

Harold Loyd Lee Is Top Bowler With 199 Points

The Wheeler Bowling Lanes, owned by Carroll Pettit of Pampa, and managed locally by Earl Barnes, opened last Wednesday night in Wheeler, and since that time activity has been brisk as local residents tried their luck at the ten pin game.

In addition to the 4 lanes, a pin ball machine and several other

games have been installed along with a cold drink dispenser.

After the first full week of play, Harold Loyd Lee, local hardware and furniture store owner, had the highest score with 199 points. Harold Loyd had 6 straight strikes to come up with this high score.

Other high ones recorded during the first week of bowling included: A Pampa man, 194; Don Earney,

191; Earl Barnes, 189 and Virginia Pettit, 189.

Barnes indicated Wednesday that plans are being made for league play to begin as soon as possible.

Brunswick has given the local lanes a franchise on their merchandise. This will enable them to sell the famous Brunswick Balls, Bags and Shoes.

The National Foundation Meeting To Be Held Here

There will be a meeting of the Wheeler County Chapter for The National Foundation at the District Court Room in the Court House at Wheeler Thursday evening March 23, 1961, at 8:00 P.M.

It is imperative that every person interested in the continuing service of The National Foundation be present.

Because of the illness of Mr. Flake George, who has so faithfully served the Wheeler County Chapter as its Treasurer since its inception, it is necessary that a person be elected to fill this very responsible position. This matter of business as well as other problems relating to the welfare of the Foundation will be deliberated.

The officers of the Chapter will be grateful if every service and social club, The Chamber of Commerce and the Churches in Wheeler County will be represented at this meeting.

Please be aware of the importance of this meeting and be in attendance.

SCHOOL TRUSTEE ELECTION TO BE HELD APRIL 1

The Wheeler County School Trustee election will be held Saturday, April 1, according to Geo. Weems, county superintendent.

Weems said all school district of Wheeler County, both Independent and Common School Districts will hold trustee elections as provided by law on Saturday, April 1st.

Absentee balloting in the trustee election started last week and will end three days before the election.

Those placed on the ballot were: Wheeler School—Harrison Hall and Roy D. Ford

Eriscoo School — Jack Finsterwald, Darville E. Atherton and E. G. Filingim

Mobeetic School — L. T. Underwood, Clyde Dickey, J. E. Allen, Geo. B. Dunn and Robert Hogan.

Allison School — Leonard Powledge, Roy Morse, Boyd Huff, Monroe Reynolds and E. O. Kelly.

Lela School — Roy McMullen and James Reneau

Kelton School — Tom Puryear, Vaughn Lister and Floyd Carver

M. M. Wiley ran for county trustee at large in all the boxes; Paul Macina ran for trustee in the Lela and Kellerville boxes in commissioners precinct no. 3; Jack Miller ran for trustee in the Wheeler, Eriscoo and Mobeetic boxes in commissioners precinct no. 1.

Three File For Council Positions

Three local men have filed for two open positions on the city council. They are Robert Denson, Bill Chapman and Adrain Risner

Wayne Edwards and Jake Holcomb, present city councilmen did not file for re-election and their positions must be filled in the city election.

The election will be held Tuesday, April 4, absentee balloting began March 15.

Held over members for the council include James Verden, Dodsie Hutchison, W. D. Mitchell and Mayor Thomas Daughtry.

A. B. Crump, longtime Wheeler resident has been appointed a city election judge for Wheeler.

BEHIND THE SCENE: This is behind the scene shot of the Bowling Alley. Yep you guessed it. These are pin setters. This is a picture of the young men that provide fun and activity for us all at the Wheeler Bowling Lanes. Pin setters pictured above are G. C. Baker, Butch Farmer, Bobby Vanpool and Terry Vanpool. Other pin setters not pictured include: Dwight Jones, Bill Green, Randy Callan, Monroe Page, Danny Dorman, Joey Sabbe, and Dean Newberry.

Forty-Five Attend Chamber Meeting

Forty-five persons attended the Chamber of Commerce meeting in Wheeler Tuesday night at Nora's Cafe and listened as plans for future projects were discussed. Several members of the fair board attended the meeting and called a special meeting of their own following the Chamber meeting.

Plans were discussed for a Kelton Appreciation banquet to be held April 17 at Kelton and the group learned that the Wheeler Float, which won second in the Shamrock Parade, will be entered in a celebration to be held in Sayre on Friday, March 31.

Following the business discussion, Don Earney, editor of the Times, brought a report on the progress made in Wheeler during the past three years.

The following is a copy of his report:

After living in Wheeler for more than 3 years, I feel that I have felt her pulse and listened to her heart beat long enough to be considered "One of the family".

Wheeler, in my most honest and sincere opinion, is the finest business, moral and progressive little city in the Texas Panhandle. And I might add, this is just not an opinion, I have facts and figures to back it up.

Population wise, Wheeler was one of the only small towns in

3 ELECTIONS SCHEDULED FOR EARLY APRIL

Very little activity has been noted in Wheeler so far in regard to the forthcoming elections.

The County school board election will be held Saturday, April 1 with voters casting their ballots in the regular voting places.

The city election will be held Tuesday, April 4 and voters will cast their ballots at the city office located in the Wheeler Abstract building. Three men have filed for council position. They are Bill Chapman, Robert Denson and Adrain Risner.

A special election to select a United States Senator for the unexpired term of Lyndon Johnson will also be held Tuesday, April 4. Seventy-one men have filed for the Senate position. Voters will cast their ballots in the regular voting places in the special election.

Absentee ballots for any of the above mentioned offices can be secured at the County Clerk's office. However, it is absolutely necessary that the application for an absentee ballot be witnessed and acknowledged by a notary public and his seal affixed thereto.

