BIG SPRING, TEXAS, TUESDAY, MARCH 2, 1943

Ten Pages Today

Give Double To The Red Cross

Colder Weather Is In Prospect For Tonight

Nature was lamb-like weather Monday as March arrived, but typical Texas weather change struck suddenly during the night to send the mercury into a nosedive.

The airport weather bureau's thermometer dipped to 19 at 9 a. m. Tuesday, a drop of 49 degrees from Monday's high of 68.

Freezing weather, sweeping all the state, was due to reach the Rio Grande valley tonight, and livestock warnings were issued for West Texas.

Vote Delayed On Manpower Alterations

WASHINGTON, March 2 (AP)—The senate military affairs committee again postponed today a showdown vote on a bill to halt induction of farm workers into the armed services as selective service officials joined the war department in opposition to the measure.

The committee voted to hear testimony from Col. Lewis B. Sanders, selective service expert, at an afternoon session after Sanders presented a statement asserting that passage of the bill would not solve farm labor shortages.

The committee decided to hear Colonel Sanders, and examine him, at a session starting at 2 p. m. Chairman Reynolds (D-N.C.) said "and agreed to vote at 4 p. m."

Immediately after the announcement, the committee called Rep. Wadsworth (D-N.Y.) for testimony in support of legislation to provide for total mobilization of the nation's manpower and woman power.

Reynolds depicted congress as about evenly divided on the compulsory use of manpower, but senate supporters of the plan counted heavily on war department pressure.

Wadsworth, co-sponsor of the war service act, and Grenville Clark, New York lawyer and head of the Citizens Committee for a National War Service Act were called to explain its operation.

Clark was one of the founders of the Plattburg training camp system during the first World War.

Under the measure, the manpower commission could assign duties to every man between 18 and 65 and every woman between 18 and 50, subject to exemptions and deferments, and provide trial in the courts for refusal to accept assignment.

Voluntary methods are provided "so long as they are effective."

Hall first was appointed by Gov. James V. Allred in 1936.

The senate voted today to empower the state board of control to discharge superintendents of state supported institutions with cause and without court action and to permit the state to exercise the right of domain to secure land by condemnation.

By Sen. Kyle Vick of Waco, the bill relating to superintendents passed finally, 23 to 2 and Sen. Moore's land bill was approved 27 to 6 on final vote.

Consideration of Moore's anti-loan shark bill was blocked by a 17 to 9 adverse vote.

Santa Fe Prelate Suffers A Stroke

SANTA FE, N. M., March 2 (AP) The Most Reverend Rudolph A. Gerken, Catholic archbishop of Santa Fe, was stricken early today with what first reports indicated was a stroke.

The prelate, whose fifty-sixth birthday falls next Sunday, was rushed to St. Vincent's hospital from his residence, where members of his household discovered him lying on the floor.

The eastern portion of the state also was due for more severe weather.

Possible vegetable damage was indicated for the lower valley with a forecast for a temperature there of 25 to 28 degrees tonight.

Amarillo and Pampa, with minimum temperatures of 17 degrees early today, reported snow. The temperature drop at Amarillo was 47 degrees from a high of 64 yesterday.

Wichita Falls reported heavy fruit crop damage, and Tyler and Denison reported damage was indicated for fruit trees, early crops and gardens if temperatures dropped much lower.

Light rains in the Palestine and Lufkin areas were expected to help combat extensive fires in the East Texas timber belt.

At Dallas, thermometers fell from a high of 68 yesterday to 24 at 9 a. m. Fort Worth reported a drop from 61 at midnight to 23 at 10 a. m.

Other minimum temperatures up to 7:30 a. m. included: Lubbock 17; Quanah 17; Alpine 20; Laredo 64; Brownsville 65; Corpus Christi 64; San Antonio 65; Austin 36; Galveston 56; Houston 57; Palestine 36; Wink 32; Brady 23.

Withholding Tax Plan Is Approved

WASHINGTON, March 2 (AP)—Congressional "Rum plan" backers planned today to tie a "skip-a-tax-year" provision onto legislation imposing a 20 per cent withholding levy against the taxable income of more than 30,000,000 persons earning wages and salaries.

A house ways and means subcommittee approved the withholding levy yesterday, effective July 1, as a means of weekly, semi-monthly or monthly deductions from pay envelopes and checks.

The levy would not be an additional tax, but sums collected through it would be applied to actual taxes as they are now computed.

Under this or any other plan that congress may approve, all taxpayers still must pay at least the first two installments of their 1942 income taxes, due March 15 and June 15.

FDR Recovering, Works At Phone

WASHINGTON, March 2 (AP)—President Roosevelt remained in the White House living quarters again today, canceling his usual Tuesday afternoon press conference, but receiving a limited number of visitors and handling a considerable volume of business by telephone.

Presidential Secretary Stephen Early said the chief executive is continuing to mend from an intestinal upset which he suffered last Thursday. Early said Mr. Roosevelt is "getting along all right" and continues "free from temperature."

LAUNCHING SET

HOUSTON, March 2 (AP)—The destroyer escort vessel USS Blakely, named in honor of the late Rear Admiral John H. Russell Young Blakely, will be launched March 7 at the Consolidated Steel Shipbuilding Yards, Orange, Texas, the Eighth Naval District announced today.

ST. LOUIS, March 2 (AP)—Residents of Ford county, Tex., remembering what the Red Cross did for them following last April's tornado, oversubscribed their 1942 war fund quota of \$2,250 five hours after the campaign got under way, making the Ford county chapter the first in the Midwest to oversubscribe its quota.

Included in the total were funds from a few residential areas, and also from a few more sections of the business district. Only one rural territory was reported.

Berlin Pasted In Heaviest Raid

Nazi Attacks In N. Tunisia Hurlled Back

24 Tanks Smashed, 600 Men Taken, 25 Planes Shot Down

ALLIED HEADQUARTERS IN NORTH AFRICA, March 2 (AP)—Allied troops have hurled back all of General Jürgen von Arnim's attacks in northern Tunisia, knocking out 24 German tanks in three days and killing at least 600 Axis troops, while in central Tunisia the Allies captured Sbeitla and drove on three miles farther east.

In one of their most successful days in the air in this campaign, Allied air forces shot down 25 Axis planes yesterday, an Allied headquarters communique announced.

The Germans made two more attacks yesterday toward Beja, west of Tunis and a short distance south of the Mediterranean coast, but were driven back after losing six tanks in one action.

Some 20 miles to the south, American and British struck out with a counterattack northeast from El Aroussa, killing at least 300 Axis troops and wiping out some machine-gun posts, front reports said.

Advices from the front reported an estimate that another 300 of the foe had been killed in fighting in the nearby Medjes-El-Bab-Goubellat area.

The Germans made their main thrust toward Beja and advanced to a point about seven miles from the town before being hurled back. Besides that, they launched an infantry attack at Toukabeur, about six miles northwest of Medjes-El-Bab, which also was beaten back.

Meanwhile American troops advancing on Field Marshal Rommel's trail entered Sbeitla, Kasserine and Feriana. Field reports said the three towns were occupied without fighting.

Only the fall of Sbeitla was announced in today's Allied headquarters communique. Sbeitla is 15 miles northeast of Kasserine and Feriana is about 20 miles southwest of Kasserine.

Both American and British planes struck heavy blows at Axis air and ground strength.

Flying Fortresses which are cutting deeper almost every day toward the heart of the Italian war front struck at Palermo, in Sicily, and fliers reported hitting five large merchant vessels and several smaller ones in the harbor.

Other families were evacuated as a precaution.

Four explosions were heard by residents of the area. Hospitals reported they had received no workmen for treatment.

LAUNCHING SET

HOUSTON, March 2 (AP)—The destroyer escort vessel USS Blakely, named in honor of the late Rear Admiral John H. Russell Young Blakely, will be launched March 7 at the Consolidated Steel Shipbuilding Yards, Orange, Texas, the Eighth Naval District announced today.

ST. Marvin Hall Is Confirmed

WASHINGTON, March 2 (AP)—Terming the president's nomination of former Governor James V. Allred of Texas to be a judge of the fifth circuit court of appeals as "political on again off again trifling with the judiciary," Senator Overton (D-La.) opposed his confirmation at a senate judiciary committee hearing today.

Allred arrived at the committee room shortly before the hearing began and encountered just inside the door the two senators leading the opposition to his nomination, Senator Ellender (D-La.) and Overton. They shook hands and exchanged greetings and then posed for photographers.

Senator Connally (D-Tex.) came in the room a moment later and Allred greeted him. The former Texas governor and more recently judge of the southern district of Texas sat in a chair behind Connally.

Sitting beside Allred was one of his principal supporters, Charles Francis, Houston attorney.

Before Overton began reading a statement in opposition to Allred, Connally commented that there had never been any question raised as to the character of Allred.

Overton told the committee he believed Allred resigned from the bench to run against W. Lee O'Daniel for the United States senate with the "prior knowledge and approbation, if not at the instance of the president."

"It was openly and frequently charged during the Texas senatorial campaign that if Judge Allred should be defeated, he had been assured by the present administration of another appointment on the federal bench, or that he would otherwise be taken care of," Overton said.

"I confess that it is for this committee and subsequently for the senate to determine whether the inferences to be deduced from these facts are such as to make the confirmation of the Allred nomination repugnant to our sense of propriety, our concept of judicial integrity and contrary to the independence and dignity of our courts of law and justice," he stated.

Overton declared that senate confirmation of Allred would be a violation of the Hatch act at least in spirit. Because Louisiana law is derived from the Napoleonic code, Overton said that it was essential for a Louisiana senator to be on the court.

The only reason a bill was passed by congress creating another seat in each state in the district to have each state in the district to have representation.

