NRCS in Texas has received its initial allocation of EQIP funding in 2013 and will begin ranking and obligating EQIP contracts after February 15. All agriculture producers interested in submitting a contract application for 2013 should do so before this ranking

deadline.

EQIP - one of the largest programs in the Farm Bill - is a voluntary conservation program that promotes environmental quality and assists producers to meet local, state and federal regulations.

"EQIP is a valuable tool to help Wheeler County's agricultural producers implement conservation practices that provide environmental benefits to help sustain agricultural operations," says DC Devereaux.

EQIP is a continuous sign-up program that allows landowners or operators to apply for financial (Continued Page 14)

And the angel said unto her; Fear not; Mary: for thou hast found favor with God. And, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name JESUS. And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger: because there was no room for them in the inn. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest and on earth peace, and good will toward men. A basketful of joy to all of our friends, along with our heartfelt thanks.

A Very, Merry Season To All You Gentlefolk!

Christmas was a simple affair, A time filled with friends family and prayer. A time when strangers were welcomed with open arms. A time to sing God's many praises in hymns and psalms. In these modern times, it's good to remember The gentler days of past Decembers Though some things never change, it's true... Like our deep felt thanks for friends like you!

Santa Letters ...

(Class of Sandy Rose)
Dear Santa,
I don't want a lot of presents for cristas. Now it's time for the questions? Do you like Thanksgiving? Do Rudolph's parents have red noses? Do you spank the reindeer when they're bad? What kind of cookies or popcorn do you like? Have you ever warned to replace Rudolph with a Gps? But the only thing I want for Crimas is a basket ball hoop you put on your door. Do you put up a Crimas tree? I've asked too many questions already!

Your Friend,
Kyler Field

Dear Santa,
"Hey" santa what kind of cookies would you like? you name it, you have it! All I would like for my family is to have a good life this year. How old are you santa? How bright is Rudolph's nose? How is every reindeer acting—good or bad—you choose! Hey santa can I ask you for what I want? A drum set, Call of Duty II, and games for my ps3, but if you don't think I need it, you give it to someone who wants it, because Maybe they never had those before. So, you think about it. Some times do you ride with mrs. claus? You better deliver the presents on time. Ha Ha Ha!

Your friend,
Marcos

Dear Santa,
What kind of cookies do you like Santa? What shape do you like? How do your reindeers fly? How do you fly to every house in this world? How fast do you go? Do you have a son or a daughter? Will you ever replace your reindeers? How bright is rudolph's nose? What I want for Christmas is my family to come down. What I want for Christmas is all the people in the world to be Happy.

Your friend,
Jazmine

Dear Santa Claus,
Hey, Santa where are you going today? Are you going to my house on Christmas night? How are you today? I would like an iPad, a Computer, and a kit to make bracelets!! But other kids need things more than us, so make sure you take care of them first.

Your friend,
Amy Rocha

Dear Santa,
What Kind of cookes would you like to eat Santa? How Do you Deliver presents? Finally, how Bright is Rudolph's nose? Will you ever replace Rudolph with me? I would love to be a reindeer! I wish I could have 1,000,000,000,000,000,000 Dollars So I could give some to Africa.

From,
Ashton Nixon

Dear Santa,
What is your favorite kind of cookie? My favorite is chocolate. I would really like other people to have new clothes. This year in April my family and I were having a garage sale and we didn't earn very much money so we donated all of the stuff to the poor. I would also love for poor people to have electronics because they shouldn't just have ugly stuff. But what I really want is my family to be careful and loving. Out of toys I would really want a Wii, PSP, Xbox 360, and new toys and new clothes for my family. I know it is a lot to give, but please give the stuff for the poor first.

Your friend,
Ara Loeru

MOBEETIE NEWS

By Melba Corcoran

Those working at the museum this week were Louise Hogan, Maurita Stribling, Gina Seitz, Melba Corcoran, Joe VanZandt and Dale Corcoran.

Francis Dickey went to Weatherford, OK., to visit with Loretta Riseley and Braye. She took them to a ballgame. Randy had gone to Houston to a doctor. Kent and Debbie McLaughlin's house got moved in this week; they put it on the old McLaughlin farm north of town.

Ada Lester, Suzanne Lohberger and Melba Corcoran all attended the Wheeler Historical Committee meeting Tuesday. Others attending were Bobby Hill, Beth Shelton and Rhonda Meriwether. Ashley Estes Bailey and family got their trailer house moved onto the old Boyd place in Old town. We welcome them to Mobeetie.

Wednesday night, the First Baptist Church held their committee, Christmas in our Town, program. This was followed with a barbeque meal catered by Dyers.