Paymaster Gin To Receive Safety Award

DALLAS—The Paymaster Gin in Wheeler is one of 61 cotton gins in Texas which will receive special recognition April 10 for accident-free operation during the 1960-61 season.

The Texas Cotton Ginners' Association will present plaques noting the accomplishment at its 48th annual convention in Dallas. A representative of each gin has been invited to receive the award during the convention program.

Liquid Fertilizer Plant Is Open

Coy Revious and Jess Moore have opened their Liquid Fertilizer plant in Wheeler and are ready for business. The men have installed all the necessary equipment supplies and have schooled themselves in the application of the highly recommended fertilizer.

The new plant is located 6 blocks east of the red light on highway 152 in Wheeler.

Legion Ends Regular Saturday Night Dances

The American Legion, West Passons Post 138, of Wheeler has voted to discontinue the dances at the local Legion building each Saturday night.

The dances will not be stopped entirely. However they will only be held on holidays and special occasions.

Their schedule for dances during 1961 is as follows: May 27; July 13, 14, 15; September 2; October 28; November 25; December 23 and December 30.

Former Resident Dies In Elk City, Okla.

Last Rites were held for Herman Lee Byrd in the First Baptist Church of Elk City Friday, March 17 at 2:30 P.M. with the Rev. Lewis Hancock officiating.

Mr. Byrd was a former resident of the Wheeler area.

BULLETIN:

It was reported last Wednesday afternoon that Corky Guthrie, owner and manager of the Rogue Theatre and Community TV System, bowled a 207 game. And after one full week of bowling, Corky Guthrie is the undisputed champ.

Riding Clubs Again Schedules Egg Hunt

The Wheeler Riding Club will sponsor its Annual Easter Egg Hunt, Saturday Afternoon, 3:00 P.M. April 1 at the Wheeler Riding Club Rodeo Grounds East of Wheeler. Everyone is welcome and it will be run off as in prior years. Boys and Girls will be divided into three age groups.

Riding Club members in charge of the hunt are: Coy Revious, chairman; Buster Callan, Lindsey McCasland and Bob Hutchison. All club members are requested to donate at least one dozen eggs and anyone wishing to donate eggs or prize eggs should contact one of the above members before March 25th. All eggs must be wrapped in paper under requirements of the law. Mr. Revious has

IMPORTANT

Plan now to attend the Sunrise Easter Services at the Wheeler drive-in Easter Morning, The '54 Study Club, sponsor of the services, has planned a very good program and transportation can be arranged Saturday, April 1, the Wheeler Riding Club has scheduled another big Easter egg hunt for the kiddies. Last year they hid over 3,000 eggs. Some say the hunt this year will be bigger and better than the one last year.

PAN TECH BULL SALE SLATED MARCH 30

The 11th annual field day and registered bull sale at PanTech Farms, located about 12 miles east of Amarillo, have been set for Thursday, March 30.

Operating in conjunction with Performance Registry International, the PanTech sale will include 169 head of registered bulls that have passed minimum testing requirements established under a 140-day testing program.

All bulls offered for sale will have gained a minimum of 364 pounds per head during the 140-day period.

The schedule of events will include a presentation of beef cattle research information by representatives from Texas Technological College at Lubbock from 9 a.m. until 11 a.m.

The Pampa Shrine Club will serve lunch at the PanTech sale barn, with the sale opening at 1 p.m. Consignors to the sale are:

The Derrick Ranch, Dumas; Pau Dauer, Panhandle; George Coffee, White Deer; Percy Powers, Perryton; Grady W. Harris, Mobeetic; Willis Blau, Follett; Max A. Blau, Follett; Joe Hershey, Lipscomb; Conkwright and Son, Hereford; Lewis P. Blau, Booker; Wayne Maddox, Miami; Raymond Nelson, Miami; M. K. Berry, Vernon; D. L. Davis and Son, Throckmorton; R. O. Andrews, Olney;

R. L. Newton, Lark; Emmett LeFors, Pampa; West Texas State College, Canyon; John A. Paine and Son, Booker; T. G. Milligan, Panhandle; Clyde R. Bradford, Happy; Bynum Brothers, Amarillo; B. C. Woodruff, Jr., Claude; C. L. Gunter, Tulsa; Mote Brothers, Tulsa; M. C. Overton, Jr., Pampa; Lee Richardson, Stinnett; and Douglas Coffee, White Deer.

Visitors Invited To Attend Open House

The Wheeler Lumber Company announced plans today for an "Open House" to be held Sunday at the new home of Mr. and Mrs. Claude Brotherton. The "Open House" will be held from 2 until 5:00 P.M. Sunday, March 26. The home is located on highway 152, just one-half mile east of Wheeler. Door prizes will be given and everyone is invited to attend.

Visitors will find a big spacious 2,000 sq. ft. house, plus a sealed in garage with 570 sq. ft. of floor-space. The Aluminum windows, storm doors, window Patio door, rug texture face brick, circle drive, and composition shingle roof have just the right amount of color and elegance to make it the loveliest homes in Wheeler.

The large 15'x26' livingroom is just out of this world and the three roomy bedrooms have large closets and by pass doors and are beautifully decorated.

The very latest in bathroom fixtures has been used in the two and three-quarter baths. You will love the fixtures.

To the women, the kitchen will be the most beautiful as well as serviceable part of the house. The kitchen and den combination is 12'x39' and is paneled in pre-finished birch and the kitchen cabinets are also in birch.

The floor is covered with Armstrong embossed linoleum, and the cooking unit is a Tappan "400" unit with a broiler oven and vent combination. The kitchen has a double sink and the cabinet tops are covered with formica.

The garage contains the central heating unit and has plenty of storage space.