"If the nomination of Allred is confirmed," Overton declared, "Texas will have two judges, Louisiana no judge at all, and each of the other states a judge upon the bench of the court, because Georgia, Alabama, Mississippi and Texas each enjoy representation on the bench."

"The placing of two judges from one state upon the bench of the fifth circuit of appeals and leaving unrepresented another state, and especially a state whose laws, practices, and judicial procedure are radically different not only from the remaining states of the circuit but from all other states of the union, is so contrary to sound policy and I might add, to the usual custom, with reference to the appointment of judges for all circuits of the United States as to lead inevitably to the conclusion that considerations other than the best interest of the administration of justice dictated the nomination under consideration."

WASHINGTON, March 2 (AP)—The navy reported today that American dive bombers had attacked and started fires in the Japanese air base area at Munda on New Georgia Island in the Solomons Monday.

The raid was the 80th on Munda, in the central Solomons, since November 23 when the air force based on Guadalcanal Island began a campaign to destroy the enemy base.

BEAR CREEK, Mont., March 2 (AP)—Bodies found in small groups added steadily today to the toll of dead among 74 miners who were entombed Saturday morning by an explosion which loosed carbon monoxide in the Smith coal mine.

Fourteen bodies have been recovered—found singly or in groups of two or three. Only two were identified and brought to the surface.

DRIVE-AGE CHANGED

AUSTIN, March 2 (AP)—A bill signed into law by Governor Coke R. Stevenson will permit youths 17 years of age to drive school buses.

WASHINGTON, March 2 (AP)—Navy Secretary Knox promised senators today that "I will utterly destroy the Japanese fleet before the war is over."

And when it is annihilated, he added, "we'll probably impose upon her that she'll never have another fleet—she has exhibited that she is not qualified to have one."

The cabinet official made the statement in urging the senate foreign relations committee to approve legislation extending the lend-lease act another year.

Great RAF Fleet Drops 900 Tons Of Bombs On Capital

LONDON, March 2 (AP)—In a thunderous prologue to an invasion of Europe the Royal Air Force's monster bombers last night gave Berlin the heaviest single air raid ever heaped upon the German capital.

The day and night offensive by the RAF and by United States heavy bombers which culminated in last night's blaze of destruction over Berlin was described by Capt. Harold Balfour, undersecretary of state for air, as "preparing the way for United Nations forces to invade Europe."

"These are but the opening bars, which will rise to the crescendo of a march on Europe," he declared in an address opening Britain's "Wings for Victory" war savings campaign. "I can look ahead to the time when there will be no hour of the day or night when the axis can rest from the swoop of allied aircraft."

It was estimated that last night's great fleet of four-engined bombers dropped probably 900 tons of bombs, including two and four-ton "block-busters," on the German capital—twice the tonnage the nazis poured on London in any single night of the attacks of 1930-41. Nineteen planes of the huge fleet failed to return from that attack and raids on western Germany.

The attack was described as "a heavy, concentrated assault" carried out in clear weather, and the results were said to have been good.

"Berlin got it heavier last night than it has ever had so far," Capt. Harold Balfour, undersecretary of state for air, declared.

The communique said that Britain's biggest bombers—Lancasters, Halifaxes and Stirlings—took part in the raid.

The first wave of bombers started fires which later arrivals could see for 30 minutes before reaching the targets. On the REPRISAL?

NEW YORK, March 2 (AP)—Berlin radio commentator declared last night after the RAF's heavy raid on the German capital that American cities "may not be safe a few months hence." The broadcast was heard by CBS.

The Berlin spokesman, referring to himself as an American, said the raids on Europe were "particularly cowardly on the part of America, in view of the fact that our (sic) shores are still a safe distance from air bombs."

He added, "however, we should not forget that in consequence of the progress of aviation even New York with its much vaunted skyscrapers, Boston and Washington may not be safe a few months hence."

way home crews could see the fires from Bremen and Hanover. British planes also carried out intruder patrols over occupied France and land mines in enemy waters, the communique reported.

It was the RAF's sixth successive night foray over the continent.

Returning pilots reported that Berlin's landmarks stood out clearly last night. One pilot who spent 15 minutes inside the city's defense ring said that while great numbers of searchlights scanned the sky the anti-aircraft fire was not up to Berlin's usual standard.

Brig. Gen. L. H. Hodriek, judge advocate general of United States forces in this war theater, interviewed returning crews at one RAF bomber station. He said: "I was impressed and I believe Hitler was even more impressed. I certainly gathered the opinion it was a great raid."

The highest total of bombs ever dropped on London was believed to have been on April 16, 1941, when an estimated 450 tons hit this capital. A year ago 300 tons were dropped by the RAF virtually every night. Last Sunday night the RAF dumped 1000 tons on St. Nazaire, German U-boat base, within 30 minutes, and last Friday Cologne was struck by several hundred bombers.

It was the RAF's 80th raid on Berlin and the first since the daring daylight attacks on Jan. 30.

WASHINGTON, March 2 (AP)—Navy Secretary Knox promised senators today that "I will utterly destroy the Japanese fleet before the war is over."

And when it is annihilated, he added, "we'll probably impose upon her that she'll never have another fleet—she has exhibited that she is not qualified to have one."

The cabinet official made the statement in urging the senate foreign relations committee to approve legislation extending the lend-lease act another year.

Meanwhile the house rules committee, by a unanimous vote, approved a companion bill for house debate tomorrow. The action came after Chairman Bloom (D-

Timoshenko At The Head Of A New Red Push

MOSCOW, March 2 (AP)—Returning to the forefront of the Red army's operations against the Germans, Marshal Semyon Timoshenko has driven into their positions on a broad, wind-swept sector of the northwestern front in a sudden thrust that Nazi armor and heavy mortar fire were unable to halt, and has smashed the seasoned German 16th army, the Russians said today.

Today's noon communique did not mention the fighting in this sector, west of the Valdai hills, but from these dispatches indicated that Timoshenko has not had to halt his drive to consolidate his forces after sweeping over 600 square miles of territory and recapturing 300 villages in a sparsely settled countryside.

A special communique last night first told of the success of an eight-day-old offensive in which 8,000 Germans were reported killed and 3,000 captured.

It was the first official mention of Timoshenko in months and the campaign was his first important effort at northern fighting in this war. Previously he had been stationed on the Kharkov-Kursk fronts and on the southwestern front.

The strength of Germany's 16th army has not been stated but invests, the government newspaper reported that "numerous German divisions were defeated east of Lake Ilmen."

The German 16th army was known to have kept the area well-garrisoned with seasoned fighters who have had a year's rest from action since the Russian last winter attacked in the region of Staraya Russa, which they approached within rifle range.

The current fighting on the Valdai is reported to be west of the Valdai hills, which means that the Germans do not have this defense barrier from which to operate.

Pension Checks To Be Smaller By \$3

AUSTIN, March 2 (AP)—Old age assistance checks for March which will go into the mails in a few days—will be reduced \$3 each below authorization, resulting in an average payment of \$18.92 to 1,382,375 persons.

CRUSHED TO DEATH

CHATTANOOGA, Tenn., March 2 (AP)—Trapped in the collapse of three floors of stacked feed and seed, N. W. Walker, 28, was crushed to death late yesterday. The heavy supplies crashed through to the basement of the building. Three other persons were injured.

Destruction Of Japan's Fleet Promised By Knox

WASHINGTON, March 2 (AP)—Navy Secretary Knox promised senators today that "I will utterly destroy the Japanese fleet before the war is over."

First Methodist WSCS Has Afternoon Program On World Outlook

First Lesson Of Study Book To Be Held Monday

Circle Two of the First Methodist Woman's Society of Christian Service was in charge of the World Outlook program held at the church Monday afternoon by all circles included in the society.

The program topic was "No Duty One Can Leave To Him Who Lives With Thee," and centered around the thought of "Up-ruled People." The program dealt with church activities around defense centers and army camps. Those included in the program were Mrs. D. A. Watkins, Mrs. G. W. Chowne and Mrs. M. A. Cook.

Monday afternoon the group will meet at the church for the first lesson of the study book "Peace" which will be directed by Mrs. H. G. Keaton. The meeting is scheduled at 3 o'clock.

Attending the afternoon session were Mrs. W. B. Grealy, Mrs. John E. Redell, Mrs. M. A. Cook, Mrs. C. E. Talbot, Mrs. F. H. Taylor, Mrs. F. Johnson, Mrs. G. E. Trice, Mrs. W. A. Miller, Mrs. C. E. Shive, Mrs. Olie Corliss.

Mrs. Matt Lindloff, Mrs. J. R. Manion, Mrs. R. W. Thompson, Mrs. V. H. Fievelon, Mrs. Albert Smith, Mrs. W. D. McDonald, Mrs. B. E. Winterrowd, Mrs. M. E. Coley, Mrs. Jack Bishop, Mrs. S. E. Newberry, Mrs. M. L. Murray, Mrs. M. W. Wanta, Mrs. F. G. Powell, Mrs. H. Clyde Smith, Emma Gall Smith, Mrs. Clyde Thomas, Sr., Mrs. D. A. Watkins, Mrs. Pat Harrison, Mrs. Arthur Davis, Mrs. G. W. Chowne.

Club Meets At Settles Hotel

Mrs. A. R. Armstrong entertained members of the Leisure club with dinner and bridge at the Settles Hotel Monday evening.

The dining table was centered with an American Red Cross flanked with miniature flags on an oval refectory.

Mrs. W. N. Thurston won club high and Mrs. Tom Ashley, a guest, binged.

Other guests present were Mrs. Douglas Orms, Mrs. Ray Townsend, Mrs. Jim Reed, Mrs. Sam Goldman. Members attending were Mrs. Jack Miller, Mrs. Paul Dyer, Mrs. Jack Terry, Mrs. Jack Rayson, the hostess and Mrs. G. A. McLean, who is to be next hostess.

