Tuesday morning 24th, rather cool and damp, 60 degrees in my den at times its colder in this house than outside.

Well Joe Dukes was lay to rest yesterday, it was rather a nice day, it rained the night before, glad it was not raining, he was put in the new addition part Wed. Only other there I think was Patsy (Tipps) Robertson, George Parker told Colie there were 750 seats prepared in Allison Gym, it looked like all of the seats were filled. There were people from several states there. Joe was known by many people from the meetings he held. We will miss him.

One day at a time, no Sorrow so deep, but we can still follow the print of His feet, For one single day and it may be the last, Ere the journey is ended and finished our task.

Thursday, 26th, a real Fall day, sunny, cool, little windy.

Our visitors Thursday were Harmon and Daphne Barry, N.F. Young.

Harmon and Daphne went to Red River last weekend, it snowed all around up there, they went with their son Ronny and Vicie she said they liked to froze. Harmon is always freezing anyway.

Was reading about that Parker reunion at Mobeetie, wondering if we were Kin down the line. That R.C. looks pretty tall, I been in the Parker family 53 years, I have seen quite a lot of tall Parkers.

Colie don't know to much about his Parker ancestors and don't seem to want to. That's one of my hobbies finding ancestors. Colie has a brother named Claude Parker.

Mattie and Rozena visited with

Choice Scott in Mobeetie Friday afternoon.

The National Restaurant Association has suggested to their members to try to offer food low in sugar, sodium, cholesterol and fat, sounds good.

We received some more rain haven't heard yet how much. But we are wet. Everyone drilled wheat like mad. Last week some neighbors went in drilled some wheat for Nelda Dukes. Glen Elmore said 264 acres (I think) what he told Colie. Colie did not get all his hay baled or all his wheat drilled.

National 4-H Week, October 6-12

National 4-H Week, October 6-12, reflects on the role of youth in shaping America. The theme for the week-long celebration is "4-H For Youth, For America".

What we do for our youth today, we do for America tomorrow. Through 4-H, young people can acquire knowledge and develop life skills that enable them to become self-directing, productive and contributing members of our society. Specifically, they learn good health habits, develop respect for themselves and others, explore career and leisure time opportunities, share responsibility for preserving the environment, learn how to use technology, and develop leadership and citizenship skills through participation in 4-H. And, that's something to celebrate.

4-H is open to youth ages 9 (or in the 3rd grade) through 19 regardless of socio-economic level, race, color, sex, handicap, religion, or national

3 Concerts Scheduled For Shamrock

The three concerts scheduled for the current season are: "The Rondoliers" a men's vocal trio; "Zorango Flamenco", Spanish dancers; and "The New Christy Ministers" a company of singers and instrumentalists.

Opening the season will be "The Rondoliers" on October 29th on the stage of Shamrock High School Auditorium at 8 p.m. All concerts begin at the 8 o'clock hour and will be presented in the high school auditorium.

One feature of the Shamrock Association membership is the availability of attending the Pampa Community Concert Association programs on the same membership card.

The "Zorango Flamenco" dancers will appear on the evening of Nov. 12 while the "New Christy Ministers" will conclude the season on March 9th, 1986.

Headquarters for the Membership drive will be in the Pioneer West Museum in Shamrock, which will be open all week.

But 4-H is not only for youth. It's for adults, who as volunteer leaders, can share their skills and expertise with young people. It's for families, who can participate in the fun and learning together. It's for the community, which benefits as a new cadre of leaders takes its place in our society.

Harris & Horton Take Trip

Sallie Harris and Nellie Horton flew to Dallas on Sunday to spend a week with their brother, Miner Lee Carson and his wife Louise, in Irving, Texas. Their sister Helen Ward flew up from Houston on Thursday and spent the rest of the week with all the family. Sallie spent one night and two days with her sister-in-law Stella Morris and her daughter Dorothy Sheriff in Dallas. This was a happy reunion after being apart for fifteen years, there was much to talk about.

Skills & Smiles Win State Honors

From among the approximately 27,000 members of the Vocational Industrial Clubs of Texas, only one would be selected for the Harry W. Sears Award as the Outstanding VICA Student of the state.