The Wheeler Lumber furnished the material for construction of the home and Eli Sabbe, local contractor, built the house.

Visitors will be delighted when they see the ultra modern kitchen, the spacious living area, and the comfortable looking den and colorful bathrooms.

An inspection of this property will reveal that Mr. and Mrs. Brotherton have one of the most beautiful homes in the Texas Pan-

WHEELER COUNTY SOIL CONSERVATION NEWS

This is the time of year to take a good look at the grassland that has been grazed all year. New growth is beginning and the use of a pasture should be based on the amount of old growth left at the beginning of the growing season.

A properly used pasture will still have some of the old seed stems standing. About one-fourth of the stems should still be showing. The pasture will look uneven. Some bunches of grass will look as though they have not been grazed and others will be grazed close to the ground. If cattle are forced to graze until the pasture looks even, the grass is over-used.

The green leaves of grass are the part that make food. If they are clipped off too close, the plant will not produce much forage. It will weaken and eventually die. Now that we have had some good years and have good grass, we should be careful of it. Grass is the most valuable crop growth in this community.

The Wheeler Soil Conservation District and the Soil Conservation Service people assisting them will be glad to help farmers and ranchers with their grazing problems.

Memory Lane

By Lavell Stephens

HAS OLD CLOCK — Jan. 18, 1934

When J. W. Anglin, well-known Wheeler man, read in a newspaper recently that the owner of a clock some 20 years old laid claim to have an old timekeeper he snorted thus:

"Huh! That fellow's clock is only a baby compared to one I have out at my home."

A few questions prompted Anglin to relate the following story about his timepiece:

"My clock is nearly a half-century old. Purchased at Baker Bros. general store in Mt. Home, Ark., in 1894, it has actually been in our family 40 years. It was taken from the display shelf where it had been running some time.

"It is an 8-day spring clock, Bedford make, and has been running steadily for the 40 years. It strikes the time on half hours. Costing but \$2.75, and never having had a cent of repair, entitles this clock, in my opinion, to some consideration as a veteran among clocks."

Continuing, Anglin related how the family loaded up their effects at Mt. Home some 27 years ago

and started on the long trek westward. The family then consisted of Mr. and Mrs. Anglin and two children, Fay, 7 years old, and Lloyd, 4.

The clock was packed with clothing and other articles. During their stops it could be heard faithfully ticking off the minutes.

The Anglins did not come direct to the Panhandle, but stopped at Vinson, Okla., where they lived a few years on a farm. Don Anglin now employed in the Wheeler post-office, was born during the sojourn in Okla.

Although they tarried awhile on the way, the Anglins are pioneers in this section. They are highly respected and esteemed by a large circle of friends throughout the Panhandle.

Guests in the T. A. Treadwell home Saturday afternoon were Mr. and Mrs. Shots Treadwell and children of Hobbs, N.M. Guests Saturday night were Mr. and Mrs. Donald Jenkins and Ken of Miami, Tex.

TEXAS CONSERVATIVES NEED A VOICE IN THE UNITED STATES SENATE

10 REASONS WHY CONSERVATIVE TEXANS ARE SUPPORTING JOHN TOWER

- He is a young and vigorous vote-getter. (930,000 last November)
- He is a courageous conservative.
- He is a strong advocate of States Rights and local self-government.
- He believes a sound economy can be built only upon free enterprise.
- He is well-versed in government... a professor of political science.
- He will fight to retain Texas' vital oil depletion allowance.
- He is a family man and churchman... son and grandson of clergymen.
- He is outspoken in his opposition to the galloping liberalism of the New Frontier.
- He believes the farmer suffers from too much governmental control.
- He will be a vote and a voice for Texas in Washington... never a "rubber stamp".

A VOTE FOR JOHN TOWER FOR U.S. SENATOR IS A VOTE AGAINST "RUBBER STAMPING" THE SOCIALISTIC PLATFORM OF THE NEW FRONTIER.

BRISCOE NEWS

By Dorothy Ault

This weekend we had a wonderful rain and snow. It's hard on the truckers and mail carriers. Mrs. Steen had to leave her car in the ditch and walk into Briscoe last Friday. She most of all, is enjoying this lovely weather.

Harry Tipps visited the Wiley McCrays' and Tipps families over the weekend. He was returning to Denver, Colo., after being with his father, Frank Tipps and family at Austin, Texas.

Buddy Waters, Foster Buryen and Jennie Buryen were in Texarkana, Texas last week receiving cattle to bring back to Amarillo. Sharon Hudson and Ronnie Gatlin went to Amarillo Thursday and returned home Friday.

Several from Briscoe attended the St. Patrick Day Celebration at Shamrock, Friday. We are very pleased that our Colleen, Martha Helton placed in the top seven.

Mr. and Mrs. Oden Hudson and Preston Glazier were Sunday Dinner guests of Mr. and Mrs. L. J. Hudson. Sharon Hudson and Ronnie Gatlin called in the afternoon. Mr. and Mrs. Cliff Walker and Bill visited Mr. and Mrs. James Walker, Monday afternoon in Wheeler.

Mr. and Mrs. J. E. Steen visited Grandma Steen in Canadian Sunday in the home of Mary Cansler. Mr. and Mrs. Roy Waters motored to Pampa Saturday, shopping and they took their dog to the vet.

Mrs. Oden Hudson went to Amarillo on the Milk Truck with Oden. She said it was rough riding in the snow storm.

Mr. and Mrs. Jimmy Keelin of Pampa spent the weekend with the Travis Keelins.

Ford McCray and Dorothy Ault motored to Wheeler on business, Monday.

A large crowd attended the volleyball and basketball games Thursday night, also an auction sale, sponsored by the P.T.A. The entertainment was enjoyed by all. Mr. and Mrs. M. H. Vaughn went to Henrietta to visit Mrs. Vaughn's sister last week.