EMPLOYEE VOTE
WASHINGTON, March 2 (AP) — The National Labor Relations Board has directed that an election be held at the Lone Star Defense corporation, Texas, to determine a matter of collective representation, the board announced today.

Pull the Trigger on Constipation, with Ease for Stomach, too

When constipation brings on discomfort after meals, stomach upset, bloating, dizzy spells, gas, coated tongue, and bad breath, your stomach is probably "crying the blues" because your bowels don't move. It calls for Laxative-Senna to pull the trigger on those lazy bowels, combined with Syrup Pepsin for perfect ease to your stomach in taking. For years, many Doctors have given Laxative-Senna in their prescriptions to make medicine more agreeable to a touchy stomach. So be sure your laxative contains Syrup Pepsin. Insist on Dr. Caldwell's Laxative-Senna combined with Syrup Pepsin. See how wonderfully the Laxative-Senna wakes up lazy nerves and muscles in your intestines to bring welcome relief from constipation. And the good-old Syrup Pepsin makes this laxative so comfortable and easy on your stomach. Even finicky children love the taste of this pleasant family laxative. Take Dr. Caldwell's Laxative-Senna combined with Syrup Pepsin, as directed, on label or as your doctor advises, and feel world's best. Get genuine Dr. Caldwell's.

Mary Elizabeth Glass Honored At St. Patrick's Gift Party

Couple To Wed March 20, In Fort Worth

A green and white color scheme in commemoration of St. Patrick's Day was used at an informal gift party given by Myrtle Jones in her home Monday evening for Mary Elizabeth Glass, bride-elect of Lieut. Lawrence Ross IV. Miss Glass and Lieut. Ross will be married March 20 in Fort Worth.

A refreshment plate was served and favors were miniature airplanes.

Guests were members of the Beta Sigma Phi sorority, and those present were Evelyn Merrill, Maribel Menger, Omega McClain, Mrs. Hiram Knox, Mrs. Lloyd Weston, Mrs. Paul Darrow, Mrs. Theo Willie, Mrs. R. L. Perkins, Jr., Sara Reidy, Elizabeth McCrary, Dorothy Dean Sain, Tommie McCrary, Mrs. James C. Jones.

Sending gifts were Clarinda Mary Sanders, Harriet Hall, Mrs. Eddy Rae Smith and Mattie Shiles.

Dramatic Sketch From Air School On Radio Tonight

"The Man the Japanese Wanted to Use," a dramatic sketch featured by an interview, will be featured at 7:15 p. m. today over KBBT.

It will be the regular Tuesday program from the Big Spring Bombardier School, "The Men of the Air on the Air."

To be interviewed by Cpl. Harry Byrnes is Lieut. Richard D. Weigle, who was in Japan before outbreak of hostilities.

The sketch was prepared by 8-Sgt. Dale Francis, and Pvt. Neal Borenson will aid Cpl. Byrnes in the dramatization. It will be the last program for Cpl. Byrnes, who has been selected for cadet training and who will leave with a day or so for his home in Denver, Colo., before beginning his new work.

The ophthalmoscope, an instrument that permits examination of the interior of the human eye, is believed to have been invented in 1851.

A recent survey showed that about 70 per cent of the percent with dominant right hands also have dominant right eyes.

Auxiliary Meets At St. Mary's

Mrs. Shine Phillips led the devotional at St. Mary's Episcopal church Monday evening when the Women's Auxiliary met in the parish house at 7:30 o'clock.

Mrs. Carl Blomsheld was in charge of the meeting and plans for the spring style show were discussed. The group voted to serve at the U. S. O. in connection with a cooperative plan which other churches in Big Spring are participating in.

The church is sponsoring a dinner in the parish house Wednesday evening at 8 o'clock and all members are urged to attend.

Attending the meeting were Mrs. Blomsheld, Reta Debenport, Mrs. M. W. Paulsen, the Rev. and Mrs. R. J. Beall, Mrs. T. C. Thomas, Mrs. E. C. Jones, Mrs. D. M. McManey, Iona McAllister, Mrs. Dave Watt.

Wesley Methodist Group Meets

Mrs. E. R. Cawthron led the devotional at a business meeting held at the Wesley Methodist church Monday by the Woman's Society of Christian Service.

Those present were Mrs. J. B. King, Mrs. W. W. Coleman, Mrs. J. K. Whitaker, Mrs. D. R. Childers, Mrs. T. L. Lovelace, Mrs. Cecil Nabors, Mrs. Glen Lemley, Mrs. H. J. Whittington, Mrs. Arthur Pickles, Mrs. J. T. Morgan, Mrs. W. L. Porterfield, Mrs. J. D. Stenbridge and Mrs. W. D. Lovelace.

Girl Scout Pins Are Presented To Council Members

Miss Mae Chrysler, national scout representative, presented five members of the Girl Scout council with scout pins for outstanding work accomplished, and splendid cooperation with the local unit of Girl Scouts. Council members receiving pins were Horace Reagan, Lawrence Robinson, Dan Conley, B. J. McDaniel and Dr. J. E. Hagan.

Mrs. B. J. McDaniel, commissioner, presided at the meeting and others present were Mr. and Mrs. Dan Conley, Horace Reagan, Mrs. H. H. Rutherford, Mrs. A. B. Partridge, Mrs. Warren N. Edson and Mrs. Roland Schwarzenbach.

First Baptist Church Observes Prayer Week At Afternoon Meeting

Young People To Present Program At Prayer Service

Baptist Week of Prayer was observed at the Woman's Missionary Society program held at the church Monday afternoon. Topic of the program was "Word Entrusted With the Gospel in America." Mrs. M. E. Harland was program chairman.

Meetings throughout the week will be held in connection with the week of prayer, and will include observance, a young people's program services Wednesday evening, and an all day session Friday.

The group was to have met this afternoon at 3 o'clock for a program led by Mrs. J. B. Nell.

Mrs. W. J. Alexander led the group in the Lord's Prayer and Mrs. M. E. Harland gave the devotional on "Deminish Not a Word." Mrs. J. L. Hargnes gave a talk on the subject and Mrs. Linda Lewellen discussed "Work Among Chinese and Indians." Mrs. Dick O'Brien gave a paper on "Work Among the Jews."

Mrs. Harlan concluded the program with talk explaining the true value of offerings which was taken.

Those attending the meeting were Mrs. E. C. Hatch, Mrs. A. T. Lloyd, Mrs. O. G. Turner, Mrs. W. W. Edwards, Mrs. W. W. Sollow, Mrs. Linda Lewellen, Mrs. Allan Underwood, Mrs. G. T. Clay, Mrs. E. H. Switzer, Mrs. Theo Andrews, Mrs. Walter Douglas, Mrs. R. V. Jones, Mrs. E. E. Bryant, Mrs. A. L. Hutcheson, Mrs. R. V. Hart, Mrs. R. Reagan, Mrs. J. L. Hagan, Mrs. Carl McDonald, Mrs. W. B. Creighton, Mrs. Dick O'Brien, Mrs. J. B. Nell, Mrs. W. J. Alexander, Mrs. M. E. Harlan, Mrs. Roy Rogan, Mrs. C. E. Richardson, Mrs. Nat Shick.

TO TRANSFER NEGRO

Walter Hampton, negro, serving a jail sentence here for theft, will be returned Friday to Alico, Fla., where he will face other charges of burglary and theft, Sheriff Andrew Merrick said Tuesday.

HAS TWO LUCKY BREAKS
BERKELEY, Cal. — Mrs. Grace Harris feels that she got two lucky breaks in a single wartime day.

After standing in line for an hour she succeeded in securing a pot roast for the Sunday dinner. That was lucky break No. 1. Then she went to a shoe store and purchased

two pairs of shoes at 9:50, a minute before closing time on Saturday. The next day, shoes were rationed. That was lucky break No. 2.

IN COLLEGE AT 18
CHESTER, Pa. — Graduated from high school at 14, and now attending University of Pennsylvania, 15-year-old Charles Frits

need have no fear the Army will interrupt his college education. Frits is taking a combined course in electrical engineering and business administration.

CAMPFIRE TREES FLOURISH
LOS ANGELES — With 15,000 matured trees already flourishing in Los Angeles County, plans are

under way to make the country self-sufficient in camphor, thereby replacing the \$22,000,000 annual supply heretofore imported from Japan and Italy.

TEST *Patrolman Jerry Pitts*
Special Machines between March and April. Long time Jerry Pitts' machine had been in the shop for repairs. He tested it, and it worked like a charm. At 10:00 a. m. only 200

State Schoolboy Tourney Starts On Thursday

AUSTIN, March 2 (AP)—Basketball play in the Texas interscholastic league's 1943 tournament begins here Thursday with conference AA and A teams both seeing action.

Conference B teams start Friday, according to pairings announced by Rodney Kidd, athletic director.

Jeff Davis of Houston, defending champion, meets Waco in one AA contest. In others Lufkin is pitted against Dallas' Highland Park; Dallas Tech meets El Paso's Bowie; and Amarillo plays Austin.

In conference A, French High of Beaumont opposes Arkansas Pass; Holliday meets Amon; Mount Vernon plays Gladewater's Sabine High; and Lakeview goes against San Antonio's Sidney Lanier.

When conference B play opens, Midland opposes Leona; Big Lake's Reagan County High meets Midway of Howland; Idalou encounters Ingleside; and Fayetteville is matched with Sidney.

Prima favorite in conference AA are Jeff Davis and Dallas Tech, the former with 35 wins and one loss in the season's play, and the latter with 11 wins and no losses.