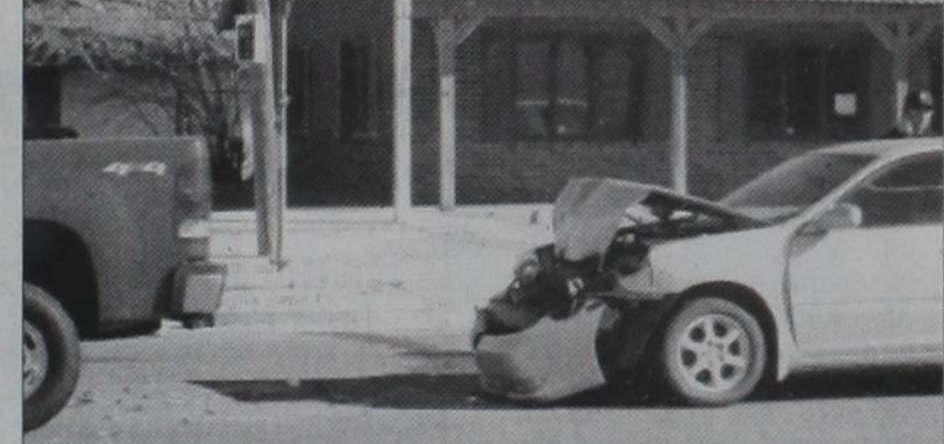

Fl. Elliott presented Christmas on Candy Cane Lane Thursday night. The students from Pre-K through 5th grade were in the program. There were a few of the older kids that helped out. The program was very good. Afterwards, Gay Purcell, who is retiring this year, was honored for the time she had worked for the school system.

Maurita Stribling went to Amarillo on Friday.

Dale Corcoran had a doctor appointment Monday in Amarillo at the VA.

Our sympathy goes out to the family of Susana Salazar. She was buried Saturday.

Our sympathy goes out to the family of Martha Lou Childress. She was buried Monday. The First Baptist Church held church services Sunday at Wheeler Care Center.

FINDER BENDER: This wreck was at the corner of Alan L. Bean and Texas St. in Wheeler on Tuesday, December 11. The car rearended the pickup.

OLD TIMES NOT FORGOTTEN

By Roland Miles

THE CHRISTMAS WATERMELON

I've mentioned before, dad would plant a watermelon patch every year. When they came up and matured, we started eating on them, but it was also, my job to feed our hogs three or four of them every evening. I couldn't help but notice, there was one particular kind that would last a really long time out in the sun, without going bad. I learned this from eating the heart out of some of them, then giving the rest to the hogs. I got to thinking, if you took really good care of one of the "Desert Kings," you might even be able to eat watermelon at Christmas. Now, that would really be something to brag about! I hit dad up about my grand idea, and much to my surprise, he thought it just might work. If anybody could do it, dad would be the one.

Along about the middle of September, we picked out a good looking melon. It looked about right to dad, so we pulled it and took it to the house. He got a bale of prairie hay from Uncle Fat, then we took about half of it down in the cellar. We wrapped the watermelon up real good with old newspapers, set it in the hay, then covered it up with more hay. I just couldn't help myself; I would go down in the cellar about every couple of weeks to see if it was doing alright. As time went by, Dad probably wondered if I was going to wear that hay out, taking it off and putting it back on that watermelon. He told me just before Thanksgiving, that he didn't think it would last until Christmas, so maybe we'd be better off, to cut it at Thanksgiving instead. When the big day got here, we cut it and much to our surprise, it was still good! Oh well, if you can't have watermelon at Christmas, Thanksgiving will work just fine.

 date on the projects that had been discussed last month. He also reported that the hospital's main server was problematic, and it was his suggestion that it be replaced before it went out, because if it did the cost would be approximately five times higher. Discussion was also held pertaining to software vendors and upgrades that need to be completed. Shirley Chadwick made a quick trip to Elk City, Oklahoma on business and of course had to do some shopping as well.
Juanita did put up some Christmas lights on their front porch and then was frustrated because she couldn't get the plugs to work so she could make the lights light up. The new adapters don't work on old cords. What a time, spent all evening trying tho. Will figure it out somehow, always do every year. Must write it down this time so I won't have the trouble next year.

The weatherman said we might have a white Christmas this year WOW!!

Please take time to pray for those that are hurting in our world and those that are hurting in our area and our friends and family that need a miracle at this time!! God is our healer and provider!! Praise God!!
God Bless and Keep ya'll till next time!!

Storm (from Page 1)

We did The Nutcracker. It was time for the show to start and I didn't know if I'm the clown or the pastry chef. My family came to see me and I didn't know what I was going to be except a soldier, an angel and a page. Miss Dawn had to go all the way back to my ballet place to get my Pastry Chef costume, because maybe I was the pastry chef if the other clown girl didn't come. Then Miss Penny said, "Stormie is Pastry Chef". I couldn't believe it. I was so happy! The show was fantastic! I'm very happy my family came to see me and I'm very happy I got to be the Pastry Chef.

Next is my school Christmas program. I am a dancing elf. I wear

a red and green costume with pointy elf ears and a hat. It will be so fun to do a program with my friends!

It is a happy-fun time, but some people are very sad. Why did that mean man kill the kids and the teachers, even the principal? They have families that love them, you know. I am so sad for all the good people. The little children and grownups are in heaven now and the mean man can't hurt anyone again!

Why can't the whole world be happy and peaceful for Christmas like my beautiful ballerina turning in the pink and blue and green light? That's it.

Candy Ferris. We had not received Wheeler's letters. Candy made copies and we picked them up and there must have been 200 or more sheets. Thanks again, Candy.

We had a front move through Wheeler on Friday. The weather bureau issued a severe storm alert for Wheeler. We had high winds and received 0.15 inches of moisture.

Have you taken the tour of Wheeler to look at the lights? Now

is the time!
We have pictures from Ft. Elliott's Homecoming and some basketball pictures and stories to run next week.

Due to the holidays, your Times will be late next week. Any thing you can't email will have to be slid under the door at the office. The paper for the next two weeks will be printed early Wednesday morning.

The e-mail address is wtimes@windstream.net. If you need to contact me, please phone 405-200-9705