Mrs. Oden Hudson and Sharon were guests of Mrs. Roy Waters, Monday morning.

Sherry Moore spent a couple of days last week with the J. E. Steens.

Billy Walker visited Joey Keelin Sunday afternoon.

Briscoe didn't have school Monday, on account of the snow and bad roads.

Mr. and Mrs. Dean Tipps and children went to the Dentist at Shamrock Monday.

Von Nell Meadows spent the weekend with Charlene and Mickey Fulks.

Mrs. L. J. Hudson visited Mrs. L. S. Aderholt Monday. Peg, Bill, Sherry, and Debbie Douthit were in Shamrock Friday for the celebration.

That's all . . . see ya next week!

Kelton HD Club Has Meeting

The Kelton Home Demonstration Club met in the Edgar Blocker home Friday, March 10th with vice president, Mrs. Leonard Mills presiding. The devotional was given by Mrs. Bill Topper after which the club prayer was repeated in unison.

Eleven members answered roll call to "what I like a foundation garment to do for me".

The very interesting and timely program was presented by Mrs. Edgar Blocker and Mrs. John Daberry on "buying ready made dresses and fashion news".

Two new members, Mrs. Buddy Errington and Mrs. Marion Addison were welcomed by the club.

Refreshments were served to Mrs. Bill Topper, Mrs. John Daberry, Buddy Errington, Chester Beasley, Chas. Brittain, Leonard Mills, Johnnie Bursell, Garland Abernathy, Wayne Bass, Tommy Bryant, T. G. Puryear, Marion Addison, hostess, Blocker and one guest, Miss Jean Daberry.

The club will meet with Mrs. Tom Bryant March 24, 1961.

Did you know Marl Jaco has been acting the part of Prince Charming in that for a number of years, too many to recall, he has taken two lovely colleens to the St. Patrick's Day celebration. He picks them up in a pre-heated coach right at their door all "comfy" inside with wool lap-ropes and "Downy" pillows. Maybe you have guessed who these young Colleens are: Anzellia Jaco and "Miss" Jimmie Mitchener. And we might add no one enjoys it more—come rain or shine.

Mr. and Mrs. C. E. Roper of Mobeetie returned Monday from a 3 month vacation. They visited in LaGrange with Mr. and Mrs. J. W. Roper and in Taylor, Texas with Mrs. J. B. Holleman and in Wellington with Mrs. C. J. Johnson.

Mrs. Sallie Hampton is all smiles these days because she has received news that her son, J. C. Hampton of Newcastle, Dela., whom she has not seen in over ten years, is coming to visit her and his sister, Mrs. Bill Brickley around the first of April. He is to have some special training at Fort Sill in Lawton, Okla., being a member of the National Guards. No doubt he'll be dropping in at every opportunity while he is in this area.

Mr. and Mrs. C. B. Witt of Amarillo and Finley Hunter of Phoenix, Ariz., were guests in the Forest home Tuesday evening. Mrs. Witt remained for a longer visit.

Being From A Little Town Not Necessarily Handicap In Basketball

Perhaps our basketball fans did not keep up with the news after things moved down state for the finals. If not, here is what happened:

The girls team from Spearman, a small town to the north of us were runners up. For the second time, running, the girls team from Buna, a small town in the S. E. Texas, in Jasper County, northeast of Beaumont defeated the Spearman team by a score of 66 to 47. At the end of the first quarter, scores were 20 to 19 in favor of Buna. The Spearman coach played each member of his team during the game, however the Buna team had so few players that they did not make a substitution the entire game, played their best players throughout the game. Had the Buna coach played all his girls, Spearman would likely have won the State Championship.

Buna is such a small town that you find it on very few maps of Texas, but they are state champions for the second year in succession. Shows you don't have to be from a big town to win.

Three hundred Spearmanites went down with their team, and the whole town turned out to welcome them home. The Spearman Lynettes had defeated the Decatur Eaglets to get in the final play off. The Buna team is called the Bobkittens.

FORT ELLIOTT STUDY CLUB

HIGH LIGHTS AND SIDE LIGHTS FROM YOUR STATE CAPITOL

AUSTIN, Tex. — Foes of a general sales tax are pushing to get it before the Legislature. Friends of the tax are trying to hold it back.

At a hearing before the House Revenue and Taxation Committee, representatives of regional Chambers of Commerce, generally favorable to a sales tax, asked that the matter be delayed. Committee members opposed to the tax insisted on going ahead.

Rep. George Henson of Mineola, who is against a sales tax, charged backers with dragging their feet in hopes their plan would finally be accepted in last-minute desperation.

Hearing was on a general sales tax measure by Rep. Charles N. Wilson of Trinity. Wilson introduced the bill and asked for immediate hearing to out-manuever those who wanted to delay. After hearing, the bill was, by the usual procedure, sent to subcommittee.

Awaiting consideration is just about every type tax bill imaginable. Among them:

A temporary 1-year, 20 percent increase in the omnibus tax (a collection of existing taxes on many items) by Representative Hinson. Estimated yield \$40,000,000.

A one per cent corporate income tax by Rep. Charles Ballman of Borger and a three per cent corporate income tax by Rep. Tony Korth of Sherman.

A 10 per cent levy on petrochemicals by Rep. Lloyd Guffey of El Campo.

A six per cent tax on income from dividends and interest by Rep. Bob Eckhardt of Houston.

A two per cent Texas business invoice tax by Rep. Maco Stewart of Galveston.

A graduated production tax on oil, a corporate income tax to replace the franchise tax and an excise tax on utilities by Representative Stewart.

An increase in state college tuition from \$30 to \$100 per semester by Rep. Frank McGregor of Waco.