Amarillo is another undefeated entry, having played and won ten.

SPORTS ROUNDUP

By HUGH FULLERTON, JR.

NEW YORK, March 2 (AP)—John McDonald, who's going to Montreal anyway, is the first to say that the Army threw Durocher out on his ear. . . . Which probably is the last word on the subject. . . . First Navy men to take advantage of the ruling allowing them to compete on college teams apparently were wrestlers Benjamin Finger and William Byrdam of the Pennsylvania preliminary pre flight outfit. They joined the Penn varsity Saturday to wrestle against the Navy. . . . The Washington Redskins already have a pile of 1943 season ticket applications, but there's been no sign of a rush for opening-day duets at the Senators' baseball office.

Losers win—Al Warden of the Ogden Standard Examiner relays this year about how another Utah scribe, Ralph Jordan, managing editor of the Salt Lake City Desert News, once fell down on an assignment with notably successful results. . . . Jordan was running for Utah State College when he lost a shoe and fell. . . . Four Utah U. rivals were so close behind that they all tumbled over him while the other State athletes had room to go around the pile-up and finish 1-2-3.

Today's guest star—Stanley Woodward, New York Herald Tribune: "The fighter ever has had a more enthusiastic reception than Johnny Greco. He deserves it because he is a good clean puncher who eschews holding and mauling. Also because he beat a man who wears a root suit."

Sportspouri—Open golf champion Craig Wood, who played with his back in a brace when he won the title, recently underwent an operation to correct a spinal disorder that caused the Marines to turn him down. . . . Sep Palin is going ahead with his plans for a big twilight harness racing program at Cleveland's North Randall track but he wishes some of the sponsors were a bit faster with their check books. . . . The Boston Olympics have signed up the crack forward line of Dartmouth's hockey team, Dick Rondeau, Bill Harrison and Billy Riley, as well as goalie Phil Carve and winger Jim Edgeworth from Boston College.

Cleaning the cuff—The National league's current "iron man" is the Phil Danny Litwiler with 266 consecutive games—and no cracks, please. About the iron men in the stands who endured watching all of them. . . . When Clyde Sukeforth, the new Dodger coach, arrived from his home at Waldoboro, Me., yesterday he brought as a present to boss Branch Rickey a box of about 50 smelts he had caught fishing through the ice. . . . One of the assembled scribes remarked that it isn't the first time the Dodgers have smelt.

Warmerdam Is Given Commission in Navy

PIEDMONT, Calif., March 1 (AP)—Cornelius Warmerdam, the world's greatest pole vaulter, has been commissioned an ensign in the navy and plans to leave March 13 for training at Chapel Hill, N. C. While no other athlete has been able to clear 15 feet, Warmerdam has vaulted over that altitude dozens of times and holds the unofficial world record of 15 feet 7 3/4 inches.

2052nd Stays As Threat In AAFBS Loop

The 205th air base headquarters squadron maintained its lead but the 2052nd Ordinance kept its hot breath on the back of the leaders in another round of the enlisted men's basketball league at the Big Spring Bomber School Monday evening.

The Ordnance turned back the 205th handily, 51-23, with Kirk setting the pace with 14 points. No such easy time befell the 205th, which was hard pressed to defeat the 21th, 35-31. Weinstein and Frank led the attack with nine and Millard, the headquarters scoring ace, was held to seven points.

With Danham warming up with 19 points, the 216th pounced on the 104th guard squadron by a 23-20 count. Wroble played a good game for the losers, getting 14 points.

In the fourth game of the evening, the Medical Detachment socked up another game, tripping the 218th by a 25-23 score. Tracy, with eight, was high point man for the winners.

FLASHES OF LIFE

By The Associated Press

NEW YORK (AP)—When May Lee, 27, a laundress of Jackson Heights, Queens, was inducted into the army he put this note in the window:

"Please call for laundry at shoe-maker next door. Key is with him. I have date with Uncle Sam."

That was all right with Tom Laconio, the shoe man, who has a son in the army.

But Lee pulled out without explaining his Chinese bookkeeping system. By searching through the bundles, Laconio was able to identify the laundry of the customer who called. What confuses him is that he still has bundles left.

AS POINT SALUTE OLYMPIA, Wash.—"Two cans of pineapple, please."

"Two cans?" the clerk asked the youth. "Why, that would take your entire 48 points for the month."

"I know; they're a present for mother. I'm going to the army."

WOMEN'S PLACE—PUEBLO, Colo.—"Hug! Nothin' but women!" snorted City Jailor Joe Zeller as he glanced at the occupants of his three cells.

It was the first time in two years Zeller hadn't had a male prisoner.

DEFERRED SENTENCE—ROSWELL, N. M.—Yeoman Chuck Mitchell of the Roswell navy recruiting office bought a hen for Sunday dinner.

Saturday night she laid an egg. She's still alive. Mitchell hopes she'll lay some more.

SAIL ON, CHICAGO! CHICAGO—"Buy a bond for your youngsters" is the slogan adopted by Chicago trade union groups in their campaign to raise \$2,000,000 for the 40 million dollar fund to replace the Cruiser Chicago, sunk in the South Pacific.

Responding to the suggestion, Thomas A. Biggy brought 12 of his grandchildren, ranging in age from one month to 13 years, down to union headquarters, and bought each a \$25 war bond. He also bought a bond for another grandchild who wasn't present.

New Amendment On Tire Certificates

DALLAS, March 2 (AP)—Last week a grade three certificate would get its holder a new war tire—today, the best it will do is a used or recapped tire.

A new tire regulation amendment prohibits any dealer or consumer from obtaining a war quality tire on a grade three certificate.

The OPA said the amendment places the war tire in grade two.

The Right Score, But Wrong Hoop

IDAHO FALLS, Idaho, March 2 (AP)—Both teams realized a single point might decide their hot high school tournament fight.

John Burwell, forward of the Roberts team, scored the winning goal—but Roberts lost to Inna 25 to 24.

Burwell had tossed the ball through the wrong hoop.

Brownwood Coach

BROWNWOOD, March 2 (AP)—After 15 years, Howard Payne College was without its veteran coach, McAdoo Keaton today. Keaton turned in his resignation and became physical education supervisor and head coach for Brownwood High school.

Cable Engineer Is Claimed By Death

LONDON, March 2 (AP)—Hollo Appleyard, 75, cable engineer, physicist and inventor, died at his home in London yesterday.

His greatest engineering triumph was said to have been the core of the Pacific cable between San Francisco and Honolulu.

PRISONERS KILLED—WELLDINGTON, N. Z., March 2 (AP)—Forty-eight Japanese war prisoners have been killed as a result of a mutinous outbreak at a war prisoners' camp, it was announced today.

Two Cage Shooting Marks In The Bag; Third On The Way

By DICK BOYD

SALEM, W. Va.—Pleasant moves over, Luisetti, Chuckovitch, Griffith and the rest of you, and make room for Abramovic.

Oh, yes, and you—I mean you with the pistol—you can start work on that stone plate to go under his niche. Make it read like this:

"John (Brooms) Abramovic, Salem, 1935-1943."

Then chart the spaces for his records. Might even go ahead with two of the records. That about him having scored 57 points in one game, and the other—77 points in one season.

But leave a space for his four-year record.

Now we're away from the Hall of Fame, let it be explained that Abramovic has already broken the basketball scoring record for four years of college play, but Salem has five games to go and there'll be some more points to add.

Brooms has already crossed the 2,000 point mark—an average of more than 500 a season since his freshman year at the little denominational college—and with a reasonable certainty it can be said that his final record will be approximately 3,177, unless the Tigers should schedule some additional games.

This sounds like splitting hairs, but Brooms, whose nickname is a reminder that his father manufactures that household article at his plant in Etna, Pa., has so consistently maintained an average of close to 29 a game that the estimate derives from simple multiplication and addition.

He had scored 359 as a freshman, 965 as a sophomore, a record-shattering 777 as a junior; and in 18 of 23 games scheduled this season his total is 804—an average of 28.

This totals 2,035, a figure exceeding by 84 the record of 1,941 established by Kenny Griffith who played for Alderson-Broadus at Philippi, less than 35 miles from Salem.

Brooms and Kenny had played against each other in Brooms' freshman and sophomore years.

Both were workmanlike players, but they employed different styles, and in comparison Griffith easily shaded his rival. Kenny frequently attempted—and scored

"BROOMS" ABRAMOVIC Tops 500 Points A Season

—on long shots. Brooms seldom shot from back of the foul line.

Griffith would gallop about the floor, mixing in the scrimmages. Brooms appeared to loaf.

But like a well-oiled though unspectacular cog in a machine, Brooms happened at the right spot at the right time, and the points piled up.

Brooms has hit 80 points only twice; but in both cases he established new records.

The first, in which he counted 53 points, broke a mark of 52 points credited to Charles (Chuck) Chuckovitch, the former Toledo star, who had blotted out the record of 51 established by the former Stanford ace, Hank Luisetti.

(Luisetti also held the all-time scoring record — of 1996 — until Griffith came along.)

Brooms, however, reached a new peak this season when he collected 57 points in a game against Rio Grande college.

With only five games to play before Brooms is scheduled to depart for service in the Naval reserve, this doesn't leave many records for the Salem sharpshooter to point for. But don't be surprised if he should happen to pull another one out of the hat. He seems to produce them when they're least expected.

Pennant Winners Cardinal Trainer Sees Long Handles As Way To Loop Title

By GEORGE J. KIENZLE

COLUMBUS, O., March 2 (AP)—The trainer of the world champion St. Louis Cardinals has a new plan for wrapping up the National league pennant—long underwear for players in chilly spring and sweaters in summer, too.