One of the candidates for this honor was 17-year-old Robert Sims of Cal Farley's Boys Ranch. Robert came to the Ranch from Coeur d'Alene, Idaho, in 1981. Standing before a panel of judges in Dallas, Texas, he was evaluated for his knowledge of building trades, confidence and leadership qualities. As a Boys Rancher, Robert developed skills in carpentry, plumbing and electrical wiring. In addition to his knowledge of these vocations, he was also judged for his talents in public speaking and leadership.

This was the annual convention of the state VICA convention. The Ranch delegates had already been successful in other areas. Robert was elected state treasurer and Barry Powell was elected Sergeant at Arms and awarded the Texas Statesman award. Both young men later qualified as delegates to the national convention in Phoenix, Arizona.

The climax of the convention in Dallas came with the presentation of the Harry W. Sears Award to Robert before a large crowd of students and teachers from all over the state. It was one of many honors that had come to Robert, but this was the most prestigious. Why did Robert think he was selected?

"Self confidence, selling yourself and always smiling," he said.

 "Better than ever"

Ain't It the Truth
 BY AB GUNTER

I am seriously thinkin bout taking the T.V. out and gettin a Gramophone to replace it. Shucks they have taken all the Hoot Gibson and Montie Blue and Tom Mix Movies off T.V. Honest they have. I got to looking in one of them fall T.V. Guides and there ain't one Cowboy show in the whole lineup. They even got Gunsmoke and Rawhide off the air. Talk about discrimination that's the top.

We have turned the dial more this fall than we did on the Boob Tube and the way the programs are we might just turn the OFF dial and get us a good Will James or Zane Grey book er maybe one of that Frenchman's new ones his name is Louie Lamour er something like that. We reread all the National Geographics, Reader's Digest and course the Capper's Farmer but we had gotten addicted to the Boob Tube and sort of miss good programs.

Mamas got so durn many of them Honey Dots that we ain't got familiar with the daytime Soap Operas but when the sun goes down we had a few specials that we liked. We have gotten to enjoying the Commercials better than the programs and now we do the reverse, when a program comes on we jump up and get the dishes done er whatever and then we try to get back to the Tube and watch all the commercials.

Many years ago I was a T.V. star (so to speak). I worked for a closed circuit channel in Ruidoso and we had Bingo and all kind of things on it. I would interview folks on tape and would run it back over the network at night. One complaint was that a friends wife would get interested in the Bingo and let the Brown Beans burn, I corrected that by tellin the Lady to go check the beans about every fifteen minutes. During Race Season I would tape all the Races and show them back at night. Our camera wasn't right at the finish lines and some of the owners er trainers would throw a fuss with The Stewards at the track about being cheated. The Stewards would let the folks see the Official tapes on the race and finally told me to shape up or ship out.

With all the violence on T.V. now it makes hard to eat a Tootie Fruity Ice Cream bar during the program. I thought we had violence during the War but golly they have more shooting in thirty minutes than we had all day in Combat. Laverne and Shirley have arrested more folks on one program than Bus Dorman, Doyle Ramsey and Lonnie Miller have in all their Law Enforcement lives.

Hope that some of them Neilsen Rating Nuts get down in this part of the country and ask me what I would like to watch. Shucks I will be sure and say what about a Good John Wayne er maybe Matt Dillon, maybe you could come up with something, what about it.?????????

Mrs. Joe Flowers

More rain and it got a shade chilly. 32, but no ice. We went to Elk Creek to church Saturday and it literally poured over around Bulo to Sayre. Got home and we had a tenth but came a lot more that night. Heard they had so much last week over south that the big round bales of hay floated out of a field.

The Queen Anne's Lace is very pretty. The sunflowers have been out of the world. I had a bed or four o'clocks higher than my head. A skinny sun flower poked its head up in the middle. I felt sorry for it and left it. Came one shower and the thing was a foot higher than the others and blooming its head off.