A three percent sales tax on furniture and household equipment by Rep. John C. Alaniz of San Antonio.

A five per cent tax on gross receipts of highway contractors by Rep. W. T. Dungan of McKinney.

A five percent tax on gross receipts from marine products by Rep. Jake Johnson of San Antonio.

Fireman's Bill Held Legal—Atty. Gen. Wil Wilson has ruled that a proposed bill to set up machinery to arbitrate firemen's wages and hour problems would be constitutional.

Rep. Robert Hughes of Dallas is sponsor of the bill which would set up an arbitration board to work out disputes between firemen and city governments. Disputes not settled by the board could be taken to the people in an election once each year.

Auto Rate Bill Moves—A bill directing the State Board of Insurance to make drastic changes in the merit rating auto insurance plans has been approved by the Senate Insurance Committee.

Passage came after a lengthy debate in committee. More debate and attempts to amend are expected when the bill is taken up by the entire Senate.

As approved by committee, the plan would still assess insurance premium penalties for speeding but not for running red lights or stop signs, making illegal turns, illegal passing or negligent collision. It would still assess penalties for accidents with damage of more than \$25, and it would still be retroactive for three years.

"Flexible" Rating Killed—House meantime, killed a decisive 125-to-21 vote a bill that would have provided a complete new approach for auto insurance in Texas.

Called "flexible" rating, it would allow each insurance company to set its own auto insurance rates. Rep. C. W. Percy of Temple sponsored the bill which has been defeated by previous legislatures. He

argued for it on the basis of free competition rather than state-controlled rates.

Opponents successfully argued that the plan allows large out-of-state concerns to take the market and eventually set much higher rates.

Milk Is Boiling Topic—Milk continues to stir up arguments in this legislative session.

Senate passed a bill placing restrictions on the importing of milk from other states, but the House postponed floor debate after tempers flared to the shouting point.

Sen. Grady Hazlewood of Amarillo sponsored the Senate bill, and Rep. Steve Burgess of Nacogdoches is the House sponsor. Their measure would bar out-of-state milk from Texas unless a health inspector could certify that he had "personal knowledge" that the milk had been produced under the same standards as Texas milk.

Dairymen - supporters, contend that it is a health standards protection and will prevent "unfair competition" from out-of-state. It is opposed by milk processors who declare it will limit the supply unnecessarily and force up prices.

Garnish Bills Studied—Proposals that would allow for the garnishment (taking over) of wages for payment of debts are being considered by the House Constitution Amendments Committee.

Rep. Henry Fletcher of Luling is sponsor of a proposed constitutional amendment that would permit the Legislature to pass a board garnishment act.

Rep. Ben Jarvis of Tyler is sponsor of another that would allow for attachment for wages only to make child support payments.

Minimum Wage Argued—Proposals for a 75-cent-an-hour minimum wage for Texas workers, including farm labor, was argued before the House State Affairs Committee.

Employers of fewer than four persons would be exempt.

A spokesman for the AFL-CIO testified in favor of the bill, declaring that migrant farm laborers are often paid only 30 cents an hour.

A Texas Restaurant Association official said that restaurant workers average 81 cents an hour, but that many "marginal workers," such as the handicapped would lose out under a minimum wage.

Rep. Malcolm McGregor of El Paso is sponsor.

STATE PRODUCTION CREDIT ASSOCIATION WEEK PROCLAIMED BY GOVERNOR

A statewide salute to the 36 Production Credit Associations of Texas has been proclaimed by Gov. Price Daniel who has designated March 18-April 1 as Production Credit Association Week in Texas.

The 36 associations, who serve as a dependable source of agricultural credit to all 254 Texas counties, who owned and operated in entirety by their stockholders-borrowers and have provided \$3 billion in credit to the farmers, ranchers and dairymen of the state since their organization in 1933.

In his proclamation Gov. Daniel paid tribute to the role played by the PCAs in Texas agriculture during the past 27 years. "Texas agriculture has placed itself on a new, sound basis for future operations by readjustments to soil and climatic resources, conservation practices, and modernization of production and marketing methods," Gov. Daniel stated.

"In many cases these readjustments could not have been made without the financial credit services made available through the home-owned and operated Production Credit Association of Texas, which have provided Texas agriculture with \$3 billion in credit since their organization."

At a special proclamation-signing ceremony in Gov. Daniel's office, representatives of the Production Credit Associations and the Interstate Credit Bank presented Gov. Daniel a wall plaque expressing appreciation on behalf of the PCA organization of Texas for the

governor's efforts on behalf of Texas agriculture.

Representing the PCA groups were W. M. Irwin of Stephenville, general manager of the Stephenville PCA and chairman of the statewide public relations and ad-

vertising committee, C. R. Duran of Pinehill, member of the board of directors of the Marshall PCA, and W. N. Stokes, Jr., of Houston, president of the Federal Intermediate Credit Bank.

The associations were organized under the Farm Credit Act of 1933. With operational capital of \$200 million, all Federal capital is contributed to the associations by the stockholders who own and operated in entirety by their stockholders. There are approximately 100,000 stockholders now active in the PCAs in Texas.

Production Credit Association Week is being observed in conjunction with the annual meeting of the American Bank of Houston and the Federal Intermediate Credit Bank of Houston. More than 1,000 stockholders across the state will attend three-day annual meetings.