Dr. Harrison J. (Doc) Weaver said today he had bought 144 union suits for the Cards and "if they'll only listen to reason and wear them winter and summer, they'll win the pennant in a walk."

Doc, for two decades a devotee to longies the year 'round, says "union suits will do the players a lot more good" than those vitamin pills Club Owner Sam Breadon feeds the boys to sharpen their eyesight for night games.

"By keeping out dust and dirt, long underwear keeps players comfortable and in good spirits, and that's what it takes for boys like mine to win pennants," the trainer said. "They'll win anyhow, but they'll take it in a walk in longies."

The good doctor added that his favorite kind of underwear would reduce "allders," those strawberry red bruises players often come up with after hitting the dirt.

Weaver became a longie addict at 26 because he "couldn't stand the feel of the goods they put in pants on the naked knee." He has been preaching his union suit gospel to Card players for 16 years — to no avail.

Junior College Cage Tournament Warming

WACO, March 2 (AP)—The state junior college basketball tournament was warming up today after four teams advanced to the semifinals last night.

Winners were Paris Junior college, Lamar of Beaumont, Blinn College of Brenham and Kilgore Junior college. Paris is meeting Lamar today and Blinn is playing Kilgore.

Only Two Yank Pitchers In 'Training'

By DICK BOYD

ST. PETERSBURG, Fla., March 2 (AP)—The late Miller Huggins wouldn't have recognized the opening of spring drills on the expansive, modern baseball park named in his honor by the New York Yankees.

There yesterday, the old Yankee manager would have seen a couple of pitchers cautiously warming up their arms instead of the usual large and well-equipped squad of stars and hopefuls in a peppery workout.

It was wartime training as Scout Johnny Nee, sporting a \$5 catcher's mit, the best he could locate, handled the offerings of Spurgeon Chandler and Johnny Murphy, while a third Yankee pitcher, Alvey Donald, was "benched" because his equipment had not arrived from New York.

Chandler, Murphy and Nee put in a hard hour-and-half and were showing the effects of the Florida climate after a spirited pepper drill and a few laps around the field.

There yesterday, the old Yankee manager would have seen a couple of pitchers cautiously warming up their arms instead of the usual large and well-equipped squad of stars and hopefuls in a peppery workout.

It was wartime training as Scout Johnny Nee, sporting a \$5 catcher's mit, the best he could locate, handled the offerings of Spurgeon Chandler and Johnny Murphy, while a third Yankee pitcher, Alvey Donald, was "benched" because his equipment had not arrived from New York.

Chandler, Murphy and Nee put in a hard hour-and-half and were showing the effects of the Florida climate after a spirited pepper drill and a few laps around the field.

Girls Pro League To Operate This Year

By DICK BOYD

CHICAGO, March 2 (AP)—The new all-American girls professional softball league, backed financially by Phillip K. Wrigley, owner of the Chicago Cubs, plans to operate this summer mainly in the Chicago area, but will scout for talent throughout the nation.

Nothing definite has been announced on salaries, but they are expected to be on a scale ranging from slightly under \$50 a week to as high as \$80.

Charley Root Heads Hollywood Club

By DICK BOYD

HOLLYWOOD, Calif., March 2 (AP)—Charley Root, veteran right-handed pitcher, is new manager of the Hollywood Stars of the Pacific Coast league, signing a one-year contract at an undisclosed salary.

He succeeds Oscar Vitt, former Cleveland manager, released for economy—in favor of a playing manager. Root, with the Chicago Cubs 16 years, played with the Stars last season.

Metropolitan Cage League Planned

By DICK BOYD

NEW YORK, March 2 (AP)—Athletic directors of nine colleges in greater New York City will meet next Monday to consider formation of a metropolitan basketball league. The possibility of such a circuit often has been discussed but supporters now predict it will be perfected because of wartime travel restrictions.

Sport Briefs Former Frog Starts Winning Awards

By DICK BOYD

LA JOYA, Tex., March 2 (AP)—Johnny Langerhans, former University of Texas athlete who coached La Joya High school for three seasons, has been named an instructor at Keiser Field. Miss. He now is a sergeant.

BEAUMONT, March 2 (AP)—Clay Touchstone, veteran pitcher of the Oklahoma City Indians, has been sold to the Baltimore Orioles but is reported undecided whether to play baseball this year. He is co-owner of a club here.

PEARL, March 2 (AP)—The boys at Texas Christian University with whom a guy nicknamed Dutch used to kick a football around can be proud of the way he now is kicking the Japs around in the South Pacific.

He is Lieut. Melville E. (Dutch) Ehlers, former T.C.U. football star and now a Flying Fortress pilot. His parents, Mr. and Mrs. A. J. Ehlers of Pflug, have been notified that in addition to two earlier awards, he now has received the Distinguished Flying Cross. The citation came because Lieut. Ehlers helped sink a Japanese destroyer and took part in a recent devastating raid.

ORANGE, March 2 (AP)—Barnes Milan has become head coach of Orange High school, succeeding Brooks Conover, who is accepting a commission in the navy. Milan was assistant coach last year.

AMARILLO, March 2 (AP)—Bob Seeds probably won't play baseball this year although he has been offered two contracts. Seeds, released by Indianapolis so he could become manager at Oklahoma City, had his new job swept away when the Texas league decided to suspend operations. Bob says he plans to continue his work in an ordnance plant here and may play semi-pro ball this summer.

SAN ANGELO, March 2 (AP)—Jewel Wallace, last year head coach of football and basketball at Greenville High school, has been signed to a contract for a similar position at San Angelo High school. He succeeds C. A. (Rocky) Rundell, who has entered the navy.

49 Listed For The Preakness

By DICK BOYD

BALTIMORE, March 2 (AP)—Four sons and several other relatives of former winners of the Preakness Stakes were among 49 colts eligible today for the 83rd running of Pimlico's most famous race, but the likely favorite—missing from the list—is the son of a horse which didn't contest the event.

That one is Count Fleet, holder of the world's record for the mile as run by a two-year-old and winter book favorite for the Kentucky Derby.

The Preakness will be run May 3, as usual just a week after the Derby.

Tennis Champ Wants To Get Into Business

By DICK BOYD

WINTER PARK, Fla., March 2 (AP)—Attractive Paule (Bobby) Betz, having achieved a long-held ambition to become the women's national tennis champion, now has her heart set on getting into big business.

The late 23-year-old blonde will graduate from Rollins College here June 2 and she frankly admits she's trying for a post graduate scholarship at Columbia University to continue her work in economics.

"And then I'd like to get into business," she said today.

Physician Dies

DALLAS, March 2 (AP)—Dr. A. Blasingame, veteran Denton physician, died at a Dallas hospital yesterday following an operation.

VETERAN TELEPHONE RE-ENLISTS

Desk telephones—sturdy veterans that figured in the growth of America's telephone system for years and years—are being called back for wartime service.

More and more, telephone materials and telephone production lines have been shifted to supply things the Army and Navy must have. That means less and less for the nation's telephone system. So thousands of these old-timers are coming off the shelf.

They are ready to do their part in meeting today's tremendous demand for telephones.

They are good telephones—first-class talking instruments. And they'll do a first-class job of carrying the calls of a nation at war.

SOUTHWESTERN BELL TELEPHONE COMPANY

Meet The Bombardiers— Texas Supplies Its Quota Of Men In Training Here

The fighting state of Texas, as would be expected, is strongly represented in the newest class of bombardier cadets now in training at the Big Spring air station. Meet some of the young men from the Lone Star state:

Claude Hix Doys, Kingsbury, studied at Southwest Texas State Teachers college. He was in the production department of an oil company before entering the service three years ago. One brother is in the cadets, another is in the navy. Alvis David Roberts, Fort Worth, studied at Southern Business college, played semi-pro baseball. He was an office administrative worker in an oil company when he entered the cadets. Joseph E. Wilson, Greggton, studied at Kilgore Junior college and Texas A. & M. Football, basketball and tennis were his school sports. He was a salesman for a rubber company in civilian life. Louis S. Stephen, Houston, went to high school in Oklahoma City where he was a member of the basketball, swimming, wrestling and boxing teams. His hobby is collection of modern records. His father is in the marines.

Joseph C. Hendrix, Jr., Dallas, went to high school in Birmingham, Ala., where he played football, tennis, golf and baseball. He was a produce buyer in Dallas before entering the service. Durward E. Timmons, Weston, holds two college degrees. His bachelor degree came from North Texas State Teachers college while his masters is from Texas A. & M. He was a teacher in civilian life, played trombone in symphonic orchestras. Two brothers are in

REMEMBER THIS FIRST During This Sweeping Wave of Miserable Colds

Take no chances in these days of spreading colds, count on only dependable medication when fighting colds, coughs and sores. Take St. Joseph Aspirin. No aspirin can do more for you. None is faster, none more dependable. In buying aspirin demand the world's largest seller at 10c, genuine, pure St. Joseph Aspirin.

the navy. Wayne W. Dillard, Gainesville, Tex., was an administrative official in the bureau of agriculture at Gainesville. Two brothers are in the army. He attended Brantley Draughon Business college in Fort Worth. Robert F. Waller, El Paso, studied at Texas university and Texas Mines before he left school for the cadets. Basketball and football were his favorite school sports.

Wayne E. Nesbitt, Houston, was the manager of a garage at Houston before entering the service. A brother is also in the army. Cadet Nesbitt was a Golden Gloves boxer for two years, still has boxing as his favorite hobby. John J. Finchback, Columbus, was a photographer for a commercial motion picture company before entering the army, had been an exhibition ballroom dancer and dancing teacher for several years before entering the service. Swimming and basketball are his favorite sports. Charles M. Stewart, El Paso, studied at Texas College of Mines, lettered in track, basketball and football at high school. He left school to enter the army. Swimming is his favorite sport. He was a member of a club for Pre-Medical students at college.

