, into Judea, unto the city of David, which is called Bethlehem; (because he was of the house and lineage of David;) To be taxed with Mary his espoused wife, being great with child. And so it was, that while they were there, the days were accomplished that she should be delivered. And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him

in a manger; because there was no room for them in the inn. And there were in the same country shepherds abiding in the field keeping watch over their flock by night. And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid. And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest and on earth peace, good will toward men. And it came to pass, as the angels were gone away from them into heaven, the shepherds said one to another, Let us now go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known unto us. And they came with haste, and found Mary, and Joseph, and the babe lying in the manger. And when they had seen it, they made known abroad the saying which was told them by the shepherds. But Mary kept all these things, and pondered them in her heart. And the shepherds returned, glorifying and praising God for all the things that they had heard and seen, as it was told unto them. Luke 2:1-20

The weather here in Allison has been really beautiful and nice. Its to be sixty today on Wednesday. Then on the weekend we are to have snow and rain mix maybe. Just help me pray that our electricity will stay on.

MERRY CHRISTMAS Everywhere everywhere!!

Juanita Boydston enjoyed making candy with Louise Boydston. They had a good time making divinity and fudge. Juanita doesn't like to eat it, but loves to make the candy.

Opal and Juanita heard from Vance and Carol in Indiana where she is still visiting her mother, Dorothy Newman. They told us that

they are all sick. First they couldn't come back cause of the ice and then the snow. But Vance told us that his pickup that at their Norman home received damage during the last ice storm, with some heavy limbs falling on it. And they are still very sick. So just help pray for them that they will be better and can make it back to Allison for Christmas or around that time.

God Bless and Keep ya'll till next time

MOBEETIE NEWS

By: Sue Mayfield

Merry Christmas dear friends. Hope this finds you well and able to enjoy the celebrations of our Saviors birth. It's sort of hard to get in the Christmas spirit with beautiful sunshine and temperatures in the 50's. I'm from South

Dakota and this still doesn't feel quite right, after 40 years. But, it's what's in a person's heart that counts. When the Lord blessed us all with His precious Son we got the only gift that really matters. Sorry that Fred Thrasher is having trouble with his shoulder. He hurt it at work and has been trying to baby it. He has an appointment next week with an orthopedic surgeon to have it checked out thoroughly. Jackie and Fred were very disappointed that they didn't get to go to Amarillo on Saturday for their granddaughters, Jordan, choir concert. They always enjoy it so much. As it stands now Tony, Pat, Jordan, and Joshua are planning on coming to spend Christmas with Fred and Jackie. Tony is now the manager of Pilot Truck Plaza on Lakeside in Amarillo. They are all trying to get adjusted to the new schedules. Tony still has some out of town training to

attended after the first of the year. The First State Bank had a fantastic open house on Monday. They always go all out.

Wednesday night the Baptist youth group and their sponsor and their brand new preacher were all out caroling and delivering goodie bags. Each bag had delicious homemade cookies and a delicious little pear bread and a snowball. Thank you to all that took the time to share with others. They did a fantastic job. They had a beautiful night to bless so many lives. They sounded great and cheered everyone up. What a great group of kids. They are very fortunate to have the wonderful leadership of so many dedicated people. Rev. Phillip and Bennie Maine take their job seriously as they arrived at the church from their old home in Missouri at 6:15 and he was out caroling with the youth group. Welcome to Mobeetie Phillip and Bennie. We hope you enjoy your new home. What a way for our little church to end the year. 2008 will be a great year. They left Missouri with a double layer of snow and ice. So dry pavements were a blessing. Hopefully they will be able to get their things into the parsonage with out tracking it up to bad. They will have good help from the parishioners. What a challenge with Christmas right here.

Be safe in your travels and enjoy your friends and families. Merry Christmas from our house to yours.

Please keep our friends and neighbors in your prayers: Don and Mary Edwards, Clinton and Maurita Stribling, Jack and Berniece Hefley, Charlotte Coward, Curtis Hall, Bulah Stuart, Bill and Shirley Dyson, Lorene Rector, Orville Greenhouse, Jane Seitz, Iona May, Mabel Tabor, Peggy Dunn, Curtis Hendrix, John Thierstein, Peggy Frazier, Earl and Leola Farris, Dick and Ann Graham, Fred Thrasher, Kenneth and Vera Walker, Bill and Patsy Caswell, Leola Stuart, Iva Richardson, John McGinty, Shannon Pool, Chuck Carl, Mary Whitener, Byron Simpson, Shelton May and family, Lou Dean Douthit, Joe Tolle and family, Alvern Hutchison, Delmer Murray, Jimmy Love, Aaron Laverty, Joann Couch, Fred Castle, Vance and Carol Boydston, Aaron Hartline and family, Charlie Brown, Melba Corcoran, Lonnie Hendrix, Andrea Aldridge and family, John Paul Harris and family, Carol Orthman, Fredia Caldwell, Sheila Marti.

A Very, Merry Season To All You Gentlefolk!

Christmas was a simple affair,
A time filled with friends family and prayer.
A time when strangers were welcomed
with open arms.
A time to sing God's many praises
in hymns and psalms.
In these modern times,
it's good to remember,
The gentler days of
past Decembers
Though some things never
change, it's true...
Like our deep felt thanks
for friends like you!

Dear Ho Ho Ho,
I've really tried to be good this year but I can't believe how much there is to get into during Christmastime. I have learned a lot of new, fun things these last few weeks. If Christmas balls are thrown they break, the Christmas tree looks a lot better if you crawl under the tree and look up, and the train doesn't have to stay under the Christmas tree or on the track.

For Christmas this year whatever you want to bring me is great! I like Lightin' McQueen, Mater, Sally, Doc and all the other Disney Cars, Elmo, and books.

My grandparents, great-grandparents, aunts and uncles think I am pretty special so please remember them. All of my cousins have tried to be good this year too, so please remember to bring them something too. Mama and Dada have tried really hard to be good, but I'll leave them up to you!

Merry Christmas,

Dear Santa,
Hello Santa, how are you in the North Pole? I am doing ok. I have tried really hard to be a good girl this year, but my big brother makes it very hard for me. I am still learning new things and sometimes what he teaches me gets me in trouble. What I want for Christmas is a baby bed, stroller and high chair for my baby dolls. And I want a kitchen set so that I can cook with my mother. I also would like some make-up and a purse to carry it in because my mom is tired of sharing hers. That is all I can think of at this time, if there is more I will email you.

Love,

Dear Santa,
I hope all is well this year. I would like to have some paint, colors and coloring books because I love to color and draw. I would also like to have some new Dora and Diego toys and movies. I love for Mom and Dad to read to me at night and I could use some new books. I also love shoes and would like a new pair. I would also like for baby brother to come out and play with me.

Merry Christmas,