PROCLAMATION

WHEREAS, the Canadian Production Credit Association has been performing valuable services as a source of financial credit for the farmers, ranchers and dairymen of its area for 27 years, and

WHEREAS, agriculture continues to be one of the most important factors in the life of this community, this area and the entire state, and

WHEREAS, the great strides made by agriculture in the past three decades would not have been possible without the financial credit services made available through the home-owned and operated Production Credit Associations of Texas and the Canadian Production Credit Associations in this area and

WHEREAS, the annual stockholders meeting of the Production Credit Associations of Texas and the Federal Intermediate Credit Bank of Houston will be held March 26-28, THEREFORE, I, as Mayor of Wheeler, to coincide with the designation of PRODUCTION CREDIT ASSOCIATION WEEK in Texas by Gov. Price Daniel, do hereby proclaim the week of March 26-April 1 to be observed as CANADIAN PRODUCTION CREDIT ASSOCIATION WEEK in Wheeler.

In Official recognition whereof, I hereby affix my signature this 30 day of March, 1961.

Thomas Daughtry,

Mayor, City of Wheeler, Texas

Vicki Shugart Hosts Birthday Party

Vicki Shugart celebrated her 11th birthday Tuesday at 708 Reynolds with guests, Kathy Bradburn, Richardson, Nancy and Beverly, Pat and Pam Gilmer, Don Lang, Robert, Jean and Gerry.

Mrs. Ola Underwood Monday from Texas. She had been visiting and daughter for several days.

Mrs. M. B. Luttrell Hosts Stitch and Chatter Club

The Stitch and Chatter Club met in the home of Mrs. M. B. Luttrell for an all day meeting Thursday.

Needle work and visiting provided entertainment during the day. A covered dish luncheon was served at the noon hour.

Mrs. Maud Reagan was a guest. Club members present were Mmes M. P. Rogers, George Warren, W. E. Bowen, Frank Noah, Otis Ford, Claud Crouch, M. M. Wilson, Clara Bradstreet, W. E. Burke, Misses Maggie and Bessie Ramsey and the hostess, Mrs. M. B. Luttrell.

PRODUCTION CREDIT ASSOCIATIONS HONORED WITH SPECIAL WEEK

The Canadian Production Credit Association, serving this area is a dependable source of agricultural credit for its farmer-rancher stockholders for nearly three decades.

The week has been designated as Production Credit Association Week in Texas in a proclamation by Gov. Price Daniel. In addition to statewide recognition, local honors will also be paid for the Canadian PCA, which, as a home-owned and operated agricultural credit organization, has joined the 35 other PCAs, serving all 254 Texas counties, to provide \$3 billion to Texas farmers, ranchers and dairymen since their organization in 1933.

The Canadian PCA, chartered under the Farm Credit Act of 1933, serves an area composed of Ochiltree, Lipscomb, Roberts, Hemphill, Gray, Wheeler Counties. The central office is in Canadian. Field offices are operated in Pampa and Wheeler.

"We have but one reason to be in business," explained General Manager Ervin Crowell, "and that is to provide adequate and dependable credit for our stockholders. Through our basic and thorough knowledge of agricultural conditions and problems in this area, we can provide sufficient and proper credit and credit counseling."

From its humble beginning of a handful of stockholders and a minimum of capital, the Canadian PCA had a loan volume of \$3,031,000 in 1959.

Now serving on the board of directors are President H. H. Keahy of White Deer, Vice President Wallace N. Hamner of Booker, C. B. Henderson of Wheeler, M. H. Smith of Canadian, Hugh F. Parrell of Canadian and M. Lawrence Elizy of Perryton.

Progressive Study Club Meets in Home Ec bldg.
The Progressive Club met in the Home Economics Cottage, Thursday night, March 9, with fourteen members and one guest present. A salad supper was enjoyed by all.

Our annual Texas Day program was given by Mrs. Lyndon Sims. She reviewed the book, "A Shirt-tail to Hang to", written by Beth Day about Cal Farley and his Boys Ranch. Cal Farley has dedicated his life to providing "the boy nobody wanted" with "a shirt-tail to hang to." Cal Farley was instrumental in establishing the now flourishing Maverick Club for Boys in Amarillo. Then in the spring of 1939 with five boys and a cook, on 120 acres of abandoned ranch land donated by a wealthy cattleman, Boys Ranch was born. It now consists of 8,000 acres, at least 38 buildings, 240 boys, 16 certified teachers, 2 vocational instructors, and 8 skilled mechanics, and also an office in Amarillo.

Mrs. J. C. Moore, Jr. was honored as the club's "Mother of the Year" and was presented a corsage.

Since it was "Public School Week", the teachers that are members of the Progressive Club were also honored with corsages. An original poem written for the occasion by Mrs. Sims was read.

Those present for the occasion were Mrs. Elmer Lowrie, a guest, and members, Mesdames Roy Riley, Irene Dyer, Oma Dyer, Wayne Edwards, Ebb Farmer, C. B. Kirk, Lewis Lancaster, J. C. Moore, Jr., Jess Moore, Bill Owen, Clarence Robison, Lyndon Sims, A. O. Vanpool, and Mrs. Byers, a new member.

TWITTY NEWS

By J. Lloyd Rice

Mrs. Daisy Havenhill is visiting her daughter, Mrs. Sid Ellis in Mangum, Okla. She may stay several days.

Harry Havenhill was here last week helping Woody Carlton, his brother-in-law, do some remodeling on Woody's farm home Southwest of Shamrock. Mr. Havenhill lives in Pampa.

Wayne Milam is still classed among the newly weds, but his lively wife had the pleasure of entertaining his parents Sunday evening for the evening meal. Wayne is the son of Mr. and Mrs. Doyle Milam.

Billie Bob Lasater and his family were visiting his parents Sunday evening.

Mr. and Mrs. Glenn King were mud bound Sunday and did not make it to church Sunday morning. Ernest Lasater knew they wanted to be present Sunday night, so he cranked up his old faithful jeep station wagon and went after them. The Jeep pulls with four wheels instead of just two, and he made the trip fine. They were deeply appreciative of this good neighborly act.