Head-On Collision Is Fatal To Three

BELTON, March 2 (AP)—Three persons were dead today as the result of a head-on automobile collision five miles south of here on the Austin highway.

Dead were: Gus Kruhl and Miss Martha Kruhl, his sister, both of Bertram; and Private William Stalen of Dallas, stationed at Fort McIntosh in Laredo.

Miss Emma Kruhl of Austin was critically hurt and two other persons, Mrs. Albert Kruhl of Austin and Corp. Presto H. Coulter of Tyler, were less seriously injured. The accident occurred late yesterday.

1-B Foster Made Ready For A Test

Ray Oil Co. No. 1B Foster, third well in a new extreme eastern Howard county pool, was cleaned out to bottom after cementing breaks in casing and ready to test.

Shot with 300 quarts from 2,750-55 feet three weeks ago, the test swabbed 80 barrels in five hours before a fault in casing let in water. This was cemented off but other breaks occurred. Operators ran around 600 sacks to perfect a job that shut off the water. Location is 120 feet out of the northwest corner of section 48-30-1N, T&P.

There was strong possibility that rig would be skidded next week to the company's No. 1-B Read, 200 feet out of the northeast corner of section 48, a direct south offset to the discovery well, the Ray No. 1 Read.

The Coedon Petroleum Corp. No. 1 Ida A. Smith, six miles north of Vincent, an exploration in the southern edge of Borden county, was reported at 1,611 feet in hard lime. It created some excitement last week when it drilled into a soft spot, but no oil shows were reported. Operators anticipated another break in the hard section soon.

W. C. Guthrie No. 1 Allen, two miles from Vincent in Howard county, was reported at 2,157 feet in lime.

Coedon Petroleum Corp. and W. D. Casebolt No. 1 C. C. Thompson, wildcat six miles east of Colorado City in Mitchell county, was reported at 1,925 feet in lime. It is 600 feet out of the northeast corner of section 15-25, T&P.

In northwestern Sterling county, the Colter Refining Co. No. 1 Reed, deep wildcat in section 8-30, W&NW, was reported below 8,190 feet in sandy lime and black shale. The Ohio Oil No. 1 Clark, southeastern deep exploration, section 6-A, R. R. Wade, was reported at 8,465 feet in dolomite.

ZOO USES TOUGHEST MEAT SAN FRANCISCO — San Francisco Zoo animals are going onto the toughest diet it is believed the world affords. Owing to a shortage of horsemeat, they will be fed the meat of wild burros from the Mojave Desert, said to be as tough as mules are stubborn.

Many From Knott In The Service

KNOTT, March 2—The list of men and boys from the Knott community who are in training and serving in the armed forces of the United States grows every day. Following is the rank and station of some of them: Pvt. Howard Autry, Camp Livingston, La.; Alton V. Awall, Camp Adair, Oregon; Pvt. Glyn E. Sample, Camp Clairborne, La.; Herschell Johnson, formerly stationed at the Big Spring Bombardier School and now at Childress; Opl. James L. Curry, Portland Oregon; Sgt. Stanley Hanson, Fort Bliss; Pvt. Jack Althart, 9 Postmaster, San Francisco; P.F.C. A. J. Gross, Key Field, Meridian, Miss.; Pvt. Bobby Williams, Camp Adair, Oregon; Marcus Smith, A.S.N., Seattle, Washington. Smith has just returned to his station after spending a 7 day furlough here with friends and relatives; Pvt. T. Palmer Smith, Camp White, Oregon; Martin E. Brown, A.S.N., 1/2 U.S. Navy at Alameda, Alameda Calif.; P.F.C. Bert D. Mathies, Randolph Field, Tex.; Pvt. Jesse Henson, Patterson Field, Ohio; P.F.C. James L. Sanderson, Camp Edwards, Mass.; Pvt. Chester Bernard, Ft. Lewis, Washington; Pvt. Doyle Reid, Camp Crowder, Mo.; Pfc. Cecil Autry, Camp Edwards, Mass.; Pvt. Judson Lloyd, Camp Edwards, Mass.

Rev. Cecil Rhodes returned home Thursday from Snyder where he was called last week by the serious illness of his father. He reports his condition some what improved.

Mr. and Mrs. R. A. Brown had as guests over the weekend their son and family, Glendon, and Mrs. Clay Henson of Brownfield. Joe another daughter arrived from Houston for a visit. She is Mrs. Lee Henry.

Marjorie Smith spent the weekend visiting with her sister, Mrs. Elgin Jones, and Mr. Jones.

Mr. and Mrs. Millard Shortes returned here last week from California where he has been employed in defense work. She is a daughter of Mr. and Mrs. O. C. Bayes.

Dayton Chisholm returned from San Antonio where he visited with his brother, who is confined to a hospital with injuries suffered in an airplane accident while on duty in the Air Corps.

Mr. and Mrs. Floyd Shortes have word that their son, Jimmy, who was formerly stationed at Goodfellow Field, San Antonio, has been transferred to a new station. He was here last weekend visiting with his folks.

Members of the War Recreation Council met at the chamber of commerce Monday afternoon to hear reports of the USO work being done and to make future plans. Ross Clarke, USO director, reported on the contract let for the remodeling to be done at the center. The council voted to write a letter asking for a small supply of critical materials to be needed in the remodeling.

Report of the nominating committee was heard and the council unanimously voted that C. J. Staples be elected chairman of the council to replace Mrs. J. Gordon Bristol, resigned. Boyd McDaniel, temporary chairman, presided during the election. D. B. Dixon, federal security agencies representative, spoke on the workings of the War Recreation Council and explained that the council was a liaison body between the city and the USO and the USO center.

Capt. Harry Wheeler, special services officer for the Big Spring Bombardier school, told of work planned for a negro USO center for negro soldiers stationed here. The council building committee was named to work with Capt. Wheeler and Clarke to assist with plans.

Others present were the Rev. P. D. O'Brien, Mrs. Hayes Stripling, J. H. Greene, G. C. Dunham, Ben LaFever.

Nazis Strengthen Guard In Norway

STOCKHOLM, March 2 (AP)—Germany's "total mobilization" of manpower in conquered countries is expected to cause a mass flight of Norwegians across the Swedish border.

As a result of the unrest, the nazis have greatly increased their guard along the Swedish border and have supplemented the guard service with bloodhounds. It is reported that a barred zone will be established around Oslo.

Ed Murrow

talks to us from London

Excerpt from broadcast from London by Edward Murrow,
commentator for the Columbia Broadcasting System in London

DID YOU ever see an army—a battered, broken, beaten, bitter army—come home?

Did you ever hear strong men with the mud and blood still on them asking, "Where were our tanks? Why did we have no planes? Why no armor-piercing ammunition?"

Well, I have—twice. When friends of mine came home from Norway and Dunkerque.

It's not a pretty sight. But I can't help thinking about it today, when it's my turn to talk about War Bonds.

You have been told to buy War Bonds—to join a 10% club—to help yourself as well as your country, and get \$4 for every \$3 you put in. Those may all be good arguments. But from over here, things look a little different.

There are a lot of American boys over here now—hundreds of thousands more are coming. Together with their Allies, they are preparing to undertake the most difficult of all military operations—a sea-borne landing on the most heavily-defended coast in the world.

You want those boys to win. You want them to have the necessary gear—and better gear than their enemies have. You want bridgeheads bombed out for them. You want a fighter-plane umbrella over them while they land.

And if you want it hard enough to help pay for all the stuff those boys are going to need, do this: Even though you're doing about all you can, take another look and see if there isn't a little more that you can spare for War Bonds—*now!*

WHY U. S. WAR BONDS ARE THE SAFEST PLACE YOU CAN PUT YOUR MONEY!

1. They are obligations of the United States. If this isn't safe, nothing is!
2. For every \$3 you invest in War Bonds you get back \$4 at the end of 10 years.
3. They do not fluctuate in dollar value—are never worth less than you pay for them.
4. You can name one individual either as co-owner or as beneficiary *right on the face of the bond.*
5. Your savings in War Bonds cannot be lost or stolen. Each bond is registered at the Treasury Department.

**EVERYBODY—
EVERY PAYDAY 10% IN WAR BONDS**

Valley Folk Celebrating Charro Days

BROWNSVILLE, March 2 (AP)—The Texas-Mexican border folk were shined and polished today in readiness for their second international festival of the season—the Charro days celebration which gets along without speeches, kings or queens.

Already the first fines, maximum one peso, have been levied against menfolk who failed to raise beads decreed for the fete.

Five thousand children, a fifth of them from Matamoros across the Rio Grande, will parade Friday afternoon in costumes typical of different sections of Mexico. Costumes, street dancing, music and carnival frolic combine to make up the four-day program beginning Thursday. Strolling troubadours give it an added Latin touch.

Brownsville will be host for three days, then ancient Matamoros takes over Sunday, offering a bullfight and musical pageant.

The celebration here follows by a few days Laredo's fiesta honoring George Washington.

Charros are men on horseback, gaily-costumed in the bold colors Mexicans love. Matching their bright dress will be the China poblanas, fleets garb worn in some sections of Mexico. Legend says a young first designed by a young Chinese princess who came to that country a hundred years ago.

Charro days started six years ago. This celebration is bearing down on the good-neighbor aspects and an entertaining service men from nearby camps.

Cotton Problems To Be Aired In WTCC Programs

For victory in war and peace, let's plant more cotton.

To its 130-county territory, for the next eight weeks, the West Texas Chamber of Commerce will be sounding that appeal. Wednesday morning the regional chamber will go on the air with the first of 16 broadcasts seeking to prove its all-out claim that a serious shortage is developing in supplies of cotton, ranking next to steel in war production needs.