Gloria storm alert sort of fizzled out. Everyone was glad but disgusted too. They had been really scared by the press. Reminded me of the old man who went to the cellar faithfully everytime they broadcast a tornado warning. Always came out safely but one day he came out to find the landscape flat as a flitter. Nothing left. He sighed deeply and says, "Well, that's more like it!"

Mr. and Mrs. Gerald Tipton kept little grandson Vince Franks of Watonga a few days while Jan and Jeff went to a retreat meeting at Tulsa.

Mr. and Mrs. Olin Nabors, Ruby and Rhone Nix went on a vacation to Lake Texoma. Think Olin fished a little but I didn't get invited to a fish fry.

They visited the girl's aunt Sammie Hardage who is 93 and in a nursing home at Durant. The Hardages lived neighbors to us long ago and we all went to school at Friendship.

Had some coupons Saturday. I always check to see if they take them off or add them on. Saw where women were asked to tell what they'd like in the stores. The answer was rest-rooms, a place for the non shoppers to rest, and mark the goods. No one likes to buy unmarked stuff. They are never certain whether they were charged the right price. Or they don't mark the specials. A sign says 79c but the sack says \$1.69. If you don't watch you won't get the special.

They had a coupon war at Boulder, Colorado. One store paid 10 times the coupon value. Said they were lined up out into the street waiting for baskets and carts. One woman came out with \$200 worth of groceries that cost her \$25. I just know of one store around here that pays double on coupons.

Visited with Mabel Hartman. She said Mark was recovering very nicely from his hip surgery.

The Sweetwater Assembly of God Church is having a bazaar and rummage sale beginning Tuesday, October 1, at the Old Globe Cleaners building in Sayre. It will continue for some time.

Mrs. Ray Smith is very disturbed because her beautiful white cat disappeared Saturday, Sept. 29, while they were at the Blue Grass Festival. It was wearing a black flea collar. If you have him or have seen him, please call her.

Memorial services were Wednesday at the Methodist Church in Cheyenne for Lloyd (Bully) Martin of Dempsey. Bully loved to fiddle and always put on a show. Brought joy to a lot of folks. Burial was in the Dempsey Cemetery.

Services were also Wednesday at the Baptist Church in Sayre for Travis Stone. He was raised in this community. His mother was one of my mama's dear friends. His daughter Sherri Hill and family and brother Leo still live here. Burial was in the Buffalo Cemetery.

We may be brought down by the population explosion rather than nuclear warfare. China is trying to do something by limiting families to one child. This means no brothers or sisters, aunts or uncles for future generation.

starving to death believe that a child a year is a divine edict. In America, they say one child out of five is born to unmarried mothers. Besides the moral issue, it is the right of every child to be raised by a mother and a father. When you read how well a single mother is doing, you will usually see a set of grandparents raising the child.

Mr. and Mrs. Jerry Alexander and kids, Darrell and Kathy Heisohn and their children are at the OKC fair.

Mr. and Mrs. Donnis Hays of Enid spent last week with her mother Mildred Allen. Father Hays died in mid September.

Well, the Man was nice and has left the Delhi Translator on the he still has a shortage of paying customers. He turned it off one year for a while and I didn't get to be there when Sue Ellen's little John was born. Had to wait till the reruns in the spring.

Says he's going to print the name of all the payers in October. Everyone

can check and see if your neighbor is on the list. And hope they didn't mislay your name.

Mr. and Mrs. Joe Mong and Ruth Pyle visited Thursday with Iva Thompson. Peggy and Leroy are at the Fair.

Saw Joe and Osie Lawson in town. We talked about how the oil bust has affected all. Just drive around any town and look at the beautiful buildings that are grown up in weeds. Doubtful if anyone ever lives in them.

In the good old days, there wasn't a motel room available between Amarillo and OKC. Now you stay in some places for as little as 2 for \$11. Don't see folks sleeping in the bar ditches. Not too many people are paying for groceries with \$100 bills. Tho I did see one woman get back \$600 when they cashed her check.

Mr. and Mrs. Alex Ewing went down to Altus for her check-up Monday. Sure happy she got a good report.