Even though the weather was bad, and the mud deep around here we had a very fine evening service at the Church of Christ. Which proves that people can go to church when they get interested in serving the Lord, learning more of his word and helping each other.

Haskel Sammons and Buren Stevens joined the Sheriff's posse at Shamrock, and they had their first ride with the club last Friday. It was a very wet and cold ride for the new recruits. Better luck next time boys.

dish pan under it perched upon a bunch of pots and pans and dishes in the kitchen sink. I thought it was tilted so it would overflow into the kitchen sink. I left to investigate the trouble with the hot water heater.

When I got in there the pilot light was out. I got sut on me lighting the cotton picker. Before I could get back in the kitchen I heard a commotion and I thought the two pups had busted up something. I rushed to the kitchen and found that the dish pan had turned the wrong way and dumped about a gallon of water on the kitchen floor. I grabbed the mop and started soaking up and when I tried to wring the mop out in the sink the handle was too long. I finally made it and turned for another mop full and the littlest pup was barking at me. He knew I had no business trying to do mama's work.

While all that was hapening I was trying to get a roast started to cooking so I would have something to eat tomorrow. When I did get it on the fire I looked in the livingroom (that's the room where we live after supper at least) and the two pups had found a paper napkin in the waist basket—hold it I missed spelled waste—and made little pieces of it to scatter over the rug. They didn't know any better, and I did not know how to teach them to pick it up so I had to do it myself.

They were both sleeping peacefully now and I am trying to tell you folks what happens when Ma is gone.

I hope she can return soon. I jest ain't cut out for house keeping.

BUNGLING

Men if you think that you can keep house think again. Don't try it.

The little wife was called away Sunday afternoon to go to her father at San Antonio, Tex. He was very ill and she and Sherry left Shamrock about 2:20 Sunday afternoon. That is according to Cecil Anderson's watch. Then she called the Andersons about 8:00. Just about five and one half hours after she left, and more than 300 miles away. She sure was not picking daisies along the way.

Of course she was driving a Tempest by Pontiac.

Monday afternoon her father was better. I had a report from Mrs. W. W. Cave, my wife's mother. Bea was at the hospital when I called. They are still waiting to hear a report on the x-rays.

I tell you this so you will know why I am alone with the pups. I promised Bea that I would wash dishes while she was gone. Why did I do that? I should have put them in the deep freeze to keep until she returned.

I did wash them however, but when I started to scald them with clear, hot, running water I found plenty of clear cold running water. I left the faucet on with the

THE RIGHT KIND

OVEN GOOD DOING ABILITY

CLEAN PICKING WITHOUT COTTON TWIST

This new two row cotton picker is the second to be introduced by Allis-Chalmers for the 1961 harvest. Powered by a D-17 tractor, available with gasoline or diesel engine, this model incorporates features that provide efficient, cleaner picking which results in a greater percentage of high grade cotton for the grower. As the 2,560 chrome plated, recessed barbed spindles enter the picking area, they start spinning to do the picking job. During the stripping operation, they stop spinning to eliminate picker twist. Between cotton harvests, the tractor can be converted for other field use.

Chevy
gentles rough roads
with a Jet-smooth ride

Presto! Chevrolet changes old roads to new! Does it with a ride so smooth, handling so sure and going so sweet that it's almost magic.

Chevy owes its Jet-smooth ride to some mighty ingenious engineering . . . things like Full Coil suspension, precision balanced wheels, unique chassis cushioning and a superlatively insulated Body by Fisher. Nor does Chevy's ingenuity stop with ride. Take performance, for instance. You've a choice of 24 power teams ranging all the way up to the mighty 348-cubic-inch Turbo-Thrust V8's* with shift-free Turboglide transmission.*

More ingenuity: When you check Jet-smooth Chevy prices with your dealer you'll discover that nothing so easy riding was ever so easy to own.

MICROWAVE PRESENTS INSTALLATION PROBLEMS

(Reprint of an article from Vumore News, March Issue.)
The microwave system for Canadian, Wheeler, and Shamrock is now completed and delivering three excellent pictures to those three Texas panhandle towns. After the normal "shakedown" period of 30 to 60 days, I am sure that everyone concerned will be happy with the results.

We call it the Bowers Ranch System because the key installation is located on the ranch of Sam Bowers (Sam calls it the Bowers poor farm).

As far as I know, there isn't another microwave system like it anywhere—what with three quad-stacks and three 8x12 reflectors mounted atop the 40' tower.

I am sure there has never been another micro system that presented any more installation problems. Every kind of adverse weather condition, known to modern man, was encountered. As a matter of fact, I reported one snowstorm to the U. S. Weather Bureau, at Amarillo, that was unknown to them at the time.

Sam Bowers pitched in to help. He hauled trash, built roads, climbed the tower, pushed construction and operated an air port limousine service from the tower to "Bowers International", our homemade airport. Just circle the tower once, exercise the prop and Sam will meet you at the landing strip.

It was probably because of poor

planning on my part, but more people got their hands dirty on this project than any other I have been on since my pipeline days. Pipe liners always whipped tough problems by sheer numbers and that is the way this one was handled. All available manpower from Vumore, Mesa and Video Theatres was thrown into the act, plus outside assistance from Kyle Moore, of Shattuck, B. Jackson and Roger Wooten, of Canadian, Corky and Mrs. Guthrie, of Wheeler, Seibert Worley and Vernon Kirkin, of Shamrock, and Dick Luthans and Larry Groberg of Motorola, Inc.

Of course the old regulars were there—John Holmes, Hurshel Tyler, James Reynolds, Jim Underwood and Wilbur Hammack. (Wilbur has inherited the maintenance of the system).

A tip of our hat also goes to Bob Clark who did his usual fine job of keeping the supply lines humming.