The only way to meet the shortage, contends the WTCC, is to produce a larger than average crop, mainly from increased planting.

The chamber will beam its message to cotton farmers of West Texas, urging them, both as a contribution to the war effort and as a plain piece of good business for themselves, to utilize to the fullest the 1943 acreage allotment handed down by the Department of Agriculture, and plant every legal allowable acre. The program will be carried on ten radio stations in the area. Scheduled are two broadcasts a week, the second logged for next Sunday afternoon. Thereafter the program will be on the air every Wednesday morning and Sunday afternoon. KBST, Big Spring, will carry the programs at 7:45 a. m. Wednesday and 3:15 p. m. Sunday.

All phases of the industry will be looked at by the WTCC commentators. Among the subjects handled will be West Texas production facilities; costs of production here and elsewhere; relative percentages of quota underplanting; cotton's influence on West Texas life along with its contribution to war and the post-war world; and its accelerated new uses. Shown also will be the need of cotton products as clothing and shelter for the armed forces, for munitions making and as necessary food for humans and high protein feed for animals.

Direct Hits On Subs Questioned By Secy. Knox

WASHINGTON, March 2 (AP)—Navy Secretary Knox questioned today whether aerial bombings of German submarines based along the northern coast of France were doing direct damage to the U-boats holed up there between foreign into the Atlantic.

Knox, estimating that the enemy had 300 to 400 submarines presently available, told a press conference he was unable to say how effective the bombing attacks were "in direct hits" and emphasized that "some of the shells (in which the submarines are kept) are heavily protected."

The secretary was asked whether the bombings had been effective and he replied: "Well, if you put it that way, I'll say they are effective. They certainly are doing some damage—if nothing more than disrupting the life of the community."

Asked whether there was any evidence of an increase in the U-boat force now on active operations, Knox said Allied skimming in the Atlantic. Secretary Knox replied there was no such evidence and said the Atlantic situation "has been pretty stable lately."

Hastily, however, he added, "that doesn't mean they can't increase—I think they have 300 to 400 subs available."

This estimate was considerably more conservative than estimates by many naval men who have placed the German submarine strength probably 400 to 500—possibly even more.

Full Labor Probe Is Being Talked

WASHINGTON, March 2 (AP)—An investigation of the entire field of labor relations was projected in congress today as two house committees drove ahead with "work or fight" and other labor legislation.

Rep. Ramspeck (D-Ga.), ranking majority member of the usually inactive labor committee, predicted that body would order a general labor study next week in response to his request to Chairman Newton (D-N.Y.).

As Ramspeck made public his plea for action, the house rules committee met to vote on the Hobbs anti-racketeering bill and the naval committee summoned Secretary Knox to testify tomorrow on absenteeism in navy yards.

At the other end of the capitol Senator Byrd (D-Va.) introduced a bill authorizing draft boards to order strikers workers back to work or induct them into the armed forces.

Livestock

FORT WORTH, March 2 (AP)—A fairly active and fully steady trade was maintained on the livestock market Tuesday in the cattle and calves divisions.

Good to choice fat steers and yearlings 10.00-85, common and medium slaughter steers and yearlings 10.00-13.50. Good beef cows 12.00-75; butcher cows 9.50-11.50.

Good heavy bulls 12.00-75; good and choice fat calves 13.50-14.50; common and medium butcher calves 10.00-18.00; good and choice stocker steer calves 14.00-15.00; common and medium stocker calves 10.00-12.50; stocker and feeder steers and yearlings 9.50-14.50.

Most butcher hogs 10.30 cents higher; top 14.50 paid by packers. Good and choice 150-200 pounds 14.50-50; good and choice 180-185 pounds 14.10-70. Packer sows and stocker pigs steady, pigs 13.50 down and sows 13.75-14.25.

All classes of sheep and lambs fully steady. Good and choice lambs 14.25-15.00. 4-H club lambs 15.50; fall shorn lambs 14.25-50; yearlings 12.50-12.50; feeder lambs 14.00 down.

M'Coslin Funeral Is Held Today

Funeral services for James Irvin M'Coslin were to be held this afternoon in the Eberley chapel with the Rev. J. E. McCoy, pastor of the First Christian church, officiating.

Funeralbearers included Charles Adams, J. E. Thompson, M. J. Branfield, M. M. Hines and L. L. Bee.

More than 90 per cent of American shipyard workers had to be trained for their present jobs.

East Texans Fight Severe Forest Fires

COLLEGE STATION, March 2 (AP)—East Texans were bending every effort today to extinguish 148 fires, that had devastated thousands of acres in the piney woods region.

While Governor Coke Stevenson called for men to fight the costly blazes, the Texas forestry service worked with civilian volunteers.

Backfires were set and in some places the flames running through the forest floor were smothered.

The fires were the worst this region has seen in a decade.

In a proclamation, the governor said more than 100,000 acres of timber land are reported to have been burned in the past month and asked East Texas judges and mayors to mobilize all volunteers.

Miss Laneous Notes

MARY WHEALEY

We sometimes think we only live to catch the bank in a mistake in our bank balance. So far, we've had no luck, and so far, we've never hit the same figure as the first of the month statement.

We never see the yellow sheets in the envelopes with the ising glass windows arrive, we know with a certainty that the total just couldn't be right. Whatever the figure, our check book always shows more money on hand.

We pour over the returned checks and bank deposit slips sure in our heart that in a minute we will find the bank in error. But to date, we have a perfect score, no runs, no hits, and all the errors on our part.

The way we've got it figured out is that we can subtract very well but when it comes to addition, we have a little practical experience of adding one thing to another, that is where our mistakes happen. Since we've had plenty of subtracting one thing from another, we don't make mistakes on that procedure.

By the time we figure ourselves into a headache, cover a scratch pad full of figures, and spend a lot of time trying to catch the error, we finally have to give up and admit the bank is right again.

But some day, like we wait for that mythical ship to come in, we hope to find the bank has made a glaring mistake and that our figures are right and that the bank is wrong. Instead of being just a few figures from the red, that we'll be way ahead in the black. Such wishful thinking helps get us through dark days.

Wall Street

NEW YORK, March 2 (AP)—Stock market leaders continued to backslide today although momentum was well under Monday's largest turnover in more than a year.

Prominent on the early stumble were U. S. Steel, Union Pacific, Santa Fe, Chrysler, American Telephone, Du Pont, Westinghouse, Caterpillar Tractor, American Can, American Smelting, Goodyear, Philip Morris, Texas Co. and United Aircraft. Among assorted new 1943 highs were those of Brooklyn-Queens Transit and Omnibus Corp.

Ordnance Plant Has Record For Speed

BUFFALO, N. Y., March 2 (AP)—Melvin H. Baker, president of National Gypsum company, reported today that a large Texas ordnance plant began production less than nine months after the gypsum company received a government contract to supervise construction and manage it.

In his annual report to stockholders, Baker said that the contract was executed Feb. 9, 1942, with the first unit of the Blue-Bonnet ordnance plant going into production last October and the remainder in December. The company said the announcement had war department approval.

Weather Forecast

WEST TEXAS: Snow this afternoon in Panhandle, South Plains and Pecos valley and east of the Pecos; colder tonight; cold wave in Pecos valley and Big Bend country with temperature considerably below freezing; freezing or lower in El Paso area; protect livestock. Fresh to strong winds this afternoon diminishing slowly tonight.

EAST TEXAS: Occasional rains in south portion this afternoon; light scattered sleet and snow this afternoon in north portion; colder tonight with cold wave in east and south portions; severe freeze in interior and freezing on coast tonight; lowest temperature 8 to 14 in northwest; 14 to 20 northeast; 20 to 26 in southern portions; 20 to 25 on upper and middle coasts and 25 to 26 in lower Rio Grande valley. Strong winds and gales up to 45 MPH today continuing on coast tonight.

17-Year-Olds Are Sent Into Navy

Two youths were shipped to the navy for enlistment Monday evening, Fred Baucom, in charge of the U. S. navy recruiting station, said here Tuesday.

They were Morris E. Robertson, son of Lee T. Robertson, Big Spring; and Hurlbert Rowe Crispin, son of R. Crispin, Kermit. Both were 17-year-olds and both went into the V-6 class.

Second WAAC From Mitchell County

COLORADO CITY, March 2—The second Mitchell county woman to be sworn in as a WAAC reserve is Lois Kay, daughter of Mr. and Mrs. Homer Kay, route 2, Colorado City. The county's WAAC quota has been set by recruiting quotas for nine enlistments. Miss Kay, who has been employed in the accounting department of the Penn shippers, Beaumont, enlisted last week-end at the Lubbock recruiting center. She is at home awaiting her call to training.

Soybean Meal Plea Denied

Request of the Howard county USDA War Board for 20 additional carloads of soybean meal to relieve the feeding shortage in this area had struck its first snag Tuesday.

Rep. George Mahon wired that the Commodity Credit Corporation, which has bought up the soybean crop in the midwest, "advises it is impossible to fill your request for soybean meal."

The unit, Mahon continued in his communication to the chamber of commerce, said only 25 carloads were being allotted to mid-southern states during February and of these only about seven to Texas.

Only encouraging factor was a commodity credit wire to E. F. Vance, head of the Texas USDA War Board, which has charge of distributing the feed in Texas, to give every consideration to Howard county.

The first carload of soybean meal for this county arrived during the weekend and is being distributed this week through facilities of the Big Spring Cotton Oil Co.

Most crucial feed shortage in this immediate territory is in high protein feeds—normally cottonseed meal. The local mill is having to refuse current orders in order to fill its contracts out of the seed left available for crush.