Tom Kelley was the real wheel on this job and now that he has learned what little we know about microwave, he will be put in charge of all future installations. This work is a natural for Kelley because of his years of past experience in mechanics and construction of all kinds. I am sure that the next installation will come off more smoothly than this one or any in the past.

Till next month,
Larry Boggs

CORRAL STAFF ATTENDS PRESS ASSOCIATION CONVENTION

Several members of the Corral Staff attended the Panhandle Press Association convention in Canyon Tuesday. Bob Hilburn Sports Editor of the Plainview Herald was the principal speaker of the 27th annual meeting of Panhandle journalists.

"There are unlimited opportunities in the field of journalism for young people today", Hilburn said. "However," he continued, "to succeed in this field a person should have a college education, be willing to work hard, be able to get along with a variety of people and to work and concentrate under pressure, and be able to take orders and criticism."

Some of the disadvantages in journalism pointed out by Hilburn were low pay, long hours and night work. These disadvantages are of set to some degree by the high rewarding service done to a community, high personal standing of the journalist in the community, and the feeling of satisfaction that when the press rolls, the work is done. There is also good chances for advancement in this field.

In explaining some of the "Dos" for a good journalist, Hilburn said, "Every student should learn the simple rules of good grammar, and by all means learn how to spell and how to use the dictionary." He explained that a good journalist would develop all possible news sources, get stories on his own, treat news sources fairly, read his copy accurately, and look for the surprise twist that makes a story interesting.

On the other hand one should never leak a confidence, stay out of politics, know facts before printing a story, never color a story to suit his own taste, and never under estimate the value of ethics. "As a journalist, remember you are being paid for your talent and time," Hilburn stressed. "Good citizens, good businessmen, and good Americans make good journalists," he concluded.

After the general session, the group divided for sectional meetings for those primarily interested in newspaper work and those interested in working on the school yearbook. In the newspaper section, Miss Elizabeth Hurley, Sponsor of the Pampa Little Harves-

ter, said that news must be fresh, fair, and factual. She also stressed the importance of correct spelling. Mr. J. F. Paschal, Sponsor of the yearbook La Airosa of Amarillo High School, showed some slides of annuals and gave some helpful suggestions for making better annuals at less cost to the school.

At the luncheon meeting held in the cafeteria of West Texas State awards were presented for the best news stories submitted this year. Tom S. Lubbock took eleven of twenty-seven first place trophies for top honors. The meeting was adjourned by Peggy Sue Hales of Canyon and President of PHSPA.

Those attending the conference from Wheeler were Dorothy Hall, Kelley Bowles, Mary Ann Bradstreet, Bill Pearce, Richard Parks, Ray Owen, and Mr. Killingsworth.

Scene From Anastasia To Be Presented

"Recognition Scene from Anastasia," Wheeler's entry in the District One-Act Play contest, will be presented before the student body Friday morning in assembly at nine o'clock. Appearing in the play will be Dorothy Hall, Carolyn Sims, and Joe Loter.

After the play, the student body will be divided into two parties called the Whigs and Tories. Frances Alexander and Troyce Hunter who were Boys' State and Girls' State representatives last year will be the chairmen of the parties. Each party is to elect two candidates for the following offices:

1. Student Council President
2. Chaplain
3. Song Leader

On Wednesday, March 29, the first 3 minutes of the last period the parties will meet. They will elect their choice of their candidates for the final election. They will also elect a campaign manager for each candidate.

Friday, March 31, from 9:00 to 9:30 a candidate will present his qualifications for the office. At noon, Friday, the entire student body will cast their votes for their choice of the person to fill these important offices next year.

Dairy Foods 4-H Spotlight

A teenager from the Lone Star State became such a beneficiary of the project recently paid trip to the 28th National Congress in Chicago.

Connie Reddick

Connie Reddick, 22, sectional winner for her demonstrations throughout the nation, made the all-expense trip through the sponsor, Carnation Co., Los Angeles, the Cooperative Extension Service.

Miss Reddick, a member of Tezakana College, has been interested in dairy foods since she moved to a Missouri farm and one of her assignments was milking a cow.

"I was during this project I started to learn the different facts, and new and better dairy foods," she says.

Since then, the young woman presented scores of lectures and exhibits of food mixtures. One of her "Dairy Foods Party" presentations was a combination for Connie and another kansas girl, Carol Beizer, presented 30 times before it swept the two girls' team championship title.

Connie, daughter of a teacher, has been a member with the Oak Grove 4-H Club, Joseph, Mo., and the group in Tezakana.

Little Boy's Opinion Of 'The Editor'

It isn't often that one through a paper and find person's opinion of it clearly put as the one in the "Panhandle Publisher's Story" is the "Small Boy's Editors."

"I don't know how you got into the world, but I think God does, for he nothing to say about the Bible. I think the editor missing link we read of in the bushes after the then came out and wrote up, and has been here."

"If the editor makes folks say he ought to be buried then and people nothing because they can't write Latin."

"When the editor takes there is a big line swearing, and a big funeral, cut flowers, and silence."

"A doctor can use words long without him or her knowing what it means, the editor uses one he has it."

If the doctor goes to other man's wife, he gets man for the visit, but if he goes, he gets a charge shot. Any college can make to order, but editors have born."

Announcing ...

A CHANGE IN OWNERSHIP IN THE

WHEELER DRUG

THE PRESENT OWNERS:

First we want to express our appreciation to our many friends and customers in Wheeler. And second we want to express our delight in having such a fine young man as Hyland Weaver to turn the business over to. We feel certain that Mr. Weaver will continue to serve you, our customers, in the manner in which you have been accustomed.

Mr. and Mrs. Frank Wofford

WELCOME