35 Report For First Aid Class

Thirty-five persons turned out Monday night for the organizational meeting of an advanced first aid class to be taught each Monday and Friday at the city auditorium, Stoney Henry reported Tuesday.

Instructors for the advanced class are C. R. Edmunds, Jake Morgan, Lee Harris, Sam McComb and Henry.

The class received instruction in artificial respiration and Friday will take up bandaging and splinting.

Enrolled were Sgt. and Mrs. E. T. Santes, Mary Baldwin, Mrs. B. A. McComb, Mrs. Gladys Barron, Emily Phillips, Mrs. Pete Kling, Mrs. P. W. Malone, J. M. Sans, L. W. Smith, Timmie Carter, Max Winn, Mrs. Gould Winn, Ruth Carter, T. S. Roberts, O. W. Crocker, A. D. Meador, H. V. Lewis, R. T. Hale, J. D. Jenkins, John S. Waddell, Dillard Driggers, Joe Keating, Mr. and Mrs. Neal Stanley, J. Claude Fallon, J. D. Stemberger, Robert R. Fields, C. E. Johnson, Lee Porter, W. W. Inkman, Hubert Clawson, Roy Lee, Dalton Mitchell, F. F. Thorpe, D. M. Penn.

Here n There

Mr. and Mrs. Carl Blomsheld have word from one of their twin sons, Harry, that he is chief electrician aboard a ship in the Pacific. John Blomsheld, the other son, has been assigned by the army to the Coyle Electrical school in Chicago.

The chamber of commerce has been advised that the West Texas Chamber of Commerce is sending another delegation to Washington to push claims on two scores: (1) A greater supply of high protein feed and removal of cotton restrictions so more cottonseed cake and meal can be produced, and (2) to press the area's claims for a grain alcohol plant.

MP Kitchens is due back any day. It didn't take police long to discover he was from "Gaw-juh" when he was assigned to work with local officers. When he left recently on furlough, officers told him "don't come back unless you bring some of those Georgia goobers." The peanuts arrived Tuesday and Kitchens is expected momentarily.

Mr. and Mrs. T. A. Roberts and Glenn Roberts have returned from Aivardo, Tex., where they attended funeral services Saturday for their stepfather, who succumbed Friday. Mrs. Roberts returned by way of Denton where she visited her daughter, Annette, who is enrolled in TSCW.

Miss Kay, who has been employed in the accounting department of the Penn shippers, Beaumont, enlisted last week-end at the Lubbock recruiting center. She is at home awaiting her call to training.

Seek Title To Bases

WASHINGTON, March 2 (AP)—Permanent transfer to the United States of western hemisphere bases as leased from the British will be proposed when the senate takes up legislation to continue the lend lease program for another year, Senator Tydings (D-Md) said today.

Tydings said he is attempting to draft an amendment which would pave the way for immediate negotiations with the British to obtain permanent title to the bases, which were leased to the United States in exchange for 50 over-age destroyers before this country entered the war.

"I think we ought to be making some move now to obtain the bases that we will need in the future in payment for the billions in equipment and supplies we are pouring out to other nations," the Maryland senator told reporters.

While Tydings said it was his opinion that the United States never will be repaid in cash for lend lease supplies, Chairman Connally (D-Tex) said the senate foreign relations committee had been informed by Administrator E. R. Stettinius Jr. that a careful accounting is being kept so that the net dollar value of goods and services can be calculated after the war.

Long Time Resident Of Mitchell Co. Dies

COLORADO CITY, March 2—Funeral services for Mrs. Annie Burk, 66, were held Monday afternoon from the Primitive Baptist church in East Colorado City with the Rev. J. L. Collins of Abilene, officiating, assisted by Rev. L. L. Bodine and Rev. J. C. Koen. Burial was in the Colorado cemetery.

Born June 1, 1876, Mrs. Burk died Sunday in Root hospital after a month's illness. She had been a resident of Mitchell county for the past 45 years and at the time of her death was making her home with her daughter, Mrs. Ed Roach of the Seven Wells community. She was married in Georgetown, Texas, to J. N. Burk, Sept. 21, 1891. Her husband died here several years ago.

MRS. O'DANIEL ILL.

Mrs. M. H. O'Daniel, wife of a pioneer Howard county rancher, was reported in a critical condition at a local hospital Tuesday. Hope for her recovery had been abandoned.

Jewish Leader To Speak Here

Dr. Joseph H. Cohn, head of the American Board of Missions to the Jews, is to appear here this week in a series of addresses at the East Fourth Baptist church, it was announced Tuesday.

He will speak Thursday at 8 p. m., then be heard over KBST at 9:15 a. m. Friday, appearing at 2:30 p. m. before a group of women observing the WMU week of prayer, and then speak again at 8 p. m. Friday evening at the church.

Among subjects he is to speak from are "How a Jewish Rabbi Found Christ (Thursday evening)" and "Among the Homeless Jews of Europe."

Dr. Cohn is in this area for a series of appearances, first with the Rev. Vernon Yearby at the First Baptist church in Midland and this weekend with Dr. Millard Jenkins at the First Baptist church in Abilene.

Tire Inspections Go Past Deadline

Although Sunday midnight was deadline for tire inspections of passenger cars holding B and C cards, inspectors are continuing inspections for those who failed to observe the deadline.

The gasoline pump will not be able to issue any supplemental gasoline to car owners who have not had their tires inspected, Royce Satterwhite, panel member reminded today.

Satterwhite also reported that during renewal time for the supplemental cards, almost a hundred percent of those issued at first were renewed. In some cases he said the mileage ration was reduced and some new supplementals were issued.

All "A" book holders will have to have their tires inspected by March 31, it was announced.

Different Forms On Housing Projects

Applications for building materials must now be filed on different forms for housing needs, the chamber of commerce has been advised.

Form PD-300, which has been used for all types of construction, either remodeling or new construction.

Housing applications, however, may no longer be filed on this form but on form PD-105 or PD-106A, according to E. T. Stearns, FEIA district director. A supply of these is being sought by the chamber office.

Beer Sale Ban Is Awaiting Final Vote

AUSTIN, March 2 (AP)—Awaiting final vote in the house are bills banning Sunday sale of beer and permitting use of convict labor in harvesting crops.

Both were passed to engrossment, the first after much debate, the second after little.

Governor Coke R. Stevenson asked for curfew legislation as an emergency matter, and the house bill adds restrictions to the present law in the matter of hours for sales. Knocked out completely by amendment are Sunday beer sales. Present law prohibits Sunday sale of distilled spirits.

Rep. Jimmy Phillips of Angleton, author of the convict labor law, explained it was an emergency matter because of the shortage of labor.

Phillips said plans for a 90,000-acre rice crop in Galveston and Brazoria counties would be jeopardized if some provision were not made to supply labor.

Where beer is now sold from 7 a. m. to midnight, the new bills provides sales to 1 a. m. Sunday, and adds an extra 15 minutes each night for consumption after the closing hour.

Liquor is now sold from 7 a. m. to midnight except Sunday; under the new bill it would be sold only between 9 a. m. and 10 p. m.

Car Plunges Into Bayou, Two Drown

DICKINSON, March 2 (AP)—Two men were drowned and three others swam to safety after an automobile plunged into Dickinson bayou here late last night.

Drowned were Claude A. Robinson, 37, of Lamarque, and John Duncan, 38, of Texas City. Duncan's body was found floating in the bayou and pulled out by County Highway Patrolman J. Thibodeaux and Deputy Sheriff Jeff Shaw. Robinson's body apparently was trapped inside the car.

The three who fought free and swam to the bank were T. D. Phillips, 17, and O. L. Horrell, 23, of Texas City, and Charles Gillchrist, 25, of Lamarque. All were suffering from shock and exposure, Thibodeaux said.

The art of making glass was understood for thousands of years before its use in making spectacles was developed.

Yanks Blast Big Viaduct To Cut Japs' Lines

NEW DELHI, March 2.—Heavy and medium bombers of the tenth U. S. air force have attacked the strategic Goktilk viaduct between Mandalay and Lashio in Burma damaging it sufficiently to cut Japanese rail communications to troops attacking Chinese defenses along the Burma-Yunnan border, it was announced today.

The viaduct, one of the engineering marvels of the Far East, is 2,200 feet long and its many steel towers are buttressed on a natural bridge 500 feet above a river gorge 320 miles from Mandalay and 14 miles from Lashio, bridgehead of the Burma road.

Japanese fighter planes intercepted the bombers returning to their base and in a 30-minute running battle one enemy plane was probably destroyed and another damaged.

All the U. S. planes returned undamaged and one plane in the formation forced to turn back before reaching the target, dropped its bombs on railroad rolling stock at Paukan scoring direct hits and causing considerable damage.

GOT 24 PARKING TICKETS

CHESTER, Pa. — Frank D'Ambrosio, 34, a shipyard worker, spent a night in jail and paid a heavy fine for his indifference when policeman gave him a ticket 24 times for parking in a restricted area. Tickets or no, D'Ambrosio calmly told the magistrate, "I'm frequently late for work, so I just park in the first place I find."

Like millions of other Americans, E. F. Cihak learned to rely on the dependability of The Associated Press.

Now a Lieutenant, a B-17 co-pilot, Cihak is down in a raid over Rabaul for which he was decorated. Cihak cabled his mother that he was all right. She would not believe him, thought he was covering up to ease her fears. Then Cihak went to Vern Haugland, AP war correspondent, and asked Haugland to let his mother know he was well.

"She will believe I am okay if The Associated Press says so", the husky University of Illinois graduate told Haugland.

Haugland sent the message with his own assurance that it was true, and in Berwyn, Ill., Mrs. Louis F. Cihak, who has been under a physician's care for some time, "is better now."

Mrs. Cihak was convinced—because "The AP says so."
